JERUME BAYON.

entenced to an imprisonment at hard labor for the term of

Panis, Jan. 22.

The Constitutionnel contains the following particular relative to M. Kesner, previous to his leaving Passes.—'Lumedistely on leaving his office, he went into e shop of a confectioner, where he was known, and ris:—'Lonnediately on leaving his office, he went into the shop of a confectioner, where he was known, and asked for one of the pasteboard bases in which sweetments are sold. Under pretext of playing off a joke on a young ladies' school, to the immutes of which he had been in the habit of presenting sweetments, he ordered it to be filled with charcosi, As he seemed in perfectly good spirits, the shopkeeper did not outertain, the shightent stapicion of his intension, and M. Kremer was thus enabled to take home with him the means of self-destruction without alarming his servants. Before attempting to destroy himself, he wrote to the clergyman of Montanureiry, sanding him 1,500 fc., part to be distributed to the goor of summune, and the remainder to be expension to destroy, amening him 1,500 fc., part to be distributed to the goor of summune, and the remainder to be expension in the firm of the marrired in Belgium; his summary. Ohi Ligres been resident dead by the present of philosophy—the very genine of summune, and the remainder to be expension in the new reported that he has arrived in Belgium; his summary of the firm a hold of the summary is provisionally fitted by M. House quet Saint Simon, Inductor General of Pinances.

The clerks in the office have unanimously removed to add me mount assumptions of June made a fall. add one minitis salary to the subscription set on foot, and several of the principal Receivers General of the finances who have formed themselves into a committee to firther, the objects of it, have addressed a circular to firther, the objects of it, have addressed a circular to all the subordinate agreets in their respective departments, requesting to know how much they will anti-scribe. As soon as the situation of M. Kesner was known at Montinorency, the inhabitants lost to time in getting up an address to the King, which is a few minutes received a great number of signatures; and which the received a great number of signatures; and which it as received a great number of signatures; and which add use minute salary to the subscription set on foot, pressure of steamgetting up an agorism to me many, watch me acre min-ties received a great number of signetares; and which, while it implores the clemency of his majority, expres-ses the willingness of those signing it to make my sa-crifice in their gower to manual the fullen fortunes of

HIGHLY IMPORTANT DECISION.

The National Intelligencer of yesterday contains the following statement of the decision made by the Supreme Court of the United States on Saturday last, in the case in which the flash of Georgia and the Chero-kee Indusys within its thicks are parties.

THE CREROKEE CASE,

WASSINGTON, March 5.

LY THE GUYARUM COURT OF THE UNITED STATES. Saumel A. Worcester vg. The State of Grougia. On Saturday last, Mr. Chief Justice Macchall delivered the apinion of the Court in this case, reversing the judgment of the Superior Court of Gwinett cou ly in Generia. The effects of this decision is that the recent acts of Gaurgia taking pursuanting of the Chern-kee country, and providing for the punishment of peror, and without making an oath of allegiance to the state, are declared sold and read, as contrary to the

repeat title to lands in America, upon the ground of discovery. He established that this right was merely discovery. To established that into right was merely conventional among the European Governments them, which has it willing it each arruption by health hat of their own chims in regard to each other, and in my respects changed or affected to change the rights of the Indian, as occupants of the soil: That the only effect any institution, which will shake any institution. They story the fotants with, which will shake of the European tells were, as between European as Faras. Paughapry.—The Eric, Observer, states, Indicine as occapents of the soil: The time only every of the European tile was, as between European nations, or repulsive an excitative right of trade and it in tercourse with the Indians, and of ultimate doubth it in tercourse with the Indians, and of ultimate doubth it in tercourse with the Indians, and of ultimate doubth it in the territories docupied by the Indians in favor of the matten or government whose subjects were the first if the converses. That all the Enthopous givernous given to first in the congression of the matten or government whose and nations and in the said attitude and interest in the congress of the repeatedly administrative of the second or powers that of the repeatedly administrative of the second or powers to purchase their soil, as indeed the econd or power of the Europeans. They much econd the power of the Europeans. They have the student evolution of the tender of powers of power and war. They much exist the student econd the power of the few has a condition to the fe unies succeeded to the rights and chains of the mother country, the American Congress uniformly adapted and whered to the same doording, both before and after the country, the American Congress uniformly adjusted and adhered to the histone determine, look before and after the confederation; that since the adoption of the constitution down to the constitution to the constitution down to the constitution down to the constitution down to the constitution of the constitution of the consti obligatory in the mean series as treaties between four-plant sweetigen. He should sho that this had been the established course of shings accognised by Georgist herself, from the adoption of the Countitation down to heraids, from the adoption of the Constitution down to the year 1829, or exidenced by her arising a property of the year 1829, or exidenced by her arising a property of the part 1829, or exidenced by her arising a property of the part 1829, or exidence of the part independent to the United States or regulate intercurren with the Indiana, and to receive contour of their independents of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the part 1829, or exidence of the State Gurernments had been constantly upheld; that the right of possession of the State Gurernments had been constantly upheld; that the right of possession of the State Gurernments had been constantly upheld; that the right of the state Gurernments had been constantly upheld; that the right of the state Gurernments had been constantly upheld; the part 1829, or existence of the State Gurernments had been constantly upheld; the part 1829, or existence of the State Gurernments had been constantly upheld; the part 1829, or existence of the State Gurernments had been constantly upheld; the part 1829, or existence of the State Gurernments had been constantly upheld; the part 1829, or existence of the State Gurernments had been constantly upheld; the par
