

**TRUSTEES' MEETING**

**HEARING OF GAS COMPANY BEFORE STATE RAILROAD COMMISSION POSTPONED**

The regular meeting of the Board of Trustees of the City of Glendale was held in the City Hall Thursday evening, April 18. There were present G. B. Woodberry, President of the Board, and Trustees C. H. Henry, R. M. Jackson, C. H. Muhleman and Hartley Shaw. There were also present J. C. Sherer, City Clerk, T. W. Watson, City Manager, H. B. Lynch, Manager Public Service Department, City Attorney W. E. Evans, City Engineer Edw. M. Lynch, G. H. Herald, City Marshal, and A. H. Lankford, Fire Marshal. The members of the newly organized Board have taken positions at the table with President Woodberry at the east end, Trustees Jackson and Henry on the north side and Trustees Muhleman and Shaw on the south side.

After the reading of the minutes of the previous regular and adjourned meetings of the Board, President Woodberry appointed the following committees for the ensuing year:

Finance—Shaw, Jackson, Henry.  
Public Works—Muhleman, Shaw.  
Public Welfare—Jackson, Henry.  
Supplies—Henry, Muhleman.  
Trustee Shaw inquired as to the rules governing the work of these committees. Attorney Evans informed him that it is his opinion there are no regular rules governing the work of the committees, but it had been customary for them to consider and advise upon questions referred to them. The City Clerk was requested to look up as to the origin of appointing of these committees and if there are any rules governing their deliberations to so report at the next meeting of the Board.

S. J. Spaulding and Wesley Bullis of the Tropic district were called before the Board and after having been duly sworn were questioned by City Attorney Evans as to the correctness of the petitions they circulated asking that an election be called in District No. 2 of the City of Glendale for the purpose of voting bonds to defray the expense of constructing a lighting system in said district. These gentlemen certified that the signers of these petitions were known by them and that said signers were registered voters. City Clerk Sherer was then duly sworn and certified that he had checked over the list of petitioners as above referred to and that he had found the required number of names on the petitions, and the petitions were regular in form in all respects.

A communication was read from J. W. Pearson stating that the time for which the premium on bonds of city employees of the public service department had been paid had expired, and wishing to know if it was the preference of the trustees to have the renewal made through his agency. The question was referred to the committee of the whole.

Upon the presentation of an ordinance to be taken up for reading concerning a change of the salary of the City Clerk, Trustee Shaw stated that he was not at this time prepared to vote upon the question and on motion it was decided to defer the reading of the ordinance for one week.

An ordinance was then read and adopted confirming the annexation of the Arden avenue territory to the City of Glendale. An ordinance was also read and adopted confirming the annexation of the Valley View district to the City of Glendale.

City Attorney Evans reported that Mrs. Houdyshel through her attorney had brought suit against the City of Glendale for \$10,000 on account of injuries she had received at the time of a fall on the cement sidewalk in front of the fire house. She claimed it was the defective construction of the sidewalk that caused her to fall. After some discussion by members of the Board as to the method of settling this claim it was on motion decided to refer the question to the committee of the whole.

City Attorney Evans made the request in writing that hereafter he would prefer if the heads of various committees when wishing legal advice from him would place such requests in writing and he would make reply in the same manner. In this way there would be no misunderstanding arise as to what questions were asked and as to how they were answered.

Upon the suggestion of City Attorney Evans, Trustee Muhleman made the motion that the Board extend their heartfelt sympathy to City Clerk J. C. Sherer and to his family on account of the death of his sister, Miss Rachel Sherer. G. B. Woodberry, President of the Board, was requested to prepare proper resolutions and have the same filed on the

(Continued on Page 4)

**IN THE HONOR LIST**

**FLAGS HAVE BEEN WON BY GLENDALE AND TROPICO IN LIBERTY LOAN DRIVE**

Chairman Vesper is in receipt of a dispatch informing him that honor flags have been won by Glendale and Tropic in the Liberty Loan Drive. While the work has been consolidated, the government is evidently not fully posted on the union of the cities and has allowed separate credits. This means that we have over-subscribed our quota of \$112,800 and is, of course, highly satisfactory information; but it should be clearly understood that the "quota" in every case is the minimum amount which each town is expected to raise. Secretary Lawshe states that on Wednesday evening the footings of the committees totalled \$184,300. As a matter of fact there is urgent need for six billions instead of three, and recognizing its duty the Liberty Loan Central Committee of Glendale is pressing forward to a goal of \$250,000. It is confident that amount can be raised if committee workers will continue their efforts with unflagging zeal. Many of the canvassers are just beginning to realize the fruits of their promotion work.

The Women's Liberty Loan Committee did not get started as early as some of the other committees, but it has many thousands to its credit. Women's committees in some of the neighboring towns, notably Van Nuys, have made a better showing however, and Glendale women are declaring that they will not quit until our women can take rank with the best. There are still many good prospects as bond investors and with the momentum which the drive has now acquired it should be easy to roll up a total of \$250,000.

**WOMEN RESPOND**

The women's organizations are waking to their patriotic duty. Thursday afternoon at their regular meeting, members of the Ladies' Aid Society of the Central Christian Church of Glendale voted to invest \$650.00, their building fund, in Liberty Loan bonds, and at the last meeting of the Men's Bible Class of the Church, its members contributed \$100 to purchase a bond to be placed with the other bonds held as security for the church fund.

Early in the campaign the Tuesday Afternoon Club voted to invest \$750.00 in Liberty Loan bonds to supplement a previous investment of \$1100.00.

With these examples to stimulate emulation it is altogether likely that other institutions will discover idle funds which might as well be serving the government and at the same time be drawing interest until wanted. It is a perfectly safe investment and entails no sacrifice on the part of those who have extra money. For individuals or organizations that have improvidently spent as they went along, it affords a splendid chance to learn to save on the installment plan by buying a bond on time.

**AROUSED FEARS**

The persistence of two efficient Los Angeles saleswomen who have been canvassing homes in Glendale in an effort to sell Calumet baking powder led to their being reported to the city police department for investigation. The saleswomen, the complainants represented, seemed determined to invade the kitchens of the homes they visited for the purpose of demonstrating their wares. So much has been written about the pernicious activities of alien enemies that suspicions were aroused and the complaint was turned in. Chief Herald states that when interviewed the canvassers appeared to be quite innocent of any evil intent. One of the ladies was Miss Wyman of 1000 West Seventh street, Los Angeles, the other Miss B. Garrett of 698 North Hollenbeck, street, of the same city.

**LITTLE DANCERS WILL ENTERTAIN**

The program to be given Monday evening at the Palace Grand theatre by Miss Edith Lindsay and her dancing pupils promises to be the most brilliant affair of the season. The fact that the entertainment is a Red Cross benefit would make it popular, but the charming Miss Lindsay, who is very widely known for her grace and her training under the best dancing teachers of the country, will be a drawing card that will fill the house. Some of Miss Lindsay's pupils who will appear on the program are talented Glendale children and some are little artists of the Hollywood movie colony. A very attractive program has been arranged.

**ALLIES HOLD IN FLANDERS**

**WHILE FRENCH MAKE GAINS ALONG THE AVRE AND ADVANCE TO THE OUTSKIRTS OF CASTEL**

(By William Philip Simms, United Press Staff Correspondent)  
(Special Service to Glendale Evening News)

WITH THE BRITISH ARMY IN FRANCE, April 19.—Aside from Field Marshal Haig's withdrawal from the awkward Passchendaele pocket, the British lines look today much as they did three days ago. While the British, aided by the French, are holding the Germans along the Flanders front, the French are gaining along the Avre.

Southeast of Amiens by heavy counter attacks on a front of two miles, the French hurled the Germans back in violent fighting. This gain carried the French to the outskirts of Castel.

General Haig describes "severe fighting on the Greater Lys front. Enemy attacks were repulsed from the La Basse canal to Gevinche and east of St. Vevant. An attack south of Kemmel was also broken up."

The German war office admitted that the situation in Flanders is unchanged.

PARIS, April 19.—Mutual artillery bombardment is reported in the neighborhood of Castel and Mailly-Raineval, the French official statement said today.

"In our attack there we destroyed a machine gun nest and took 650 prisoners. Our successful surprise attack north of Bezenaux north of Verdun gave us some prisoners.

**REORGANIZE AIRCRAFT PROGRAM**

**PRESIDENT CALLS OFF CABINET MEETING TO CONFER WITH BAKER ON THE AEROPLANE SITUATION**

(Special Service to Glendale Evening News)

WASHINGTON, April 19.—That the complete reorganization of aircraft production is imminent became known today when President Wilson called off the regular cabinet meeting for this afternoon to confer with Secretary Baker on the aeroplane situation.

**SENTENCED TO FEDERAL PRISON**

**MINNESOTA MEN CONVICTED OF DISLOYALTY MUST SERVE LONG TERMS AT LEAVENWORTH**

(Special Service to Glendale Evening News)

MINNEAPOLIS, April 19.—J. A. Bantall, candidate for governor of Minnesota on the Socialist ticket, and who was found guilty of violating the espionage act, was sentenced today to five years in Leavenworth prison.

J. A. Peterson, former candidate for the Republican nomination to the United States Senate was sentenced to four years at Leavenworth.

Peterson was convicted of disloyalty based on an article he had written for publication.

Both Bantall and Peterson state they will appeal.

**TO INCREASE U. S. ARMED FORCE**

**QUARTERMASTER GENERAL PREPARING TO EQUIP TWO AND A HALF MILLION MEN BY CLOSE OF YEAR**

(Special Service to Glendale Evening News)

WASHINGTON, April 19.—The Quartermaster General's department is preparing to equip for 2,500,000 men in the field or in training camps by the end of 1918, it developed here this afternoon.

Estimates for Congress to provide for the increase of an armed force of a million men have been made.

The House Military committee met with the War Department officials this afternoon and received a summary of the estimate.

**ITALIANS TO FIGHT ON PICARDY FRONT**

**ITALY RESERVES WILL FIGHT ALONGSIDE BRITISH, FRENCH AND AMERICAN TROOPS**

(Special Service to Glendale Evening News)

Washington, April 19.—Italian troops to fight shoulder to shoulder with French, British and American soldiers, will soon start for the Picardy battlefield, it was announced in official Italian Embassy circles here today. Italian soldiers for this purpose are to be drawn from the reserves.

**GERMANY HAS BIG RESERVE**

**BRITISH MILITARY EXPERTS ESTIMATE THAT ENEMY HAS 70 DIVISIONS OF FRESH TROOPS**

(Special Service to Glendale Evening News)

WASHINGTON, April 19.—Germany still has approximately 70 divisions—840,000 men—which constitute fresh and comparatively unused reserve forces for use on the west front, British military authorities estimated today. This reserve force accounts for the continued use of fresh troops in the fighting, it is said.

**BUSINESS COMING UP**

**SALES AT RED CROSS SHOP ON BRAND BOULEVARD STEADILY INCREASING**

Wednesday was a big day for floral sales at the Red Cross Shop at 318 Brand boulevard. Receipts of that section were \$12.65. It was Lily of France Day and many citizens realized their patriotic obligation to pay this tribute to our brave ally and made their purchases at this Red Cross salesroom.

The receipts of the shop are coming up in the most satisfactory manner. Luncheon returns are gaining and there is an increase all along the line. This is due in part to more generous donations of articles to be sold, and in no small part to efficient salesmanship. In the fifteen working days of the present month sales have totalled \$110, which shows that this enterprise to earn money for Red Cross work is beginning to receive the support it ought to have from Glendale citizens.

The shop will hereafter make quite a feature of produce sales. The stocks of beans it recently offered went like hot cakes, and there has been a good demand for lemons. Contributions from the gardens and poultry yards of friends of the Red Cross will be greatly appreciated.

Stock in general is classified under the following departments, for which donations are solicited: Clothing, furniture, art, jewelry and silverware, farm products, animals and entertainments. Animal stocks in trade include a handsome and highly bred Rhode Island Red rooster which would probably be a valuable addition to the breeding pen of some poultryman.

**REPUBLICAN AMALGAMATION**

Mrs. R. W. Meeker, of 300 East Colorado street, this city, Chairman of Republican County Central Committee of 61st Assembly District, was one of the feminine minority who were special guests at the get-together banquet or rally of leaders of the various divisions of the Republican party in Southern California, held Tuesday evening in Los Angeles. Covers were laid for about 400, and the speaker of the evening was Will H. Hays, Republican National Chairman, who is touring the state for the purpose of uniting all factions and obliterating past differences. Mrs. Meeker states that in a remarkable address he exhorted party leaders to forget the petty things of the past and press forward to the great things. The willingness of those present to follow his advice was manifested in a resolution committing the assembly to that policy, which was made by Russ Avery and seconded by Willis Booth, and which was adopted without a dissenting voice.

A. J. Wallace presided as toastmaster. Notable women who were also present were Florence Collins Porter, prominent in the Progressive Party, and Mrs. R. W. Richardson, Vice-President and Vice-Chairman of the Los Angeles County Central Committee. Charles Chandler of Central avenue and J. H. Franklin, of this city, were among those who attended from Glendale. Mrs. Meeker is convinced that the visit and speech of National Chairman Hays will be productive of great good to the party. Mr. Hays crystallized the sentiment which inspired his speech and won prolonged applause when he said:

"The world is on fire; this country has to save it and it is the duty of Republicans everywhere to contribute to that saving. I knew the vigorous men and women of Southern California could and would meet. The eyes of the nation are upon Southern California. The hour has come, the hour has struck when we have a united party in Southern California."

**FUN AT THE FRONT**

A correspondent of a "News" reader has written his mother from the front in France, under date of March 18th, as follows:

"Have at last got to a point of a little fun. Watching air fights has become an everyday event, and we very seldom bother ourselves trying to see them, although when we first reached here we all got the roofs of our mouths sunburned."

This is of interest to a number of Glendale homes because this boy is a member of Co. E in the 117th Engineers, who are probably the first fighters for Uncle Sam in the great battle, and several Glendale boys are on its roster.

A standard system of inspection by which Federal food administrators may keep a check on commercial bakers is being worked out by the Department of Agriculture and the Food Administration.

**PRACTICAL ART**

**BEAUTIFUL EXHIBIT OF THE WORK OF STUDENTS AT UNION HIGH**

The exhibition now on at Union High School in the section devoted to designing and applied arts, is an ambitious display of art work in sufficient variety to show effectively the practical abilities of students. It reflects much credit on the school and upon the art director, Miss Mueller, and her assistant, Miss Abbott.

It is not possible to critically review every portion. It all shows conscientious effort with varying degrees of talent.

Some of the still life in black and white is exceptionally good and when continued in the color mediums is quite striking. A large collection of flower studies attracted deserved attention, some of them exhibiting free treatment suggestive of Japanese art. There are also examples of fine drafting over which many visitors linger in appreciation.

An interesting division of the black and white work is the collection of process drawings, important in cultural development for illustrating as a profession. And the book plate drawings are fascinating studies. The two most elaborate in design and execution were made for Prof. Moyses and for Irving Oliver, and epitomize ingeniously their life interests. Those who visit the department should have them explained. They were made by Miss Frances Gauntlet, a native of Japan, who is completing in the United States the art study begun in her native land. Some of the best work in the department has been done by her. Others who have interesting work on exhibition are Ardes Heisler, Mellicent Alvord, Margaret Frazee, Helen Reynolds, Cornelia Heron, Lois Percey and Irene Gervais. All these pupils have done excellent poster work.

**Applied Design**

The more spectacular part of the exhibit was the work of advanced pupils in applied design. That these girls might have opportunity to show in a concrete way that they are capable of utilizing in a practical, commercial way, the art instruction they have received, Miss Mueller allowed each to make the signs and symbols of her birthday the basis of a general design to be worked out in more than one medium. To secure variety in the application of their designs, the girls for the most part made complete sets of desk fittings, including writing pad, paper weight of concrete modelling, stationery holder, candlesticks, blotter, stamp box, inkstand, pen, letter box, etc. Some made accessories for the toilet table and even overflowed into boudoir furniture, chests, screens, chairs, lamps, etc.

The first display encountered on entering the main room was the work of Dorothy Jones, whose product to conform to the conditions was required to embody her birth stone, sapphire, zodiacal sign, Virgo, her astral color, violet, and her month flower, the poppy. Her contribution included a desk set, a dresser set, screen and chest. A poppy design conventionalized to suggest the purple or violet-colored anemone, was the dominating note, cleverly worked out in a stencilled design on the silk with which the screen was hung and the chest lined. The sapphire birthstone was wrought into the heart of the design on the book rack as were the birthstones in all the other birthday schemes.

That the pupils have been well grounded in the principles of decoration, was proved by their management of table scarfs and draperies, and by the floral accessories, which were most effective.

Elsie Fischer, whose natal day coincides with that of the Irish Saint, March 17th, had to harmonize her birthstone, the bloodstone, with the zodiacal Pisces, the month flower violet, and with pink as an astral color. With a violet gray background she co-ordinated them very successfully in an opalescent or flamelike color scheme.

Lois Murphy had a February combination which included an amethyst birthstone, a carnation month flower, and an astral color of light blue. The blue was utilized as an effective background for a pink carnation design applied not only to a desk set but to a beautiful chest and screen.

Carrie Stone had a handsome partial desk set in which the opal provided the color scheme.

One of the most striking exhibits was that of Naomi Taylor, who is a November 29th girl with the holly for a month flower, "the bowman" for a zodiacal sign, yellow for an astral color and turquoise for a birthstone. She seized upon the red

### AEROPLANE MAIL SERVICE

The Post Office Department authorizes the following:  
 The three landing fields for the aerial service have now been selected and the work of preparing the fields and erecting the hangars will be pushed as rapidly as possible. The service will be in operation not later than the 15th of May. The date of its inauguration may be advanced considerably.

The three landing fields selected are Potomac Park for Washington; Bustleton, North Philadelphia, for Philadelphia; and Belmont Park for New York.

Difficulty was experienced in the selection of a landing site for New York on account of the high rental asked for a suitable property. The Westchester Racing Association, in a spirit of patriotism, tendered Belmont Park to the Government for this purpose free of charge, and the offer was accepted.

The hangars at Potomac Park are now in course of construction and the work at Bustleton and Belmont Park will be speedily begun. Extensive rolling and grading of the Philadelphia field is necessary, but the work will all be done during this month.

Assuming that the airplanes leave New York for Washington at noon and leave Washington at the same hour for New York, rail connections for destinations beyond these cities and Philadelphia will be made which would otherwise be impossible.

Besides the saving of much time in the delivery of letters addressed to New York, Philadelphia, and Washington, there will be a large amount of time saved through making these connections for earlier trains to the points beyond the terminals.

The disbursements and outstanding obligations of the Navy during the first year of the war are estimated at \$1,881,000,000. The total naval appropriations, real and pending, are \$3,333,171,665.

It will buy a dollar's worth at Spahr's next week, Thursday, Friday and Saturday 1921f

### SUNLAND

A very enthusiastic Liberty Loan meeting was held in the Chamber of Commerce Hall Tuesday evening. Mr. Church of the First National Bank at Burbank and president of the Liberty Loan committee of the Burbank Division of San Fernando Valley, arranged for the meeting and brought with him James F. Rogan of Los Angeles and Charles E. Salisbury, M. C. Paxton and Rev. J. H. Avery of Burbank. The meeting was opened with prayer by Rev. J. H. Avery, after which Mr. Rogan was introduced and gave a very impressive address illustrated by many thrilling incidents of the war and the terrible results of the cruelties practiced by the Germans. Mr. Salisbury spoke of the history of the war and our responsibilities in the struggle. Mr. Church then described the nature of the Loans and presented the demands for the Third Liberty Loan. He then proceeded to organize this part of the District. S. D. Percey was chosen president and W. H. Nance was elected secretary. A call was made for applications for loans, and a very liberal response was made. The orchestra assisted in the program of the evening by rendering several highly appreciated patriotic numbers. The meeting adjourned until Friday evening, when everybody is invited to attend a workers' meeting to organize for the drive to be made next week. There were \$650 worth of bonds sold.

Mr. Fouts, who has charge of the men building the bridge on the state highway, left with his men for Owensmouth, where they will build another bridge. They have finished the bridge across the wash on Summit avenue, but will return to do some more work on the road. Mrs. Fouts will keep the apartments in Mrs. Branstetter's building and make this her home for the summer. Mr. Fouts has purchased a new Ford for their pleasure while enjoying the climate in Sunland.

Mr. Hills, deputy constable, who has been stopping at the Park Hotel for the past two weeks, left Tuesday for the Mexican border. He was so pleased with Sunland that he says he will return and make his home here.

Mr. Anderson came up from the Soldiers' Home at Sawtelle to look after his ranch for a while.

Mr. and Mrs. Harold Murray were guests at the Lancaster home Tuesday.

Mr. Bernhard is improving under the care of Dr. Hammond.

Miss Irene Lancaster entertained a party of girls in honor of her guest, Miss Ethel Martin of Los Angeles. The girls went on a hike up the Rowley Canyon and enjoyed a wienie bake on the sands of the river. All report a jolly time.

A party of young people went to Los Angeles Thursday evening to see "Hearts of the World."

Harold Reed came up from Clarksdale, Ariz., and after a few weeks' vacation will join the navy.

Mr. Percey has been piling the grape vines in the park for the use of picnic parties, which will last them for some time. The county forester is getting ready to put a fence around the park and otherwise improve it.

The postoffice of Sunland was taken over Thursday by the new postmistress, Mrs. Ethel R. Nance, and moved to the Nance grocery store near the park, where Mrs. Nance will be ready to serve the public by handling the mail. Mrs. Huse, the retiring postmistress, will take a vacation for a few weeks, when she and Mr. Huse will open up a real estate office.

C. C. Harding was injured by his horse plunging when he was cultivating his orchard, throwing him down in such a way that his back was badly hurt. Mr. Harding is 94 years old and still cares for his home ranch with as much pride as he did years ago.

### OUR BIT

We're eating rye bread at our house,  
 With corn bread on the side;  
 We've cornmeal mush at breakfast time.

At noon we have it fried;  
 We eat no wheat we eat no meat,  
 And we'll soon form the habit  
 Of eating carrots every day.  
 Just like a doggone rabbit.  
 —Houston Post.

And at our house we're eating cakes  
 Composed of nuts and meal;  
 We've peanut steak at dinner time,  
 But never beef nor veal;  
 A grain of wheat would be a treat,  
 In this here war-time whirl;  
 We're eating chestnuts every day  
 Just like a doggone squirrel.

### CAMOUFLAGE

A little pile of brushwood,  
 A little drop of paint,  
 Makes a big machine gun  
 Look like what it ain't.

A thousand items I will buy next week Thursday, Friday and Saturday at Spahr's Drug Store. 1921f

It pays to fertilize. Best brands always in stock at 422 South Brand boulevard. 1924

Among the purchases of the Quartermaster's Department are 61,000,000 pounds of prunes and dried beans; 273,000,000 cans of tomatoes, condensed milk, and baked beans; 40,000,000 yards of mosquito bar; 75,000,000 yards of olive drab; 20,000,000 woolen blankets; 31,000,000 pairs of woolen drawers; 50,000,000 pairs of heavy stockings; 11,000,000 wool coats. The Ordnance program includes the purchase of 23,000,000 hand grenades, 725,000 automatic pistols, 250,000 revolvers, 23,000,000 projectiles for heavy artillery, 427,246,000 pounds of explosives, 240,000 machine guns, and 2,484,000 rifles.

New Japanese concerns numbering over 100 are reported as having entered business at Shanghai during 1917. The Japanese population is rapidly increasing, now being about 14,000.

The annual pay of the Army now exceeds \$500,000,000.

 Don't forget tonight, Brahm van den Berg at the Elks' Club House. Everyone come.  
 Musical people, remember tonight one of the world's greatest pianists will play at the Elks' Club House.  
 Attention, Brother Elks, come to the Club House tonight. Brahm van den Berg, the wonderful pianist, will be with us.  
 The X. V. I. club will meet Saturday afternoon with Mrs. J. W. McFadden at her home at 1710 West Broadway.  
 Mr. and Mrs. C. W. Spickerman have changed their residence and are now at their old home at 1435 Salem street.

Clinton L. Booth, who was recently appointed Food Administrator of Glendale, reports that Cameron De Hart Thom has just been named as Assistant Food Administrator in this city.  
 Little Miss Walta Irene Anderson, daughter of Mr. and Mrs. George M. Anderson of 258 E. Fifth street, who has been suffering with a badly infected knee, has so far recovered as to be able to discard her crutches.  
 Miss Veta Franklin of 200 South Central avenue, who teaches in the Long Beach schools, is taking an extra week's vacation to recuperate from the effects of too strenuous work in connection with her teaching. She is spending it with her parents in this city.

Riley Proctor, who has been a patient at the Glendale Sanitarium, where he underwent an operation for appendicitis, has so far recovered that he has been removed to the home of his parents, Mr. and Mrs. Frank Proctor, 135 East Third street, where he will be glad to see his friends.

Friends of Mrs. George E. Adams, of 1450 Ivy street, who was recently taken to the Burbank hospital for medical attention, will be glad to know that she is sufficiently recovered to sit up. Mrs. Adams is prominent in the club and social life of the city and has a large circle of acquaintances.

Mrs. E. F. Tholen of 703 North Brand boulevard (Tropic district) entertained a few Glendale ladies quite informally on Thursday at a mid-day luncheon. The afternoon was spent with Red Cross work. Mrs. Tholen reports that her doctor husband is now at Camp Ogleshorpe, Ga., and that she expects to go east in a few days to visit him before he is called to the front.

Mrs. Howard Whitaker of Arden avenue entertained the Pioneer club Wednesday. It was a very pleasant meeting, the ladies spending the afternoon with needlework and informal chat. About ten members were present and Mesdames Harding and Letton were guests. The next meeting will take place two weeks hence at the home of Mrs. Pierre V. Potter, of 1541 Pioneer drive.

Philip Davis, a High School student who has been rendering much appreciated service as janitor at the headquarters of the Glendale Chapter of the Red Cross on Brand boulevard, has just donated and installed an electric buzzer to be used in summoning Mr. Lawshe and his assistants to the telephone in another room. Philip's work in the manual arts department has fitted him to do this work, which would have cost the chapter quite a sum if installed by professionals.

Mrs. Blake Franklin reports a delightful auto trip to Pomona last Wednesday on which she was accompanied by Mr. and Mrs. Harvey Hall, cousins from Iowa, who have been spending several months in Los Angeles. Mrs. Sarah Van Dyke and Mrs. Thompson of Fort Collins, Colo. The country is like a garden now and the journey was greatly enjoyed by all members of the party, who called upon Mrs. Willisford and family and heard the latest news from Mr. Willisford. He writes that he is enjoying his varied life, which is being spent about thirty miles from the firing line.

Miss Barbara Anna Gilman was hostess recently at a delightful and unique party given in her honor at her home, 440 South Jackson street. The occasion was her seventh birthday anniversary. The guests being members of the Junior Red Cross, the festivities were in keeping with the principles of this youthful benevolent organization. Singing of patriotic songs, knitting and various games were indulged in, followed by dainty refreshments. Barbara was the recipient of many beautiful and useful gifts. Those present were Barbara and Francis Gilman, Phillip and William Goss, Gladys and Pearl Jones, Mable Harrison and Alva Shry.

One Cent Sale Thursday, Friday and Saturday next week. Do not forget your drug wants. Spohr's Drug Store. 192tf

**SUCCESSFUL ENTERTAINMENT**  
 The three-act comedy entitled "Mrs. Briggs of the Poultry Yard," which was given last night in the social hall of the First Methodist Episcopal church, was a grand success. It is a good, clean comedy with an all-star cast and the audience was kept laughing a good share of the time. Mrs. W. F. Knox, who interprets the character of Mrs. Briggs, is deserving of unstinted praise for her excellent way of handling her difficult part. J. N. McGillis is a scream and his entrances were cause for loud applause. It is difficult to pick out characters for special mention, as each part is exceptionally well handled. Mention should be made of the smooth way in which everything went off. Everything was handled in a businesslike way. Everyone knew just what he or she was to do and did it. No tiresome waits, in fact every detail was exceedingly well planned and executed. This entertainment is certainly a credit to all having any part in it and from the many complimentary remarks heard last night everyone was more than pleased. The play is to be repeated tonight and those who missed it last night should by all means go tonight.

**BIRTHDAY DINNER**  
 A dinner party immensely enjoyed by a group of congenial friends who meet frequently was given Saturday evening at the home of Mr. and Mrs. Lawrence Ellis in celebration of the birthday of Mrs. Ellis. A birthday cake featured the feast which was in all respects quite simple and informal. Those who enjoyed the dinner and the pleasant evening which followed it were Mr. and Mrs. W. E. Evans, Mr. and Mrs. Albert Pearce, Mr. and Mrs. W. N. Stamps, Mr. and Mrs. W. McFadden, Mr. and Mrs. Harry Goodwin.

**JUDGE WILBUR TONIGHT**  
 The banquet of the Federated Brotherhood is an event which is always joyfully anticipated by the men of the community. A large number of men have purchased tickets for the banquet which is to be held in the cafeteria of the High School tonight. The special attraction is Judge Curtis D. Wilbur, who will speak on "Wartime Religion." The ladies of the Lutheran church will serve the banquet.

**FUNERAL SERVICES**  
 The funeral service of Miss Rachel Sherer will be held at the Presbyterian church at 10:00 o'clock a. m. Saturday, April 20. Interment in Grand View Cemetery, Pulliam Undertaking Company officiating.  
 The funeral service of Mrs. Coleman will be held at the parlors of Scovern, Letton and Frey at 11:30 a. m. Interment in Evergreen Cemetery, Los Angeles.

**THE GREATEST ARTISTIC EVENT OF THE SEASON**  
 Brahm van den Berg, the famous pianist, in a splendid program at the Elks' Club tonight at 8 o'clock.  
 Admission, 50c; children, 25c.

The air personnel in the first year of war increased from 65 officers and 1,120 men to one hundred times that number. Eleven kinds of schools have been installed.

There are now four times as many vessels in naval service as a year ago. The estimated pay of officers and men in the Navy for the first year of war was \$125,000,000.

Make it your victory—

**PRACTICAL ART**  
 (Continued from Page 1)  
 and green of the holly as her fundamental color combination, touched up with gold for the yellow element. The green matrix of the turquoise blended well with this coloring, and the bowman mounted as a centaur proved an effective design well suited to the bold color combination.  
 In the center of this room where all the beauties referred to were to be found, was a lovely lamp on an altar all its own, which flowered in a wonderful shade painted with the translucent mediums now employed to produce the effect of stained glass, and carrying out a modified Chinese design in the gorgeous red and yellow colorings of a gaillardia flower. When the beholder stopped to consider the mechanical processes necessary to convert six panes of clear glass into such a shapely thing of beauty and utility, a feeling of deep respect for pupil and school was inevitable. Miss Williams is the first to attempt such ambitious work.  
 Irene Gervais artfully worked out May birthday suggestions with an emerald birthstone, the sign of Taurus and a lily of the valley flower. Green and white was her leading color combination, the bull in white making a singular effective and by no means incongruous design on a pale green background on which the lily of the valley also shown in dainty loveliness.

More opulent was the exhibit of Olive Williams, which included a bedstead, chiffonier, two chairs, which had been manufactured by her brother, also a lamp and other accessories, decorated according to a birthday scheme which included a ruby birthstone, the zodiacal sign of Cancer (the crab) and the daisy as a flower. The crab proved a most useful vehicle for introducing the ruby in the glowing tints of his claws, but the yellow daisy in association with the astral color (green) dominated the design.

Ruth Palmer who, like Elsie Fischer, is a March girl, had the same combination to meet and handled it very satisfactorily in a simple violet and green combination with pink outlines.

Cecilia Lyons, a September girl, has hops for her birth flower and sapphire for her birthstone, with a violet astral color. Her conventionalized hop design with blue shadowings on a shaded green background and her fidelity to the shape of her design were most praiseworthy.

Ruth Hall has the same birth month as Ruth Williams and made similar use of the crab as a decoration in her very attractive contribution.

All the articles used in the manufacture of these pretty furnishings were either made outright from the raw materials or were simple, inexpensive boxes and jars so transformed that original owners would never recognize them.  
 Miss Mueller explained that the aim of the course is practical work with cheap, ordinary mediums made beautiful by artistic designs and colorings.

It is too extensive an exhibit for a transient visit and yet one would not care to see any of the beautiful things taken away. It represents hard work on the part of students and teachers, but the constant stream of admiring visitors who have thronged the rooms ever since they were opened to the public has furnished proof of the deep interest this work inspires. That should compensate the workers in some degree.

During the first year of war the Army paid \$60,000,000 for horse-drawn vehicles and harness; more than \$50,000,000 for horses, mules, and harness. Expenditures for the fiscal year ending June 30, 1919, for fuel and forage are estimated at more than \$500,000,000.

To February 20, the Director General of Military Railways had placed orders for railway supplies valued at \$142,000,000 and with an aggregate weight of 754,000 long tons; the General Engineer Depot, to February 1, issued 9,500 orders for material valued at \$202,000,000.

Through a card catalogue system 109,487 men have been transferred out of Army divisions into technical units to function according to individual educational, occupational, and military qualifications.

A pound of fine stationery for one cent next week at Spohr's Drug Store. 192tf

**CITY TRUSTEES.**

(Continued from Page 1)  
 records as proceedings of the Board. The report of the city treasurer was read and the same referred to the finance committee.

The city attorney announced that the hearing of the gas company before the State Railway Commission had been postponed until May 6, at which time it will take place in the Union League building in Los Angeles. The postponement was made necessary because it was impossible for Mr. Barker, who was to give expert testimony on the valuation of the property of the gas company, to be present.

M. Glora of the Tropic district appeared before the Board and made an application to the Board to sell milk in Glendale. He was instructed by President Woodberry that the proper course for him to pursue would be to make application at the city clerk's office for a permit and that said permit should be approved by the milk inspector and on presentation to the Board of this permit by the city manager the same would be acted upon.

A motion prevailed that when the Board adjourn it adjourn to meet Monday evening, April 22.

Demands were referred to the finance committee to be reported upon at the next regular meeting of the Board.

Trustee Shaw made the motion that the Board take a recess of an hour and then reassemble for the transaction of business. Trustee Jackson inquired as to the necessity of reassembling after so long an intermission, whereupon Trustee Shaw replied that there were important questions to be taken up in the committee of the whole that might require the immediate action of the Board.

The Board thereupon adjourned at 9:10 p. m. and reassembled at 10:45 p. m., but as there was no business to come before the Board adjournment was made.

**HOLLYWOOD LUXURIES**

Hollywood is endeavoring to secure a fine new municipal market. The present municipal market in Cahuenga avenue has been one of the problems that has come up for discussion by the directors of the Hollywood Chamber of Commerce a number of times. It is well patronized, but complaints concerning protection when it rains owing to the poor roofing and the muddy condition of the floor, resulted in a conference in Hollywood with Councilmen Conaway and Cleaveland and a number of directors. At this conference it was suggested that a plot of ground, just north of the present location, be secured for the market. The plot of ground desired is large enough to permit of a wholesale and retail market. It was also suggested that a market be built with a substantial roof, cement floors, sanitary, and a building that "we all would be proud of." J. P. Britt, superintendent of the Los Angeles municipal markets, filed with the board a copy of a communication that he has filed with the Los Angeles City Council, showing the need of an improved market in Hollywood.

Several hundred submarine chasers, built since the war, have been delivered to the Navy by 31 private concerns and 6 navy yards; many of these boats have crossed the Atlantic, some in severe weather.

More than 70,000 acres of land in this country has been planted with castor-bean plants to produce oil for aircraft.

**NOTICE OF FORECLOSURE SALE COMMISSIONER'S SALE**

No. B-56539  
 In the Superior Court of the State of California, in and for the County of Los Angeles.

James Loosmore and Isabell F. Loosmore his wife, Plaintiffs, vs. Mary Starck, Minna A. Starck, now Minna A. Starck Sanford, Adelaide Starck, now Adelaide Starck Redmond, George F. Collins, Title Insurance and Trust Company, a corporation, as trustee, and M. G. Ritchie, Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 14th day of March, A. D. 1918, in the above entitled action, wherein James Loosmore and Isabell F. Loosmore, his wife, the above named plaintiffs, obtained a judgment and decree of foreclosure and sale against Mary Starck, Minna A. Starck, now Minna A. Starck Sanford, and Adelaide Starck, now Adelaide Starck Redmond, George F. Collins, Title Insurance and Trust Company, a corporation, as trustee, and M. G. Ritchie, Defendants, on the 11th day of March, 1918, for the sum of Two Thousand Two Hundred Eighty-two and Fifty-five Hundredths (\$2282.55) Dollars, lawful money of the United States, which said decree was, on the 25th day of March, A. D. 1918, recorded in Judgment Book 428 of said Court, at Page 378, I am commanded to sell all that certain lot, piece or parcel of land situated, lying and being in the City of Eagle Rock, County of Los Angeles, State of California, and bounded and described as follows:

That portion of the north one (1) acre of the east eight and sixty-seven hundredths (8.67) acres of Lot seventy-six (76) of Watts' Subdivision of a part of the Rancho San Rafael, as per Map recorded in Book 5, Pages 200 and 201, Miscellaneous Records of said County, described as follows:

Beginning at a point in the Northeastly line of said Lot seventy-six (76) distant one hundred twenty-two and forty-four hundredths (122.44) feet Southerly measured on said line from the intersection of the West line of said east eight and sixty-seven hundredths (8.67) acres with the northeast line of said lot, said point being also the northeast corner of the land conveyed to Edna C. Riem by deed recorded in Book 2817, page 242, of Deeds, Records of said County; thence south along the east line of the land so conveyed one hundred ninety-nine and forty-nine hundredths (199.49) feet to the

north line of the land conveyed to Anthony Ambrosine by Deed recorded in Book 2767, page 29, of Deeds, Records of said County; thence East along said north line two hundred eighteen and thirty-seven hundredths (218.37) feet, more or less, to the Northeast line of said Lot seventy-six (76); thence northwesterly along said northeast line to the point of beginning, including all buildings and improvements thereon or that may be erected thereon; together with all and singular the tenements, hereditaments and appurtenances, water and water rights, pipes, flumes and ditches thereunto belonging or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents, issues and profits thereof.

Public Notice Is Hereby Given. That on Saturday, the 20th day of April, A. D. 1918, at eleven o'clock A. M. of that day, in front of the Court House Door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment, with interest and cost, etc., to the highest and best bidder, for cash, lawful money of the United States.

Dated: this 26th day of March, 1918.  
 J. M. WRIGHT, Commissioner.  
 F. A. STEPHENSON, Plaintiffs' Attorney. 1764tFri

**Liberty Bonds**

Are United States Government Bonds.

They are supported by every dollar of the enormous resources of the United States.

They bear interest at a higher rate than earned by any other class of Government bonds.

They do not represent a war gift or donation but the highest type of profit producing investment.

They are in denominations ranging upward from \$50 to suit the convenience and the finances of every American who wants to help his country.

They are transferable, and constitute an ideal security.

If you are willing to help your country, your bank will help you by accepting your order and arranging terms of payment without the imposition of any commission or charge for its services.
