# RICE & LOMBARD'S

## AIR WARMING & VENTILATING

### FURNACE,

NOS. 12 & 13 LEWIS STREET,

OPPOSITE THE SUGAR REFINERY.

This is the name of a Furnace constructed on an entire new principle, for the purpose of warming dwelling houses, public buildings, halls, hospitals, &c., &c. It differs essentially from other Furnaces, by having an immense radiating surface, and a *creative draft*.

By the peculiar arrangement of the flues, and the manner of introducing the supply of air to assist the combustion of the fuel, this furnace is equally well ADAPTED TO THE USE OF ANTHRACITE OR BITUMINOUS COAL, as it consumes the smoke and gas, which in other furnaces escapes into the chimney, and is wasted.

All gentlemen interested in the *practical utility* of an article of this kind, are most respectfully invited to call and examine for themselves, and be convinced that the enormous waste of fuel can be economized, and be a double source of *profit to the master and pleasure to the servant*.

N. B. Cooking, Parlor and Office Stoves, of all styles, always on hand.

THE first DIRECTORY of East Boston was published in 1848; the next number was issued in 1849, and now, at the urgent solicitation of numerous citizens, the third number appears. Our thanks are due to all who have, in any way, coöperated with us in this undertaking; and we doubt not the work will prove highly creditable as an index of the growth, thrift, and enterprise of this flourishing section of the city. Particular attention is invited to the well displayed Cards in the work, as well as to the List of Contents below. The number of names in the Directory in 1848, was 1,517; in 1849, 2,072; and in the present number, about 2,700.

# MAYNARD & NOYES'

## BLACK WRITING INK,

For Metallic or Quill Pens.

The manufacture of this Ink was established in 1816, and the quality has now been tested by the public for *thirty-five years*. During this time it has been constantly increasing in public favor and patronage, and is now the leading article in the country. Those who may be ignorant of its superiority and reputation, are invited to read the following testimonials, and to make trial of it themselves.

*Boston Post Office, Dec. 4, 1851.*

Messrs. MAYNARD & NOYES:—  
Gentlemen,— In 1843 I certified to the superior quality of your Writing Ink. I have continued to use it ever since that time, and take pleasure in expressing as I then did my entire satisfaction with it. It has now been used in this office more than twenty years. Other Inks have during that time been tested, but yours has been in every instance preferred. For *fluidity, blackness, and permanency, none has been found equal to it.*

GEO. WM. GORDON, Postmaster.

*Boston, January 10, 1848.*

Messrs. MAYNARD & NOYES:—  
Gentlemen,— It is now, I believe, more than twenty years since the School Committee passed an order for using your Black Writing Ink in the City Schools. I have used it during that period, and deem it a *first rate article*, and cheerfully recommended it to others. It *flows freely* from the pen, and increases in blackness after being committed to paper, and the color is *durable*. I know of no Ink equal to yours, and I have tried many kinds, both English and American.

P. MACKINTOSH, JR.  
Prin. Writing Dep. Hancock School.

*Bowdoin School, Boston, }  
Dec. 10, 1851. }*

Messrs. MAYNARD & NOYES:—  
I have used your Ink in the Writing Department of this School during the last twenty-four years, and feel pleased in being able to express the same favorable opinion of it that I did ten years ago. It flows freely from the pen, its color is brilliant and permanent, and it combines all the necessary and desirable qualities of good Ink. It has given me such entire satisfaction for so many years, that I can strongly recommend it to all of my profession, who so much need a first rate article of writing liquid.

JAS. ROBINSON, Writing Master.

*Office of Merchants' Ins. Co. }  
Boston, Nov. 18, 1847. }*

Messrs. MAYNARD & NOYES:—  
Gentlemen,— I have used your Writing Ink for the last sixteen years. In 1840, I gave you a certificate of its excellence, and having continued its use ever since, to my entire satisfaction, my opinion is confirmed in its superiority. *It flows freely from the pen, and is, in all respects, the best Ink I have ever used.*

GEORGE HOMER, Secretary.

### BLUE, RED, AND CARMINE INKS:

These Inks, for beauty and brilliancy of color, are unequalled.

*For Sale, Wholesale and Retail, by the Manufacturers, No. 11 Merchants' Row, Boston, and by Booksellers, Stationers, and Traders, generally, throughout the Country.*
