Re: United States v. Joseph Bonanno, et al.

Dear Mr. Rosen:

We have been seeking to locate the originals of the documents listed on the attached sheet for use in evidence at the trial of the above-entitled action, scheduled to commence October 26, 1959.

We have exhausted all direct leads to the location of these original documents and are now inquiring of agencies who might have conducted an investigation similar to ours.

It is possible that in your work you either obtained some of the original documents involved or learned of their location. Any assistance you might be able to furnish with respect to the present location of the originals would be appreciated. In the event you have no original documents but have retained copies, request they be furnished to this office.

If you cannot help us locate the original documents, I would appreciate a letter to that effect so that the Court may be advised of the thorough nature of our search.

Thank you for your cooperation.
