Temporary State Control of Coal-mining Law

Chapter I

General Provisions

Article 1. The present Law shall have, as its object and as a temporary means until such time that industrial reconstruction and economic stabilization have been carried out, temporary control of coal-mining by the Government, thereby to increase coal production upon concentration of every effort of the Government, enterprisers and workers.

Article 2. Coalmine, within the meaning of this Law, is a place of work (including place of work attached thereto) for coal production.

Article 3. The Minister of Commerce and Industry, Governmental Officials holding the responsibility

for the enforcement of the Law and Coimmssioners of the Coalmine Control Committee shall respect rights and duties of coalmine enterprisers to make collective bargaining with a labor union legally established under the Labor Union Law, as to the matters excepting what have been decided by the Production Council.

Article 4. Orders issued and dispositions made in accordance with the provisions of the Law and actions taken by coalmine enterprisers according to the provisions of the Law shall be binding on the successors of the enterprisers.

Chapter II

Control Over Coalmines

Article 5. Enterprisers shall, under the provisions of Orders, submit to the competent Director of Coal Bureau the projected business plan for each year as well as quarterly business plan. This shall apply to a case where revision has been made to the projected business plan or the business plan.

The Director of Coal Bureau may, when he deems it necessary, order modification of the above-mentioned business plans, upon consultation with the Local Coalmine Control Committee.

Enterprisers may, when they deem the order as referred to above to be extraordinarily unfair, file a complaint with the Minister of Commerce and Industry.

The Minister of Commerce and Industry shall, when he deems the complaint as reasonable as a result of consultation with the All Japan Coalmine Control Committee, order the Director of Coal Bureau to cancel or revise the said Order.

Article 6. Coalmine enterprisers shall, under the supervision of the Government, have the responsibility for the enforcement of the business plans.

Article 7. Coalmine enterprisers shall, in accordance with the provisions of the Order, submit to the Director of Coal Bureau a report on the progress of the business planned.

Article 8. The Director-General of the Board of Coal or the Director of Coal Bureau may request submit tance of report as to the business of coalmine enterprisers or may cause the governmental officials concerned to audit the nature of use of funds and materials for production increase, progress of coal production and expansion work.

In case the government officials concerned have been ordered to audit as referred to in the preceding paragraph, they shall carry an identification certificate with them.

Article 9. In case where it is deemed necessary as a result of the report or audit as provided for in the Law, the Director-General of the Board of Coal may issue to coalmine enterprisers an order necessary for his supervision, upon consultation with the All Japan Coalmine Control Committee, and the Director of Coal Bureau with the Local Coalmine Control Committee.

Article 10. Coalmine enterprisers shall not stop or suspend the whole or a part of mining operation unless with approval of the Minister of Commerce and Industry.

The Minister of Commerce and Industry shall, in case he intends to give an approval as referred to above, consult with the All Japan Coalmine Control Committee.

Article 11. Lease, transfer of ownership, consignment of management of the whole or a part of mining operation or merger or dissolution of companies which are enterprisers of coal mining shall not become effective unless an approval of the Minister of Commerce and Industry has been obtained.

The Minister of Commerce and Industry shall, in case he intends to grant the approval as mentioned above, consult with the All Japan Coalmine Control Committee.

Article 12. In case where it is demed specially necessary, the Director-General of Board of Coal and the Director of Coal Bureau may issue an order to coalmine enterprisers, upon consultation with the All Japan Coalmine Control Committee and Local Coalmine Control Committee respectively, to transfer or lend the equipment or materials in the possession of the coalmine enterprisers to other coalmine enterprisers.

Any person who has received the order referred to in the preceding paragraph may transfer the ownership or lend notwithstanding provisions of other laws or ordinances.

Terms and conditions of transfer or lease mentioned in Paragraph 1 shall be subject to the mutual agreement of the parties concerned. In case they have failed to reach an agreement or they cannot open conference among them, the Director-General of Board of Coal or Director of Coal Bureau shall make a decision.

Those, who have a complaint about the price as a result of the decision in the preceding paragraph, may request by suit to increase or decrease the said price within thirty days from the date o receipt of the notice of the decision.

In the suit mentioned in the preceding paragraph, the defendant shall be the person concerned with transfer or lease.

Disposition of security or any other necessary matters in case of an order being issued in accordance with the provisions of Paragraph 1 shall be subject to an order.

Chapter III

Control Over the Designated Coalmine

Section 1

Designation of Coalmines

Article 13. The Minister of Commerce and Industry shall, upon consultation with the All Japan Coalmine Control Committee, designate coalmines to be controlled under the provisions of this Chapter in addition to the preceding Chapter (designated coalmine).

Standards of the designation in the preceding paragraph shall be decided every six months on the basis of efficiency, production cost, quality and quantity of coal produced.

The designation referred to in Paragraph 1 shall be made through Ministerial Notification.

Article 14. The Minister of Commerce and Industry may, in case he deems it unnecessary to continue the control as provided for in this Chapter, cancel the designation of the coalmines designated, upon consultation with the All Japan Coalmine Control Committee.

The provisions in Paragraph 3 of the preceding Article shall apply correspondingly to the case in the preceding paragraph.

Section 2

Business Program

Article 15. Enterprisers of the designated coalmines shall, under the provisions of Article 17, submit to the competent Director of Coal Bureau a report on a detailed quarterly business plan (business program) as to the designated coalmines.

The provisions concerning business plan in the preceding Chapter shall not apply to the designated coalmines.

Article 16. The Director of Caol Bureau shall, upon consultation with the Local Coalmine Control Committee, determine basic matters in drafting a business program as to each designated coalmine and give an instruction to enterprisers of the designated coalmines according to those baisc matters.

Article 17. Enterprisers of the designated coalmines shall, in case they have received an instruction mentioned in the preceding paragraph, cause coalmine controllers, in accordance with that instruction and as provided for in the order, to draft a business program and submit it to the competent Director of Coal Bureau.

The Coalmine controllers shall, in case they draft a plan as referred to in the preceding paragraph, consult with the Production Council.

In case coalmine controllers have failed to consult with the Production Council irrespective of the provisions of the preceding paragraph, enterprisers shall report to the competent Director of Coal Bureau to that effect as provided for in the Order and draft a business program to submit to him.

Article 18. The Director of Coal Bureau shall, when he has received a draft of business program as provided for in Paragraph 1 or 3 in the preceding Article scrutiny it and decide a business program for the designated coalmine concerned upon consultation with the Local Coalmine Control Committee and then notify to the enterpriser and controller of the said designated coalmine to that effect.

The enterpriser concerned shall, pending the instruction as mentioned in the preceding paragraph, carry on the business for the designated coalmine, as provided for in Paragraph 1 or 3 in the preceding Article, in accordance with the business program submitted to the competent Director of Coal Board.

Article 19. Enterprisers may in case they deem it necessary to make a change in the business program referred to in Paragraph 1 of the preceding Article under unavoidable circumstances, submit a revised business program to the competent Director of Coal Bureau as provided for in Order.

The provisions in Article 17 shall apply correspondingly to the preceding paragraph.

The Director of Coal Bureau shall, when he has r eceived the revised business plan as mentioned in the preceding paragraph and deems it necessary to make a revision to the original business program, make a change in the plan upon consultation with the Local Coalmine Control Committee and notify to the enterprisers and controllers concerned of that effect, without delay.

The Director of Coal Bureau may, when he deems it specially necessary, make a change in the business program of the designated coalmines, upon consultation with the Local Coalmine Control Committee, and notify to the enterprisers and controllers concerned of that effect.

Article 20. The Director of Coal Bureau may, in case he deems it necessary for carrying out the business program of the designated coalmines, issue an order or instruction necessary for his supervision upon consultation with the Local Coalmine Control Committee.

Enterprisers or controllers of the designated coalmine may, in case they have a complaint about the order or instruction mentioned in the preceding paragraph, file a complaint with the Minister of Commerce and Industry subject to the provisions of the Order.

The Minister of Commerce and Industry shall, in case he deems the complaint as reasonable as a result of consultation with the All Japan Coalmine Control Committee, request the Director of Coal Bureau concerned to cancel or change the said order or instruction.

Article 21. Enterprisers of the designated coalmine shall, subject to the provisions of the Order, submit a report on the progress of the business program to the competent Director of Coal Bureau.

Section 3

Controllers of Coalmines

Article 22. Enterprisers of the designated coalmines shall, when the designation of coalmine has been made or the post of coalmine controller has fallen into vacancy, appoint a controller for each designated mine, without delay.

Enterprisers shall, when they have appointed a controller under the provisions of the preceding paragraph, report to the Minister of Commerce and Industry to that effect.

Article 23. Coalmine controllers shall take the responsibility of carrying out the business program, under the supervision of the competent Director of Coal Bureau, for the realization of the most efficient operation of the coalmines concerned.

Article 24. In case where the majority of commissioners of the Production Council deems a coalmine controller as extremely unfit for the post, they may report to the Minister of Commerce and Industry to that effect, through the competent Director of Coal Board. In this case the Minister of Commerce and Industry may, upon consultation with the All Japan Coalmine Control Committee taking into consideration the opinion of the enterpriser of the coalmine concerned, request the said enterpriser to dismiss the controller concerned.

The Minister of Commerce and Industry may, in case he deems a coalmine controller as extremely unfit for the post, request, upon consultation with the All Japan Coalmine Control Committee taking into consideration the opinion of the enterpriser of the coalmine concerned, the enterpriser to dismiss the said controller.

Article 25. Enterprisers of the designated coalmine shall, under the provisions of the Order, entrust the coalmine controller with necessary competence for the execution of the business planned.

Section 4

Production Council

Article 26. There shall be established the Production Council in each of the designated coalmines.

Article 27. The Production Council shall be composed of a coalmine controller and commissioners of the Council.

Commissioners shall consist of Business Commissioners and Labor Commissioners in the equal number.

The Chairmanship of the Production Council shall be filled with a coalmine controller.

Article 28. The number of Commissioners of the Production Council shall, under the provisions of the Order, be determined by a coalmine controller.

A coalmine controller may, in case he deems it necessary and subject to the resolution of the Production Council, make a change in the number of Commissioners. However, a change in the number of Commissioners shall be made only at the time of expiration of terms for Commissioners.

In the case of the foregoing two paragraphs, a coalmine controller shall, without delay, make public notification as to the number of Commissioners by proper means.

Article 29. The Business Commissioners shall be appointed by a coalmine controller from among those engaged in the business pertaining to the designated coalmine.

The Labor Commissioners shall be appointed from among pit workers and surface workers at the ratio of 3 to 2 by a coalmine controller, with the recommendation of the labor union of the said coalmine in case the union is organized with a majority of employees and there is no other labor unions in that coalmine or with the recommendation of a majority of employees or a majority of workers representing the employees in case no recommendation has been made by the labor union or in case there is no labor union organized with a majority of workers.

Those who are recognized as representing the interest of enterpriser of the designat·d coalmine are excluded from the employees mentioned in the preceding paragraph.

The labor union referred to in Paragraph 2 shall mean such labor unions as those organized in each coalmine and as provided for in the Labor Union Law.

A Business Commissioner shall not hold the post of or represent a Labor Commissioner, and Vice Versa.

Article 30. Appointment shall be made of all the Commissioners of the Production Council at the same time, within two weeks after the date of public notification as provided for in Paragraph 3, Article 28 or after the date of expiration of term of Commissioners in case of the provisions of Paragraph 1, Article 28 or in case the term of Commissioners has expired, or within two weeks after the date of the post of Commissioner having fallen vacant or after the date of public notification as provided for in Paragraph 3, Article 28 in case the post of Commissioner has fallen vacant or the quorum of Commissioners has been increased.

Article 31. The term of Commissioners of the Production Council shall be one year. However, the term of the Commissioners who have been appointed to fill a vacancy or who have newly been appointed as a result of increase in the quorum of Commissioners shall be same with the remaining term of the other Commissioners.

Article 32. A coalmine controller shall, in case appointment has been made of the Commissioners of the Production Council submit to the competent Director of Coal Bureau a report on the names of Commissioners, without delay.

Article 33. The Production Council shall be convened by the Chairman and the agenda shall be subject to the resolution of a majority of the Commissioners present thereat. However, in case of the proviso of Paragraph 1, Article 35, all the Commissioners present thereat shall decide.

The Production Council shall not take up the agenda unless with the presence of each one or more of Business and Labor Commissioners.

The Chairman shall not participate in the decision in any case.

Article 34. Coalmine controllers shall, with the resolution of the Production Council, determine the principle of the following matters for the execution of the business plan:

1. Matters concerning operation plan;
2. Matters concerning improvement of labor efficiency or rationalization of labor conditions;
3. Matters concerning adjustment of labor conditions;
4. Matters concerning maintenance of labor;
5. Matters concerning maintenance of safety.

Coalmine controllers may, in addition to the matters referred to in the preceding paragraph, determine, with the resolution of the Production Council, the matters necessary for the execution of the business plan.

The provisions in the foregoing two paragraphs shall not apply to the matter that has been ordered or instructed as referred to in Paragraph 1, Article 20.

The Production Council may, in case it is deemed necessary for the deliberation as provided for in Paragraph 1 or 2, request an enterpriser of the designated coalmine to submit a report on the financial conditions of his enterprise.

Article 35. Coalmine controllers may, when they have failed to obtain the consent of the Production Council in the case of Paragraph 1 or 2 in the preceding Article, request a decision from the competent Director of Coal Bureau under the provisions of the Order. However, as to improvement of labor conditions and other matters relating to treatment of employees, coalmine controllers may request a decision as mentioned above only when he has obtained the consent of the production Council.

The decision of the Director of Coal Bureau as provided for in the preceding paragraph shall be subject to consultation with the Local Coalmine Control Committee.

Measures, which are to be taken in case it has been failed to obtain the consent of the production Council in order to request a decision from the Director of Coal Bureau as to the matters mentioned in the proviso to Paragraph 1, are subject to the provisions of the Labor Relations Adjustment Law.

Article 36. Besides those provided in this Law or in the Order to be issued in accordance with this Law, necessary matters as to the Production Council shall be decided by coalmine controllers with consent of the Production Council.

Section 5

Miscellaneous Provisions

Article 37. Any of the companies which are enterprisers of the designated coalmine shall not dispose of its profit unless with approval of the Minister of Commerce and Industry.

Article 38. In case it is deemed specially necessary, the Director-General of the Board of Coal may, upon consultation with the All Japan Coalmine Control Committee, or Director of Coal Bureau may, upon consultation with the Local Coalmine Control Committee, order enterprisers of the designated coalmine installation, expansion or improvement of equipment, exploitation of new pit or excavation of mine galleries.

Enterprisers of the designated coalmines may, in case they have deemed the order mentioned in the preceding paragraph to be extraordinarily unfair, file a complaint with the Minister of Commerce and Industry under the provisions of the Order.

The Minister of Commerce and Industry shall, in case he has deemed the abovementioned complaint reasonable as a result of consultation with the All Japn Coalmine Control Committee, order the Director-General of Board of Coal or the competent Director of Coal Bureau to cancel or change the said Order.

Chapter IV

Cooperation Order

Article 39. The competent Minister may, in case it is deemed specially necessary, order those who are engaged in the manufacture or sale of materials to be used for coal production, to transfer materials in the possession of them to enterprisers of coalmine.

The competent Minister may, in case it is deemed specially necessary, order the owner of idle equipment to transfer such equipment to enterprisers of coalmines.

The competent Minister may, in case it is deemed specially necessary, issue an order to those, who are engaged in the following business, in connection with repair of machinery, construction work or transportation or handling of cargoes:

1. Repair of machinery;
2. Civil engineering, construction work, construction or installation of equipment (including repair or remodelling);
3. Transportation or handling of cargo.

The provisions in Paragraphs 2 to 6 inclusive, Article 12 shall apply correspondingly to the foregoing three paragraphs. However, "The Director-General of Board of Coal or Director of Coal Bureau" referred to in Paragraph 3 of the same Article shall read "the competent Minister."

Chapter V

Indemnity for Loss

Article 40. The Government shall indemnify those, who incurred loss due to the Order or instruction under the provisions of this Law, for the loss.

The loss to be indemnified according to the provisions of the preceding paragraph shall be such one as occurs in an ordinary case.

The Order or instruction including indemnity as provided for in Paragraph 1 shall be issued so that the total amount of the said indemnity may not exceed the budget approved by the Diet.

The amount of indemnity under the provisions in Paragraph 1 shall be subject to consultation of the Minister of Commerce and Industry with the Minister of Finance and deliberation at the Coalmining Industry Losses Indemnification Investigation Conference.

Matters concerning the Coalmining Industry Losses Indemnification Investigation Conference referred to in the preceding paragraph shall be determined by the Cabinet Order.

Besides those provided in the foregoing five paragraphs, matters necessary for the indemnification for losses shall be decided by Order.

Chapter VI

Coal Bureau

Article 41. There shall be established the Coal Bureau which is to be caused to take charge of the business concerning the enforcement of the Present Law and other matters relative to coal production.

The Coal Bureau shall be placed under the control of the Minister of Commerce and Industry.

Article 42. Names, location and jurisdictional areas of Coal Bureau shall be as given in the Annex.

Article 43. The Coal Bureau shall have the following staff:

Director
Secretaries (kyoku-in)
Clerks (shuji)

The quorum of secretaries and clerks shall be decided by the Minister of Commerce and Industry to each Coal Bureau

Art. 74. Thereof Paragraph 2 a passage reading "but in case this comes under the provision of the present Article, No. 3," will be so revised "in this," while the passage of "coming wholesale under the provision of Art. 69," will be so revised "staying without the 'Inland'."

Art. 76. Thereof the Proviso is to be omitted.

Art. 78. In Par. 1 thereof the passage reading "50% of daily wages" will be so revised "60% of daily wages," while the proviso of the same paragraph and Par. 2 of the present Article are to be struck out.

Art. 79. In Par. 2 thereof the passage reading "within six months" will be so revised "within one year."

Art. 81. In the Proviso thereof the passage of "¥100" shall be changed into "¥300."

Art. 82. In Par. 1 thereof a passage reading "twenty-eight days" will be so revised "forty-two days," and another reading "50% of daily wages" so revised "60% of daily wages," while the Proviso of the same and Par. 2 of the present Article are to be removed.

Art. 83. Therefrom Par. 2 shall be removed.

Art. 86. No. 2. In Par. 1 thereof, the passage of "(one in a matrimonial relation though not lawfully married) this being applicable to the rest of the Rules" will be struck out, and the phrase of "¥50" will be revised so "¥150," while the passage of "No. 2 or No. 3" in Par. 2 of the present Article is to be removed.

Art. 86, No. 3. The nursing allowance will be paid to a member's spouse who has been delivered of a child.

The allowance herein defined will be paid at the rate of ¥30 per month at a stretch for six months from the date of delivery, provided that during this period if the 'month' customarily so called does not cover a full calendar month that 'month' will be counted as a perfect one.

Art. 86, No. 4. The burial service fund will be allowed to the one who has performed the burial service for the sake of a deceased member, the amount being equivalent to a month's pay for the service performer provided that the said amount will not be less than ¥600.

The provison of Art. 71 is applicable to the payment of the burial fund.

Art. 86, No. 5. The dependant burial service fund will be paid by the amount of ¥300 in case of death of a member's dependant.

Art. 87, No. 1. The disaster fund will be paid according to the following difference of class to a member or his dependant in case the said member or dependant suffers death or loss of property because of a piece of disaster such as flood, fire, earthquake, etc., provided that the case of a member's 'death in harness' will not come under this rule:

1. The condolence allowance (for member)
2. The dependant condolence allowance (for dependant)
3. The disaster sympathy allowance (for either or both)

Art. 87, No. 2. The condolence allowance will be paid by the amount of ¥1,000 to the one who has performed the burial service for a deceased member.

Art. 87, No. 3. The dependant sympathy allowance will be paid by the amount of ¥500 to a member in case of death of his dependant.

Art. 87, No. 4. The disaster sympathy allowance will be paid to a member according to the following degree of loss in case he suffers loss of property due to a piece of disaster:

1. In case of complete loss of household effects a sum amounting to two month's pay for the member concerned.
2. In case of partly loss of household effects a sum amounting to one month's pay for the member concerned.

Chapter V. Thereto the following Article will be subjoined:

Art. 88, No. 2. The society will get a Government subsidy granted and assess its members for installments for the purpose of appropriating to its allowances provided that the Government will bear all the disbursement in the way of allowance for the 'wound in harness,' pension for the 'dead in harness' and burial service allowance for the last under the provision of the allowance for a deprived family, pension for a deprived family provided under Art. 48, No. 2, Item 1, and lump-sum allowance for just the last, provided under Art. 55, Items 1 and 4, and that the said Government subsidy will be appropriated to what the Government is liable for.

Supplementary Rules:

The present Ordinance will be in force on December 1, 1947.

As for a member who may have some reason to claim for allowance before the date of the Ordinance enforcement, the original Rules will be applicable, provided that as for a member who may be on the payment list of the disease allowance just at the time of enforcement of this self-same Ordinance, the current Ordinance will be applicable on and after the enforcement of the same.

Presedent of the Supreme Court

Supreme Court Rule No. 14

December 20, 1947

Rule concerning the Establishment of the Branches of District Court shall be determined as follows:

Supreme Court

Rule concerning the Establishment of the Branches of District Courts

Article 1. At the places set forth in the column for locality on the first list of the attached papers, Branches of District Courts shall be established, and the names, the jurisdiction and the territorial jurisdiction thereof shall be fixed as shown on the same list.

The branches shall conduct their respective business under the jurisdiction of District Courts exclusive of the matters concerning the cases of recourse or the claims for cancellation or change of administrative dispositions, provided that the Branch with jurisdiction "Ko(甲), or A class" shall, when there is a Branch with jurisdiction "Otsu(乙), or B class" within its area of jurisdiction, not exercise the functions belonging to the latter, and the Branch with jurisdiction "Otsu (乙), or B class" shall perform such a duty only as a single judge can do.

Article 2. At the places set forth in the column for locality on the second list of the attached papers, Branches of District Courts (the Courts of Domestic Relations) shall be established in order to adjudge or conciliate the troubles on domestic matters, and the names and the territorial jurisdiction thereof shall be fixed as shown on the same list.

Supplementary Provisions:

This Rule shall come into force as from January 1, 1948.

The business about the cases which are, at the time of the enforcement of this Rule, pending at the Branch of a District Court (hereinafter referred to as "Old Branch") which is deemed to have been established on the provisions of Article 7 of the Ordinance for the Enforcement of the Court Organization Law shall, except as otherwise provided, be conducted by the Branch of a District Court which will supersede the old Branch there.

The business about the cases, however, which are pending at Shirakawa Branch of Fukushima District Court or Otsu Branch of Matsue District Court shall be, except for such a one as can be managed by a single judge, conducted by Koriyama Branch of Fukushima District Court or Matsue District Court respectively.

The business about the cases which are, at the time of the enforcement of this Rule, pending at Mitake Branch of Gifu District Court, Omori Branch of Matsue District Court, or Masuge Branch of Asahikawa District shall be conducted by Tajimi Branch of Gifu District Court, Hamada Branch of Matsue District Court, or Rumoi Branch of Asahikawa District Court respectively.

The business about the cases which are deemed to be pending at the Court of Domestic Relations in accordance with the provisions of the Law for the Enforcement of the Law of Adjudgment of Domestic Matters shall be conducted by the said Court, which is to be established at the place where is the District Court or the Branch of the District Court in charge of the same cases. The business about the cases, however, which are pending at Mitake Branch of Gifu District Court, Omori Branch of Matsue District Court or Masuge Branch of Asahikawa District Court shall be conducted by Tajimi Court of Domestic Relations, Hamada Court of Domestic Relations or Rumoi Court of Domestic Relations respectively.
