THE DAILY BEE.

ARRIVAL OF THE EUROPA'S MAILS. The mails by the Europa reached our city and the paramas we used of a serious rate in the treest of a number of hungry individuals. It appears that a mob of some 700 persons assembled on account of la rise in the price of potatoes, and they succeeded mearrying off many sackfulls of that Irish staff of life. COURSE LESSON. - in elsewhere in refe so elsewhere in refer-orsano of the latest of age Froms into which themselves to be se-lared they may be sectioned and prone. The Mexicans, proce-sion at the invade and me to a speedy and or the one hundred of a that unfortunate projects and a dozen or segumately consider a man area and severe of the madders. The

ON THE HEELS OF LORD NAPIES.

The London Morning Herald (anti-Ministerial) opens its guns upon the British Minister at Washington, for "withholding the demand for compensation to the French and English subjects who had suffered in the combardment of Greytown on the 13th of July, 1854," many of whom (the editor says have been beggared by that gross outrage and all of whom, it was believed, enjoyed the and all of whom, it was believed, enjoyed the protection of the British flag. The Herald is at a loss to understand the supineness of Lard Napure in this matter, except upon the supposition that his instructions restricted him to the sentiest forms of remonstrance—that, "in short, the government by whom he accredited have neither the honesty nor the courage to insist upon reparation of a wrong by a powerful government like that of the United States."

art to her repertory.
Madame Nantier Didice is one of the best
dicensa we have seen, although she can
ost neither the dramatic interacty of Mid.
arbot careta, nor the faultless vocalization
A.bota. We have advices from Caraccas, Venezue-t, to the 224 of April. The Congress of Ven-zuela had approved of the new constitution, high thereby herams hally adopted. The about of the President and Vice-President cens to establish their rule in the republic energl Flores, of Ecuador, who has lately revised in Venezuela, received one vote for resident. He has saked to be incorporated to the intrary list of Venezuela, but with hat idea is not known. He is already in legamy is to Ecuador, Peru, Chili and Bosania do well known for his attempts to sain the Vicendency of Ecuador. Colonel inth, an Englishman, who served in the strott independence, and has since been dissidently former of Finance in Venezuela, has died, or was about high years of age, and enjoyed to respect of the republic. -tabish their rule in the republi

Mu. BELMONT. -- According to the Tribune in Bolimons, our Monster at the Hague, un-er the last Administration, who managed flurs there to his own immense profit, and I thischilds, has written to Messrs, Buchanan, ii dell'A Co., claiming urgently the nomina-on to the Court of Spain. The *Tribune's* crespondent at Washington says:

Hespendent at Washington says:
"Beside his claurs as having been one of
the seners of the Ostend Manifesto, and havdisfourced large sums to secure the elecon of the Freedent, the immense interests
the house of Robse hids in Span argentlycusted to be supermisined by some one of
it and trust. The Robinshids leave from
the government the mines of Almaden, the
realist quickalier works in the world—
hoy are asso interested in radicods, beside
the the Freeden in the Committee of their Paristan
accurrent, the financier Mircs, who has
also the last Joan to the Spanish governent, requires to be overseen and counterfield."

ving declined the proffer of a lucr old line Whigs" of the city and Stat he can's a immeration to have osen that or S. Appraiser General, an important and esponsible one. The States journal, refer-

"We learn that the President tendered to C.C. George P. Kane, a prominent old-line whigh of Battimore, Md., an important posi-tion in connection with the collection of the customs, which, after some consideration, decision, C.C. Kane was Collector of the part of Balt more under President Fillmore." The New Teners.—The mercantile community will be gratified to learn that Mears. P.
Durki & Co., 37 Chartres street, have rereved a supply of Mr. E. D. Ouden's valua
of comprehensive e comprehensive arrangement of the new tariff, which goes into operation on the firs day of July next. Every merchant will o course eagerly avail himself of the course expery avail numer of the oppor-tunity of precuring a copy of this very com-plete and important work.

Prince Douvers.—Our thanks are due

the Hon. GRORGE EISTIS, JR., for important and interesting public documents, comprising volve of a few first the Department of State, and a comprise die of the Department of State, and a complete die of the Department of State, and a complete die of the Congressional Global appendix, comprehending the debates during the lat session of the 34th Congress.

Wiss Martha Cornella Calhoun, youngest daughter of the late John C. Calhoun, died on Saturday, the 2d inst., at the residence of her brother, Col. William L. Calhoun, in Abbeville District, in the 31st year of her age.

Connecticut Legislature. — The Legislature of Connecticut assembled at Hartford on the 5th inst. Hon. A. Giddings was chosen President profess, of the Legislature, by 14 votes to 7, and Elephant A. Buckley, a peaker of the House, by 129 votes to 92 for James Pratt. Both of these gentlemen were numinated by the Republican cascus.

charge of having stone 310 from a mai at the correct of the state of t

who have recovered their Parisian memoriarity, the financier Mires, who has made the last foan to the Spanish government, requires to be overseen and counterfacted.

But, says the New York Express, Mr. Belmost, we hear, has already intimated to Mr. Buchar on his desire to return home in the fluctuation of the state of the state

the claim amounts to over \$11,000.

Singular Discovery.—A correspondent of the Galiatin Argus communicates the following arecumt of a singular discovery in Copiah county:

A well digger sunk a well near Burticition sixty-eight feet in solid rock, and at that depit he found a section of a tree in a good state of preservation, with nails in it not rusted at all; and what is still more remarkable, there was near the log a humap skull-evidently belonging to a race of giants, the bones of which were tolerably firm. How the nails and skull got there puzzles sil the naturalists in these parts. The geological formation at Burtonton is similar to that at Brown; a wells, and further discoveries are espected. specied.
Fire at Ricumond.—A dispatch of the

THE AT RICHMOND.—A dispatch of the clusarys:

The drug store of Messrs. Bennett, Beers & Fisher was burned this morning. The loss on their stock is setumeted at 22,000, which is covered by \$25,000 insurance in Richmond offices. The building is damaged to the extent of \$5,000, which is covered by insurance. A portion of the stock was saved. The drug store of Messrs. Bennett, Beers & Fisher was burned this morning. The loss on their stock is estimated at \$22,000, which is four-are of by \$25,000 insurance in Richmond offices. The building is damaged to the extent of \$600, which is covered by insurance. A portion of the stock was saved.

Great Cure After the Physicians had Fraited.

Russavilla, Olio, Jan. 10, 1884.

Dr. C. M. Jacknos.—Dear Ser. "We would inform you that we are out of Hoofined's German Bitters, which meet with restly sale. One of our neighbors has been deciroing for some time, (we think about itwo years) with all the deciver in the country, but all ye according to the same anything we am compare him to. It is disease appeared to be an excellenting of the gail, with hard permaneton we prevailed on him to try your Sitters, with the promise to him if it did no good we would charge him nothing for it, provided he took at bottles, according to the direction, which he has done, and is now entirely cared, and has become a well man. This case has eresided a great nois in this neighborhood."

Respectfully, EDWARIS & BROWN.

Inspection, if pon would be well, try a bottle of Great Cure After the Physicians and TOTOE is hereby given that the Capital St in this Bank has been fixed at \$400,000 for management of business, and to be ingrea-

ree serverusement. [apile ins New dis-l'appeption, if pen would be well, try a bettle of Horrestran's Ritters. It acts like a charm in giving a healthy tone to the digestive organs, and in strength-celling the servous system. Especially se its utility as a tonic and a percentire of languor, of the highest value in the aummer, when the whole nervous and muccular system relaxes, and effects a condition which permits the approach of disease. There is not, a single natione known of its failing to do good where it has been used according to directions. Try in. This celebrated article, Bitlers, for sale by Druggister generally.
