Mr. E. M. Rine,

Vice President and General Manager.

Dear Sir:

Your letter of June 25 in regard to conductor in charge of Kingsland Shop train not requiring the men to show their transportation.

I conferred this morning with Assistant Superintendent Pierce who advised that it has been the practice of the conductor to go through the train but only ask for transportation from those with whom he was not personally acquainted. However, I have instructed that in future the conductor require all passengers to show their transportation.

Respectfully yours,

EBM-4

Copy - R.M.W.

Confirming 'phone this morning with Mr. Pierce. Please see that this is done without fail in every case in future.

Mr. E. B. Moffatt,

Dear Sir:

Reference is made in special report concerning Kingsland Shops, that the conductor in charge of Shop Train has not been asking the men to show their transportation, in order to determine whether any outsiders or employes of other roads are riding on this train.

Please look into this and advise.

Yours truly,

Vice Pres. & Gen. Mgr.
