## **Android app My Recruit UserTesting study privacy statement**

This statement describes how and when Wikimedia collects, uses, and shares the information we receive from study participants.

Please note that this study is conducted through the UserTesting app. UserTesting's use of your information is governed by their [Terms of Use](#) and [Privacy Policy](#).

### **Purpose of Study**

We appreciate your feedback! This study will help us to understand your experiences with using our test Android app build.

### **What Information We Collect**

During this study, your voice will be recorded as you use and talk about the test version of the Wikipedia app. We will also record your device screen, and what parts of your screen you tap or click on as you navigate the app.

### **Information Sharing and Disclosure**

The results of this study will be shared publicly in the following manner. Aggregated statistics and anonymized transcribed quotes will be published on [meta.wikimedia.org](https://meta.wikimedia.org). For that reason, we strongly suggest that you do not provide your real name, username, email address, or other personal information in your verbal responses.

The recordings of your voice and your device screen will **not** be published. Raw data will only be shared with the Wikimedia staff who need to process this information and are subject to non-disclosure obligations, with the exception of the circumstances described below.

We may disclose any collected information when required by law, when we have your permission, when needed to protect our rights, privacy, safety, users, or the general public, and when necessary to enforce our [Terms of Use](#) or any other Wikimedia policy.

### **Licensing of Study Responses**

By participating in the study, you agree that we may record your answers, and agree to donate them to the public domain under the terms of Creative Commons Zero 1.0 (full text available at <https://creativecommons.org/publicdomain/zero/1.0/>).

### **Important Information**

**Wikimedia Foundation is a global organization committed to promoting free and open knowledge. In submitting your response, you understand that the information transferred to Wikimedia Foundation will be collected, transferred, stored, processed, disclosed and otherwise used in the U.S. as described in this Privacy Statement. You also understand that the information may be transferred by us from the U.S. to other countries, which may have different or less stringent data protection laws than your country, in order to carry out the aforementioned purposes and objectives.**

Wikimedia understands the importance of user privacy. For this reason, we work to protect our users from the unauthorized disclosure or use of information we maintain. The data collected in this study will be deleted, anonymized, or aggregated within 90 days. See our [data retention guidelines](#) for more information.

For questions about this study, contact [rho@wikimedia.org](mailto:rho@wikimedia.org) and [dchen@wikimedia.org](mailto:dchen@wikimedia.org).

Thanks again for your feedback!

### **The Wikimedia Foundation**

**Please note that in the event of any differences in meaning or interpretation between the original English version of this document and a translation, the original English version takes precedence.**

### **Usability / Diary Study Follow-up Release Form**

*Please review the following information and sign below.*

In order to help the Wikimedia Foundation, Inc. (Wikimedia) in its mission of empowering and engaging people, by improving its software and explaining those improvements to the public, I would like to allow Wikimedia to collect and use information from me, including video, written and oral statements, and other records of my interactions with Wikimedia's applications or websites (collectively, "My Testing Story").

I, therefore, agree as follows:

1. **Recording.** I hereby grant permission to Wikimedia to record my voice and interactions with Wikimedia personnel and software, and share and monitor these recordings with other Wikimedia personnel.
2. **Access.** I hereby grant permission to Wikimedia to access my mobile device screen and microphone for the purposes of recording My Testing Story.
3. **Licensing Content.** I hereby dedicate all my copyright and related and neighboring rights to My Testing Story, and any derivative works of it, to the public domain worldwide under the terms of [Creative Commons Zero 1.0](http://creativecommons.org/publicdomain/zero/1.0/) (full text available at <http://creativecommons.org/publicdomain/zero/1.0/>). I understand that by waiving my rights to My Testing Story, the material contained in My Testing Story may be published and shared in any form or medium for any lawful purpose, by Wikimedia and others, without restriction and without my permission. This includes the right to edit or modify My Testing Story, such as by including it with other stories in public documentation.
4. **Licensing Ideas.** I hereby grant to Wikimedia a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable license to any right, title, and interest that I may have in any and all patentable subject matter described or conceived of in My Testing Story, including patentable subject matter later derived from My Testing Story. This includes any rights I might have in ideas, suggestions, or recommendations given regarding Wikimedia applications and websites in the course of recording My Testing Story.
5. **No Compensation.** I am giving this release and My Testing Story as a donation and acknowledge I will not be compensated for it.
6. **Third-Party Tools.** I understand that sharing My Testing Story may require the use of third-party websites and applications, and that my use of these websites and applications is governed by their respective terms of use, privacy policies, and other applicable policies.
7. **Governing Law.** This agreement is governed by California law, without reference to conflicts of law principles. I consent to the jurisdiction and venue of the federal and state courts in the city and county of San Francisco.
