DEPARTMENT OF LABOR

Office of the Secretary

[29 CFR, Part 3]

CONTRACTORS AND SUBCONTRACTORS ON
PUBLIC BUILDING AND PUBLIC WORK AND
ON BUILDING AND WORK FINANCED IN
WHOLE OR IN PART BY LOANS OR GRANTS
FROM UNITED STATES

NOTICE OF PROPOSED RULE MAKING

Whereas, the regulations contained in this part require that contractors employed on public building and public work and on building and work financed in whole or in part by loans or grants from the United States shall furnish each week a sworn affidavit with respect to the wages paid each of the employees engaged on work covered by these regulations during the preceding weekly payroll period; and the form of the affidavit, as set out in § 3.3 (b), requires that the contractor attach to the affidavit payrolls which set out accurately and completely the name, occupation and hourly wage rate of each person so employed, the total number of hours worked by him during such period, the full weekly wages earned by him, any deductions made from such weekly wages, and the actual weekly wages paid to him; and

Whereas, it has been proposed that the requirement for filing of complete

payrolls be eliminated on the grounds that this requirement places an undue burden on contractors with the Federal Government and an unnecessary burden and expense upon Federal contracting agencies and the Department of Labor; and

Whereas, it appears that the requirement for filing of such payrolls is no longer necessary for effectuating the purposes of the Copeland Act and that the elimination of such requirement would promote and increase the efficiency of the Federal Government and reduce the expense attendant upon the processing and handling of such payroll reports.

Now, therefore, notice is hereby given, pursuant to the Administrative Procedure Act (60 Stat. 237; 5 U. S. C., Supp., 1001-1011) that 15 days from publication hereof in the FEDERAL REGISTER the Secretary of Labor proposes to amend the regulations contained in this part as hereinafter set forth. Prior to the final adoption of such amendments, consideration will be given to any data, views, or arguments pertaining thereto which are submitted in writing to the Secretary, United States Department of Labor, Washington 25, D. C. Four copies of all written material should be submitted. The proposed amendments are to be issued under the authority contained in sections 2, 48 Stat. 948, 40 U. S. Res. 75), approved June 4, 1940, sec. 4, 54 Stat. 231, 5 U. S. C., sec. 133u.

being duly sworn, do depose and say: That I pay or supervise the payment of the persons employed by _____ (contractor or subcontractor) on the _____ (building or work); that during the payroll period commencing on the _____ day of _____, 194__ and ending the _____ day of _____, 194__, all persons employed on said project have been paid the full weekly wages earned, that no rebates have been or will be required either directly or indirectly to or on behalf of said _____ (contractor or subcontractor) from the full weekly wages earned by any person and that no deductions have been made either directly or indirectly from the full weekly wages earned by any person, other than permissible deductions, as defined in the Regulations under the "Kickback" Act (48 Stat. 948) and described below:

(Paragraph describing deductions, if any.)

(Signature and title)

Sworn to before me this _____ day of _____, 194__.

2. Amend the title of § 3.4 to read:

§ 3.4 *Submission of weekly affidavits and preservation of supporting pay rolls.*

SECURITIES AND EXCHANGE COMMISSION

[File No. 54-166]

COMMONWEALTH AND SOUTHERN CORP. AND SOUTH CAROLINA POWER CO.

NOTICE OF FILING OF APPLICATION-DECLARATION, AND ORDER FOR HEARING

At a regular session of the Securities and Exchange Commission held at its office in the city of Philadelphia, Pa. on the 25th day of November 1947.

In the matter of The Commonwealth & Southern Corporation (Delaware), The Commonwealth & Southern Corporation (New York), South Carolina Power Company, File No. 54-166.

The Commission having on August 1, 1947, issued an order pursuant to section 11 (b) (1) of the Public Utility Holding Company Act of 1935 directing, among other things, that The Commonwealth & Southern Corporation (of Delaware), hereinafter referred to as "Commonwealth", a registered holding company, divest itself of its direct and indirect interest in South Carolina Power Company ("Power"), one of Commonwealth's public utility subsidiaries; and said order having provided for the reservation of

jurisdiction with respect to all steps to be taken to effectuate such divestments:

Notice is hereby given that Commonwealth, Power, and another of Commonwealth's subsidiaries, The Commonwealth & Southern Corporation (of New York), a mutual service company, hereinafter referred to as the "service company", have filed with this Commission a joint application and declaration pursuant to sections 11 (b) (1), 11 (c), 11 (e), 12 (c), 12 (d), 12 (f), 13 (b) and 13 (d) of the act and Rule U-44 thereunder with respect to the proposed divestment by Commonwealth of its interest in Power and certain related matters. All interested persons are referred to said application and declaration which is on file in the offices of this Commission for a statement of the transactions therein proposed which may be summarized as follows:

1. Commonwealth, in accordance with the provisions of an agreement with South Carolina Electric & Gas Company ("Electric & Gas"), dated October 28, 1947, proposes to sell to Electric & Gas the outstanding 800,000 shares of no par value common stock of Power with an aggregate stated value of \$6,657,841 for the cash sum of \$10,200,000, subject to certain closing adjustments, including adjustments for net earnings accruing on such stock subsequent to August 31, 1947.

2. The obligations of Electric & Gas to consummate the proposed transaction are conditioned, among other things, upon the fulfillment by Commonwealth of an agreement providing that on or before the closing date, the existing service contract between Power and the service company will be cancelled, subject to the understanding that, so long as the service company continues as a mutual service company and is authorized and staffed to do so,

(a) The service company will continue to render service to Power as its agent under certain contracts for the purchase of electricity from Tennessee Valley Authority any such other services as Power may desire to obtain from the service company, and

(b) Power will pay to the service company for services rendered the cost thereof, determined in accordance with the provisions of the service contract, plus 10%.

3. The service company proposes to render services to Power in accordance with the terms summarized in items 2 (a) and 2 (b) above.

4. Power proposes to transfer to the service company all of Power's holdings of the capital stock of the service company, consisting of 150 shares of such capital stock, and the service company proposes to acquire said capital stock and to pay to Power the sum of \$15,000, the original consideration paid by Power for such stock.

The agreement between Commonwealth and Electric & Gas provides, among other things, that Power will, at the closing date, enter into an agreement with Georgia Power Company, a public utility subsidiary of Commonwealth, for the purchase from Georgia Power Company, within one year from the closing date, of the latter's substation located

at the Stevens Creek hydroelectric generating plant of Power for the sum of \$425,000, subject to closing adjustments. Commission approval is not requested at this time for such transaction.

Commonwealth states that the proceeds from the sale of its investment in Power will be used as determined hereafter by the Board of Directors of Commonwealth, subject to approval of this Commission.

Commonwealth requests that the Commission exempt the proposed sale of the common stock of Power from the competitive bidding requirements of Rule U-50.

Commonwealth also requests the Commission to find the transactions provided for on the part of Commonwealth under the agreement with Electric & Gas to be a plan necessary to effectuate the provisions of subsection (b) of section 11 and fair and equitable to Commonwealth and its security holders as the persons affected by such plan, and reserves the right, in the event the Commission approves the plan, to request the Commission to apply to an appropriate District Court of the United States for an order to enforce and carry out the provisions of the Plan. Commonwealth requests that any order of the Commission approving the plan contain the recitals required by sections 371 (f) and 1808 (f) of the Internal Revenue Code.

The Commission being required by the provisions of section 11 (e) of the act, before approving any plan thereunder, to find after notice and opportunity for hearing that the plan, as submitted, or as modified, is necessary to effectuate the provisions of subsection (b) of section 11 of the act, and is fair and equitable to the persons affected thereby, and it appearing appropriate to the Commission that a hearing be held upon the amended plan to afford all interested persons an opportunity to be heard with respect thereto;

It is ordered, That a hearing under the applicable provisions of the act and the rules thereunder be held on the 10th day of December 1947, at 11:00 a. m., e. s. t., at the offices of the Securities and Exchange Commission, 18th and Locust Streets, Philadelphia 3, Pennsylvania. All persons desiring to be heard or otherwise wishing to participate in the proceedings shall notify the Commission in the manner prescribed by Rule XVII of the rules of practice on or before December 8, 1947.

It is further ordered, That Edward C. Johnson, or any officer or officers of the Commission designated by it for that purpose shall preside at the hearing in such matter. The officer so designated to preside at the hearing is hereby authorized to exercise all powers granted to the Commission under section 18 (c) of the act and to a hearing officer under the Commission's rules of practice.

presented for consideration without prejudice to its specifying additional matters or questions upon further examination.

1. 2. Whether competitive conditions have been maintained in the negotiation of the proposed sale of the common stock of Power, whether the proposed consideration to be received for such stock is reasonable in amount and whether the proposed sale of such stock is in conformity with the applicable standards of the act, particularly section 12 (d) and section 11 (e) thereof.

3. Whether the requested exemption from the competitive bidding requirements of Rule U-50 should be granted, and whether any terms and conditions should be imposed in the public interest or for the protection of investors or consumers should such exemption be granted.

4. Whether the plan, as filed or as modified, makes appropriate provision for the payment of fees and expenses and remuneration in connection with the plan, and in what amounts such expenses, fees and remuneration should be paid and the fair and equitable allocation thereof.

5. Whether the proposed servicing arrangements are in conformity with the standards of section 13 of the act and whether it is necessary to impose any terms or conditions with respect to servicing arrangements, interlocking officers or directors, and other intercompany relationships or transactions.

6. Whether the proposed accounting treatment in connection with the proposed transactions is appropriate and is in conformity with sound accounting principles.

7. Whether the proposed transactions comply with all the requirements of the applicable provisions of the act and the rules promulgated thereunder.

8. Whether it is necessary or appropriate to impose terms or conditions in the public interest or for the protection of investors or consumers in connection with the proposed transactions.

It is further ordered, That particular attention shall be directed at said hearing to the foregoing matters and questions.

It is further ordered, That notice of this hearing shall be given by mailing a copy of this order by registered mail to the Federal Power Commission, the Public Service Commission of the State of South Carolina, the South Carolina Public Service Authority, the Mayors of the Cities of Aiken, Beaufort, Charleston, Columbia, Summerville and Walterboro, South Carolina, and to Electric & Gas, Commonwealth, the service company and Power; that notice shall be given to all other persons by general release of this Commission, which shall be distributed
