This Plan exhibits the shape and form of Seven lots of land and part of an other, being part of a body of land belonging to Mr. James King said and unto lot, known and described in the General Plan of said lands by the Number 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30 &c. situated on Charleston Neck, between Meeting & King Streets, about three quarters of a mile North of the City of Charleston &c. which said lots of land have been lately purchased by Mr. George Forrest and are butting and bounding N. E. Eastwardly on Meeting Street, South Eastwardly on South Pinckney or Broad Street, South Westwardly on Worth Street, Westwardly on King Street, partly on the main air as part of lot No. 10 and partly on lot No. 27. Having tract measurements in acres as expressed and bounded in the above plan. Drawn a survey taken in October 1794.
