### CHAPTER 3.

An Act to provide, during Twelve Months, for the Discipline and Regulation of the Army.

[30th April 1909.]

**W**HEREAS the raising or keeping of a standing army within the United Kingdom of Great Britain and Ireland in time of peace, unless it be with the consent of Parliament, is against law :

And whereas it is adjudged necessary by His Majesty and this present Parliament that a body of forces should be continued for the safety of the United Kingdom and the defence of the possessions of His Majesty's Crown, and that the whole number of such forces should consist of one hundred and eighty-three thousand two hundred, including those to be employed at the depôts in the United Kingdom of Great Britain and Ireland for the training of recruits for service at home and abroad, but exclusive of the numbers actually serving within His Majesty's Indian possessions :

And whereas it is also judged necessary for the safety of the United Kingdom, and the defence of the possessions of this realm, that a body of Royal Marine forces should be employed in His Majesty's fleet and naval service, under the direction of the Lord High Admiral of the United Kingdom, or the Commissioners for executing the office of Lord High Admiral aforesaid :

And whereas the said marine forces may frequently be quartered or be on shore, or sent to do duty or be on board transport ships or vessels, merchant ships or vessels, or other ships or vessels, or they may be under other circumstances in which they will not be subject to the laws relating to the government of His Majesty's forces by sea :

And whereas no man can be forejudged of life or limb, or subjected in time of peace to any kind of punishment within this realm, by martial law, or in any other manner than by the judgment of his peers and according to the known and established laws of this realm ; yet, nevertheless, it being requisite, for the retaining all the before-mentioned forces, and other persons subject to military law, in their duty, that an exact discipline be observed, and that persons belonging to the said forces who mutiny or stir up sedition, or desert His Majesty's service, or are guilty of crimes and offences to the prejudice of good order and military discipline, be brought to a more exemplary and speedy punishment than the usual forms of the law will allow :

And whereas the Army Act will expire in the year one thousand nine hundred and nine on the following days :—

44 & 45 Vict.  
c. 58.

- (a) In the United Kingdom, the Channel Islands, and the Isle of Man, on the thirtieth day of April ; and
- (b) Elsewhere, whether within or without His Majesty's dominions, on the thirty-first day of July :

Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

Short title.

1. This Act may be cited as the Army (Annual) Act, 1909.

- (b) Elsewhere, whether within or without His Majesty's dominions, from the thirty-first day of July one thousand nine hundred and nine to the thirty-first day of July one thousand nine hundred and ten, both inclusive.

(2) The Army Act, while in force, shall apply to persons subject to military law, whether within or without His Majesty's dominions.

(3) A person subject to military law shall not be exempted from the provisions of the Army Act by reason only that the number of the forces for the time being in the service of His Majesty, exclusive of the marine forces, is either greater or less than the number herein-before mentioned.

## CHAPTER 5.

An Act to apply a sum out of the Consolidated Fund to the service of the year ending on the thirty-first day of March one thousand nine hundred and ten, and to appropriate the Supplies granted in this Session of Parliament.

[16th August 1909.]

Most Gracious Sovereign,

**WE**, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum herein-after mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it

enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

#### GRANTS OUT OF CONSOLIDATED FUND.

Issue of  
76,991,102*l.* out  
of the Consoli-  
dated Fund.

1. The Treasury may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to His Majesty for the service of the year ending on the thirty-first day of March one thousand nine hundred and ten, the sum of seventy-six million nine hundred and ninety-one thousand one hundred and two pounds.

Power for the  
Treasury to  
borrow.

2.—(1) The Treasury may borrow from any person, by the issue of Treasury Bills or otherwise, and the Bank of England and the Bank of Ireland may advance to the Treasury on the credit of the said sums, any sum or sums not exceeding in the whole seventy-six million nine hundred and ninety-one thousand one hundred and two pounds.

40 & 41 Viet.  
c. 2.

(2) The date of payment of any Treasury Bills issued under this section shall be a date not later than the thirty-first day of March nineteen hundred and ten, and section six of the Treasury Bills Act, 1877 (which relates to the renewal of bills), shall not apply with respect to those bills.

(3) Any money borrowed otherwise than on Treasury Bills shall be repaid, with interest not exceeding five pounds per cent. per annum, out of the growing produce of the Consolidated Fund, at any period not later than the next succeeding quarter to that in which the money was borrowed.

(4) Any money borrowed under this section shall be placed to the credit of the account of the Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such Fund is available.

#### APPROPRIATION OF GRANTS.

Appropriation  
of sums voted  
for supply ser-  
vices.

3. All sums granted by this Act and the other Acts mentioned in Schedule (A.) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to His Majesty, amounting, as appears by the said schedule, in the aggregate, to the sum of one hundred and twenty-six million five hundred and seventy-one thousand five hundred and seven pounds four shillings and tenpence, are appropriated, and shall be deemed to have been appropriated as from the date of the passing of the Acts mentioned in the said Schedule (A.), for the services and purposes expressed in Schedule (B.) annexed hereto.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules, shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

In addition to the sums hereby granted out of the Consolidated Fund, there may be applied out of any money directed under section two of the Public Accounts and Charges Act, 1891, to be applied as appropriations in aid of the grants for the services and purposes specified in Schedule (B.) annexed hereto, the sums respectively set forth in the last column of the said schedule.

51 & 55 Vict.  
c. 24.

4.—(1) So long as the aggregate expenditure on naval and military services respectively is not made to exceed the aggregate sums appropriated by this Act for those services respectively, any surplus arising on any vote for those services, either by an excess of the sum realised on account of appropriations in aid of the vote over the sum which may be applied under this Act as appropriations in aid of that vote, or by saving of expenditure on that vote, may, with the sanction of the Treasury, be temporarily applied either in making up any deficiency in the sums realised on account of appropriations in aid of any other vote in the same department, or in defraying expenditure in the same department which is not provided for in the sums appropriated to the service of the department by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course.

Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for the navy services and for the army services respectively be not exceeded.

(2) A statement showing all cases in which the sanction of the Treasury has been given to the temporary application of a surplus under this section, and showing the circumstances under which the sanction of the Treasury has been given, shall be laid before the House of Commons with the appropriation accounts of the naval and military services for the year, in order that any temporary application of any surplus sanctioned by the Treasury under this section may be submitted for the sanction of Parliament.

5. Whereas under the powers given for the purpose by the Appropriation Act, 1907, and the Appropriation Act, 1908, surpluses arising on certain votes for the naval and military services respectively have been temporarily applied as shown in the accounts set out in Schedule (C.) to this Act :

Sanction for navy and army expenditure for 1907-1908 unprovided for.  
7 Edw. 7. c. 20.  
8 Edw. 7. c. 30.

It is enacted that the application of those surpluses as shown in the said accounts is hereby sanctioned.

6. A person shall not receive any part of a grant which may be made in pursuance of this Act for half-pay or army, navy, or civil non-effective services, until he has subscribed such declaration as may from time to time be prescribed by a warrant of the Treasury before one of the persons prescribed by such warrant :

Declaration required in certain cases before receipt of sums appropriated.

Provided that, whenever any such payment is made at more frequent intervals than once in a quarter, the Treasury may dispense with the production of more than one declaration in respect of each quarter.

Any person who makes a declaration for the purpose of this section, knowing the same to be untrue in any material particular, shall be guilty of a misdemeanor.

Short title.

7. This Act may be cited for all purposes as the Appropriation Act, 1909.

## CHAPTER 6.

An Act to grant Money for the purpose of certain Local Loans out of the Local Loans Fund, and for other purposes relating to Local Loans. [16th August 1909.]

**B**E it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1.—(1) For the purpose of local loans there may be issued by the National Debt Commissioners the following sums, namely :—

Grants for public works.

- (a) For the purpose of loans by the Public Works Loan Commissioners any sum or sums not exceeding in the whole the sum of four million pounds ;
- (b) For the purpose of loans by the Commissioners of Public Works in Ireland any sum or sums not exceeding in the whole the sum of six hundred thousand pounds.

(2) The sums so issued shall be issued during a period ending on the day on which a further Act granting money for the purposes of those loans comes into operation and in accordance with the provisions of the National Debt and Local Loans Act, 1887.

50 & 51 Vict.  
c. 16.

2. Whereas it is expedient that the principal of the several local loans specified in the Schedule to this Act should, to the extent specified in the last column of that Schedule, not be reckoned as assets of the local loans fund established under the National Debt and Local Loans Act, 1887 ; therefore, the principal of the said loans shall to that extent be written off from the assets of the local loans fund, and the provisions of section fifteen of the said Act shall, so far as applicable, apply thereto.

Certain debts not to be reckoned as assets of local loans fund.

3. Whereas in pursuance of an agreement made in the year eighteen hundred and ninety-two the sum of ten thousand pounds was advanced by the Public Works Loan Commissioners to the Eyemouth Harbour Trustees on the security of the harbour revenues with the collateral security of the Fishery Board for Scotland :

Remission of arrears of principal and interest in respect of Eyemouth Harbour loan.

And whereas by an arrangement confirmed by section three of the Public Works Loans Act, 1901, the liability of the Eyemouth Harbour Trustees in respect of the said loan was extinguished without prejudice to the liability of the Fishery Board for Scotland to repay that loan, and, in consequence thereof, the said collateral security is the sole security for the repayment of the said loan :

1 Edw. 7. c. 35.

And whereas the terms of the said collateral security are embodied in a memorandum of agreement between the Secretary

for Scotland and the Public Works Loan Commissioners, dated the eleventh day of March eighteen hundred and ninety-two, whereby a portion of the "surplus herring brand fees," as defined in clause three of the said memorandum, was pledged in security for the repayment of the said loan with interest by the instalments and at the times mentioned in the security given by the Eyemouth Harbour Trustees for the said loan, and it was provided that the said portion of the "surplus herring brand fees" of any one year should only be applicable to the repayment of the one-fiftieth part of principal and interest on outstanding principal falling due under the security for the said loan in the same year, and should not be applicable to the repayment of arrears of principal :

And whereas the said portion of the "surplus herring brand fees" so pledged as aforesaid, was in the year ending the thirty-first day of March nineteen hundred and eight, insufficient to discharge in full the instalment of principal with interest which fell due under the security for the said loan in that year, and the principal sum of one hundred and fifty-one pounds seventeen shillings and twopence, with interest amounting to one hundred and thirteen pounds seventeen shillings and elevenpence, now remains unpaid and under the terms of the said memorandum of agreement is irrecoverable :

Therefore the said principal sum of one hundred and fifty-one pounds seventeen shillings and twopence shall be extinguished and the said arrears of interest amounting to one hundred and thirteen pounds seventeen shillings and elevenpence shall be remitted.

Short title.

(3) Any general regulations made under this section shall have effect as if enacted in this Act, but shall be laid before both Houses of Parliament as soon as may be after they are made, and, if either House of Parliament within the next forty days during the session of Parliament after any regulations have been so laid before that House resolves that the regulations or any of them ought to be annulled, the regulations or those to which the resolution applies shall, after the date of such resolution, be of no effect, without prejudice to the validity of anything done in the meantime under the regulations or to the making of any new regulations.

(4) Subject to any such regulations, the powers of the Board of Trade under this Act shall be exercised in such manner as the Board of Trade may direct.

(5) The Board of Trade may, in such cases as they think fit, establish advisory committees for the purpose of giving the Board advice and assistance in connexion with the management of any labour exchange.

### FINANCE AND RAILWAYS.

Constitution of Consolidated Revenue Fund and Railway and Harbour Fund.

**117.** All revenues, from whatever source arising, over which the several Colonies have at the establishment of the Union power of appropriation, shall vest in the Governor-General in Council. There shall be formed a Railway and Harbour Fund, into which shall be paid all revenues raised or received by the Governor-General in Council from the administration of the railways, ports, and harbours, and such fund shall be appropriated by Parliament to the purposes of the railways, ports, and harbours in the manner prescribed by this Act. **119.** The annual interest of the public debts of the Colonies and any sinking funds constituted by law at the establishment of the Union shall form a first charge on the Consolidated Revenue Fund.

of railways,  
ports, and

**127.** The railways, ports, and harbours of the Union shall be administered on business principles, due regard being had to agricultural and industrial development within the Union and promotion, by means of cheap transport, of the settlement of an agricultural and industrial population in the inland portions of all provinces of the Union. So far as may be, the total earnings shall be not more than are sufficient to meet the necessary outlays for working, maintenance, betterment, depreciation, and the payment of interest due on capital not being capital contributed out of railway or harbour revenue, and not including any sums payable out of the Consolidated Revenue Fund in accordance with the provisions of sections one hundred and thirty and one hundred and thirty-one. The amount of interest due on such capital invested shall be paid over from the Railway and Harbour Fund into the Consolidated Revenue Fund. The

Governor-General in Council shall give effect to the provisions of this section as soon as and at such time as the necessary administrative and financial arrangements can be made, but in any case shall give full effect to them before the expiration of four years from the establishment of the Union. During such period, if the revenues accruing to the Consolidated Revenue Fund are insufficient to provide for the general service of the Union, and if the earnings accruing to the Railway and Harbour Fund are in excess of the outlays specified herein, Parliament may by law appropriate such excess or any part thereof towards the general expenditure of the Union, and all sums so appropriated shall be paid over to the Consolidated Revenue Fund.

**130.** Every proposal for the construction of any port or harbour works or of any line of railway, before being submitted to Parliament, shall be considered by the Board, which shall report thereon, and shall advise whether the proposed works or line of railway should or should not be constructed. If any such works or line shall be constructed contrary to the advice of the Board, and if the Board is of opinion that the revenue derived from the operation of such works or line will be insufficient to meet the costs of working and maintenance, and of interest on the capital invested therein, it shall frame an estimate of the annual loss which, in its opinion, will result from such operation. Such estimate shall be examined by the Controller and Auditor-General, and when approved by him the amount thereof shall be paid over annually from the Consolidated Revenue Fund to the Railway and Harbour Fund: Provided that, if in any year the actual loss incurred, as calculated by the Board and certified by the Controller and Auditor-General, is less than the estimate framed by the Board, the amount paid over in respect of that year shall be reduced accordingly so as not to exceed the actual loss incurred. In calculating the loss arising from the operation of any such work or line, the Board shall have regard to the value of any contributions of traffic to other parts of the system which may be due to the operation of such work or line.

Until Parliament shall otherwise provide, the Controller and Auditor-General shall exercise such powers and functions and undertake such duties as may be assigned to him by the Governor-General in Council by regulations framed in that behalf.

Compensation of colonial capitals for diminution of prosperity.

**133.** In order to compensate Pietermaritzburg and Bloemfontein for any loss sustained by them in the form of diminution of prosperity or decreased rateable value by reason of their ceasing to be the seats of government of their respective Colonies, there shall be paid from the Consolidated Revenue Fund for a period not exceeding twenty-five years to the municipal councils of such towns a grant of two per centum per annum on their municipal debts, as existing on the thirty-first day of January nineteen hundred and nine, and as ascertained by the Controller and Auditor-General. Such compensation shall be paid out of the Consolidated Revenue Fund for a period not exceeding twenty-five years, and shall not exceed one per centum per annum on the respective municipal debts of such towns as existing on the thirty-first

January nineteen hundred and nine, and as ascertained by the Controller and Auditor-General. For the purposes of this section Cape Town shall be deemed to include the municipalities of Cape Town, Green Point, and Sea Point, Woodstock, Mowbray, and Rondebosch, Claremont, and Wynberg, and any grant made to Cape Town shall be payable to the councils of such municipalities in proportion to their respective debts. One half of any such grants shall be applied to the redemption of the municipal debts of such towns respectively. At any time after the tenth annual grant has been paid to any of such towns the Governor-General in Council, with the approval of Parliament, may after due inquiry withdraw or reduce the grant to such town.

A Bill so passed at such joint sitting shall be taken to have been duly passed by both Houses of Parliament.

## SCHEDULE.

Section 151.

1. After the transfer of the government of any territory belonging to or under the protection of His Majesty, the Governor-General in Council shall be the legislative authority, and may by proclamation make laws for the peace, order, and good government of such territory: Provided that all such laws shall be laid before both Houses of Parliament within seven

days after the issue of the proclamation or, if Parliament be not then sitting, within seven days after the beginning of the next session, and shall be effectual unless and until both Houses of Parliament shall by resolutions passed in the same session request the Governor-General in Council to repeal the same, in which case they shall be repealed by proclamation.

2. The Prime Minister shall be charged with the administration of any territory thus transferred, and he shall be advised in the general conduct of such administration by a commission consisting of not fewer than three members with a secretary, to be appointed by the Governor-General in Council, who shall take the instructions of the Prime Minister in conducting all correspondence relating to the territories, and shall also under the like control have custody of all official papers relating to the territories.

3. The members of the commission shall be appointed by the Governor-General in Council, and shall be entitled to hold office for a period of ten years, but such period may be extended to successive further terms of five years. They shall each be entitled to a fixed annual salary, which shall not be reduced during the continuance of their term of office, and they shall not be removed from office except upon addresses from both Houses of Parliament passed in the same session praying for such removal. They shall not be qualified to become, or to be, members of either House of Parliament. One of the members of the commission shall be appointed by the Governor-General in Council as vice-chairman thereof. In case of the absence, illness, or other incapacity of any member of the commission, the Governor-General in Council may appoint some other fit and proper person to act during such absence, illness, or other incapacity.

4. It shall be the duty of the members of the commission to advise the Prime Minister upon all matters relating to the general conduct of the administration of, or the legislation for, the said territories. The Prime Minister, or another minister of State nominated by the Prime Minister to be his deputy for a fixed period, or, failing such nomination, the vice-chairman, shall preside at all meetings of the commission, and in case of an equality of votes shall have a casting vote. Two members of the commission shall form a quorum. In case the commission shall consist of four or more members, three of them shall form a quorum.

5. Any member of the commission who dissents from the decision of a majority shall be entitled to have the reasons for his dissent recorded in the minutes of the commission.

6. The members of the commission shall have access to all official papers concerning the territories, and they may deliberate on any matter relating thereto and tender their advice thereon to the Prime Minister.

7. Before coming to a decision on any matter relating either to the administration, other than routine, of the territories or to legislation therefor, the Prime Minister shall cause the papers relating to such matter to be deposited with the secretary to the commission, and shall convene a meeting of the commission for the purpose of obtaining its opinion on such matter.

8. Where it appears to the Prime Minister that the despatch of any communication or the making of any order is urgently required, the communication may be sent or order made, although it has not been submitted to a meeting of the commission or deposited for the perusal of the members thereof. In any such case the Prime Minister shall record the reasons for sending the communication or making the order and give notice thereof to every member.

9. If the Prime Minister does not accept a recommendation of the commission or proposes to take some action contrary to their advice, he shall state his views to the commission, who shall be at liberty to place on record the reasons in support of their recommendation or advice. This record shall be laid by the Prime Minister before the Governor-General in Council, whose decision in the matter shall be final.

10. When the recommendations of the commission have not been accepted by the Governor-General in Council, or action not in accordance with their advice has been taken by the Governor-General in Council, the Prime Minister, if thereto requested by the commission, shall lay the record of their dissent from the decision or action taken and of the reasons therefor before both Houses of Parliament, unless in any case the Governor-General in Council shall transmit to the commission a minute recording his opinion that the publication of such record and reasons would be gravely detrimental to the public interest.

11. The Governor-General in Council shall appoint a resident commissioner for each territory, who shall, in addition to such other duties as shall be imposed on him, prepare the annual estimates of revenue and expenditure for such territory, and forward the same to the secretary to the commission for the consideration of the commission and of the Prime Minister. A proclamation shall be issued by the Governor-General in Council, giving to the provisions for revenue and expenditure made in the estimates as finally approved by the Governor-General in Council the force of law.

12. There shall be paid into the Treasury of the Union all duties of customs levied on dutiable articles imported into and consumed in the territories, and there shall be paid out of the Treasury annually towards the cost of administration of each territory a sum in respect of such duties which shall bear to the total customs revenue of the Union in respect of each financial year the same proportion as the average amount of the customs revenue of such territory for the three completed financial years last preceding the taking effect of this Act bore to the average amount of the whole customs revenue for all the Colonies and territories included in the Union received during the same period.

13. If the revenue of any territory for any financial year shall be insufficient to meet the expenditure thereof, any amount required to make good the deficiency may, with the approval of the Governor-General in Council, and on such terms and conditions and in such manner as with the like approval may be directed or prescribed, be advanced from the funds of any other territory. In default of any such arrangement, the amount required to make good any such deficiency shall be advanced by the Government of the Union. In case there shall be a surplus for any territory, such surplus shall in the first instance be devoted to the repayment of any sums previously advanced by any other territory or by the Union Government to make good any deficiency in the revenue of such territory.

14. It shall not be lawful to alienate any land in Basutoland or any land forming part of the native reserves in the Bechuanaland protectorate and Swaziland from the native tribes inhabiting those territories.

15. The sale of intoxicating liquor to natives shall be prohibited in the territories, and no provision giving facilities for introducing, obtaining, or possessing such liquor in any part of the territories less stringent than those existing at the time of transfer shall be allowed.

16. The custom, where it exists, of holding pitsos or other recognised forms of native assembly shall be maintained in the territories.

17. No differential duties or imposts on the produce of the territories shall be levied. The laws of the Union relating to customs and excise shall be made to apply to the territories.

18. There shall be free intercourse for the inhabitants of the territories with the rest of South Africa subject to the laws, including the pass laws, of the Union.

19. Subject to the provisions of this Schedule, all revenues derived from any territory shall be expended for and on behalf of such territory : Provided that the Governor-General in Council may make special provision for the appropriation of a portion of such revenue as a contribution towards the cost of defence and other services performed by the Union for the benefit of the whole of South Africa, so, however, that that contribution shall not bear a higher proportion to the total cost of such services than that which the amount payable under paragraph 12 of this Schedule from the Treasury of the Union towards the cost of the administration of the territory bears to the total customs revenue of the Union on the average of the three years immediately preceding the year for which the contribution is made.

20. The King may disallow any law made by the Governor-General in Council by proclamation for any territory within one year from the date of the proclamation, and such disallowance on being made known by the Governor-General by proclamation shall annul the law from the day when the disallowance is so made known.

21. The members of the commission shall be entitled to such pensions or superannuation allowances as the Governor-General in Council shall by proclamation provide, and the salaries and pensions of such members and all other expenses of the commission shall be borne by the territories in the proportion of their respective revenues.

22. The rights as existing at the date of transfer of officers of the public service employed in any territory shall remain in force.

23. Where any appeal may by law be made to the King in Council from any court of the territories, such appeal shall, subject to the provisions of this Act, be made to the Appellate Division of the Supreme Court of South Africa.

24. The Commission shall prepare an annual report on the territories, which shall, when approved by the Governor-General in Council, be laid before both Houses of Parliament.

25. All Bills to amend or alter the provisions of this Schedule shall be reserved for the signification of His Majesty's pleasure.

## CHAPTER 10.

An Act to amend the Superannuation Acts, 1834 to 1892.  
[20th September 1909.]

**BE** it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1.—(1) The proportion of the annual salary and emoluments on which the scale of the superannuation allowances to be granted to male civil servants is to be calculated shall, in the case of civil servants who enter the service after the passing of

Superannuation allowances and additional allowances to future male civil servants.

22 Vict. c. 26.

this Act, be one-eightieth instead of one-sixtieth, and accordingly section two of the Superannuation Act, 1859, shall, as respects such civil servants, have effect as if for the words "sixtieth" and "sixtieths," wherever they occur, there were substituted the words "eightieth" and "eightieths."

(2) The Treasury may grant by way of additional allowance to any such civil servant who retires after having served for not less than two years, in addition to the superannuation allowance (if any) to which he may become entitled or the gratuity (if any) which may be granted to him under section six of the Superannuation Act, 1859, a lump sum equal to one-thirtieth of the annual salary and emoluments of his office multiplied by the number of completed years he has served, so, however, that the additional allowance shall in no case exceed one and a half times the amount of such salary and emoluments :

Provided that, if a civil servant retires from the service after attaining the age of sixty-five years, there shall be deducted from the amount of the additional allowance which would otherwise be payable to him one-twentieth of that amount for every completed year he has served after attaining that age.

Gratuity in case of death of future male civil servants.

**2.**—(1) Where a male civil servant who enters the service after the passing of this Act dies, after he has served five years or upwards, whilst still employed in the service, the Treasury may grant to his legal personal representatives a gratuity equal to the annual salary and emoluments of his office :

Provided that, if he dies after attaining the age of sixty-five years, the amount of the gratuity which may be so granted shall be reduced by one-twentieth of that amount for every completed year he has served after attaining that age.

(2) Where any such civil servant having become entitled to a superannuation allowance dies after he has retired from the service, and the sums actually received by him at the time of his death on account of such superannuation allowance, together with the sum received by him by way of additional allowance, are less than the amount of the annual salary and emoluments of his office, the Treasury may grant to his legal personal representatives a gratuity equal to the deficiency.

Application existing male civil servants.

**3.**—(1) Subject to regulations made by the Treasury, the Treasury may allow any male civil servant who has entered the service before the date of the passing of this Act, and who at that date is under sixty years of age, to adopt the provisions of this Act, and in such case there may be granted to him or his legal personal representatives such superannuation and other allowances and gratuity as might have been granted had he entered the service after the passing of this Act, except that the amount of the additional allowance payable on retirement shall be increased by one-half per cent. in respect of each completed year he had served at the passing of this Act.

(2) Nothing in this Act shall affect the right to superannuation allowance or gratuity of a civil servant who has entered the

service before the passing of this Act, and who either is at that time over sixty years of age, or is under sixty years of age and does not adopt the provisions of this Act.

4. Subject to the provisions of this Act, the provisions of the Superannuation Acts, 1834 to 1892, with respect to the qualifications for obtaining superannuation allowances and gratuities, and to the manner of reckoning years of service and amount of annual salary and emoluments, and to the diminution of superannuation allowances, and to the determination of questions by the Treasury, shall apply in respect of additional allowances and gratuities under this Act in like manner as they apply in respect of superannuation allowances under those Acts.

Method of calculating allowances.

5. A warrant framed by the Treasury under section one of the Superannuation Act, 1887, with respect to the grant of gratuities and allowances to civil servants injured in the discharge of their duty may be revoked or from time to time varied by a fresh warrant, and every such warrant shall be laid before Parliament.

Power to revoke and alter warrants under 50 & 51 Vict. c. 67. s. 1.

6.—(1) It shall be lawful for the Treasury to grant to any person retiring or removed from the public service in consequence of the abolition of his office, or for the purpose of facilitating improvements in the organisation of the department to which he belonged, by which greater efficiency and economy can be effected, such special allowance or allowances by way of compensation as on a full consideration of the circumstances of the case seem to the Treasury to be a reasonable and just compensation for the loss of office, but not exceeding in any case the amount which a civil servant would be entitled to, or which might be granted to a civil servant, if he retired on the ground of ill-health.

Compensation on abolition of office.

(2) The foregoing provision shall apply only to persons entering the service after the date of the passing of this Act, and shall apply to those persons in substitution for section seven of the Superannuation Act, 1859.

Nothing herein contained shall affect the application of the said section seven of the Superannuation Act, 1859, to persons who have entered the service before that date or the practice of the Treasury thereunder.

7.—(1) The Treasury may from time to time make rules for the purpose of carrying this Act into effect and for making such adaptations and modifications of the provisions of the Superannuation Acts, 1834 to 1892, and other enactments relating to superannuation allowances and pensions of persons who have served partly in the civil service and partly in some other service entitling them to a pension as may be necessary for adapting those provisions to the provisions of this Act, and for altering the rules made by the Treasury under the Superannuation Act, 1892.

Rules.

(2) Before any rules made under this section come into force, a draft thereof shall be laid before each House of Parliament for

a period of not less than thirty days during the session of Parliament, and, if either of those Houses of Parliament before the expiration of those thirty days presents an address to His Majesty against the draft or any part thereof, no further proceedings shall be taken thereon, without prejudice to the making of any new draft rules.

An Act to provide for the establishment of Trade Boards for certain Trades. [20th October 1909.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

### ESTABLISHMENT OF TRADE BOARDS FOR TRADES TO WHICH THE ACT APPLIES.

1.—(1) This Act shall apply to the trades specified in the schedule to this Act and to any other trades to which it has been applied by Provisional Order of the Board of Trade made under this section.

Application of Act to certain trades.

(2) The Board of Trade may make a Provisional Order applying this Act to any specified trade to which it does not at the time apply if they are satisfied that the rate of wages prevailing in any branch of the trade is exceptionally low, as

compared with that in other employments, and that the other circumstances of the trade are such as to render the application of this Act to the trade expedient.

(3) If at any time the Board of Trade consider that the conditions of employment in any trade to which this Act applies have been so altered as to render the application of this Act to the trade unnecessary, they may make a Provisional Order that this Act shall cease to apply to that trade.

(4) The Board of Trade may submit to Parliament for confirmation any Provisional Order made by them in pursuance of this section, but no such Order shall have effect unless and until it is confirmed by Parliament.

(5) If, while a Bill confirming any such Order is pending in either House of Parliament, a petition is presented against any Order comprised therein, the Bill, so far as it relates to that Order, may be referred to a select committee, or, if the two Houses of Parliament think fit so to order, to a joint committee of those Houses, and the petitioner shall be allowed to appear and oppose as in the case of Private Bills.

(6) Any Act confirming a Provisional Order made in pursuance of this section may be repealed, altered, or amended by any subsequent Provisional Order made by the Board of Trade and confirmed by Parliament.

Establishment  
of Trade Boards  
for trades to  
which Act  
applies.

**2.**—(1) The Board of Trade shall, if practicable, establish one or more Trade Boards constituted in accordance with regulations made under this Act for any trade to which this Act applies or for any branch of work in the trade.

Where a Trade Board is established under this Act for any trade or branch of work in a trade which is carried on to any substantial extent in Ireland, a separate Trade Board shall be established for that trade or branch of work in a trade in Ireland.

(2) Where a Trade Board has been established for any branch of work in a trade, any reference in this Act to the trade for which the Board is established shall be construed as a reference to the branch of work in the trade for which the Board has been established.

General duties  
of Trade  
Boards.

**3.** A Trade Board for any trade shall consider, as occasion requires, any matter referred to them by a Secretary of State, the Board of Trade, or any other Government department, with reference to the industrial conditions of the trade, and shall make a report upon the matter to the department by whom the question has been referred.

#### MINIMUM RATES OF WAGES.

Duties and  
powers of  
Trade Boards  
with respect to  
minimum rates  
of wages.

**4.**—(1) Trade Boards shall, subject to the provisions of this section, fix minimum rates of wages for timework for their trades (in this Act referred to as minimum time-rates), and may also fix general minimum rates of wages for piecework for their

trades (in this Act referred to as general minimum piece-rates), and those rates of wages (whether time- or piece-rates) may be fixed so as to apply universally to the trade, or so as to apply to any special process in the work of the trade or to any special class of workers in the trade, or to any special area.

If a Trade Board report to the Board of Trade that it is impracticable in any case to fix a minimum time-rate in accordance with this section, the Board of Trade may so far as respects that case relieve the Trade Board of their duty.

(2) Before fixing any minimum time-rate or general minimum piece-rate, the Trade Board shall give notice of the rate which they propose to fix and consider any objections to the rate which may be lodged with them within three months.

(3) The Trade Board shall give notice of any minimum time-rate or general minimum piece-rate fixed by them.

(4) A Trade Board may, if they think it expedient, cancel or vary any minimum time-rate or general minimum piece-rate fixed under this Act, and shall reconsider any such minimum rate if the Board of Trade direct them to do so, whether an application is made for the purpose or not :

Provided that the provisions of this section as to notice shall apply where it is proposed to cancel or vary the minimum rate fixed under the foregoing provisions in the same manner as they apply where it is proposed to fix a minimum rate.

(5) A Trade Board shall on the application of any employer fix a special minimum piece-rate to apply as respects the persons employed by him in cases to which a minimum time-rate but no general minimum piece-rate is applicable, and may as they think fit cancel or vary any such rate either on the application of the employer or after notice to the employer, such notice to be given not less than one month before cancellation or variation of any such rate.

5.--(1) Until a minimum time-rate or general minimum piece-rate fixed by a Trade Board has been made obligatory by order of the Board of Trade under this section, the operation of the rate shall be limited as in this Act provided.

Order giving obligatory effect to minimum rates of wages.

(2) Upon the expiration of six months from the date on which a Trade Board have given notice of any minimum time-rate or general minimum piece-rate fixed by them, the Board of Trade shall make an order (in this Act referred to as an obligatory order) making that minimum rate obligatory in cases in which it is applicable on all persons employing labour and on all persons employed, unless they are of opinion that the circumstances are such as to make it premature or otherwise undesirable to make an obligatory order, and in that case they shall make an order suspending the obligatory operation of the rate (in this Act referred to as an order of suspension).

(3) Where an order of suspension has been made as respects any rate, the Trade Board may, at any time after the expiration of six months from the date of the order, apply to the Board of Trade for an obligatory order as respects that rate ; and on any

such application the Board of Trade shall make an obligatory order as respects that rate, unless they are of opinion that a further order of suspension is desirable, and, in that case, they shall make such a further order, and the provisions of this section which are applicable to the first order of suspension shall apply to any such further order.

An order of suspension as respects any rate shall have effect until an obligatory order is made by the Board of Trade under this section.

(4) The Board of Trade may, if they think fit, make an order to apply generally as respects any rates which may be fixed by any Trade Board constituted, or about to be constituted, for any trade to which this Act applies, and while the order is in force any minimum time-rate or general minimum piece-rate shall, after the lapse of six months from the date on which the Trade Board have given notice of the fixing of the rate, be obligatory in the same manner as if the Board of Trade had made an order making the rate obligatory under this section, unless in any particular case the Board of Trade, on the application of any person interested, direct to the contrary.

The Board of Trade may revoke any such general order at any time after giving three months' notice to the Trade Board of their intention to revoke it.

Penalty for not paying wages in accordance with minimum rate which has been made obligatory.

6.—(1) Where any minimum rate of wages fixed by a Trade Board has been made obligatory by order of the Board of Trade under this Act, an employer shall, in cases to which the minimum rate is applicable, pay wages to the person employed at not less than the minimum rate clear of all deductions, and if he fails to do so shall be liable on summary conviction in respect of each offence to a fine not exceeding twenty pounds and to a fine not exceeding five pounds for each day on which the offence is continued after conviction therefor.

(2) On the conviction of an employer under this section for failing to pay wages at not less than the minimum rate to a person employed, the court may by the conviction adjudge the employer convicted to pay, in addition to any fine, such sum as appears to the court to be due to the person employed on account of wages, the wages being calculated on the basis of the minimum rate, but the power to order the payment of wages under this provision shall not be in derogation of any right of the person employed to recover wages by any other proceedings.

(3) If a Trade Board are satisfied that any worker employed, or desiring to be employed, on time work in any branch of a trade to which a minimum time-rate fixed by the Trade Board is applicable is affected by any infirmity or physical injury which renders him incapable of earning that minimum time-rate, and are of opinion that the case cannot suitably be met by employing the worker on piece-work, the Trade Board may, if they think fit, grant to the worker, subject to such conditions, if any, as they prescribe, a permit exempting the employment of the worker

from the provisions of this Act rendering the minimum time-rate obligatory, and, while the permit is in force, an employer shall not be liable to any penalty for paying wages to the worker at a rate less than the minimum time-rate so long as any conditions prescribed by the Trade Board on the grant of the permit are complied with.

(4) On any prosecution of an employer under this section, it shall lie on the employer to prove by the production of proper wages sheets or other records of wages or otherwise that he has not paid, or agreed to pay, wages at less than the minimum rate.

(5) Any agreement for the payment of wages in contravention of this provision shall be void.

7.—(1) Where any minimum rate of wages has been fixed by a Trade Board, but is not for the time being obligatory under an order of the Board of Trade made in pursuance of this Act, the minimum rate shall, unless the Board of Trade direct to the contrary in any case in which they have directed the Trade Board to reconsider the rate, have a limited operation as follows :—

Limited operation of minimum rate which has not been made obligatory.

- (a) In all cases to which the minimum rate is applicable an employer shall, in the absence of a written agreement to the contrary, pay to the person employed wages at not less than the minimum rate, and, in the absence of any such agreement, the person employed may recover wages at such a rate from the employer ;
- (b) Any employer may give written notice to the Trade Board by whom the minimum rate has been fixed that he is willing that that rate should be obligatory on him, and in that case he shall be under the same obligation to pay wages to the person employed at not less than the minimum rate, and be liable to the same fine for not doing so, as he would be if an order of the Board of Trade were in force making the rate obligatory ; and
- (c) No contract involving employment to which the minimum rate is applicable shall be given by a Government department or local authority to any employer unless he has given notice to the Trade Board in accordance with the foregoing provision :

Provided that in case of any public emergency the Board of Trade may by order, to the extent and during the period named in the order, suspend the operation of this provision as respects contracts for any such work being done or to be done on behalf of the Crown as is specified in the order.

(2) A Trade Board shall keep a register of any notices given under this section :

The register shall be open to public inspection without payment of any fee, and shall be evidence of the matters stated therein :

Any copy purporting to be certified by the secretary of the Trade Board or any officer of the Trade Board authorised for the purpose to be a true copy of any entry in the register shall be admissible in evidence without further proof.

Provision for case of persons employed by piece work where a minimum time-rate but no general minimum piece-rate has been fixed.

**8.** An employer shall, in cases where persons are employed on piece work and a minimum time-rate but no general minimum piece-rate has been fixed, be deemed to pay wages at less than the minimum rate—

- (a) in cases where a special minimum piece-rate has been fixed under the provisions of this Act for persons employed by the employer, if the rate of wages paid is less than that special minimum piece-rate; and
- (b) in cases where a special minimum piece-rate has not been so fixed, unless he shows that the piece-rate of wages paid would yield, in the circumstances of the case, to an ordinary worker at least the same amount of money as the minimum time-rate.

Prevention of evasion.

**9.** Any shopkeeper, dealer, or trader, who by way of trade makes any arrangement express or implied with any worker in pursuance of which the worker performs any work for which a minimum rate of wages has been fixed under this Act, shall be deemed for the purposes of this Act to be the employer of the worker, and the net remuneration obtainable by the worker in respect of the work after allowing for his necessary expenditure in connection with the work shall be deemed to be wages.

Consideration by Trade Board of complaints as to infraction of minimum rates.

**10.**—(1) Any worker or any person authorised by a worker may complain to the Trade Board that the wages paid to the worker by any employer in any case to which any minimum rate fixed by the Trade Board is applicable are at a rate less than the minimum rate, and the Trade Board shall consider the matter and may, if they think fit, take any proceedings under this Act on behalf of the worker.

(2) Before taking any proceedings under this Act on behalf of the worker, a Trade Board may, and on the first occasion on which proceedings are contemplated by the Trade Board against an employer they shall, take reasonable steps to bring the case to the notice of the employer, with a view to the settlement of the case without recourse to proceedings.

(4) Where a district trade committee has been established for any area, it shall be the duty of the committee to recommend to the Trade Board minimum time-rates and, so far as they

think fit, general minimum piece-rates, applicable to the trade in that area, and no such minimum rate of wages fixed under this Act and no variation or cancellation of such a rate shall have effect within that area unless either the rate or the variation or cancellation thereof, as the case may be, has been recommended by the district trade committee, or an opportunity has been given to the committee to report thereon to the Trade Board, and the Trade Board have considered the report (if any) made by the committee.

### CHAPTER 34.

An Act to amend the Acts relating to Electric Lighting. [25th November 1909.]

**BE** it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

Compulsory  
acquisition of  
land for gene-  
rating sta-  
tions.

**1.**—(1) The Board of Trade may by Provisional Order authorise any local authority, company, or person, who is authorised by the same or any previous Provisional Order or by

Act of Parliament to supply electricity in any area, to acquire compulsorily, or to use, for the purpose of a generating station any land specified in the Order, whether situated within or without the area of supply, and, in the case of a local authority, whether situated within or without their district.

(2) For the purpose of the acquisition of land authorised to be taken compulsorily under any such Provisional Order, the provisions of the Lands Clauses Acts which relate to the purchase and taking of lands otherwise than by agreement, and to the entry upon lands by the promoters of the undertaking, are, subject to the modifications set out in the First Schedule to this Act, incorporated with the Electric Lighting Acts, as well as the provisions of those Acts already so incorporated by the Electric Lighting Act, 1882. 45 & 46 Vict.  
c. 56.

(3) Rules made by the Board of Trade under section five of the Electric Lighting Act, 1882, shall provide for proper notice being given of an application for a Provisional Order, by which it is proposed to authorise the compulsory acquisition or use of land for the purpose of a generating station, to owners, lessees, and occupiers of land, and also for public notice being given of the proposal by advertisement.

**2.** It shall not be lawful for any undertakers after the passing of this Act, except with the consent of the Board of Trade, to construct any generating station on any land acquired by them after the thirty-first day of March one thousand nine hundred and nine unless the construction is authorised and the land is specified in a special Act or Provisional Order, and the Board of Trade shall not in any case give such consent until notice has been given, by advertisement or otherwise, as the Board of Trade may direct, to the local authority of the district in which the land is situate, and to owners and lessees of land situate within three hundred yards of the land upon which the generating station is to be constructed, and an opportunity has been given to such local authority, owners, and lessees, of stating any objections they may have thereto. Construction  
of generating  
station on  
land acquired  
by agreement.

This section shall not apply to any station for transforming, converting, or distributing electrical energy.

**3.** For the purpose of enabling electricity to be brought into an area of supply from a generating station belonging to any undertakers situated outside that area, the Board of Trade may by Provisional Order apply to any roads, railways, or tramways situated outside that area the provisions of the Electric Lighting Acts which authorise, or enable the Board of Trade to authorise, the breaking up of any road, railway, or tramway, so far as those provisions do not already so apply : Breaking up  
streets, &c.,  
outside area of  
supply.

Provided that a Provisional Order authorising the breaking up of roads outside the area of supply shall not be granted by the Board of Trade except with the consent of the local authority in whose district the road is situate, unless the Board of Trade, in any case in which the consent of any such local authority is

refused, are of opinion that, having regard to all the circumstances of the case, such consent ought to be dispensed with, and in that case they shall make a special report to Parliament stating the grounds on which they have dispensed with the consent.

Supply in  
bulk.

4.—(1) The Board of Trade, unless they are of opinion that, by reason of the character or magnitude of the proposed undertaking, the matter ought to be dealt with by private Bill, may by Provisional Order—

- (a) authorise any local authority or company to supply electricity in bulk ;
- (b) provide for any supply so authorised being compulsory ; and
- (c) make such other provisions as appear to them necessary for adapting the Electric Lighting Acts to any case where a local authority or company are authorised to supply electricity in bulk, including the application to roads, railways, and tramways along the route along which lines are authorised to be laid for the purpose of giving the supply in bulk of the provisions of those Acts which authorise or enable the Board of Trade to authorise the breaking up of any road, railway, or tramway :

Provided that a Provisional Order authorising the breaking up of roads outside the area of supply of the local authority or company by whom the supply is to be given shall not be granted by the Board of Trade except with the consent of the local authority in whose district the road is situate, unless the Board of Trade, in any case in which the consent of any such local authority is refused, are of opinion that, having regard to all the circumstances of the case, such consent ought to be dispensed with, and in that case they shall make a special report to Parliament stating the ground on which they have dispensed with the consent.

(2) If the Board of Trade refuse to grant a Provisional Order under this section, on the ground that the matter ought to be dealt with by a private Bill, the notices published and served for the purposes of the proposed Order shall, subject to Standing Orders, be held to have been published and served for a private Bill applying for similar powers :

Provided that the applicants for the Order shall, by notice served in the prescribed manner and within the prescribed time, inform all opponents of their intention to proceed by way of private Bill, and, subject to Standing Orders, the application for a Provisional Order shall be deemed and taken to be a petition for leave to bring in a private Bill, and the applicants shall also give such additional notice (if any) as may be required by Standing Orders.

(3) The Board of Trade may, if they think fit, by order permit any undertakers to supply electricity in bulk to any other undertakers upon such terms and subject to such con-

ditions as may be specified in the order, if the supply can be given without breaking up any streets except such as the undertakers giving or the undertakers receiving the supply are authorised to break up ; but the Board of Trade shall not in any case make such an order until notice of the intention to make the order has been given by advertisement or otherwise as the Board of Trade may direct, and an opportunity has been given to any person who appears to the Board to be affected of stating any objections he may have thereto.

5.—(1) Any local authority, company, or person authorised to supply electricity in any area may, with the consent of the Board of Trade, supply at any point within that area electricity for the purposes of haulage or traction on any railway, tramway, or canal situate partly within and partly without that area, and for the purposes of lighting vehicles and vessels used on any such railway, tramway, or canal ; but the Board of Trade shall not in any case give any such consent until notice of the application for the consent has been given by advertisement or otherwise in such manner as the Board of Trade may direct, and an opportunity has been given to any person who appears to the Board to be affected of stating any objections he may have thereto.

Supply of electricity to railways, tramways, and canals partly outside area of supply.

(2) The Board of Trade may by Provisional Order authorise any such local authority, company, or person so to supply electricity to be used for purposes incidental to the working or lighting of the railway, tramway, or canal, other than the purposes aforesaid.

(3) A company, local authority, or body receiving a supply of electricity under this section shall not use the electricity in such manner as to cause or to be likely to cause any interference with Government observatories or laboratories, or observatories or laboratories now or hereafter erected, owned, or managed in pursuance of any present or future statutory enactment, but this subsection shall not apply to any such company, local authority, or body who, by any Act of Parliament, or Order confirmed by or having the effect of an Act of Parliament, containing provisions for the protection of such observatories or laboratories, are authorised to use electricity for the purposes for which a supply is authorised to be given under this section.

6.—(1) Where it is proved to the satisfaction of the Board of Trade that the occupier of any premises is desirous of obtaining a supply of electricity from any undertakers within whose area of supply those premises are not situate, the Board of Trade may, if the local authority within whose district the premises are situate, and the undertakers (if any) authorised to supply electricity to such premises, consent, by order permit the first-mentioned undertakers to give a supply to those premises on such terms and subject to such conditions as the Board think fit :

Supply to premises outside area of supply in certain cases.

Provided that, if in the opinion of the Board of Trade any consent required by this subsection is unreasonably withheld,

the Board of Trade may proceed as if such consent had been given.

(2) An order given by the Board of Trade under this section may, for the purpose of enabling a supply to be given thereunder, confer any such powers and impose any such duties on the undertakers as would have been conferred or imposed by the Electric Lighting Acts and as might have been conferred or imposed by Provisional Order if the premises and the route along which lines are to be laid for the purpose of giving the supply were within the area of supply of the undertakers, anything in the special Act or Order relating to the undertaking to the contrary notwithstanding.

(3) If the undertakers on whom powers are conferred by an order under this section are not a local authority, the works and lines erected and laid under the powers so conferred shall, so long as the order remains in force, be deemed, for the purposes of the provisions as to purchase applicable to the undertaking, to form part of the undertaking within the district of the local authority which comprises the area of supply of the undertakers, or, if that area is comprised within the districts of more than one local authority, within such of those districts as the Board of Trade may determine.

(4) Nothing in this section shall enable the Board of Trade, without the consent of the undertakers within whose area of supply the premises are situate, to give such permission as aforesaid to any undertakers where the last-mentioned undertakers are by any Act of Parliament specifically prohibited from supplying electricity within the area of the first-mentioned undertakers.

Provisions as to right of local authority to purchase.

**7.**—(1) Where any generating station, mains, or other works of a company used solely for supplying electricity within the district of a local authority are situated outside the district of that local authority, the generating station, mains, and other works so used shall for the purposes of the provisions of the Electric Lighting Acts, and any Provisional Order conferring on local authorities power to purchase undertakings, be deemed to be situated within the district of that local authority, and, where any generating station, mains, and other works are used solely for supplying electricity within the districts of two or more local authorities, but are not situated within any of those districts, the Board of Trade may, on the application of all or any of those authorities, by Provisional Order apply this provision subject to such adaptations as the circumstances of the case may require :

Provided that this subsection shall not, except by agreement between the local authority and the company concerned, apply to any generating station, mains, or other works authorised by a special Act passed before the passing of this Act.

(2) Any local authority having power under the Electric Lighting Acts or any Provisional Order to purchase so much of

the undertaking of a company as is within the district of that local authority may, with the consent of and upon such terms and conditions as may be approved by the Board of Trade, and, in the case of an undertaking authorised before the commencement of this Act, with the consent of the company, transfer their rights of purchase to any other local authority having power to purchase so much of the same undertaking as is within the district of that last-mentioned local authority, and the deed of transfer may contain such consequential provisions as may be necessary for giving effect to the transfer.

8. The Board of Trade may, with the concurrence of the Local Government Board, by Provisional Order make such provisions as appear to them necessary or expedient, by the constitution of a joint committee or joint board or otherwise, for the joint exercise of all or any of the powers under the Electric Lighting Acts, or this Act, or any Provisional Order, by two or more local authorities as respects any area of supply consisting of the whole or parts of the districts of those authorities, in any case where it appears to them that the joint exercise of those powers would be expedient, and any such Provisional Order may contain such provisions as may appear necessary or proper for adapting any of the provisions of the Electric Lighting Acts, or this Act, or any such Provisional Order, to the case of any committee or board so constituted.

Exercise of electric lighting powers by authorities jointly.

9. The Board of Trade may grant a Provisional Order notwithstanding that the notice required by section four of the Electric Lighting Act, 1882, to be given to a local authority on or before the first day of July has not been given in the case of any local authority which waives its right to receive such a notice, and no such notice need be given to the local authority of a district in which it is not intended to take power to distribute electricity.

July notices.

10.—(1) With a view to making five years the ordinary period of revision of maximum price and allowing representations as to revision to be made by consumers, subsection (2) of section thirty-two of the schedule to the Electric Lighting (Clauses) Act, 1899, shall, for the purpose of incorporation with any Act or Order passed or confirmed after the passing of this Act, be read as if the words "five years" were substituted for the words "seven years," and the words "or such number of consumers, not less than twenty, as the Board of Trade consider sufficient, having regard to the population of the area of supply," were inserted after the words "either the local authority or the undertakers."

Revision of maximum price.

62 & 63 Vict. c. 19.

(2) Where any Act or Provisional Order passed or confirmed before the commencement of this Act enables the Board of Trade to revise or vary any maximum prices to be charged for electricity, that Act or Order shall be construed—

(a) so as to enable the revision or variation to take place at an interval of five years after the commencement of

- the Act or Order, or the last revision, in cases where a longer interval is fixed by the Act or Order; and
- (b) so as to enable the power of revision or variation to be exercised on the representation of such number of consumers, not less than twenty, as the Board of Trade consider sufficient, having regard to the population of the area of supply, in cases where under the Act or Order such a power either cannot be exercised on such a representation, or can be exercised only on the representation of a number of consumers greater than twenty.

Certification of meters.

**11.**—(1) The sections set out in the Second Schedule to this Act shall be substituted for sections forty-nine, fifty, fifty-one, and fifty-three of the schedule to the Electric Lighting (Clauses) Act, 1899, as incorporated with any Act or Order passed or confirmed after the commencement of this Act.

(2) The provisions contained in the sections so set out shall, subject to such adaptations (if any) as may be necessary, be substituted for any corresponding provisions as to the use, examination, and certification of meters, and their connection and disconnection with electric lines, contained in or incorporated with any special Act or Provisional Order relating to the supply of electricity passed or confirmed before the commencement of this Act.

Accounts of local authorities.

**12.** For the purposes of section nine of the Electric Lighting Act, 1882, the accounts of any undertakers being a local authority shall be made up to the thirty-first day of March in each year, and accordingly as respects those accounts the thirtieth day of June shall be substituted in that section for the twenty-fifth day of March, and the thirty-first day of March for the thirty-first day of December: Provided that, if any such undertakers show to the Board of Trade that some other dates are, owing to special circumstances, more convenient in their case than the thirty-first day of March and the thirtieth day of June, the Board of Trade may substitute such other dates for the said thirty-first day of March and thirtieth day of June, and this section shall as respects those undertakers be construed with the substituted dates.

Return by Board of Trade as to auditors' reports.

**13.** The Board of Trade shall from time to time make a return to Parliament giving such particulars as they may think proper with regard to the reports made by any auditors appointed by them to audit the accounts of any undertakers, and any action taken on such reports by the Board and by the undertakers.

Restriction on transfer of powers, &c., of undertakers.

**14.**—(1) A local authority, company, or person who have obtained a licence, order, or special Act for the supply of electricity shall not, by transfer or otherwise, divest themselves of any of the powers, rights, or obligations conferred or imposed upon them by the Electric Lighting Acts, or by any licence, order, or special Act, otherwise than under and in accordance

with a provision contained in a licence, order, or special Act authorising such a divestiture.

(2) Section eleven of the Electric Lighting Act, 1882, shall be repealed from "but no local authority" to the end of the section.

**15.** Notwithstanding anything in the Electric Lighting Acts or in any Act of Parliament or Provisional Order authorising an undertaking, a person shall not be entitled to demand or to continue to receive from undertakers authorised to supply electricity in any area a supply of electricity for any premises having a separate supply, unless he has agreed with the undertakers to pay to them such minimum annual sum as will give them a reasonable return on the capital expenditure, and will cover other standing charges incurred by them in order to meet the possible maximum demand for those premises the sum to be so paid shall be determined in default of agreement by arbitration.

Supply of electricity to premises having separate supply.

**16.** All electric lines, fittings, apparatus, and appliances let by any undertakers on hire or belonging to any undertakers, but being in or upon premises of which the undertakers are not in possession, shall, whether they be or be not fixed or fastened to any part of any premises in or upon which they may be situate, or to the soil under any such premises, at all times continue to be the property of, and be removable by the undertakers, and sections twenty-four and twenty-five of the Electric Lighting Act, 1882, shall extend and apply to all such electric lines, fittings, apparatus, and appliances: Provided that such electric lines, fittings, apparatus, or appliances have upon them respectively a distinguishing metal plate affixed to a conspicuous part thereof, or a distinguishing brand or other mark conspicuously impressed or made thereon, sufficiently indicating the undertakers as the actual owners thereof.

Electric lines, &c., let on hire, though fixed to premises, to remain the property of undertakers.

For the purposes of this section, electric lines, fittings, apparatus, and appliances disposed of by the undertakers on terms of payment by instalments shall, until the whole of the instalments have been paid, be deemed to be electric lines, fittings, apparatus, and appliances let on hire by the undertakers.

Nothing in this section shall affect the amount of the assessment for rating of any premises upon which any electric lines, fittings, apparatus, or appliances are or shall be fixed.

**17.**—(1) Twenty-four hours' notice in writing shall be given to the undertakers by every consumer before he quits any premises supplied with electrical energy by the undertakers, and, in default of such notice, the consumer so quitting shall be liable to pay to the undertakers the money accruing due in respect of such supply up to the next usual period for ascertaining the register of the meter on such premises, or the date from which any subsequent occupier of such premises may require

Notice to be given to undertakers before removing.

the undertakers to supply electrical energy to such premises, whichever shall first occur.

(2) Notice to the effect of this section shall be endorsed upon any demand note for charges for electrical energy.

Power to refuse to supply electrical energy in certain cases.

**18.** The undertakers may refuse to supply electrical energy to any person whose payments for the supply of electrical energy are for the time being in arrear (not being the subject of a bonâ fide dispute), whether any such payments be due to the undertakers in respect of a supply to the premises in respect of which such supply is demanded or in respect of other premises.

Exemption of agreements for the supply of electricity from stamp duty. 54 & 55 Vict. c. 39.

**19.** Electrical energy shall be deemed to be goods, wares, or merchandise for the purposes of section fifty-nine of the Stamp Act, 1891 (which makes certain contracts chargeable with stamp duty as conveyances on sale), and also for the purposes of the exemption numbered 3 under the heading "Agreement or any memorandum of an agreement" contained in the First Schedule to that Act.

Construction of provisions prohibiting association.

**20.** For removing doubts, it is hereby declared that so much of any Provisional Order or special Act, or of the schedule to the Electric Lighting (Clauses) Act, 1899, as incorporated with any such Order or Act, as prohibits undertakers from associating themselves with any company or person supplying energy under any licence, Provisional Order, or special Act unless the undertakers are authorised by Parliament to do so, shall not be construed as prohibiting the undertakers from taking a supply of electricity in bulk from any company or person authorised to give such a supply.

Provision as to borrowing by local authorities.

**21.** Money borrowed under the Electric Lighting Acts shall not be reckoned as part of the total debt of a local authority for the purpose of any limitation on borrowing under the enactments relating to borrowing by the local authority.

For the protection of the Commissioners of Works.

**22.—**(1) With a view to the protection of the royal palaces, parks, and gardens, museums, and other public buildings, and their contents (in this section referred to as "the protected premises"), the Commissioners of Works and their engineer, or other officer duly authorised in writing under the hand of their secretary, may from time to time enter upon and inspect any generating station of any undertakers, and, if on such inspection it should appear to the Commissioners that proper precautions are not being adopted for the due consumption of smoke, and for preventing as far as reasonably practicable the evolution of oxides of sulphur, and generally for the prevention of nuisance in relation to the protected premises, they may, without prejudice to any other remedy, require the undertakers forthwith to carry out such works and to do such things as are necessary in the circumstances.

(2) The undertakers shall give all reasonable facilities for such inspection to the Commissioners and their engineer or other officer as aforesaid.

(3) Any dispute arising between the Commissioners and the undertakers in relation to any of the provisions of this section shall be determined by arbitration.

This section shall not apply to the station of the Westminster Electric Supply Corporation, Limited, at Horseferry Road, in the city of Westminster.

**23.** Where in any area a local authority, company, or person is authorised to supply electricity under Act of Parliament or under licence or Provisional Order granted under the Electric Lighting Acts, it shall not, after the passing of this Act, be lawful for any other local authority, company, or person to commence to supply or distribute electricity within the same area unless such supply or distribution is authorised by Act of Parliament, or by licence or Provisional Order granted in terms of the Electric Lighting Acts: Provided that this section shall not prevent any company or person from affording a supply of electrical energy to any other company or person where the business of the company or person affording the supply is not primarily that of the supply of electrical energy to consumers:

Prohibiting unauthorised undertakers from competing with statutory undertakers.

Provided also that this section shall not prevent any company who at the passing of this Act are empowered by their memorandum of association to generate electrical energy from affording a supply to a railway company for purposes incidental to that company's undertaking other than the conveyance of public traffic.

**24.** Nothing in this Act shall enable the Board of Trade by Provisional Order to authorise the compulsory acquisition of any land which, at the date of the first publication of the notice for the Order, belongs to any gas or water undertakers and is used or authorised to be used by them for the purposes of their undertaking.

## CHAPTER 42.

An Act to amend the Law relating to the Occupation and Ownership of Land in Ireland, and for other purposes relating thereto. [3rd December 1909.]

**B**E it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

### PART I.

#### LAND PURCHASE FINANCE.

1.—(1) In the case of advances made in pursuance of future purchase agreements, three pounds ten shillings shall be substituted for three pounds five shillings as the rate of the purchase annuity under section forty-five of the Irish Land Act, 1903 (in this Act referred to as the Act of 1903).

(2) So far as respects advances made for future purchase agreements, the rate of interest to be paid by the Land Commission to the National Debt Commissioners under section thirty-six, and by the Congested Districts Board to the Land Commission under section seventy-two, of the Act of 1903, shall be three per cent. per annum, instead of two-and-three-quarters per cent. per annum.

(3) The National Debt Commissioners shall, in the accounts kept by them of the Irish Land Purchase Fund, distinguish between advances made in pursuance of pending purchase agreements and advances made in pursuance of future purchase agreements.

2.—(1) The power of the Treasury to create stock for the purpose of raising money required for the Irish Land Purchase Fund (including the Land Purchase Aid Fund) shall include power to create a new capital stock to be called guaranteed three per cent. stock, and the Treasury may at any time create for that purpose either guaranteed two-and-three-quarters per cent. stock or guaranteed three per cent. stock, as they think fit.

Alteration of amount of purchase annuity and of rate of interest payable to National Debt Commissioners.  
3 Edw. 7. c. 37.

Power to raise new guaranteed three per cent. stock, and provision as to investment by savings bank depositors in stock.

(2) The provisions of the Act of 1903 relating to stock shall apply to guaranteed three per cent. stock created under this section as they apply to the guaranteed two-and-three-quarters per cent. stock created under that Act, with the substitution of three per cent. for two-and-three-quarters per cent. as the rate of dividend, and of thirty years from the passing of this Act for thirty years from the commencement of the Act of 1903 as the period after the expiration of which the stock is redeemable.

56 & 57 Vict.  
c. 69.

(3) The definition of Government stock in subsection (2) of section five of the Savings Bank Act, 1893, shall be read as if stock issued under the Act of 1903 or this Act were included in the First Schedule to the said Savings Bank Act, 1893.

Power to make  
advances by  
guaranteed  
stock under  
certain circum-  
stances.

**3.**—(1) Notwithstanding anything in section twenty-seven of the Act of 1903, advances for the purposes of the Land Purchase Acts may, subject to the provisions of this section, be made in whole or in part by means of stock in the manner and under the circumstances for which provision is made by this section.

(2) For the purpose of carrying into effect pending purchase agreements, advances may, if the vendor agrees, be made by means of the issue to the prescribed persons, in the prescribed manner, and subject to the prescribed conditions, of such an amount of guaranteed two-and-three-quarters per cent. stock as, at the market price of the day of issue (as certified in the prescribed manner), is equivalent to the sum to be advanced if that price is not below ninety-two pounds (ex-dividend) for an amount of stock of the nominal value of a hundred pounds, or, if the stock is below that price, by the issue of such an amount of stock as would be equivalent to the sum to be advanced if the stock were at that price.

(3) For the purpose of carrying into effect future purchase agreements, advances may, if the Treasury think fit so to direct, be made by means of the issue of an amount of guaranteed three per cent. stock equal in nominal amount to the sum to be advanced and carrying dividends as from the date of the advance.

(4) Stock issued in pursuance of this section as the equivalent of an advance shall, as between the vendor and the purchaser, be accepted by the vendor as the equivalent of the corresponding amount of purchase money, and a vendor, although he is not an absolute owner, may agree to advances being made by stock under this section for the purpose of carrying out any pending purchase agreements, and any person having power to sell under the Land Purchase Acts, although he is not an absolute owner, may enter into any future purchase agreement, notwithstanding that the purchase money may be payable in stock in pursuance of this section instead of in cash.

Regulations as  
to priority.

**4.**—(1) Regulations may be made by the Lord Lieutenant for determining the priority in which advances, whether by means of money or of stock, or partly by means of money and partly by means of stock, may be sanctioned or made, and for allocating as

between different classes of sales the amounts from time to time available for advances.

(2) The regulations shall provide that, in determining the priority as between sales of the same class, regard shall be had, so far as is reasonably practicable, to the dates at which proceedings for the respective sales were commenced, or, in cases where proceedings are transferred from one class to another, to the dates of the respective transfers.

(3) Every regulation made under this section shall be laid before both Houses of Parliament as soon as may be after it is made.

5.—(1) Any money which may be raised by the creation of stock under the Act of 1903 or this Act may be temporarily raised by the issue of bills or bonds in such form and for such period not exceeding seven years, and bearing such rate of interest not exceeding three per cent., as the Treasury may determine.

Temporary borrowing by bills or bonds.

(2) The interest on or in respect of any such bills or bonds shall be charged and paid in the same manner as the dividends on stock under section twenty-nine of the Act of 1903, and the provisions of that Act respecting the income account of the Irish Land Purchase Fund shall apply as if the interest on or in respect of the bills or bonds were dividends on stock.

(3) The principal money of any such bills or bonds shall, subject to the provisions of this Act, be repaid out of the Irish Land Purchase Fund, and, if the Capital Account of that Fund is insufficient, shall be charged on and payable out of the Consolidated Fund of the United Kingdom or the growing produce thereof.

Stock or fresh bills or bonds may be issued for the purpose of raising the principal money required when necessary.

(4) Subsections (6) and (7) of section thirty-six of the Act of 1903 (which relate to the deficiency arising from the issue of stock at a discount and the surplus arising from the issue of stock at a premium) shall apply in the case of the issue of bills or bonds under this section as they apply in the case of the issue of stock.

6.—(1) The percentage payable under section forty-eight of the Act of 1903 shall be calculated at the rates specified in the First Schedule to this Act, and, for the purposes of that section, the percentage at the rates so specified shall be deemed to be the percentage under that section :

Amendment of provisions as to percentage.

Provided that the percentage payable on the purchase money of an estate, which consists of or includes lands in respect of which there are purchase agreements entered into, or deemed in pursuance of this section to have been entered into, on or before the twenty-fourth day of November nineteen hundred and eight, shall (so far as the percentage is payable in respect of the purchase of those lands) be calculated at the rate of twelve per cent. instead of being calculated under this section.

(2) An agreement for the purchase of any estate or land, though not entered into on or before the twenty-fourth day of November nineteen hundred and eight, shall be deemed, for the purposes of this section, to be a purchase agreement entered into on or before that date, where on or before that date—

- (a) the vendor has lodged an originating request in manner provided by rules made under the Act of 1903 with a view to the purchase of the estate or land by the Land Commission under section six of that Act or by the Congested Districts Board under section seventy-nine of that Act ; or
- (b) the vendor has accepted a preliminary estimate of price made by the Land Commission with a view to the purchase of the estate or land under sections six or eight of the Act of 1903, or entered into a preliminary agreement with the Congested Districts Board with a view to the purchase of the estate or land under section seventy-nine of that Act ; or
- (c) the Land Judge in the course of proceedings in which the estate or land is eventually sold to the Land Commission under section seven, or to the Congested Districts Board under section seventy-seven, of the Act of 1903, has caused the Commission or Board to be furnished with particulars and documents respecting the estate or land in pursuance of either of these sections ; or
- (d) the Estates Commissioners have made an offer for the purchase of the estate or land under subsection (4) of section two of the Evicted Tenants (Ireland) Act, 1907.

7 Edw. 7. c. 56.

(3) So much of section forty-seven of the Act of 1903 as limits the total of the sums payable to the Land Purchase Aid Fund to twelve million pounds shall cease to have effect.

Provision as to making good deficiency in respect of stock issued at a discount.

**7.—**(1) The charge on the Guarantee Fund for any deficiency in respect of the issue of stock or bills or bonds at a discount shall extend only to the amount of the Ireland Development Grant which forms part of the cash portion of that fund ; and the deficiency, so far as is not made good out of that amount, shall be made good out of moneys provided by Parliament.

(2) Any deficiency in respect of interest or sinking fund, arising by reason of money being raised by means of three per cent. stock for the purpose of advances in respect of which interest is payable by the Land Commission to the National Debt Commissioners at the rate of two-and-three-quarters per cent. only, shall be made good in the same manner as a deficiency arising in respect of the issue of stock at a discount is to be made good under subsection (6) of section thirty-six of the Act of 1903, as amended by this section.

**8.**—(1) Where stock is created for the purposes of the Land Purchase Acts, and issued under conditions which provide that the money to be raised thereby shall be paid up by instalments, dividends may be paid on the total nominal amount of the stock from any date fixed at the time of issue, although the instalments, or some or one of them, may not have been payable until after that date; and, if the amount so paid by way of dividend exceeds the sum which would have been payable on the portion of the stock representing the money actually paid up, the difference shall be treated as part of the expenses of the issue of the stock.

Bonus dividend to be treated as expenses of issue of stock.

(2) This section shall apply to any stock created and issued since the first day of July nineteen hundred and eight, as well as to stock issued after the passing of this Act.

**9.**—(1) Any person to whom an advance is made after the passing of this Act shall pay on the first gale day on which any payment in respect of the advance is due (in addition to the interest, or instalment of purchase annuity, due on that day), interest on the advance in respect of the period between the said gale day and the day on which the next dividends are payable in respect of the stock issued under the Act of 1903 or this Act.

Advance dividend.

(2) The interest payable shall be at the rate at which the Land Commission pay interest to the National Debt Commissioners in respect of the advance, and shall be recoverable as if it were part of the purchase annuity.

**10.**—(1) The exemption from stamp duty given by section twenty-three of the Labourers (Ireland) Act, 1906, shall extend to any stamp duty payable on any mortgage or other security given by a rural district council in respect of an advance by the Irish Land Commission under section sixteen of that Act, or payable under section eight of the Finance Act, 1899, in respect of such an advance as being loan capital within the meaning of that section.

Remission of stamp duty.  
6 Edw. 7. c. 37.

62 & 63 Vict.  
c. 9.

(2) The Commissioners of Inland Revenue may remit any such duty which has become payable since the commencement of the Labourers (Ireland) Act, 1906, and return any such duty which has been paid since that date and before the passing of this Act.

(3) The exemption from stamp duty under section fifty of the Act of 1903 shall extend to any instruments the stamp duty on which is payable as expenses of the Land Commission in the same manner as it applies to the instruments mentioned in that section.

**11.**—(1) Advances made under section sixteen of the Labourers (Ireland) Act, 1906 (which are by virtue of that section repayable in like manner as advances under the Land Purchase Acts), shall, whether made before or after the passing of this Act, be repayable in like manner as advances made in pursuance of pending purchase agreements, and, as respects all

6 Edw. 7. c. 37.

such advances, the rate of interest paid by the Land Commission to the National Debt Commissioners shall be two-and-three-quarters per cent. per annum.

(2) The payment charged on the Ireland Development Grant under section seventeen of the Labourers (Ireland) Act, 1906, shall, so far as that grant is insufficient to meet the payment, be defrayed out of moneys provided by Parliament instead of being charged upon that grant: Provided that the total amount of the payment to be charged on the said grant, or to be defrayed out of moneys provided by Parliament, shall not exceed twenty-eight thousand pounds in any year.

Substituted  
agreements.

**12.**—(1) Where by reason of the death of the purchaser or the transmission of the purchaser's interest in a holding, or in pursuance of a declaration of the Land Commission under section fifteen of the Act of 1903 with respect to a sub-tenancy or a sub-divided holding, or in consequence of any direction of the Land Commission, a fresh purchase agreement is entered into in substitution for an original purchase agreement previously made, any such fresh agreement shall, for the purposes of this Part of this Act, be deemed to be substituted for the original agreement, and, whenever lodged with the Land Commission, to have been lodged with the Land Commission at the date on which the original agreement was so lodged.

(2) Where a vendor at the request of the Land Commission enters into an agreement with the Land Commission or the Congested Districts Board for the sale to them of an estate consisting of or including lands which he has proposed to sell to persons other than that Commission or Board, and in respect of which purchase agreements have been lodged with the Land Commission on or before the twenty-fourth day of November nineteen hundred and eight, the percentage payable on the purchase money of the estate, or on that portion thereof which represents the purchase money of those lands (in the case of an estate comprising other lands) shall, so far as the purchase money or the portion of the purchase money is not in excess of the aggregate of the purchase money fixed by the original agreements, be calculated in the like manner, and the purchase annuities payable on the re-sale of those lands shall be payable at the like rate, as if the agreement for the sale of the estate had been entered into on or before the twenty-fourth day of November nineteen hundred and eight.

Interpretation.

**13.** In this Part of this Act, unless the context otherwise requires,—

shall be treated for the purposes of this Part of this Act as pending purchase agreements and not as future purchase agreements ;

- (d) The expression "prescribed" means prescribed by the Treasury.

**14.** The power of making rules conferred on the Treasury by the Land Purchase Acts shall extend to the making of rules for carrying the provisions of this Part of this Act into effect, and for adapting to the requirements of this Act such provisions of the Land Purchase Acts or any other enactment passed prior to this Act as relate to land purchase finance. - (d) Any person to whom in the opinion of the Land Commission, after adequate provision has been made to satisfy the requirements of the persons mentioned in the preceding paragraphs of this subsection, an advance ought to be made:

(2) Advances under this section shall not, together with the amount (if any) of any advance under the Land Purchase Acts, which has been made and is then unrepaid by the purchaser, or for which an application by the purchaser is pending, exceed one thousand pounds: Provided that the limitation in this subsection may, subject to the other limitations in the Land Purchase Acts, be exceeded, where the Land Commission consider that a larger advance may be sanctioned to any purchaser without prejudice to the wants and circumstances of other persons residing in the neighbourhood.

(3) The Land Purchase Acts shall, subject to the provisions of this section, apply to the sale of a parcel of land in pursuance of this section in like manner as if the same was a holding and the purchaser was the tenant thereof at the time of his making the purchase; and the expression "holding" in those Acts shall include a parcel of land in respect of the purchase of which an advance has been made in pursuance of this section.

(4) Section two of the Act of 1903 shall cease to have effect save as regards the sale of any parcels of land in respect of which purchase agreements have been entered into before the passing of this Act, and, save as aforesaid, any reference in any enactment to that section shall be construed as a reference to this section.

### FIRST SCHEDULE.

PROVISIONS AS TO THE COMPULSORY ACQUISITION OF  
LAND BY A LOCAL AUTHORITY FOR THE PURPOSES OF PART III.  
OF THE HOUSING OF THE WORKING CLASSES ACT, 1890.

(1) Where a local authority propose to purchase land compulsorily under this Act, the local authority may submit to the Board an order putting in force as respects the land specified in the order the provisions of the Lands Clauses Acts with respect to the purchase and taking of land otherwise than by agreement.

(2) An order under this schedule shall be of no force unless and until it is confirmed by the Board, and the Board may confirm the order either without modification or subject to such modifications as they think fit, and an order when so confirmed shall, save as otherwise expressly provided by this Schedule, become final and have effect as if enacted in this Act; and the confirmation by the Board shall be conclusive evidence that the requirements of this Act have been complied with, and that the order has been duly made and is within the powers of this Act.

(3) In determining the amount of any disputed compensation under any such order, no additional allowance shall be made on account of the purchase being compulsory.

(4) The order shall be in the prescribed form, and shall contain such provisions as the Board may prescribe for the purpose of carrying the order into effect, and of protecting the local authority and the persons interested in the land, and shall incorporate, subject to the necessary adaptations, the Lands Clauses Acts (except section one hundred and twenty-seven of the Lands Clauses Consolidation Act, 1845) and sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845, but subject to this modification, that any question of disputed compensation shall be determined by a single arbitrator appointed by the Board, who shall be deemed to be an arbitrator within the meaning of the Lands Clauses Acts, and the provisions of those Acts with respect to arbitration shall, subject to the provisions of this schedule, apply accordingly.

(5) The order shall be published by the local authority in the prescribed manner, and such notice shall be given both in the locality in which the land is proposed to be acquired, and to the owners, lessees, and occupiers of that land as may be prescribed.

(6) If within the prescribed period no objection to the order has been presented to the Board by a person interested in the land, or if every such objection has been withdrawn, the Board shall, without further inquiry, confirm the order, but, if such an objection has been presented and has not been withdrawn, the Board shall forthwith cause a public inquiry to be held in the locality in which the land is proposed to be acquired, and the local authority and all persons interested in the land and such other persons as the person holding the inquiry in his discretion thinks fit to allow shall be permitted to appear and be heard at the inquiry.

(7) Where the land proposed to be acquired under the order consists of or comprises land situate in London, or a borough, or urban district, the Board shall appoint an impartial person, not in the employment of any Government Department, to hold the inquiry as to whether the land proposed to be acquired is suitable for the purposes for which it is sought to be acquired, and whether, having regard to the extent or situation of the land and the purposes for which it is used, the land can be acquired without undue detriment to the persons interested therein or the owners of adjoining land, and such person shall in England have for the purpose of the inquiry all the powers of an inspector of the Local Government Board, and, if he reports that the land, or any part thereof, is not suitable for the purposes for which it is sought to be acquired, or that owing to its extent or situation or the purpose for which it is used it cannot be acquired without such detriment as aforesaid, or that it ought not to be acquired except subject to the conditions specified in his report, then, if the Local Government Board confirm the order in respect of that land, or part thereof, or, as the case may require, confirm it otherwise than subject to such modifications as are required to give effect to the specified conditions, the order shall be provisional only, and shall not have effect unless confirmed by Parliament.

Where no part of the land is so situated as aforesaid, before confirming the order, the Board shall consider the report of the person who held the inquiry, and all objections made thereat.

(8) The arbitrator shall, so far as practicable, in assessing compensation act on his own knowledge and experience, but, subject as aforesaid, at any inquiry or arbitration held under this schedule the person holding the inquiry or arbitration shall hear, by themselves or their agents, any authorities or parties authorised to appear, and shall hear witnesses, but shall not, except in such cases as the Board otherwise direct, hear counsel or expert witnesses.

(9) The Board may, with the concurrence of the Lord Chancellor, make rules fixing a scale of costs to be applicable on an arbitration under this schedule, and an arbitrator under this schedule may, notwithstanding anything in the Lands Clauses Acts, determine the amount of costs, and shall have power to disallow as costs in the arbitration the costs of any witness whom he considers to have been called unnecessarily and any other costs which he considers to have been caused or incurred unnecessarily.

(10) The remuneration of an arbitrator appointed under this schedule shall be fixed by the Board.

(11) In construing for the purposes of this schedule or any order made thereunder, any enactment incorporated with the order, this Act together with the order shall be deemed to be the special Act, and the local authority shall be deemed to be the promoters of the undertaking.

(12) Where the land is glebe land or other land belonging to an ecclesiastical benefice, the order shall provide that sums agreed upon or awarded for the purchase of the land, or to be paid by way of compensation for the damage to be sustained by the owner by reason of severance or other injury affecting the land, shall not be paid as directed by the Lands Clauses Acts, but shall be paid to the Ecclesiastical Commissioners to be applied by them as money paid to them upon a sale, under the provisions of the Ecclesiastical Leasing Acts, of land belonging to a benefice.

(13) In this schedule the expression "Board" means the Local Government Board, and the expression "prescribed" means prescribed by the Board.

Payment of allowances and gratuities.

**12.** Every superannuation allowance or gratuity under this Act shall be paid by the visiting committee of the asylum in which the officer or servant to whom, or to whose widow or children, the superannuation allowance or gratuity is payable was employed at the time of his superannuation or death, and shall be paid out of the fund out of which the salary or wages and emoluments of the officer or servant is or has been paid, and the weekly sum fixed by the visiting committee under section two hundred and eighty-three of the Lunacy Act, 1890, shall be of such amount that the total of such weekly sums shall be sufficient to pay all such superannuation allowances or gratuities in addition to the expenses of maintenance and salaries payable out of such sums under that section :

a superannuation allowance, the visiting committee in whose service he then is shall be entitled to call upon the other visiting committee or committees with whom he shall have served, and they shall contribute a proportionate part of the superannuation allowance to such officer or servant reckoned according to the service and pay of such officer or servant during his service in such asylum, and the said proportionate part shall be settled by agreement between the visiting committees, or in default of agreement, by the Secretary of State.

**13.** Where, by virtue of any award made under section sixty-two of the Local Government Act, 1888, or section two hundred and forty-four of the Lunacy Act, 1890, any liability is imposed on any county council or the council of any county borough to contribute to any superannuation allowances granted to any officer or servant of an asylum, such liability shall, unless and until otherwise provided by subsequent award, agreement, or otherwise, continue in the same manner and to the same extent as if this Act had not been passed: Provided that any sums payable under any such award in respect of superannuation allowances granted under this Act shall be paid to the visiting committee of any such asylum in lieu of the county council or the council of any county borough to whom the same would otherwise be payable.

2.—(1) Every assurance company shall deposit and keep deposited with the Paymaster-General for and on behalf of the Supreme Court the sum of twenty thousand pounds. Deposit.

(2) The sum so deposited shall be invested by the Paymaster-General in such of the securities usually accepted by the Court for the investment of funds placed under its administration as the company may select, and the interest accruing due on any such securities shall be paid to the company.

(3) The deposit may be made by the subscribers of the memorandum of association of the company, or any of them, in the name of the proposed company, and, upon the incorporation of the company, shall be deemed to have been made by, and to be part of the assets of, the company, and the registrar shall not issue a certificate of incorporation of the company until the deposit has been made.

(4) Where a company carries on, or intends to carry on, assurance business of more than one class, a separate sum of twenty thousand pounds shall be deposited and kept deposited under this section as respects each class of business, and the deposit made in respect of any class of business in respect of which a separate assurance fund is required to be kept shall be deemed to form part of that fund, and all interest accruing due on any such deposit or the securities in which it is for the time being invested shall be carried by the company to that fund.

(5) The Paymaster-General shall not accept a deposit except on a warrant of the Board of Trade.

(6) The Board of Trade may make rules with respect to applications for warrants, the payment of deposits, and the investment thereof or dealing therewith, the deposit of stocks or other securities in lieu of money, the payment of the interest or dividends from time to time accruing due on any securities in which deposits are for the time being invested, and the withdrawal and transfer of deposits, and the rules so made shall have effect as if they were enacted in this Act, and shall be laid before Parliament as soon as may be after they are made.

(7) This section shall apply to an assurance company registered or having its head office in Ireland, subject to the following modifications:—

(2) A fund of any particular class shall be as absolutely the security of the policy holders of that class as though it belonged to a company carrying on no other business than assurance business of that class, and shall not be liable for any contracts of the company for which it would not have been liable had the business of the company been only that of assurance of that class, and shall not be applied, directly or indirectly, for any purposes other than those of the class of business to which the fund is applicable.

- (c) the agreement or deed under which the amalgamation or transfer is effected shall be open for the inspection of the policy holders and shareholders at the offices of the companies for a period of fifteen days after the publication of the notice in the Gazette.

(4) No assurance company shall amalgamate with another, or transfer its business to another, unless the amalgamation or transfer is sanctioned by the Court in accordance with this section.

14. Where an amalgamation takes place between any assurance companies, or where any assurance business of one such company is transferred to another company, the combined company or the purchasing company, as the case may be, shall, within ten days from the date of the completion of the amalgamation or transfer, deposit with the Board of Trade—

- (c) certified copies of the actuarial or other reports upon which that agreement or deed is founded; and
- (d) a declaration under the hand of the chairman of each company, and the principal officer of each company, that to the best of their belief every payment made or to be made to any person whatsoever on account of the amalgamation or transfer is therein fully set forth, and that no other payments beyond those set forth have been made or are to be made either in money, policies, bonds, valuable securities, or other property by or with the knowledge of any parties to the amalgamation or transfer.

15. The Court may order the winding up of an assurance company, in accordance with the Companies (Consolidation) Act, 1908, and the provisions of that Act shall apply accordingly, subject, however, to the following modification:—

Special provisions as to winding up of assurance companies.

The company may be ordered to be wound up on the petition of ten or more policy holders owning policies of an aggregate value of not less than ten thousand pounds:

Provided that such a petition shall not be presented except by the leave of the Court, and leave shall not be granted until a *prima facie* case has been established to the satisfaction of the Court and until security for costs for such amount as the Court may think reasonable has been given.

Winding up of subsidiary companies.

**16.**—(1) Where the assurance business or any part of the assurance business of an assurance company has been transferred to another company under an arrangement in pursuance of which the first-mentioned company (in this section called the subsidiary company) or the creditors thereof has or have claims against the company to which such transfer was made (in this section called the principal company), then, if the principal company is being wound up by or under the supervision of the Court, the Court shall (subject as hereinafter mentioned) order the subsidiary company to be wound up in conjunction with the principal company, and may by the same or any subsequent order appoint the same person to be liquidator for the two companies, and make provision for such other matters as may seem to the Court necessary, with a view to the companies being wound up as if they were one company.

(2) The commencement of the winding up of the principal company shall, save as otherwise ordered by the Court, be the commencement of the winding up of the subsidiary company.

(3) In adjusting the rights and liabilities of the members of the several companies between themselves, the Court shall have regard to the constitution of the companies, and to the arrangements entered into between the companies, in the same manner as the Court has regard to the rights and liabilities of different classes of contributories in the case of the winding up of a single company, or as near thereto as circumstances admit.

(4) Where any company alleged to be subsidiary is not in process of being wound up at the same time as the principal company to which it is subsidiary, the Court shall not direct the subsidiary company to be wound up unless, after hearing all objections (if any) that may be urged by or on behalf of the company against its being wound up, the Court is of opinion that the company is subsidiary to the principal company, and that the winding up of the company in conjunction with the principal company is just and equitable.

(5) An application may be made in relation to the winding up of any subsidiary company in conjunction with a principal company by any creditor of, or person interested in, the principal or subsidiary company.

(6) Where a company stands in the relation of a principal company to one company, and in the relation of a subsidiary company to some other company, or where there are several companies standing in the relation of subsidiary companies to one principal company, the Court may deal with any number of such companies together or in separate groups, as it thinks most expedient, upon the principles laid down in this section.

**17.**—(1) Where an assurance company is being wound up by the Court, or subject to the supervision of the Court, or voluntarily, the value of a policy of any class or of a liability under such a policy requiring to be valued in such winding up shall be estimated in manner applicable to policies and liabilities of that class provided by the Sixth Schedule to this Act.

Valuation of annuities and policies.

(2) The rules in the Sixth and Seventh Schedules to this Act shall be of the same force, and may be repealed, altered, or amended, as if they were rules made in pursuance of section two hundred and thirty-eight of the Companies (Consolidation) Act, 1908, and rules may be made under that section for the purpose of carrying into effect the provisions of this Act with respect to the winding up of assurance companies.

**18.** The Court, in the case of an assurance company which has been proved to be unable to pay its debts, may, if it thinks fit, reduce the amount of the contracts of the company upon such terms and subject to such conditions as the Court thinks just, in place of making a winding-up order.

Power to Court to reduce contracts.

**19.** Section two hundred and seventy-four of the Companies (Consolidation) Act, 1908 (which contains provisions as to companies incorporated outside the United Kingdom), shall apply to every assurance company constituted outside the United Kingdom which carries on assurance business within the United Kingdom, whether incorporated or not.

**22.** The Board of Trade may, on the application or with the consent of an assurance company, alter the forms contained in the schedules to this Act as respects that company, for the purpose of adapting them to the circumstances of that company.

Alteration of forms.

**23.** Any assurance company which makes default in complying with any of the requirements of this Act shall be liable

to a penalty not exceeding one hundred pounds, or, in the case of a continuing default, to a penalty not exceeding fifty pounds for every day during which the default continues, and every director, manager, or secretary, or other officer or agent of the company who is knowingly a party to the default shall be liable to a like penalty; and, if default continue for a period of three months after notice of default by the Board of Trade (which notice shall be published in one or more newspapers as the Board of Trade may, upon the application of one or more policy holders or shareholders, direct), the default shall be a ground on which the Court may order the winding up of the company, in accordance with the Companies (Consolidation) Act, 1908.

Penalty for falsifying statements, &c.

**24.** If any account, balance sheet, abstract, statement, or other document required by this Act is false in any particular to the knowledge of any person who signs it, that person shall be guilty of a misdemeanour and shall be liable on conviction on indictment to fine and imprisonment, or on summary conviction to a fine not exceeding fifty pounds.
