EDUCATIONAL.

FEMALE EDUCATIONAL INSTITUTE,

Corner of Bayou Road and the Young Ladies, Under the Supervision of Madame ED. LOCQUET,

No. 202 CAMP STREET,

Between Julia and St. Joseph streets.

THE establishment, founded by Dr. and Mrs. ——, has been favorably known for the last seven years, will commence its next session on the 19th of September.

MADAME ED. LOCQUET, assisted by her sister, Mme. FRANCOIS LOCQUET, with whom she has been associated, will use her best endeavors to continue to merit the confidence reposed, for so many years, in her predecessors.

Professors of the highest talent are employed in all the branches, both of the ordinary studies, French, Music, and the Fine Arts, and the pupils are taught exclusively by the female teachers, whose respectable attendance of months has given an ample opportunity to parents to appreciate their qualifications and the care with which they are entrusted.

The French language, the mother tongue of the pupils, and the development of which is of the first importance to a good education, is taught with the utmost care, and is again to be the fundamental study.

Young ladies will find every facility to perfect themselves every morning possible for pursuing exercises in their language.

The accommodations for comfort and well ventilated, and the necessity been entirely supervised, with a constant regard to the comfort and health of the pupils.

Madame Locquet respectfully invites parents and relatives to visit the establishment, where every information, with all other information which may be desired, can be obtained.

Letters of inquiry will be promptly attended to by the Principal. sept16 dac

AUDUBON COLLEGE.

Corner of Dumaine and Burgundy streets.

UNDER THE DIRECTION OF C. LAVENDER.

MR. LAVENDER, successor to Mr. S. ROGERS, has the honor to inform the parents and guardians of the pupils intrusted to his charge that the reopening of his classes in this institution will take place from the 5th to the 10th of September. The new Director, in reorganizing the classes, will make several modifications, which, he hopes, will be considered as very improvements. The course of studies comprises the Latin and Greek languages and all the branches of a complete French and English collegiate education, according to the wishes of the parents.

Mr. LAVENDER, assisted by Mr. W. SATTLER for the Mathematical Department, will take charge of the upper English classes.

Competent Professors have been engaged for the Commercial Department, and for the other branches proceeding simultaneously in both languages.

Special attention will be paid to Penmanship, to insure that such pupils as may be destined to West Point, &c.

The discipline will be severe but paternal.

Jefferson Academy,

93 *BOURBON STREET, NEW ORLEANS.*

CONDUCTED BY

G. J. LORD.

THIS Establishment, founded in 1856, has long the high position in public opinion, as one of the best Academies in the South-Western States.

The plan comprises a general and extensive system of education. Pupils are admitted at five or seven years of age, and continue till they are prepared for their future pursuits in life. They are distributed into classes according to their respective ages and acquirements.

The premises, perhaps, the best to be found in the city, with ample space for exercise and recreation, and every convenience for an institution of learning.

The Professors are gentlemen of talent, chosen with care. Good order reigns in the establishment, and strict attention is paid to the more humble and improvement of the pupils.

MRS. PARENT'S INSTITUTION,

Corner Royal and Hospital streets.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES.

THIS establishment has been removed to corner of Royal and Hospital streets, possessing a large, well ventilated and well distributed dwelling, with rooms, dormitories, &c. Madame Parent avails herself of this opportunity to return her sincere thanks to those who have so largely patronized her institution, and would assure them that their daughters will receive the same maternal care as heretofore. The very known reputation of her institution is the best guarantee to that effect. The course of study embraces the usual branches, in both English and French, as that employed in the first class institutions in the North and in Europe. Music, instrumental and vocal, including the Italian method, by the most eminent Professors, also Drawing and Painting; Dancing by Professor Vegas.

Madame Parent will remove her institution across the lake during the summer months, but will keep the school open to the city throughout the year. Finally, there will be nothing wanting to complete a literary as well as refined education; also to create the best morals of young persons that pure morality which is the fundamental basis of all education, combining that easy elegance of manner so necessary for young persons. For further information and the prospectus of the institution, where the prospectuses can be obtained. sep4

PRESERVE YOUR TEETH!

J. A. CASADAVANT,

SURGEON DENTIST,

248 Royal street, between R. Peter and Toulouse.

CONTINUES, at the above place, to perform all operations in the Dental profession, with the same success, and asks the attention of those who need the services of a competent Dentist, and who have been injured by unskillful Dentists, (whose gold drops out a short time after the teeth are plugged, and whose artificial teeth are ill-fitting sets,) with assurance that by J. A. CASADAVANT they can have their teeth plugged correctly, and in the most skillful manner, and have ARTIFICIAL TEETH set with continuing gums, in partial or whole sets, by the most skillful process yet known, with all the requisites of mastication, articulation, appearance and comfort, and perhaps all the functions of the natural ones.

He has invented a Chemical Process which he applies to his gums, without charging for the same, to prevent extracting teeth. It burnishes the gums and invests the pain.

To Cotton Planters.

I TAKE pleasure in announcing that Messrs. MANDEVILLE & MOLIENNY are my authorized agents in this city to make contracts for the use of

MY INVENTION

FOR STRIPPING OF THE BOLL OF PLANTATIONS SEED VALVES, AND AN IMPROVEMENT IN GIN-HOUSE MACHINERY.

I will only say here that I made the same complete, the result of which was entirely satisfactory, and which expenses very nearly that now paid, plus and bales per day, and to split it, that with the addition of machinery combined, there will be a saving of 50 per cent of the force the first year will be, and which in the first of 5 to 10 women, and old men and boys, will save from 1 HUNDRED OR MORE THAN DOUBLE, THE PLANTATION NET INCOME.

We gain the best terms in the world. The danger from fire of the gin-house is immediately reduced, and the saving of insurance will pay for the whole, which is of great importance to all who are in fully insured. Reference by the undersigned, early operation on the plantations of Col. Geo. S. Yerger, near Yazoo City.

Planters desiring more full particulars are referred to my agents, as above.

Applications for agencies will please address them, post paid, to

PRESERVE YOUR TEETH!

J. A. CASADAVANT,

SURGEON DENTIST,

248 Royal street, between R. Peter and Toulouse.

CONTINUES, at the above place, to perform all operations in the Dental profession, with the same success, and asks the attention of those who need the services of a competent Dentist, and who have been injured by unskillful Dentists, (whose gold drops out a short time after the teeth are plugged, and whose artificial teeth are ill-fitting sets,) with assurance that by J. A. CASADAVANT they can have their teeth plugged correctly, and in the most skillful manner, and have ARTIFICIAL TEETH set with continuing gums, in partial or whole sets, by the most skillful process yet known, with all the requisites of mastication, articulation, appearance and comfort, and perhaps all the functions of the natural ones.

He has invented a Chemical Process which he applies to his gums, without charging for the same, to prevent extracting teeth. It burnishes the gums and invests the pain.

Consultation in French, Spanish and English. jy14

THE Greatest remedy in the world. This Cordial is distilled from roots, herbs and barks, is especially constituted with those of the most valuable medicinal roots, barks and herbs known to the botanical world, and is entirely free from alcohol, whisky, rum or any other ardent spirits, and is the most valuable remedy for the restoration of health ever known.

IT IS NATURE'S OWN REMEDY,

during diseases by natural laws. When taken, its healing influence is felt entering the circulation of the body, purifying and ameliorating the whole mass of the blood. It tones the stomach into healthy action, thereby causing a healthy appetite, and a good digestion. It acts upon the liver, kidneys and bowels; the pain disappears, and the whole system is renovated and invigorated. It is a sovereign remedy for

Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Such as Costiveness, Indigestion, Dyspepsia, Biliousness, Jaundice, Inward Piles, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits. Frightful Dreams, Sudden Flushes of Heat over the Body, Offensive Perspirations, Flatulency, Sudden Startings in Sleep, Worms, Spasms, Sick Headache, Faintness, Coldness of the Extremities, Want of Energy, Loss of Appetite, Jaundice, and all Diseases arising from a Disordered Stomach or Liver.

Only one dose will relieve any of the above complaints. Persons suffering from any of the above symptoms, should not delay a moment in procuring a bottle of this invaluable remedy.

Not only do they cure the worst and most stubborn of every body, but also many formidable and dangerous diseases. The most feeble natural is pleased with the effects after taking a few doses. Dyspepsia, Indigestion, Biliousness, Jaundice, Nervousness, Debility, Low Spirits, Hypochondria, and the whole train of nervous complaints: *Giddiness, Headache, Loss of appetite, Jaundice,* and other diseases originating from a low state of the body or nervous system, speedily yield to the use of this exceptional alternative for the renovation of the blood and the restoration of tone and strength to the system debilitated by disease.
