NARBERTH

Commencement Week

FRIDAY, JUNE 22d, 8.00 P. M.

Hon. Leving Irving Handy, of Delaware, the Commencement speaker.

Music by Girls' Chorus. Everybody Welcome

PROGRAM FOR THE WEEK

Sunday, June 17th, 7.45 P. M.—Baccalaureate Sermon by Rev. C. G. Koppel in the Methodist Church.

Tuesday, 8.00 P. M.—Alumni Night.

Wednesday, 1.30 P. M. Senior Class Day (Informal). By invitation only.

Thursday, 8.45 A. M.—Senior Chapel.

Friday, 1.30 P. M.—Closing Exercises.

Friday, 8.00 P. M.—Commencement.

Saturday, 8.00 P. M.—Senior "Farewell Party" to Faculty, Board of Education and Students of the Senior High School.

Two other events will be included in the week's list of events: Awarding of the official "N" to girls and boys of the athletic teams, by President McCarter, and also the awarding of cups and medals to winners in field meet. This occasion promises to be one of particular interest. The other event is the Junior and Sophomore reception to the Senior Class.

The dates of these events will be announced later.

Everybody will be cordially welcomed to all events open to the public, and this means all events that would be of interest. Few school districts open their doors wider than Narberth, and few schools are better patronized. You see, it's the old slogan about which we have kept quiet for a year: "Co-interest brings Co-operation."

FLAG RAISING AT THE TENNIS COURTS

Saturday Afternoon at Two o'clock

All members of the Narberth Tennis Association and the public in general, are invited to the flag raising this coming Saturday afternoon at two o'clock, at the tennis courts, Elmwood and Essex avenues.

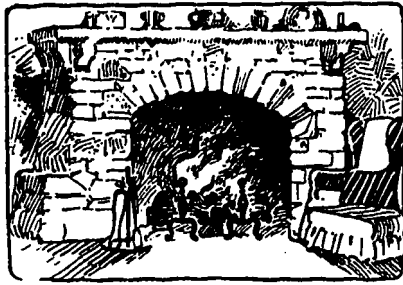

The flag pole is being put up this week and the members of the Association have purchased a fine new 5 by 8 flag. Brief but interesting exercises have been arranged.

One of our fellow townsmen, Mr. Patton, of Woodside avenue, who served in the Regular Army for a number of years, will give the regulation Army bugle calls as the flag is being raised by William J. Kirkpatrick. The flag will be unfurled by little Miss Emily "Jim" McKell.

Fletcher W. Stites, also of our town and one of Montgomery county's representatives in the State Legislature, will make a short address, and everybody will sing a verse of the "Star-Spangled Banner." It is expected that the Narberth Troop of the Boy Scouts will be present.

NEW RELIEF ORGANIZATION IN NARBERTH

A new factor entering into the spiritual and material welfare of our community is indicated by the recent formation of St. Margaret's Conference of The Society of St. Vincent de Paul. The society is of French origin and was founded in May, 1833, by Frederick Ozanam, a prominent but humble Catholic layman. It has conferences in many parts of the world, for the relief of the worthy poor, needy and infirm. The members serve without pay and the work is done as unobtrusively as possible. During the past fiscal year, in the circumference of Philadelphia, which now includes Narberth, 3705 families were assisted, to the extent of \$40,862.33.

THE FIRESIDE

Don't forget to come around to A. W. Needham's house on Thursday, June 14. Big lawn fete to be held for the benefit of the Red Cross.—(Comm.)

The Methodist Strawberry Festival on Friday evening, as usual, attracted a very large crowd. It was a great success financially as well as socially.

Rev. John Van Ness will attend the commencement exercises of the Princeton University next Friday and Saturday. He will be present at his class reunion and banquet on Friday night.

Have you heard about Lovey Mary's Garden? It's a great secret, but if you have a real confidential friend, who is an Auxiliary woman, perhaps she might be persuaded to whisper it to you.

Mrs. C. P. Fowler, who has been visiting in Canada, came back Saturday, bringing with her Mr. Fowler's father, Mr. J. B. Fowler, from St. Catharines, Canada, who will spend some time here.

The first silver tea of the Women's Auxiliary will be given by Mrs. Alex. Chambley, at her residence, 108 Hampden avenue, on Thursday, June 21, from two until five o'clock, when everyone will be welcomed.

It is rather unusual for young people to request more prayer meetings. But this thing actually happened in the Presbyterian Church last Sunday evening, and the request will be granted next Sunday at 7 P. M.

Every woman is urged to help in the big and necessary work of canning vegetables and fruits to meet the prospective shortage in food next winter. Come out to the School House on Monday, the 18th at 8 P. M., and learn what is to be done in this line.

On Thursday evening, beginning at 7.30, the Junior Unit of Narberth Red Cross will hold a fete on the lawn at the Northeast corner of Chestnut and Maple avenues. Be sure to come and buy cake, candy, lemonade and ice cream. Have your fortune told for five cents by the mysterious 'gypsy.—(Comm.)

THAT CHILDREN'S DAY CELEBRATION

367 Present Last Sunday Morning

Never in the history of the Narberth Presbyterian Church did such a large throng pass through the portals as that which packed the church last Sunday morning. It was Children's Day and that explains it. The Church was most beautifully decorated by the flower committee, consisting of Mrs. Compson, Mrs. Campbell and Mrs. Beatty. The songs, recitations and happy smiles of the little ones gladdened the hearts of every one present. Mr. R. L. Beatty, superintendent of the school, presided. The Beginners were directed by the Misses Wipf and Loos, the Primary Department by Mrs. Haws and Miss Philips and the Junior Department by Mrs. Colesworthy and Mrs. Price. The children did well and reflected much credit upon those who had drilled them so efficiently. The Semper Fidelis Bible Class had present as their guests two little girls from the Presbyterian Orphanage, one of whom is their own particular charge. The music by the main school was under the direction of Prof. W. T. Melchior, who was assisted by the orchestra, consisting of Miss Agnes Rose, Miss Mary Gara, Mr. A. J. Loos and Mr. R. L. Rogers. Mr. Van Ness, the pastor, made a brief address to the Primary children and Mr. Howard A. Banks, of the editorial staff of the Sunday School Times, spoke to the older children. During the exercises, Bradford Luther Troutman, infant son of Mr. and Mrs. B. L. Troutman, was baptized. Those who did the counting reported 367 present, which is far and away the largest number that ever crowded within the walls of this church.

CARD PARTY THIS FRIDAY AFTERNOON

It will be held at the residence of Mrs. Robert Dohard, Wynnewood avenue (third house above Windsor), June 15, at 2 P. M. Admission, 50 cents. Bridge and 500. All the ladies are invited to attend.

HOLIDAY HOUSE LUNCHEON

Friday, the 15th, is Donation Day at the Holiday House. There will be a luncheon from 12 until 2 P. M. at which time all are invited to be present. Tickets, 50 cents.

BACCALAUREATE SERMON

On Sunday evening, Mr. Chris. G. Koppel will preach the Baccalaureate Sermon to the graduating class of the Public School at the Methodist Church. Mr. Koppel and the graduating class invite you to be present.

THE FLOWER SHOW

We hope that every resident of Narberth will visit the Flower Show this coming Saturday afternoon and evening at the Y. M. C. A. building.

And we hope too that every resident that can will enter one or more exhibits.

Remembering the success of the first and second flower shows and recalling the pleasure these two affairs afforded the close on to a thousand people who attended, it may appear to be "carrying coals to Newcastle" to urge Narberth folks to drop in and see the Show on Saturday.

But two facts come to mind. First, we have with us many new residents, and Our Town wishes to extend to them, on behalf of Mr. Stites, a special invitation to attend this year's show, and if they have in their gardens any of the flowers listed in the numerous classes, to be sure and enter them. The Narberth Flower Show is for Narberth folks to take part in and enjoy. Feel no hesitancy. New Neighbors and Fellow Townsmen. Welcome to the Flower Show.

And secondly, a last call to those old residents who failed, for one reason or another, to attend last year's show or the one in 1915.

The attention of parents is called to the fact that there are several cases of measles in different parts of the borough.

Care should, of course, be taken to keep children from contact with all occupants of quarantined houses, but most cases are contracted from contact with persons in whom the disease is developing but has not yet shown.

For this reason, parents are requested to take every precaution until the disease abates.

Board of Health.

NARBERTH GUARD

(A Statement)

The Narberth Guard was organized May 21 by members of The Narberth

Home Defense Unit, who desired to have military training. The following officers were elected: Captain B. T. White; First Lieutenant, Edwin P. Dold; Second Lieutenant, Jesse S. Harris; Treasurer, Edward S. Haws; Temporary Secretary, L. H. Trotter. Enrollment fee was fixed at twenty-five cents and dues twenty-five cents per month.

Dues must always be paid in advance or members names will not be called at "roll call." About forty-two men have been drilling regularly. It is desired to have a company of about fifty of sixty men who have the time to drill and want to be members of this organization.

Anyone desiring to join should do so, at once, as arrangements have been made for rifles and the Manual of Arms will be taken up as the drill course very soon. When drilled the Guard will be prepared for any emergency duty required of them during the continuance of the war.

Meet at fire house every Monday and Thursday evenings at eight P. M. Come there if you are interested.

B. T. White, Captain.

AUTO CAR TEAM WINS FROM NARBERTH, 8-3

Charlie Barker's Autocar Club leaders of the Main Line League, took a firmer grip on the coveted position by winning in easy style, 8 to 3, in favor of Autocar. In the opening of the ninth, First Baseman Tip Turner passed words with Umpire Jones, who ordered him from the game. An argument followed and the umpire forfeited the game to Autocar, 9 to 0.

EVERYBODY IN NARBERTH MOBILIZE JUNE 23!

The Narberth Needlework Guild is going to give a fete for hospital supplies for our American soldiers and sailors on Saturday, June 23, from 3 to 10 P. M. It is to be held on Mrs. Hewitt's lawn at the southwest corner of Essex and Windsor avenues.

You are invited. There will be fancy and useful articles for sale, ice cream and candy. There will also be fresh fruits and vegetables, home-made bread and cake for which Narberth is famous.

Your fortune will be told and there may be a special letter for you in the "post office."

There will be a flag raising at 4 o'clock. The Boy Scouts will give a drill and they will be there to assist you in carrying your bundles.

Do not miss it! Come and swell the fund to help make our brave boys comfortable when they go to the front.

As the young men of the country are offering their lives, leaving their business, sacrificing their prospects and donning the khaki, isn't it as little as you can do to spare a few dollars to provide comforts for them?

MEMORIAL ARCH DEDICATION

The Commissioners of Valley Forge have issued invitations for the dedication of the United States Washington memorial arch, at Valley Forge, on Tuesday, June 19, at two o'clock P. M.

You want to hear that Baccalaureate sermon to the graduating class at the Methodist Church by Mr. Chris. G. Koppel on Sunday evening.

SCHOOL NOTES

The net proceeds of the refreshment committee of the Field Day meet were \$24.90. This amount was handed to the treasurer of the Athletic Association. Thanks is due the girls who helped so faithfully all afternoon.

Final tests for all grades above the fifth, inclusive, begin on Monday, June 18.

Remember the dates: Baccalaureate Sermon, Sunday evening, June 17, in the Methodist Church. Commencement, Friday evening, June 22, in the school auditorium.

(See notice of Commencement Week program of week's events).

Narberth High School is proud of her recent record in base ball and tennis. The base ball team recently has won against Darby, Ambler and Jenkintown. The girls' tennis team brought home victories from Swarthmore and Collingswood.

Seven teachers will leave us this year, four or five of them to enter a broader schooling. Guess!

The increase in enrollment and constant increase in number of classes required will make it imperative to add two teachers to the faculty. This means nine new teachers. My, what a "looking them over" there will be!

Watch for list of teachers leaving and their successors. Principal Melchior says he will submit the list within a week or two.

We are anxious to form new acquaintances, but we regret to see so many of our faculty leave. We believe our board will secure only the

IMPORTANT NOTICE

Our Town has been issued by the Civic Association of Narberth, at its own expense, as its contribution toward civic development, and betterment of every worthy cause in which the community is interested.

Its mailing list is very large—so large that it becomes necessary to discontinue sending the paper to those who are not particularly interested in it, or its worthy cause.

Will you be good enough to advise us, before our next issue appears, if you wish your name removed from the mailing list?

Over 50 per cent. of our readers, who receive Our Town from week to week, have not as yet paid their year's subscription, and a great many have not even paid for last year's.

Perhaps you have intended sending in your money, but, in some way or other, overlooked it. So, just phone Narberth 1258-W now, and Miss Mary Gara will be to see you. Or mail your check, or money, to P. O. Box 820, Narberth.

To do the work, receive the kicks and bumps, and advance the money to pay for the printing of this paper, is too much for any set of public-spirited men to stand for, when the only remuneration is a personal sense of having tried to render a community some particular service.

If you want Our Town, and haven't paid your subscription, either send in your check now, or advise that the paper is undesired and to discontinue sending it.

WHAT WOULD YOU

Its proximity to a first-class drug-store has very frequently been one of the reasons why the lease or sale of a house has been effected! The West Philadelphia operators can tell the story well! And it would hardly be far-fetched to say that the calibre of the leading drug-store reflects the life of the community in which it operates! So, then, it behooves us all to have the best—ever-upward the trend shall be! And the more opportunities we have to serve you the better our service can be! Don't let's buy anything in Philadelphia which can just as well be bought in Narberth—let's get the full benefit of real mutuality!

A CARD OF THANKS

We wish to thank all the boys and girls, big and little, the ushers, the young man who took the tickets at the door, and all who in any way helped us to make the little play at Wynnewood Park, for the benefit of the Episcopal Church and Red Cross, a success.

Special thanks to Mr. Walton for transporting the people free of charge to and from the grounds.

DR. ANNA SHAW TO SPEAK IN NORRISTOWN

Those who were disappointed at the postponement of Dr. Shaw's engagement to speak in Norristown a few weeks ago, will be glad to know that the deferred meeting will be held Sunday, June 17, at 3 o'clock in the afternoon in the Opera House. The subject is to be the same as was advertised, and Dr. Shaw's position as chairman of the Woman's Committee of the Council of National Defense, as well as honorary president of the National American Woman Suffrage Association, will render her discussion of the part that women will perform in the patriotic service of their country during the war, of vital interest to every American woman.

Church Notes

Last Sunday was a great day. There was an unusually large attendance at all the services. The theme of the morning sermon, "A Child Lost," is to be continued as the subject of the prayer meeting Wednesday evening. The Children's Day exercises at 2.30 in the afternoon were of the very best and delighted the large audience that was present. A special feature was a demonstration by the Boy Scouts of the great work of that organization. A chorus of young people sang for

the evening service, which was an illustrated address on "The New America" given by Dr. William G. Russel, of Philadelphia.

Every parent and teacher of the congregation is asked to have the children present for the Children's Illustrated Object Sermon at the beginning of the morning service. After this sermon the children may retire if they so desire.

All who are not regular attendants at church elsewhere are invited to the service for men Sunday evening. We will be glad to welcome you to any or all of these services.

7.45—Evening worship. Baccalaureate Sermon to the graduating class of the Narberth High School. Members of the Board of Education, faculty and pupils of the public school, friends and relatives of the graduate class are cordially invited.

Prayer Meeting

The Wednesday evening prayer and praise service will be conducted by the pastor. A special meeting of the official board of the church is called immediately after the service.

Recent Events

The church was again taxed to its capacity on Children's Day and at the strawberry festival. The memory exercises by the little folks of the Primary Department were especially commendable. The entire program was never so enjoyable and well rendered. The ladies of the Aid Society served three hundred plates at the strawberry festival.

The First Quarterly Conference.

held last Wednesday evening by unanimous vote, petitioned the presiding Bishop of the next Annual Conference, held in March, 1918, to return the pastor for the fifth year. The brethren believe in preparedness.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

When Registration Day dawned, the registrar and assistants looked forward to a fairly easy time. Estimates of the probable number to be registered varied between 60 and 150, the majority of guesses being nearer the smaller amount. With a soft snap in view, the officials had ordered a full course dinner to be served at noon, with cigars and various refreshments to be passed around at regular intervals during the day to keep them from falling asleep. Everybody was fooled, because the total registration was 270. At 7 o'clock there were thirty-five men in line, impatient to have the operation over with, so that they could get to work, but, in some instances and especially in the case of illiterates, it took fully half an hour to pass a man along. The dinner was served, but at 9 P. M. instead of at noon. There hadn't been time to serve a meal to a canary bird during the whole busy day.

Uncle Sam didn't give the boys anything for the job either, although in justice to them, I must say they didn't expect anything, feeling that they were doing their little bit for the common good.

Some fellows, who evidently wanted to avoid conscription, resorted to strange means to make it appear as though the U. S. A. would go out of business if they were called away from their jobs. For instance, one fellow said he was an "engineer of distribution." Inquiry brought out the fact that he was a shipping clerk for a button house.

Several men deposed that they were "general managers," etc. in various concerns, implying thereby that they were too valuable at home to be spared for mere war purposes, but each admitted finally that he was only a salesman, pure and simple, particularly the latter.

It was curious the number of ducks who claimed to be supporting their mothers, although as a matter of fact they never turned a nickle into the house. Others expressed concern for the welfare of their wives should they be called to shoulder a gun, whereas in truth their wives had been supporting them.

That well-known interpreter of Italian, Ed Haws, was on the job and rendered valuable assistance to the party which "kept us out of war" by registering sundry citizens of Sunny Italy. Ed says that since he has been running the post office, he can interpret any language excepting Spanish.

Here's the score:
Dependents—indicated 149
Probable exemptions—indicated . . . 6
Single and without dependents... 66
Colored 1
Aliens 45
Totally disabled 3

Among those who registered I noticed the following:

Charles E. Kraemer
Carden Warner
Squire McClellan
H. S. Hopper
A. K. Housekeeper
Ponce de Leon Burkhardt
These bright and promising youngsters were all eager to shoulder a gun.

The man behind the gun looks to you "stay-at-homes" to get behind a bond.

Many more children wear glasses to-day than did twenty years ago, but there is not so much headache and indigestion.

Narberth's base ball team of former years generally played the game for nine innings, whether the score was against them or not. Nowadays, if the game isn't going our way, the rule is to pick on the umpire, thus trying to hide our own weakness and lose the game by forfeit instead of taking our medicine like real sportsmen.

Will the boss of Narberth please send around for the remains of our spring ashes?

Cub.

WOMEN'S AUXILIARY NARBERTH Y. M. C. A.

At the May meeting of the Auxiliary it was decided to give a series of silver teas during the summer months, the revenue resulting therefrom to be used in enlarging its bank account sufficiently to finance a rather ambitious undertaking contemplated by these women in the early fall.

In accordance therewith the first tea will be given by Mrs. Alex. Chamberly, at her residence, 108 Hampden avenue, on Thursday, June 21, from two until five o'clock, at which time all members and friends interested in the Y. M. C. A. are most cordially invited.

The benefit derived from such a decision on the part of the Auxiliary is really three fold: Firstly, the genuine pleasure from an afternoon spent in this manner at frequent intervals by those of us who expect to remain in our home town the major portion of the summer, is well worth the price of silver we leave with our hostess. Secondly, the silver collected by each hostess will aid materially in carrying out the plan proposed, in September, and last but, in no wise least, the two hours spent at each tea might very profitably be made worth while by knitting or sewing for those at the front.

Please remember the time, place and your piece of silver, Mrs. Chamberly will be very glad to entertain a large number.

Fourth of July Tennis Tournament Being Arranged

A Fourth of July tennis tournament is being arranged by the Narberth Tennis Association. Only doubles will be played.

The matches will start Saturday afternoon, June 30, will be continued all day Fourth of July, and the finals will be played Saturday, July 7.

All members are invited to enter, and to see any member of the Tournament Committee or any of the officers for details. There will also be an announcement of particulars on the Bulletin Board at the courts.

NARBERTH GUARD

The question of uniforms was discussed at a meeting of the Narberth Guard Monday evening. As the Guard was organized for Home Defense it was the opinion of many that regulation uniforms were not only unnecessary, but a considerable expense which many individuals could not well afford, that in the event of the Guards being called to serve the State it would be the business of the State to provide proper uniforms and equipment. For parade purposes and for use at drill if desired, it was decided that each member secure white duck trousers, white shirt with soft collar and uniform hats to be selected by a committee appointed for the purpose by the chairman of the meeting.

Y. M. C. A. NOTES

It seems that quite a number of local residents have been using the Y. M. C. A. privileges and to this end all are hereby notified that none but members in good standing will be permitted to go downstairs. The limited membership is but \$2 and is surely in reach of all considering the benefits gained.

Whether a member is in good standing or not, it is requested to show his card. He must do so or abide by the rules of the association. Furthermore, to use privileges and not be a member in good standing is the same as trespassing on private property.

The association is not self-supporting, but would be if the majority of the men would pay their membership fees when due.

The first life membership card to be issued from the local Y. M. C. A. was tendered to Mr. A. C. Shand, Sr.

Well, boys, if you want good swimming, meet at the Y. M. C. A. every Tuesday afternoon at 3 P. M. and bring with you the small sum of 18 cents. Your chance to learn swimming by a competent instructor with detail on request.

TO THE LOVERS OF HAWAIIAN MUSIC

Here is a wonderful opportunity to learn to play the ukelele and to form a glee club.

A special offer has been made directly through the Honolulu Y. M. C. A., whereby they can procure genuine Hawaiian-made, bona-wood, \$7.50 ukelele, direct from the land of their origin (and so stamped) and a complete \$12 course of twenty lessons, comprising simple and complete instruction, information, details and exercises for property learning and mastering the ukelele for the sum of \$12.25 per instrument and course, which is guaranteed to be a total reduction of \$7.25 on the regular cost of such instruments and lessons together.

The local Y. M. C. A. extends to such pupils the use of the community room for rehearsals and hopes that a large number of folks will join the unique glee club. The instrument together with the complete set of lessons can only be procured through the local Y. M. C. A. which has given the course its hearty approval. Join now. Further particulars upon request.

The Y. M. C. A. begs to thank the

 resulted. All this can be avoided if each exhibitor will make sure to tag his or her exhibits before reaching the Y. M. C. A..

Finally, no matter what other plans you have for Saturday afternoon or evening, you'll regret it if you don't reserve fifteen or twenty minutes to drop in the Y. M. C. A. and see the Flower Show.

The fair for the Episcopal Church and Red Cross held Saturday at Wynnewood Park, was quite a success, notwithstanding there was so much on that day to detract from the fair. It is thought about three hundred dollars has been realized, but all reports are not yet in.

Automobile Insurance at Cost

NON-ASSESSABLE
Saving You in Cash 35% to 40%

NOT BUT BY
 By some dangerous assessment scheme
 By some inefficient cut rate plan
 By some irritating deductible policy
 By weakening the protection
 Reducing management expenses one-half
 Cutting out profits altogether
 Insuring only private pleasure cars

This is a Policyholder's Company. Organized by Automobile owners to issue sound insurance at cost. It is not operated to make a profit. Competent insurance men are employed to run it at a fixed expense. Only better grades of private pleasure cars are accepted.

DIVIDENDS
 Standard Rate Premiums are charged. We return to you such portion as is not used for losses, and the fixed expense of 25 per cent. This dividend has averaged better than 40 per cent, and has never been less than 35 per cent.

NOTE THIS COMPARISON
WHERE STOCK COMPANY PREMIUMS GO. HOW WE SAVE

Stock Insurance Companies	Automobile Owners Indemnity Exchange
35 per cent.....Losses Paid (Average 10 Years).....	35 per cent.
65 per cent.....Agents' Commissions, Operating Expenses, Insurance Co.'s Profits	25 per cent
NOTHING—DIVIDEND TO POLICY HOLDERS	40 per cent.
100 per cent.....Total Premiums	100 per cent.

SAVING SECURITY
 Bear in mind our SAVING is effected, not by giving less protection, but by cutting rates and later making heavy assessments, but it is effected by ECONOMY of management and by accepting only PREFERRED RISKS. If you will do your own thinking you will realize that this is the most desirable Automobile Insurance to be obtained. We are noted for our prompt and equitable adjustments.

Policy holders are completely secured against "assessment" or "default of protection" by a "Guarantee Fund" under the control of the Insurance Commissioner, ample to reinsure every risk to maturity. We put aside 40 per cent. more actual money from every premium to meet losses than any old line Stock Company and 60 per cent. to 100 per cent. more than cut rate companies and exchanges. It will be well worth your while to learn about this protection. We will be pleased to send you literature explaining this insurance in detail and will give you quotations of the cost of insurance on your car upon request.

CLASSES OF EXHIBITS FOR THE NARBERTH FLOWER SHOW, SATURDAY, JUNE 16

There are thirty-four classes and three special classes.

Rose growers will be especially interested in the new arrangement of classes for individual blooms. See the specifications for Classes 1, 2, 3 and 4. Only one rose of each variety may be shown. An exhibitor may enter as many varieties in each or all of the first four classes, as he or she chooses. For instance, in Class 2 for the best individual pink rose, an exhibitor may show one Killarney, one La France and one John Laing, etc., but not two blooms of the same variety.

This new arrangement will be welcomed by all rose growers and will undoubtedly result in the showing of the finest individual blooms ever seen in Narberth. So all the rose fanciers are urged to pick the very best of each variety and show them in Classes 1, 2, 3, and 4. The bunches of roses may be shown in Classes 5, 6, 7, 8, 9 and 10.

The above department should be of the greatest use to the community. The list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
