REPORT

TO THE BUREAU OF GENERAL AFFAIRS
OF THE CENTRAL COMMITTEE FOR
TRIAL CONCERNING PUBLIC PROFESSIONS

PRESENTED BY
RYOMEI KASAGI, REPRESENTATIVE OF THE
ANCIENT "DAI-ASIA-KENSETSUSHA"
(REVIEW FOR ESTABLISHMENT OF
GREATER ASIA)
SECOND BUILDING OF THE MINISTRY
OF FINANCES, ROOM NO. 413,
UCHISAIWAI-CHO, NO. 1-2, CHIYODA-KU
TOKYO

A) Main staffs:

As mentioned clearly in the petition, formerly presented, it is only Ryomei Kasagi alone, who, charged by all responsibilities, exclusively engaged him-self in redaction, publication and all economical executions for the Review "Dai-Asia", since its establishment on the 1st of November 1933. He engaged, as assistants, only two persons : a man-employee in the office and a woman-employee for general affairs.

B) List of Organization :

Under above-mentionned- circumstances, no list of organization was made up.

C) System of functions of members :

By the same reason as above, we had no definitive system of functions of members.

N.B. As to the practical career of the review, the detail thereof is mentioned in the petition, formerly presented, which, we hope, would serve you as reference documents .

All above mentionned is the most rigid fact, without any kind of modification. If necessary, M. Kasagi is always ready to present him-self, answering to your possible convocation, and to make clear all points on your demand.
