1/ This amount is the difference between \$721.0 million in Navy shipbuilding and conversion funds originally proposed for rescission and \$452.6 million rescinded. When the rescission was proposed, these funds were already obligated for supply contracts. In testimony before the House Appropriations Committee, the Secretary of Defense concurred in the opinion that these contracts should not be terminated.

2/ An amount equal to \$1,845.0 million included in the "Adjustments" column of Attachment B to this report represents superseded deferrals. This amount is not included in the "Adjustments" entry above because superseded deferrals are netted out in calculating the amount shown on the line "Deferrals proposed by the President" to avoid double counting.

3/ Includes \$4.6 million of outlays in one Treasury deferral, D77-27A.
