

MANDOT-RUSSELL TO GO 10 ROUNDS

Joe Mandot has decided that he will not go fifteen rounds with Frankie Russell, and considering his difficulty in getting the decision over Fanning in ten rounds this is good judgment on his part. He will take on Russell in two weeks for ten rounds.

HOW PROMOTERS AND BOXERS KILLED BOXING IN NEW YORK

By JACK VEIOCK, International News Sports Editor. New York, May 22.—They're going to hang erpe on the boxing game in New York next November. The chief mourners will be the promoters, their managers and the promoters. They will leave chesty sighs and shed salty tears as the grand old game is shelved and the lid comes down with a bang.

The promoters and the boxers have no one but themselves to blame. They put the curse on boxing and now they must take the consequences. Some future law may reinstate boxing in New York, but if it is ever brought back it must be run under entirely different conditions or it will be bound to fail, just as it has failed under the Frawley law.

about a return match was pulled through the newspapers. Petty wrangles between boxers, promoters and the members of the boxing commission were given wide publicity. One manager finally came to blows with a member of the commission over the granting of a license and the game went from bad to worse.
