

ACKNOWLEDGEMENT

This publication contains extracts from the international Table of Frequency Allocations taken from the "Radio Regulations" published by the International Telecommunication Union (ITU).

The ITU material reproduced herein is published with the prior authorization of the ITU as the copyright holder of ITU publications. Authorization was granted to the publisher, the Swiss PTT, in its capacity as responsible for ITU matters in Switzerland.

The selection of ITU material reproduced in this publication is the exclusive responsibility of the publisher and in no way implies any responsibility of the ITU.

Article 8 of the "Radio Regulations" was taken from the Edition of 1990. Complete and current versions of the "Radio Regulations" can be obtained from:

General Secretariat
Sales Section
International Telecommunication Union
Place des Nations
1211 Geneva 20
SWITZERLAND

While every effort has been made to ensure the accuracy of the information contained in this publication, radio frequency allocations and plans are of necessity subject to change. The Swiss PTT accept no responsibility for any errors or omissions of whatever nature contained in this publication. The PTT is however grateful for any indication of obvious errors.
