

Wiki Loves Love

International Photography Contest

Wiki Loves Love (WLL) was an international photography contest organized by Wikimedia community in February 2019 to document cultural heritage in various regions of the world.

The theme of this commons contest was festivals, ceremonies, rituals and celebrations of love in different cultures around the globe.

Over 7117 images and 24 videos were uploaded via the contest in the month of February.

Wikimedia communities from over 128 countries took part in the Wiki Loves Love contest with participation from 1610 photographers.

Apart from the Commons contest, a parallel article creating project was run in over 20 languages to bridge gender gap in Wikipedia and over 900 articles were created under this initiative.
