1971 CHAPTER 78

An Act to consolidate certain enactments relating to town and country planning in England and Wales with amendments to give effect to recommendations of the Law Commission. [28th October 1971]

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

ADMINISTRATION

1.—(1) Subject to the provisions of this section, the council of a county is the local planning authority for the county, and the council of a county borough is the local planning authority for the county borough. Local planning authorities.

(2) If it appears to the Secretary of State that it is expedient that a joint board should be established as the local planning authority for the areas of any two or more such councils as are mentioned in subsection (1) of this section, or for any parts of those areas, he may by order constitute those areas or parts as a united district for the purposes of this Act, and constitute a joint board (in this Act referred to as a "joint planning board") as the local planning authority for that district:

Provided that the Secretary of State shall not make such an order except after holding a local inquiry unless all the councils concerned have consented to the making of the order.

(3) The provisions of Schedule 1 to this Act shall have effect with respect to the constitution of joint planning boards.

PART I

(4) Where a joint planning board is constituted for a united district, references in this Act to the area of a local planning authority—

(a) in relation to the board, shall be construed as references to that district; and

(b) in relation to any local planning authority being the council of a county or county borough of which part (but not the whole) is included in that district, shall be construed as references to so much of the county or county borough as is not so included.

(5) Regulations under this Act may make such provision consequential upon or supplementary to the provisions of this section as appears to the Secretary of State to be necessary or expedient.

1949 c. 97.

(6) The preceding provisions of this section, and the provisions of Schedule 1 to this Act, shall have effect subject to the provisions of section 8 of the National Parks and Access to the Countryside Act 1949 (administration of functions of local planning authorities in respect of National Parks).

Planning committees and joint advisory committees.

2.—(1) The provisions of Schedule 2 to this Act shall have effect with respect to the establishment and functions of planning committees and joint advisory committees of local planning authorities.

(2) The provisions of the said Schedule shall have effect subject to the provisions of section 8 of the National Parks and Access to the Countryside Act 1949.

Delegation of functions to councils of county districts.

3.—(1) The Secretary of State may, after consultation with such local authorities or associations of local authorities as he considers appropriate, make regulations for authorising or requiring local planning authorities to delegate to the councils of county districts in their areas, with or without restrictions, any of their functions under the provisions of this Act specified in subsection (2) of this section; and such regulations may be made so as to apply either generally to all local planning authorities (other than the councils of county boroughs) or to such of those authorities as may be specified in the regulations.

(2) The provisions referred to in subsection (1) of this section are Part III, Part IV, Part V, sections 171 to 173, 175, 177 and 246 and Schedules 11 and 14.

(3) In relation to a local planning authority being a joint planning board, subsection (1) of this section shall have effect as if the reference therein to the councils of county districts in their area included a reference to the councils of counties and county boroughs therein.

(4) Any regulations made for the purposes of this section may make provision—

- (a) for requiring any council to whom functions are delegated in accordance with the regulations to perform those functions on behalf of the local planning authority ;
- (b) for transferring to any such council any liability of the local planning authority to pay compensation under Part VIII or under section 187 or 237(1)(b) of this Act in respect of anything done by that council in the exercise of functions delegated to them in accordance with the regulations ;
- (c) for the transfer and compensation of any officers of a local planning authority or of any such council.

(5) The preceding provisions of this section shall have effect without prejudice to the provisions of section 8(3) of the National Parks and Access to the Countryside Act 1949 (delegation of functions to planning committees and sub-committees for National Parks). 1949 c. 97.

(6) In relation to any functions under this Act delegated to a council by a local planning authority, any reference in the provisions specified in subsection (2) of this section, or in section 290(4) of this Act, to the local planning authority shall (subject to the regulations and the terms of the delegation, and so far as the context does not otherwise require) be construed as including a reference to that council ; and in relation to any compensation payable by a council, by virtue of the transfer under this section to that council of any liability of the local planning authority, any reference in this Act to the local planning authority shall be construed as a reference to that council.

4.—(1) A local planning authority may delegate to any officer of the authority the function of determining all or any, or a specified class, of the following applications, that is to say—

Delegation of functions to officers of local authorities.

- (a) an application for planning permission under Part III of this Act ;
- (b) an application for an approval required by a development order or by a condition imposed on the grant of planning permission ;
- (c) an application for a determination under section 53 of this Act of the questions whether the carrying out of operations on land or the making of any change in the use of land constitutes or involves development of the land and, if so, whether an application for planning permission in respect thereof is required having regard to the provisions of the development order ;

PART I

- (d) an application for consent under an order under section 60 of this Act to the cutting down, topping, lopping or destruction of trees ;

- (a) shall be made to the officer by name ;
- (b) may be made with or without restrictions or conditions ;
- (c) may be withdrawn at any time by the delegating authority (either generally or in respect of a particular application), without prejudice to anything previously done by the officer thereunder ; and
- (d) shall, in the case of a delegation under paragraph (b) of subsection (2) of this section, be treated as withdrawn if the consent of the local planning authority under that paragraph is withdrawn.

(4) Where a local authority have under this section delegated to an officer of theirs or of another local authority the function of determining applications, and the officer so requests in the case of any application specified by him, the delegating authority shall themselves, instead of him, determine the application.

(5) Where any functions have under this section been delegated to an officer of a local authority, any determination by him of such an application as is referred to in subsection (1) of this section shall, if it is notified in writing to the applicant, be treated for all purposes as a determination of the delegating authority.

(6) Where an action has been brought against an officer of a local authority in respect of an act done by him in the discharge or purported discharge of functions delegated to him under this section and the circumstances are such that he is not legally entitled to require the delegating authority to indemnify him, that authority may nevertheless indemnify him against the

whole or part of any damages and costs which he may have been ordered to pay or may have incurred, if they are satisfied that he honestly believed that the act complained of was done in the discharge of those functions and that his duty required or entitled him to do it.

PART I

(5) Subsection (1) of this section shall, as respects any period during which this section is in operation in part only of the area of a local planning authority, be construed as requiring a local planning authority to institute a survey of that part of that area and to keep under review matters affecting only that part of that area; and subsection (2) of this section shall, whether or not this section is in operation in the whole of such an area, have effect as if the power thereby conferred included power for a local planning authority to institute, and for the Secretary of State to direct them to institute, a fresh survey of part only of their area; and references in subsection (3) of this section to the area of a local planning authority or any neighbouring areas shall be construed accordingly.

(a) to current policies with respect to the economic planning and development of the region as a whole ;

(b) to the resources likely to be available for the carrying out of the proposals of the structure plan ; and

(c) to such other matters as the Secretary of State may direct them to take into account.

(5) A local planning authority's general proposals under this section with respect to land in their area shall indicate any part of that area (in this Act referred to as an "action area") which they have selected for the commencement during a prescribed period of comprehensive treatment, in accordance with a local plan prepared for the selected area as a whole, by development, redevelopment or improvement of the whole or part of the area selected, or partly by one and partly by another method, and the nature of the treatment selected.

(b) the deposit of refuse or waste materials on land involves a material change in the use thereof, notwithstanding that the land is comprised in a site already used for that purpose, if either the superficial area of the deposit is thereby extended, or the height of the deposit is thereby extended and exceeds the level of the land adjoining the site.

(4) Without prejudice to any regulations made under the provisions of this Act relating to the control of advertisements, the use for the display of advertisements of any external part of a building which is not normally used for that purpose shall be treated for the purposes of this section as involving a material change in the use of that part of the building.

(5) Where planning permission to develop land has been granted for a limited period, planning permission is not required for the resumption, at the end of that period, of the use of the land for the purpose for which it was normally used before the permission was granted.

(6) In determining, for the purposes of subsection (5) of this section, what were the purposes for which land was normally used before the grant of planning permission, no account shall be taken of any use of the land begun in contravention of the provisions of this Part of this Act or in contravention of previous planning control.

(7) Notwithstanding anything in subsections (2) to (4) of this section, the use of land as a caravan site shall not, by virtue of any of those subsections, be treated as a use for which planning permission is not required, unless the land was so used on one occasion at least during the period of two years ending with 9th March 1960.

(8) Where by a development order planning permission to develop land has been granted subject to limitations, planning permission is not required for the use of that land which (apart from its use in accordance with that permission) is the normal use of that land, unless the last-mentioned use was begun in contravention of the provisions of this Part of this Act or in contravention of previous planning control.

(9) Where an enforcement notice has been served in respect of any development of land, planning permission is not required for the use of that land for the purpose for which (in accordance with the provisions of this Part of this Act) it could lawfully have been used if that development had not been carried out.

(10) For the purposes of this section a use of land shall be taken to have been begun in contravention of previous planning control if it was begun in contravention of the provisions of Part III of the Act of 1947 or of Part III of the Act of 1962.

Development orders

PART III

24.—(1) The Secretary of State shall by order (in this Act referred to as a “development order”) provide for the granting of planning permission. Development orders.

(2) A development order may either—

- (a) itself grant planning permission for development specified in the order, or for development of any class so specified ; or
- (b) in respect of development for which planning permission is not granted by the order itself, provide for the granting of planning permission by the local planning authority (or, in the cases hereinafter provided, by the Secretary of State) on an application in that behalf made to the local planning authority in accordance with the provisions of the order.

(3) A development order may be made either as a general order applicable (subject to such exceptions as may be specified therein) to all land, or as a special order applicable only to such land as may be so specified.

(4) Planning permission granted by a development order may be granted either unconditionally or subject to such conditions or limitations as may be specified in the order.

(5) Without prejudice to the generality of subsection (4) of this section—

- (a) where planning permission is granted by a development order for the erection, extension or alteration of any buildings, the order may require the approval of the local planning authority to be obtained with respect to the design or external appearance of the buildings ;
- (b) where planning permission is granted by a development order for development of a specified class, the order may enable the Secretary of State or the local planning authority to direct that the permission shall not apply either in relation to development in a particular area or in relation to any particular development.

(6) Any provision of a development order whereby permission is granted for the use of land for any purpose on a limited number of days in a period specified in that provision shall (without prejudice to the generality of references in this Act to limitations) be taken to be a provision granting permission for the use of land for any purpose subject to the limitation that the land shall not be used for any one purpose in pursuance of that provision on more than that number of days in that period.

PART III

(7) For the purpose of enabling development to be carried out in accordance with planning permission, or otherwise for the purpose of promoting proper development in accordance with the development plan, a development order may direct that any enactment to which this subsection applies, or any regulations, orders or byelaws made at any time under any such enactment, shall not apply to any development specified in the order, or shall apply thereto subject to such modifications as may be so specified.

(8) Subsection (7) of this section applies—

(a) to any enactment passed before 6th August 1947 (being the date of the passing of the Act of 1947) ; and

(b) to any enactment contained in the Highways Act 1959 being an enactment which re-enacts (with or without modifications) any such enactment as is mentioned in paragraph (a) of this subsection.

1959 c. 25.

Applications for planning permission

Form and content of applications.

25. Any application to a local planning authority for planning permission shall be made in such manner as may be prescribed by regulations under this Act, and shall include such particulars, and be verified by such evidence, as may be required by the regulations or by directions given by the local planning authority thereunder.

Publication of notices of applications.

26.—(1) Provision may be made by a development order for designating the classes of development to which this section applies, and this section shall apply accordingly to any class of development which is for the time being so designated.

(2) An application for planning permission for development of any class to which this section applies shall not be entertained by the local planning authority unless it is accompanied—

(a) by a copy of a notice of the application, in such form as may be prescribed by a development order, and by such evidence as may be so prescribed that the notice has been published in a local newspaper circulating in the locality in which the land to which the application relates is situated ; and

(b) by one or other of the following certificates, signed by or on behalf of the applicant, that is to say—

(i) a certificate stating that he has complied with subsection (3) of this section and when he did so ; or

(ii) a certificate stating that he has been unable to comply with it because he has not such rights of

access or other rights in respect of the land as would enable him to do so, but that he has taken such reasonable steps as are open to him (specifying them) to acquire those rights and has been unable to acquire them.

(3) In order to comply with this subsection a person must—

- (a) post on the land a notice, in such form as may be prescribed by a development order, stating that the application for planning permission is to be made ; and
- (b) leave the notice in position for not less than seven days in a period of not more than one month immediately preceding the making of the application to the local planning authority.

(4) The said notice must be posted by affixing it firmly to some object on the land, and must be sited and displayed in such a way as to be easily visible and legible by members of the public without going on the land.

(5) The applicant shall not be treated as unable to comply with subsection (3) of this section if the notice is, without any fault or intention of his, removed, obscured or defaced before the seven days referred to in subsection (3)(b) of this section have elapsed, so long as he has taken reasonable steps for its protection and, if need be, replacement ; and, if he has cause to rely on this subsection, his certificate under subsection (2)(b) of this section shall state the relevant circumstances.

(6) The notice mentioned in subsection (2)(a) or required by subsection (3) of this section shall (in addition to any other matters required to be contained therein) name a place within the locality where a copy of the application for planning permission, and of all plans and other documents submitted with it, will be open to inspection by the public at all reasonable hours during such period as may be specified in the notice, not being a period of less than twenty-one days beginning with the date on which the notice is published or first posted, as the case may be.

(7) An application for planning permission for development of any class to which this section applies shall not be determined by the local planning authority before the end of the period of twenty-one days beginning with the date of the application.

(8) If any person issues a certificate which purports to comply with the requirements of subsection (2)(b) of this section and which contains a statement which he knows to be false or misleading in a material particular, or recklessly issues a certificate which purports to comply with those requirements and which

PART III contains a statement which is false or misleading in a material particular, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £100.

(9) Any certificate issued for the purpose of this section shall be in such form as may be prescribed by a development order.

Notification of applications to owners and agricultural tenants.

27.—(1) Without prejudice to section 26 of this Act, a local planning authority shall not entertain any application for planning permission unless it is accompanied by one or other of the following certificates signed by or on behalf of the applicant, that is to say—

- (a) a certificate stating that, in respect of every part of the land to which the application relates, the applicant is either the estate owner in respect of the fee simple or is entitled to a tenancy thereof ;
- (b) a certificate stating that the applicant has given the requisite notice of the application to all the persons (other than the applicant) who, at the beginning of the period of twenty-one days ending with the date of the application, were owners of any of the land to which the application relates, and setting out the names of those persons, the addresses at which notice of the application was given to them respectively, and the date of service of each such notice ;
- (c) a certificate stating that the applicant is unable to issue a certificate in accordance with either of the preceding paragraphs, that he has given the requisite notice of the application to such one or more of the persons mentioned in the last preceding paragraph as are specified in the certificate (setting out their names, the addresses at which notice of the application was given to them respectively, and the date of the service of each such notice), that he has taken such steps as are reasonably open to him (specifying them) to ascertain the names and addresses of the remainder of those persons and that he has been unable to do so ;
- (d) a certificate stating that the applicant is unable to issue a certificate in accordance with paragraph (a) of this subsection, that he has taken such steps as are reasonably open to him (specifying them) to ascertain the names and addresses of the persons mentioned in paragraph (b) of this subsection and that he has been unable to do so.

(2) Any such certificate as is mentioned in paragraph (c) or paragraph (d) of subsection (1) of this section shall also contain a statement that the requisite notice of the application, as set out in the certificate, has on a date specified in the certificate

(being a date not earlier than the beginning of the period mentioned in paragraph (b) of that subsection) been published in a local newspaper circulating in the locality in which the land in question is situated.

(3) In addition to any other matters required to be contained in a certificate issued for the purposes of this section, every such certificate shall contain one or other of the following statements, that is to say—

- (a) a statement that none of the land to which the application relates constitutes or forms part of an agricultural holding ;
- (b) a statement that the applicant has given the requisite notice of the application to every person (other than the applicant) who, at the beginning of the period of twenty-one days ending with the date of the application, was a tenant of any agricultural holding any part of which was comprised in the land to which the application relates, and setting out the name of each such person, the address at which notice of the application was given to him, and the date of service of that notice.

(4) Where an application for planning permission is accompanied by such a certificate as is mentioned in subsection (1)(b), (c) or (d) of this section, or by a certificate containing a statement in accordance with subsection (3)(b) of this section, the local planning authority shall not determine the application before the end of the period of twenty-one days beginning with the date appearing from the certificate to be the latest of the dates of service of notices as mentioned in the certificate, or the date of publication of a notice as therein mentioned, whichever is the later.

(5) If any person issues any certificate which purports to comply with the requirements of this section and which contains a statement which he knows to be false or misleading in a material particular, or recklessly issues a certificate which purports to comply with those requirements and which contains a statement which is false or misleading in a material particular, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £100.

(6) Any certificate issued for the purposes of this section shall be in such form as may be prescribed by a development order ; and any reference in any provision of this section to the requisite notice, where a form of notice is prescribed by a development order for the purposes of that provision, is a reference to a notice in that form.

PART III

(7) In this section “owner”, in relation to any land, means a person who is for the time being the estate owner in respect of the fee simple thereof or is entitled to a tenancy thereof granted or extended for a term of years certain of which not less than ten years remain unexpired, and “agricultural holding” has the same meaning as in the Agricultural Holdings Act 1948.

1948 c. 63.

Publicity for applications affecting conservation areas.

28.—(1) This section applies where an application for planning permission for any development of land is made to a local planning authority and either—

- (a) the development would, in the opinion of the authority, affect the character or appearance of a conservation area ; or
- (b) the development is of a kind specified by the Secretary of State for the purposes of this section and in respect of land in or adjacent to a conservation area.

(2) The local planning authority shall—

- (a) publish in a local newspaper circulating in the locality in which the land is situated ; and
- (b) for not less than seven days display on or near the land,

a notice indicating the nature of the development in question and naming a place within the locality where a copy of the application, and of all plans and other documents submitted with it, will be open to inspection by the public at all reasonable hours during the period of twenty-one days beginning with the date of publication of the notice under paragraph (a) of this subsection.

(3) The application shall not be determined by the local planning authority before both the following periods have elapsed, namely—

- (a) the period of twenty-one days referred to in subsection (2) of this section ; and
- (b) the period of twenty-one days beginning with the date on which the notice required by that subsection to be displayed was first displayed.

Determination by local planning authorities of applications for planning permission

29.—(1) Subject to the provisions of sections 26 to 28 of this Act, and to the following provisions of this Act, where an application is made to a local planning authority for planning permission, that authority, in dealing with the application, shall

have regard to the provisions of the development plan, so far as material to the application, and to any other material considerations, and—

- (a) subject to sections 41, 42, 70 and 77 to 80 of this Act, may grant planning permission, either unconditionally or subject to such conditions as they think fit ; or
- (b) may refuse planning permission.

(2) In determining any application for planning permission for development of a class to which section 26 of this Act applies, the local planning authority shall take into account any representations relating to that application which are received by them before the end of the period of twenty-one days beginning with the date of the application.

(3) Where an application for planning permission is accompanied by such a certificate as is mentioned in subsection (1)(b), (c) or (d) of section 27 of this Act, or by a certificate containing a statement in accordance with subsection (3)(b) of that section, the local planning authority—

- (a) in determining the application, shall take into account any representations relating thereto which are made to them, before the end of the period mentioned in subsection (4) of that section, by any person who satisfies them that he is an owner of any land to which the application relates or that he is the tenant of an agricultural holding any part of which is comprised in that land ; and
- (b) shall give notice of their decision to every person who has made representations which they were required to take into account in accordance with the preceding paragraph.

(4) In determining any application for planning permission to which section 28 of this Act applies, the local planning authority shall take into account any representations relating to the application which are received by them before the periods mentioned in subsection (3) of that section have elapsed.

(5) Before a local planning authority grant planning permission for the use of land as a caravan site, they shall, unless they are also the authority having power to issue a site licence for that land, consult the local authority having that power.

(6) In this section “ site licence ” means a licence under Part I of the Caravan Sites and Control of Development Act 1960 authorising the use of land as a caravan site and “ owner ” and “ agricultural holding ” have the same meanings as in section 27 of this Act. 1960 c. 62.

PART III
Conditional
grant of
planning
permission.

30.—(1) Without prejudice to the generality of section 29(1) of this Act, conditions may be imposed on the grant of planning permission thereunder—

- (a) for regulating the development or use of any land under the control of the applicant (whether or not it is land in respect of which the application was made) or requiring the carrying out of works on any such land, so far as appears to the local planning authority to be expedient for the purposes of or in connection with the development authorised by the permission ;
- (b) for requiring the removal of any buildings or works authorised by the permission, or the discontinuance of any use of land so authorised, at the end of a specified period, and the carrying out of any works required for the reinstatement of land at the end of that period.

(2) Any planning permission granted subject to such a condition as is mentioned in subsection (1)(b) of this section is in this Act referred to as “ planning permission granted for a limited period ”.

(3) Where—

- (a) planning permission is granted for development consisting of or including the carrying out of building or other operations subject to a condition that the operations shall be commenced not later than a time specified in the condition (not being a condition attached to the planning permission by or under section 41 or 42 of this Act) ; and
- (b) any building or other operations are commenced after the time so specified,

the commencement and carrying out of those operations do not constitute development for which that permission was granted.

Directions
etc. as to
method of
dealing with
applications.

31.—(1) Subject to the provisions of section 29(2) to (5) of this Act, provision may be made by a development order for regulating the manner in which applications for planning permission to develop land are to be dealt with by local planning authorities, and in particular—

- (a) for enabling the Secretary of State to give directions restricting the grant of planning permission by the local planning authority, either indefinitely or during such period as may be specified in the directions, in respect of any such development, or in respect of development of any such class, as may be so specified ;
- (b) for authorising the local planning authority, in such cases and subject to such conditions as may be prescribed by the order, or by directions given by the

Secretary of State thereunder, to grant planning permission for development which does not accord with the provisions of the development plan ;

- (c) for requiring the local planning authority, before granting or refusing planning permission for any development, to consult with such authorities or persons as may be prescribed by the order or by directions given by the Secretary of State thereunder ;
- (d) for requiring the local planning authority to give to any applicant for planning permission, within such time as may be prescribed by the order, such notice as may be so prescribed as to the manner in which his application has been dealt with ;
- (e) for requiring the local planning authority to give to the Secretary of State, and to such other persons as may be prescribed by or under the order, such information as may be so prescribed with respect to applications for planning permission made to the authority, including information as to the manner in which any such application has been dealt with.

(2) The Secretary of State may give directions to local planning authorities with respect to the matters which they are to take into consideration in determining an application to which section 28 of this Act applies and with respect to the consultations which such authorities are to undertake before determining any such application.

(3) Different directions may under subsection (2) of this section be given to different local planning authorities ; and any such directions may require an authority—

- (a) before determining an application to consult such persons or bodies of persons as the Secretary of State may specify, being persons or bodies appearing to him to be competent to give advice in relation to the development or description of development to which the directions have reference ;
- (b) to supply to any person or body, whom they are required by the directions to consult, specified documents or information enabling the body to form an opinion on which to base their advice ;
- (c) to establish committees, consisting either of members of the authority or of other persons, or of both, to advise the authority in relation to the determination of any application referred to in subsection (2) of this section.

PART III

Permission to retain buildings or works or continue use of land.

32.—(1) An application for planning permission may relate to buildings or works constructed or carried out, or a use of land instituted, before the date of the application, whether—

- (a) the buildings or works were constructed or carried out, or the use instituted, without planning permission or in accordance with planning permission granted for a limited period ; or
- (b) the application is for permission to retain the buildings or works, or continue the use of the land, without complying with some condition subject to which a previous planning permission was granted.

(2) Any power to grant planning permission to develop land under this Act shall include power to grant planning permission for the retention on land of buildings or works constructed or carried out, or for the continuance of a use of land instituted, as mentioned in subsection (1) of this section ; and references in this Act to planning permission to develop land or to carry out any development of land, and to applications for such permission, shall be construed accordingly :

Provided that this subsection shall not affect the construction of section 26, 28, 29(2) or (4) or 59, of sections 66 to 86 or of Part VII of this Act.

(3) Any planning permission granted in accordance with subsection (2) of this section may be granted so as to take effect from the date on which the buildings or works were constructed or carried out, or the use was instituted, or (in the case of buildings or works constructed or a use instituted in accordance with planning permission granted for a limited period) so as to take effect from the end of that period, as the case may be.

Provisions as to effect of planning permission.

33.—(1) Without prejudice to the provisions of this Part of this Act as to the duration, revocation or modification of planning permission, any grant of planning permission to develop land shall (except in so far as the permission otherwise provides) enure for the benefit of the land and of all persons for the time being interested therein.

(2) Where planning permission is granted for the erection of a building, the grant of permission may specify the purposes for which the building may be used ; and if no purpose is so specified, the permission shall be construed as including permission to use the building for the purpose for which it is designed.

Registers of applications and decisions.

34.—(1) Every local planning authority shall keep, in such manner as may be prescribed by a development order, a register containing such information as may be so prescribed with

respect to applications for planning permission made to that authority, including information as to the manner in which such applications have been dealt with.

(2) A development order may make provision for the register to be kept in two or more parts, each part containing such information relating to applications for planning permission made to the authority as may be prescribed by the order, and may also make provision—

- (a) for a specified part of the register to contain copies of applications and of any plans or drawings submitted therewith ; and
- (b) for the entry relating to any application, and every thing relating thereto, to be removed from that part of the register when the application (including any appeal arising out of it) has been finally disposed of, without prejudice to the inclusion of any different entry relating thereto in another part of the register.

(3) Every register kept under this section shall be available for inspection by the public at all reasonable hours.

Secretary of State's powers in relation to planning applications and decisions

35.—(1) The Secretary of State may give directions requiring applications for planning permission, or for the approval of any local planning authority required under a development order, to be referred to him instead of being dealt with by local planning authorities. Reference of applications to Secretary of State.

(2) A direction under this section—

- (a) may be given either to a particular local planning authority or to local planning authorities generally ; and
- (b) may relate either to a particular application or to applications of a class specified in the direction.

(3) Any application in respect of which a direction under this section has effect shall be referred to the Secretary of State accordingly.

(4) Subject to subsection (5) of this section, where an application for planning permission is referred to the Secretary of State under this section, the following provisions of this Act, that is to say, sections 26(2) and (7), 27, 29(1) to (3) and 30(1), shall apply, with any necessary modifications, as they apply to an application for planning permission which falls to be determined by the local planning authority.

PART III

(5) Before determining an application referred to him under this section, other than an application for planning permission referred to a Planning Inquiry Commission under section 48 of this Act, the Secretary of State shall, if either the applicant or the local planning authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(6) The decision of the Secretary of State on any application referred to him under this section shall be final.

Appeals
against
planning
decisions.

36.—(1) Where an application is made to a local planning authority for planning permission to develop land, or for any approval of that authority required under a development order, and that permission or approval is refused by that authority or is granted by them subject to conditions, the applicant, if he is aggrieved by their decision, may by notice under this section appeal to the Secretary of State.

(2) Any notice under this section shall be served within such time (not being less than twenty-eight days from the date of notification of the decision to which it relates) and in such manner as may be prescribed by a development order.

(3) Where an appeal is brought under this section from a decision of a local planning authority, the Secretary of State, subject to the following provisions of this section, may allow or dismiss the appeal, or may reverse or vary any part of the decision of the local planning authority, whether the appeal relates to that part thereof or not, and may deal with the application as if it had been made to him in the first instance.

(4) Before determining an appeal under this section, other than an appeal referred to a Planning Inquiry Commission under section 48 of this Act, the Secretary of State shall, if either the applicant or the local planning authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(5) Subject to subsection (4) of this section, the following provisions of this Act, that is to say, sections 27, 29(1) and (3) and 30(1) shall apply, with any necessary modifications, in relation to an appeal to the Secretary of State under this section as they apply in relation to an application for planning permission which falls to be determined by the local planning authority.

(6) The decision of the Secretary of State on any appeal under this section shall be final.

(7) If before or during the determination of an appeal under this section in respect of an application for planning permission to develop land, the Secretary of State forms the opinion that, having regard to the provisions of sections 29(1), 30(1), 67 and 74 of this Act and of the development order and to any directions given under that order, planning permission for that development—

- (a) could not have been granted by the local planning authority ; or
- (b) could not have been granted by them otherwise than subject to the conditions imposed by them,

he may decline to determine the appeal or to proceed with the determination.

(8) Schedule 9 to this Act applies to appeals under this section, including appeals under this section as applied by or under any other provision of this Act.

37. Where an application is made to a local planning authority for planning permission, or for any approval of that authority required under a development order, then unless within such period as may be prescribed by the development order, or within such extended period as may at any time be agreed upon in writing between the applicant and the local planning authority, the local planning authority either—

Appeal in default of planning decision.

- (a) give notice to the applicant of their decision on the application ; or
- (b) give notice to him that the application has been referred to the Secretary of State in accordance with directions given under section 35 of this Act,

the provisions of section 36 of this Act shall apply in relation to the application as if the permission or approval to which it relates had been refused by the local planning authority, and as if notification of their decision had been received by the applicant at the end of the period prescribed by the development order, or at the end of the said extended period, as the case may be.

38.—(1) The provisions of this section and of section 39 of this Act shall have effect where, in accordance with the provisions of Part VII of this Act, one or more claims for compensation in respect of a planning decision have been transmitted to the Secretary of State, and the claim, or (if there is more than one) one or more of the claims, has not been withdrawn.

Review of planning decisions where compensation claimed.

(2) If, in the case of a planning decision of the local planning authority, it appears to the Secretary of State that, if the application for permission to develop the land in question had

PART III

been referred to him for determination, he would have made a decision more favourable to the applicant, the Secretary of State may give a direction substituting that decision for the decision of the local planning authority.

(3) If, in any case, it appears to the Secretary of State that planning permission could properly be granted (either unconditionally or subject to certain conditions) for some development of the land in question other than the development to which the application for planning permission related, the Secretary of State may give a direction that the provisions of this Act shall have effect in relation to that application and to the planning decision—

- (a) as if the application had included an application for permission for that other development, and the decision had included the grant of planning permission (unconditionally or subject to the said conditions, as the case may be) for that development ; or
- (b) as if the decision had been a decision of the Secretary of State and had included an undertaking to grant planning permission (unconditionally or subject to the said conditions, as the case may be) for that development,

as may be specified in the direction.

(4) The reference in subsection (2) of this section to a decision more favourable to the applicant shall be construed—

- (a) in relation to a refusal of permission, as a reference to a decision granting the permission, either unconditionally or subject to conditions, and either in respect of the whole of the land to which the application for permission related or in respect of part of that land ; and
- (b) in relation to a grant of permission subject to conditions, as a reference to a decision granting the permission applied for unconditionally or subject to less stringent conditions.

Provisions
supplementary
to s. 38.

39.—(1) Before giving a direction under section 38 of this Act the Secretary of State shall give notice in writing of his proposed direction to the local planning authority to whose decision that direction relates, and to any person who made, and has not since withdrawn, a claim for compensation in respect of that decision ; and, if so required by the local planning authority or by any such person, shall afford to each of them an opportunity to appear before, and be heard by, a person appointed by the Secretary of State for the purpose.

(2) In giving any direction under section 38 of this Act, the Secretary of State shall have regard to the provisions of the

development plan for the area in which the land in question is situated, in so far as those provisions are material to the development of that land, and shall also have regard to the local circumstances affecting the proposed development, including the use which prevails generally in the case of contiguous or adjacent land, and to any other material considerations.

(3) Where the Secretary of State gives a direction under section 38 of this Act, he shall give notice of the direction to the local planning authority to whose decision the direction relates, and to every person (if any) who made, and has not since withdrawn, a claim for compensation in respect of that decision.

Deemed planning permission

40.—(1) Where the authorisation of a government department is required by virtue of an enactment in respect of development to be carried out by a local authority, or by statutory undertakers not being a local authority, that department may, on granting that authorisation, direct that planning permission for that development shall be deemed to be granted, subject to such conditions (if any) as may be specified in the directions.

Development by local authorities and statutory undertakers with authorisation of government department.

(2) The provisions of this Act (except Parts VII and XII thereof) shall apply in relation to any planning permission deemed to be granted by virtue of directions under this section as if it had been granted by the Secretary of State on an application referred to him under section 35 of this Act.

(3) For the purposes of this section development shall be taken to be authorised by a government department if—

- (a) any consent, authority or approval to or for the development is granted by the department in pursuance of an enactment ;
 - (b) a compulsory purchase order is confirmed by the department authorising the purchase of land for the purpose of the development ;
 - (c) consent is granted by the department to the appropriation of land for the purpose of the development or the acquisition of land by agreement for that purpose ;
 - (d) authority is given by the department for the borrowing of money for the purpose of the development, or for the application for that purpose of any money not otherwise so applicable ; or
 - (e) any undertaking is given by the department to pay a grant in respect of the development in accordance with an enactment authorising the payment of such grants,
- and references in this section to the authorisation of a government department shall be construed accordingly.

PART III

Duration of planning permission

Limit of
duration of
planning
permission.

41.—(1) Subject to the provisions of this section, every planning permission granted or deemed to be granted shall be granted or, as the case may be, be deemed to be granted, subject to the condition that the development to which it relates must be begun not later than the expiration of—

- (a) five years beginning with the date on which the permission is granted or, as the case may be, deemed to be granted; or
- (b) such other period (whether longer or shorter) beginning with the said date as the authority concerned with the terms of the planning permission may direct, being a period which the authority considers appropriate having regard to the provisions of the development plan and to any other material considerations.

(2) If planning permission is granted without the condition required by subsection (1) of this section, it shall be deemed to have been granted subject to the condition that the development to which it relates must be begun not later than the expiration of five years beginning with the date of the grant.

(3) Nothing in this section applies—

- (a) to any planning permission granted by a development order ;
- (b) to any planning permission granted for a limited period ;
- (c) to any planning permission granted under section 32 of this Act on an application relating to buildings or works completed, or a use of land instituted, before the date of the application ; or
- (d) to any outline planning permission, as defined by section 42 of this Act.

Outline
planning
permission.

42.—(1) In this section and section 41 of this Act “outline planning permission” means planning permission granted, in accordance with the provisions of a development order, with the reservation for subsequent approval by the local planning authority or the Secretary of State of matters (referred to in this section as “reserved matters”) not particularised in the application.

(2) Subject to the provisions of this section, where outline planning permission is granted for development consisting in or including the carrying out of building or other operations, it shall be granted subject to conditions to the following effect—

- (a) that, in the case of any reserved matter, application for approval must be made not later than the expiration of three years beginning with the date of the grant of outline planning permission ; and

(b) that the development to which the permission relates must be begun not later than whichever is the later of the following dates—

(i) the expiration of five years from the date of the grant of outline planning permission ; or

(ii) the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last such matter to be approved.

(3) If outline planning permission is granted without the conditions required by subsection (2) of this section, it shall be deemed to have been granted subject to those conditions.

(4) The authority concerned with the terms of an outline planning permission may, in applying subsection (2) of this section, substitute, or direct that there be substituted, for the periods of three years, five years or two years referred to in that subsection such other periods respectively (whether longer or shorter) as they consider appropriate.

(5) The said authority may, in applying the said subsection, specify, or direct that there be specified, separate periods under paragraph (a) of the subsection in relation to separate parts of the development to which the planning permission relates ; and, if they do so, the condition required by paragraph (b) of the subsection shall then be framed correspondingly by reference to those parts, instead of by reference to the development as a whole.

(6) In considering whether to exercise their powers under subsections (4) and (5) of this section, the said authority shall have regard to the provisions of the development plan and to any other material considerations.

43.—(1) For the purposes of sections 41 and 42 of this Act, development shall be taken to be begun on the earliest date on which any specified operation comprised in the development begins to be carried out. Provisions supplementary to ss. 41 and 42.

(2) In subsection (1) of this section “specified operation” means any of the following, that is to say—

(a) any work of construction in the course of the erection of a building ;

(b) the digging of a trench which is to contain the foundations, or part of the foundations, of a building ;

(c) the laying of any underground main or pipe to the foundations, or part of the foundations, of a building or to any such trench as is mentioned in the last preceding paragraph ;

PART III

(d) any operation in the course of laying out or constructing a road or part of a road ;

(e) any change in the use of any land, where that change constitutes material development.

(3) In subsection (2)(e) of this section “ material development ” means any development other than—

(a) development for which planning permission is granted by a general development order for the time being in force and which is carried out so as to comply with any condition or limitation subject to which planning permission is so granted ;

(b) development falling within any of paragraphs 1, 2, 3 and 5 to 8 of Schedule 8 to this Act, as read with Part III of that Schedule ; and

(c) development of any class prescribed for the purposes of this subsection ;

and in this subsection “ general development order ” means a development order made as a general order applicable (subject to such exceptions as may be specified therein) to all land in England and Wales.

(4) The authority referred to in sections 41(1)(b) and 42(4) of this Act is the local planning authority or the Secretary of State, in the case of planning permission granted by them, and in the case of planning permission under section 40 of this Act is the department on whose direction planning permission is deemed to be granted.

(5) For the purposes of section 42 of this Act, a reserved matter shall be treated as finally approved when an application for approval is granted or, in a case where the application is made to the local planning authority and there is an appeal to the Secretary of State against the authority’s decision on the application and the Secretary of State grants the approval, on the date of the determination of the appeal.

(6) Where a local planning authority grant planning permission, the fact that any of the conditions of the permission are required by the provisions of sections 41 or 42 of this Act to be imposed, or are deemed by those provisions to be imposed, shall not prevent the conditions being the subject of an appeal under section 36 of this Act against the decision of the authority.

(7) In the case of planning permission (whether outline or other) having conditions attached to it by or under section 41 or 42 of this Act—

(a) development carried out after the date by which the conditions of the permission require it to be carried out shall be treated as not authorised by the permission ; and

- (b) an application for approval of a reserved matter, if it is made after the date by which the conditions require it to be made, shall be treated as not made in accordance with the terms of the permission.

PART III

44.—(1) The following provisions of this section shall have effect where, by virtue of section 41 or 42 of this Act, a planning permission is subject to a condition that the development to which the permission relates must be begun before the expiration of a particular period and that development has been begun within that period but the period has elapsed without the development having been completed.

Termination
of planning
permission

to time limit.

(2) If the local planning authority are of opinion that the development will not be completed within a reasonable period, they may serve a notice (in this section referred to as a "completion notice") stating that the planning permission will cease to have effect at the expiration of a further period specified in the notice, being a period of not less than twelve months after the notice takes effect.

(3) A completion notice—

- (a) shall be served on the owner and on the occupier of the land and on any other person who in the opinion of the local planning authority will be affected by the notice ; and
- (b) shall take effect only if and when it is confirmed by the Secretary of State, who may in confirming it substitute some longer period for that specified in the notice as the period at the expiration of which the planning permission is to cease to have effect.

(4) If, within such period as may be specified in a completion notice (not being less than twenty-eight days from the service thereof) any person on whom the notice is served so requires, the Secretary of State, before confirming the notice, shall afford to that person and to the local planning authority an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(5) If a completion notice takes effect, the planning permission therein referred to shall at the expiration of the period specified in the notice, whether the original period specified under subsection (2) of this section or a longer period substituted by the Secretary of State under subsection (3) of this section, be invalid except so far as it authorises any development carried out thereunder up to the end of that period.

(6) The local planning authority may withdraw a completion notice at any time before the expiration of the period specified

PART III

therein as the period at the expiration of which the planning permission is to cease to have effect ; and if they do so they shall forthwith give notice of the withdrawal to every person who was served with the completion notice.

Revocation or modification of planning permission

Power to
revoke or

45.—(1) If it appears to the local planning authority, having regard to the development plan and to any other material considerations, that it is expedient to revoke or modify any permission to develop land granted on an application made under this Part of this Act, the authority, subject to the following provisions of this section, may by order revoke or modify the permission to such extent as (having regard to those matters) they consider expedient.

(2) Except as provided in section 46 of this Act, an order under this section shall not take effect unless it is confirmed by the Secretary of State ; and the Secretary of State may confirm any such order submitted to him either without modification or subject to such modifications as he considers expedient.

(4) The power conferred by this section to revoke or modify permission to develop land may be exercised—

- (b) the period (not being less than fourteen days from the expiration of the period referred to in paragraph (a) of this subsection) at the expiration of which, if no such notice is given to the Secretary of State, the order may take effect by virtue of this section and without being confirmed by the Secretary of State.

(3) The authority shall also serve notice to the same effect on the persons mentioned in subsection (1)(a) of this section, and the notice shall include a statement to the effect that no compensation is payable under section 164 of this Act in respect of an order under section 45 of this Act which takes effect by virtue of this section and without being confirmed by the Secretary of State.

(4) The authority shall send a copy of any advertisement published under subsection (2) of this section to the Secretary of State, not more than three days after the publication.

(5) If within the period referred to in subsection (2)(a) of this section no person claiming to be affected by the order has given notice to the Secretary of State as aforesaid, and the Secretary of State has not directed that the order be submitted to him for confirmation, the order shall, at the expiration of the period referred to in subsection (2)(b) of this section, take effect by virtue of this section and without being confirmed by the Secretary of State as required by section 45(2) of this Act.

- (b) the technical or scientific aspects of the proposed development are of so unfamiliar a character as to jeopardise a proper determination of that question unless there is a special inquiry for the purpose.

(3) Two or more of the matters mentioned in subsection (1) of this section may be referred to the same commission under this section if it appears to the responsible Minister or Ministers that they relate to proposals to carry out development for similar purposes on different sites.

(9) In this Act “listed building” means a building which is for the time being included in a list compiled or approved by the Secretary of State under this section; and, for the purposes of the provisions of this Act relating to listed buildings and building preservation notices, any object or structure fixed to a building, or forming part of the land and comprised within the curtilage of a building, shall be treated as part of the building.

(10) Every building which immediately before 1st January 1969 was subject to a building preservation order under Part III of the Act of 1962 but was not then included in a list compiled or approved under section 32 of that Act, shall be deemed to be a listed building; but the Secretary of State may at any time direct, in the case of any building, that this subsection shall no longer apply to it and the council of the county borough, London borough or county district in whose area the building is situated, on being notified of the Secretary of State’s direction, shall give notice of it to the owner and occupier of the building.

(11) Before giving a direction under subsection (10) of this section in relation to a building, the Secretary of State shall consult with the local planning authority and with the owner and the occupier of the building.

55.—(1) Subject to this Part of this Act, if a person executes or causes to be executed any works for the demolition of a listed building or for its alteration or extension in any manner which would affect its character as a building of special architectural or historic interest, and the works are not authorised under this Part of this Act, he shall be guilty of an offence.

Control of works for demolition, alteration or extension of listed buildings.

(2) Works for the demolition of a listed building, or for its alteration or extension, are authorised under this Part of this Act only if—

- (a) the local planning authority or the Secretary of State have granted written consent (in this Act referred to as “listed building consent”) for the execution of the works and the works are executed in accordance with the terms of the consent and of any conditions attached to the consent under section 56 of this Act; and
- (b) in the case of demolition, notice of the proposal to execute the works has been given to the Royal Commission and thereafter either—
 - (i) for a period of at least one month following the grant of listed building consent, and before the commencement of the works, reasonable access to the building has been made available to members

PART IV

or officers of the Commission for the purpose of recording it; or

(ii) the Commission have, by their Secretary or other officer of theirs with authority to act on the Commission's behalf for the purposes of this section, stated in writing that they have completed their recording of the building or that they do not wish to record it.

(3) In subsection (2) of this section "the Royal Commission" means, in relation to England, the Royal Commission on Historical Monuments (England) and, in relation to Wales, the Royal Commission on Ancient and Historical Monuments (Wales and Monmouthshire); but the Secretary of State may, in relation to either England or Wales, or both, by order provide that the said subsection shall, in the case of works executed or to be executed on or after such date as may be specified in the order, have effect with the substitution for the reference to the Royal Commission of a reference to such other body as may be so specified.

(4) Without prejudice to subsection (1) of this section, if a person executing or causing to be executed any works in relation to a listed building under a listed building consent fails to comply with any condition attached to the consent under section 56 of this Act, he shall be guilty of an offence.

(5) A person guilty of an offence under this section shall be liable—

(a) on summary conviction to imprisonment for a term not exceeding three months or a fine not exceeding £250, or both; or

(b) on conviction on indictment to imprisonment for a term not exceeding twelve months or a fine, or both;

and, in determining the amount of any fine to be imposed on a person convicted on indictment, the court shall in particular have regard to any financial benefit which has accrued or appears likely to accrue to him in consequence of the offence.

(6) In proceedings for an offence under this section it shall be a defence to prove that the works were urgently necessary in the interests of safety or health, or for the preservation of the building, and that notice in writing of the need for the works was given to the local planning authority as soon as reasonably practicable.

Provisions
supplementary
to s. 55.

56.—(1) Section 55 of this Act shall not apply to works for the demolition, alteration or extension of—

(a) an ecclesiastical building which is for the time being used for ecclesiastical purposes or would be so used but for the works; or

- (b) a building which is the subject of a scheme or order under the enactments for the time being in force with respect to ancient monuments ; or
- (c) a building for the time being included in a list of monuments published by the Secretary of State under any such enactment.

For the purposes of this subsection, a building used or available for use by a minister of religion wholly or mainly as a residence from which to perform the duties of his office shall be treated as not being an ecclesiastical building.

(2) Where, on an application in that behalf, planning permission is granted, or has been granted since the end of 1968, and—

- (a) the development for which the permission is or was granted includes the carrying out of any works for the alteration or extension of a listed building ; and
- (b) the planning permission or any condition subject to which it is or was granted is or was so framed as expressly to authorise the execution of the works (describing them),

the planning permission shall operate as listed building consent in respect of those works ; but, except as provided by this subsection, the grant of planning permission for any development shall not make it unnecessary for such consent to be obtained in respect of any works to which section 55 of this Act applies.

(3) In considering whether to grant planning permission for development which consists in or includes works for the alteration or extension of a listed building, and in considering whether to grant listed building consent for any works, the local planning authority or the Secretary of State, as the case may be, shall have special regard to the desirability of preserving the building or any features of special architectural or historic interest which it possesses.

(4) Without prejudice to subsection (1) of section 29 of this Act, the conditions which may under that subsection be attached to a grant of planning permission shall, in the case of such development as is referred to in subsection (2) of this section, include conditions with respect to—

- (a) the preservation of particular features of the building, either as part of it or after severance therefrom ;
- (b) the making good, after the works are completed, of any damage caused to the building by the works ;
- (c) the reconstruction of the building or any part of it following the execution of any works, with the use of original materials so far as practicable and with

PART IV

such alterations of the interior of the building as may be specified in the conditions.

(5) Listed building consent may be granted either unconditionally or subject to conditions, which may include such conditions as are mentioned in subsection (4) of this section.

(6) Part I of Schedule 11 to this Act shall have effect with respect to applications to local planning authorities for listed building consent, the reference of such applications to the Secretary of State and appeals against decisions on such applications; and Part II of that Schedule shall have effect with respect to the revocation of listed building consent by a local planning authority or the Secretary of State.

Acts causing or likely to result in damage to listed buildings.

57.—(1) Where a building, not being a building excluded by section 56(1) of this Act from the operation of section 55, is included in a list compiled or approved under section 54 of this Act, then, if any person who, but for this section, would be entitled to do so, does or permits the doing of any act which causes or is likely to result in damage to the building (other than an act for the execution of excepted works) and he does or permits it with the intention of causing such damage, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £100.

(2) In subsection (1) of this section “excepted works” means works authorised by planning permission granted or deemed to be granted in pursuance of an application under this Act and works for which listed building consent has been given under this Act.

(3) Where a person convicted of an offence under this section fails to take such reasonable steps as may be necessary to prevent any damage or further damage resulting from the offence, he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding £20 for each day on which the failure continues.

Building preservation notice in respect of building not listed.

58.—(1) If it appears to the local planning authority, in the case of a building in their area which is not a listed building, that it is of special architectural or historic interest and is in danger of demolition or of alteration in such a way as to affect its character as such, they may (subject to subsection (2) of this section) serve on the owner and occupier of the building a notice (in this section referred to as a “building preservation notice”)—

(a) stating that the building appears to them to be of special architectural or historic interest and that they have requested the Secretary of State to consider including it in a list compiled or approved under section 54 of this Act; and

(b) explaining the effect of subsections (3) and (4) of this section.

(2) A building preservation notice shall not be served in respect of an excepted building, that is to say—

- (a) an ecclesiastical building which is for the time being used for ecclesiastical purposes ; or
- (b) a building which is the subject of a scheme or order under the enactments for the time being in force with respect to ancient monuments ; or
- (c) a building for the time being included in a list of monuments published by the Secretary of State under any such enactment.

For the purposes of this subsection, a building used or available for use by a minister of religion wholly or mainly as a residence from which to perform the duties of his office shall be treated as not being an ecclesiastical building.

(3) A building preservation notice shall come into force as soon as it has been served on both the owner and occupier of the building to which it relates and shall remain in force for six months from the date when it is served or, as the case may be, last served ; but it shall cease to be in force if, before the expiration of that period, the Secretary of State either includes the building in a list compiled or approved under section 54 of this Act or notifies the local planning authority in writing that he does not intend to do so.

(4) While a building preservation notice is in force with respect to a building, the provisions of this Act (other than section 57) shall have effect in relation to it as if the building were a listed building ; and if the notice ceases to be in force (otherwise than by reason of the building being included in a list compiled or approved under the said section 54) the provisions of Part III of Schedule 11 to this Act shall have effect with respect to things done or occurring under the notice or with reference to the building being treated as listed.

(5) If, following the service of a building preservation notice, the Secretary of State notifies the local planning authority that he does not propose to include the building in a list compiled or approved under section 54 of this Act, the authority—

- (a) shall forthwith give notice of the Secretary of State's decision to the owner and occupier of the building ; and
- (b) shall not, within the period of twelve months beginning with the date of the Secretary of State's notification, serve another such notice in respect of the said building.

PART IV

Planning permission to include appropriate provision for preservation and planting of trees.

Trees

59. It shall be the duty of the local planning authority—

- (a) to ensure, whenever it is appropriate, that in granting planning permission for any development adequate provision is made, by the imposition of conditions, for the preservation or planting of trees ; and
- (b) to make such orders under section 60 of this Act as appear to the authority to be necessary in connection with the grant of such permission, whether for giving effect to such conditions or otherwise.

Tree preservation orders.

60.—(1) If it appears to a local planning authority that it is expedient in the interests of amenity to make provision for the preservation of trees or woodlands in their area, they may for that purpose make an order (in this Act referred to as a “tree preservation order”) with respect to such trees, groups of trees or woodlands as may be specified in the order ; and, in particular, provision may be made by any such order—

- (a) for prohibiting (subject to any exemptions for which provision may be made by the order) the cutting down, topping, lopping or wilful destruction of trees except with the consent of the local planning authority, and for enabling that authority to give their consent subject to conditions ;
- (b) for securing the replanting, in such manner as may be prescribed by or under the order, of any part of a woodland area which is felled in the course of forestry operations permitted by or under the order ;
- (c) for applying, in relation to any consent under the order, and to applications for such consent, any of the provisions of this Act falling within subsection (2) of this section, subject to such adaptations and modifications as may be specified in the order.

(2) References in this Act to provisions thereof falling within this subsection are references to—

- (a) the provisions of Part III of this Act relating to planning permission and to applications for planning permission, except sections 25, 26, 27, 28, 29(2) to (6), 34(2), 38, 39, 41 to 44 and 47 to 49 of this Act ; and
- (b) such of the provisions of Part IX of this Act as are therein stated to be provisions falling within this subsection ;
- (c) section 270 of this Act.

(3) A tree preservation order may be made so as to apply, in relation to trees to be planted pursuant to any such conditions as are mentioned in section 59(a) of this Act, as from the time when those trees are planted.

(4) Except as provided under subsection (5)(c) of this section and in section 61 of this Act, a tree preservation order shall not take effect until it is confirmed by the Secretary of State, and the Secretary of State may confirm any such order either without modification or subject to such modifications as he considers expedient.

(5) Provision may be made by regulations under this Act with respect to the form of tree preservation orders, and the procedure to be followed in connection with the submission and confirmation of such orders; and the regulations may (without prejudice to the generality of this subsection) make provision as follows—

- (a) that, before a tree preservation order is submitted to the Secretary of State for confirmation, notice of the making of the order shall be given to the owners and occupiers of land affected by the order and to such other persons, if any, as may be specified in the regulations;
- (b) that objections and representations with respect to the order, if duly made in accordance with the regulations, shall be considered before the order is confirmed by the Secretary of State;
- (c) that, if no objections or representations are so made, or if any so made are withdrawn, the order, instead of requiring the confirmation of the Secretary of State in accordance with subsection (4) of this section, may be confirmed (but without any modification), as an unopposed order, by the authority who made it; and
- (d) that copies of the order, when confirmed by the Secretary of State or the authority, shall be served on such persons as may be specified in the regulations.

(6) Without prejudice to any other exemptions for which provision may be made by a tree preservation order, no such order shall apply to the cutting down, topping or lopping of trees which are dying or dead or have become dangerous, or the cutting down, topping or lopping of any trees in compliance with any obligations imposed by or under an Act of Parliament or so far as may be necessary for the prevention or abatement of a nuisance.

(7) In relation to land in respect of which the Forestry Commissioners have made advances under section 4 of the Forestry Act 1967 or in respect of which there is in force a forestry 1967 c. 10. dedication covenant entered into with the Commissioners under section 5 of that Act, a tree preservation order may be made only if—

- (a) there is not in force in respect of the land a plan of operations or other working plan approved by the Commissioners under such a covenant; and

PART IV

(b) the Commissioners consent to the making of the order.

(8) Where a tree preservation order is made in respect of land to which subsection (7) of this section applies, the order shall not have effect so as to prohibit, or to require any consent for, the cutting down of a tree in accordance with a plan of operations or other working plan approved by the Forestry Commissioners, and for the time being in force, under such a covenant as is mentioned in that subsection or under a woodlands scheme made under the powers contained in the said Act of 1967.

1967 c. 10.

(9) In the preceding provisions of this section references to provisions of the Forestry Act 1967 include references to the corresponding provisions (replaced by that Act) in the Forestry Acts 1919 to 1951.

(10) The preceding provisions of this section shall have effect subject to the provisions—

1958 c. 69.

- (a) of section 2(4) of the Opencast Coal Act 1958 (land comprised in an authorisation under that Act which is affected by a tree preservation order); and
- (b) of section 15 of the Forestry Act 1967 (licences under that Act to fell trees comprised in a tree preservation order).

Provisional
tree
preservation
orders.

61.—(1) If it appears to a local planning authority that a tree preservation order proposed to be made by that authority should take effect immediately without previous confirmation, they may include in the order as made by them a direction that this section shall apply to the order.

(2) Notwithstanding section 60(4) of this Act, an order which contains such a direction shall take effect provisionally on such date as may be specified therein and shall continue in force by virtue of this section until—

- (a) the expiration of a period of six months beginning with the date on which the order was made; or
- (b) the date on which the order is confirmed or, in the case of an order which can be confirmed only by the Secretary of State, on which he notifies the authority who made the order that he does not propose to confirm it,

whichever first occurs.

(3) Provision shall be made by regulations under this Act for securing—

- (a) that the notices to be given of the making of a tree preservation order containing a direction under this section shall include a statement of the effect of the direction; and

- (b) that where the Secretary of State, in the case of an order which can be confirmed only by him, within the period of six months referred to in subsection (2) of this section, notifies the authority that he does not propose to confirm the order, copies of that notice shall be served on the owners and occupiers of the land to which the order related.

62.—(1) If any tree in respect of which a tree preservation order is for the time being in force, other than a tree to which the order applies as part of a woodland, is removed or destroyed in contravention of the order or is removed or destroyed or dies at a time when its cutting down is authorised only by virtue of the provisions of section 60(6) of this Act relating to trees which are dying or dead or have become dangerous, it shall be the duty of the owner of the land, unless on his application the local planning authority dispense with this requirement, to plant another tree of an appropriate size and species at the same place as soon as he reasonably can.

(2) In relation to any tree planted pursuant to this section, the relevant tree preservation order shall apply as it applied to the original tree.

(3) The duty imposed by subsection (1) of this section on the owner of any land shall attach to the person who is from time to time the owner of the land and may be enforced as provided by section 103 of this Act and not otherwise.

Advertisements

63.—(1) Subject to the provisions of this section, provision shall be made by regulations under this Act for restricting or regulating the display of advertisements so far as appears to the Secretary of State to be expedient in the interests of amenity or public safety.

(2) Without prejudice to the generality of subsection (1) of this section, any such regulations may provide—

- (a) for regulating the dimensions, appearance and position of advertisements which may be displayed, the sites on which advertisements may be displayed, and the manner in which they are to be affixed to the land;
- (b) for requiring the consent of the local planning authority to be obtained for the display of advertisements, or of advertisements of any class specified in the regulations;
- (c) for applying, in relation to any such consent and to applications for such consent, any of the provisions of this Act falling within section 60(2) thereof, subject to such adaptations and modifications as may be specified in the regulations;

PART IV

(d) for the constitution, for the purposes of the regulations, of such advisory committees as may be prescribed by the regulations, and for determining the manner in which the expenses of any such committee are to be defrayed.

(3) Regulations made for the purposes of this section may make different provision with respect to different areas, and in particular may make special provision with respect to areas defined for the purposes of the regulations as areas of special control, being either rural areas or areas other than rural areas which appear to the Secretary of State to require special protection on grounds of amenity; and, without prejudice to the generality of the preceding provisions of this subsection, the regulations may prohibit the display in any such area of all advertisements except advertisements of such classes (if any) as may be specified in the regulations.

(4) Areas of special control for the purposes of regulations under this section may be defined by means of orders made or approved by the Secretary of State in accordance with the provisions of the regulations.

(5) Where the Secretary of State is authorised by the regulations to make or approve any such order as is mentioned in subsection (4) of this section, the regulations shall provide for the publication of notice of the proposed order in such manner as may be prescribed by the regulations, for the consideration of objections duly made thereto, and for the holding of such inquiries or other hearings as may be so prescribed, before the order is made or approved.

(6) Regulations made under this section may be made so as to apply to advertisements which are being displayed on the date on which the regulations come into force, or to the use for the display of the advertisements of any site which was being used for that purpose on that date; but any regulations made in accordance with this subsection shall provide for exempting therefrom—

- (a) the continued display of any such advertisement; and
- (b) the continued use for the display of advertisements of any such site,

during such period as may be prescribed in that behalf by the regulations, and different periods may be so prescribed for the purposes of different provisions of the regulations.

(7) Without prejudice to the generality of the powers conferred by the preceding provisions of this section, regulations made for the purposes of this section may provide that any appeal from the decision of the local planning authority, on an application for their consent under the regulations, shall be to an independent tribunal constituted in accordance with the regu-

lations, instead of being an appeal to the Secretary of State ; and subsection (2) of section 50 of this Act shall apply to any tribunal so constituted as it applies to any tribunal constituted in accordance with subsection (1) of that section.

PART IV

64. Where the display of advertisements in accordance with regulations made under section 63 of this Act involves development of land, planning permission for that development shall be deemed to be granted by virtue of this section, and no application shall be necessary in that behalf under Part III of this Act.

Application for planning permission not needed for advertisements complying with regulations.

Waste land

65.—(1) If it appears to a local planning authority that the amenity of any part of their area, or of any adjoining area, is seriously injured by the condition of any garden, vacant site or other open land in their area, then, subject to any directions given by the Secretary of State, the authority may serve on the owner and occupier of the land a notice requiring such steps for abating the injury as may be specified in the notice to be taken within such period as may be so specified.

Proper maintenance of waste land.

(2) Subject to the provisions of Part V of this Act, a notice under this section shall take effect at the end of such period (not being less than twenty-eight days after the service thereof) as may be specified in the notice.

Industrial development

66.—(1) In this Part of this Act “ industrial building ” means a building used or designed for use—

Meaning of “ industrial building ”.

PART IV

carrying on of any such process or research as is mentioned in that subsection ; and

- (b) are or are to be comprised in the same building or the same curtilage as those other premises,

shall themselves be treated as used or designed for use for the carrying on of such a process or, as the case may be, of such research.

Industrial development certificates.

67.—(1) Subject to the provisions of this section and of section 68 of this Act, an application to the local planning authority for permission to develop land by—

- (a) the erection thereon of an industrial building of one of the prescribed classes ; or

- (b) a change of use whereby premises, not being an industrial building of one of the prescribed classes, will become such an industrial building,

shall be of no effect unless a certificate (in this Act referred to as an “industrial development certificate”) is issued under this section by the Secretary of State, certifying that the development in question can be carried out consistently with the proper distribution of industry, and a copy of the certificate is furnished to the local planning authority together with the application.

(2) Subject to subsection (5) of this section, an industrial development certificate shall be required for the purposes of an application for planning permission made as mentioned in section 32(1) of this Act if the circumstances are such that, in accordance with subsection (1) of this section, such a certificate would have been required if the application had been for planning permission to construct the building, or to institute the use of land, which the application seeks permission to retain or continue or (as the case may be) seeks permission to retain or continue without complying with a condition previously imposed, and the provisions of this section shall have effect in relation to that application accordingly.

(3) In considering whether any development for which an industrial development certificate is applied for can be carried out consistently with the proper distribution of industry, the Secretary of State shall have particular regard to the need for providing appropriate employment in development areas.

(4) An industrial development certificate shall not be required for the extension of an industrial building if the extension, taken by itself, would not be an industrial building of one of the prescribed classes, but (subject to the provisions of section 68 of this Act) an industrial development certificate shall be required for the extension of any building if the extension, taken by itself, would be such an industrial building.

(5) An industrial development certificate shall not be required for the purposes of an application for planning permission to retain a building or continue a use of land after the end of any period specified in, or otherwise without complying with, a condition subject to which a previous planning permission was granted if the condition in question is not one subject to which the previous planning permission was granted in accordance with the provisions of section 70 of this Act or subject to which that planning permission is by virtue of that section deemed to have been granted.

(6) The preceding provisions of this section shall have effect without prejudice to any provisions for restricting the granting of planning permission by local planning authorities which are included in a development order by virtue of section 31(1) of this Act.

(7) In this section—

“the prescribed classes” means such classes or descriptions of industrial buildings as may be prescribed by regulations made for the purposes of this section by the Secretary of State ;

“development area ” means any area for the time being specified as such under section 15 of the Industrial Development Act 1966, and subsection (6) of that section (which provides for references to a development area in certain provisions to have effect as if certain localities outside that area were included therein) shall apply to any such reference in this section ;

and any reference to an application made as mentioned in section 32(1) of this Act includes a reference to an application which by virtue of section 88(7) or 95(6) of this Act is deemed to have been made for such planning permission as is mentioned in the said section 88(7) or, as the case may be, the said section 95(6).

68.—(1) Notwithstanding anything in section 67 of this Act, but subject to section 69 of this Act, an industrial development certificate shall not be required if the industrial floor space to be created by the development in question (in this section referred to as “the proposed development”), together with any

Exemption of certain classes of development.

PART IV

other industrial floor space created or to be created by any related development, does not exceed 5,000 square feet, excluding, where an industrial development certificate has been issued in respect of any related development, any floor space created or to be created by that development or by development carried out, or for which planning permission has been granted, before the issue of that certificate.

(2) Regulations made for the purposes of section 67 of this Act by the Secretary of State may direct that no industrial development certificate shall be required in respect of the erection, in any area prescribed by or under the regulations, of industrial buildings of any such class or description as may be so prescribed, or in respect of a change of use whereby premises in any such area, not being an industrial building of a class or description so prescribed, will become an industrial building of such a class or description.

(3) In this section “industrial floor space” means floor space comprised in an industrial building or industrial buildings of any of the prescribed classes.

(4) For the purposes of subsection (1) of this section development shall, in relation to an application for planning permission (in this section referred to as “the relevant application”), be taken to be “related development” if—

- (a) it related, or is to relate, to the same building as that to which the proposed development is to relate (in this subsection referred to as the “relevant building”); or
- (b) it related, or is to relate, to a building which is, or is to be, contiguous or adjacent to the relevant building, and it was, or is to be, development comprised in, or for the purposes of, the same scheme or project or for the purposes of the same undertaking as the proposed development,

and (in either case) it fulfils one or other of the conditions mentioned in subsection (5) of this section.

(5) The said conditions are—

- (a) that it is development for which, before the date of the relevant application, planning permission has been granted by a planning decision made on or after 1st April 1960;
- (b) that it is development which has been initiated on or after 1st April 1960 but before the date of the relevant application and is not development for which planning permission has been granted by a planning decision made on or after 1st April 1960;

- (c) that it is development in respect of which an application to the local planning authority for planning permission either is pending on the date of the relevant application or is made on that date.

(6) For the purposes of subsection (5)(c) of this section, an application is pending on a particular date if—

- (a) it is made before that date and not withdrawn ; and
 (b) no planning decision on that application has been made before that date.

(7) In subsection (4) of this section and in this subsection “building” does not include a part of a building ; and any reference in subsection (4) of this section to development relating to a building is a reference to the erection, extension, alteration or re-erection of the building or a change of use of the whole or part of the building.

(8) In this section “the prescribed classes” has the same meaning as in section 67 of this Act.

69.—(1) The Secretary of State may by order direct that subsection (1) of section 68 of this Act shall be amended by substituting, for the number of square feet specified in the subsection as originally enacted or as previously amended under this subsection, such number of square feet as may be specified in the order being not less than 1,000 square feet. Power to vary exemption limit as to industrial floor space.

(2) Any amendment made by an order under this section may be made so as to have effect either in relation to the whole of England and Wales or in relation only to a part of England and Wales specified in the order.

(3) Any amendment made by such an order shall have effect—

- (a) in relation to applications for planning permission relating to land in any area to which the order applies which are made on or after the date on which the order comes into operation ; and
 (b) in relation to applications relating to land in such an area which have been made before that date, other than any application on which a planning decision has been made before that date.

(4) Where in accordance with subsection (3) of this section an amendment made by such an order has effect in relation to an application for planning permission made before the date on which the order comes into operation, so much of section 67(1) of this Act as requires a copy of an industrial development certificate to be furnished to the local planning authority together with the application shall have effect in relation to that applica-

PART IV

tion with the substitution, for the words "together with the application", of the words "as soon as practicable after the certificate is issued".

(5) In this section any reference to land in any area to which an order under this section applies shall be construed as a reference to land of which any part is in that area.

attached to
certificates.**

70.—(1) An industrial development certificate in respect of any development may be issued subject to such restrictions on the making of an application for planning permission for that development (whether as to the period within which, or the persons by whom, such an application may be made, or otherwise) as the Secretary of State considers appropriate having regard to the proper distribution of industry; and where an industrial development certificate in respect of any development is issued subject to any such restrictions, and an application for planning permission for that development is made which does not comply with those restrictions, the provisions of section 67 of this Act shall apply in relation to that application as if no such certificate had been issued.

(2) Without prejudice to subsection (1) of this section, an industrial development certificate may be issued either unconditionally or subject to such conditions as the Secretary of State considers appropriate having regard to the proper distribution of industry; and any reference in this section to conditions attached to an industrial development certificate is a reference to conditions subject to which such a certificate is issued.

(3) Without prejudice to the generality of subsection (2) of this section, conditions may be attached to an industrial development certificate—

- (a) for requiring the removal of any building or the discontinuance of any use of land to which the certificate relates at the end of a specified period and the carrying out of any works required for the reinstatement of land at the end of that period;
- (b) restricting the amount of office floor space (as defined in section 85 of this Act) to be contained in any building to which the certificate relates, or precluding it from containing any office floor space (as so defined);

and conditions of the kind mentioned in paragraph (b) of this subsection may be framed so as to apply (either or both) to the building as originally erected or as subsequently extended or altered.

(4) In so far as any of the conditions attached to an industrial development certificate are of such a description that (apart from this section) they could not have been imposed under this Act,

this Act shall apply in relation to any application for planning permission for the purposes of which that certificate is required, and to any planning permission granted on such an application, as if the powers conferred by this Act included power to impose conditions of that description.

(5) Where conditions are attached to an industrial development certificate, and, on an application for planning permission for the purposes of which that certificate is required, planning permission is granted, the authority granting the permission shall grant it subject to those conditions, with or without other conditions.

(6) Planning permission to which subsection (5) of this section applies shall not be invalid by reason only that the requirements of that subsection are not complied with; but where any such planning permission is granted without complying with the requirements of that subsection the planning permission shall be deemed to have been granted subject to the conditions attached to the industrial development certificate, or (if any other conditions were imposed by the authority granting the permission) to have been granted subject to the conditions attached to the certificate in addition to the other conditions.

71.—(1) This section applies to any condition subject to which planning permission is granted in accordance with the provisions of section 70 of this Act, or subject to which planning permission is by virtue of that section deemed to have been granted, whether it is a condition which could have been imposed apart from that section or not.

Provisions as to conditions imposed under s. 70.

(2) If the planning permission is or was granted by the local planning authority, the Secretary of State shall not be required to entertain an appeal under section 36 of this Act from the decision of the local planning authority, in so far as that decision relates or related to any condition to which this section applies.

(3) If any condition imposed by an authority granting planning permission is inconsistent with any condition to which this section applies, the last-mentioned condition shall prevail so far as it is inconsistent with the condition so imposed.

(4) Where on an application made as mentioned in section 32(1) of this Act (as modified by section 67 of this Act) planning permission is granted (either unconditionally or subject to conditions) for a building to be retained, or a use of a building to be continued, without complying with a condition to which this section applies (that condition being one subject to which a previous planning permission was granted or is deemed to have

PART IV

been granted), nothing in section 70 of this Act or in the foregoing provisions of this section shall be construed as preventing the subsequent planning permission from operating so as to extinguish or modify that condition, as the case may be.

Provision for cases where certificate withheld.

72.—(1) Where such an application as is mentioned in subsection (1) or (2) of section 67 of this Act is, by virtue of those subsections, of no effect by reason that the requirements of those subsections are not fulfilled, the local planning authority shall consider whether, if those requirements had been fulfilled, they would nevertheless have refused the permission sought by the application, either in respect of the whole or in respect of part of the land to which the application relates; and if they are of the opinion that they would so have refused that permission, they shall serve on the applicant a notice in writing to that effect.

(2) Where a notice is served under subsection (1) of this section in respect of the whole or part of any land, it shall operate, for the purposes of sections 38 and 39 of this Act, as if the application for planning permission had been an effective application and the notice had been a planning decision of the local planning authority refusing that permission in respect of that land or that part thereof, as the case may be; and the provisions of those sections (if in those circumstances they would have been applicable) shall have effect accordingly.

Office development

Meaning of "office premises".

73.—(1) Subject to the provisions of this section, in these provisions "office premises" means premises falling within either of the following descriptions, that is to say—

- (a) premises whose sole or principal use is to be use as an office or for office purposes;
- (b) premises to be occupied together with premises falling within the preceding paragraph and to be so occupied wholly or mainly for the purposes of the activities to be carried on in the last-mentioned premises.

(2) Where, in relation to an application for planning permission for the erection of a building, or in relation to a grant of such planning permission, it falls to be determined, for the purposes of subsection (1) of this section, what is to be the sole or principal use of any premises to be contained in the building, regard shall be had—

- (a) in the case of an application for planning permission, to the proposed use (as indicated in the application) of the building or of different parts of the building; and

- (b) in the case of a grant of planning permission, to the purposes specified in the planning permission as those for which the building, or different parts of the building, may be used.

(3) Where, in relation to an application for planning permission for the extension or alteration of a building, or in relation to a grant of such planning permission, it falls to be determined, for the purposes of subsection (1) of this section, what is to be the sole or principal use of any premises which are to be added to the building or altered within it (in this subsection referred to as “the new premises”), regard shall be had—

- (a) in the case of an application for planning permission, to the proposed use (as indicated in the application) of the new premises ; and
- (b) in the case of a grant of planning permission, to the purposes specified in the planning permission as those for which the new premises may be used.

(4) For the purposes of the application of these provisions in relation to development in so far as it consists of a change in the use of land “office premises” (subject to the following provisions of this section) means premises falling within either of the following descriptions, that is to say—

- (a) premises whose sole or principal use is as an office or for office purposes ;
- (b) premises occupied together with premises falling within the preceding paragraph and so occupied wholly or mainly for the purposes of the activities carried on in the last-mentioned premises ;

and for the purposes of paragraph (a) of this subsection any question as to sole or principal use, in relation to premises contained in a building, shall be determined by reference to those premises alone and not by reference to the building taken as a whole.

(5) In this section “office purposes” includes the purposes of administration, clerical work, handling money, telephone and telegraph operating and the operation of computers, and “clerical work” includes writing, book-keeping, sorting papers, filing, typing, duplicating, punching cards or tapes, machine calculating, drawing and the editorial preparation of matter for publication.

(6) The Secretary of State may by order provide that premises of any description specified in the order, or premises used or to be used for any purposes so specified, shall not be office premises for the purposes of these provisions.

PART IV

(7) In this section, in sections 74 to 86 of this Act and in Schedule 12 to this Act “ these provisions ” means the provisions of this section, of those sections, of that Schedule and of Schedule 13 to this Act.

Office
development
permits.

74.—(1) Subject to these provisions, an application to the local planning authority for planning permission to carry out, on land within an area to which these provisions apply, any development to which these provisions apply, that is to say, any development of land which consists of or includes—

- (a) the erection of a building containing office premises ; or
- (b) the extension or alteration of a building by the addition of, or the conversion of premises into, office premises ;
or
- (c) a change of use whereby premises which are not office premises become office premises,

shall be of no effect unless a permit (in these provisions referred to as an “ office development permit ”) in respect of that development is issued under these provisions by the Secretary of State, and a copy of the permit is furnished to the local planning authority together with the application.

(2) An office development permit shall be required for the purposes of an application for planning permission made as mentioned in section 32(1) of this Act if the circumstances are such that, in accordance with subsection (1) of this section, such a permit would have been required if the application had been for planning permission to construct or carry out the building or works, or to institute the use of land, which the application seeks permission to retain or continue or (as the case may be) seeks permission to retain or continue without complying with a condition previously imposed, and subsections (1) and (3) of this section shall have effect in relation to that application accordingly.

(3) In exercising his discretion to issue or withhold office development permits, the Secretary of State shall have particular regard to the need for promoting the better distribution of employment in Great Britain.

(4) The areas to which these provisions apply are—

- (a) the metropolitan region ;
- (b) any area in Great Britain outside the metropolitan region which is for the time being designated for the purposes of this paragraph by an order made by the Secretary of State :

Provided that the Secretary of State may at any time by order direct that the metropolitan region, or a part of that region specified in the order, shall cease to be, or to be included in, an area to which these provisions apply.

75.—(1) Notwithstanding anything in section 74 of this Act, an office development permit shall not be required for the purposes of an application for planning permission to carry out any development (in this section referred to as “the proposed development”) if the office floor space to be created by the proposed development, together with any office floor space created or to be created by any related development, does not exceed the prescribed exemption limit.

PART IV
Exemption by
reference to
office floor
space.

(2) For the purposes of subsection (1) of this section development shall, in relation to an application for planning permission (in this section referred to as “the relevant application”), be taken to be “related development” if—

- (a) it related, or is to relate, to the same building as that to which the proposed development is to relate (in this subsection referred to as the “relevant building”); or
- (b) it related, or is to relate, to a building which is, or is to be, contiguous or adjacent to the relevant building, and it was, or is to be, development comprised in, or for the purposes of, the same scheme or project or for the purposes of the same undertaking as the proposed development,

and (in either case) it fulfils one or other of the conditions mentioned in subsection (3) or (4) of this section, as the case may be, and is not excluded by subsection (5) or (6) of this section.

(3) The said conditions, in relation to land within the metropolitan region, are—

- (a) that it is development for which, before the date of the relevant application, planning permission has been granted by a planning decision made on or after 5th November 1964 (whether before or after the passing of this Act);
- (b) that it is development (not falling within the preceding paragraph) which has (whether before or after the passing of this Act) been initiated on or after 5th November 1964 but before the date of the relevant application and is not development for which planning permission was granted by a planning decision made before 5th November 1964;
- (c) that it is development in respect of which an application to the local planning authority for planning permission either is pending on the date of the relevant application or is made on that date.

PART IV

(4) The said conditions, in relation to land within an area to which these provisions apply outside the metropolitan region, are—

- (a) that it is development for which, before the date of the relevant application, planning permission has been granted by a planning decision made on or after the specified date ;
- (b) that it is development (not falling within the preceding paragraph) which has been initiated on or after the specified date but before the date of the relevant application and is not development for which planning permission was (whether before or after the passing of this Act) granted by a planning decision made before the specified date ;
- (c) that it is development in respect of which an application to the local planning authority for planning permission either is pending on the date of the relevant application or is made on that date,

and in this subsection “ the specified date ”, in relation to an area, means such date (not being earlier than the date on which the order comes into operation) as may be specified in the order designating that area as an area to which these provisions apply.

(5) Where, before the date of the relevant application, an office development permit has been issued in respect of development which, apart from this subsection, would be related development for the purposes of subsection (1) of this section—

- (a) the development in respect of which the permit was issued ; and
- (b) any other development which was carried out before the issue of that permit, or for which planning permission was granted by a planning decision made before the issue of that permit,

shall not be taken to be related development for those purposes.

(6) Development in respect of which there has been issued by the Secretary of State an industrial development certificate with conditions attached to it by virtue of section 70(3)(b) of this Act shall not be taken to be related development for the purposes of subsection (1) of this section.

(7) In this section “ the prescribed exemption limit ”, subject to subsection (8) of this section, means 3,000 square feet ; any reference to development relating to a building is a reference to development consisting of or including the erection, extension or alteration of the building or a change of use of the whole or part of the building ; and any reference to an application pending on a particular date is a reference to an application

made before that date and not withdrawn, where no planning decision on that application has been made before that date.

PART IV

(8) The Secretary of State may by order direct that such number of square feet (whether greater or less than 3,000 but not less than 1,000) as may be specified in the order shall be the prescribed exemption limit for the purposes of this section, either generally or in relation to any particular area to which these provisions apply in accordance with section 74(4) of this Act or in relation to any particular part of such an area.

76.—(1) Subject to subsection (2) of this section and to paragraph 3 of Schedule 12 to this Act, these provisions shall have effect without prejudice to the operation of sections 67 and 68 of this Act; and, where these provisions and those sections are applicable to the same application for planning permission, the requirements of both must be complied with.

Mixed industrial and office development.

(2) Compliance with section 74(1) of this Act shall not be required in respect of an application for planning permission for the development of land in any manner specified in section 67(1) of this Act if—

- (a) no office premises will result from the development except such as are comprised within the curtilage of an industrial building and are used or designed for use for providing services or facilities ancillary to the use of other premises in the same building or curtilage; and
- (b) there has been issued by the Secretary of State and furnished to the local planning authority with the application a copy of an industrial development certificate with conditions attached to it by virtue of section 70(3)(b) of this Act.

77.—(1) An office development permit in respect of any development may be issued subject to such restrictions on the making of an application for planning permission for that development (whether as to the period within which, or the persons by whom, such an application may be made, or otherwise) as the Secretary of State considers appropriate in the exercise of his discretion as mentioned in section 74(3) of this Act; and, where an office development permit in respect of any development is issued subject to any such restrictions, and an application for planning permission for that development is made which does not comply with those restrictions, these provisions shall apply in relation to that application as if no such permit had been issued.

Restrictions or conditions attached to office development permits.

(2) Without prejudice to subsection (1) of this section, an office development permit may be issued either unconditionally or

PART IV

subject to such conditions as the Secretary of State considers appropriate in the exercise of his discretion as mentioned in section 74(3) of this Act; and any reference in these provisions to conditions attached to an office development permit is a reference to conditions subject to which such a permit is issued.

(3) In so far as any of the conditions attached to an office development permit are of such a description that (apart from this section) they could not have been imposed under this Act, this Act shall apply in relation to any application for planning permission for the purposes of which that permit is required, and to any planning permission granted on such an application, as if the powers conferred by this Act included power to impose conditions of that description.

(4) Where conditions are attached to an office development permit, and, on an application for planning permission for the purposes of which that permit is required, planning permission is granted, the authority granting the permission shall grant it subject to those conditions, with or without other conditions.

(5) Planning permission to which subsection (4) of this section applies shall not be invalid by reason only that the requirements of that subsection are not complied with; but where any such planning permission is granted without complying with the requirements of that subsection the planning permission shall be deemed to have been granted subject to the conditions attached to the office development permit, or (if any other conditions were imposed by the authority granting the permission) to have been granted subject to the conditions attached to the permit in addition to the other conditions.

Planning permission for erection of building where no office development permit required.

78.—(1) The provisions of this section shall, subject to subsection (4) of this section, have effect with respect to any planning permission for the erection of a building on land which is within a controlled area when the planning permission is granted and was also within such an area when the application for planning permission was made.

(2) If the case is the following, that is to say—

(a) either the proposed erection of the building is not development to which these provisions apply or it is such development but no office development permit is required for it; and

(b) the building will have a floor space of twice or more than twice, the prescribed exemption limit,

the planning permission for the erection of the building shall be granted subject to the condition specified in subsection (3)

of this section (in addition to any other conditions imposed by the authority granting the permission). PART IV

(3) The said condition is that the use of the building, whether as originally erected or as subsequently extended or altered, shall be restricted so that (whether in consequence of a change of use or otherwise) it does not at any time contain office premises having an aggregate office floor space which exceeds the prescribed exemption limit.

(4) In the following two cases this section shall not apply—

- (a) where the planning permission is in respect of a building which is wholly residential ; and
- (b) where the planning permission is subject to conditions by virtue of section 70(5) or (6) of this Act and those conditions either restrict the office floor space which the building may contain or preclude it from containing any office floor space.

79.—(1) The provisions of this section shall, subject to sub-section (4) of this section, have effect with respect to any planning permission for the alteration or extension of a building on land which is within a controlled area when the planning permission is granted and was also within such an area when the application for planning permission was made, but shall have effect only in the case of a building erected under a planning permission granted on or after 1st April 1969. Planning permission for alteration or extension of building where no office development permit required.

(2) If the case is the following, that is to say—

- (a) either the erection of the building was not development to which these provisions (or Part I of the Act of 1965) applied, or it was such development but no office development permit was required for it ; and
- (b) either the proposed alteration or extension is not development to which these provisions apply or it is such development but no office development permit is required for it ; and
- (c) there will result from the proposed alteration or extension a building with an aggregate floor space of twice, or more than twice, the prescribed exemption limit,

the planning permission for the alteration or extension shall be granted subject to the condition specified in subsection (3) of this section (in addition to any other conditions imposed by the authority granting the permission).

(3) The said condition is that the use of the building as altered or extended, or as subsequently further altered or extended, shall be restricted so that (whether in consequence of

PART IV

a change of use or otherwise) it does not at any time contain office premises having an aggregate office floor space which exceeds the prescribed exemption limit.

(4) In the following two cases this section shall not apply—

- (a) where the planning permission is in respect of a building which, after its alteration or extension, will be wholly residential ; and
- (b) where the planning permission is subject to conditions by virtue of section 70(5) or (6) of this Act and those conditions either restrict the office floor space which the building as extended or altered may contain or preclude it from containing any office floor space.

Planning permission for erection of two or more buildings where no office development permit required.

80.—(1) The provisions of this section shall have effect with respect to any planning permission for development involving the erection of two or more buildings on land which is within a controlled area when the planning permission is granted and was also within such an area when the application for planning permission was made, except in a case where all the buildings are exempt from this section.

(2) Any one of the said buildings shall be exempt from this section if—

- (a) it is wholly residential ; or
- (b) the planning permission is subject to conditions by virtue of section 70(5) or (6) of this Act and those conditions either restrict the office floor space which the building may contain or preclude it from containing any office floor space.

(3) If the aggregate floor space of the buildings proposed to be erected (leaving out of account any which are exempt from this section) is twice, or more than twice, the prescribed exemption limit, and either the erection of the buildings is not development to which these provisions apply or it is such development but no office development permit is required for it, the planning permission shall be granted subject to the condition specified in subsection (4) of this section (in addition to any other conditions imposed by the authority granting the permission).

(4) The said condition is that the use of each one of the buildings (excluding any which are exempt from this section) shall be restricted so that (whether in consequence of a change of use or otherwise) it does not at any time contain office premises having an aggregate floor space which exceeds the limit for that building specified in the condition, which limit shall (subject to subsection (5) of this section) be a floor space

bearing such proportion to the building's total floor space as the prescribed exemption limit bears to the aggregate floor space of all the buildings (excluding any which are exempt from this section) for whose erection the planning permission is granted.

PART IV

(5) The authority granting the planning permission may in doing so specify in the said condition, as it applies to any building, a limit differing from the one provided by subsection (4) of this section, but not so that the total of the limits for all the buildings to which the condition applies exceeds the prescribed exemption limit.

(6) If after the grant of the planning permission a further application for planning permission is made in respect of all or any of the buildings to which the condition specified in subsection (4) of this section applies, and the further application involves a departure from the terms of the said condition as applying to any building, the application shall be subject to section 74(1) of this Act notwithstanding anything in these provisions exempting development from the requirements of that section in particular cases.

81.—(1) Any planning permission with respect to which section 78, 79 or 80 of this Act has effect shall not be invalid by reason only that the requirements of section 78(2), 79(2) or 80(3) of this Act, as the case may be, are not complied with; but in that case the planning permission shall be deemed to have been granted subject to the condition specified in section 78(3), 79(3) or 80(4) of this Act, as the case may be, or (if any other conditions are imposed by the authority granting the permission) to have been granted subject to the condition so specified in addition to the other conditions, and references in those sections to a condition imposed thereunder shall be construed accordingly as including references to a condition deemed to be imposed.

Provisions supplementary to ss. 78 to 80.

(2) In sections 78, 79 and 80 of this Act—

“controlled area” means an area to which these provisions apply, or, as respects any time before the commencement of this Act, Part I of the Act of 1965 applied;

“the prescribed exemption limit” means that number of square feet which, at the time when the planning permission in question is granted, is for the purposes of section 75 of this Act the prescribed exemption limit in relation to the land to which the planning permission relates, whether—

(a) by virtue of subsection (7) of that section, or

PART IV

(b) if an order under subsection (8) of that section is for the time being in force and applies to the area, or part of an area, in which that land is situated, by virtue of that order ;

“ wholly residential ” in relation to a building, means for use exclusively as a dwellinghouse or comprising only units of accommodation for such use.

Provisions as to conditions imposed or implied in pursuance of these provisions.

82.—(1) This section applies to any condition subject to which planning permission is granted in accordance with these provisions or subject to which planning permission is by virtue of these provisions deemed to have been granted, whether or not it is a condition which could have been imposed apart from these provisions.

(2) If the planning permission is or was granted by the local planning authority, the Secretary of State shall not be required to entertain an appeal under section 36 of this Act from the decision of the local planning authority, in so far as that decision relates or related to any condition to which this section applies.

(3) Where planning permission is granted subject to a condition to which this section applies, and it appears to the authority granting the permission that the condition could have been imposed apart from these provisions and would have been imposed if these provisions had not been enacted, the decision granting the permission may include a certificate to that effect ; and, where such a certificate is included in a decision of the local planning authority—

(a) the Secretary of State shall not be required to entertain an appeal from the decision in so far as it includes the certificate ; but

(b) subject to the preceding paragraph, section 36 of this Act shall have effect in relation to the certificate as it has effect in relation to any other part of the decision.

(4) If any condition imposed by an authority granting planning permission is inconsistent with any condition to which this section applies, the last-mentioned condition shall prevail in so far as it is inconsistent with the condition so imposed.

(5) Where on an application made as mentioned in section 32(1) of this Act (as modified by section 74(2) of this Act) planning permission is granted (either unconditionally or subject to conditions) for a building to be retained, or a use of a building to be continued, without complying with a condition to which this section applies (that condition being one subject to which a previous planning permission was granted or is deemed to

have been granted), nothing in sections 77 to 81 of this Act or in the preceding provisions of this section shall be construed as preventing the subsequent planning permission from operating so as to extinguish or modify that condition, as the case may be.

PART IV

83. Schedule 12 to this Act shall have effect as respects planning permission granted before 5th August 1965 (the date of the passing of the Act of 1965) in the cases mentioned in that Schedule.

Development in metropolitan region: planning permission granted before passing of Act of 1965.

(3) Where immediately before the end of that period any planning permission has effect subject to a condition imposed by the authority granting the permission in circumstances where

enforcement
notice.

(2) There is a breach of planning control if development has been carried out, whether before or after the commencement of this Act, without the grant of planning permission required in that behalf in accordance with Part III of the Act of 1962 or Part III of this Act, or if any conditions or limitations subject to which planning permission was granted have not been complied with.

(3) Where an enforcement notice relates to a breach of planning control consisting in—

- (a) the carrying out without planning permission of building, engineering, mining or other operations in, on, over or under land ; or
- (b) the failure to comply with any condition or limitation which relates to the carrying out of such operations and subject to which planning permission was granted for the development of that land ; or
- (c) the making without planning permission of a change of use of any building to use as a single dwelling-house,

it may be served only within the period of four years from the date of the breach.

PART V

(4) An enforcement notice shall be served on the owner and on the occupier of the land to which it relates and on any other person having an interest in that land, being an interest which in the opinion of the authority is materially affected by the notice.

(5) Where planning permission has effect subject to a condition to which section 82 of this Act applies, and by reason of anything done in a particular part of a building that condition is contravened, any enforcement notice relating to the contravention shall be taken to be served on the owner and on the occupier of the land to which it relates if it is served on the owner and on the occupier of that part of the building, whether it is also served on any other person or not.

(6) An enforcement notice shall specify—

- (a) the matters alleged to constitute a breach of planning control ;
- (b) the steps required by the authority to be taken in order to remedy the breach, that is to say steps for the purpose of restoring the land to its condition before the development took place or (according to the particular circumstances of the breach) of securing compliance with the conditions or limitations subject to which planning permission was granted ; and
- (c) the period for compliance with the notice, that is to say the period (beginning with the date when the notice takes effect) within which those steps are required to be taken.

(7) The steps which may be required by an enforcement notice to be taken include the demolition or alteration of any buildings or works, the discontinuance of any use of land, or the carrying out on land of any building or other operations.

(8) Subject to section 88 of this Act, an enforcement notice shall take effect at the end of such period, not being less than twenty-eight days after the service of the notice, as may be specified in the notice.

(9) The local planning authority may withdraw an enforcement notice (without prejudice to their power to serve another) at any time before it takes effect ; and, if they do so, they shall forthwith give notice of the withdrawal to every person who was served with the notice.

Appeal against
enforcement
notice.

88.—(1) A person on whom an enforcement notice is served, or any other person having an interest in the land may, at any time within the period specified in the notice as the period

at the end of which it is to take effect, appeal to the Secretary of State against the notice on any of the following grounds—

PART V

- (a) that planning permission ought to be granted for the development to which the notice relates or, as the case may be, that a condition or limitation alleged in the enforcement notice not to have been complied with ought to be discharged ;
- (b) that the matters alleged in the notice do not constitute a breach of planning control ;
- (c) in the case of a notice which, by virtue of section 87(3) of this Act, may be served only within the period of four years from the date of the breach of planning control to which the notice relates, that that period has elapsed at the date of service ;
- (d) in the case of a notice not falling within paragraph (c) of this subsection, that the breach of planning control alleged by the notice occurred before the beginning of 1964 ;
- (e) that the enforcement notice was not served as required by section 87(4) of this Act ;
- (f) that the steps required by the notice to be taken exceed what is necessary to remedy any breach of planning control ;
- (g) that the specified period for compliance with the notice falls short of what should reasonably be allowed.

(2) An appeal under this section shall be made by notice in writing to the Secretary of State, which shall indicate the grounds of the appeal and state the facts on which it is based ; and on any such appeal the Secretary of State shall, if either the appellant or the local planning authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(3) Where an appeal is brought under this section, the enforcement notice shall be of no effect pending the final determination or the withdrawal of the appeal.

(4) On an appeal under this section—

- (a) the Secretary of State may correct any informality, defect or error in the enforcement notice if he is satisfied that the informality, defect or error is not material ;
- (b) in a case where it would otherwise be a ground for determining the appeal in favour of the appellant that a person required by section 87(4) of this Act to be served with the notice was not served, the Secretary

PART V

of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

(5) On the determination of an appeal under this section, the Secretary of State shall give directions for giving effect to his determination, including, where appropriate, directions for quashing the enforcement notice or for varying the terms of the notice in favour of the appellant; and the Secretary of State may—

- (a) grant planning permission for the development to which the enforcement notice relates or, as the case may be, discharge any condition or limitation subject to which planning permission for that development was granted;
- (b) determine any purpose for which the land may, in the circumstances obtaining at the time of the determination, be lawfully used having regard to any past use thereof and to any planning permission relating to the land.

(6) In considering whether to grant planning permission under subsection (5) of this section, the Secretary of State shall have regard to the provisions of the development plan, so far as material to the subject-matter of the enforcement notice, and to any other material considerations; and any planning permission granted by him under that subsection may—

- (a) include permission to retain or complete any buildings or works on the land, or to do so without complying with some condition attached to a previous planning permission;
- (b) be granted subject to such conditions as the Secretary of State thinks fit;

and where under that subsection he discharges a condition or limitation, he may substitute another condition or limitation for it, whether more or less onerous.

(7) Where an appeal against an enforcement notice is brought under this section, the appellant shall be deemed to have made an application for planning permission for the development to which the notice relates and, in relation to any exercise by the Secretary of State of his powers under subsection (5) of this section, the following provisions shall have effect—

- (a) any planning permission granted thereunder shall be treated as granted on the said application;
- (b) in relation to a grant of planning permission or a determination under that subsection, the Secretary of State's decision shall be final; and

- (c) for the purposes of section 34 of this Act, the decision shall be treated as having been given by the Secretary of State in dealing with an application for planning permission made to the local planning authority.

(8) On an appeal under this section against an enforcement notice relating to anything done in contravention of a condition to which section 71 or 82 of this Act applies, the Secretary of State shall not be required to entertain the appeal in so far as the appellant claims that planning permission free from that condition ought to be granted.

(9) Schedule 9 to this Act applies to appeals under this section, including appeals under this section as applied by regulations under any other provision of this Act.

89.—(1) Subject to the provisions of this section, where an enforcement notice has been served on the person who, at the time when the notice was served on him, was the owner of the land to which it relates, then, if any steps required by the notice to be taken (other than the discontinuance of a use of land) have not been taken within the period allowed for compliance with the notice, that person shall be liable on summary conviction to a fine not exceeding £400 or on conviction on indictment to a fine. Penalties for non-compliance with enforcement notice.

(2) If a person against whom proceedings are brought under subsection (1) of this section has, at some time before the end of the period allowed for compliance with the notice, ceased to be the owner of the land, he shall, upon information duly laid by him, and on giving to the prosecution not less than three clear days' notice of his intention, be entitled to have the person who then became the owner of the land (in this section referred to as "the subsequent owner") brought before the court in the proceedings.

(3) If, after it has been proved that any steps required by the enforcement notice have not been taken within the period allowed for compliance with the notice, the original defendant proves that the failure to take those steps were attributable, in whole or in part, to the default of the subsequent owner—

(a) the subsequent owner may be convicted of the offence ;
and

(b) the original defendant, if he further proves that he took all reasonable steps to secure compliance with the enforcement notice, shall be acquitted of the offence.

(4) If, after a person has been convicted under the preceding provisions of this section, he does not as soon as practicable

PART V

do everything in his power to secure compliance with the enforcement notice, he shall be guilty of a further offence and liable—

(a) on summary conviction to a fine not exceeding £50 for each day following his first conviction on which any of the requirements of the enforcement notice (other than the discontinuance of the use of land) remain unfulfilled ; or

(b) on conviction on indictment to a fine.

(5) Where, by virtue of an enforcement notice, a use of land is required to be discontinued, or any conditions or limitations are required to be complied with in respect of a use of land or in respect of the carrying out of operations thereon, then if any person uses the land or causes or permits it to be used, or carries out those operations or causes or permits them to be carried out, in contravention of the notice, he shall be guilty of an offence, and shall be liable on summary conviction to a fine not exceeding £400, or on conviction on indictment to a fine ; and if the use is continued after the conviction he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding £50 for each day on which the use is so continued, or on conviction on indictment to a fine.

(6) Any reference in this section to the period allowed for compliance with an enforcement notice is a reference to the period specified in the notice for compliance therewith or such extended period as the local planning authority may allow for compliance with the notice.

Power to stop further development pending proceedings on enforcement notice.

90.—(1) Where in respect of any land the local planning authority have served an enforcement notice, they may at any time before the notice takes effect serve a further notice (in this Act referred to as a “stop notice”) referring to, and having annexed to it a copy of, the enforcement notice and prohibiting any person on whom the stop notice is served from carrying out or continuing any specified operations on the land, being operations either alleged in the enforcement notice to constitute a breach of planning control or so closely associated therewith as to constitute substantially the same operations.

(2) The operations which may be the subject of a stop notice shall include the deposit of refuse or waste materials on land where that is a breach of planning control alleged in the enforcement notice.

(3) A stop notice may be served by the local planning authority on any person who appears to them to have an interest in the land or to be concerned with the carrying out or continuance of any operations thereon.

(4) A stop notice—

- (a)** shall specify the date (not being earlier than three nor later than fourteen days from the day on which the notice is first served on any person) when it is to take effect ;
- (b)** in relation to any person served with it, shall have effect as from that date or the third day after the date of service on him, whichever is the later ; and
- (c)** shall, without prejudice to subsection (7) of this section, cease to have effect when the enforcement notice takes effect or is withdrawn or quashed.

(5) If while a stop notice has effect in relation to him a person carries out, or causes or permits to be carried out, any operations prohibited by the notice, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £400, or on conviction on indictment to a fine ; and if the offence is continued after conviction he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding £50 for each day on which the offence is continued, or on conviction on indictment to a fine.

(6) A stop notice shall not be invalid by reason that the enforcement notice to which it relates was not served as required by section 87(4) of this Act if it is shown that the local planning authority took all such steps as were reasonably practicable to effect proper service.

(7) The local planning authority may at any time withdraw a stop notice (without prejudice to their power to serve another) by serving notice to that effect on persons who were served with the stop notice ; and the stop notice shall cease to have effect as from the date of service of the notice under this subsection.

(8) Where a person (in this subsection called “ the contractor ”) is under contract to another person (in this subsection called “ the developer ”) to carry out any operations on land and—

- (a)** a stop notice takes effect (whether in relation to the developer or the contractor, or both) prohibiting the carrying out or continuance of those operations ; and
- (b)** the operations are countermanded, or discontinued by the contractor accordingly,

then, unless and in so far as the contract makes provision explicitly to the contrary of this subsection, the developer shall be under the same liability in contract as if the operations had

PART V

been countermanded or discontinued on instructions given by him in breach of the contract.

This subsection applies only to contracts entered into before the end of 1969.

Execution and cost of works required by enforcement notice.

91.—(1) If, within the period specified in an enforcement notice for compliance therewith, or within such extended period as the local planning authority may allow, any steps required by the notice to be taken (other than the discontinuance of a use of land) have not been taken, the local planning authority may enter the land and take those steps, and may recover from the person who is then the owner of the land any expenses reasonably incurred by them in doing so.

(2) Any expenses incurred by the owner or occupier of any land for the purpose of complying with an enforcement notice served in respect of any breach of planning control (as defined in section 87(2) of this Act) and any sums paid by the owner of any land under subsection (1) of this section in respect of expenses incurred by the local planning authority in taking steps required by such a notice to be taken, shall be deemed to be incurred or paid for the use and at the request of the person by whom the breach of planning control was committed.

(3) Regulations made under this Act may provide that, in relation to any steps required to be taken by an enforcement notice, all or any of the enactments specified in subsection (4) of this section shall apply, subject to such adaptations and modifications as may be specified in the regulations, including, in the case of the enactment specified in paragraph (b) of that subsection, adaptations and modifications for the purpose of affording to the owner of land to which an enforcement notice relates the right, as against all other persons interested in the land, to comply with the requirements of the enforcement notice.

(4) The said enactments are the following provisions of the Public Health Act 1936, that is to say—

- (a) section 276 (power of local authorities to sell materials removed in executing works under that Act subject to accounting for the proceeds of sale);
- (b) section 289 (power to require the occupier of any premises to permit works to be executed by the owner of the premises);
- (c) section 292 (power of local authorities to include a sum in respect of establishment charges in their expenses in executing works); and
- (d) section 294 (limit on liability of persons holding premises as agents or trustees in respect of the expenses recoverable under that Act).

1936 c. 49.

(5) Any regulations made in accordance with subsection (3) of this section may provide for the charging on the land of any expenses recoverable by a local authority under subsection (1) of this section.

92.—(1) If, after the service of an enforcement notice, planning permission is granted for the retention on land of buildings or works, or for the continuance of a use of land, to which the enforcement notice relates, the enforcement notice shall cease to have effect in so far as it requires steps to be taken for the demolition or alteration of those buildings or works, or the discontinuance of that use, as the case may be.

Effect of planning permission on enforcement notice.

(2) If the planning permission granted as mentioned in subsection (1) of this section is granted so as to permit the retention of buildings or works, or the continuance of a use of land, without complying with some condition subject to which a previous planning permission was granted, the enforcement notice shall cease to have effect in so far as it requires steps to be taken for complying with that condition.

(3) The preceding provisions of this section shall be without prejudice to the liability of any person for an offence in respect of a failure to comply with the enforcement notice before the relevant provision of the enforcement notice ceased to have effect.

93.—(1) Compliance with an enforcement notice, whether in respect of—

- (a) the demolition or alteration of any buildings or works;
- or
- (b) the discontinuance of any use of land,

Enforcement notice to have effect against subsequent development.

or in respect of any other requirements contained in the enforcement notice, shall not discharge the enforcement notice.

(2) Without prejudice to subsection (1) of this section, any provision of an enforcement notice requiring a use of land to be discontinued shall operate as a requirement that it shall be discontinued permanently, to the extent that it is in contravention of Part III of this Act; and accordingly the resumption of that use at any time after it has been discontinued in compliance with the enforcement notice shall to that extent be in contravention of the enforcement notice.

(3) Without prejudice to subsection (1) of this section, if any development is carried out on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with an enforcement notice, the notice shall, notwithstanding that its terms are not apt for the purpose, be deemed to apply in relation to the buildings or works as

PART V

reinstated or restored as it applied in relation to the buildings or works before they were demolished or altered; and, subject to subsection (4) of this section, the provisions of section 91(1) and (2) of this Act, shall apply accordingly.

(4) Where, at any time after an enforcement notice takes effect—

- (a) any development is carried out on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with the notice; and
- (b) the local planning authority propose, under section 91(1) of this Act, to take any steps required by the enforcement notice for the demolition or alteration of the buildings or works in consequence of the reinstatement or restoration,

the local planning authority shall, not less than twenty-eight days before taking any such steps, serve on the owner and occupier of the land a notice of their intention to do so.

(5) A person who, without the grant of planning permission in that behalf, carries out any development on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with an enforcement notice shall be guilty of an offence, and shall be liable on summary conviction to a fine not exceeding £400; and no person shall be liable under any of the provisions of section 89(1) to (4) of this Act for failure to take any steps required to be taken by an enforcement notice by way of demolition or alteration of what has been so reinstated or restored.

94.—(1) For the purposes of this Part of this Act, a use of established use. land is established if—

- (a) it was begun before the beginning of 1964 without planning permission in that behalf and has continued since the end of 1963; or
- (b) it was begun before the beginning of 1964 under a planning permission in that behalf granted subject to conditions or limitations, which either have never been complied with or have not been complied with since the end of 1963; or
- (c) it was begun after the end of 1963 as the result of a change of use not requiring planning permission and there has been, since the end of 1963, no change of use requiring planning permission.

(2) Where a person having an interest in land claims that a particular use of it has become established, he may apply to the local planning authority for a certificate (in this Act referred to as an “established use certificate”) to that effect:

Provided that no such application may be made in respect of the use of land as a single dwellinghouse, or of any use not subsisting at the time of the application.

(3) An established use certificate may be granted (either by the local planning authority or, under section 95 of this Act, by the Secretary of State)—

- (a) either for the whole of the land specified in the application, or for a part of it ;
- (b) in the case of an application specifying two or more uses, either for all those uses or for some one or more of them.

(4) On an application to them under this section, the local planning authority shall, if and so far as they are satisfied that the applicant's claim is made out, grant to him an established use certificate accordingly ; and if and so far as they are not so satisfied, they shall refuse the application.

(5) Where an application is made to a local planning authority for an established use certificate, then unless within such period as may be prescribed by a development order, or within such extended period as may at any time be agreed upon in writing between the applicant and the local planning authority, the authority give notice to the applicant of their decision on the application, then, for the purposes of section 95(2) of this Act, the application shall be deemed to be refused.

(6) Schedule 14 to this Act shall have effect with respect to established use certificates and applications therefor and to appeals under section 95 of this Act.

(7) An established use certificate shall, as respects any matters stated therein, be conclusive for the purposes of an appeal to the Secretary of State against an enforcement notice served in respect of any land to which the certificate relates, but only where the notice is served after the date of the application on which the certificate was granted.

(8) If any person, for the purpose of procuring a particular decision on an application (whether by himself or another) for an established use certificate or on an appeal arising out of such an application—

- (a) knowingly or recklessly makes a statement which is false in a material particular ; or
- (b) with intent to deceive, produces, furnishes, sends or otherwise makes use of any document which is false in a material particular ; or
- (c) with intent to deceive, withholds any material information,

he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £400 or, on conviction on indictment, to

PART V

imprisonment for a term not exceeding two years or a fine, or both.

Grant of certificate by Secretary of State on referred application or appeal against refusal.

95.—(1) The Secretary of State may give directions requiring applications for established use certificates to be referred to him instead of being dealt with by local planning authorities ; and, on any such application being referred to him in accordance with such directions, section 94(4) of this Act shall apply in relation to the Secretary of State as it applies in relation to the local planning authority in the case of an application determined by them.

(2) Where an application is made to a local planning authority for an established use certificate and is refused, or is refused in part, the applicant may by notice under this subsection appeal to the Secretary of State ; and on any such appeal the Secretary of State shall—

- (a) if and so far as he is satisfied that the authority's refusal is not well-founded, grant to the appellant an established use certificate accordingly or, as the case may be, modify the certificate granted by the authority on the application ; and
- (b) if and so far as he is satisfied that the authority's refusal is well-founded, dismiss the appeal.

(3) On an application referred to him under subsection (1) of this section or on an appeal to him under subsection (2) of this section, the Secretary of State may, in respect of any use of land for which an established use certificate is not granted (either by him or by the local planning authority), grant planning permission for that use or, as the case may be, for the continuance of that use without complying with some condition subject to which a previous planning permission was granted.

(4) Before determining an application or appeal under this section the Secretary of State shall, if either the applicant or appellant (as the case may be) or the local planning authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(5) The decision of the Secretary of State on an application referred to him, or on an appeal, under this section shall be final.

(6) In the case of any use of land for which the Secretary of State has power to grant planning permission under this section, the applicant or appellant shall be deemed to have made an application for such planning permission ; and any planning permission so granted shall be treated as granted on the said application.

(7) Schedule 9 to this Act applies to appeals under this section. PART V

Listed buildings

96.—(1) Where it appears to the local planning authority that any works have been, or are being, executed to a listed building in their area and are such as to involve a contravention of section 55(1) or (4) of this Act, then, subject to any directions given by the Secretary of State, they may, if they consider it expedient to do so having regard to the effect of the works on the character of the building as one of special architectural or historic interest, serve a notice—

Power to

enforcement
notice.

(a) specifying the alleged contravention ; and

(b) requiring such steps as may be specified in the notice for restoring that building to its former state or, as the case may be, for bringing it to the state it would have been in if the terms and conditions of any listed building consent for the works had been complied with, to be taken within such period as may be so specified.

(2) A notice under this section is in this Act referred to as a “ listed building enforcement notice ”.

(3) A listed building enforcement notice shall be served on the owner and on the occupier of the building to which it relates and on any other person having an interest in the building, being an interest which in the opinion of the authority is materially affected by the notice.

(4) Subject to section 97 of this Act, a listed building enforcement notice shall take effect at the end of such period, not being less than twenty-eight days after the service of the notice, as may be specified in the notice.

(5) The local planning authority may withdraw a listed building enforcement notice (without prejudice to their power to serve another) at any time before it takes effect ; and if they do so, they shall forthwith give notice of the withdrawal to every person who was served with the notice.

97.—(1) A person on whom a listed building enforcement notice is served, or any other person having an interest in the building to which it relates, may, at any time within the period specified in the notice as the period at the end of which it is to take effect, appeal to the Secretary of State against the notice on any of the following grounds—

Appeal
against listed

enforcement
notice.

(a) that the building is not of special architectural or historic interest ;

PART V

- (b) that the matters alleged to constitute a contravention of section 55 of this Act do not involve such a contravention ;
- (c) that the works were urgently necessary in the interests of safety or health, or for the preservation of the building ;
- (d) that listed building consent ought to be granted for the works, or that any relevant condition of such consent which has been granted ought to be discharged, or different conditions substituted ;
- (e) that the notice was not served as required by section 96(3) of this Act ;
- (f) that the requirements of the notice exceed what is necessary for restoring the building to its condition before the works were carried out ;
- (g) that the period specified in the notice as the period within which any steps required thereby are to be taken falls short of what should reasonably be allowed ;
- (h) that the steps required by the notice to be taken would not serve the purpose of restoring the character of the building to its former state.

(2) An appeal under this section shall be made by notice in writing to the Secretary of State, which shall indicate the grounds of appeal and state the facts on which it is based ; and on any such appeal the Secretary of State shall, if either the appellant or the local planning authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(3) Where an appeal is brought under this section the notice shall be of no effect pending the final determination or withdrawal of the appeal.

(4) On an appeal under this section,—

- (a) the Secretary of State may correct any informality, defect or error in the notice if he is satisfied that the informality, defect or error is not material ;
- (b) in a case where it would otherwise be a ground for determining the appeal in favour of the appellant that a person required by section 96(3) of this Act to be served with the notice was not served, the Secretary of State may disregard that fact if he is satisfied that the person has not been substantially prejudiced by the failure to serve him.

(5) On the determination of an appeal under this section the Secretary of State shall give directions for giving effect to his determination, including, where appropriate, directions for

quashing the listed building enforcement notice or for varying the terms of the notice in favour of the appellant, and the Secretary of State may—

- (a) grant listed building consent for the works to which the notice relates or, as the case may be, discharge any condition subject to which such consent was granted and substitute any other condition, whether more or less onerous ;
- (b) in so far as any works already executed constitute development for which planning permission is required, grant such permission in respect of the works ;
- (c) if he thinks fit, exercise his power under section 54 of this Act to amend any list compiled or approved thereunder by removing from it the building to which the appeal relates or his power under subsection (10) of that section to direct that that subsection shall no longer apply to the building.

(6) Any planning permission granted by the Secretary of State under subsection (5) of this section shall be treated as granted on an application for the like permission under Part III of this Act, and any listed building consent granted by him thereunder shall be treated as granted on an application for the like consent under Part I of Schedule 11 to this Act ; and—

- (a) in relation to the grant thereunder either of planning permission or of listed building consent, the Secretary of State's decision shall be final ;
- (b) for the purposes of section 34 of this Act a decision of the Secretary of State to grant planning permission shall be treated as having been given by him in dealing with an application for planning permission made to the local planning authority.

(7) Schedule 9 to this Act applies to appeals under this section.

98.—(1) Subject to the provisions of this section, where a listed building enforcement notice has been served on the person who, at the time when the notice was served on him, was the owner of the building to which it relates, then, if any steps required by the notice to be taken have not been taken within the period allowed for compliance with the notice, that person shall be guilty of an offence and liable on summary conviction to a fine not exceeding £400, or on conviction on indictment to a fine.

Penalties for non-compliance with listed building enforcement notice.

(2) If a person against whom proceedings have been brought under subsection (1) of this section has, at some time before the

PART V

end of the period allowed for compliance with the notice, ceased to be the owner of the building, he shall, upon information duly laid by him, and on giving to the prosecution not less than three clear days' notice of his intention, be entitled to have the person who then became the owner of the building (in this section referred to as "the subsequent owner") brought before the court in the proceedings.

(3) If, after it has been proved that any steps required by the notice have not been taken within the period allowed for compliance with the notice, the original defendant proves that the failure to take those steps was attributable, in whole or in part, to the default of the subsequent owner—

- (a) the subsequent owner may be convicted of the offence ; and
- (b) the original defendant, if he further proves that he took all reasonable steps to secure compliance with the notice, shall be acquitted of the offence.

(4) If, after a person has been convicted under the preceding provisions of this section, he does not as soon as practicable do everything in his power to secure compliance with the notice, he shall be guilty of a further offence and be liable—

- (a) on summary conviction to a fine not exceeding £50 for each day following his first conviction on which any of the requirements of the notice remain unfulfilled ; or
- (b) on conviction on indictment to a fine.

(5) Any reference in this section to the period allowed for compliance with a listed building enforcement notice is a reference to the period specified in the notice as that within which the steps specified in the notice are required thereby to be taken, or such extended period as the local planning authority may allow for taking them.

Execution and cost of works required by listed building enforcement notice.

99.—(1) If, within the period specified in a listed building enforcement notice as that within which the steps specified in the notice are required thereby to be taken, or within such extended period as the local planning authority may allow, any steps required by the notice to be taken have not been taken, the authority may enter the land and take those steps, and may recover from the person who is then the owner of the land any expenses reasonably incurred by them in doing so.

(2) Any expenses incurred by the owner or occupier of a building for the purpose of complying with a listed building enforcement notice, and any sums paid by the owner of a building under subsection (1) of this section in respect of expenses incurred by the local planning authority in taking steps required

by such a notice to be taken, shall be deemed to be incurred or paid for the use and at the request of the person who carried out the works to which the notice relates.

(a) shall contain such provisions as appear to the Secretary of State to be requisite for securing that any use of land which is subject to compliance with the regulations shall, as nearly as may be, be subject to the like control as is imposed by law in the case of a similar use authorised by an enactment not contained in this Act or by a Measure, or as it would be proper to impose on a disposal of the land in question otherwise than in pursuance of an enactment or Measure;

(b) shall contain requirements relating to the disposal of any such land as is mentioned in subsection (2) of this section such as appear to the Secretary of State requisite for securing that the provisions of that subsection shall be complied with in relation to the use of the land; and

- (c) for requiring compliance with such reasonable conditions (if any) as may be imposed, in the case of consecrated land, by the bishop of the diocese, with respect to the manner of removal, and the place and manner of reinterment of any human remains, and the disposal of any monuments, and with any directions given in any case by the Secretary of State with respect to the removal and reinterment of any human remains.

(6) Subject to the provisions of any such regulations, no faculty shall be required for the removal and reinterment in accordance with the regulations of any human remains, or for the removal or disposal of any monuments, and the provisions of section 25 of the Burial Act 1857 (prohibition of removal of human remains without the licence of the Secretary of State except in certain cases) shall not apply to a removal carried out in accordance with the regulations.

133.—(1) In this Part of this Act any reference to the acquisition of land for planning purposes is a reference to the acquisition thereof under section 112 or 119 of this Act or section 68 or 71 of the Act of 1962 and any reference to the appropriation of land for planning purposes is a reference to the appropriation thereof for purposes for which land can be or could have been acquired under those sections.

(2) In relation to a local authority or body corporate, nothing in sections 127 to 129 of this Act shall be construed as authorising any act or omission on their part in contravention of any limitation imposed by law on their capacity by virtue of the constitution of the authority or body.

(3) Any power conferred by section 128 or 129 of this Act to use land in a manner therein mentioned shall be construed as a power so to use the land, whether it involves the erection, construction or carrying out of any building or work, or the maintenance of any building or work, or not.

PART VII

COMPENSATION FOR PLANNING DECISIONS RESTRICTING
NEW DEVELOPMENT*Unexpended balance of established development value*Scope of
Part VII.

134.—(1) The provisions of this Part of this Act shall have effect for enabling compensation to be claimed in respect of planning decisions whereby permission for the carrying out of new development of land to which this section applies is refused or is granted subject to conditions.

(2) This section applies to any land in respect of which planning permission is refused or is granted subject to conditions, by a planning decision if, at the time of the planning decision, that land, or part of that land, has an unexpended balance of established development value.

(3) In accordance with the proviso to subsection (2) of section 32 of this Act, that subsection does not apply for the purposes of this Part of this Act.

(4) In this Part of this Act "interest" (where the reference is to an interest in land) means the fee simple or a tenancy of the land, and does not include any other interest therein; and any reference to the local planning authority, in relation to a planning decision made on behalf of that authority by another authority, by virtue of the delegation of any functions of the local planning authority to that other authority, shall be construed as a reference to that other authority.

135.—(1) In determining, for the purposes of this Part of this Act, whether land has an unexpended balance of established development value, regard shall be had to claims made, in pursuance of Part VI of the Act of 1947, for payments under the scheme provided for by section 58 of that Act (that is to say, the scheme which, but for the provisions of section 2 of the Town and Country Planning Act 1953, would have fallen to be made under the said section 58, providing for payments in respect of interests in land depreciated in value by virtue of the provisions of the Act of 1947).

Derivation of unexpended balance from claims under Part VI of Act of 1947. 1953 c. 16.

(2) Where such a claim was made in respect of an interest in land, that claim shall for the purposes of this Part of this Act be taken to have been established in respect of that land under Part VI of the Act of 1947 if an amount was determined under the said Part VI as being the development value of the interest to which the claim related, and payment in respect of that interest would not have been excluded—

- (a) by section 63 of the Act of 1947 (which excluded claims where the development value was small in proportion to the area, or to the restricted value, of the land); or
- (b) by any of sections 82 to 85 of that Act (which related to certain land belonging to local authorities, development corporations and statutory undertakers, and to land held on charitable trusts); or
- (c) by section 84 of that Act as applied by regulations under section 90 of that Act (which related to the National Coal Board).

PART VII

(3) In this Part of this Act “ established claim ” means a claim which by virtue of subsection (2) of this section is to be taken to have been established as therein mentioned, and references to the establishment of a claim shall be construed accordingly ; and “ the claim area ”, in relation to an established claim, means the land in respect of which the claim is by virtue of that subsection to be taken to have been established.

(4) References in this Part of this Act to the benefit of an established claim—

1953 c. 16.

(a) in relation to any time before the passing of the Town and Country Planning Act 1953, whether before or after the making of the claim, or before or after the establishment thereof, shall be construed as references to the prospective right, under and subject to the provisions of the scheme referred to in subsection (1) of this section, to receive a payment in respect of the interest in land to which the claim related ; and

(b) in relation to any time after the passing of the said Act of 1953, shall be construed as references to such prospective right to the satisfaction of the claim as subsisted by virtue of section 2 of that Act immediately before 1st January 1955 (being the date of the commencement of the Act of 1954) ;

and references to part of the benefit of an established claim shall be construed accordingly.

(5) References in this Part of this Act to the amount of an established claim are references to the amount determined under Part VI of the Act of 1947 as being the development value of the interest in land to which the claim related.

(6) In this section any reference to Part VI of the Act of 1947 includes a reference to the provisions of the said Part VI as modified by Schedule 1 to the Act of 1954.

Original unexpended balance of established development value.

136.—(1) In this Part of this Act “ original unexpended balance of established development value ”, in relation to any land, means the unexpended balance of established development value which that land had immediately after the time when, in accordance with section 138 of this Act, the adjustment of claim holdings is deemed to have been completed.

(2) For the purposes of this Part of this Act land shall be taken to have had such a balance if, immediately after the time referred to in subsection (1) of this section—

(a) there were subsisting one or more claim holdings whose area consisted of that land, or included that land together with other land ; and

(b) there was not subsisting any claim holding whose area consisted of part only of that land, whether with or without other land.

(3) Where subsection (2) of this section applies, there shall be attributed to the land referred to in that subsection—

(a) the value of any claim holding having an area consisting of that land ; and

(b) such fraction of the value of any claim holding whose area included that land as attached to that land,

and the original unexpended balance of established development value of that land shall be taken to have been an amount equal to eight-sevenths of the amount or aggregate amount so attributed.

137.—(1) Subject to the provisions of this section and of section 138 of this Act, in this Part of this Act—

(a) “claim holding” means the benefit of an established claim, references to the area of a claim holding are references to the land which, in relation to the established claim constituting that holding, is the claim area, and references to the value of a claim holding are references to the amount of the established claim constituting that holding ; and

(b) references to the fraction of the value of a claim holding which attached to a part of the area of the holding are references to so much of the amount of the established claim of which that holding represents the benefit or part of the benefit (in this section referred to as “the relevant established claim”) as was properly attributable to that part of the area of the holding.

(2) In the case of a claim holding where—

(a) the area of the holding is the same as the claim area of the relevant established claim ; but

(b) the value of the claim holding is, by virtue of the adjustment of claim holdings, less than the amount of the relevant established claim,

the amount of any such fraction as is referred to in subsection (1)(b) of this section shall be treated as reduced proportionately.

(3) In the case of a claim holding where—

(a) the area of the holding consists of part only of the claim area of the relevant established claim ; and

(b) the value of the holding is, by virtue of the adjustment of claim holdings, less or greater than so much of the

PART VII

amount of the relevant established claim as was properly attributable to the area of the holding,

the amount of any such fraction as is referred to in subsection (1)(b) of this section shall be treated as reduced, or (as the case may be) increased, proportionately.

(4) For the purposes of this section, the part of the amount of the relevant established claim which was properly attributable to any land forming part of the claim area shall be taken to have been so much of the amount of that claim as might reasonably be expected to have been attributed to that land if the authority determining that amount had been required to apportion it, in accordance with the same principles as applied to its determination, between that land and the residue of the claim area.

Adjustment
of claim
holdings.

138.—(1) The provisions of Schedule 15 to this Act shall have effect for the purposes of this Part of this Act; and any reference in this Part of this Act to the adjustment of claim holdings is a reference to the operation of those provisions.

(2) For the purposes of this Part of this Act the adjustment of claim holdings shall be deemed to have been completed on 1st January 1955.

General
provision for
continuance
of original
unexpended
balance.

139. Where in accordance with section 136 of this Act land had an original unexpended balance of established development value, then, subject to the following provisions of this Part of this Act, that land shall be taken—

(a) to have continued to have that balance until the commencement of this Act; and

(b) to continue to have that balance at all times thereafter.

Reduction or
extinguish-
ment of
balance in
consequence
of compensa-
tion.

140.—(1) Where at any time compensation becomes payable under this Part of this Act, or became payable under Part II of the Act of 1954 or Part VI of the Act of 1962, in respect of depreciation of the value of an interest in land by a planning decision, then, for the purpose of determining whether that land or any part thereof has or had an unexpended balance of established development value at any subsequent time, the amount of the compensation shall be deducted from the original unexpended balance of established development value of that land, and the original unexpended balance of that land or that part thereof shall be treated as having been reduced or extinguished accordingly immediately before that subsequent time.

(2) Subsection (1) of this section shall have effect subject to the provisions of this Part of this Act relating to the recovery of compensation on subsequent development.

141.—(1) Where in accordance with section 136 of this Act land had an original unexpended balance of established development value, and at any time on or after the appointed day (whether before or after the commencement of this Act) any new development of that land is or was initiated, then (subject to the following provisions of this section) for the purpose of determining whether that land or any part thereof has or had an unexpended balance of established development value at any subsequent time—

PART VII
Reduction or
extinguish-
ment of
balance on
initiation of
new develop-
ment.

- (a) if the development relates or related only to that land, the value of that development (ascertained, with reference to that subsequent time, in accordance with the provisions of Schedule 16 to this Act); or
- (b) if the development relates or related to that land together with other land, so much of the value of that development (so ascertained) as is or was attributable to that land,

shall be deducted from the original unexpended balance of established development value of that land, and the original unexpended balance of that land or that part thereof shall be treated as having been reduced or extinguished accordingly immediately before that subsequent time.

(2) Subsection (1) of this section shall not apply to any land if, in respect of any interest therein, a payment has become or becomes payable under section 59 of the Act of 1947 (which provided for payments in respect of certain war-damaged land).

(3) For the purposes of subsection (1) of this section no account shall be taken of any development initiated before 1st January 1955, if—

- (a) a development charge under Part VII of the Act of 1947 was determined to be payable in respect thereof, or would have fallen to be so determined but for any exemption conferred by regulations under that Part of that Act, or by any provisions of Part VIII of that Act; or
- (b) in a certificate issued under section 58 of the Act of 1954 (which related to monopoly value of licensed premises) it was certified that a development charge could have been determined to be payable in respect of that development if the circumstances referred to in subsection (1)(a) or (b) of that section had not existed.

PART VII

Reduction or extinguishment of balance on acquisition of land under compulsory powers.

142.—(1) Where in the case of—

- (a) a compulsory acquisition to which this section applies ;
or
- (b) a sale of an interest in land by agreement in circumstances corresponding to such an acquisition,

any of the land in which the interest acquired or sold subsists or subsisted has or had an unexpended balance of established development value immediately before the relevant date (in this section referred to as “ the relevant balance ”) the following provisions of this section shall have effect for the purpose of determining whether that land or any part thereof has or had an unexpended balance of established development value at any subsequent time.

(2) This section applies—

- (a) to every compulsory acquisition of an interest in land in pursuance of a notice to treat served on or after 30th October 1958, whether before or after the commencement of this Act ; and
- (b) to every compulsory acquisition of an interest in land, in pursuance of a notice to treat served on or after 1st January 1955 but before the said 30th October, by an authority possessing compulsory purchase powers, being at that time a government department or local or public authority within the meaning of the Acquisition of Land (Assessment of Compensation) Act 1919, or a person or body of persons to whom that Act applied as it applied to such a department or authority.

1919 c. 57.

(3) Unless, immediately after the acquisition or sale, there is or was outstanding some interest (other than an excepted interest) in the land to which some person other than the acquiring authority is or was entitled, the original unexpended balance of established development value of that land shall be treated as having been extinguished immediately before the subsequent time referred to in subsection (1) of this section.

(4) If, immediately after the acquisition or sale, there is or was such an outstanding interest (other than an excepted interest) as is mentioned in subsection (3) of this section, there shall be deducted from the said original balance an amount equal to any part of the relevant balance which is or was not attributable to any such outstanding interest, and the original unexpended balance of established development value of the land or the part thereof in question shall be treated as having been reduced or extinguished accordingly immediately before that subsequent time.

(5) For the purposes of this section any question as to the portion of the relevant balance which is or was attributable to an interest in land—

- (a) in relation to a compulsory acquisition to which this section applies, shall be determined in accordance with the provisions of Schedule 17 to this Act; and
- (b) in relation to a sale of an interest in land by agreement in circumstances corresponding to such an acquisition, shall be determined in accordance with the provisions of that Schedule as those provisions would apply if the sale had been a compulsory acquisition in pursuance of a notice to treat served on the relevant date.

(6) Any reference in this section or in section 143 of this Act to a sale of an interest in land by agreement in circumstances corresponding to a compulsory acquisition to which this section applies is a reference to a sale thereof—

- (a) to an authority possessing compulsory purchase powers, in pursuance of a contract made on or after 30th October 1958, whether before or after the commencement of this Act; or
- (b) to such an authority possessing compulsory purchase powers as is mentioned in subsection (2)(b) of this section, in pursuance of a contract made on or after 1st January 1955 but before the said 30th October.

(7) In this section “the relevant date” means the date of service of the notice to treat or the date of the contract in pursuance of which the interest was sold, as the case may be, and “excepted interest” means the interest of any such person as is mentioned in section 20(1) of the Compulsory Purchase Act 1965 c. 56. 1965 (which relates to persons having no greater interest than as tenant for a year or from year to year).

143.—(1) Where in connection with—

- (a) a compulsory acquisition to which section 142 of this Act applies; or
- (b) a sale of an interest in land by agreement in circumstances corresponding to such an acquisition,

compensation is or was payable, or an amount is or was included in the purchase price, in respect of an interest in land other than the relevant land (in this section referred to as “the interest affected”), for damage sustained by reason that the relevant land is or was severed from other land held therewith, or that any other land (whether held with the relevant land or not) is or was injuriously affected, then (subject to the following provisions of this section) for the purpose of determining whether that other

PART VII

land or any part thereof has or had an unexpended balance of established development value at any subsequent time, there shall be deducted from the original unexpended balance of established development value of that other land an amount calculated in accordance with the following provisions of this section, and the original unexpended balance of that land, or of the part thereof in question, as the case may be, shall be treated as having been reduced or extinguished accordingly immediately before that subsequent time.

(2) In the case of an acquisition or sale in pursuance of a notice to treat served, or contract made, on or after 30th October 1958, the amount to be deducted, as mentioned in subsection (1) of this section, shall be the amount (if any) by which the compensation payable, or amount included in the purchase price, as therein mentioned exceeds or exceeded the compensation which would have been so payable, or the amount which would have been so included, if the extent of the damage sustained in respect of the other land in question had fallen to be ascertained on the assumption that planning permission would not be granted for any new development of that land, but would be granted for any development thereof other than new development.

(3) The following provisions of this section shall have effect with respect to any such acquisition or sale as is mentioned in subsection (1) of this section, being an acquisition or sale in pursuance of a notice to treat served, or contract made, before 30th October 1958; and any such acquisition or sale is hereinafter referred to as an acquisition or sale to which this subsection applies.

(4) No such deduction as is mentioned in subsection (1) of this section shall be made in the case of an acquisition or sale to which subsection (3) of this section applies unless—

- (a) where it was a compulsory acquisition, an amount was paid by way of compensation as mentioned in the said subsection (1);
- (b) the amount which was so paid, or, in the case of a sale by agreement, was included in the purchase price as mentioned in the said subsection (1) (hereafter in this section referred to as “the sum paid for severance or injurious affection”) exceeded the loss of immediate value of the interest affected; and
- (c) where it was a sale by agreement, the other land in question was held with the relevant land.

(5) Subject to subsection (4) of this section, the amount to be deducted as mentioned in subsection (1) of this section, in the case of an acquisition or sale to which subsection (3) of this section applies, shall be the amount by which the sum paid for severance or injurious affection exceeded the loss of immediate value of the interest affected.

(6) The following provisions of this subsection shall have effect, in the case of an acquisition or sale to which subsection (3) of this section applies, where so much (if any) of the sum paid for severance or injurious affection as was attributable to the loss of immediate value of the interest affected was less than the depreciation in restricted value of that interest, that is to say—

(a) the amount of the difference shall be ascertained ; and

(b) for the purpose of determining whether, at any time after the acquisition or sale, the land in which the interest affected subsisted or any part thereof had or has an unexpended balance of established development value (whether or not that land or any part thereof would apart from this subsection have had an original unexpended balance of established development value) a claim holding with an area consisting of that land and a value equal to seven-eighths of the amount of the difference shall be deemed to have subsisted immediately after the time when the adjustment of claim holdings was completed.

(7) In this section—

“ the loss of immediate value ” means the amount (if any) by which the difference in the value of the interest affected, immediately before and immediately after the acquisition or sale, exceeded the loss of development value ;

“ the loss of development value ” means the amount (if any) by which the value of the interest affected immediately before the acquisition or sale, if calculated on the assumption that, until such time as the land in which that interest subsisted might reasonably be expected to become ripe for new development, no use whatever could be made of that land, would have exceeded the value of that interest immediately after the acquisition or sale if calculated on the like assumption ;

“ the depreciation in restricted value ” means the amount (if any) by which the value of the interest affected, immediately after the acquisition or sale, would have

PART VII

been less than the value of that interest immediately before the acquisition or sale, if both values were calculated on the assumption that planning permission would not be granted for any new development of that land, but would be granted for any development thereof other than new development ;

“ the relevant land ”, in relation to an acquisition or sale, means the land in which the interest acquired or sold subsisted.

Supplementary provisions as to deductions from original balance.

144.—(1) Where, immediately after the time when the adjustment of claim holdings was completed, any land taken as a whole had an original unexpended balance of established development value, and at any time thereafter (whether before or after the commencement of this Act) an act or event occurs or has occurred in relation to part of that land such that, in accordance with any of the preceding provisions of this Part of this Act, an amount is required to be deducted from the original unexpended balance of that part of that land for the purpose of determining whether it has or had an unexpended balance of established development value at any subsequent time, then (without prejudice to the operation of any of the preceding provisions of this Part of this Act with respect to any part of the land taken separately) the land taken as a whole shall be treated as not having (or as not having had) any such balance at that subsequent time.

(2) Where in accordance with any of the preceding provisions of this Part of this Act an amount is required to be deducted from the original unexpended balance of established development value of any land, there shall be attributed to the various parts of that land so much of that amount as might reasonably be expected to have been attributed thereto if the authority determining the amount had been required to apportion it between those parts in accordance with the same principles as applied to its determination.

(3) Where two or more acts or events occur or have occurred in relation to the same land (whether before or after the commencement of this Act) such that, in accordance with any of the preceding provisions of this Part of this Act, an amount is required to be deducted from the original unexpended balance of established development value of that land or any part thereof, those provisions shall apply cumulatively, and the requisite deduction from the original unexpended balance of established development value of that land shall be made by reference to each of those acts or events.

145.—(1) Subject to the provisions of this section, the Secretary of State shall, on application being made to him by any person, and may if he thinks fit without any such application, issue a certificate in the prescribed form with respect to any land stating whether any of that land had an original unexpended balance of established development value, and, if so—

PART VII
 Provision of
 information
 relating to
 unexpended
 balance.

- (a) giving a general statement of what was taken by the Central Land Board, for the purposes of Part VI of the Act of 1947, to be the state of that land on the appointed day; and
- (b) specifying (subject to any outstanding claims under Part I or Part V of the Act of 1954) the amount of that original balance.

(2) Any such certificate issued with respect to any land may, if the Secretary of State thinks fit, contain additional information with respect to acts or events in consequence of which, in accordance with any of the preceding provisions of this Part of this Act, an amount is required to be deducted from the original unexpended balance of established development value of any of that land.

(3) Where, at any time on or after 1st January 1955 (whether before or after the commencement of this Act), a notice to treat has been served with a view to the compulsory acquisition of an interest in land by an authority possessing compulsory purchase powers, that authority may apply to the Secretary of State for, and shall be entitled to the issue of, a certificate showing the unexpended balance of established development value (if any) of any of that land immediately before the service of that notice.

(4) Where the issue of a certificate under this section with respect to any land involves a new apportionment, or, in the case of a certificate under subsection (3) of this section, involves the calculation of a deduction from the original unexpended balance of established development value by virtue of section 141 of this Act, then—

- (a) except in the case of a certificate under subsection (3) of this section, or of a certificate which the Secretary of State proposes to issue without any application being made for it, the certificate shall not be issued otherwise than on the application of a person who is for the time being entitled to an interest in that land;
- (b) before issuing the certificate, the Secretary of State shall give notice in writing to any person entitled to an interest in land appearing to him to be an interest which will be substantially affected by the apportionment or calculation, giving particulars of the proposed

PART VII

apportionment or calculation, and stating that objections or other representations with respect thereto may be made to the Secretary of State within the period of thirty days from the date of the notice; and

- (c) the certificate shall not be issued before the end of that period, and if within that period an objection to the proposed apportionment or calculation has been made by any person to whom notice has been given under paragraph (b) of this subsection, or by any other person who establishes that he is entitled to an interest in land which is substantially affected by the apportionment or calculation, and that objection has not been withdrawn, subsection (5) of this section shall have effect.

(5) Where by virtue of subsection (4)(c) or this section this subsection is to have effect, then—

- (a) if within a further period of thirty days the person by whom any such objection was made requires the dispute to be referred to the Lands Tribunal, the dispute shall be so referred, and the certificate shall not be issued until either the Tribunal has decided the matter or the reference to the Tribunal has been withdrawn;
- (b) the certificate may be issued before the end of the said further period if every such objection has been withdrawn;
- (c) the certificate shall be issued at the end of that further period, notwithstanding that every such objection has not been withdrawn, if no requirement has within that period been made under paragraph (a) of this subsection.

(6) Where, on a reference to the Lands Tribunal under this section, it is shown that a new apportionment relates partly to the same matters as a previous apportionment, and is consistent with that previous apportionment in so far as it relates to those matters, the Tribunal shall not vary the new apportionment in such a way as to be inconsistent with the previous apportionment in so far as it relates to those matters.

(7) A certificate under subsection (3) of this section shall be conclusive evidence of the unexpended balance shown therein; and a certificate under subsection (1) of this section shall be sufficient proof of any facts stated therein unless the contrary is shown.

(8) An application for a certificate under this section shall be made in such form and manner as may be prescribed, and shall

be accompanied by sufficient particulars, including a map if necessary, to enable the land to be identified, and, where a new apportionment will be involved, particulars of the nature of the applicant's interest, and such information as to the nature of any other interest in the land, and as to the name and address of the person entitled to that other interest, as may be known to the applicant.

PART VII

(9) On any application under subsection (1) of this section the applicant shall pay in the prescribed manner a fee of twenty-five new pence, and, if the application involves a new apportionment, the certificate shall not be issued until the applicant has paid in the prescribed manner a further fee of seventy-five new pence.

(10) In this section "new apportionment" means an apportionment which relates wholly or partly to any matter to which no previous apportionment related.

Right to compensation

146. Subject to the provisions of this Part of this Act, a person shall be entitled to compensation under this Part of this Act in respect of a planning decision whereby planning permission for the carrying out of new development of land is refused, or is granted subject to conditions, if—

General provision as to right to compensation.

- (a) at the time of the decision he is entitled to an interest in any land to which the decision relates which has an unexpended balance of established development value ; and
- (b) the value of that interest, or, in the case of an interest extending to other land, the value of that interest in so far as it subsists in such land as is referred to in the preceding paragraph, is depreciated by the decision.

147.—(1) Compensation under this Part of this Act shall not be payable—

Planning decisions not ranking for compensation.

- (a) in respect of the refusal of planning permission for any development which consists of or includes the making of any material change in the use of any buildings or other land ; or
- (b) in respect of any decision made on an application in pursuance of regulations under section 63 of this Act for consent to the display of advertisements.

(2) Compensation under this Part of this Act shall not be payable in respect of the imposition, on the granting of planning permission to develop land, of any condition relating to—

- (a) the number or disposition of buildings on any land ;

PART VII

- (b) the dimensions, design, structure or external appearance of any building, or the materials to be used in its construction ;
- (c) the manner in which any land is to be laid out for the purposes of the development, including the provision of facilities for the parking, loading, unloading or fuelling of vehicles on the land ;
- (d) the use of any buildings or other land ; or
- (e) the location or design of any means of access to a highway, or the materials to be used in the construction of any such means of access,

or in respect of any condition subject to which permission is granted for the winning and working of minerals.

In this subsection " means of access to a highway " does not include a service road.

(3) Compensation under this Part of this Act shall not be payable in respect of the application to any planning permission of any of the conditions referred to in sections 41 and 42 of this Act or in respect of the imposition of any condition to which section 71 or 82 of this Act applies.

(4) Compensation under this Part of this Act shall not be payable in respect of the application to any planning permission if the reason or one of the reasons stated for the refusal is that development of the kind proposed would be premature by reference to either or both of the following matters, that is to say—

- (a) the order of priority (if any) indicated in the development plan for the area in which the land is situated for development in that area ;
- (b) any existing deficiency in the provision of water supplies or sewerage services, and the period within which any such deficiency may reasonably be expected to be made good :

Provided that this subsection shall not apply if the planning decision refusing the permission is made on an application made more than seven years after the date of a previous planning decision whereby permission to develop the same land was refused for the same reason, or for reasons which included the same reason.

(5) Compensation under this Part of this Act shall not be payable in respect of the refusal of permission to develop land, if the reason or one of the reasons stated for the refusal is that the land is unsuitable for the proposed development on account of its liability to flooding or to subsidence.

(6) For the purposes of this section, a planning decision whereby permission to develop land is granted subject to a condition prohibiting development on a specified part of that land shall

be treated as a decision refusing the permission with respect to that part of the land. PART VII

148.—(1) Compensation under this Part of this Act shall not be payable in respect of a planning decision whereby permission is refused for the development of land if, notwithstanding that refusal, there is available with respect to that land planning permission for development to which this section applies : No compensation if certain other development permitted.

Provided that, where such permission is available with respect to part only of the land, this section shall have effect only in so far as the interest subsists in that part.

(2) Where a claim for compensation under this Part of this Act is made in respect of an interest in any land, planning permission for development to which this section applies shall be taken for the purposes of this section to be available with respect to that land or a part thereof if, immediately before the Secretary of State gives notice of his findings in respect of that claim, there is in force with respect to that land, or that part thereof, a grant of, or an undertaking by the Secretary of State to grant, planning permission for some such development, subject to no conditions other than such as are mentioned in section 147(2) of this Act.

(3) This section applies to any development of a residential, commercial or industrial character, being development which consists wholly or mainly of the construction of houses, flats, shop or office premises, or industrial buildings (including warehouses), or any combination thereof.

149.—(1) Where an interest in any land has (whether before or after the commencement of this Act) been compulsorily acquired by, or sold to, an authority possessing compulsory purchase powers (not being statutory undertakers or the National Coal Board), that authority, and any person deriving title from that authority under a disposition made by that authority on or at any time after the appointed day, shall not be entitled to compensation under this Part of this Act in respect of a planning decision made after the service of the notice to treat, or after the making of the contract of sale, as the case may be, by reason that the value of that interest, or of any interest created (whether immediately or derivatively) out of that interest, is depreciated by the decision. Further exclusions from compensation.

(2) Subsection (1) of this section shall apply to land which has at any time on or after the appointed day (whether before or after the commencement of this Act) been appropriated by a local authority for a purpose for which the authority could have been authorised to acquire the land compulsorily, as it applies to land in which an interest has been acquired as mentioned in

PART VII that subsection, with the substitution, for the reference to the service of the notice to treat, of a reference to the appropriation.

(3) Where at the relevant date any land was or is operational land of statutory undertakers, or land of the National Coal Board of a class specified in regulations made under section 90 of the Act of 1947 or under section 273 of this Act, the statutory undertakers or the National Coal Board, as the case may be, and any person deriving title from those undertakers or that Board, shall not be entitled to compensation under this Part of this Act, in respect of a planning decision made after the relevant date, by reason that the value of any interest in that land is depreciated by that decision.

In this subsection "the relevant date", in relation to land which was such operational land or land of the National Coal Board as is mentioned in this subsection on 1st January 1955, means that day, and, in relation to land which (whether before or after the commencement of this Act) became or becomes such operational land or land of the National Coal Board on a date subsequent to the said 1st January, means that subsequent date.

(4) A person shall not be entitled to compensation under this Part of this Act in respect of depreciation of the value of an interest in land by a planning decision if he is entitled to compensation by virtue of section 165 of this Act in respect of depreciation of the value of that interest by that decision.

Grant of planning permission treated as subject to notional condition.

150.—(1) The provisions of this section shall have effect where—

- (a) on an application for planning permission for the carrying out of new development of land, a planning decision is made whereby the permission is granted, whether unconditionally or subject to conditions; and
- (b) the Secretary of State certifies that he is satisfied that particular buildings or works to which the application related were only included therein because the applicant had reason to believe that permission for the other development to which the application related (in this section referred to as "the principal development") would not have been granted except subject to a condition requiring the erection or construction of those buildings or works.

(2) Where subsection (1) of this section applies, then for the purposes of this Part of this Act—

- (a) the application shall be deemed to have included, in place of those buildings or works, such other development of the land on which the buildings or works were to be erected or constructed as might reasonably have

been expected to have been included having regard to the principal development ; and

PART VII

- (b) the permission shall be deemed to have been granted for the principal development subject to a condition requiring the erection or construction of those buildings or works.

151. Where a notice under section 72(1) of this Act is served in respect of the whole or part of any land, the provisions of this Part of this Act shall have effect as if the application, in consequence of which the notice is served, had been an effective application for planning permission, and as if the notice had been a planning decision of the local planning authority refusing that permission in respect of that land or that part thereof, as the case may be.

Notice under s. 72 treated as planning decision.

Measure of compensation

152.—(1) Where a person is entitled to compensation under this Part of this Act in respect of depreciation by a planning decision of the value of an interest in land, the amount of the compensation, subject to the following provisions of this section, shall be whichever is the lesser of the following amounts, that is to say—

General provisions as to amount of compensation.

- (a) the amount by which the value of that interest (if it is an interest subsisting only in land to which this section applies), or (if it is an interest extending to other land) the amount by which the value of the interest in so far as it subsists in land to which this section applies, is depreciated by the decision ; and
- (b) the amount of the unexpended balance of established development value, immediately before the decision, of so much of the land in which the interest subsists as is land to which this section applies.

(2) Land to which this section applies, in relation to a planning decision, is land which—

- (a) constitutes or forms part of the decision area ; and
- (b) at the time of the decision has an unexpended balance of established development value.

(3) If, in the case of any land to which this section applies, compensation is payable under this Part of this Act in respect of two or more interests in that land by reason of the same planning decision, and the aggregate amount of compensation payable apart from this subsection in respect of those interests would exceed the amount mentioned in paragraph (b) of subsection (1) of this section, the amount mentioned in that paragraph shall be allocated between those interests in proportion

PART VII

to the depreciation of the value of each of them respectively, and the amount of the compensation payable in respect of any of those interests shall be the sum so allocated to that interest.

(4) Where the land constituting the decision area, taken as a whole, does not satisfy both of the following conditions, that is to say—

- (a) that at the time of the decision it has an unexpended balance of established development value; and
- (b) that every interest subsisting therein, the value of which is depreciated by the decision, subsists in the whole of that land,

the provisions of subsection (5) of this section shall have effect for the purpose of assessing the compensation payable under this Part of this Act in respect of any interest subsisting in that land or any part thereof.

(5) Where this subsection applies in relation to an interest in land—

- (a) the depreciation of the value of the interest by the planning decision shall first be ascertained with reference to the whole of the land which constitutes or forms part of the decision area and is land in which that interest subsists;
- (b) the land referred to in paragraph (a) of this subsection shall then be treated as divided into as many parts as may be requisite to ensure that each such part consists of land which either satisfies both of the conditions mentioned in subsection (4) of this section or is not land which, at the time of the decision, has an unexpended balance of established development value; and
- (c) the depreciation of the value of the interest, ascertained in accordance with paragraph (a) of this subsection, shall then be apportioned between those parts, according to the nature of those parts and the effect of the planning decision in relation to each of them,

and the amount of the compensation shall be the aggregate of the amounts which would be payable by virtue of the preceding provisions of this section if the planning decision had been made separately with respect to each of those parts.

(6) In this section “the decision area” in relation to a planning decision means the aggregate of the land to which the decision relates.

Assessment
of depreciation.

153.—(1) For the purposes of this Part of this Act, the value of an interest in land, or of an interest in so far as it subsists in particular land, shall be taken to be depreciated by a planning decision (in this section referred to as “the relevant decision”)

if, and to the extent to which, that value, calculated in accordance with the following provisions of this section, falls short of what that value, so calculated, would have been if the relevant decision had been a decision to the contrary effect.

(2) Subject to the following provisions of this section, any such value shall for the purposes of this section be calculated—

- (a) as at the time of the relevant decision ; but
- (b) as affected by that decision, by any grant of planning permission made after that decision and in force immediately before the Secretary of State gives notice of his findings on the claim for compensation in respect of that decision, and by any undertaking to grant planning permission so in force ; and
- (c) on the assumption that, after the relevant decision, and apart from any such permission or undertaking as is mentioned in paragraph (b) of this subsection, planning permission would not be granted for any new development of the land in question, but would be granted for any development thereof other than new development.

(3) If in consequence of another planning decision or of an order, being a decision or order made—

- (a) before the relevant decision ; and
- (b) either in respect of the whole or part of the land to which the relevant decision relates, or in respect of land which includes the whole or part of that land,

compensation to which this subsection applies has become or becomes payable in respect of that other planning decision or that order, the calculation to be made under this section shall be made as if that other planning decision had been a decision to the contrary effect, or that order had not been made, as the case may be.

(4) Subsection (3) of this section applies—

- (a) to any compensation payable under this Part of this Act, or under Part II or Part V of the Act of 1954 or Part VI of the Act of 1962 ; and
- (b) to so much of any compensation payable under section 164 of this Act or section 118 of the Act of 1962, or under the provisions of those sections as applied by section 165 of this Act or section 119 of the Act of 1962 respectively, and so much of any compensation to which Part IV of the Act of 1954 applied, as is or was payable in respect of loss or damage consisting of depreciation of the value of an interest in land.

PART VII

(5) In this section "a decision to the contrary effect"—

- (a) in relation to a decision refusing permission, means a decision granting the permission subject to such condition (if any) of a description falling within subsection (2) of section 147 of this Act as the authority making the decision might reasonably have been expected to impose if the permission had not been refused; and
- (b) in relation to a decision granting the permission subject to conditions, means a decision granting the permission applied for subject only to such of those conditions (if any) as fell within subsection (2) of that section.

Claims for, and payment of, compensation

General provisions as to claims for compensation.

154.—(1) Compensation under this Part of this Act shall not be payable unless a claim for it is duly made in accordance with the provisions of this section.

(2) A claim for compensation under this Part of this Act shall not have effect unless it is made before the end of the period of six months beginning with the date of the planning decision to which it relates:

Provided that the Secretary of State may in any particular case (either before, on or after the date on which the time for claiming would otherwise have expired) allow an extended, or further extended, period for making such a claim.

(3) Regulations made under this section may—

- (a) require claims for compensation under this Part of this Act to be made in a form prescribed by the regulations;
- (b) require a claimant to provide such evidence in support of the claim, and such information as to the interest of the claimant in the land to which the claim relates, and as to the interests of other persons therein which are known to the claimant, as may be so prescribed.

(4) Any claim for such compensation in respect of a planning decision shall be sent to the local planning authority; and it shall be the duty of that authority, as soon as may be after receipt of a claim, to transmit the claim to the Secretary of State, and to furnish the Secretary of State with—

- (a) any evidence or other information provided by the claimant in accordance with regulations made under this section; and
- (b) such other information (if any) as may be required by or under regulations made under this section, being information appearing to the Secretary of State to be

relevant to the exercise of his powers under the provisions of Part III of this Act relating to the review of planning decisions where compensation is claimed.

(5) Where a claim is transmitted to the Secretary of State under subsection (4) of this section—

- (a) if it appears to the Secretary of State that the development to which the planning decision related was not new development, or that at the time of the planning decision no part of the land to which the claim relates had an unexpended balance of established development value, or that compensation is excluded by section 147 or 148 of this Act, the Secretary of State shall notify the claimant accordingly, stating on which of those grounds it appears to him that compensation is not payable, and inviting the claimant to withdraw the claim ;
- (b) unless the claim is withdrawn, the Secretary of State shall give notice of the claim to every other person (if any) appearing to him to have an interest in the land to which the planning decision related.

155.—(1) Where, in accordance with section 39(3) of this Act, the Secretary of State gives notice of a direction under section 38 of this Act to a person who has made a claim for compensation in respect of the planning decision to which that direction relates, that person, if he does not withdraw the claim, may, at any time within thirty days after the service on him of the Secretary of State's notice, give notice to the Secretary of State modifying the claim. Effect on claims of direction under s. 38.

(2) Subject to any modification by virtue of a notice given by a claimant under subsection (1) of this section, where the Secretary of State gives a direction under section 38 of this Act in respect of a decision of a local planning authority, any claim made in respect of that decision shall have effect as if it had been made in respect of the decision which, by virtue of the direction, is substituted for the decision of the authority, or, as the case may be, as if it had been made in respect of the decision of the authority as modified by the direction.

156.—(1) Provision shall be made by regulations under this section— Determination of claims.

- (a) for requiring claims for compensation under this Part of this Act to be determined by the Secretary of State in such manner as may be prescribed by the regulations ;
- (b) for regulating the practice and procedure to be followed in connection with the determination of such claims ;

PART VII

(c) for requiring the Secretary of State, on determining any such claim, to give notice of his findings to the claimant, and to every other person (if any) who has made a claim for compensation under this Part of this Act in respect of the same planning decision, and, if his findings include an apportionment, to give particulars of the apportionment to any other person entitled to an interest in land appearing to the Secretary of State to be an interest substantially affected by the apportionment.

(2) Subject to subsection (3) of this section, provision shall be made by regulations under this section—

(a) for enabling the claimant or any other person to whom notice of the Secretary of State's findings has been given in accordance with subsection (1) of this section, if he wishes to dispute the findings, and any other person to whom particulars of an apportionment included in those findings have been so given, or who establishes that he is entitled to an interest in land which is substantially affected by such an apportionment, if he wishes to dispute the apportionment, to require the findings, or, as the case may be, the apportionment, to be referred to the Lands Tribunal ;

(b) for enabling the claimant and every other person to whom notice of any findings or apportionment has been given as mentioned in paragraph (a) of this subsection to be heard by the Tribunal on any reference under this section of those findings or of that apportionment, as the case may be ; and

(c) for requiring the Tribunal, on any such reference, either to confirm or to vary the Secretary of State's findings or the apportionment, as the case may be, and to notify the parties of the decision of the Tribunal.

(3) Where on a reference to the Lands Tribunal under this section it is shown that an apportionment relates wholly or partly to the same matters as a previous apportionment, and is consistent with that previous apportionment in so far as it relates to those matters, the Tribunal shall not vary the apportionment in such a way as to be inconsistent with the previous apportionment in so far as it relates to those matters.

Payment of
compensation.

157. Where compensation is determined under section 156 of this Act to be payable, the Secretary of State shall pay the compensation to the person entitled thereto in accordance with the preceding provisions of this Part of this Act.

Subsequent recovery of compensation

PART VII

158.—(1) Where, on a claim for compensation under this Part of this Act in respect of a planning decision, the Secretary of State determines that compensation is payable and that the amount of the compensation exceeds £20, the Secretary of State shall (if it appears to him to be practicable to do so) apportion the amount of the compensation between different parts of the land to which the claim for compensation relates, and shall include particulars of the apportionment in the notice of his findings under section 156 of this Act. Apportionment and registration of compensation.

(2) In carrying out an apportionment under subsection (1) of this section the Secretary of State shall divide the land into parts, and shall distribute the compensation between those parts, according to the way in which the different parts of the land appear to him to be differently affected by the planning decision.

(3) On a reference to the Lands Tribunal under section 156 of this Act, unless the decision of the Tribunal will not affect the amount of the compensation or any apportionment thereof by the Secretary of State, the preceding provisions of this section shall apply with the substitution, for references to the Secretary of State, of references to the Lands Tribunal.

(4) Where, on a claim for compensation under this Part of this Act in respect of a planning decision, compensation has become payable of an amount exceeding £20, the Secretary of State shall cause notice of that fact, specifying the planning decision and the land to which the claim for compensation relates, and the amount of the compensation and any apportionment thereof under this section, to be deposited with the council of the county borough, London borough or county district in which the land is situated, and, if that council is not the local planning authority, with the local planning authority.

(5) Notices deposited under this section shall be registered in the register of local land charges in such manner as may be prescribed by rules made for the purposes of this section under section 15(6) of the Land Charges Act 1925 by the proper officer of the council of the county borough, London borough or county district. 1925 c. 22.

(6) In relation to compensation specified in a notice registered under this section, references in this Part of this Act to so much of the compensation as is attributable to a part of the land to which the notice relates shall be construed in accordance with the following provisions, that is to say—

- (a) if the notice does not include an apportionment under the preceding provisions of this section, the amount of the compensation shall be treated as distributed

PART VII

rateably according to area over the land to which the notice relates ;

- (b) if the notice includes such an apportionment, the compensation shall be treated as distributed in accordance with that apportionment as between the different parts of the land by reference to which the apportionment is made ; and so much of the compensation as, in accordance with the apportionment, is attributed to a part of the land shall be treated as distributed rateably according to area over that part of the land.

Recovery of compensation on subsequent development.

159.—(1) No person shall carry out any new development to which this section applies, on land in respect of which a notice (hereafter in this Part of this Act referred to as a “ compensation notice ”) is registered under section 158 of this Act, until such amount (if any) as is recoverable under this section in respect of the compensation specified in the notice has been paid or secured to the satisfaction of the Secretary of State.

(2) Subject to the following provisions of this section, this section applies to any new development—

- (a) which is development of a residential, commercial or industrial character and consists wholly or mainly of the construction of houses, flats, shop or office premises, or industrial buildings (including warehouses), or any combination thereof ; or
- (b) which consists in the winning and working of minerals ; or
- (c) to which, having regard to the probable value of the development, it is in the opinion of the Secretary of State reasonable that this section should apply.

(3) This section shall not apply to any development by virtue of subsection (2)(c) of this section if, on an application made to him for the purpose, the Secretary of State has certified that, having regard to the probable value of the development, it is not in his opinion reasonable that this section should apply thereto.

(4) Where the compensation specified in the compensation notice became payable in respect of the imposition of conditions on the granting of permission to develop land, this section shall not apply to the development for which that permission was granted.

Amount recoverable, and provisions for payment or remission thereof.

160.—(1) Subject to the following provisions of this section, the amount recoverable under section 159 of this Act in respect of the compensation specified in a compensation notice—

- (a) if the land on which the development is to be carried out (in this subsection referred to as “ the development area ”) is identical with, or includes (with other

PART VII

land) the whole of, the land comprised in the compensation notice, shall be the amount of compensation specified in that notice ;

- (b) if the development area forms part of the land comprised in the compensation notice, or includes part of that land together with other land not comprised in that notice, shall be so much of the amount of the compensation specified in that notice as is attributable to land comprised in that notice and falling within the development area.

(2) Where, in the case of any land in respect of which a compensation notice has been registered, the Secretary of State is satisfied, having regard to the probable value of any proper development of that land, that no such development is likely to be carried out unless he exercises his powers under this subsection, he may, in the case of any particular development, remit the whole or part of any amount otherwise recoverable under section 159 of this Act ; and where part only of any such amount has been remitted, he shall cause the compensation notice to be amended by substituting therein, for the statement of the amount of the compensation, in so far as it is attributable to that land, a statement of the amount which has been remitted under this subsection.

(3) Where, in connection with the development of any land, an amount becomes recoverable under section 159 of this Act in respect of the compensation specified in a compensation notice, then, except where, and to the extent that, payment of that amount has been remitted under subsection (2) of this section, no amount shall be recoverable under section 159 of this Act in respect of that compensation, in so far as it is attributable to that land, in connection with any subsequent development thereof.

(4) No amount shall be recoverable under section 159 of this Act in respect of any compensation by reference to which a sum has become recoverable by the Secretary of State under section 257 of this Act.

(5) An amount recoverable under section 159 of this Act in respect of any compensation shall be payable to the Secretary of State, and—

- (a) shall be so payable either as a single capital payment or as a series of instalments of capital and interest combined, or as a series of other annual or periodical payments, of such amounts, and payable at such times, as the Secretary of State may direct, after taking into account any representations made by the person by whom the development is to be carried out ; and

PART VII

(b) except where the amount is payable as a single capital payment, shall be secured by that person in such manner (whether by mortgage, covenant or otherwise) as the Secretary of State may direct.

(6) If any person initiates any new development to which section 159 of this Act applies in contravention of subsection (1) of that section, the Secretary of State may serve a notice on him specifying the amount appearing to the Secretary of State to be the amount recoverable under that section in respect of the compensation in question, and requiring him to pay that amount to the Secretary of State within such period, not being less than three months after the service of the notice, as may be specified in the notice.

Amount recovered not to be deducted from unexpended balance.

161.—(1) Where an amount has become recoverable under section 159 of this Act in respect of the compensation specified in a compensation notice, the following provisions of this section shall have effect for the purpose of determining any question as to the unexpended balance of established development value of any land at any subsequent time.

(2) Except where, and to the extent that, payment of that amount has been remitted under section 160 of this Act, so much (if any) of that compensation as is attributable to that land shall, for the purpose mentioned in subsection (1) of this section, be treated as not having become payable, and accordingly (notwithstanding anything in section 140 of this Act) shall not be deducted from that balance.

Supplementary provisions

Mortgages, rentcharges and settlements.

162.—(1) Regulations made under this section may make provision as to the exercise of the right to claim compensation under this Part of this Act, and as to the person to whom such compensation or any part thereof is to be paid, and as to the application of any such compensation or any part thereof, in cases where, apart from this section, the right to claim the compensation is exercisable by reference to an interest in land which is subject to a mortgage, or to a rentcharge, or to the trusts of a settlement, or which was so subject at a time specified in the regulations.

(2) In relation to any case where, by virtue of any such regulations, compensation or a part thereof is to be paid to the owner of a rentcharge, the regulations may apply all or any of the provisions of section 25 of the War Damage Act 1943 (rights of owners of rentcharges as to payments for war damage)

1943 c. 21.

subject to such adaptations and modifications as may be prescribed by the regulations, and may provide for disputes arising under the regulations, so far as they relate to rentcharges, to be referred to the Lands Tribunal for determination by that tribunal.

PART VII

163.—(1) In calculating value for any of the purposes of this Part of this Act—

Calculation of value.

(a) rules (2) to (4) of the rules set out in section 5 of the Land Compensation Act 1961 shall apply with the necessary modifications ; and

1961 c. 33.

(b) if the interest to be valued is subject to a mortgage, it shall be treated as if it were not subject to the mortgage:

Provided that rule (3) of those rules shall not apply for the purposes of Schedule 16 to this Act.

(2) Where, for the purposes of any of the provisions of this Part of this Act, value falls to be calculated by reference to the duration of a tenancy, and, by reason of any option or other contractual right with respect to the determination, renewal or continuance of the tenancy, the date of expiry of the tenancy is not ascertainable with certainty, that date shall be taken to be such as appears reasonable and probable having regard to the interests of the party by whom the option is exercisable, or in whose favour the right operates, and to any other material considerations subsisting at the time when the calculation of value falls to be made.

PART VIII

COMPENSATION FOR OTHER PLANNING RESTRICTIONS

Revocation or modification of planning permission

164.—(1) Where planning permission is revoked or modified by an order under section 45 of this Act, (other than an order which takes effect by virtue of section 46 of this Act and without being confirmed by the Secretary of State), then if, on a claim made to the local planning authority within the time and in the manner prescribed by regulations under this Act, it is shown that a person interested in the land—

Compensation where planning permission revoked or modified.

(a) has incurred expenditure in carrying out work which is rendered abortive by the revocation or modification ;
or

(b) has otherwise sustained loss or damage which is directly attributable to the revocation or modification,

PART VIII the local planning authority shall pay to that person compensation in respect of that expenditure, loss or damage.

(2) For the purposes of this section, any expenditure incurred in the preparation of plans for the purposes of any work, or upon other similar matters preparatory thereto, shall be taken to be included in the expenditure incurred in carrying out that work.

(3) Subject to subsection (2) of this section, no compensation shall be paid under this section in respect of any work carried out before the grant of the permission which is revoked or modified, or in respect of any other loss or damage (not being loss or damage consisting of depreciation of the value of an interest in land) arising out of anything done or omitted to be done before the grant of that permission.

(4) In calculating, for the purposes of this section, the amount of any loss or damage consisting of depreciation of the value of an interest in land, it shall be assumed that planning permission would be granted for development of the land of any class specified in Schedule 8 to this Act.

(5) In this Part of this Act any reference to an order under section 45 of this Act includes a reference to an order under the provisions of that section as applied by section 51(2) of this Act.

Application
of s. 164 to
special cases
of refusal
or conditional
grant of
planning
permission.

165.—(1) The provisions of this section shall have effect where—

- (a) planning permission for the development of land has been granted by a development order; and
- (b) that permission is withdrawn, whether by the revocation or amendment of the order or by the issue of directions under powers in that behalf conferred by the order; and
- (c) on an application made in that behalf under Part III of this Act, planning permission for that development is refused, or is granted subject to conditions other than those previously imposed by the development order.

(2) In any case falling within subsection (1) of this section, the provisions of section 164 of this Act shall apply as if the planning permission granted by the development order—

- (a) had been granted by the local planning authority under Part III of this Act; and
- (b) had been revoked or modified by an order under section 45 of this Act,

and the provisions of section 166 (except subsection (5)(b) thereof) and of sections 167 and 168 of this Act shall apply as if references therein to an order under section 45 of this

Act were references to the planning decision whereby the planning permission in question is refused, or is granted subject to conditions other than those previously imposed by the development order.

PART VIII

(3) This section shall not apply in relation to planning permission for the development of operational land of statutory undertakers.

(4) No compensation shall be payable under this section in respect of the imposition of any condition to which section 71 or 82 of this Act applies.

166.—(1) Where compensation becomes payable under the preceding provisions of this Part of this Act, and includes compensation for depreciation of an amount exceeding £20, the local planning authority shall (if it appears to them to be practicable to do so) apportion the amount of the compensation for depreciation between different parts of the land to which the claim for that compensation relates, and give particulars of any such apportionment to the claimant and to every other person (if any) entitled to an interest in land which appears to the authority to be substantially affected by the apportionment.

Registration and apportionment of compensation for depreciation.

(2) In carrying out an apportionment under subsection (1) of this section, the local planning authority shall divide the land into parts, and shall distribute the compensation for depreciation between those parts, according to the way in which different parts of the land appear to the authority to be differently affected by the order in consequence of which the compensation is payable.

(3) Section 156(2) of this Act, and any regulations made by virtue thereof, shall have effect with respect to any such apportionment (subject to any necessary modifications) as they have effect with respect to an apportionment under section 158(1) of this Act.

(4) On a reference to the Lands Tribunal by virtue of subsection (3) of this section, subsections (1) and (2) of this section, so far as they relate to the making of an apportionment, shall apply with the substitution, for references to the local planning authority, of references to the Lands Tribunal.

(5) Where compensation becomes payable under the preceding provisions of this Part of this Act, and includes compensation for depreciation exceeding £20, the local planning authority shall give notice thereof to the Secretary of State, specifying the amount of the compensation for depreciation and any apportionment thereof under this section; and subsections (4) to (6) of section 158 of this Act shall have effect with respect thereto as they have effect with respect to compensation under Part VII of

PART VIII this Act, subject, however, to any necessary modifications, and, in particular, with the substitution—

- (a) for references to the compensation mentioned in that section, of references to the compensation for depreciation specified in the notice; and
- (b) for references to the planning decision, of references to the order under section 45 of this Act in consequence of which the compensation is payable.

(6) In this section and in section 167 of this Act “compensation for depreciation” means so much of any compensation payable under the preceding provisions of this Part of this Act as is payable in respect of loss or damage consisting of depreciation of the value of an interest in land, and “interest” (where the reference is to an interest in land) means the fee simple or a tenancy of the land and does not include any other interest therein.

Contribution
by Secretary
of State
towards
compensation
in certain
cases.

167.—(1) Where a notice under section 166 of this Act is given to the Secretary of State in consequence of the making of an order under section 45 of this Act, and the circumstances are such that, if the permission revoked or modified by the order had been refused, or, as the case may be, had been granted as so modified, at the time when it was granted, compensation under Part VII of this Act could have been claimed and would have been payable by the Secretary of State, the Secretary of State may, subject to the provisions of this section, pay to the local planning authority a contribution of the amount appearing to him to be the amount of compensation which would have been so payable by him under Part VII of this Act.

(2) The amount of any such contribution shall not exceed—

- (a) the amount of the compensation for depreciation paid by the local planning authority; or
- (b) the unexpended balance of established development value, at the date of the making of the order, of the land in respect of which that compensation was paid.

(3) Regulations made under this section shall make provision, in relation to cases where the Secretary of State proposes to pay a contribution under this section—

- (a) for requiring the Secretary of State to give notice of his proposal to persons entitled to such interests as may be prescribed in the land to which the proposal relates, and to such other persons (if any) as may be determined in accordance with the regulations to be affected by the proposal;

- (b) for enabling persons to whom notice of the proposal is given to object to the proposal, on the grounds that compensation would not have been payable as mentioned in subsection (1) of this section, or that the amount of the compensation so payable would have been less than the amount of the proposed contribution ;
- (c) for enabling any person making such an objection to require the matter in dispute to be referred to the Lands Tribunal for determination ; and
- (d) where a contribution under this section is paid, for applying (with any necessary modifications) the provisions of Part VII of this Act as to the reduction or extinguishment of the unexpended balance of established development value of land, as if the contribution had been a payment of compensation under that Part of this Act.

PART VIII

168.—(1) In relation to notices registered under the provisions of section 158 of this Act, as applied by the preceding provisions of this Part of this Act, sections 159 and 160 of this Act shall have effect as they have effect in relation to compensation notices registered as therein mentioned :

Recovery, on subsequent development, of compensation under s. 164.

Provided that, in a case where the compensation under section 164 of this Act specified in such a notice became payable in respect of an order modifying planning permission, the said sections shall not apply to development in accordance with that permission as modified by the order.

(2) Subject to subsection (3) of this section, any sum recovered by the Secretary of State under section 159 of this Act, as applied by subsection (1) of this section, shall be paid to the local planning authority who paid the compensation to which that sum relates.

(3) In paying any such sum to the local planning authority, the Secretary of State shall deduct therefrom—

- (a) the amount of any contribution paid by him under section 167 of this Act in respect of the compensation to which the sum relates ;
- (b) the amount of any grant paid by him under Part XIII of this Act in respect of that compensation :

Provided that, if the sum recovered by the Secretary of State is an instalment of the total sum recoverable, or is recovered by reference to development of part of the land in respect of which the compensation was payable, any deduction to be made under paragraph (a) or paragraph (b) of this subsection shall be a

PART VIII deduction of such amount as the Secretary of State may determine to be the proper proportion of the amount referred to in that paragraph.

(4) For the purposes of sections 159 and 160 of this Act, in their application by virtue of this section to compensation calculated under section 164 of this Act, the expression "new development" shall include—

- (a) any development of a class specified in paragraph 1 or 3 of Schedule 8 to this Act which is carried out otherwise than subject to the condition set out in Schedule 18 to this Act; and
- (b) any development excluded by subsection (2) of section 278 of this Act from that Schedule in its application to any determination to which subsection (1) of the said section 278 applies.

Other restrictions

Compensation for planning decisions restricting development other than new development.

169.—(1) The provisions of this section shall have effect where, on an application for planning permission to carry out development of any class specified in Part II of Schedule 8 to this Act, the Secretary of State, either on appeal or on the reference of the application to him for determination, refuses the permission or grants it subject to conditions.

(2) If, on a claim made to the local planning authority within the time and in the manner prescribed by regulations under this Act, it is shown that the value of the interest of any person in the land is less than it would have been if the permission had been granted, or had been granted unconditionally, as the case may be, the local planning authority shall pay to that person compensation of an amount equal to the difference.

(3) In determining, for the purposes of subsection (2) of this section, whether or to what extent the value of an interest in land is less than it would have been if the permission had been granted, or had been granted unconditionally—

- (a) it shall be assumed that any subsequent application for the like planning permission would be determined in the same way; but
- (b) if, in the case of a refusal of planning permission, the Secretary of State, on refusing that permission, undertook to grant planning permission for some other development of the land in the event of an application being made in that behalf, regard shall be had to that undertaking; and
- (c) no account shall be taken of any prospective use which would contravene the condition set out in Schedule 18 to this Act.

(4) Where, on such an application as is mentioned in subsection (1) of this section, planning permission is granted by the Secretary of State subject to conditions for regulating the design or external appearance of buildings, or the size or height of buildings, the Secretary of State, if it appears to him to be reasonable to do so having regard to the local circumstances, may direct that those conditions shall be disregarded, either altogether or to such extent as may be specified in the direction, in assessing the compensation (if any) payable under this section.

(5) Where, in the case of an application for planning permission to carry out any such development as is mentioned in subsection (1) of this section, a notice under section 72(1) of this Act is served in respect of the whole or part of the land to which the application relates, the preceding provisions of this section shall have effect as if the application had been an effective application for planning permission, and as if that permission had been refused, as mentioned in subsection (1) of this section, in respect of that land or that part thereof, as the case may be.

(6) For the purposes of subsection (1) of this section—

(a) paragraph 3 of Schedule 8 to this Act shall be construed as not extending to works involving any increase in the cubic content of a building erected after the appointed day (including any building resulting from the carrying out of such works as are described in paragraph 1 of that Schedule) ; and

(b) paragraph 7 of that Schedule shall not apply to any such building.

(7) For the purposes of this section the conditions referred to in sections 41 and 42 of this Act shall be disregarded and no compensation shall be payable under this section in respect of the imposition of any condition to which section 71 or 82 of this Act applies.

(8) No compensation shall be payable under this section in respect of an interest in land in respect of which a purchase notice is served.

170.—(1) The provisions of this section shall have effect where an order is made under section 51 of this Act, requiring a use of land to be discontinued, or imposing conditions on the continuance thereof, or requiring any buildings or works on land to be altered or removed. Compensation in respect of orders under s. 51.

(2) If, on a claim made to the local planning authority within the time and in the manner prescribed by regulations under this Act, it is shown that any person has suffered damage in consequence of the order by depreciation of the value of an interest

PART VIII

in the land to which he is entitled, or by being disturbed in his enjoyment of the land, that authority shall pay to that person compensation in respect of that damage.

(3) Without prejudice to subsection (2) of this section, any person who carries out any works in compliance with the order shall be entitled, on a claim made as mentioned in that subsection, to recover from the local planning authority compensation in respect of any expenses reasonably incurred by him in that behalf.

(4) Any compensation payable to a person under this section by virtue of such an order as is mentioned in subsection (1) of this section shall be reduced by the value to him of any timber, apparatus or other materials removed for the purpose of complying with the order.

Compensation for refusal of consent to alteration, etc. of listed building.

171.—(1) The provisions of this section shall have effect where an application is made for listed building consent for the alteration or extension of a listed building and—

- (a) either the works do not constitute development or they do so but the development is such that planning permission therefor is granted by a development order ; and
- (b) the Secretary of State, either on appeal or on the reference of the application to him, refuses such consent or grants it subject to conditions.

(2) If, on a claim made to the local planning authority within the time and in the manner prescribed by regulations under this Act, it is shown that the value of the interest of any person in the land is less than it would have been if listed building consent had been granted, or had been granted unconditionally, as the case may be, the local planning authority shall pay to that person compensation of an amount equal to the difference.

(3) In determining, for the purposes of subsection (2) of this section, whether or to what extent the value of an interest in land is less than it would have been if the permission had been granted, or had been granted unconditionally—

- (a) it shall be assumed that any subsequent application for the like consent would be determined in the same way ; but
- (b) if, in the case of a refusal of listed building consent, the Secretary of State, on refusing that consent, undertook to grant such consent for some other works to the building in the event of an application being made in that behalf, regard shall be had to that undertaking.

(4) No compensation shall be payable under this section in respect of an interest in land in respect of which a purchase notice is served, whether under section 180, 188 or 190 of this Act, being a purchase notice which takes effect.

PART VIII

172.—(1) Where listed building consent is revoked or modified by an order under paragraph 10 of Schedule 11 to this Act (other than an order which takes effect by virtue of paragraph 12 of that Schedule and without being confirmed by the Secretary of State), then if on a claim made to the local planning authority within the time and in the manner prescribed by regulations under this Act, it is shown that a person interested in the building—

(2) For the purposes of this section, any expenditure incurred in the preparation of plans for the purposes of any works, or upon other similar matters preparatory thereto, shall be taken to be included in the expenditure incurred in carrying out those works.

(3) Subject to subsection (2) of this section, no compensation shall be paid under this section in respect of any works carried out before the grant of the listed building consent which is revoked or modified, or in respect of any other loss or damage (not being loss or damage consisting of depreciation of the value of an interest in land) arising out of anything done or omitted to be done before the grant of that consent.

173.—(1) The provisions of this section shall have effect as respects compensation where a building preservation notice is served.

Compensation for loss or damage caused by service of building preservation notice.

(2) The local planning authority shall not be under any obligation to pay compensation under section 171 of this Act, in respect of any refusal of listed building consent or its grant subject to conditions, unless and until the building is included in a list compiled or approved by the Secretary of State under section 54 of this Act ; but this subsection shall not prevent a claim for such compensation being made before the building is so included.

(3) If the building preservation notice ceases to have effect without the building having been included in a list so compiled

PART VIII

or approved, then, subject to a claim in that behalf being made to the local planning authority within the time and in the manner prescribed by regulations under this Act, any person who at the time when the notice was served had an interest in the building shall be entitled to be paid compensation by the authority in respect of any loss or damage directly attributable to the effect of the notice.

(4) The loss or damage in respect of which compensation is payable under subsection (3) of this section shall include a sum payable in respect of a breach of contract caused by the necessity of discontinuing or countermanding any works to the building on account of the building preservation notice being in force with respect thereto.

1967 c. 10.

(2) If the Forestry Commissioners decide not to make any advance under section 4 of the Forestry Act 1967 in respect of the replanting and come to that decision on the ground that the direction frustrates the use of the woodland area for the growing of timber or other forest products for commercial purposes and in accordance with the rules or practice of good forestry, the local planning authority exercising functions under the tree preservation order shall be liable, on the making of a claim in accordance with this section, to pay compensation in respect of such loss or damage, if any, as is caused or incurred in consequence of compliance with the direction.

(3) The Forestry Commissioners shall, at the request of the person under a duty to comply with the direction, give a certificate stating whether they have decided not to make any such advance and, if so, the grounds of their decision.

(4) A claim for compensation under this section must be served on the local planning authority within twelve months from the date on which the direction was given, or where an

appeal has been made to the Secretary of State against the decision of the local planning authority, from the date of the decision of the Secretary of State on the appeal, but subject in either case to such extension of that period as the local planning authority may allow.

177.—(1) Where a stop notice under section 90 of this Act ceases to have effect, a person who, at the time when it was first served, had an interest in the land to which it relates shall, in any of the circumstances mentioned in subsection (2) of this section, be entitled to be compensated by the local planning authority in respect of any loss or damage directly attributable to the prohibition contained in the notice. - (b) the allegation in the enforcement notice on which the prohibition in the stop notice is dependent is not upheld by reason that the enforcement notice is varied on one of those grounds ;

- (d) the stop notice is withdrawn.

(3) A prohibition in a stop notice shall be treated for the purposes of subsection (2) of this section as dependent on an

PART VIII allegation in an enforcement notice if and to the extent that the operations to which the prohibition in the stop notice relates are the same as those alleged in the enforcement notice to constitute a breach of planning control or are so closely associated therewith as to constitute substantially the same operations.

(4) A claim for compensation under this section shall be made to the local planning authority within the time and in the manner prescribed by regulations under this Act.

(2) Where, for the purpose of determining whether the conditions specified in subsection (1) (a) to (c) of this section are fulfilled in relation to any land, any question arises as to what is or would in any particular circumstances be a reasonably beneficial use of that land, then, in determining that question for that purpose, no account shall be taken of any prospective use of that land which would involve the carrying out of new development or which would contravene the condition set out in Schedule 18 to this Act.

PART IX

(3) In the application of Schedule 8 to this Act for the purposes of any determination under subsection (2) of this section—

(a) paragraph 3 of that Schedule shall be construed as not extending to works involving any increase in the cubic content of a building erected after the appointed day (including any building resulting from the carrying out of such works as are described in paragraph 1 of that Schedule); and

(b) paragraph 7 of that Schedule shall not apply to any such building.

(4) For the purposes of this section the conditions referred to in sections 41 and 42 of this Act shall be disregarded, and no account shall be taken of any condition to which section 71 or 82 of this Act applies.

(5) A person on whom there has been served a repairs notice under section 115 of this Act shall not in any case be entitled to serve a purchase notice under this section in respect of the building in question until the expiration of three months beginning with the date of the service of the repairs notice; and if during that period the council or the Secretary of State start the compulsory acquisition of the building in the exercise of their powers under section 114 of this Act, that person shall not be so entitled unless and until the compulsory acquisition is discontinued.

(6) For the purposes of subsection (5) of this section a compulsory acquisition—

(a) is started when the council or the Secretary of State, as the case may be, serve the notice required by paragraph 3(1)(b) of Schedule 1 to the Acquisition of Land (Authorisation Procedure) Act 1946; and

(b) is discontinued, in the case of acquisition by a council, when they withdraw the compulsory purchase order or the Secretary of State decides not to confirm it and, in the case of acquisition by the Secretary of State, when he decides not to make the compulsory purchase order.

(7) A notice under this section, or under any other provision of this Part of this Act to which this subsection is applied, is in this Act referred to as a “purchase notice”.

181.—(1) The council on whom a purchase notice is served under section 180 of this Act shall, before the end of the period of three months beginning with the date of service of that notice, serve on the owner by whom the purchase notice was served a notice stating either—

(2) Where the council on whom a purchase notice is served by an owner have served on him a notice in accordance with subsection (1)(a) or (b) of this section, the council, or the other local authority or statutory undertakers specified in the notice, as the case may be, shall be deemed to be authorised to acquire the interest of the owner compulsorily in accordance with the relevant provisions, and to have served a notice to treat in respect thereof on the date of service of the notice under that subsection.

(3) Where the council on whom a purchase notice is served by an owner propose to serve on him a notice in accordance with subsection (1)(c) of this section, they shall transmit a copy of the purchase notice to the Secretary of State, together with a statement of their reasons.

(4) In this section “the relevant provisions” means the provisions of Part VI of this Act or, in the case of statutory undertakers, any statutory provision (however expressed) under which they have power, or may be authorised, to purchase land compulsorily for the purposes of their undertaking.

182.—(1) Where a copy of a purchase notice is transmitted to the Secretary of State under section 181(3) of this Act, the Secretary of State shall consider whether to confirm the notice or to take other action under section 183 of this Act in respect thereof.

(3) If, within such period as may be specified in a notice under subsection (2) of this section, being a period of not less than twenty-eight days from the service of that notice, any of the persons, authorities or statutory undertakers on whom that notice is served so requires, the Secretary of State, before confirming the purchase notice or taking any other action under section 183 of this Act in respect thereof, shall afford to those persons, authorities and undertakers an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(4) Where the Secretary of State has given notice under subsection (2) of this section of his proposed action, and any of the persons, authorities and statutory undertakers concerned have appeared before and been heard by a person appointed by the Secretary of State for the purpose, and it then appears to the Secretary of State to be expedient to take action under section 183 of this Act otherwise than in accordance with the notice given by him, the Secretary of State may take that action accordingly.

**Action by
Secretary of
State in
relation to
purchase
notice.**

183.—(1) Subject to the following provisions of this section and to section 184 of this Act, if the Secretary of State is satisfied that the conditions specified in section 180(1)(a) to (c) of this Act are fulfilled in relation to a purchase notice, he shall confirm the notice.

(2) If it appears to the Secretary of State to be expedient to do so, he may, in lieu of confirming the purchase notice, grant planning permission for the development in respect of which the application was made, or, where planning permission for that development was granted subject to conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of that development.

(3) If it appears to the Secretary of State that the land, or any part of the land, could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out of any other development for which planning permission ought to be granted, he may, in lieu of confirming the purchase notice, or in lieu of confirming it so far as it relates to that part of the land, as the case may be, direct that planning permission for that development shall be granted in the event of an application being made in that behalf.

(4) If it appears to the Secretary of State, having regard to the probable ultimate use of the land, that it is expedient to do so, he may, if he confirms the notice, modify it, either in relation to the whole or in relation to any part of the land to which it relates, by substituting another local authority or statutory undertakers for the council on whom the notice was served.

(5) In section 182 of this Act, any reference to the taking of action by the Secretary of State under this section is a reference to the taking by him of any such action as is mentioned in subsections (1) to (4) of this section, or to the taking by him of a decision not to confirm the purchase notice either on the grounds that any of the conditions referred to in subsection (1) of this section are not fulfilled or by virtue of section 184 of this Act.

184.—(1) This section shall have effect where, on an application for planning permission to develop any land which has a restricted use by virtue of a previous planning permission, permission is refused or granted subject to conditions and an owner of the land serves a purchase notice under section 180 of this Act.

(2) For the purposes of this section, land is to be treated as having a restricted use by virtue of a previous planning permission if it is part of a larger area in respect of which planning permission was previously granted (and has not been revoked) and either—

- (a) it remains a condition of the planning permission (however expressed) that that part shall remain undeveloped or be preserved or laid out in a particular way as amenity land in relation to the remainder ; or
- (b) the planning permission was granted on an application which contemplated (expressly or by necessary implication) that the part should not be comprised in the development for which planning permission was sought, or should be preserved or laid out as aforesaid.

(3) If a copy of the purchase notice is transmitted to the Secretary of State under section 181(3) of this Act the Secretary of State, although satisfied that the land has become incapable of reasonably beneficial use in its existing state, shall nevertheless not be required under section 183(1) of this Act to confirm the notice if it appears to him that the land ought, in accordance with the previous planning permission, to remain undeveloped or, as the case may be, remain or be preserved or laid out as amenity land in relation to the remainder of the large area for which that planning permission was granted.

PART IX
Power to
refuse to
confirm
purchase
notice in
respect of
office premises.

185.—(1) This section applies to any purchase notice served on or after 5th November 1964 (whether before or after the passing of this Act) in respect of land within the metropolitan region, or served on or after 5th August 1965 (whether before or after the passing of this Act) in respect of land which, at the date of service of the notice, is within a controlled area as defined in section 81(2) of this Act outside the metropolitan region, where either—

- (a) planning permission for the carrying out on that land, or part of it, of development to which section 74 of this Act applies was granted before 5th August 1965, but by virtue of paragraph 1(4) of Schedule 12 to this Act that planning permission is for the time being deemed not to have effect ; or
- (b) the purpose for which that land, or part of it, is or was used at the date of service of the notice, or was last used before that date, is or was that of a building containing office premises.

(2) In relation to a purchase notice to which this section applies, the provisions of this Act shall have effect as if, after subsection (4) of section 183 of this Act, there were inserted the following subsection—

“ (4A) Where the purchase notice is one to which section 185 of this Act applies, the Secretary of State may, if he thinks fit, determine not to confirm the notice without taking any such action as is mentioned in subsections (2) to (4) of this section ”,

and as if, in subsection (5) of that section, after the words “ by virtue of ” there were inserted the words “ subsection (4A) of this section or ”

(3) Where in pursuance of subsection (4A) of the said section 183 (as modified by subsection (2) of this section) the Secretary of State has determined not to confirm a purchase notice to which this section applies, and on a subsequent date the land to which that notice related ceases to be within an area to which section 74 of this Act applies—

- (a) a further purchase notice may be served on or after that date in respect of the planning decision to which the previous notice related ; and
- (b) for the purposes of any regulations made under this Act as to the time within which a purchase notice may be served, the service of such a further purchase notice shall not be treated as out of time if it is served within the period which would be applicable in accordance with those regulations if the planning decision referred to in the preceding paragraph had been made on that subsequent date.

(4) In determining, for the purposes of subsection (1)(b) of this section, for what purpose any land is used, or was last used, as the case may be, no account shall be taken—

- (a) of any use in accordance with planning permission granted for a limited period ; or
- (b) of any use in respect of which, before the date of service of the purchase notice, an enforcement notice had been served and had become effective ; or
- (c) of any use of land at a time when it is or was not covered by a building.

(5) For the purposes of this section “ office premises ” has the meaning assigned by section 73(4) of this Act and this section shall have effect as if it were included in sections 73 to 86 of this Act.

(6) Notwithstanding subsection (5) of this section, subsection (3) of this section shall not cease to have effect at the end of the period mentioned in section 86 of this Act ; and in relation to any land which, immediately before the end of that period, is land within an area to which section 74 of this Act applies, any reference in that subsection to the date on which the land ceases to be within such an area shall be construed as a reference to the end of that period.

186.—(1) Where the Secretary of State confirms a purchase notice, the council on whom the purchase notice was served (or, if under section 183(4) of this Act the Secretary of State modified the purchase notice by substituting another local authority or statutory undertakers for that council, that other local authority or those statutory undertakers) shall be deemed to be authorised to acquire the interest of the owner compulsorily in accordance with the relevant provisions and to have served a notice to treat in respect thereof on such date as the Secretary of State may direct.

Effect of Secretary of State's action in relation to purchase notice.

(2) If, before the end of the relevant period, the Secretary of State has neither confirmed the purchase notice nor taken any such action in respect thereof as is mentioned in section 183(2) or (3) of this Act, and has not notified the owner by whom the notice was served that he does not propose to confirm the notice, the notice shall be deemed to be confirmed at the end of that period, and the council on whom the notice was served shall be deemed to be authorised to acquire the interest of the owner compulsorily in accordance with the relevant provisions and to have served a notice to treat in respect thereof at the end of that period.

PART IX

(3) For the purposes of subsection (2) of this section the relevant period is whichever of the following periods first expires, that is to say—

- (a) the period of nine months beginning with the date of service of the purchase notice ; and
- (b) the period of six months beginning with the date on which a copy of the purchase notice was transmitted to the Secretary of State.

(4) Where the Secretary of State has notified the owner by whom a purchase notice has been served of a decision on his part to confirm, or not to confirm, the notice (including any decision not to confirm the notice in respect of part of the land to which it relates, and including any decision to grant any permission, or give any direction, in lieu of confirming the notice, either wholly or in part) and that decision of the Secretary of State is quashed under the provisions of Part XII of this Act, the purchase notice shall be treated as cancelled, but the owner may serve a further purchase notice in its place.

(5) For the purposes of any regulations made under this Act as to the time within which a purchase notice may be served, the service of a purchase notice under subsection (4) of this section shall not be treated as out of time if the notice is served within the period which would be applicable in accordance with those regulations if the planning decision, in consequence of which the notice is served, had been made on the date on which the decision of the Secretary of State was quashed as mentioned in subsection (4) of this section.

(6) In this section “the relevant provisions” has the same meaning as in section 181 of this Act.

Special provisions as to compensation where purchase notice served.

187.—(1) Where by virtue of section 164 of this Act compensation is payable in respect of expenditure incurred in carrying out any work on land, then, if a purchase notice is served in respect of an interest in that land, any compensation payable in respect of the acquisition of that interest in pursuance of the purchase notice shall be reduced by an amount equal to the value of the works in respect of which compensation is payable by virtue of that section.

(2) Where a purchase notice served in respect of an interest in land does not take effect, or does not take effect in relation to a part of the land, by reason that the Secretary of State gives a direction under section 183(3) of this Act, then if, on a claim made to the local planning authority within the time and in the manner prescribed by regulations under this Act it is shown that the permitted development value of that interest (or, as the case may be, of that interest so far as it relates to that part of the

land) is less than its existing use value, the local planning authority shall pay to the person entitled to that interest compensation of an amount which (subject to the following provisions of this section) shall be equal to the difference.

(3) If the planning permission which, by the direction referred to in subsection (2) of this section, is required to be granted would be granted subject to conditions for regulating the design or external appearance of buildings, or the size or height of buildings, or for regulating the number of buildings to be erected on the land, the Secretary of State, if it appears to him to be reasonable to do so having regard to the local circumstances, may direct that those conditions shall be disregarded, either altogether or to such extent as may be specified in the direction, in assessing any compensation payable under subsection (2) of this section.

(4) Sections 178 and 179 of this Act shall have effect in relation to compensation under subsection (2) of this section as they have effect in relation to compensation to which those sections apply.

(5) In this section "permitted development value", in relation to an interest in land in respect of which a direction is given under section 183(3) of this Act, means the value of that interest calculated with regard to that direction, but on the assumption that no planning permission would be granted otherwise than in accordance with that direction, and "existing use value", in relation to such an interest, means the value of that interest as (for the purpose of ascertaining the compensation payable on an acquisition thereof in pursuance of the purchase notice) that value would have been assessed in accordance with the provisions of the Acquisition of Land (Assessment of Compensation) Act 1919, as modified by the provisions of sections 51 to 54 of the Act of 1947, if no enactment repealing, modifying or superseding any of those provisions had been passed after the passing of the Act of 1947.

188.—(1) Where by an order under section 45 of this Act a planning permission in respect of any land is revoked, or is modified by the imposition of conditions, then if any owner of the land claims—

Purchase notice in respect of order revoking or modifying planning permission.

- (a) that the land has become incapable of reasonably beneficial use in its existing state; and
- (b) in a case where the planning permission was modified by the imposition of conditions, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of the permitted development in accordance with those conditions; and

PART IX

- (c) in any case, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of any other development for which planning permission has been granted or for which the local planning authority or the Secretary of State has undertaken to grant planning permission,

he may, within the time and in the manner prescribed by regulations under this Act, serve on the council of the county borough, London borough or county district in which the land is situated a notice requiring that council to purchase his interest in the land in accordance with the preceding provisions of this Part of this Act.

(2) Section 180(7) of this Act shall apply to this section; and, subject to subsection (3) of this section, sections 180(2), 181 to 184, 186 and 187 of this Act shall apply to a notice served by virtue of subsection (1) of this section as they apply to a notice served by virtue of section 180(1) of this Act.

(3) In the application of subsection (2) of section 180 of this Act to a purchase notice served by virtue of subsection (1) of this section, that subsection shall apply as if the words "or which would contravene the condition set out in Schedule 18 to this Act" were omitted; and in the application of section 183 of this Act to a purchase notice served as aforesaid, that section shall apply as if the following subsection were substituted for subsection (2) thereof—

"(2) If it appears to the Secretary of State to be expedient to do so, he may, in lieu of confirming the purchase notice, cancel the order revoking the planning permission, or, where the order modified the permission by the imposition of conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of the development in respect of which the permission was granted".

Purchase notice in respect of order requiring discontinuance of use or alteration or removal of buildings or works.

189.—(1) If any person entitled to an interest in land in respect of which an order is made under section 51 of this Act claims—

- (a) that by reason of the order the land is incapable of reasonably beneficial use in its existing state; and
- (b) that it cannot be rendered capable of reasonably beneficial use by the carrying out of any development for which planning permission has been granted, whether by that order or otherwise,

he may, within the time and in the manner prescribed by regulations under this Act, serve on the council of the county borough,

- (a) land which is used for the purpose of carrying on their undertaking ; and
- (b) land in which an interest is held for that purpose,

not being land which, in respect of its nature and situation, is comparable rather with land in general than with land which is used, or in which interests are held, for the purpose of the carrying on of statutory undertakings.

- (a) the interest was acquired by them on or after 6th December 1968 ; or
- (b) it was held by them immediately before that date but the circumstances were then such that the land did not fall to be treated as operational land for the purposes of the Act of 1962,

then subsection (2) of this section shall have effect for the purpose of determining whether the land is to be treated as operational land for the purposes of this Act and shall so have effect notwithstanding the definition of operational land in section 222 of this Act.

- (b) the undertakers' interest in the land was acquired by them as the result of a transfer under the provisions of the Transport Act 1968 from other statutory undertakers and the land was, immediately before transfer, operational land of those other undertakers. 1968 c. 73.
- (3) A specific planning permission for the purpose of subsection (2)(a) of this section is a planning permission—
- (a) granted on an application in that behalf under Part III of this Act or the enactments previously in force and replaced by that Part of this Act ; or

undertakers.

230.—(1) Where any land has been acquired by a Minister, a local authority or statutory undertakers under Part VI of this Act or compulsorily under any other enactment, or has been appropriated by a local authority for planning purposes, and—

- (b) there is on, under or over the land apparatus vested in or belonging to statutory undertakers for the purpose of the carrying on of their undertaking,

the acquiring or appropriating authority, if satisfied that the extinguishment of the right or, as the case may be, the removal of the apparatus, is necessary for the purpose of carrying out any development with a view to which the land was acquired or appropriated, may serve on the statutory undertakers a notice stating that, at the end of the period of twenty-eight days from the date of service of the notice or such longer period as may be specified therein, the right will be extinguished or requiring that, before the end of such period as aforesaid, the apparatus shall be removed.

(2) The statutory undertakers on whom a notice is served under subsection (1) of this section may, before the end of the period of twenty-eight days from the service of the notice, serve a counter-notice on the acquiring or appropriating authority stating that they object to all or any of the provisions of the notice and specifying the grounds of their objection.

(3) If no counter-notice is served under subsection (2) of this section—

- (a) any right to which the notice relates shall be extinguished at the end of the period specified in that behalf in the notice ; and
- (b) if, at the end of the period so specified in relation to any apparatus, any requirement of the notice as to the removal of the apparatus has not been complied with, the acquiring or appropriating authority may remove the apparatus and dispose of it in any way the authority may think fit.

(4) If a counter-notice is served under subsection (2) of this section on a local authority or on statutory undertakers, the authority or undertakers may either withdraw the notice (without prejudice to the service of a further notice) or may apply to the Secretary of State and the appropriate Minister for an order under this section embodying the provisions of the notice, with or without modification.

(5) If a counter-notice is served under subsection (2) of this section on a Minister, he may withdraw the notice (without prejudice to the service of a further notice) or he and the appropriate Minister may make an order under this section embodying the provisions of the notice, with or without modification.

(6) In this section any reference to the appropriation of land for planning purposes shall be construed in accordance with section 133(1) of this Act as if this section were in Part VI of this Act.

(2) Before making an order under subsection (4) or subsection (5) of section 230 of this Act, the Ministers proposing to make the order—

PART XI

- (b) if any objection is made, shall consider the objection and afford to those statutory undertakers (and, in a case falling within subsection (4) of that section, to the local authority or statutory undertakers on whom the counter-notice was served) an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State and the appropriate Minister for the purpose,

and may then, if they think fit, make the order in accordance with the application or in accordance with the draft order, as the case may be, either with or without modification.

(3) Where an order is made under section 230 of this Act—

- (a) any right to which the order relates shall be extinguished at the end of the period specified in that behalf in the order ; and
- (b) if, at the end of the period so specified in relation to any apparatus, any requirement of the order as to the removal of the apparatus has not been complied with, the acquiring or appropriating authority may remove the apparatus and dispose of it in any way the authority may think fit.

232.—(1) Subject to the provisions of this section, where land has been acquired or appropriated as mentioned in section 230(1) of this Act, and—

- (a) there is on, under or over the land any apparatus vested in or belonging to statutory undertakers ; and
- (b) the undertakers claim that development to be carried out on the land is such as to require, on technical or other grounds connected with the carrying on of their undertaking, the removal or re-siting of the apparatus affected by the development,

the undertakers may serve on the acquiring or appropriating authority a notice claiming the right to enter on the land and carry out such works for the removal or re-siting of the apparatus or any part of it as may be specified in the notice.

(2) Where, after the land has been acquired or appropriated as aforesaid, development of the land is begun to be carried out, no notice under this section shall be served later than twenty-one days after the beginning of the development.

(3) Where a notice is served under this section, the authority on whom it is served may, before the end of the period of twenty-eight days from the date of service, serve on the statutory undertakers a counter-notice stating that they object to all or

Notice for same purposes as s. 230 but given by statutory undertakers to developing authority.

any of the provisions of the notice and specifying the grounds of their objection.

PART XI

(4) If no counter-notice is served under subsection (3) of this section, the statutory undertakers shall, after the end of the period of twenty-eight days therein mentioned, have the rights claimed in their notice.

(5) If a counter-notice is served under subsection (3) of this section, the statutory undertakers who served the notice under this section may either withdraw it or may apply to the Secretary of State and the appropriate Minister for an order under this section conferring on the undertakers the rights claimed in the notice or such modified rights as the Secretary of State and the appropriate Minister think it expedient to confer on them.

(6) Where, by virtue of this section or of an order of Ministers thereunder, statutory undertakers have the right to execute works for the removal or re-siting of apparatus, they may arrange with the acquiring or appropriating authority for the works to be carried out by that authority, under the superintendence of the undertakers, instead of by the undertakers themselves.

233.—(1) The powers conferred by this section shall be exercisable where, on a representation made by statutory undertakers, it appears to the Secretary of State and the appropriate Minister to be expedient that the powers and duties of those undertakers should be extended or modified, in order—

Extension or modification of functions of statutory undertakers.

- (a) to secure the provision of services which would not otherwise be provided, or satisfactorily provided, for any purpose in connection with which a local authority or Minister may be authorised under Part VI of this Act to acquire land or in connection with which any such person may compulsorily acquire land under any other enactment ; or
- (b) to facilitate an adjustment of the carrying on of the undertaking necessitated by any of the acts and events mentioned in subsection (2) of this section.

(2) The said acts and events are—

- (d) the revocation or modification of planning permission granted on any such application ;
- (e) the making of an order under section 51 of this Act in relation to any such land.

(3) The powers conferred by this section shall also be exercisable where, on a representation made by a local authority or Minister, it appears to the Secretary of State and the appropriate Minister to be expedient that the powers and duties of statutory undertakers should be extended or modified, in order to secure the provision of new services, or the extension of existing services, for any purpose in connection with which the local authority or Minister making the representation may be authorised under Part VI of this Act to acquire land or in connection with which the local authority or Minister may compulsorily acquire land under any other enactment.

(4) Where the powers conferred by this section are exercisable, the Secretary of State and the appropriate Minister may, if they think fit, by order provide for such extension or modification of the powers and duties of the statutory undertakers as appears to them to be requisite in order to secure the services in question, as mentioned in subsection (1)(a) or (3) of this section, or to secure the adjustment in question, as mentioned in subsection (1)(b) of this section, as the case may be.

(5) Without prejudice to the generality of subsection (4) of this section, an order under this section may make provision—

- (a) for empowering the statutory undertakers to acquire (whether compulsorily or by agreement) any land specified in the order, and to erect or construct any buildings or works so specified ;
- (b) for applying, in relation to the acquisition of any such land or the construction of any such works, enactments relating to the acquisition of land and the construction of works ;
- (c) where it has been represented that the making of the order is expedient for the purposes mentioned in subsection (1)(a) or (3) of this section, for giving effect to such financial arrangements between the local authority or Minister and the statutory undertakers as they may agree, or as, in default of agreement, may be determined to be equitable in such manner and by such tribunal as may be specified in the order ;
- (d) for such incidental and supplemental matters as appear to the Secretary of State and the appropriate Minister to be expedient for the purposes of the order.

234.—(1) As soon as may be after making such a representation as is mentioned in subsection (1) or subsection (3) of section 233 of this Act—

to orders
under s. 233.

(a) the statutory undertakers, in a case falling within subsection (1) of that section ; or

(b) the local authority or Minister making the representation, in a case falling within subsection (3) thereof,

shall publish, in such form and manner as may be directed by the Secretary of State and the appropriate Minister, a notice giving such particulars as may be so directed of the matters to which the representation relates, and specifying the time within which, and the manner in which, objections to the making of an order on the representation may be made, and shall also, if it is so directed by the Secretary of State and the appropriate Minister, serve a like notice on such persons, or persons of such classes, as may be so directed.

(2) Orders under section 233 of this Act shall be subject to special parliamentary procedure.

235.—(1) Where, on a representation made by statutory undertakers, the appropriate Minister is satisfied that the fulfilment of any obligation incurred by those undertakers in connection with the carrying on of their undertaking has been rendered impracticable by an act or event to which this subsection applies, the appropriate Minister may, if he thinks fit, by order direct that the statutory undertakers shall be relieved of the fulfilment of that obligation, either absolutely or to such extent as may be specified in the order.

Relief of
statutory
undertakers
from
obligations
rendered
impracticable.

(2) Subsection (1) of this section applies to the following acts and events, that is to say—

(a) the compulsory acquisition under Part VI of this Act or under any other enactment of any land in which an interest was held, or which was used, for the purpose of the carrying on of the undertaking of the statutory undertakers ; and

(b) the acts and events specified in section 233(2)(b) to (e) of this Act.

(3) As soon as may be after making a representation to the appropriate Minister under subsection (1) of this section, the statutory undertakers shall, as may be directed by the appropriate Minister, either publish (in such form and manner as may be so directed) a notice giving such particulars as may be so directed of the matters to which the representation relates, and specifying the time within which, and the manner in which, objections to the making of an order on the representation may

PART XI

be made, or serve such a notice on such persons, or persons of such classes, as may be so directed, or both publish and serve such notices.

(4) If any objection to the making of an order under this section is duly made and is not withdrawn before the order is made, the order shall be subject to special parliamentary procedure.

(5) Immediately after an order is made under this section by the appropriate Minister, he shall publish a notice stating that the order has been made and naming a place where a copy of it may be seen at all reasonable hours, and shall serve a like notice—

- (a) on any person who duly made an objection to the order and has sent to the appropriate Minister a request in writing to serve him with the notice required by this subsection, specifying an address for service; and
- (b) on such other persons (if any) as the appropriate Minister thinks fit.

(6) Subject to subsection (7) of this section, and to the provisions of Part XII of this Act, an order under this section shall become operative on the date on which the notice required by subsection (5) of this section is first published.

(7) Where in accordance with subsection (4) of this section the order is subject to special parliamentary procedure, subsection (6) of this section shall not apply.

Objections to orders under ss. 233 and 235. **236.**—(1) For the purposes of sections 233 and 235 of this Act, an objection to the making of an order thereunder shall not be treated as duly made unless—

- (a) the objection is made within the time and in the manner specified in the notice required by the section under which the order is proposed to be made; and
- (b) a statement in writing of the grounds of the objection is comprised in or submitted with the objection.

(2) Where an objection to the making of such an order is duly made in accordance with subsection (1) of this section and is not withdrawn, the following provisions of this section shall have effect in relation thereto:

Provided that, in the application of those provisions to an order under section 233 of this Act, any reference to the appropriate Minister shall be construed as a reference to the Secretary of State and the appropriate Minister.

(3) Unless the appropriate Minister decides apart from the objection not to make the order, or decides to make a modification which is agreed to by the objector as meeting the objection, the appropriate Minister, before making a final decision, shall consider the grounds of the objection as set out in the statement, and may, if he thinks fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.

(4) In so far as the appropriate Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with in the assessment of compensation, the appropriate Minister may treat the objection as irrelevant for the purpose of making a final decision.

(5) If, after considering the grounds of the objection as set out in the original statement and in any such further statement, the appropriate Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates, or if, where a further statement has been required, it is not submitted within the specified period, the appropriate Minister may make a final decision without further investigation as to those matters.

(6) Subject to subsections (4) and (5) of this section, the appropriate Minister, before making a final decision, shall afford to the objector an opportunity of appearing before, and being heard by, a person appointed for the purpose by the appropriate Minister; and if the objector avails himself of that opportunity, the appropriate Minister shall afford an opportunity of appearing and being heard on the same occasion to the statutory undertakers, local authority or Minister on whose representation the order is proposed to be made, and to any other persons to whom it appears to the appropriate Minister to be expedient to afford such an opportunity.

(7) Notwithstanding anything in the preceding provisions of this section, if it appears to the appropriate Minister that the matters to which the objection relates are such as to require investigation by public local inquiry before he makes a final decision, he shall cause such an inquiry to be held; and where he determines to cause such an inquiry to be held, any of the requirements of those provisions to which effect has not been given at the time of that determination shall be dispensed with.

(8) In this section any reference to making a final decision, in relation to an order, is a reference to deciding whether to make the order or what modification (if any) ought to be made.

PART XI*Compensation*

Right to
compensation
in respect
of certain
decisions
and orders.

237.—(1) Statutory undertakers shall, subject to the following provisions of this Part of this Act, be entitled to compensation from the local planning authority—

(a) in respect of any decision made in accordance with section 225 of this Act whereby planning permission to develop operational land of those undertakers is refused or is granted subject to conditions where—

(i) planning permission for that development would have been granted by a development order but for a direction given under such an order that planning permission so granted should not apply to the development; and

(ii) it is not development which has received specific parliamentary approval (within the meaning given to that expression by section 223(3) of this Act);

(b) in respect of any order under section 45 of this Act, as modified by section 227 thereof, whereby planning permission, granted on the application of those undertakers for the development of any such land, is revoked or modified.

(2) Where, by virtue of section 230 of this Act, any right vested in or belonging to statutory undertakers is extinguished, or any requirement is imposed on statutory undertakers, those undertakers shall be entitled to compensation from the acquiring or appropriating authority at whose instance the right was extinguished or the requirement imposed.

(3) Where works are carried out for the removal or re-siting of statutory undertakers' apparatus, being works which the undertakers have the right to carry out by virtue of section 232 of this Act or an order of Ministers thereunder, the undertakers shall be entitled to compensation from the acquiring or appropriating authority.

(4) Notwithstanding anything in subsection (1) of this section, if the decision or order in question relates to land acquired by the statutory undertakers after 7th January 1947, and the Secretary of State and the appropriate Minister are satisfied, having regard to the nature, situation and existing development of the land and of any neighbouring land, and to any other material considerations, that it is unreasonable that compensation should be recovered in respect of that decision or order, they may include therein a direction that subsection (1) of this section shall not apply to that decision or order.

(5) For the purposes of this section the conditions referred to in sections 41 and 42 of this Act shall be disregarded and

no compensation shall be payable under this section in respect of the imposition of any condition to which section 71 or 82 of this Act applies.

PART XI

238.—(1) Where statutory undertakers are entitled to compensation—

Measure of compensation to statutory undertakers.

- (a) as mentioned in subsection (1), (2) or (3) of section 237 of this Act ; or
- (b) under the provisions of section 170 in respect of an order made under section 51 of this Act as modified by section 228 thereof ; or
- (c) in respect of a compulsory acquisition of land which has been acquired by those undertakers for the purposes of their undertaking, where the first-mentioned acquisition is effected under a compulsory purchase order confirmed or made without the appropriate Minister's certificate,

the amount of the compensation shall (subject to section 239 of this Act) be an amount calculated in accordance with the following provisions of this section.

(2) The said amount, subject to subsections (3) and (4) of this section, shall be the aggregate of the following amounts, that is to say—

- (a) the amount of any expenditure reasonably incurred in acquiring land, providing apparatus, erecting buildings or doing work for the purpose of any adjustment of the carrying on of the undertaking rendered necessary by the proceeding giving rise to compensation ;
- (b) whichever of the following is applicable, namely—
 - (i) where such an adjustment is made, the estimated amount of any decrease in net receipts from the carrying on of the undertaking pending the adjustment, in so far as the decrease is directly attributable to the proceeding giving rise to compensation, together with such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking in the period after the adjustment has been completed, in so far as the decrease is directly attributable to the adjustment ;
 - (ii) where no such adjustment is made, such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking which is directly attributable to the proceeding giving rise to compensation ;

PART XI

(c) where the compensation is under section 237(2) of this Act, and is in respect of the imposition of a requirement to remove apparatus, the amount of any expenditure reasonably incurred by the statutory undertakers in complying with the requirement, reduced by the value after removal of the apparatus removed.

(3) Where any such adjustment as is mentioned in paragraph (a) of subsection (2) of this section is made, the aggregate amount mentioned in that subsection shall be reduced by such amount (if any) as appears to the Lands Tribunal to be appropriate to offset—

(a) the estimated value of any property (whether moveable or immovable) belonging to the statutory undertakers and used for the carrying on of their undertaking which, in consequence of the adjustment, ceases to be so used, in so far as the value of the property has not been taken into account under paragraph (c) of that subsection; and

(b) the estimated amount of any increase in net receipts from the carrying on of the undertaking in the period after the adjustment has been completed, in so far as that amount has not been taken into account under paragraph (b) of that subsection and is directly attributable to the adjustment,

and by any further amount which appears to the Lands Tribunal to be appropriate, having regard to any increase in the capital value of immovable property belonging to the statutory undertakers which is directly attributable to the adjustment, allowance being made for any reduction made under paragraph (b) of this subsection.

(4) Where the compensation is under section 237(3) of this Act and the acquiring or appropriating authority carry out the works, then, in addition to any reduction falling to be made under subsection (3) of this section, the aggregate amount mentioned in subsection (2) of this section shall be reduced by the actual cost to the authority of carrying out the works.

(5) References in this section to a decrease in net receipts shall be construed as references to the amount by which a balance of receipts over expenditure is decreased, or a balance of expenditure over receipts is increased, or, where a balance of receipts over expenditure is converted into a balance of expenditure over receipts, as references to the aggregate of the two balances; and references to an increase in net receipts shall be construed accordingly.

(6) In this section—

(a) except in relation to compensation under section 237(3) of this Act, the particular action (that is to say, the decision, order, extinguishment of a right, imposition of a requirement, or acquisition) in respect of which compensation falls to be assessed, as distinct from any development or project in connection with which that action may have been taken ;

(b) in relation to compensation under the said section 237(3), the circumstances making it necessary for the apparatus in question to be removed or re-sited ;

“the appropriate Minister’s certificate” has the same meaning as in section 229 of this Act.

239.—(1) Where statutory undertakers are entitled to compensation in respect of such a compulsory acquisition as is mentioned in section 238(1)(c) of this Act, the statutory undertakers may by notice in writing under this section elect that the compensation shall be ascertained in accordance with the enactments (other than rule (5) of the rules set out in section 5 of the Land Compensation Act 1961) which would be applicable apart from section 238 of this Act ; and if the undertakers so elect the compensation shall be ascertained accordingly.

(2) An election under this section may be made either in respect of the whole of the land comprised in the compulsory acquisition in question or in respect of part of that land.

(3) Any notice under this section shall be given to the acquiring authority before the end of the period of two months from the date of service of notice to treat in respect of the interest of the statutory undertakers.

240.—(1) Where the amount of any such compensation as is mentioned in subsection (1) of section 238 of this Act falls to be ascertained in accordance with the provisions of that section, the compensation shall, in default of agreement, be assessed by the Lands Tribunal, if apart from this section it would not fall to be so assessed.

(2) For the purposes of any proceedings arising before the Lands Tribunal in respect of compensation falling to be ascertained as mentioned in subsection (1) of this section, the provisions of sections 2 and 4 of the Land Compensation Act 1961 shall apply as they apply to proceedings on a question referred

PART XI to the Tribunal under section 1 of that Act, but with the substitution in section 4 of that Act, for references to the acquiring authority, of references to the person from whom the compensation is claimed.

(2) This section applies to notices registered under subsection (5) of section 158 of this Act and to notices registered under the provisions of that subsection as applied by section 166(5) of this Act.

(3) If, immediately after the completion of the acquisition or sale, there is outstanding some interest in the land comprised therein to which a person other than the acquiring authority is entitled, the sum referred to in subsection (1) of this section shall not accrue due until that interest either ceases to exist or becomes vested in the acquiring authority.

(4) No sum shall be recoverable under this section in the case of a compulsory acquisition or sale where the Secretary of State is satisfied that the interest in question is being acquired for the purposes of the use of the land as a public open space.

(5) Where by virtue of the preceding provisions of this section the Secretary of State recovers a sum in respect of any land, by reason that it is land in respect of which a notice is registered under the provisions of section 158(5) of this Act as applied by section 166 of this Act, section 168(2) and (3) of this Act shall have effect in relation to that sum as if it were a sum recovered as mentioned in section 168(2) of this Act.

(4) If the acquisition or sale in question does not extend to the whole of the land to which the payment under the said section 59 related, the amount recoverable under this section shall be so much of that payment as, in accordance with subsection (5) of this section, is to be treated as apportioned to the land in which the interest acquired or sold subsists.

(5) For the purposes of this section a payment under section 59 of the Act of 1947 shall be treated as apportioned, as between different parts of the land to which it related, in the way in which it might reasonably be expected to have been so apportioned if, under the scheme made under that section, the authority determining the amount of the payment had been required (in accordance with the same principles as applied to the determination of that amount) to apportion it between different parts of that land.

(6) In this section references to a scheme of development exempt from development charge are references to a scheme of development such that, if the operations and uses of land comprised in the scheme had all been begun or instituted before 18th November 1952, all those operations and uses would have been exempt from the provisions of Part VII of the Act of 1947 by virtue of regulations made thereunder ; and references to the amount of a payment shall be construed as including any interest payable on the principal amount of the payment.

SCHEDULE 9

DETERMINATION OF CERTAIN APPEALS BY PERSON APPOINTED BY SECRETARY OF STATE

Determination of appeals by appointed person

1.—(1) An appeal to which this Schedule applies, being an appeal of a prescribed class, shall, except in such classes of case as may for the time being be prescribed or as may be specified in directions given by the Secretary of State, be determined by a person appointed by the Secretary of State for the purpose instead of by the Secretary of State.

(2) Regulations made for the purpose of this paragraph may provide for the giving of publicity to any directions given by the Secretary of State under this paragraph.

(3) This paragraph shall not affect any provision contained in this Act or any instrument thereunder that an appeal shall lie to, or a notice of appeal shall be served on, the Secretary of State. **SCH. 9**

Powers and duties of person determining appeal

2.—(1) A person appointed under this Schedule to determine an appeal shall have the like powers and duties in relation to the appeal as the Secretary of State under whichever are relevant of the following provisions, that is to say—

- (a) in relation to appeals under section 36 subsections (3) and (5) of that section ;**
- (b) in relation to appeals under section 88 subsections (4) to (6) of that section ;**
- (c) in relation to appeals under section 95 subsections (2) and (3) of that section ;**

(2) The provisions of sections 36(4), 88(2), 95(4), 97(2) and paragraph 8(4) of Schedule 11 to this Act relating to the affording of an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State, shall not apply to an appeal which falls to be determined by a person appointed under this Schedule but before the determination of any such appeal the Secretary of State shall, unless (in the case of an appeal under section 36) the appeal is referred to a Planning Inquiry Commission under section 48 of this Act, ask the applicant or appellant, as the case may require, and the local planning authority whether they wish to appear before and be heard by the person so appointed, and—

- (a) the appeal may be determined without a hearing of the parties if both of them express a wish not to appear and be heard as aforesaid ; and**
- (b) the person so appointed shall, if either of the parties expresses a wish to appear and be heard, afford to both of them an opportunity of so doing.**

(3) Where an appeal to which this Schedule applies has been determined by a person appointed under this Schedule, his decision shall be treated as that of the Secretary of State and—

- (a) except as provided by Part XII of this Act, the validity of his decision shall not be questioned in any proceedings whatsoever ;**
- (b) it shall not be a ground of application to the High Court under section 245 of this Act, or of appeal to the High Court under section 246 or 247 thereof, that the appeal ought to have been determined by the Secretary of State and not by that person, unless the challenge to the person's**

power to determine the appeal was made (either by the appellant or the local planning authority) before his decision on the appeal was given.

(4) Where in any enactment (including this Act) there is a reference to the Secretary of State in a context relating or capable of relating to an appeal to which this Schedule applies, or to any thing done or authorised or required to be done by, to or before the Secretary of State on or in connection with any such appeal, then so far as the context permits it shall be construed, in relation to an appeal determined or falling to be determined by a person appointed under this Schedule, as a reference to that person.

Determination of appeals by Secretary of State

3.—(1) The Secretary of State may, if he thinks fit, direct that an appeal, which by virtue of paragraph 1 of this Schedule and apart from this sub-paragraph, falls to be determined by a person appointed by the Secretary of State shall instead be determined by the Secretary of State.

(2) A direction under this paragraph shall state the reasons for which it is given and shall be served on the person, if any, so appointed, the applicant or appellant, the local planning authority and any person who has made representations relating to the subject matter of the appeal which the authority are required to take into account under section 29(3)(a) of this Act.

(3) Where in consequence of a direction under this paragraph an appeal to which this Schedule applies falls to be determined by the Secretary of State, the provisions of this Act which are relevant to the appeal shall, subject to the following provisions of this paragraph, apply to the appeal as if this Schedule had never applied to it.

(4) Where in consequence of a direction under this paragraph the Secretary of State determines an appeal himself, he shall, unless (in the case of an appeal under section 36) the appeal is referred to a Planning Inquiry Commission under section 48 of this Act, afford to the applicant or appellant, the local planning authority and any person who has made any such representations as aforesaid an opportunity of appearing before and being heard by a person appointed by the Secretary of State for that purpose either—

- (a) if the reasons for the direction raise matters with respect to which either the applicant or appellant, or the local planning authority or any such person, have not made representations; or
- (b) if the applicant or appellant or the local planning authority had not been asked in pursuance of paragraph 2(2) of this Schedule whether they wished to appear before and be heard by a person appointed to hear the appeal, or had been asked that question and had expressed no wish in answer thereto, or had expressed a wish to appear and be heard as aforesaid, but had not been afforded an opportunity of doing so.

(5) Except as provided by sub-paragraph (4) of this paragraph, where the Secretary of State determines an appeal in consequence of a direction under this paragraph he shall not be obliged to afford any person an opportunity of appearing before and being heard by a person appointed for the purpose, or of making fresh representations or making or withdrawing any representations already made; and in determining the appeal the Secretary of State may take into account any report made to him by any person previously appointed to determine it.

Appointment of another person to determine appeal

4.—(1) Where the Secretary of State has appointed a person to determine an appeal under this Schedule the Secretary of State may, at any time before the determination of the appeal, appoint another person to determine it instead of the first-mentioned person.

(2) If before the appointment of a person under this paragraph to determine an appeal, the Secretary of State had with reference to the person previously appointed, asked the question referred to in paragraph 2(2) of this Schedule, the question need not be asked again with reference to the person appointed under this paragraph and any answers to the question shall be treated as given with reference to him, but—

- (a) the consideration of the appeal or any inquiry or other hearing in connection therewith, if already begun, shall be begun afresh; and
- (b) it shall not be necessary to afford any person an opportunity of making fresh representations or modifying or withdrawing any representations already made.

Local inquiries and hearings

5.—(1) A person appointed under this Schedule to determine an appeal may (whether or not the parties have asked for an opportunity to appear and be heard) hold a local inquiry in connection with the appeal and shall hold such an inquiry if the Secretary of State directs him to do so.

(2) Subject to sub-paragraph (3) of this paragraph, the costs—

- (a) of any hearing held by virtue of paragraph 2(2)(b) of this Schedule; and
- (b) of any inquiry held by virtue of this paragraph,

shall be defrayed by the Secretary of State.

(3) Subsections (2) to (5) of section 290 of the Local Government Act 1933 (evidence and costs at local inquiries) shall apply in relation to an inquiry held under this paragraph as they apply in relation to an inquiry caused to be held by a department under subsection (1) of that section, with the substitution for references to a department (other than the first reference in subsection (4)) of references to the Secretary of State. 1933 c. 51.

SCH. 9

Stopping of appeals

6. If before or during the determination of an appeal under section 36 of this Act which is to be or is being determined in accordance with paragraph 1 of this Schedule, the Secretary of State forms the opinion mentioned in subsection (7) of that section, he may direct that the determination shall not be begun or proceeded with.

Supplementary provisions

1971 c. 62.

7.—(1) The Tribunals and Inquiries Act 1971 shall apply to a local inquiry or other hearing held in pursuance of this Schedule as it applies to a statutory inquiry held by the Secretary of State, but as if in section 12(1) of that Act (statement of reasons for decisions) the reference to any decision taken by the Secretary of State were a reference to a decision taken by a person appointed to determine the relevant appeal under this Schedule.

1967 c. 13.

(2) The functions of determining an appeal and doing anything in connection therewith conferred by this Schedule on a person appointed to determine an appeal thereunder who is an officer of the Department of the Environment or the Welsh Office shall be treated for the purposes of the Parliamentary Commissioner Act 1967—

1.—(1) Provision may be made by regulations under this Act with respect to the form and manner in which applications for listed building consent are to be made, the manner in which such applications are to be advertised and the time within which they are to be dealt with by local planning authorities or, as the case may be, by the Secretary of State.

SCH. 11

(2) Any listed building consent shall (except in so far as it otherwise provides) enure for the benefit of the building and of all persons for the time being interested therein.

2.—(1) Regulations under this Act may provide that an application for listed building consent, or an appeal against the refusal of such an application, shall not be entertained unless it is accompanied by a certificate in the prescribed form and corresponding to one or other of those described in section 27(1)(a) to (d) of this Act and any such regulations may—

Directions as to manner of dealing with applications

3. The provisions of section 31(2) and (3) of this Act shall apply to an application for listed building consent for any works for the demolition, alteration or extension of a building in a conservation area as they apply to an application of the kind therein mentioned.

*Reference of applications to Secretary of State or
Greater London Council*

4.—(1) The Secretary of State may give directions requiring applications for listed building consent to be referred to him instead of being dealt with by the local planning authority.

(2) A direction under this paragraph may relate either to a particular application, or to applications in respect of such buildings as may be specified in the direction.

(3) An application in respect of which a direction under this paragraph has effect shall be referred to the Secretary of State accordingly.

(4) Before determining an application referred to him under this paragraph, the Secretary of State shall, if either the applicant or the authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State.

(5) The decision of the Secretary of State on any application referred to him under this paragraph shall be final.

5.—(1) Subject to the following provisions of this paragraph, a local planning authority (other than a London borough council) to whom application is made for listed building consent shall not grant such consent, unless they have notified the Secretary of State of the application (giving particulars of the works for which the consent is required) and either—

- (a) a period of twenty-eight days has expired, beginning with the date of the notification, without the Secretary of State having directed the reference of the application to him ; or
- (b) the Secretary of State has notified the authority that he does not intend to require the reference of the application.

(2) The Secretary of State may at any time before the said period expires give notice to the authority that he requires further time in which to consider whether to require the reference of the application to him and sub-paragraph (1) of this paragraph shall then have effect with the substitution for a period of twenty-eight days of such longer period as may be specified in the Secretary of State's notice.

6.—(1) Subject to the following provisions of this paragraph, where application for listed building consent is made to a local planning authority, being a London borough council, and the authority do not determine to refuse it, they shall notify the Greater London Council of the application (giving particulars of the works for which the consent is required) and shall not grant such consent unless authorised or directed to do so under sub-paragraph (2) of this paragraph.

(2) On receipt of notification under sub-paragraph (1) of this paragraph the Greater London Council may either—

SCH. 11

7.—(1) The Secretary of State may give directions that, in the case of such descriptions of applications for listed building consent as he may specify, other than such consent for the demolition of a building, paragraphs 5 and 6 of this Schedule shall not apply; and accordingly, so long as the directions are in force local planning authorities may determine applications of such descriptions in any manner they think fit, without notifying the Secretary of State or, as the case may be, the Greater London Council.

(2) Without prejudice to the preceding provisions of this Schedule, the Secretary of State may give directions to local planning authorities requiring them, in such cases or classes of case as may be specified in the directions, to notify to him and to such other persons as may be so specified any applications made to them for listed building consent, and the decisions taken by the authorities thereon.

Appeal against decision

8.—(1) Where an application is made to the local planning authority for listed building consent and the consent is refused by the authority or is granted by them subject to conditions, the applicant, if he is aggrieved by the decision, may by notice served in the prescribed manner within such period as may be prescribed, not being less than twenty-eight days from the receipt by him of notification of the decision, appeal to the Secretary of State.

(2) A person appealing under this paragraph may include in his notice thereunder, as the ground or one of the grounds of his appeal, a claim that the building is not of special architectural or historic interest and ought to be removed from any list compiled or approved by the Secretary of State under section 54 of this Act, or—

- (a) in the case of a building to which subsection (10) of that section applies, that the Secretary of State should give a direction under that subsection with respect to the building ; or

(3) Subject to the following provisions of this paragraph, the Secretary of State may allow or dismiss an appeal thereunder, or may reverse or vary any part of the decision of the authority, whether the appeal relates to that part thereof or not, and—

- (a) may deal with the application as if it had been made to him in the first instance ; and
- (b) may, if he thinks fit, exercise his power under section 54 of this Act to amend any list compiled or approved thereunder by removing from it the building to which the appeal relates or his power under subsection (10) of that section to direct that that subsection shall no longer apply to the building.

(4) Before determining an appeal under this paragraph, the Secretary of State shall, if either the applicant or the local planning

authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(6) Schedule 9 to this Act applies to appeals under this paragraph.

Appeal in default of decision

9. Where an application is made to the local planning authority for listed building consent, then unless within the prescribed period from the date of the receipt of the application, or within such extended period as may at any time be agreed upon in writing between the applicant and the authority, the authority either—

(a) give notice to the applicant of their decision on the application ; or

(b) give notice to him that the application has been referred to the Secretary of State in accordance with directions given under paragraph 4 of this Schedule,

the provisions of paragraph 8 of this Schedule shall apply in relation to the application as if listed building consent had been refused by the authority and as if notification of their decision had been received by the applicant at the end of the prescribed period or at the end of the said extended period, as the case may be.

PART II

REVOCATION OF LISTED BUILDING CONSENT

10.—(1) If it appears to the local planning authority, having regard to the development plan and to any other material considerations, that it is expedient to revoke or modify listed building consent in respect of any works to a building, being consent granted on an application made under Part I of this Schedule, the authority, subject to the following provisions of this paragraph, may by order revoke or modify the consent to such extent as (having regard to those matters), they consider expedient.

(2) Except as provided in paragraph 12 of this Schedule, an order under this paragraph shall not take effect unless it is confirmed by the Secretary of State ; and the Secretary of State may confirm any such order submitted to him either without modification or subject to such modifications as he considers expedient.

(3) Where a local planning authority submit an order to the Secretary of State for confirmation under this paragraph, the authority shall serve notice on the owner and on the occupier of the building affected and on any other person who in their opinion will be affected by the order ; and if within such period as may be specified in that notice (not being less than twenty-eight days after the service thereof) any person on whom the notice is served so requires, the Secretary of State, before confirming the order, shall afford to that person and to the local planning authority an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

SCH. 11

(4) The power conferred by this paragraph to revoke or modify listed building consent in respect of any works may be exercised at any time before those works have been completed, but the revocation or modification shall not affect so much of those works as has been previously carried out.

11.—(1) If it appears to the Secretary of State, after consultation with the local planning authority, to be expedient that an order under paragraph 10 of this Schedule should be made, he may give directions to the authority requiring them to submit to him such an order for his confirmation, or may himself make such an order; and any order so made by the Secretary of State shall have the like effect as if it had been made by the authority and confirmed by the Secretary of State under that paragraph.

(2) The provisions of paragraph 10 of this Schedule shall have effect, subject to any necessary modifications, in relation to any proposal by the Secretary of State to make such an order by virtue of this paragraph, in relation to the making thereof by the Secretary of State and in relation to the service of copies thereof as so made.

12.—(1) The following provisions shall have effect where the local planning authority have made an order under paragraph 10 of this Schedule but have not submitted the order to the Secretary of State for confirmation by him, and—

- (a) the owner and occupier of the land and all persons who in the authority's opinion will be affected by the order have notified the authority in writing that they do not object to the order; and
- (b) it appears to the authority that no claim for compensation is likely to arise under section 172 of this Act on account of the order.

(2) The authority shall advertise in the prescribed manner the fact that the order has been made, and the advertisement shall specify—

- (a) the period (not being less than twenty-eight days from the date on which the advertisement first appears) within which persons affected by the order may give notice to the Secretary of State that they wish for an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose; and
- (b) the period (not being less than fourteen days from the expiration of the period referred to in paragraph (a) of this sub-paragraph) at the expiration of which, if no such notice is given to the Secretary of State, the order may take effect by virtue of this paragraph and without being confirmed by the Secretary of State.

(3) The authority shall also serve notice to the same effect on the persons mentioned in sub-paragraph (1)(a) of this paragraph, and the notice shall include a statement to the effect that no compensation is payable under section 172 of this Act in respect of an order under paragraph 10 of this Schedule which takes effect by virtue of this paragraph and without being confirmed by the Secretary of State.

(4) The authority shall send a copy of any advertisement published under sub-paragraph (2) of this paragraph to the Secretary of State, not more than three days after the publication.

SCH. 11

(5) If within the period referred to in sub-paragraph (2)(a) of this paragraph no person claiming to be affected by the order has given notice to the Secretary of State as aforesaid and the Secretary of State has not directed that the order be submitted to him for confirmation, the order shall, at the expiration of the period referred to in sub-paragraph (2)(b) of this paragraph, take effect by virtue of this paragraph and without being confirmed by the Secretary of State as required by paragraph 10(2) of this Schedule.

(6) This paragraph does not apply to an order revoking or modifying a listed building consent granted by the Secretary of State.

PART III

PROVISIONS APPLICABLE ON LAPSE OF BUILDING PRESERVATION NOTICE

13. The provisions of this Part of this Schedule apply where a building preservation notice ceases to be in force by virtue of section 58(3) of this Act, otherwise than by reason of the building to which it relates being included in a list compiled or approved under section 54 of this Act.

14. The fact that the building preservation notice has ceased to be in force shall not affect the liability of any person to be prosecuted and punished for an offence under section 55 or 98 of this Act committed by him with respect to the said building while the notice was in force.

OFFICE DEVELOPMENT IN METROPOLITAN REGION: PLANNING
PERMISSION GRANTED BEFORE PASSING OF ACT OF 1965*Certain planning permissions treated as of no effect*

1.—(1) Where before 5th August 1965 an application was made to the local planning authority for planning permission for development consisting of or including the erection on land in Greater London of a building containing office premises, or consisting of or including the extension of a building on land in Greater London by the addition of office premises, and on that application planning permission for such development was granted before that date, then, unless that planning permission was granted before 5th November 1964 and either—

- (a) a building was before the said 5th November erected, or (as the case may be) the building was before the said 5th November extended, in accordance with that planning permission ; or
- (b) a building contract was made before the said 5th November which specifically related to the land, or part of the land, in respect of which the planning permission was granted and which provided for the erection thereon of such a building, or the making of such an extension, in accordance with that planning permission,

the provisions of sub-paragraph (4) of this paragraph shall (except where sub-paragraph (3) of this paragraph or paragraph 3 of this Schedule applies) have effect in relation to that planning permission.

(2) Where before 5th August 1965 an application was made to the local planning authority for planning permission—

- (a) to carry out, on land in Greater London, development to which these provisions apply, other than such development as is mentioned in sub-paragraph (1) of this paragraph ; or
- (b) to carry out any development to which these provisions apply on land within the metropolitan region but outside Greater London,

and on that application planning permission to carry out the development in question was granted before that date, then, unless the planning permission was granted before 5th November 1964, the provisions of sub-paragraph (4) of this paragraph shall (except where sub-paragraph (3) of this paragraph applies) have effect in relation to that planning permission.

(3) Notwithstanding anything in sub-paragraph (1) or (2) of this paragraph, the provisions of sub-paragraph (4) of this paragraph shall not have effect in relation to planning permission for any development if the office floor space to be created by that development does not exceed 3,000 square feet.

(4) Where in accordance with sub-paragraphs (1) to (3) of this paragraph the provisions of this sub-paragraph are to have effect in relation to planning permission granted for carrying out development

on land within the metropolitan region, then, subject to paragraph 2 of this Schedule—

SCH. 12

- (a) the planning permission shall by virtue of this paragraph be deemed not to have effect so long as that land continues to be land within an area to which these provisions apply ;
- (b) for the purposes of Part V of this Act anything done before the passing of this Act, as well as anything done after the passing of this Act at a time when that land continues to be land within such an area, shall, in so far as (apart from this sub-paragraph) it was development authorised by that planning permission, be deemed to have been done without the grant of planning permission ; and
- (c) for the purposes of section 75(3)(a) of this Act that planning permission shall be disregarded.

(5) Where in any proceedings (whether civil or criminal) it falls to be determined whether the provisions of sub-paragraph (4) of this paragraph have effect in relation to a grant of planning permission, and the question arises whether a building contract was made as mentioned in sub-paragraph (1)(b) of this paragraph, the burden of proving that a building contract was so made shall be on the party who alleges it.

Effect of grant of office development permit

2.—(1) Where, in accordance with the provisions of paragraph 1 of this Schedule, sub-paragraph (4)(a) and (b) of that paragraph have effect in relation to planning permission granted for carrying out development on land within the metropolitan region, and an office development permit in respect of that development is issued under these provisions, the said sub-paragraph (4)(a) and (b) shall thereupon cease to have effect in relation to that planning permission.

(2) Where planning permission for carrying out development on land within the metropolitan region having been granted before 5th August 1965, an office development permit in respect of that development is issued in the circumstances specified in sub-paragraph (1) of this paragraph and conditions are attached to that permit, the planning permission shall be deemed to have been granted subject to the conditions attached to the office development permit, or (if any other conditions were imposed by the authority granting the permission) to have been granted subject to the conditions attached to the permit in addition to the other conditions.

(3) Section 82 of this Act shall have effect as if in subsection (5) the reference to sections 77 to 81 of this Act included a reference to this paragraph.

Mixed industrial and office development

3. Where before 5th August 1965 an application was made to the local planning authority for planning permission for development consisting of or including the erection on land in Greater London of a building containing office premises or consisting of or including the

SCH. 12 extension of a building on land in Greater London by the addition of office premises together with other premises, and—

- (a) in accordance with sections 38 and 39 of the Act of 1962 an industrial development certificate was required for that development and such a certificate was issued in respect of it by the Board of Trade ; and
- (b) planning permission for the development was granted before 5th November 1964,

then, notwithstanding that neither of the conditions specified in sub-paragraph (1)(a) and (b) of paragraph 1 of this Schedule is fulfilled, the provisions of sub-paragraph (4) of that paragraph shall not have effect in relation to that planning permission.

Enforcement notices

4.—(1) This paragraph applies to any enforcement notice which—

- (a) relates to the carrying out of development consisting of or including the erection or extension of a building on land in Greater London ; and
- (b) states that it is served on the grounds that, notwithstanding that planning permission for that development was granted before 5th August 1965, the development is by virtue of paragraph 1(4) of this Schedule deemed to have been carried out without the grant of planning permission.

(2) An enforcement notice to which this paragraph applies shall not be served except by the Secretary of State or in pursuance of directions given by the Secretary of State under section 276(5) of this Act.

(3) An enforcement notice to which this paragraph applies—

- (a) may be served on any person who, in pursuance of a building contract to which he is a party, is engaged in carrying out operations for the erection or extension of the building in question, in addition to any other persons on whom (by virtue of section 87(4) of this Act) the notice is required or authorised to be served ;
- (b) may require any such operations to be discontinued forthwith, either instead of, or in addition to, any other steps which (in accordance with section 87(6)(b) and (7) of this Act) may be required by the notice to be taken.

(4) In so far as an enforcement notice to which this paragraph applies requires any operations to be discontinued forthwith—

- (a) the notice, notwithstanding anything in section 87(8) of this Act, shall take effect immediately on its being served ; and
- (b) section 88(3) of this Act shall not apply to the notice ;

but nothing in this sub-paragraph shall affect the operation of section 87(8) or 88(3) of this Act in relation to such a notice in so far as the notice requires any other steps to be taken.

(5) An enforcement notice to which this paragraph applies shall specify a period (not being less than twenty-eight days after the

service thereof) within which an appeal may be brought against the notice; and in relation to such a notice section 88(1) of this Act shall have effect with the substitution, for the words "the period at the end of which it is to take effect", of the words "the period within which an appeal may be brought against the notice."

(6) In relation to any enforcement notice to which this section applies, the grounds on which an appeal may be brought under section 88 of this Act shall not include those specified in paragraphs (a) and (b) of subsection (1) of that section, but shall include the grounds specified in sub-paragraph (7) of this paragraph; and the grounds specified in that sub-paragraph shall be deemed to be included among those mentioned in section 243(1)(a) of this Act.

(7) The grounds referred to in sub-paragraph (6) of this paragraph are the following—

- (a) that the development to which the enforcement notice relates does not consist of or include the erection on land in Greater London of a building containing office premises, or the extension of a building on land in Greater London by the addition of office premises;
- (b) that a building was erected before 5th November 1964, or (as the case may be) the building in question was before that date extended, in accordance with planning permission for the development to which the enforcement notice relates;
- (c) that a building contract was made before that date which specifically related to the land, or part of the land, in respect of which planning permission was granted for the development to which the enforcement notice relates and which provided for the erection thereon of such a building as is mentioned in paragraph (a) of this sub-paragraph, or for the making of such an extension as is mentioned in that paragraph, in accordance with that planning permission;
- (d) that the office floor space to be created by the development to which the enforcement notice relates does not exceed 3,000 square feet;
- (e) that an industrial development certificate was required for development consisting of or including the development to which the enforcement notice relates and that such a certificate was issued in respect of it by the Board of Trade.

(8) Where an enforcement notice to which this paragraph applies requires any operations to be discontinued, any person on whom the notice has been served who continues those operations, or causes or permits them to be continued, in contravention of the notice shall be guilty of an offence and liable on summary conviction to a fine not exceeding £100.

(9) If, after a person has been convicted of an offence under sub-paragraph (8) of this paragraph, he further continues the operations (whether immediately or after an interval) in contravention of the notice, or causes or permits them to be so continued, he shall be guilty of a further offence and liable on summary conviction to a fine not

SCH. 12 exceeding £20 for each day on which he so continues the operations or causes or permits them to be so continued.

(10) Where an enforcement notice to which this paragraph applies has been served, and either of the following events occurs, that is to say—

- (a) an office development permit is issued in respect of the development to which the notice relates ; or
- (b) planning permission for any development of the land to which the notice relates is granted authorising (either unconditionally or subject to conditions) the operations to which the notice relates to be continued,

the enforcement notice shall not have effect in so far as it would prevent or restrict the doing of anything after that event occurs.

Power to require information as to building contracts

5.—(1) Where it appears to the Secretary of State that, in accordance with planning permission granted before 5th November 1964, operations for the erection on land in Greater London of a building containing office premises, or for the extension of a building on land in Greater London by the addition of office premises, have been begun on or after that date (whether before or after the passing of this Act) or had been begun but not completed before that date or are about to begin, and no office development permit in respect of the erection or extension of that building has been issued, the Secretary of State may serve on any person who is—

- (a) the applicant on whose application the planning permission was granted ; or
 - (b) the owner of the land ; or
 - (c) the person carrying out or about to carry out the operations,
- a notice under this paragraph requiring him to furnish to the Secretary of State such information, and to produce for examination on behalf of the Secretary of State documents in that person's custody or under his control of any such description, as may be specified in the notice for the purpose of enabling the Secretary of State to ascertain whether a building contract for the erection or extension of the building was made before 5th November 1964 and who is the owner of the land.

(2) A notice under this paragraph may require the information to which it relates to be furnished within such time as may be specified in the notice, and may require the documents to which it relates to be produced at such time and place as may be so specified :

Provided that the time specified in such a notice for furnishing any information or producing any document shall not be earlier than the end of the period of twenty-eight days after the service of the notice.

(3) If any person on whom a notice is served under this paragraph fails without reasonable excuse to comply with a requirement imposed

by the notice, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £100 ; and if any such person—

SCH. 12

(a) in furnishing any information required by the notice, makes a statement which he knows to be false in a material particular, or recklessly makes a statement which is false in a material particular ; or

(b) produces for examination in accordance with the notice a document which to his knowledge has been wilfully falsified,

he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £100 or imprisonment for a term not exceeding three months or both, or on conviction on indictment to a fine or imprisonment for a term not exceeding two years or both.

Planning permission to retain buildings or continue use of land

6.—(1) In relation to any planning permission granted before 5th August 1965 in accordance with section 32(2) of this Act (in this section referred to as a “section 32 permission”) relating to land within the metropolitan region, where the circumstances are such that any of the provisions specified in sub-paragraph (2) of this paragraph would have had effect in relation thereto if it had been a corresponding grant of planning permission for development, those provisions shall have effect as if it had been a corresponding grant of planning permission for development.

(2) The provisions referred to in sub-paragraph (1) of this paragraph are paragraphs 1, 2(1), 4 and 5 of this Schedule ; and in that sub-paragraph “corresponding grant of planning permission for development”, in relation to a section 32 permission, means a grant of planning permission to construct or carry out the building or works, or to institute the use of land, of which the section 32 permission authorises the retention or continuance or (as the case may be) authorises the retention or continuance without complying with a condition previously imposed.

Planning permission where no office development permit required

7.—(1) This paragraph applies to any planning permission granted on or after 5th November 1964 but before 5th August 1965 for the erection of a building on land within the metropolitan region where either the erection of that building is not development to which these provisions apply or it is such development but no office development permit is required for it.

(2) Any planning permission to which this paragraph applies shall be deemed to have been granted subject to the following condition (in addition to any other conditions imposed by the authority granting the permission), that is to say, that the use of the building, whether as originally erected or as subsequently extended or altered, shall be restricted so that (whether in consequence of a change of use or otherwise) it does not at any time contain office premises having an aggregate office floor space which exceeds 3,000 square feet.

SCH. 12 (3) Section 82 of this Act shall have effect as if in subsection (5) the reference to sections 77 to 81 of this Act included a reference to this paragraph.

(4) For the purposes of this paragraph "office premises" has the meaning assigned by section 73(4) of this Act.

SCH. 14

accompanied by a certificate in such form as may be prescribed by the order and corresponding to one or other of those described in section 27(1)(a) to (d) of this Act ; and any such order may—

- (a) include requirements corresponding to section 27(2), (3) and (4), and section 29(3) of this Act ; and

Section 138.

SCHEDULE 15

ADJUSTMENT OF CLAIM HOLDINGS

PART I

ADJUSTMENT OF CLAIM HOLDINGS PLEDGED TO CENTRAL LAND BOARD AS SECURITY FOR DEVELOPMENT CHARGES

1.—(1) In this Part of this Schedule references to the pledging of a claim holding to the Central Land Board are references to any transaction whereby—

- (a) the holder of the claim holding mortgaged it to the Central Land Board as security, or part of the security, for one or more development charges determined, or thereafter to be determined, by the Board ; or

- (b) the holder and the Central Land Board agreed that a development charge determined by the Board should be set off against any payment which might thereafter become payable to the holder by reference to that holding ; or
- (c) the Central Land Board refrained from determining a development charge, which would otherwise have fallen to be determined by them, in consideration of a mortgage of the holding, with or without other claim holdings.

(2) All pledges of claim holdings to the Central Land Board made by the same person, whether or not made at the same time, other than any pledge to which paragraph 2(1) of this Schedule applies, shall for the purposes of this Part of this Schedule be treated collectively as a single pledge made at the time when the last of those pledges was made.

(3) Where a development charge covered by a pledge to the Central Land Board was determined in respect of land consisting of, or forming part of, the area of a claim holding—

- (a) which was not comprised in the pledge ; but
- (b) whose holder immediately before the time of completion was the person who would, apart from the pledge, have been liable to pay the unpaid balance of the development charge,

then, for the purposes of this Part of this Schedule, that claim holding shall be deemed to have been comprised in the pledge.

(4) In this Part of this Schedule references to the determination of a development charge in respect of any land are references to a determination of the Central Land Board that the charge was payable in respect of the carrying out of operations in, on, over or under that land, or in respect of the use of that land.

(5) For the purposes of this Part of this Schedule the amount of a development charge—

- (a) in a case where the Central Land Board determined that amount as a single capital payment, shall be taken to have been the amount of that payment ; and
- (b) in a case where the Board determined that amount otherwise than as a single capital payment, shall be taken to have been the amount of the single capital payment which would have been payable if the Board had determined the amount as such a payment ;

and references in this Part of this Schedule to the unpaid balance of a development charge are references to the amount of the charge, if no sum was actually paid to the Board on account of the charge, or if any sum was so paid, are references to the amount of the charge reduced by the amount or aggregate amount of the sum or sums so paid, other than any sum paid by way of interest.

SCH. 15

(6) In relation to the pledging of a claim holding to the Central Land Board, references in this Part of this Schedule to a development charge covered by the pledge are references to a development charge the payment of which was secured, or partly secured, by the pledge, or, as the case may be, which was agreed to be set off against any payment which might become payable by reference to that claim holding.

(7) References in this Part of this Schedule to a mortgage of a claim holding do not include a mortgage which was subsequently discharged.

2.—(1) Where a claim holding was pledged to the Central Land Board in accordance with the special arrangements relating to owners of single house plots, that claim holding shall, subject to sub-paragraph (2) of this paragraph, be deemed to have been extinguished as from the time when it was pledged to the Board.

(2) Where a claim holding (in this sub-paragraph referred to as “the original holding”) was pledged as mentioned in sub-paragraph (1) of this paragraph but was so pledged by reference to a plot of land which did not extend to the whole of the area of the original holding, that sub-paragraph shall not apply, but there shall be deemed to have been substituted for the original holding, as from the time of the pledge, a claim holding with an area consisting of so much of the area of the original holding as was not comprised in that plot of land, and with a value equal to that fraction of the value of the original holding which then attached to so much of the area of the original holding as was not comprised in that plot.

3. Without prejudice to paragraph 2 of this Schedule, where a pledge to the Central Land Board comprised one or more claim holdings, and the unpaid balance of the development charge covered by the pledge, or (if more than one) the aggregate of the unpaid balances of the development charges so covered, was equal to or greater than the value of the claim holding, or the aggregate value of the claim holdings, as the case may be, the holding or holdings shall be deemed to have been extinguished as from the time of the pledge.

4. Where a pledge to the Central Land Board comprised only a single claim holding with an area of which every part either consisted of, or formed part of, the land in respect of which some development charge covered by the pledge was determined, and paragraph 3 of this Schedule does not apply, the value of that claim holding shall be deemed to have been reduced, as from the time of the pledge, by the unpaid balance of the development charge covered by the pledge, or (if more than one) by the aggregate of the unpaid balances of all the development charges covered by the pledge.

5.—(1) The provisions of this paragraph shall have effect in the case of a pledge of one or more claim holdings to the Central Land Board to which neither paragraph 3 nor paragraph 4 of this Schedule applies.

(2) Any claim holding comprised in the pledge with an area of which every part either consisted of, or formed part of, the land in respect of which some development charge covered by the pledge was determined shall be allocated to the development charge in question, or (if more than one) to those development charges collectively.

(3) Any claim holding comprised in the pledge with an area part of which did, and part of which did not, consist of, or form part of, such land as is mentioned in sub-paragraph (2) of this paragraph shall be treated as if, at the time of the pledge, the claim holding (in this sub-paragraph referred to as "the parent holding") had been divided into two separate claim holdings, that is to say—

- (a) a claim holding with an area consisting of so much of the area of the parent holding as consisted of, or formed part of, such land as is mentioned in sub-paragraph (2) of this paragraph, and with a value equal to that fraction of the value of the parent holding which then attached to that part of the area of the parent holding ; and
- (b) a claim holding with an area consisting of the residue of the area of the parent holding, and with a value equal to that fraction of the value of the parent holding which then attached to the residue of the area of the parent holding,

and the claim holding referred to in head (a) of this sub-paragraph shall be allocated to the development charge in question, or (if more than one) to those development charges collectively.

(4) Paragraph 3 or paragraph 4 of this Schedule shall then apply in relation to each claim holding (if any) allocated in accordance with sub-paragraph (2) or sub-paragraph (3) of this paragraph to any development charge, or to any development charges collectively, as if the pledge had comprised only that claim holding and had covered only that development charge or those development charges.

(5) If, after the application of the preceding provisions of this paragraph, there remains outstanding any claim holding not allocated in accordance with those provisions, or any claim holding which (having been so allocated) is deemed to have been reduced in value but not extinguished, an amount equal to the aggregate of—

- (a) the unpaid balance of any development charge covered by the pledge to which no claim holding was so allocated ; and
- (b) the amount (if any) by which the value of any claim holding so allocated which is deemed to have been extinguished falls short of the unpaid balance of the development charge, or the aggregate of the unpaid balances of the development charges, to which it was so allocated,

SCH. 15 shall be treated as having been deducted from the value of the claim holding so remaining outstanding, or (if more than one) as having been deducted rateably from the respective values of those claim holdings, and the value of any such holding shall be deemed to have been reduced accordingly as from the time of the pledge.

PART II

ADJUSTMENT BY REFERENCE TO PAYMENTS IN RESPECT OF WAR-DAMAGED LAND

6.—(1) The provisions of this Part of this Schedule shall have effect where a payment under the scheme has become, or becomes payable in respect of an interest in land, and a claim holding related (or would, apart from this Part of this Schedule, have related) to the like interest in the whole or part of that land, with or without any other land.

(2) In this Part of this Schedule “the scheme” means the scheme made under section 59 of the Act of 1947, “the date of the scheme” means 12th December 1949, and “payment under the scheme” means a payment which has become, or becomes, payable by virtue of the scheme.

(3) In relation to any payment under the scheme “the payment area”, in this Part of this Schedule, means the land in respect of which the payment became or becomes payable, and references to the amount of the payment shall be construed as references to the principal amount thereof, excluding any interest payable thereon in accordance with section 65(3) of the Act of 1947.

7. If the payment area is identical with the area of the claim holding, then—

- (a) in the case of a payment of an amount equal to the value of the claim holding, the claim holding shall be deemed to have been extinguished as from the date of the scheme ;
- (b) in the case of a payment of an amount less than the value of the claim holding, the value of the claim holding shall be deemed to have been reduced, as from the date of the scheme, by the amount of the payment.

8.—(1) If the payment area forms part of the area of the claim holding, the holding (in this paragraph referred to as “the parent holding”) shall be treated, as from the date of the scheme, as having been divided into two claim holdings, that is to say—

- (a) a claim holding with an area consisting of that part of the area of the parent holding which constituted the payment area, and with a value equal to that fraction of the value of the parent holding which attached to that part of the area of the parent holding ; and

(b) a claim holding with an area consisting of the residue of the area of the parent holding, and with a value equal to that fraction of the value of the parent holding which attached to the residue of the area of the parent holding.

SCH. 15

(2) Where sub-paragraph (1) of this paragraph applies, paragraph 7 of this Schedule shall have effect in relation to the claim holding referred to in sub-paragraph (1)(a) of this paragraph as if it were the parent holding.

9. If the payment area includes the area of the claim holding together with other land, paragraph 7 of this Schedule shall apply as if—

- (a) the payment area had been identical with the area of the claim holding ; but
- (b) the amount of the payment had been so much of the actual amount thereof, as might reasonably be expected to have been attributed to the area of the claim holding if, under the scheme, the authority determining the amount of the payment had been required (in accordance with the same principles as applied to the determination of that amount) to apportion it between the area of the claim holding and the rest of the payment area.

10. If the payment area includes part of the area of the claim holding together with other land not comprised in the area of the claim holding—

- (a) paragraph 8 of this Schedule shall apply as if the part of the payment area comprised in the area of the claim holding had been the whole of the payment area ; and
- (b) paragraph 9 of this Schedule shall apply as if the part of the area of the claim holding comprised in the payment area had been the whole of the area of the claim holding.

PART III

ADJUSTMENT IN CASES OF PARTIAL DISPOSITION OF CLAIM HOLDINGS

11. The provisions of this Part of this Schedule shall have effect where, by virtue of a disposition of part of the benefit of an established claim, not being a mortgage made otherwise than by way of assignment (in this Part of this Schedule referred to as “the relevant disposition”), different persons became entitled to different parts of the benefit of that established claim.

12. As from the date of the relevant disposition, each of those different parts shall be treated as having constituted a separate claim holding.

13. The area and value of any such separate claim holding at any time after the relevant disposition shall be taken to have been such as may, in the requisite manner, be or have been determined to be just and appropriate in all the circumstances.

SCH. 15

14. In paragraph 13 of this Schedule the reference to determination in the requisite manner of the area and value of a claim holding is a reference to the determination thereof on the occasion of an apportionment affecting that holding which fell or falls to be made for any of the purposes of the Act of 1954, of Part VI of the Act of 1962 or Schedule 5 thereto, of Part VII of this Act or of this Schedule, being a determination made—

(a) by the authority making that apportionment ; or

(b) where, under the Act of 1954, Part VI of the Act of 1962 or Part VII of this Act, that authority's findings were or are referred to the Lands Tribunal, by that Tribunal,

having regard in particular to the principles mentioned in paragraph 15 of this Schedule.

15.—(1) The said principles are those set out in the following provisions of this paragraph.

(2) The aggregate of the values of all claim holdings representing parts of the benefit of the same established claim must not exceed the amount of the established claim.

(3) Subject to sub-paragraph (2) of this paragraph, where a claim holding representing part only of the benefit of an established claim was pledged to the Central Land Board, otherwise than as mentioned in paragraph 2 of this Schedule, and by virtue of Part I of this Schedule the value of that claim holding is deemed to have been reduced by reference to an amount due by way of development charge, the value of that holding at the time of the pledge is not to be taken to have been less than the amount credited for the purposes of the pledge by reference to the holding.

(4) In the case of the claim holding representing the part of the benefit of an established claim which was the subject of the relevant disposition, if it was not a claim holding to which sub-paragraph (5) of this paragraph applies—

(a) the area of that claim holding is to be taken to be the claim area of that established claim, less the area of any claim holding to which the said sub-paragraph (5) applies which represents part of the benefit of the same established claim ; and

(b) the value of the claim holding immediately after the relevant disposition is, subject to sub-paragraphs (2) and (3) of this paragraph, to be taken to have been that part of the amount of the established claim to which the holder purported to become entitled under the terms of the relevant disposition.

(5) Where any person who was entitled to a claim holding representing part only of the benefit of an established claim—

(a) at any time while so entitled was also entitled to the interest in land to which the established claim related in so far as that interest subsisted in part only of the claim area ; and

- (b) became entitled to both that holding and that interest in such circumstances that the authority making the apportionment in question or the Lands Tribunal, as the case may be, were or are satisfied that the holding and the interest were intended to relate to one another,

the area of that claim holding is to be taken to be that part of the claim area, and the value of the holding immediately after the relevant disposition (however that or any other disposition affecting the holding was expressed, but subject to sub-paragraphs (2) to (4) of this paragraph) is to be taken to have been an amount equal to so much of the amount of the established claim as might reasonably be expected to have been attributed to that part of the claim area if the authority determining the amount of that established claim had been required to apportion it, in accordance with the same principles as applied to its determination, between that part and the residue of the claim area.

16. Paragraph 1 of this Schedule shall apply for the purposes of this Part of this Schedule as it applies for the purposes of Part I thereof.

PART IV

ADJUSTMENT IN RESPECT OF PAYMENTS UNDER PART I OF ACT OF 1954

17. The provisions of this Part of this Schedule shall have effect where, by virtue of Part I of the Act of 1954, a payment became or becomes payable in respect of a claim holding.

18. Subject to the following provisions of this Part of this Schedule, if either—

- (a) the principal amount of the payment was or is not less than the value of the claim holding ; or
- (b) the payment (whatever its amount) became or becomes payable under Case D (that is to say, by virtue of section 8 of the Act of 1954, which related to cases where a claim holding had been disposed of for valuable consideration),

the claim holding shall be deemed to have been extinguished ; and if the principal amount of the payment (not being a payment under Case D) was or is less than the value of the claim holding, the value of that holding shall be deemed to have been reduced by the principal amount of the payment.

19. Paragraph 18 of this Schedule shall apply where two or more payments under Part I of the Act of 1954 were or are payable in respect of the same claim holding, with the substitution, for references to the principal amount of the payment, of references to the aggregate of the principal amounts of the payments.

20.—(1) Where one or more relevant acts or events have occurred in relation to a claim holding (in this paragraph referred to as “the parent holding”) and any such act or event did not extend to the whole of the area of the parent holding, then, for the purposes of the

SCH. 15 preceding provisions of this Part of this Schedule, and for the purposes of Part V of this Schedule and of Part VII of this Act—

- (a) the parent holding shall be treated as having been divided immediately before the time of completion, into as many separate claim holdings, with such areas, as may be necessary to ensure that, in the case of each holding, either any relevant act or event extending to the area of that holding extended to the whole thereof or no relevant act or event extended to the area of that holding;
- (b) the value of each of the separate holdings respectively shall be taken to have been that fraction of the value of the parent holding which then attached to the part of the area of the parent holding constituting the area of the separate holding; and
- (c) the portion of the amount of any payment under Part I of the Act of 1954 which, by the authority determining that amount, was or is apportioned to the area of any of the separate claim holdings shall be taken to have been a payment payable under the said Part I in respect of that claim holding.

(2) In this paragraph “relevant act or event”, in relation to a claim holding, means an act or event whereby, in accordance with the provisions of Part I of the Act of 1954, one or more payments became or become payable in respect of that claim holding.

21. For the purposes of this Part of this Schedule—

- (a) a payment shall be treated as having become payable notwithstanding that the right to receive the payment was extinguished by section 14(2) of the Act of 1954 (which enabled the Central Land Board to set off payments against liabilities in respect of development charges);
- (b) any reduction of the principal amount of a payment by virtue of that subsection shall be disregarded; and
- (c) where in accordance with subsection (3) of section 14 or subsection (6) of section 58 of the Act of 1954 (which provided for cases of failure to apply for a payment within the appropriate period) an amount was determined as being the principal amount of a payment to which a person would have been entitled as mentioned in those subsections respectively, that payment shall be treated as if it had become due and as if the principal amount thereof had been the amount so determined.

22.—(1) Where in accordance with the preceding provisions of this Part of this Schedule a claim holding is deemed to have been extinguished or the value of a claim holding is deemed to have been reduced, the extinguishment or reduction, as the case may be, shall be deemed to have had effect immediately before the time of completion.

(2) References in this Part of this Schedule to the value of a claim holding are references to the value thereof immediately before the time of completion.

PART V

SCH. 15

ADJUSTMENT IN RESPECT OF COMPENSATION UNDER PART V OF ACT OF 1954

23. Where compensation under Part V of the Act of 1954 became or becomes payable by reference to a claim holding, then (subject to the following provisions of this Part of this Schedule) for the purposes of Part VII of this Act—

- (a) if the principal amount of the compensation was or is equal to the value of the claim holding at the time of completion (ascertained apart from this Part of this Schedule) the claim holding shall be deemed to have been extinguished immediately before that time ;
- (b) if the principal amount of the compensation was or is less than the value of the claim holding at that time (ascertained apart from this Part of this Schedule) the value of the claim holding shall be deemed to have been reduced immediately before that time by the principal amount of the compensation.

24. Where compensation became or becomes payable as mentioned in paragraph 23 of this Schedule, and at any time an amount became or becomes recoverable in respect thereof under section 29 of the Act of 1954, as applied by section 46 of that Act, or under section 159 of this Act as applied by Schedule 24 to this Act to compensation under Part V of the Act of 1954, then, for the purposes of Part VII of this Act, paragraph 23 of this Schedule shall have effect as from that time as if the principal amount of that compensation had been reduced by a sum equal to seven-eighths of the amount which so became or becomes recoverable.

25. Where, in the case of a claim holding (in this paragraph referred to as "the parent holding"), compensation under Part V of the Act of 1954 became or becomes payable in respect of depreciation of the value of an interest in land by one or more planning decisions or orders, and any such decision or order did not extend to the whole of the area of the parent holding, then, both for the purposes of the preceding provisions of this Part of this Schedule and for the purposes of Part VII of this Act—

- (a) the parent holding shall be treated as having been divided immediately before the time of completion into as many separate claim holdings, with such areas, as may be necessary to ensure that, in the case of each holding, either any such decision or order extending to the area of that holding extended to the whole thereof or no such decision or order extended to the area of that holding ;
- (b) the value of each of the separate holdings respectively shall be taken to have been that fraction of the value of the parent holding which then attached to the part of the area of the parent holding constituting the area of the separate holding ; and

SCH. 15

- (c) the portion of the amount of any such compensation which, by the authority determining that amount, was or is apportioned to the area of any of the separate claim holdings shall be taken to have been compensation payable under Part V of the Act of 1954 in respect of that claim holding.

PART VI

SUPPLEMENTARY PROVISIONS

26. Where in accordance with any of the provisions of this Schedule a part of the benefit of an established claim constituted a separate claim holding, the interest in land to which that claim holding related—

- (a) if the established claim related to the fee simple of the claim area, shall be taken to have been the fee simple of the area of the claim holding ;
- (b) if the established claim related to a leasehold interest, shall be taken to have been that leasehold interest in so far as it subsisted in the area of the claim holding.

27. Where in accordance with any of the provisions of this Schedule a claim holding (in this paragraph referred to as “the parent holding”) is to be treated as divided into two or more claim holdings, a person who was the holder of one of those holdings shall be treated as having been the holder thereof at any time when he was the holder of the parent holding.

28. Expressions used in this Schedule and in Part VII of this Act have the same meanings in this Schedule as in that Part of this Act.

29. In this Schedule “the holder”, in relation to a claim holding, means the person for the time being entitled to the holding, or, in the case of a holding subject to a mortgage made otherwise than by way of assignment, means the person who would for the time being have been entitled to the holding if it had not been mortgaged, and “the time of completion” means the time when, in accordance with section 138 of this Act, the adjustment of claim holdings is deemed to have been completed.

Section 141.

SCHEDULE 16

CALCULATION OF VALUE OF PREVIOUS DEVELOPMENT OF LAND

1. Where for the purposes of section 141 of this Act the value of any development initiated before a time referred to in that section has to be ascertained with reference to that time, the value of the development shall be calculated in accordance with the provisions of this Schedule.

2. Subject to the following provisions of this Schedule, the value shall be calculated by reference to prices current at the time in question—

- (a) as if the development had not been initiated, but the land had remained in the state in which it was immediately before the development was initiated ; and

- (b) on the assumption that (apart from the provisions of Part III of this Act, the provisions of Part III of the Act of 1962 or the provisions of the Act of 1947, as the case may be) the development could at that time lawfully be carried out,

SCH. 16

and shall be taken to be the difference between the value which in those circumstances the land would have had at that time if planning permission for that development had been granted unconditionally immediately before that time and the value which in those circumstances the land would have had at that time if planning permission for that development had been applied for and refused immediately before that time, and it could be assumed that planning permission for that development, and any other new development of that land, would be refused on any subsequent application.

3. If the development involved the clearing of any land, the reference in paragraph (2)(a) of this Schedule to the state of the land immediately before the development shall be construed as a reference to the state of the land immediately after the clearing thereof but before the carrying out of any other operations.

4.—(1) If the development was initiated in pursuance of planning permission granted subject to conditions, paragraph 2 of this Schedule shall apply as if the reference to the granting of permission unconditionally were a reference to the granting of permission subject to the like conditions.

(2) If the permission referred to in sub-paragraph (1) of this paragraph was granted subject to conditions which consisted of, or included, a requirement expressed by reference to a specified period, the reference in that sub-paragraph to the like conditions shall be construed, in relation to the condition imposing that requirement, as a reference to a condition imposing the like requirement in respect of a period of like duration beginning at the time in question.

5. In the application of the preceding provisions of this Schedule to development initiated, but not completed, before the time in question, references to permission for that development shall be construed as references to permission for so much of that development as had been carried out before that time.

SCHEDULE 17

Section 142.

APPORTIONMENT OF UNEXPENDED BALANCE OF ESTABLISHED DEVELOPMENT VALUE

Determination of relevant area

1.—(1) Where, in the case of a compulsory acquisition to which section 142 of this Act applies, any area of the relevant land which, immediately before the relevant date, has an unexpended balance of established development value does not satisfy the conditions set out in sub-paragraph (2) of this paragraph, that area shall

SEC. 17 be treated as divided into as many separate areas as may be requisite to ensure that each of those separate areas satisfies those conditions.

(2) The conditions referred to in sub-paragraph (1) of this paragraph are—

- (a) that all the interests (other than excepted interests) subsisting in the area in question subsist in the whole of that area ; and
- (b) that any rentcharge charged on that area is charged on the whole of it.

(3) Any area of the relevant land which has an unexpended balance of established development value and which complies with the conditions set out in sub-paragraph (2) of this paragraph is in this Schedule referred to, in relation to the interests subsisting therein, as “the relevant area”, and the subsequent provisions of this Schedule shall have effect separately in relation to each relevant area.

Preliminary calculations

2. There shall be calculated the amount referable to the relevant area of the rent which might reasonably be expected to be reserved if the relevant land were to be let on terms prohibiting the carrying out of any new development but permitting the carrying out of any other development ; and the amount so calculated is in this Schedule referred to as “the existing use rent”.

3.—(1) If, in the case of an interest in fee simple which is subject to a rentcharge, or in the case of a tenancy, so much of the rent reserved under the rentcharge or tenancy as is referable to the relevant area exceeds the existing use rent, there shall be calculated the capital value of the right to receive, for the period of the remainder of the term of the rentcharge or tenancy, an annual payment equal to the excess ; and any amount so calculated in the case of any interest is in this Schedule referred to as “the rental liability” of that interest.

(2) Where the interest in fee simple is subject to more than one rentcharge, then, for the purposes of sub-paragraph (1) of this paragraph, in relation to any period included in the term of two or more of those rentcharges, those two or more rentcharges shall be treated as a single rentcharge charged on the relevant area for the duration of that period, with a rent reserved thereunder of an amount equal to the aggregate of so much of their respective rents as is referable to the relevant area.

4. In the case of any interest in reversion—

- (a) there shall be calculated the capital value, as at the time immediately before the relevant date, of the right to receive a sum equal to the unexpended balance of established development value of the relevant area at that time, but payable at the end of the tenancy upon the termination of

which the interest in question is immediately expectant ; and the amount so calculated in the case of any interest is in this Schedule referred to as "the reversionary development value" of that interest ;

SCH. 17

- (b) if so much of the rent reserved under the said tenancy as is referable to the relevant area exceeds the existing use rent, there shall also be calculated the capital value as at the said time of the right to receive, for the period of the remainder of the term of that tenancy, an annual payment equal to the excess ; and any amount so determined in the case of any interest is in this Schedule referred to as "the rental increment" of that interest.

Apportionment of unexpended balance between interests

5. Where two or more interests (other than excepted interests) subsist in the relevant area, the portion of the unexpended balance of established development value of the relevant area attributable to each of those interests respectively shall be taken to be the following, that is to say—

- (a) in the case of the interest in fee simple, an amount equal to the reversionary development value of that interest, less the amount (if any) by which any rental liability of that interest exceeds any rental increment thereof ;
- (b) in the case of a tenancy in reversion, an amount equal to the reversionary development value of that tenancy, less the aggregate of—
- (i) the reversionary development value of the interest in reversion immediately expectant upon the termination of that tenancy ; and
 - (ii) the amount (if any) by which any rental liability of that tenancy exceeds any rental increment thereof ;
- (c) in the case of a tenancy other than a tenancy in reversion, the remainder (if any) of the said balance after the deduction of the aggregate of—
- (i) the reversionary development value of the interest in reversion immediately expectant upon the termination of that tenancy ; and
 - (ii) any rental liability of that tenancy.

Application of Schedule to past acquisitions

6. In relation to any compulsory acquisition to which section 142 of this Act applies, where the relevant date was a date before the commencement of this Act, the preceding provisions of this Schedule shall have effect with the necessary modifications.

Interpretation

7. In this Schedule—

- (a) "the relevant land", in relation to a compulsory acquisition to which section 142 of this Act applies, means the land in which the interest acquired subsisted or subsists ;

SCH. 17

- (b) "tenancy" does not include an excepted interest ;
- (c) any reference to an interest or tenancy in reversion does not include an interest or tenancy in reversion immediately expectant upon the termination of an excepted interest ;
- (d) "the relevant date" and "excepted interest" have the same meanings as in section 142 of this Act ; and
- (e) other expressions have the same meanings as in Part VII of this Act.

Sections 168,
169, 180 and 278.

SCHEDULE 18

CONDITION TREATED AS APPLICABLE TO REBUILDING AND
ALTERATIONS

1. Where the building to be rebuilt or altered is the original building, the amount of gross floor space in the building as rebuilt or altered which may be used for any purpose shall not exceed by more than ten per cent. the amount of gross floor space which was last used for that purpose in the original building.

2. Where the building to be rebuilt or altered is not the original building, the amount of gross floor space in the building as rebuilt or altered which may be used for any purpose shall not exceed the amount of gross floor space which was last used for that purpose in the building before the rebuilding or alteration.

3. In determining under this Schedule the purpose for which floor space was last used in any building, no account shall be taken of any use in respect of which an effective enforcement notice has been or could be served or, in the case of a use which has been discontinued, could have been served immediately before the discontinuance.

4. For the purposes of this Schedule gross floor space shall be ascertained by external measurement ; and where different parts of a building are used for different purposes, floor space common to those purposes shall be apportioned rateably.

5. In relation to a building erected after the appointed day, being a building resulting from the carrying out of any such works as are described in paragraph 1 of Schedule 8 to this Act, any reference in this Schedule to the original building is a reference to the building in relation to which those works were carried out and not to the building resulting from the carrying out of those works.

Section 190.

SCHEDULE 19

PROCEEDINGS ON LISTED BUILDING PURCHASE NOTICE

Action by council on whom listed building purchase notice is served

1.—(1) The council on whom a listed building purchase notice is served, shall, before the end of the period of three months beginning with the date of service of that notice, serve on the owner by whom the purchase notice was served a notice stating either—

- (a) that the council are willing to comply with the purchase notice ; or

- (b) that another local authority or statutory undertakers specified in the notice under this sub-paragraph have agreed to comply with it in their place ; or
- (c) that for reasons specified in the notice under this sub-paragraph, the council are not willing to comply with the purchase notice and have not found any other local authority or statutory undertakers who will agree to comply with it in their place and that they have transmitted a copy of the purchase notice to the Secretary of State, on a date specified in the notice under this sub-paragraph, together with a statement of the reasons so specified.

SCH. 19

(2) Where the council on whom a listed building purchase notice is served by an owner have served on him a notice in accordance with sub-paragraph (1)(a) or (b) of this paragraph the council, or the other local authority or statutory undertakers specified in the notice, as the case may be, shall be deemed to be authorised to acquire the interest of the owner compulsorily in accordance with the provisions of section 114 of this Act, and to have served a notice to treat in respect thereof on the date of service of the notice under sub-paragraph (1) of this paragraph.

(3) Where the council on whom a listed building purchase notice is served by an owner propose to serve on him a notice in accordance with sub-paragraph (1)(c) of this paragraph they shall transmit a copy of the purchase notice to the Secretary of State together with a statement of their reasons ; and section 182 of this Act shall then apply in relation to the purchase notice as it applies in relation to a purchase notice under section 180 of this Act with the substitution for references therein to the Secretary of State taking action under section 183 of this Act of references to his taking action under paragraph 2 of this Schedule.

Action by Secretary of State in relation to listed building purchase notice

2.—(1) Subject to the following provisions of this paragraph, if the Secretary of State is satisfied that the conditions specified in section 190(1)(a) to (c) of this Act are fulfilled in relation to a listed building purchase notice, he shall confirm the notice :

Provided that, if he is satisfied that the said conditions are fulfilled only in respect of part of the land, he shall confirm the notice only in respect of that part and the notice shall have effect accordingly.

(2) The Secretary of State shall not confirm the purchase notice unless he is satisfied that the land comprises such land contiguous or adjacent to the building as is in his opinion required for preserving the building or its amenities, or for affording access to it, or for its proper control or management.

(3) If it appears to the Secretary of State to be expedient to do so in the case of a listed building purchase notice served on account of listed building consent being refused or granted subject to conditions,

SECT. 19

he may, in lieu of confirming the purchase notice, grant listed building consent for the works in respect of which the application was made or, where such consent for those works was granted subject to conditions, revoke or amend those conditions so far as it appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of those works.

(4) If it appears to the Secretary of State to be expedient to do so, in the case of a listed building purchase notice served on account of listed building consent being revoked or modified by an order under Part II of Schedule 11 to this Act, he may, in lieu of confirming the notice, cancel the order revoking the consent or, where the order modified the consent by the imposition of conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of the works in respect of which the consent was granted.

(5) If it appears to the Secretary of State that the land, or any part of it, could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out of any other works for which listed building consent ought to be granted, he may in lieu of confirming the listed building purchase notice or in lieu of confirming it so far as it relates to that part of the land, as the case may be, direct that listed building consent for those works shall be granted in the event of an application being made in that behalf.

(6) If it appears to the Secretary of State that the land, or any part of the land, could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out of any development for which planning permission ought to be granted, he may, in lieu of confirming the listed building purchase notice, or in lieu of confirming it so far as it relates to that part of the land, as the case may be, direct that planning permission for that development shall be granted in the event of an application being made in that behalf.

(7) If it appears to the Secretary of State, having regard to the probable ultimate use of the building or the site thereof, that it is expedient to do so, he may, if he confirms the notice, modify it either in relation to the whole or in relation to any part of the land, by substituting another local authority or statutory undertakers for the council on whom the notice was served.

(8) In section 182 of this Act as applied by paragraph 1(3) of this Schedule, any reference to the taking of action by the Secretary of State under this paragraph is a reference to the taking by him of any such action as is mentioned in sub-paragraphs (1) or (3) to (7) of this paragraph, or to the taking by him of a decision not to confirm the purchase notice on the grounds that any of the conditions referred to in sub-paragraph (1) of this paragraph are not fulfilled.

Effect of Secretary of State's action in relation to listed building purchase notice

3.—(1) Where the Secretary of State confirms a listed building purchase notice, the council on whom the notice was served (or, if under paragraph 2(7) of this Schedule the Secretary of State modified

the notice by substituting another local authority or statutory undertakers for that council, that other local authority or those statutory undertakers) shall be deemed to be authorised to acquire the relevant interest compulsorily in accordance with the provisions of section 114 of this Act and to have served a notice to treat in respect thereof on such date as the Secretary of State may direct.

(2) If, before the end of the relevant period, the Secretary of State has neither confirmed the purchase notice nor taken any such action in respect thereof as is mentioned in sub-paragraphs (3) to (6) of paragraph 2 of this Schedule, and has not notified the owner by whom the notice was served that he does not propose to confirm the notice, the notice shall be deemed to be confirmed at the end of that period and the council on whom the notice was served shall be deemed to have been authorised to acquire the relevant interest compulsorily in accordance with the provisions of section 114 of this Act and to have served a notice to treat in respect thereof at the end of that period.

(3) In this paragraph—

(a) “the relevant interest” means the owner’s interest in the land or, if the purchase notice is confirmed by the Secretary of State in respect of only part of the land, the owner’s interest in that part;

(b) “the relevant period” is whichever of the following periods first expires, that is to say—

(i) the period of nine months beginning with the date of the service of the purchase notice; and

(ii) the period of six months beginning with the date on which a copy of the purchase notice was transmitted to the Secretary of State.

(4) Where the Secretary of State has notified the owner by whom a listed building purchase notice has been served of a decision on his part to confirm, or not to confirm, the notice (including any decision to confirm the notice only in respect of part of the land, or to give any direction as to the granting of listed building consent), and that decision of the Secretary of State is quashed under the provisions of Part XII of this Act, the purchase notice shall be treated as cancelled, but the owner may serve a further listed building purchase notice in its place.

(5) For the purposes of any regulations made under this Act as to the time within which a listed building purchase notice may be served, the service of a listed building purchase notice under sub-paragraph (4) of this paragraph shall not be treated as out of time if the notice is served within the period which would be applicable in accordance with those regulations if the decision to refuse listed building consent or to grant it subject to conditions (being the decision in consequence of which the notice is served) had been made on the date on which the decision of the Secretary of State was quashed as mentioned in sub-paragraph (4) of this paragraph.

SCH. 19*Special provision as to compensation where listed building purchase notice served*

4. Where in consequence of listed building consent being revoked or modified by an order under Part II of Schedule 11 to this Act, compensation is payable by virtue of section 172 of this Act in respect of expenditure incurred in carrying out any works to the building in respect of which the consent was granted, then if a listed building purchase notice is served in respect of an interest in the land, any compensation payable in respect of the acquisition of that interest in pursuance of the notice shall be reduced by an amount equal to the value of the works in respect of which compensation is payable by virtue of that section.

Section 217.

SCHEDULE 20

PROCEDURE IN CONNECTION WITH
ORDERS RELATING TO FOOTPATHS AND BRIDLEWAYS

PART I

CONFIRMATION OF ORDERS

1.—(1) Before an order under section 210 or 214(1)(b) of this Act is submitted to the Secretary of State for confirmation or confirmed as an unopposed order, the authority by whom the order was made shall give notice in the prescribed form—

- (a) stating the general effect of the order and that it has been made and is about to be submitted for confirmation or to be confirmed as an unopposed order ;
- (b) naming a place in the area in which the land to which the order relates is situated where a copy of the order may be inspected free of charge at all reasonable hours ; and
- (c) specifying the time (not being less than twenty-eight days from the date of the first publication of the notice) within which, and the manner in which, representations or objections with respect to the order may be made.

(2) Subject to sub-paragraph (4) of this paragraph, the notice to be given under sub-paragraph (1) of this paragraph shall be given—

- (a) by publication in the London Gazette and in at least one local newspaper circulating in the area in which the land to which the order relates is situated ; and
- (b) by serving a like notice on—

(i) every owner, occupier and lessee (except tenants for a month or a period less than a month and statutory tenants within the meaning of the Rent Act 1968) of any of that land ;

(ii) every council, the council of every rural parish and the parish meeting of every rural parish not having a separate parish council, being a council or parish whose area includes any of that land ; and

(iii) any statutory undertakers to whom there belongs, or by whom there is used, for the purposes of their undertaking, any apparatus under, in, on, over, along or across that land ; and

(c) by causing a copy of the notice to be displayed in a prominent position at the ends of so much of any footpath or bridleway as is to be stopped up, diverted or extinguished by virtue of the order.

(3) In sub-paragraph (2) of this paragraph "council" means a county council, a county borough council, a county district council, the Greater London Council or a London borough council.

(4) Except in the case of an owner, occupier or lessee being a local authority or statutory undertakers, the Secretary of State may in any particular case direct that it shall not be necessary to comply with sub-paragraph (2)(b)(i) of this paragraph ; but if he so directs in the case of any land, then in addition to publication the notice shall be addressed to "the owners and any occupiers" of the land (describing it) and a copy or copies of the notice shall be affixed to some conspicuous object or objects on the land.

2. If no representations or objections are duly made, or if any so made are withdrawn, the authority by whom the order was made may, instead of submitting the order to the Secretary of State, themselves confirm the order (but without any modification).

3.—(1) If any representation or objection duly made is not withdrawn, the Secretary of State shall, before confirming the order, if the objection is made by a local authority cause a local inquiry to be held, and in any other case either—

(a) cause a local inquiry to be held ; or

(b) afford to any person by whom any representation or objection has been duly made and not withdrawn an opportunity of being heard by a person appointed by the Secretary of State for the purpose,

86.—(1) Where the functions of a Minister under any enactment re-enacted or referred to in this Act have at any time been exercisable by another Minister or other Ministers, references in the relevant provision of this Act shall, as respects any such time, be construed as references to the other Minister or Ministers.

(2) In this paragraph “Minister” includes the Board of Trade and the Treasury.

Schemes and agreements under enactments repealed by Act of 1947

87.—(1) The repeal effected by the Act of 1962 shall not affect the operation of—

- (a) any such scheme as was mentioned in paragraph 7 of Schedule 10 to the Act of 1947 (which related to certain schemes made under the Town and Country Planning Act 1932 and the Town Planning Act 1925) in so far as, by virtue of that paragraph, the scheme continued to have effect immediately before the commencement of this Act ; or
- (b) any order made under that paragraph (which empowered the Minister to make provision by order for winding up any such scheme) in so far as the order continued to have effect immediately before the commencement of this Act.

1932 c. 48.
1925 c. 16.

(2) Any power to make orders under paragraph 7 of that Schedule shall continue to be exercisable notwithstanding the said repeal.

88.—(1) The repeal effected by the Act of 1962 shall not affect the operation of any such agreement as was mentioned in paragraph 10 of Schedule 10 to the Act of 1947 (which related to certain agreements made before the appointed day for restricting the planning, development or use of land), or of any order discharging or modifying a restriction imposed by such an agreement, in so far as any such agreement or order was in force immediately before the commencement of this Act ; and any such agreement may be enforced as if the Act of 1962 and this Act had not been passed.

(2) Nothing in any such agreement shall be construed as restricting the exercise, in relation to land to which the agreement applies, of any powers exercisable by any Minister or authority under this Act, so long as those powers are exercised in accordance with the

provisions of the development plan, or in accordance with any directions which may have been given by the Secretary of State by virtue of paragraph 6 of Schedule 6 to this Act, or as requiring the exercise of any such powers otherwise than in accordance with such provisions or directions.

(3) If the Secretary of State is satisfied, on application made to him by any person being a party to any such agreement, or a person entitled to land affected thereby, or by the local planning authority, that any restriction on the development or use of the land imposed by the agreement is inconsistent with the proper planning or development of the area comprising the land, he may by order discharge or modify that restriction so far as appears to him to be expedient.

(4) Without prejudice to sub-paragraph (3) of this paragraph, if any person being a party to any such agreement (whether as originally made or as modified under that sub-paragraph), or a person entitled to land affected thereby, claims that the agreement ought to be modified or rescinded, having regard to the provisions of this Act or to anything done under this Act or under the Act of 1947 or the Act of 1962, he may refer to arbitration the question whether the agreement should be so modified or rescinded, and the arbitrator may make such award as appears to him to be just having regard to all the circumstances.

Development authorised under enactments repealed by Act of 1947

89.—(1) Where any works on land existing at the appointed day, or any use to which land was put on that day, had been authorised by a permission granted subject to conditions under a scheme under the Town and Country Planning Act 1932 (or under an enactment ^{1932 c. 48.} repealed by that Act) or under an order made under section 10(1) of that Act (in the subsequent provisions of this Schedule referred to as “a planning scheme” and “an interim development order”) the provisions of Parts III and V of this Act, the provisions of Part IX of this Act relating to purchase notices, and the provisions of sections 225 to 228 of this Act, shall apply in relation to those works or that use as if the conditions had been imposed on the grant of planning permission.

(2) Without prejudice to the generality of sub-paragraph (1) of this paragraph, where any such permission was granted subject to conditions (in whatever form) restricting the period for which the works or use might be continued on the land, then, if that period had not expired at the appointed day and the works were or are not removed, or the use discontinued, at the end of that period, the provisions of Part V of this Act relating to enforcement notices shall apply in relation thereto as if the works had been carried out, or the use begun, as the case may be, at the end of that period and without the grant of planning permission in that behalf.

(3) The power of a local planning authority under Part III of this Act to grant permission for the retention on land of buildings or works constructed or carried out before the date of the application, or the continuance of any use of land instituted before that date,

SCH. 24 shall include power to grant such permission in respect of any works or use authorised by a permission granted subject to any such conditions as are mentioned in sub-paragraph (2) of this paragraph.

1946 c. 35. (4) Where at any time before the appointed day it was determined under the Building Restrictions (War-Time Contraventions) Act 1946 that any works on land or any use of land should be deemed to comply with planning control (within the meaning of that Act) subject to any conditions specified in the determination, the provisions of this paragraph shall apply in relation to those works or that use as if those conditions had been imposed on the grant of permission under a planning scheme or an interim development order.

1943 c. 34. (5) Provision may be made by regulations under this Act for applying the preceding provisions of this paragraph, subject to such adaptations and modifications as may be specified in the regulations, to works on land carried out, or uses of land begun, at any time before the appointed day, in accordance with permission granted subject to conditions under any enactment repealed by the Act of 1947, other than the enactments relating to town and country planning; and for the purposes of this provision any works or use in respect of which a notice was served under subsection (1) of section 1 of the Restriction of Ribbon Development (Temporary Development) Act 1943 or was deemed by virtue of subsection (4) of that section to have been so served, shall be treated as carried out or begun in accordance with permission granted subject to a condition restricting the period for which the works or use might be continued on the land.

90.—(1) Where permission for any development of land was granted, at any time after 21st July 1943 and before the appointed day, on an application in that behalf made under an interim development order, then, if and so far as that development was not carried out before the appointed day and the permission was in force immediately before that day, planning permission shall be deemed to have been granted in respect thereof subject to the like conditions (if any) as were imposed by the permission under the interim development order as it had effect immediately before the appointed day:

1935 c. 47. Provided that this sub-paragraph shall not apply in relation to any development for which permission was required before the appointed day under the Restriction of Ribbon Development Act 1935 unless that permission was also granted.

(2) The provisions of section 45 of this Act shall apply in relation to planning permission which is deemed to have been granted by virtue of this paragraph as if it had been granted on an application under Part III of this Act; and, in relation to any order made under that section for the revocation or modification of any such permission, any reference in section 164(3) of this Act to the grant of permission shall be construed as a reference to the grant of the permission under the interim development order.

(3) Where permission for any development of land was granted as mentioned in sub-paragraph (1) of this paragraph, and permission for that development was also granted under the Restriction of Ribbon Development Act 1935 then, if the permission so granted under the said Act of 1935 was granted subject to conditions, those conditions shall be treated for the purposes of this paragraph as conditions imposed by the permission granted under the interim development order. SCH. 24
1935 c. 47.

91.—(1) Where any works for the erection or alteration of a building had been begun but not completed before the appointed day, then if—

- (a) immediately before that day those works could have been completed in conformity with the provisions of a planning scheme or of permission granted thereunder, or in accordance with permission granted by or under an interim development order ; and
- (b) where any permission was required under the Restriction of Ribbon Development Act 1935 for the carrying out of those works, that permission was granted,

planning permission shall be deemed to have been granted in respect of the completion of those works.

(2) The planning permission deemed to have been granted by virtue of this paragraph shall be deemed to have been so granted subject to any conditions applicable thereto under the scheme or the permission granted by or under the interim development order, as the case may be, and to any conditions imposed by the permission (if any) granted under the Restriction of Ribbon Development Act 1935 and shall include permission to use the building, when erected or altered—

- (a) where the purpose for which it could be so used was prescribed by or under the planning scheme, or by the permission granted by or under the interim development order, as the case may be, for that purpose ;
- (b) in any other case, for the purpose for which the building, or the building as altered, was designed.

(3) In relation to any such works as are mentioned in sub-paragraph (1) of this paragraph, being works in respect of which permission was granted after 21st July 1943, on an application in that behalf made under an interim development order, the provisions of this paragraph shall have effect in substitution for the provisions of paragraph 90 of this Schedule.

92.—(1) Any reference in Part VII of this Act, or in Schedule 15 thereto, to a planning decision shall, where the context so admits, include a reference to any decision deemed to have been made by virtue of the provisions of paragraph 90 or paragraph 91 of this Schedule.

(2) Sub-paragraph (1) of this paragraph shall have effect without prejudice to the provisions of Part I of this Schedule.

93. As respects any time before the coming into force of section 3 of the Courts Act 1971, sections 106, 114(7) and 117(6) of this Act shall have effect as if for references to the Crown Court there were substituted references to a court of quarter sessions.

Supplementary

94.—(1) Where in this Act (including this Schedule except Part I thereof) express provision is made in respect of any matter, the provisions of Part I of this Schedule, in so far as they are applicable to that matter, shall have effect subject to that express provision.

(2) Except as provided by sub-paragraph (1) of this paragraph, the mention in any provisions of this Act (including this Schedule except Part I thereof) of any matter to which Part I of this Schedule is applicable shall not be construed as affecting the generality of the provisions of Part I of this Schedule.

Banking and Financial Dealings Act 1971

1971 CHAPTER 80

An Act to make new provision in place of the Bank Holidays Act 1871, to confer power to suspend financial and other dealings on bank holidays or other days, and to amend the law relating to bills of exchange and promissory notes with reference to the maturity of bills and notes and other matters affected by the closing of banks on Saturdays, and for purposes connected therewith. [16th December 1971]

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Bank holidays.

1.—(1) Subject to subsection (2) below, the days specified in Schedule 1 to this Act shall be bank holidays in England and Wales, in Scotland and in Northern Ireland as indicated in the Schedule.

(2) If it appears to Her Majesty that, in the special circumstances of any year, it is inexpedient that a day specified in Schedule 1 to this Act should be a bank holiday, Her Majesty may by proclamation declare that that day shall not in that year be a bank holiday and appoint another day in place of it; and the day appointed by the proclamation shall, in that year, be a bank holiday under this Act instead of the day specified in Schedule 1.

(3) Her Majesty may from time to time by proclamation appoint a special day to be, either throughout the United Kingdom or in any place or locality in the United Kingdom, a bank holiday under this Act.

(4) No person shall be compellable to make any payment or to do any act on a bank holiday under this Act which he would not be compellable to make or do on Christmas Day or Good

Friday; and where a person would, apart from this subsection, be compellable to make any payment or to do any act on a bank holiday under this Act, his obligation to make the payment or to do the act shall be deemed to be complied with if he makes or does it on the next following day on which he is compellable to make or do it.

(5) The powers conferred on Her Majesty by subsections (2) and (3) above may, as respects Northern Ireland, be exercised by the Governor of Northern Ireland.

(6) The provision made by this section for January 2nd or 3rd to be a bank holiday in Scotland shall have effect for the year 1973 and subsequent years.

2.—(1) If it appears to the Treasury necessary or expedient so to do in the national interest, they may by order (made by statutory instrument, which shall be laid before Parliament after being made) give, with respect to a day specified in the order, all or any of the following directions, namely:—

Power to suspend financial dealings.

- (a) a direction that, subject to any exceptions for which provision may be made by the order, no person carrying on the business of a banker shall, except with permission granted by or on behalf of the Treasury, effect on that day, in the course of that business, any transaction or, according as may be specified in the order, a transaction of such kind as may be so specified;
- (b) a direction that, subject as aforesaid, no authorised dealer in foreign currency shall, on that day, except with permission so granted, deal in any foreign currency or, according as may be specified in the order, foreign currency of such kind as may be so specified;
- (c) a direction that, subject as aforesaid, no authorised dealer in gold shall on that day, except with permission so granted, deal in any gold;
- (d) a direction that, subject as aforesaid, no person shall on that day, except with permission so granted, deal in silver bullion;
- (e) a direction that, subject as aforesaid, no member of any commodity exchange or, as the case may be, of any such commodity exchange as may be specified in the order, shall, on that day, except with permission so granted, deal thereon in futures in any commodity or, according as may be so specified, in futures in a commodity of such kind as may be so specified;
- (f) a direction that the Post Office shall, on that day, suspend the operation of any banking service provided by it in exercise of the power conferred on it by section 7(1)(b) of the Post Office Act 1969; and

1969 c. 48.

N

(g) a direction that no member of a stock exchange in the United Kingdom shall, on that day, effect any transaction on that exchange.

(2) Subsection (1)(a) above shall not authorise the giving of directions to a person carrying on the business of a savings bank in respect of that business, nor to the Post Office in respect of any business carried on in exercise of the power conferred on it by section 7(1)(b) of the Post Office Act 1969.

1969 c. 48.

(3) An obligation on a person to do a thing on a day on which he is prevented from doing it by an order under this section, or is unable to do it by reason of any such order, shall be deemed to be complied with if he does it so soon as practicable thereafter.

(4) A person who knowingly or recklessly contravenes a direction given by an order under subsection (1) of this section shall be guilty of an offence and liable—

(a) on summary conviction, to a fine of not more than £400;

(b) on conviction on indictment, to imprisonment for not more than two years or to a fine or to both.

(5) Where an offence under this section which has been committed by a body corporate is proved to have been committed with the consent or connivance of, or to be attributable to any neglect on the part of, a director, manager, secretary or other similar officer of the body corporate, or any person who was purporting to act in any such capacity he, as well as the body corporate, shall be guilty of that offence and shall be liable to be proceeded against accordingly.

Where the affairs of a body corporate are managed by its members, this subsection shall apply in relation to the acts and defaults of a member in connection with his functions of management as if he were a director of the body corporate.

(6) In this section—

“ authorised dealer in foreign currency ” means a person for the time being authorised by an order of the Treasury to act for the purposes of the Exchange Control Act 1947 as an authorised dealer in relation to any foreign currency;

“ authorised dealer in gold ” means a person for the time being authorised by an order of the Treasury to act for those purposes as an authorised dealer in relation to gold;

“ commodity exchange ” means an association established in the United Kingdom for the purpose of facilitating dealings by the members thereof in a commodity; and

1947 c. 14.

“foreign currency” and “gold” have the same meanings respectively as they have in the Exchange Control Act 1947 c. 14. 1947.

3.—(1) Section 92 of the Bills of Exchange Act 1882 (which, Bills of exchange and promissory notes. 1882 c. 61. in a case in which the time limited by that Act for doing any act or thing is less than three days, excludes non-business days from the reckoning of that time, and defines such days for the purposes of the Act) shall have effect as if, in paragraph (a) of the definition of non-business days, “Saturday” were inserted immediately before “Sunday”.

This subsection shall not operate to extend any period expiring at or before the time it comes into force.

(2) For section 14(1) of the Bills of Exchange Act 1882 (under or by virtue of which the date of maturity of a bill or promissory note that does not say otherwise is arrived at by adding three days of grace to the time of payment as fixed by the bill or note, but is advanced or postponed if the last day of grace is a non-business day) there shall be substituted, except in its application to bills drawn and notes made before this subsection comes into force, the following paragraph—

“(1) The bill is due and payable in all cases on the last day of the time of payment as fixed by the bill or, if that is a non-business day, on the succeeding business day.”

(3) This section shall come into force at the expiration of one month beginning with the date on which this Act is passed.

4.—(1) Except as otherwise provided by this Act, in any enactment or instrument passed or made before the coming into force of this section (including an enactment of the Parliament of Northern Ireland or instrument having effect under such an enactment) any reference to a bank holiday under the Bank Holidays Act 1871 or a holiday under the Holidays Extension Act 1875 shall have effect as a reference to a bank holiday under this Act. Consequential and supplementary. 1871 c. 17. 1875 c. 13.

(2) In section 94(2) of the Factories Act 1961 (which specifies for England and Wales Christmas Day, Good Friday and holidays under the Holidays Extension Act 1875 as the days to be allowed as holidays to women and young persons) for the words “and every bank holiday” there shall be substituted the words “and the days specified as bank holidays in England and Wales by Schedule 1 to the Banking and Financial Dealings Act 1971 other than 27th December in a year in which 25th December is a Sunday, except that, if in any year it is declared under section 1(2) of that Act that any of those days shall not be a bank holiday, the day substituted for that day by virtue of section 1(2) shall be substituted for it for the purposes also of this section”. 1961 c. 34.

(3) An order under section 2 above may be made with respect to a bank holiday or other day which is a non-business day for the purposes of the enactments relating to bills of exchange and promissory notes or with respect to a business day; but if a day specified under section 2(1) is otherwise a business day for those purposes, the order may declare it a non-business day.

1882 c. 61.

(4) Accordingly in section 92 of the Bills of Exchange Act 1882, in the definition of "non-business days", for the words "the Bank Holidays Act 1871 or Acts amending it" in paragraph (b) there shall be substituted the words "the Banking and Financial Dealings Act 1971", and there shall be added as a new paragraph (d):—

1871 c. 17.

"(d) a day declared by an order under section 2 of the Banking and Financial Dealings Act 1971 to be a non-business day."

(5) The enactments mentioned in Schedule 2 to this Act (which includes in Part I certain enactments already obsolete or unnecessary apart from this Act) are hereby repealed to the extent specified in column 3 of that Schedule.

and extent.

5.—(1) This Act may be cited as the Banking and Financial Dealings Act 1971.

1920 c. 67.

(2) It is hereby declared that this Act, except section 4(2), extends to Northern Ireland; but section 1 of this Act, together with section 4(1), shall be deemed for purposes of section 6 of the Government of Ireland Act 1920 to be contained in an Act passed before the appointed day.

THE INDEX TO THE STATUTES IN FORCE

These two volumes (A-K, L-Z) index by subject-matter all the existing public general statute law under well-established headings linked by numerous cross-references. The index entries have against them references to the enactment or enactments which support the subject matter.

Since the references are to enactments (and not to pages of any book), the usefulness of the volumes is not limited to any particular set of statutes.

There is a chronological table showing the headings under which each Act or section is indexed in volumes, and a similar table for Church Assembly Measures.

The INDEX provides a service which is of the utmost value and which for its adaptability is unique.
