(SCAPIN - 121)

11 October 1945

TO : Ministry of the Navy

THRU: Army and Navy Liaison Committee

FROM: A. C. of S., G-2, GHQ, SCAP

It is of utmost importance to the U.S. War Department that specific data concerning the attack on Pearl Harbor be forwarded immediately. Information received to date from the Navy Ministry is not specific enough to base a concrete reply to the War Department. It is requested that the following information be supplied without delay.

- 1) A copy of the initial order (including the date) which directed the attack force to assemble at Hitokappu Bay.
- 2) A copy of the order which directed the attacking force to proceed on its mission.
- 3) A copy of the order giving the details of the mission of the attacking force.
- 4) Exactly when was the attack on Pearl Harbor decided upon?
- 5) What agencies of the Imperial Japanese Government were concerned in the discussions and decisions to execute the attack.

For the A. C. of S., G-2:

/s/F. P. Munson
/t/F. P. MUNSON,
Colonel, SGC,
