THE FARM CREDIT CLUB Grapevine

Vol. 5

June 26, 1946

No. 99

ANNUAL MEETING

The Farm Credit Club held its 12th annual meeting in the Little Theatre on Wednesday June 26, with Dorothy Dyhrberg acting as chairman of arrangements. Francis Smith, outgoing president, called the members to order, and turned the meeting over to Isabella McGinnis, who led the group in the singing of two songs. Tom Cunningham played the accompaniment.

The special issue of the Grapevine, containing the report of all club activities during 1945-46, had been distributed to members earlier in the day. Mr. Smith called attention to the report and asked for questions or comments on any part of it. None were forthcoming. By voice vote it was agreed to dispense with the reading of the minutes of the last annual meeting. The principal business of the day was the election of officers and directors. Because there were 92 members in Washington, the nominating committee's slate was sent to these people at the same time it was published in Kansas City. Their interest in the election was shown by their addition of eleven candidates to that slate.

During the balloting, Pete Cawood conducted the drawing for the door prize of \$5.00. The lucky winner was Lila Stefan. Because of the time required to count the ballots, the meeting adjourned with the understanding that results would be posted the following morning.

The tellers have announced the election of the following officers and Directors.

NATIONAL FOOD CAMPAIGN

In keeping with their usual spirit, Farm Credit employees have responded to the appeal for funds with which to buy food for the hungry of other nations. Many who wished to contribute asked that they be permitted to give out of their next pay check. The committee will therefore not be able to announce final results until June 27. As we go to press contributions have reached \$120, which has been turned over to Mayor Kemp's committee.

IVY W. DUGGAN

FCA employees were gratified to learn that on June 14 the Senate confirmed Governor Duggan's reappointment for a term of six years from June 15, 1945. Since coming with FCA Governor Duggan has earned the respect and admiration of those working under his direction, as well as adding to his stature as a real leader in the field of agriculture. His wise administration of the affairs of the Fca, his fair dealings in all matters, and his interest in employees and their welfare, are well known. All of us extend our congratulations to you, Governor Duggan, on your reappointment. We also congratulate ourselves because we shall continue to have you for our "boss."

SUMMER GUEST

FCA is having a summer house guest!

Commodity Credit Corporation, our first cousin, would be out in the cold (?) with nowhere to lay its desks after June 30 were we not able to borrow some hints from the sardine packers' manual and bid welcome to the second largest USDA office in Kansas City.

Already some FCA units have moved from the second to the first floor, and more are following as fast as they can be hustled down. Passing down the corridors one hears: "The Mail Section? Look for it in the Club room."... "Mr. Lindsey's office? Well, now, do you know where Mr. Reid's office was?"... "Why, yes, Mr. Mahone may be around here somewhere - I see his files down this corridor."... "Legal? I just saw Ted Lee go that way."... "I know it says 'Files' but I was told to bring my travel voucher in here someplace."... "Where did Mr. Mousel get to?"

We take encouragement from two thoughts: that it's good practice for what probably awaits us in D.C. and that we are able to muster a smile and say, "WELCOME, COMMODITY CREDIT."
