#### Price Board Notification No. 258

April 27, 1949

In accordance with the provisions of Article 4 of the Price Control Ordinance, the controlled prices of common aluminum are designated as follows, and the Price Board Notification No. 430 of July, 1948 (concerning the designation of the controlled prices of common aluminum ingot) shall hereby be abolished:

Director-General of Price Board

AOKI Takayoshi

1. Controlled price (Unit: 1 ton)

Purity

199.7% or over, but less than 99.9%

99.5% or over, but less than 99.7%

99.3% or over, but less than 99.5%

99.0% or over, but less than 99.3%

98.0% or over, but less than 99.0%

97.0% or over, but less than 98.0%

96.0% or over, but less than 97.0%

Controlled selling price of producer or seller

producer or seller

¥ 171,400.00

155,000.00

145,000.00 130,000.00 112,000.00

78,395.00 58,495.00

The controlled prices for the products containing less than 96.0% in purity of aluminum shall be deducted by \\$10,000 from the controlled price for the product containing 96% or over, but less than 97% in purity of aluminum for every decrease of 1 per cent of purity of aluminum or the fractions thereof.

- 2. Sales terms, etc.
- (1) The standard of aluminum ingot in the present list shall be subject to the Japanese Engineering Standard.
- (2) The controlled price delivery terms of products in the present list shall be f.o.r. the nearest station, or f.o.b. the nearest port to the producer as to the producer, and ex delivery place of producer, or ex place stipulated by seller beyond delivery place of producer as to the seller.

#### Price Board Notification No. 259

April 27, 1949

In accordance with the provisions of Article 4 of the Price Control Ordinance, the controlled price of rayon fabrics disqualified for export and diverted to domestic sale is designated as follows:

Director-General of Price Board

AOKI Takayoshi

1. Controlled selling price of the Foreign Trade Public Corporation for Textiles.

(1) Those produced by designation.

The controlled price in case cloth as woven is to be sold shall be the amount obtained through multiplying the controlled selling price of producer for rayon fabrics for export, mentioned in 1 of the Price Board Notification No. 933 of September, 1948, by 1.4 and that in case the cloth processed afterwards is to be sold the controlled price shall be the amount obtained through adding the controlled amounts of dyeing and other processing charges of rayon fabrics, mentioned in the Price Poard Notification No. 728 of August, 1948 (hereinafter called the dyeing and other processing charges) to the amount obtained through multiplying the abovementioned controlled selling price of producer by 1.4.

(2) The transferred by the Trade Corporation.

The controlled price for the above shall be the the amount obtained through adding the dyeing and other processing charges to the amount which is obtained through multiplying the amount deducted by the controlled amounts of dyeing and other processing charges of rayon fabrics, mentioned in the Price Board Notification No. 33 of October, 1947, from the purchasing price of the Foreign Trade Public Corporation for Textiles as mentioned in Butsu Kyo No. 315 of April 7, 1948 and Butsu Kyo No. 794 of July 8, 1949, by 1.95 and (further multiplying the product by 1.4.

2. Controlled selling price of wholesaler.

The controlled price for the above shall be the amount obtained through multiplying the controlled selling price of the Foreign Trade Public Corporation for Textiles as mentioned in the preceding paragraph by 1.08 and that in case the cloth processed afterwards is to be sold by whole-salers the controlled price shall be the amount obtained through multiplying the amount added the sum obtained through multiplying the dyeing and other processing charges, the controlled amount of skein binding and skein dyeing processing charges, mentioned in the Price Board Notification No. 932 of September, 1948 or the controlled amount of lace embroidering charges mentioned in the Price Board Notification No. 1041 of October, 1948 by 1.3, to the controlled selling price of the Foreign Trade Public Corporation for Textiles as mentioned in the preceding paragraph, by 1.08.

3. Controlled selling price of retailer.

The controlled price for the above shall be the amount obtained through multiplying the controlled selling price of wholesaler as mentioned in the preceding paragraph by 1.14.

- 4. The controlled price in case the Japan Silk and Rayon Fabrics Export Promotion Co., Ltd. sells those goods unsuitable for export out of the first, second and third export rayon fabrics in 1946, shall be the same amount as the controlled selling price of the Foreign Trade Public Corporation for Textiles as mentioned in 1 of the preceding paragraph, and the controlled selling price of wholesaler (including those goods possessed on hand by the secondary products dealers) and that of retailer shall be the same as the controlled selling prices of wholesaler and that of retailer as mentioned in the preceding paragraph, respectively.
- 5. Sales terms, etc.
- (1) The controlled prices in the present Notification (including bleached cloth and excluding white cloth) shall be for those goods assessed by the Prefectural Price Assessment Committee and having the certificate for assessment attached thereon, and the controlled prices for those not having the certificate for assessment attached and those not undergone the assessment shall be the amount lowered by 90 per cent from the controlled prices in the present Notification.
- (2) In case the Prefectural Price Assessment Committee assesses the price within the limits of the controlled prices of this list in accordance with the criterion fixed by the Director-General

- of Price Board, that price shall be the controlled price therefor.
- (3) The controlled selling prices of the Foreign Trade Public Corporation for Textiles, mentioned in the present Notification, shall be the controlled price ex place designated by the Foreign Trade Public Corporation for Textiles excluding wrapping and packing charges.
- (4) The controlled selling prices of wholesaler as mentioned in the present Notification shall include the wrapping and packing charges as well as transportation charges and be the controlled price ex receiving place of buyer.
- (5) The controlled selling prices of dealer under the Regulations for Allocation of Designated Textile Materials shall be subject to the controlled selling price of wholesaler as mentioned in the present Notification.
- (6) The controlled selling prices of retailer as mentioned in the present Notification shall be the controlled price ex store of retailer.

#### Price Board Notification No. 260

April 27, 1949

Price Board Notification No. 223 of April 12, 1949 (concerning the designation of the controlled selling prices of specially released cotton fabrics) is partially revised as follows:

Director-General of Price Board

AOKI Takayoshi

The first paragraph of sales terms, etc. shall be revised as follows:

1. The controlled prices of the present list shall be for cotton fabrics on hand of the Board of Trade, and shall only be applicable to those purchased from the former Trade Corporation, former Nihon Orimono Kabushiki Kaisha and spinning companies up to January 31, 1949.

#### Price Board Notification No. 261

April 27, 1949

Price Board Notification No. 903 of September, 1948 (concerning the designation of the controlled selling prices of special woolen fabrics) is partially revised as follows:

Director-General of Price Board

AOKI Takayoshi

1. Of paragraph (6) of 1-Moquette, etc., the following shall be added next to the list of controlled prices of staple fiber moquette:

|                          |                                         |                | 4 2 3 |       |       |         |                    |                    |
