## FOREWORD

---

The names of the trees and shrubs in this catalogue are based on the recommendations of the American Joint Committee on Horticulture as they appear in "Standardized Plant Names." All quotations are based on "Horticultural Standards."

### Guarantee

We guarantee all plants from our nursery, and give new ones for those that do not grow satisfactorily. The cost of planting and transportation of replaced trees is borne by the purchaser .

### Prices, Delivery, Packing

The prices in this list are for trees and plants dug and loaded at our nurseries. On request we shall be pleased to estimate the cost of delivery or the cost of freight or express. Five are sold at the 10 rate and 50 at the 100 rate.

All goods are thoroughly packed insuring best protection while in transit. All packing will be charged for at cost.

**DISCOUNTS.** A discount of 10% will be allowed to clients of Landscape Architects and 15% to the trade.

**TERMS.** Cash with order except to persons having established credit with us whose accounts will be due in 30 days.

### Large Tree Moving

By developing this department we have made time saving trees for immediate results available to our clients.
