My Mammy

Words by The Sun Shines East—The Sun Shines West  Music by WALTER DONALDSON

Sam Lewis and Joe Young

Every thing seems lovely When you start to roam

We all start our travels Searching for a friend

The birds are singing the day that you stray But wait un-til you are furth-er a-way

If you went search-ing down deep in your mind You know you just left the best pal be-hind

Things won't be so lovely When you're all a-lone

After all our travels Where do we all wend
