\*FANCY grafted conifers; a general nursery assortment and a nice block of TRANS-PLANTED field grown Camellias.

## WHOLESALE PRICE LIST FOR THE TRADE ONLY.

All prices subject to prior sale, inspection, etc.

\*TERMS: 25 per cent with order, balance C. O. D. 5 per cent discount for cash in full with order, and a further discount of 5 per cent if you load up the stock as dug from the field, saving us the heeling in and handling cost. Perhaps some of the near-by Nurseries will wish to purchase some of this stock in blocks and dig it yourself in which case a total discount of 20 per cent will be allowed, but all stock must be dug before January 1st, 1930. In connection with a portion of the fancy conifer grafts they can be seen on the ground located on Willow Road, just east of the baseball park at San Pablo, and I will be glad to meet you there personally to show you the stock if you can arrange an appointment ahead.

\*WRITE for prices on other stock not listed mentioning size and quantity for best prices.

\*DELIVERY may in some instances be made by truck at our option where volume of business and distance justifies.

\*DENOTES fancy and rare varieties, bargains, and special inducements.

\*LEGEND—B. means balled; B. R., bare root; Trans., transplanted; Pot., potted stock; Con., container; Gfts., grafts; Grafters, stock suitable to graft.
