

MAIN LINE LEAGUE TO HAVE EIGHT CLUB CIRCUIT

Fred. L. Rose Again President,
With Chas. A. McCrea
Secretary-Treasurer

The keynote of the Main Line Base Ball League "Base Ball Preparedness" was uppermost in the minds of the league potentates and managers who convened in the annual re-organization meeting last Friday evening at the Narberth Y. M. C. A.

The expressions of all the leading potentates of the various towns are of the strongest and indicate beyond any doubt that this season will eclipse any previous ones in the history of the league.

Probably the best criterion of the status existing was brought out by the number of applications filed with President Rose for berths in the league, thus again demonstrating that the league standard of amateur base ball has had its effect and that this calibre of ball has proved to be what the followers of the Main Line have desired for many seasons, but which point was only reached after diligent efforts on the part of the principal officials of the league.

Election.
In the election of officers Frederick L. Rose was again honored with the presidency, in fact all the election was unanimous. Mr. Rose has filled this office for four seasons now and credit sufficient in volume can hardly be given for the efficient manner in which the affairs have been conducted and it was through his efforts that base ball troubles of the Line have been brought to the lowest minimum. Mr. Rose in all walks of life is a clean and conscientious man and thus one of the strongest advocates of clean sport in all branches, principally in base ball.

Charles A. McCrea, who has been associated with the Main Line Base Ball Clubs for five seasons now was again the choice for the office of secretary-treasurer and will, along with the president, give his untiring efforts for the general welfare of the league and the base ball public in general.

A new member of the board is Charles E. Clay, elected to the office of vice-president. Mr. Clay is prominently associated with the Pennsylvania Railroad Base Ball League, being its chairman for the past eight years and should make a substantial addition to the executive staff of the Main Line.

Eight Club Circuit.

The Narberth Champions were represented by Manager Fred. Walzer, the popular constable of the borough and President Raymond Jones.

The R. G. Dun & Co. A. A., which made such good impression along the circuit last season and finished a strong second, was present in the personage of Manager Frederick Overbrook.

Overbrook was there backed strong by Manager J. P. O'Brien, while the Paoli Men's Club was represented by Manager Walter (Skeets) Hanley and Charles Clay.

It was found that the opportunity was ripe for increasing the circuit to eight clubs. Charles W. Kerwood filed application for Ardmore Club for franchise in the Main Line, and Wm. Kirk applied for membership for Bon Air team of Manoa. Both these organizations were favorably passed on and the clubs became members of the league, thus practically eliminating the Twin-County League, of which they had been members for the past two years. The officials of the league are glad to welcome the Ardmore, as well as Bon Air Clubs to the league.

These thus constitute the home clubs for this season, with the R. G. Dun & Co. Club as the one traveler and another well-known city team as the other traveler to make up, the eight club. A number of new applications have been received for this berth.

"The Scribe."

It is surprising how many letters and postal cards are dropped in the post office without any address. When this occurs the communication does not proceed very rapidly.

DOG TAX.

The law requires that a diligent inquiry be made from property owners or occupants of any property as to the number of dogs owned, harbored or kept by such persons, who shall pay a tax on such dogs, the fee being fixed by the County Commissioners as follows: Each male dog, 50 cents; each female dog, \$2. Every person keeping a dog about his house or allowing such dogs to stay about the same shall be deemed as the owner of such dog and be liable for the license of such dog. When the assessment is made the owner must pay the tax, and in return receive a tag which must be worn on the collar of the dog. Otherwise, when the authorities send around in the spring any dog not wearing the tag shall be taken up. Tax on dogs must be paid at the time inquiry is made.

COMMUNITY CLUB.

Last Tuesday afternoon, January 25, Mrs. Arthur Cole was hostess, assisted by Mrs. Horner, Miss Simpson and Miss Brill.

There was a very large turnout at this afternoon tea, and everybody had a most enjoyable time.

The ladies of Narberth should attend these teas every Tuesday afternoon from 3 until 5, and you will then meet your friends and neighbors.

Mrs. William Livingston is to be hostess on Tuesday, February 1.

Those members who have not sent their dues to the Membership Manager, Mrs. David Stickney, may hand in their dollar any Tuesday afternoon at the tea. Next Tuesday afternoon preferred.

The club members are looking forward to the most prosperous season they have ever had. They are striving for three hundred members this year. Do not hesitate to send in your name.

A LETTER FROM POSTMASTER HAWS.

To the Editor of Our Town,
Narberth, Pa.

Dear Sir:

Replying to your inquiry as to whether the people of Narberth are patronizing the Narberth Post office when in need of stamps and other stamped paper for use in mailings at this office, will say that the figures would speak for themselves were I permitted to give them out.

If our office did not show an increasing business it would be difficult to get the Department at Washington interested in providing new office quarters.

The parcel post packages dispatched from this office also adds to our credit. Patrons are urged to send all packages by parcel post.

Every one who buys stamps, cards or envelopes at his own post office is adding to the credit of that office.

Respectfully,

Edward S. Haws,
Postmaster.

TELLS OF WILD ANIMALS.

Ernest Thompson Seton, the noted author and naturalist, delivered an address entitled "Wild Animals I Have Known" in the Merion Country Day School Tuesday. The building was crowded, a third of the audience being adults and the remainder boys and girls. This well-known and highly interesting talk by the naturalist was greatly pleasing to the throng that heard it. The lecture was under the auspices of the Women's Committee of the Merion Civic Association.

The Senior Class of the Narberth High School has been fortunate enough to secure the Haverford Combined Mandolin and Glee Clubs, who will present to the Narberth public a musical treat of unusual quality. Most every resident of the Main Line knows the reputation of this organization, so that it hardly seems incumbent to elaborate on their wonderful ability; but suffice it to say, those who are wise enough to purchase a ticket for this entertainment will insure for themselves a very pleasant evening and at the same time be contributing to the most worthy cause of supporting our public schools. Together with the usual Glee Club concert there are to be special solos, violin, mandolin, cello and vocal, by well-known artists. The admission for adults will be fifty cents, and for pupils of the schools and children under fourteen, thirty-five cents. It is to be hoped that everyone will avail themselves of this very excellent opportunity.

LEAP YEAR SOCIAL AT PRESBYTERIAN CHURCH

Ladies' Aid Society Entertained
The Men's Club and Friends

The first Leap Year social in Narberth was given last Friday evening by the Ladies' Aid Society of the Presbyterian Church. The affair was in honor of the Men's Club of the church, and an elaborately planned and well-rendered program was given.

The presentation of "The Old Maids' Association" monthly meeting was the principal feature of the evening. It reflected much credit on the untiring efforts of Mrs. Lester W. Nickerson, president of the Ladies' Aid Society, and Mrs. George W. Colesworthy.

The meeting of "The Old Maids' Association" was brought to an abrupt ending, when Professor Makerneux, of France (Mr. William J. Kirkpatrick), offered to give free demonstrations with his newly patented machine which he guaranteed to transform old maids into young and beautiful girls.

After much persuasion, each member of the Old Maids' Association in turn passed through the machine and was transformed according to her special desire into a golf girl, elocutionist, society girl, tennis player, musician, suffragette, soloist, bride, college girl, cook or nurse.

The machine did all that its maker guaranteed it to do, even to the making of a handsome man (Mr. Adam H. Wilson) out of two old maids—Miss Desire A. Mann (Mrs. A. Campbell) and Miss H. Odella Olds (Mrs. William H. Cohic)—and the transforming of Miss Mable Kirkpatrick's dog into a string of sausage.

The membership of the Old Maids' Association consisted of Mrs. George M. Colesworthy, president; Mrs. Clarence P. Fowler, secretary and treasurer; Mrs. William J. Kirkpatrick, Mrs. Adam H. Wilson, Mrs. A. Campbell, Mrs. William H. Cohic, Mrs. Samuel Foster, Mrs. Edward G. Sshaurth, Mrs. Edgar S. Taylor, Mr. Edward S. Haws, Mr. Frederick L. Rose, Mrs. A. Clark Warner and Mrs. George W. Braden. Taking the parts of the various summer girls were:

Mrs. S. P. Bowman.....Golf Girl
Miss Mary Melchion.....Elocutionist
Mrs. Robert H. Durbin.....Society Girl
Mrs. Walton M. Wentz.....Tennis Girl
Mrs. Elwood H. Sicks.....Musician
Mrs. Frank Stone.....Suffragette
Mrs. Fred Walzer.....Bride
Mrs. O. L. Hampton.....Soloist
Mrs. W. Parker.....College Girl
Mrs. Henry Rose.....Cook
Mrs. J. P. Purse.....Nurse

Refreshments were served by the ladies in true Leap Year fashion.

Mrs. Stokes' article on "Bird Conservation," which appeared in our last issue, was well received and very favorably commented upon by many of our residents. What did you think of it?

If people could fully appreciate the value of preserving the existing remnant of the birds, to say nothing of considering its future increase, the halls of our State capitols would resound with an emphatic and peremptory demand for adequate legislation, for the preservation of the birds means little less than the preservation of agriculture itself.

The Narberth Fire Company should be well supported by every resident of our borough.

In this issue they state plainly their purpose and need of your support.

The blank, properly filled out, will make you a member of that worthy organization, and their appeal to you at this time should not be passed by.

They need your support, as they must have, and are aiming for a much larger membership for 1916 than ever before.

To the Editor of Our Town:

In our Narberth officials, Councilmen and others, had either horses or children that were compelled to use Narberth avenue, over the railroad bridge, on a foggy, or any other kind of a day, in fact, a footway would be arranged for at once, and Essex avenue would be cut through before another month passes by.

In winter, on account of the ice and snow, it is almost impossible for man or beast to reach the bridge, and all traffic either to or from the south side by conveyance must use the Wynnewood avenue passageway under the railroad. This outrage should not longer be tolerated.

Men, women and children are always subjected, even in the best of weather, to real danger while crossing this bridge in the roadway, on account of there being no footway, at the very point where horses are most likely to take fright and become unmanageable, owing to steam and smoke being forced through the cracks in the bridge boards.

It would seem to one not familiar with the facts that a live citizenship in a live borough with live officers would never have consented to such an arrangement when the bridge was built and to continue to have this bridge used without a protected footway is a crime against a large portion of our citizens.

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

MEN'S CLUB BANQUET ON ST. VALENTINE'S DAY

Affair To Be Held in Poor Richard Club, Philadelphia

All arrangements for the fifth annual banquet of the Men's Club of the Presbyterian Church were completed at a recent meeting of the committee and reservations are now being made by members and others. As the regular meeting day falls on St. Valentine's Day, February 14, a program of unusual interest, appropriate both for the occasion and the day, is being planned.

As the club has outgrown the quarters in the church building suitable for the banquet, it will be held this year in The Poor Richard Club, 239 South Camac street, Philadelphia. Covers will be laid for fifty-three persons. The speakers will be Rev. John Van Ness, pastor of the church; Mr. Bruce Ibra Myers, instructor of the Men's Bible Class, and Hon. John Dennis Mahoney, of the West Philadelphia High School. Rev. Van Ness and Mr. Myers will review briefly the work of the Men's Club and the Bible Class. Mr. Mahoney will speak on "Preparedness—The Price We Pay." President George M. Colesworthy, of the club, will be the toastmaster.

DR. MENDEL'S LECTURE

Dr. Levi P. Mengel, the well-known scientist who accompanied Peary on his North Pole expedition, delivered his lecture on "Egypt, Its Monuments and Antiquities," before a large and appreciative audience on Friday evening, in the school auditorium.

Those who expected an instructive lecture were not disappointed. Dr. Mengel, who has traveled extensively on scientific expeditions, knows how to accumulate facts worth while. The lecture was beautifully illustrated by about a hundred slides.

The Ancient History Class occupied front seats and "took notes." The ground covered by Dr. Mengel was so closely correlated with the class work that the students were delighted.

The modes of travel, methods of living, past and present occupations and industries were emphasized; historical settings were clearly defined. The "Monuments and Antiquities" well illustrated and explained added interest.

This lecture, coming to Narberth as it did, without any expense whatever, was greatly appreciated. The thanks of the school and community is due to the Board of Education who through Mr. Downes secured the services of so able and popular a lecturer.

Dr. Munhall Sunday Night in The Methodist Church

A stirring meeting is anticipated Sunday night in the Narberth Methodist Episcopal Church when L. W. Munhall, M. A., D. D., gives his famous address on "The Book of Books."

The evangelist has presented this lecture before critical audiences at home and abroad. Everywhere it has been heard with great profit and delight. Dr. Munhall is a man of strong convictions and a delightful speaker. He has had a wide experience and frequently refers to some of the scenes in the Civil War where he fought for the Union in forty-one battles.

In order to provide for all who desire to hear the speaker the ushers will arrange for additional seating capacity. The Men's Bible Class, who have charge of the service, requests the congregation to gather early so that the meeting may begin promptly at 7.45. Strangers and visitors welcome always.

Many, many welcomes, February, fair maid.
Ever as of old time
Coming in the cold time,
Prophet of the gay time,
Prophet of the May time,
Prophet of the roses;
Many, many welcomes,
February, fair maid.

—Tennyson.

February is here and so are the formerly dreaded mid-year "exams." But this year the "exams." have been changed to tests so we are in our usual good spirits.

At the last meeting of the Literary Society the debate on "Preparedness," was extremely interesting. The affirmative was taken by Helen Duff and Ross Howenstein; the negative by Marion Haws and William Durbin. We are sorry that none of the parents or friends of our school were present.

Helen Duff was very well "prepared" last Friday.

Miss Turner, our English teacher, has obtained a month's leave of absence from the board. Miss Turner's place will be filled by Miss Ellis.

Last week we entertained a great many visitors, some of whom were from schools along the North Penn Division. They commented especially upon the homelike appearance of our school.

Our other visitors were from the Carlisle Indian School. Mr. O. H. Lipps, who is the superintendent, gave an excellent talk to the student body on Friday morning. Miss Lida Johnson, who is the field secretary of the Carlisle School, was also present. She said that she considered the Narberth School to be one of the most interesting and progressive schools in Eastern Pennsylvania.

We certainly were glad to see so many people at the lecture in the school auditorium on last Friday evening. Dr. Mingle gave an interesting lecture on Egypt.

Last week the lunch room used 100 quarts of soup and 45 quarts of ice cream.

Great work is being done by the Girls' Domestic Science classes. Visitors are always welcome and if you would like to know how well the girls can cook just drop around some afternoon and find out for yourself.

Note—The Senior play is progressing rapidly. Look for it soon.

Last Friday Narberth High School defeated the Ambler High School team by a one-sided score of 45 to 15. Narberth played rings around Ambler. The line-up was as follows:
Downes..... forwardHaywood
McCarter.... forwardKeiger
Durbin..... centerLightship
Harsch..... guardRapp
Redifer..... guardWoodward
Field goals—Durbin, 5; McCarter, 5; Harsch, 4; Downes, 4; Haywood, 5. Foul goals—Durbin, 13; Haywood, 5. Referee—Dr. Hoffman.

This Friday afternoon at 3.30, in Y. M. C. A., we play one of our hardest games. It is with Perkiomen Seminary 2nd. A good game is promised. Everyone come and root.

Minister—So you go to school, do you, Bobby?
Bobby—Yes, sir.
Minister—Let me hear you spell bread.
Bobby—B-r-e-d.
Minister—Webster spells it with an a, Bobby.
Bobby—Yes, sir; but you didn't ask me how Webster spells it. You asked me how I spell it.

Wayne Still Leads in Main Line Bowling League.

The past week proved to be advantageous to the leaders in the Main Line Bowling League, principally due to the fact that our Y. M. C. A. bowling quintet took a single game from the Ardmore Y. M. C. A., while the Wayne Club made a clean sweep of their match on the Rosemont Men's Club alleys. This enabled Wayne to regain their former lead of six games.

The race has been a keen one, notwithstanding the marginal lead of Wayne and many good evenings have been passed in the various matches that have proven beneficial both from a recreative as well as a good-fellowship standpoint.

This week the Ardmore Y. M. C. A. will meet their rivals, the leaders, Wayne, at Ardmore, and should Wayne take the match, that is two out of three or the entire games, the championship is practically conceded to them provided they do not run into any bad slump. Of course, there are fifteen games yet to play after this week, but Wayne has been bowling a steady, consistent game and justly deserve their present standing.

Our local Y. M. C. A. quintet have been in rather bad form and will be without the services of "Anchor Man" Savill for the next few matches but then there is always the unexpected. They can still come to the front with a rush.

Wayne made a new record by rolling \$39 pins in their second game, just topping Ardmore by one pin, while Manager Walt topped the pins for a total of 563 for three games, with a new record, topping Wendell's record of 561.

THE NARBERTH JUNIORS (N. A. C.)

Saturday night's game was too easy. St. Paul's, of Ardmore, was the team that essayed to give us an argument, but as the game wound up 52 to 19 in our favor, the argument appears to be rather one-sided—and it was. At that, there were some interesting features, such as Frank Winne's fine goal shooting, he having made 36 out of the 52 points. The line-up was as follows:

Narberth: O. Humphreys for McCarter, G. Sheldon for O. Humphreys. Field goals: Winne 11, McCarter 6, O. Humphreys 2, Parsons 3, Harsch 1, F. Smith 1. Foul goals: Winne 14, F. Smith 5, W. Smith 4.

We play Drexel Hill next Saturday. We have already played them twice this year, each team winning a game. This will be the rubber. It will be very interesting. Come and see it.

LOWER MERION VALUES \$26,000,000

Assessment in One of City's Richest Suburbs Produces \$178,000 in Taxes

Lower Merion, the richest township in the suburbs of Philadelphia and the second richest in Pennsylvania, it is said, has been assessed at a little over \$26,000,000 in the triennial assessment of last year. This is an increase of over \$1,000,000 over the assessment of last year.

At a meeting of the township commissioners at Ardmore, on Wednesday night, the tax rate was fixed at 7 mills on the dollar. The school tax probably will remain at 7 1-2 mills. The county tax is 2 mills. This makes a total tax rate of \$1.65 on every \$100 of assessed valuation.

The receipts of Lower Merion township last year, with the same rate, aggregated \$366,197.16, less \$11,751.32 cash on hand at the beginning of the fiscal year. The actual amount received from the 1915 tax duplicate was \$178,480.50. An issue of highway bonds brought in \$30,244.80. The sewer rents amounted to \$35,437.01. Three temporary loans brought in \$70,000 more. The balance came from miscellaneous sources, such as subscriptions of individuals and associations for special sewers, roads and light and from fines, refunds and a bequest.

The township closed its fiscal year with \$31,251.59 in the hands of the township treasurer. So the cost of operation of the township was \$334,945.57. This is not, however, the exact net figure. The township paid a discount of 5 per cent., amounting to \$7597.89, on taxes sent in before September 15, 1915. It had to charge off to profit and loss the sum of \$1946.99 as uncollectable from the tax duplicate. There was carried over on the books the sum of \$25,676.33 of un-

For the Baby

For the average normal child perhaps the most important and yet the least expensive of his requirements is a liberal supply of 20 Mule Team Powdered Boric.

If you will stop and think a minute, you will recall that nearly all eye waters are made of boric and that the physician and nurse use boric extensively as an antiseptic.

The important thing is to get our absolutely pure, high grade 20 Mule Team Powdered Boric. Use it instead of talcum.

Dust his tender little body with 20 Mule Team Powdered Boric wherever there is a tendency to chafe.

Use a solution of 20 Mule Team Powdered Boric in washing all the natural cavities of the body.

paid taxes outstanding. A big slice also went to the payment of loans, interest and sinking fund charges. This amounted to \$89,718.40.

These items amount to \$124,939.61, which, deducted from \$334,945.57, left a remainder of \$210,005.96, representing the actual cost of maintaining old highways and constructing new ones and paying for the police and fire departments, sewerage department, Board of Health, and the playgrounds and the salaries of a few township officers. The largest item in these expenditures was \$98,240.33 for highways. The township spent \$30,329.23 for the police department and \$14,176.95 for lights.
