NOMINATION OF STUDENTS.

REGULATIONS AND PREPARATORY INSTRUCTIONS.

No Candidate for the College can be nominated thereto, until he has completed the sixteenth year of his age. And no person who has been dismissed from the Army or Navy, or expelled from any place of education, will be nominated to the College.

The parents or guardian of every candidate for the college will be required to address the following letter to the nominating Director:—

“SIR.—I beg to assure you, on my honour, that my _____, to whom you have been so good as to give a nomination to the college, has not been dismissed from the Army or the Navy, and that he never has been expelled from any place of education. “I have the honour, to be, &c.”

Candidates to the college must produce the unfermentioned documents, previously to their being nominated as students.

An extract from the parish register of their birth or baptism, properly signed by the minister, churchwarden, or elders; and, in addition thereto.

A certificate agreeably, to the following form, signed by the parent, guardian, or near relation.

“I do hereby certify, that the foregoing extract from the register of baptisms of
 “the parish of _____, in the county of _____, contains the date of the birth
 “of my _____, who is the bearer of this and presented for a nomination as a
 “student at the East India College, by _____, Esq, and I do further declare, that
 “I received the said presentation for my _____ gratuitously, and that no money
 “or other valuable consideration has been or is to be paid, either directly, or in
 “directly, for the same, and that I will not pay or cause to be paid either by
 “myself, by my son, or by the hands of any other person, any pecuniary or valua-

“able consideration whatsoever, to any person or persons who have interested themselves in procuring the said presentation for my —, from the Director above-mentioned.”

“Witness my hand, this — day of —, in the year of our Lord. —.”

In the event of no parish register existing or to be found, an affidavit of such circumstance is to be made before a magistrate, to the following effect, viz.

“I, —, presented as a student for the East India College by —, do make oath and swear, that I have caused search to be made for a parish register whereby to ascertain my age, but am unable to produce the same there being none to be found; and, further, I make oath and swear, that from the information of my parents (and other relations), which information I verily believe to be true, that I was born in the parish of —, in the county of —, on — in the year —, and that I am not at this time under the age of sixteen, or above twenty years.

Sworn before me

“this —

“day of —

“Witness my hand, this — day

“of —, in the year of our

“Lord —

The parent, guardian, or near relation, must then add his certificate as to the truth of the affidavit, which must be similar to that ordered to be annexed to the extract from the parish register.

The above mentioned certificate (and affidavits in cases where an affidavit shall be required) are to be annexed to the petition to be written by the candidate, and they are to sign a declaration thereon, that they have read these printed instructions. The same declaration is to be signed by the parent, guardian, or near relation of the candidates respectively.

Candidates are to produce certificates from the person under whom they have received their education stating the nature of that education, and the proficiency they have made therein; and also certifying as to their mental ability, conduct, disposition, and character.

Candidates will be interrogated in an open Committee of College as to their character, connexions, and qualifications, conformably to the General Court's resolution of the 6th July 1809.

The nature of this interrogation may be known on application to the Clerk to the Committee of the College.

A student publicly expelled the College will not be admitted into the Company's Civil or Military Service in India, or into the Company's Military Seminary.

No person can be appointed a Writer in the Company's Service whose age is less than eighteen or more than twenty-two years, nor until he shall have resided one term, at least, in the College, and shall have obtained a certificate signed by the Principal in behalf of the College Council, of his having conformed himself to the statutes and regulations of the College.

On a student's appointment to be a Writer, a legal instrument is to be entered into by some one person (to be approved by the Court of Directors) binding himself to pay the sum of £500, as liquidated damages to the Company, for breach of a covenant to be entered into that the student's nomination hath not been in any way bought, or sold, or exchanged for any thing convertible into a pecuniary benefit.

The rank of students leaving the College is determined by the certificate of the College Council, which is granted with reference to the industry, proficiency, and general good behaviour of the student's.

Such rank to take effect only in the event of the student's proceeding to India within three months after they are so ranked. Should any student delay so to proceed, he shall only take rank among the students of the class at the last examination previous to his departure for India: whether that examination may have been held by the College Council or by the London Board of Examiners, and shall be placed at the end of that class in which rank was originally assigned to him.

When an extension of leave of absence may be deemed necessary such Officers, if they have proceeded to any station immediately dependent on this Presidency without coming to Calcutta, are to attend the Senior Surgeon whether Civil or Military, of such station and to obtain from him a certificate conformably to the accompanying Form marked B. to be renewed monthly; and if the Officer in question shall have come to Calcutta, they to obtain from the Surgeon attending them a similar certificate of sickness, to be also renewed monthly, and which must be confirmed by the concurrent testimony of the Superintending Surgeon of the Presidency, or, in his absence by one of the Members of the Medical Board.

When such Officers may find it necessary to proceed to Sea, or to Europe, for the recovery of their health they are to obtain a certificate to that effect from the Surgeons attending them, which must be confirmed by one of the Members of the Medical Board, in one of the Forms mentioned below and marked C. and D. Should the absence of such Officers, when permitted to proceed to Sea, and not to Europe exceed the period for which they may have obtained the sanction of the Governor or General in Council, they are to obtain a satisfactory testimonial from the chief Medical Authority of the Presidency, or colony, to which they may have proceeded, that the state of their health rendered such extension of their absence indispensably necessary.

G. G. in C. 1st March 1817.

APPENDIX TO THE RULES, PASSED ON THE 1st MARCH, 1817.

SECTIONS 26, 27, 31, AND 32, ARE ABROGATED.

In Section 3, first line the words "Registers or Acting Registers of Zillah or City Courts" are to be substituted for the words, "Registers to Provincial Courts" which Appointments have been abolished.

The words "Joint Magistrates," are to be added in the Margin of Section 22.

Under the foregoing modifications, the case of an Assistant Officiating as Register as Joint Magistrate, or as Magistrate, or as Judge and Magistrate, and of a Register Officiating as Joint Magistrate, or as Judge and Magistrate, will come within the Provisions of Section 22.

The following addition is to be made to the 7th Article of the Printed Rules—
"Individuals who may from ill health be unable to perform their duties, and who may in consequence be compelled to deliver over charge of their Offices to another person, shall be subject to the specified deductions, although they may not actually leave their Stations."

PART III.] DEPUTATION & OTHER ALLOWANCES. 70

The following revised scale of deductions to be made from the Allowances of Civil Servants proceeding to Sea, or beyond the limits of the Presidency to which they belong, for the benefit of their health, under the prescribed Certificates, is authorized by Government and is to take effect from the 1st of May, 1822.

Civil Servants proceeding to Sea, or beyond the limit of the Presidency to which they belong, on certificate of ill health if absent for a period not exceeding Two years, to be subjected to a deduction of 1/10th from their Allowances. If necessarily absent for any longer period beyond Two years and not exceeding two and a half years, to be subjected to a deduction of 1/5th of such additional period, and if the term of absence shall exceed two and half years, the whole of the Allowances of the Absentees to cease from the expiration of that period.

FORT WILLIAM, }
Gen. Dept. March 29, 1822 }

In reference to the Resolutions passed by Government on the 1st March 1827 and 29th March 1822, relative to reductions to be made from the Salaries of Civil Servants when absent from their Stations, whether on account of ill health or on account of their private affairs, the Right Honorable the Governor General in Council is pleased to direct that the following Extract from a Public General Letter from the Honorable the Court of Directors dated the 21st May 1823, be published for general information, and that the Rules prescribed by the Honorable Court applicable to cases of Civil Servants absent from their Stations on account of ill health, do take effect from the 1st Proximo.

Extract from a Public General Letter from the Honorable the Court of Directors, dated the 21st May 1823.

With the Exceptions hereafter stated a deduction of 1/8th be made from Salaries and Allowances not exceeding 2,000 Rupees per Mensem, for one year, and of 1/6th for the next Six Months, after the expiration of which period the Allowance only of a Servant out of employ is to be granted.

On Salaries and Allowances exceeding 2,000 Rs per Mensem 1/6th for one year and 1/4th for the next Six Months. Thereafter the Allowance of a Servant out of employ is to be granted.

The exceptions above alluded to are those contained in the 8th and 9th Clauses of the Regulations established in March 1827, with such modifications as may be required by the foregoing rules.

In the first of these Clauses it is stated that no deduction is to be made from Allowances which do not exceed 500 Rupees per Mensem and by the second it is provided that in cases in which the Salaries or authorized Emoluments of Civil Servants exceed 500 Rupees per Mensem, only in such a small degree that a deduction at the prescribed rate would reduce the remaining proportion below 500 Rupees per Mensem, the deduction shall be carried only so far as will leave to the Individual the Monthly sum of 500 Rupees.

We direct that these Rules of exception have effect during one year only: that for the next Six Months, a deduction be made at the rate of 1/8th, and that thereafter the individual if a Factor or Writer, receive not as in other cases merely the Allowance of a Servant out of employ, which in that event would amount only to 62 Rupees per Mensem, but the Allowance of a Junior Merchant out of employ, viz. 244 Rupees per Mensem.

FORT WILLIAM, }
Gen. Dept. September 25, 1823. }

The Right Honorable the Governor General in Council having taken into consideration the severity with which the operation of the Rules relative to deductions from the Allowances of Absentees on account of ill health, passed, on the 25th September last, will as they now stand, affect the interests of many of the Civil Servants at present absent beyond Sea, or the benefit of their health, has been pleased to determine, that the former Rules of the 29th March, 1822, shall remain in force as applicable to such Individuals actually absent at the Cape of Good Hope, or other places, within the limits of the Honorable Company's Trade, for such a period as may afford them the opportunity of returning within a term not exceeding in any case Six Months from the time when the intimation may reach the place of residence of the persons in question, or be otherwise communicated to them.

FORT WILLIAM, }
Gen. Dept. Nov. 13, 1823 }

With reference to the Orders of Government dated the 1st of March 1817 regarding absences in the Civil Branch of the Service, the Right Hon'ble the Governor General in Council is pleased to promulgate the following Resolutions passed this day, on the subject, which are to have effect from the 1st of the ensuing month of October.

Resolved, that the Rule for a deduction of One-Sixth from the Allowances of Civil Servants, absent from their Stations, on Account of their private affairs, which was prescribed in the 10th and 11th Paragraphs of the Resolutions passed on the 1st March 1817, be rescinded; that the Rule contained in the 7th Paragraph of the same Resolutions, for a deduction of One-Sixth from the Allowances of Civil Servants, compelled to leave their Stations, on Account of Sickness "during the whole period of their absence" be modified; and that in future, any Civil Servant, who may with the Sanction of Government (to be granted or not as may appear proper to the Governor General in Council in each case) be absent from his Station or Office, whether on account of his private affairs or from Sickness, for a period not exceeding one month in the year, shall not be subject to any deduction from his authorized Allowances. If, however the absence of such Servant shall exceed the term of one month in the year, a deduction of $\frac{1}{3}$ shall be made from his Allowances, for the period of such excess, except in cases of certified ill health, as provided for by the Rules in force.

By Command of the Right Hon'ble
the Governor General in Council.

(Signed) C. LUSHINGTON, Sec. to Govt.

KING'S MILITARY FUND.

REGULATIONS of a General Military Fund, for the benefit of Widows and Children of Deceased Officers in His Majesty's Service in India, established in 1820, and revised in 1827.

Under the protection and countenance of the Most Noble the Marquis of Hastings, Commander in Chief in India, the above named Fund was established in the year 1820, for the purpose of sending home, in comfort and respectability, the Families of deceased Officers in His Majesty's Regiments, serving in India, who may have been left destitute; and of preventing the painful and degrading practice of appealing to the Public for Subscriptions on such occasions; and also of providing relief in such cases as may require it, until they can be conveniently sent home. It having since been found advisable to make some alterations in the Rules and Regulations then established, the following revised Regulations, passed with the general consent of the Officers of the Army, have been approved of by His Excellency the Right Honorable Viscount Combermere, Commander in Chief in India, who has been pleased to become Patron to the Institution.

1st. That the Committee of General Management formed at Calcutta shall consist of the following persons for the time being, being Subscribers; viz.

- The Major General Commanding the Presidency Division.
- The Adjutant General of His Majesty's Forces in India.
- The Quarter Master General of His Majesty's Forces in India.
- The Inspector of Hospitals.
- The Commandant of Fort William.
- The Assistant Adjutant General of His Majesty's Forces in India.
- The two Senior Officers of His Majesty's Regt. quartered in Fort Wm.
- Two Senior Subalterns of ditto.
- Commandant of the Depot at Chinsurah.
- The Military Secretary to the Commander in Chief.
- The Major of Brigade of His Majesty's Forces.
- The Paymaster of His Majesty's Troops; and
- The Paymaster of His Majesty's Regiment quartered in Fort William.

2d. That a sub-Committee for enquiring into all circumstances connected with this Fund, and acting under the General Committee shall be formed at Madras and Bombay, composed as follows--such Officers being Subscribers:

- The Commander in Chief, the Patron.
- The Senior Officer of His Majesty's Army at the Presidency.
- All Officers of the General Staff.
- The two Senior Officers of His Majesty's Regiments stationed at the Presidency.

The two Senior Subalterns of ditto.

And that the Major of Brigade of King's Troops may be good enough to act as Honorary Secretary.

3d. That every Officer shall pay monthly according to his rank, as specified in the margin.*

4th. That the Paymasters of Corps shall be authorised and required to make those deductions monthly, and shall regularly remit the same to the Agents of the King's Military Fund, Messrs. Ferguson and Co. Calcutta.

5th. All married Officers shall subscribe to the Fund within three months after joining their Regiments or stations, and Bachelors within three months after their marriage; any Officer neglecting so to do, shall at no future time be admitted as a Subscriber, unless by the sanction of the General Committee, always paying up arrears from the date of his joining or marriage, as the case may be, or if in India at the time, from the date of the revision of these Regulations, 1st August, 1800.

6th. That in order to obviate the difficulties which would arise from the occasional remote situations of His Majesty's Corps serving under the several Presidencies—the most Noble the Governor-General and Council was pleased to order and direct when the Fund was established—that £150 may be granted to the Pay-Master of His Majesty's Regiments by the Governments of Madras and Bombay, on the Government of Bengal, at the Exchange of 108 Calcutta Sicca Rupees for every 116 Madras Rupees, and 325 Calcutta Sicca Rupees for every 350 Bombay Rupees, payable at sight to the General Agents in Calcutta, thereby avoiding Commission, double Agency, and risks of Exchange.

7th. That all grants of assistance from this Fund shall be regulated and assigned by Committees of Subscribers as herein declared.

8th. That in order to ascertain the circumstances of any Widow or Family who may have become destitute by the death of any Regimental Officer, such Widow shall Memorial or represent the case of herself and family, through the Commanding Officer of the Corps the casualty occurred in, in order to its being brought to the consideration of a Committee, and the Commanding Officer shall, as far as his knowledge will enable him, state his opinion of any case so received.

GENERAL COMMITTEE.

PRESIDENT.

- 1 *Field Officer, (if practicable)*
- 1 *Captain Surgeon, or Pay-Master*
- 2 *Lieutenants, or 1 Lieutenant and 1 Quarter-Master or Asst. Surgeon*

9th. That whenever there may be mixed Corps of His Majesty's service, or more than one stationed together at the same time, every application for relief from this Fund shall be heard and decided on by a General Committee, composed, as equally as possible, Officers from such Corps present, being Subscribers to the Fund.

10.h. As it may often happen that Officers die while the Corps they belong to is stationed by itself, or remotely detached, it shall be in the power of every Commanding Officer of a Regiment so situated, to assemble a Committee of any five Officers (being Subscribers) to hear and decide upon the case of any Widows and Children so become destitute, and seeking relief in this Fund. It shall also be competent for the Commander-in-Chief at either Presidency to assemble a special Committee to report on the case of any Lady who may become a Widow, whilst the Regiment to which her husband belonged, shall be at another distant station, or on service beyond Sea.

11th. That such General, Special, or Regimental Committees as the case shall be, having duly examined into the circumstances of the party seeking relief, shall report their opinion on, and recommend the amount to be granted whether for passage money or maintenance, strictly in conformity with the Regulations annexed. The opinion and recommendation of such Committees shall be forwarded to the Agents of the General Committee if in Bengal, or to the Honorary Secretary of the Sub-Committee, or such person as may be appointed by the Commander-in-Chief; if at the Presidency of Madras or Bombay by the Officer Commanding the Corps in which the casualty may have occurred.

12th. The Sub-Committee at Madras and Bombay will, on satisfying themselves with the accuracy of the statements laid before them, draw upon the Agents at Calcutta for the amount of the sum which may be awarded; but in the final adjustment of the accounts of such Sub-Committee, the General Committee will consider themselves bound to object to any sum, however trifling which may be granted in excess of the Rules laid down.

13th. The Sub-Committee will on drawing for any sum on the General Agents, transmit the Report of the Station Committee as well as their own opinion and explanations of the award as a voucher, and they will afterwards, as soon as possible, transmit the proper receipts and certificates, shewing that the money has been appropriated in the manner and for the purposes for which it was awarded.

14 h. The object of this Fund being clearly confined to sending Home distressed Families of deceased Officers, with a view of preventing those painful appeals for assistance to the Public, at once so numbing to respectable individuals and the King's Service in India, it is earnestly hoped that all ranks of Staff and Regimental Officers will support it.

15 h. But to prevent doubts and mi-conceptions which might possibly arise hereafter, it is distinctly declared, that no Widow who is not in distressed circumstances, or no Lady continuing to reside in this country after the death of her husband, can expect any provision or pension for herself or children from the Fund further than is stated in the 8th clause of the Schedule of Awards. It is also declared that no Widow is entitled to passage money or allowance for travelling, unless she shall actually proceed to sea or on her journey in the manner for which any allowance may have been drawn, and should she have received such allowance, she will be required to refund; and further, that no Widow, under any circumstances, shall be entitled to any assistance from this Fund unless the application shall be made in the usual form within six months after the demise of her husband.

16.h. Orphan Children are eligible for the benefits of this Fund, but awards for them must be specially made by a General or Sub-Committee and sanctioned by the Commander-in-Chief of the Presidency, who is requested to appoint some eligible person to take care of them, and provide a passage, &c. &c.

17th. That the General Agents in Calcutta shall furnish an annual account of the receipts and disbursements of this Fund, agreeably to forms annexed, to the Adjutant General of His Majesty's Forces; and that, that Officer be applied to, to circulate the same amongst the Subscribers, and the several Officers of Government at the three Presidencies.

18th. That Commanding Officers of His Majesty's Regiments be requested to pay particular attention in causing the regular quarterly remittances to be made to the General Agents, who are requested from time to time to reprimand Commanding Officers whenever any Corps may fail in making such remittances.

19th. That no general Rule or Regulation of this Fund shall be altered, except recommended by the General Committee, and approved by a majority of the Subscribers.

20th. In taking the opinion of the Regimental and Staff Officers of His Majesty's Forces in India, a very general wish has been expressed that *all* Widows should have their passage to England, &c. &c. defrayed. The Funds will not now admit of it but should the positive standing balance of the Fund ever amount to Forty thousand Rupees (40,000), the Committee will again put the question for the sense of the Subscribers with a provision that such charge should again cease on the balance falling to thirty thousand Rupees (30,000); and in that event all married Officers will have a claim on the Fund their subscriptions should then be augmented. As an Officer ceases to be a Subscriber on leaving India, all claims on the Fund must in like manner cease from the same period; but an Officer going to sea for the benefit of his health, being entitled to his Company's allowances will be considered as a Subscriber during his absence.

OFFICIAL CORRESPONDENCE.

All Public Letters should be written on Foolscap Paper, leaving a quarter of the page on the inner side of the sheet blank. The date should be put at the top, and the name of the person to whom it is addressed, at the bottom of the first page. The Officer writing it, is always to add his Rank and the Regiment to which he belongs, or with which he is doing duty, to his signature. The name should be written legibly.

2. In Reports or Letters written on actual Service, the hour at which they are written, should be added to the date.

3. Officers on duty, or on leave at the Presidency, corresponding with any Public Officer, are to do their letter from their place of residence, and not merely "Calcutta" or "Fort William."

4. When more than one side of the paper is written on, the full sheet is to be sent.

5. All Returns, Rolls or other Public Documents, should have the heading of the Roll or Return written on the back of it also. Separate Letters are not to be sent with Monthly Returns, Weekly States, and other Papers, in cases of mere detail, where no explanation is necessary; but where any explanation is required, and where Papers are transmitted to be laid before the Commander in Chief, as Promotion Rolls, or Reports of Special Committees, they should be accompanied by a Letter.

6. Periodical Reports and Returns should have the title, as *Cattle Reports*, *Monthly Return*, *Weekly State*, written on the upper corner of the envelope.

7. All instructions received from Head Quarters, or from a superior Officer, should be acknowledged by a letter, mentioning the date and the subject in a summary manner.

APPLICATIONS FOR LEAVE OF ABSENCE.

G. O. G. G. Dec. 12, 1818—The Most Noble the Governor General in Council is pleased to lay down the following Regulations, in regard to the mode in which applications for leave of absence, to proceed to sea, or on Furlough, are to be submitted to Government, by Staff Officers, whether attached to the Civil or Military Departments of the Service.

1. Officers employed in Public Departments and Officers at the Presidency, shall transmit their applications for leave to proceed to sea, or on Furlough, to the Adjutant General of the Army, for the purpose of being submitted to Government, under the orders of the Commander in Chief; and shall, at the same time, make the necessary report of the circumstance to the head of the Department under which they may be employed.

2. Officers holding situations away from the Presidency, and whose duties may be considered as purely Civil, such as Residents, Civil Surgeons, &c. shall, in the first instance, obtain leave to repair to the Presidency, from the authority under which they are immediately acting; and on their arrival there shall submit their applications for the ultimate leave, thro' the Adjutant General of the Army.

3. Officers serving on the Staff, in the Military Department, away from the Presidency, shall, thro' the prescribed channel, transmit to the Adjutant General of the Army their applications for permission to come to the Presidency, preparatory to submitting their request to be allowed to proceed to sea, or on Furlough.

REPORTS TO BE MADE BY OFFICERS ON PASSING STATIONS.

G. O. C. C. September 21, 1825.—The Commander in Chief is sorry to learn, that frequent instances have lately occurred, of Officers passing Military Stations without reporting themselves, as the Regulations of the Army, and the common forms of the Service require; His Excellency desires, that all Persons concerned, will attend to the existing Orders on this subject, which require that Military Officers, (as well as Surgeons, or Assistant Surgeons,) who may arrive at any Station or Post where there are troops, should report themselves to the Commanding Officer, or public Staff Officer of the place.

2. Such Officers as are prevented by indisposition from waiting upon the Commanding Officer, will report their arrival in writing, for his information, to the Major of Brigade or Staff Officer of the Station, stating whether they are on leave of absence, on Sick Certificate, on duty &c, the authority under which they are come to the Station, and the period they intend to remain.

3. It is also the duty of Officers passing a Military Station, to call at the Brigade Office, (or other Public Staff Office of the Post) that they may learn if any General Orders have been issued which affect them, and if they remain any time on leave at a Station, they ought to do this from time to time, to see the General Orders which have been published.

4. When there is a General Officer in Command of the Division, residing at any Station, the immediate Command of which is exercised by a Brigadier, (as at Barrackpore or Cawnpore,) Officers are to report their arrival and departure to his Staff, as well as to the Station Brigade Major; and to wait upon him as well as upon the Brigadier.

5. Medical Officers will, likewise, always wait upon the Superintending Surgeons of Divisions, on passing the Stations where they reside.

6. Officers passing any of the principal Stations on the River, or the Forts of Mongher, Buxir, or Chunar, where they do not mean to make any stay, are nevertheless to report to the Station Staff Officer (the Deputy Assistant Adjutant General, Brigade Major, or Fort Adjutant,) that they may receive any orders which may possibly be awaiting their arrival.

7. Officers Commanding Stations and Posts will consider it their duty to ascertain how long any Officers who arrive within their Command intend to remain, and will take care, if they are proceeding to join a Regiment, that they do not delay their journey without some sufficient cause, and if they are on leave, that they quit the Station in sufficient time to rejoin before the expiration of their leave, unless a renewed Sick Certificate, or other sufficient cause, be assigned for prolonging their stay.

8. All applications for leave, or extension of leave, from Officers at another Station, which are sent either to their Commanding Officer, or (in urgent cases,) direct to Head Quarters, are to be countersigned, and transmitted by the Officer Commanding the Station where they are.

9. The Officers Commanding the principal Stations in the Army, will receive instructions to forward, on the 1st and 16th of each month, a List of the Officers who have arrived at the Station, who are remaining there on leave, or duty, and who have left it during the preceding fortnight. They are also hereby desired to bring to the Commander in Chief's notice, any instance where the preceding Orders may be neglected.

10. All Officers, Surgeons, or Assistant Surgeons, who are directed to join any Regiment or Detachment, are to report their progress, once a week, to the Officer Commanding the Corps or Detachment to which they are proceeding, and their progress is to be noted, from these Reports, in the Monthly Returns.

REPORTS TO BE MADE BY OFFICERS ON ARRIVING AT THE PRESIDENCY.

G. O. C. C. November 10, 18th O.—Officers arriving at the Presidency from Furlough, from Sea, or on leave, are to report their arrival at the Office of the Adjutant General, and of the Town Major, as well as to the Officer Commanding the Presidency Division (at Barrackpore). On leaving Calcutta, either to embark on board Ship or to rejoin their Station, they are enjoined to report the circumstance to the same authorities: These reports may be made in writing if indisposition should prevent an Officer from making them in person. All Officers coming to the Presidency are to report in writing, their place of residence, or address, to the Adjutant General and to the Presidency Major of Brigade, (now Deputy Assistant Adjutant General.)

In addition to the report abovementioned Medical Officers are to report to the Secretary of the Medical Board. Officers in the Ordnance and Barrack Department to the Secretary of the Military Board, and other Staff Officers generally to the Heads of their Department.

All Officers are directed, during their residence at the Presidency, to attend occasionally at the Town Major's Office in Fort William, or at the Brigade Office at Barrackpore, for the purpose of making themselves acquainted with the General Orders that have been issued from time to time.

**APPLICATIONS FROM SICK OFFICERS FOR PERMISSION TO LIVE IN THE
SANATARIUM.**

G. O. C. C. March 2, 1827.—Government having been pleased to sanction the hire of a House in an airy part of Ghowringhee, for the accommodation of Sick Officers, who come to the Presidency for the benefit of their health, the Commander in Chief has directed, that all Applications from Officers, who wish to benefit by this indulgence, should be made to the Secretary to the Medical Board.

The permission will, excepting in special cases, be granted only from month to month, and the Secretary to the Medical Board will transmit, monthly, to the Adjutant General, a List of the Officers who have been residing in the Sick Quarters.

APPLICATIONS FOR SICK LEAVE.

G. O. G. G. May 24, 1822.—The Most Noble the Governor General in Council directs, that every Officer in the Honorable Company's Army on the Bengal Establishment, quitting his Corps or Station on Sick leave, shall procure from the Medical Officer who has attended him, in addition to the Certificates prescribed by General Orders of the 18th July 1807, a detailed Statement of his Case, with an Account of its Symptoms, past treatment, present State, and the Opinion of the Medical Officer as to what Change of Air, whether the River, Sea, Cape of Good Hope, or Europe, may be necessary for the restoration of health.

When the Sick Officer has occasion to apply to any other Medical Officer for assistance after having left his Station, he is to submit the before-mentioned Statement to such Medical Officer, together with a Copy of the Medical Certificate, and the Medical Officer will mark such Observations on the Statement, as the nature of the Case may require.

On the arrival of a Sick Officer in Calcutta, he is to apply to a Presidency Surgeon, submitting the Statement and Medical Certificate before mentioned, when the Presidency Surgeon will either direct him to wait on the Medical Board, furnished with a Certificate from himself, or retain him under his own care, as may to him appear necessary.

The duty of Examining Sick Officers at the Presidency, is to be taken in rotation Monthly by the Members of the Medical Board, the Secretary of which will acquaint the Adjutant General of the Army with the name of the Examining Member on the 1st day of each Month.

In case an Officer falls ill when absent from his Corps, he is to procure the prescribed Statement and Certificate from the first Surgeon he may apply to, following the directions above given in his subsequent proceedings.

The Examining Member of the Medical Board being satisfied on a perusal of the Statement and a personal examination of the Sick Officer, that a Voyage to Europe, or to Sea, is absolutely necessary towards recovery, he will countersign the Certificate to that effect, which will have been previously granted by the Presidency Surgeon.

G. O. G. G. December 9, 1824.—In continuation to General Orders, 24th May, 1822, it is hereby directed, that all Sick Officers, whose State will admit of it, shall appear before the Medical Board for final examination those whose indisposition is of such a nature as to preclude their personal attendance on the Board, will be visited by the Examining Member of the month.

The following is the Form of Certificate to be observed henceforth by the Presidency Surgeons, and which is to be Countersigned by the Board, or the Examining Member, as the case may be.

"We do hereby Certify, on honor, according to the best of our professional judgement, after careful examination, that we consider the case of A. B. to be of such a nature as to render his return to Europe, (or a Voyage to the Cape of Good Hope, or New South Wales, &c. or to Sea for—months as may be thought proper,) absolutely necessary towards the recovery of his health.

(Signed) C. D.

Presidency Surgeon.

(Countersigned)

Members Medical Board.

A strict conformity to the above is expected.

All applications for extensions of leave of absence, should state distinctly the date of the General Order under which the parties may at the time be absent from their Corps. Officers Commanding Stations and Divisions, are directed not to transmit any application to Head Quarters, in which this is omitted.—See G. O. 18th June, 1812. and G. O. 2d September, 1823.

Whenever an Officer rejoins his Corps or Station, from leave of absence, he is to be noticed in the Returns and Muster Rolls as “rejoined from leave on *that* date,” although the whole period for which he obtained permission to be absent, may not have been completed. Unless a considerable portion of his leave may remain, the unexpired portion will not be cancelled in G. O.—*Vide* G. O. 1st August, 1823.

APPLICATIONS FOR PURLOUGH, &c.

All Officers applying for leave to go to Sea, or to proceed to Europe, or to resign the Service, are required to send to the Adjutant General, with their Applications a Certificate, signed by the Presidency Pay Master, and countersigned by the Accountant in the Military Department, (and in case of Medical Officers, a certificate from the Apothecary General, in addition.) “that there are no demands against them in the Books of those Offices.” When they may have any unsettled accounts, they will furnish, in lieu of this Certificate, an engagement from an established House of Agency, to be responsible for any claims against them on the part of Government.

Officers applying for leave to go to Europe, or to Sea, for the benefit of their health, are to send with their applications the prescribed Medical Certificate, recommending their making a Sea Voyage (or proceeding to Europe,) signed by a Presidency Surgeon, and countersigned by the Medical Board.

Officers who are not entitled to furlough from the period of their service are to transmit with their application to return to Europe, a statement detail, on honor, of the circumstances which induce them to make such application.

M. C. 11th Oct. 1785, G. G. O. 1st January, 1811, G. O. 18th July, 1807, G. G. O. 9th March, 1827, G. G. O. 21st January 1828.—See Heuley's Code, pages 138, 139, and 150.

APPLICATION FOR SHIPPING ORDERS.

G. O. G. G. Dec. 4, 1823. In order to prevent an unnecessary multiplication of business, it is notified to the Officers of the Army, that in their application to the Department of the Adjutant General for Shipping Orders, whether they be about to embark on the Ships of the Honorable Company or on Private Vessels, they are invariably to state the names of the individuals composing their families, who are to embark with them, in addition to their own.

Officers not having Families are to insert the words *no Family* in their applications for Shipping Orders.

Their Shipping Order for Servants, Natives of India, proceeding to Sea with individuals, is procured on application direct to the Secretary in the General Department, on the prescribed deposit being lodged in the General Treasury.

His Excellency the Commander in Chief is requested to direct, that all applications not made in conformity with the above directions, shall be returned to the parties.

G. O. G. G. Dec. 16, 1824.—In order to prevent unnecessary applications, it is hereby notified, that Officers obtaining leave of absence, do not require Shipping Orders to proceed merely from Port to Port in India, on private Ships, a copy of the General Order granting such leave being considered sufficient authority for their reception: Certain regulations, however, peculiar to the Regular and Chartered Ships of the Hon'ble Company require the issue of the Shipping Order, when an Officer proceeds on one of those Vessels.

For Officers proceeding to the Cape of Good Hope, &c. and eventually to Europe, Shipping Orders are necessary.

PILOT'S CERTIFICATES.

G. O. C. C. Sept. 23, 1820. Much inconvenience having been occasioned to the Public Service by the inattention of Officers to the Rules laid down in General Orders of the 21st January 1817, the Governor General in Council is pleased to direct the Promulgation of the following Additional Regulation on the subject therein referred to.

All Officers of the Bengal Army obtaining Leave to go beyond the limits of this Presidency, who neglect, if proceeding by Sea, to transmit to the Secretary to Government in the Military Department, and also to the Adjutant General of the Army, a Certificate signed by the Pilot, of the date of dispatch of the Vessel on which they may proceed; or, if travelling by land, to report to the same Authorities, the date of their quitting the limits of this Presidency, will have their leave calculated from the date of the Government General Order, granting the indulgence.

G. O. C. in C. January 5 1825—Officers applying for leave to proceed beyond the limits of this Presidency by Sea, are required to include in their applications, the name of the Ship on which they purpose to embark.

G. G. O. January 28, 1823—The Governor General in Council is pleased to notify to the Army, that the Hon'ble the Court of Directors have approved of a modification of their Original Orders of 1796, as to Leave of Absence and Furlough, and to permit the Absence of an Officer on urgent private affairs from his own Presidency for any period not exceeding three months, to be counted as part of his term of service.

ALLOWANCES TO OFFICERS ON LEAVE OF ABSENCE.

G. O. G. G. Sept. 15, 1821.—Every Officer, not being a Staff Officer, who shall obtain Leave of Absence on Sick Certificate, shall be permitted to draw, whilst to the Eastward of the Cape of Good Hope, or at the Cape of Good Hope, or at St. Helena, his full Regimental Allowances, for the time during which such Certificates shall testify, that Leave of Absence is, or continues to be, absolutely necessary for the re-establishment of his health and to no later period.

Every Officer holding a Staff Situation, who shall obtain Leave of Absence, on Sick Certificate, shall be permitted to draw, whilst to the Eastward to the Cape of Good Hope, or at the Cape of Good Hope, or at St. Helena, one half of his Staff Salary for the period during which such Certificate or Certificates shall testify that Leave of Absence is, or continues to be, absolutely necessary to the re-establishment of his health, and to no later period. The other Moiety of his Salary, and every Allowance for Office or Establishment shall be drawn by the Officer doing the duty of such Absent Officer.

Every Officer holding a Staff Situation, who shall obtain Leave of Absence on his private affairs, from the Government, or from the Commander in Chief, shall be permitted to draw one half of his Staff Salary for the period of Six Months from the commencement of his Leave of Absence, and to no later period. The other Moiety of his Salary and every Allowance for Office or Establishment shall be drawn by the Officer doing the duty of such Absent Staff Officer.

In cases of the Absence of a Staff Officer when it is not found necessary to appoint an Officer to perform the duties, or when a Staff Officer in the same Department (as in the Commissariat) holding the same Rank and drawing the same Allowances may be detached to perform the duties, then the Absent Staff Officer to draw one half of his personal Allowances, under the provisions of the preceding Regulations, and the remaining portion to be a saving to Government.

Military Officers absent on their private affairs, from their Regiments or Stations, by leave of Government, or of the Commander in Chief, shall be entitled to draw their full Regimental Allowances; and in case of Staff Officers, a moiety of their Staff Salary, when permitted, or urgent private business, to visit the Presidency.

Officers who overstay their leave to the Cape, &c. to bring a Certificate that they could not get a Return passage within the time.

G O. G. G. Dec. 16 1824.—Officer absent beyond the Presidency of Bengal, and unable to procure a return Passage within the time for which leave was granted, is invariably to provide himself with a Certificate from the Commanding Officer, Resident Chief, Town Major, or other Superior Officer of that place at which he may be, certifying to that effect, and without which his Allowances will be forfeited from the expiration of the period of leave of absence.

All Officers proceeding on leave of absence by Sea, are directed to furnish themselves from the Department of the Adjutant General of the Army with an Official Copy of the General Order granting such leave.

REPORTS TO BE MADE BY OFFICERS ON FURLOUGH, &c.

Extract from a General Letter from the Honorable the Court of Directors, in the Military Department, under date the 3d January 1817.

Para. 3. "Adverting to the frequent applications made to us by Military Officers for an extension of Furlough, and being of opinion that all such applications, preferred on the ground of sickness, should be accompanied by the most satisfactory testimonials, to prove that the parties are unavoidably compelled to make the same; We have resolved that it be required of all Officers, whenever they shall find it necessary, on account of sickness, to solicit a further leave of absence, to transmit with their Letter of Application, a Certificate, signed by at least two Gentlemen, eminent in the Medical Profession, describing the nature of the applicant's complaint, and stating it to be their opinion, that the circumstances of the case render a compliance with his request absolutely necessary; also that previously to an extension of Furlough being granted, such further proof of the statement made by the party in support of his application, shall be adduced by personal examination, or by such other evidence as we may deem satisfactory.

4. "We have further resolved, that all Officers abroad in any part of Europe, applying for permission to remain a further time absent from their duty on account of Sickness, be required to furnish a Certificate, signed by at least two eminent Physicians; also the attestation of a Magistrate, in support of the fact, that the persons who have signed the Certificate are Physicians.

5. "Whenever any Officer on your Establishment shall receive permission to come to Europe, whether it be on account of ill health, or of private affairs, we desire you to furnish him with a copy of these Orders."

G O. G. G. Feb. 17, 1821. In order fully to inform the Officers upon this Establishment, of the existing Regulations, with respect to Furlough to Europe, as well as to check the practice, which, to a certain extent, has lately prevailed, of Military Officers postponing their return to their duty, for a period longer than is compatible with the good of the Service; the following Extract of a General Letter from the Honorable the Court of Directors, under date the 13th September, 1820, is published to the Army; and the Most Noble the Governor General in Council directs, that a printed copy of this Order be furnished from the Adjutant General's Office, to every Officer who shall obtain the permission of Government, to proceed to Europe on Furlough.

"Officers coming to England on Furlough, are required, as soon as they arrive, to report their arrival and address, by letter to our Secretary, forwarding, at the same time, the Certificates, which they received in India.

"In all cases of Furlough, whether it be granted for Private Affairs, or on Sick Certificate, Officers are required to join the Establishment to which they belong, at the expiration of three years, from the commencement of their Furlough, unless they shall have obtained an extension of leave from us, six months before the expiration of the said term of three years.

"Extensions of Furlough will not, in future, be granted, except in cases of Sickness, certified in the manner prescribed, in our dispatch of the 3d January, 1817, or in cases in which it shall be proved to us, that a further residence in Europe is indispensably necessary.

“When under any such circumstances, an Officer shall have obtained an extension of Furlough to a given period, he must, at the expiration thereof, apply for, and obtain permission, either to return to his duty, or to reside a further time in Europe.

“The Act of the 33d, Geo 3d, Cap. 52, Sec. 70, as it respects Military Officers, applies only to cases of Sickness, Infirmity, or inevitable Accident, and no Officer will be hereafter considered eligible, to return to the Service, after five years’ absence, under that Knactment, who has failed to obtain from us, agreeably to the foregoing Regulations, an extension of furlough, under the circumstances referred to in the Act.

“The plea of ignorance of the Regulations, will not hereafter be admitted, as any justification of the breach of them; but Officers, who shall come home on furlough, and who shall not induce time apply, so as to effect their return to the Presidency, to which they belong, within the period of three years, from the commencement of their furlough, will subject themselves to the loss of the Service unless they shall be permitted by us to remain a further time in this Country.

Extract from a General Letter from the Hon’ble the Court of Directors in the Military Department, under date the 16th December, 1807.

Para. 2. “The frequent applications that have been made to us, by Officers of our several Military Establishments in India, when in Europe, for advances of Money on Loans, under the plea of their being otherwise unable to return to their duty, have not only caused much trouble and inconvenience, but in some instances the Company have sustained loss by the death of the parties to whom such advances have occasionally been made, and the practice has of late years increased.

3. “As under the Regulations of 1796, the Military Officers are allowed to come home on Furlough, and to receive their pay, and in regard to Subalterns, as further indulged with passage money home, their situations have been considerably improved, and they cannot reasonably expect any additional indulgence, of the nature above-mentioned; to prevent therefore all expectations of the like in future, We direct, that you publish in General Orders to the Army, that We have been under the necessity of coming to the resolution of declaring, that Officers at home are not hereafter to expect, that application for advances for money, beyond what they are allowed by the existing Regulation of the Service, will be attended to.”

QUALIFICATIONS OF INTERPRETERS.

G. O. C. C. May 27, 1823.—The Commander in Chief is pleased to notify to the Subaltern Officers of the Army, the scale of qualifications expected in the Candidates for the office of Interpreter in Native Corps, and of the tests by which such qualifications are to be ascertained; viz.

- 1st. A well grounded knowledge of the general principles of Grammar.
- 2d. The ability to read and write with facility the modified Persian character of the Oordoo and the Davi Nagree of the Khurree Bolee
- 3d. A colloquial knowledge of the Oordoo and Hindooee, sufficient to enable him to explain with facility, and at the moment, any Orders in those dialects, or to trans-pose Reports, Letters, &c from them into English.

The tests by which these qualifications are to be tried, are.

- 1st. By well selected Questions, not of the niceties, but of the general leading principles of Grammar.
- 2d. By vivà voce conversation with the Examiners.
- 3d. By written Translations into Hindoostanee in both characters, of selected Orders or Rules and Regulations.
- 4th. By reading and translating the Bagh-o-Buhar in Hindoostanee; the Prem Sagur in Khurree Bolee; and the Golistan or Onwar-i-Sohorly in Persian.

It will be the duty of Committees of Examination, to ascertain the attainments of Candidates by the foregoing rules, and their Reports are to specify the proficiency of the party examined, under each of those heads.

The Commander in Chief desires it to be further understood, that previous examination in the Collego of Fort Wilham, if successful, will be considered as sufficient proof of qualification.

G. O. C. C. December 28, 1827.—The Commander in Chief impressed with the necessity of obviating the inconvenience likely to arise to the Public Service, from the appointment of Interpreters who are not qualified for the duties

of the office, has determined not to appoint any Officer permanently to that situation, who shall not have passed an examination, and have been reported qualified for it.

The recommendation of the Commanding Officer of the Regiment, will be so far attended to, that the Officer recommended will be appointed to act as Interpreter and Quarter Master, until the Commander in Chief shall have ascertained from the Report of the Committee of Examination, what Officer is best qualified for the situation.

When it shall happen,—which the Commander in Chief trusts it seldom will,—that there is no Officer in the Regiment possessed of the requisite qualifications, the Commander in Chief will consider, it his duty to appoint an Officer from another Corps, to act as Interpreter, until the Regiment shall produce one qualified for the office.

Anxious to extend the application of the principle on which this determination has been formed, and to give it practical efficiency, the Commander-in-Chief takes this opportunity of signifying to the Army, that in his selection for situations on the Staff, depending on his recommendation, it is his intention to give ample scope to the operation of those causes, of which an Army, constituted as this is, is so essentially in need, encouragement of merit, and remuneration of services.

PERIOD OF SERVICE REQUIRED BEFORE AN OFFICER CAN HOLD A STAFF APPOINTMENT.

G. O. G. January 31, 1823.—No officer will henceforward be appointed to fill any situation on the General Staff of the Army, who shall not have served four years, three of which is the actual performance of Regimental or Staff duty with a Corps.

An Officer may hold the situation of Aide-de-Camp, after having served one year with his Regiment, but the period passed in that situation, except when employed on Field Service, is not to be counted in the Regimental duty as above prescribed.

G. O. G. August 12, 1825.—The Right Honorable the Governor General in Council is pleased to direct, that the provisions of General Orders, under date the 31st January 1823 prescribing the period of Service necessary to entitle an Officer to hold any situation on the General Staff of the Army, be extended to every Civil Situation to which a Military Officer is eligible.

Regiments that have facings of a light color, white, buff, or yellow, are not to wear lace on the Coatee, but are to have a narrow welting round the collar, the top of the cuffs, and the outer edge of the lappels.

Where the Epaulette is silver, these ornaments are to be of gold, and vice versa.—Adjutants wear, in addition to the Epaulette, a strap similar to that of an Epaulette, without bullion, on the left shoulder.—Interpreters wear, in addition to the Epaulette, a bullion loop on the left shoulder.—Officers of Grenadier and Light Companies wear two wings.

MEMORANDUM.

The Dress Uniform is to be worn at Dress Reviews, Parades in honor of the King's Birth-day, and on other particular occasions when the Troops are assembled.

The full Dress when Officers attend the Drawing Room at the Government House, at Balls and Assemblies, and on occasions of a similar nature. At Levees the Sash is dispensed with, and Officers wear their blue or white linen Trowsers (according to the season) and Ankle Boots; in other respects they appear in *full Dress*. This also (the Dress for Levees) is the proper Dress for all evening parties of ceremony, except those mentioned above, at which Officers are expected to appear in Full Dress.

In Full Dress, and when worn at Levees or as a Dress of ceremony, the Coatee is to be hooked, and the lapels buttoned back; when worn on Parade or other duties with the Sash, it is to be buttoned across the breast. The Undress Jacket is always to be hooked or buttoned when worn on duty; when used as an Undress, on occasions not connected with duty, it may be hooked only at the collar. The Gorget is to be worn as established by usage. A Waistcoat of white linen, with small Regimental buttons, may be worn with the Undress Uniform.

The Great Coat may be worn in the cold season, or in wet weather, as convenience may dictate. It may also be worn at all times on the line of march, or on out-post duty, with the Sash and Sword over it. It is not to be worn on other duties or at parades, unless when ordered.

The Cloak may be worn in cold or wet weather as convenience may dictate. Officers who may desire to wear a Cloak in Camp or when marching, are expected to provide themselves with the Regulation Cloak, as no other will be allowed to be worn with Troops.

The white linen Jacket is only to be worn during the hot weather, when the men are permitted by the proper authority to wear their white dress, and this indulgence is restricted to ordinary duties and parades, and to private parties and not sanctioned on any occasions of ceremony, or at public places, where etiquette and usage require that Officers should appear in dress.—At the Presidency Officers are expected to wear the Undress red Jacket or blue Great Coat, and Military Cap, whenever they go out for a morning's or evening's ride; but the Jacket or Coat may be made of the lightest cloth, of camlet, or of silk.—In Military Cantonments, during the months in which Officers are allowed to wear white Undress Jackets at their Regimental Parades, they are also permitted to wear them in their morning or evening rides, or at visits *not of ceremony*.

These Regulations are not intended to apply to Officers when engaged in any active exercise (such as fives, or cricket) or in field sports; but with these exceptions, it is expected that no Officer will appear abroad dressed otherwise than in Uniform. For riding or driving in the morning or evening, and for visits *not of ceremony*, the Undress Jacket or the blue Great Coat, when the weather requires it, with the Forage cap, furnish a convenient and at the same time a proper Military Dress. It is therefore expected that round hats and plain clothes, and all other unauthorized modes of dress, will be laid aside.

Officers (of whatever rank) must be ten years in India, before they can be entitled (except in case of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant military surgeons.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs may be allowed a furlough for one year without pay, on furnishing an affidavit of the urgency of the case, in which the circumstances are to be briefly noticed.

Officers after arrival at the Presidency, and to address their applications, for furlough to the Adjutant General enclosing therein a Certificate from the Presidency Pay Master and a countant to the Military Department if there being no demands against them (or in lieu thereof an Engagement on the part of some respectable Agency House) and also a medical Certificate from a Presidency Surgeon, countersigned by the Examining member of the Medical Board if the application be grounded on ill health. A Certificate signed by the Pilot of the date of dispatch of Vessel, in which Officers embark to be sent to the Adjutant General and also to the Secretary to the Government Military Department.

A chaplain after seven years residence in India is allowed to go home on furlough and receive the pay of major. Should he go home from sickness prior to this period of service, he is allowed the pay of captain only.

A conductor of stores is allowed furlough pay, only in case of going home from sickness.

Officers going to England on furlough are required immediately to report their arrival by letter to the Secretary, stating the name of the ship in which they arrived, and their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong, at the expiration of the three years furlough unless they shall have obtained an extension of leave from the court six months before the expiration of that period. No furlough will be extended, except in cases of sickness certified in the manner hereafter mentioned; or in cases, in which it shall be proved to the Court that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness must transmit with their letter of application for such leave, a certificate signed by at least two gentlemen eminent in the medical profession, describing the nature of the applicant's complaint, and stating it to be their opinion that the circumstances of the case render compliance with his request absolutely necessary. Also previously to such extension on furlough being granted such further proof shall be adduced by personal examination, or by such other evidence, as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty, on account of sickness are to furnish a certificate of two eminent physicians, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period must at its expiration apply for permission, either to return to their duty, or to reside a further time in England.

No officer who has failed to obtain an extension of furlough, will be considered eligible to return to the service after five years absence under the Act of the 33, Geo. III. ch. 52 sect. 7.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the court's instruction and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them, officers therefore who shall come home on furlough and who shall not in due time apply on as to effect their return to the presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the Court to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India excepting colonels of regiments, and those of the rank of lieutenant colonel regimentally when promoted to that of major general, the latter are then allowed to draw the pay of their brevet rank beyond the above period.

A subaltern officer, or military assistant surgeon having served six years in India is permitted to retire on the half pay of Ensign, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

Every officer returning on furlough, and wishing to retire from the service, must make a declaration to that effect, within twelve months after his arrival in England; and in case of his neglecting so to do he must at the expiration of his furlough, either return to India, or be held to have relinquished the service, and not be entitled to retire on pay, unless he has continued to serve in India, from his first arrival for the space of twenty two years without having a furlough; in that case he is allowed two years before he shall be called upon to signify his intention of retiring, but he can only be allowed the pay of the rank he held at the expiration of twelve months from his arrival in Europe.

Officers in future retiring from the Service, shall be considered to have retired from the date of their application to that effect, or from the expiration of two years from the date of their landing in the United Kingdom, whichever shall first happen; and all Casualties by Death in Europe after the expiration of the same period of 2 years from the date of landing, shall be considered to have occurred from the date when that period expired, notwithstanding in both cases the Officers may have received an extension of Furlough. BOAT ALLOWANCE.

REGULATIONS.

G. G. O. 16TH DEC. 1816. The Right Honorable the Governor General in Council is pleased to authorize Officers of His Majesty's Service who become supernumerary to the complement attached to Regiments, to draw the Half Batta, and the House Rent, (if not furnished with quarters) of their Regimental Rank, during the time they may be detained in India, also Boat Allowance from the Station at which their Corps is stationed, to the Presidency, when directed by the Commander in Chief to proceed by water.

G. G. O. 19TH SEPT. 1818. The Most Noble the Governor General in Council is pleased to publish the following resolutions of Government, on the subject of Boat Allowance to Officers: viz.

1. Whenever a Regiment, or any number of Troops or Companies of a Corps move by water, the proportion of Officers of all Ranks regularly belonging to and on the Establishment of such Regiment, or Companies of a Regiment as the case may be, will naturally move with their men, and draw in course the Boat Allowance of their ranks in addition to their Tentage.

2. If from a deficiency of Officers, or other cause, the Commander in Chief shall consider it necessary to order any additional Officers, of whatever rank, to join and do duty with such Regiment or Companies of a Regiment, His Excellency will be pleased to represent the case to Government, when Boat Allowance in addition to Tentage will be granted to the requisite number of Extra Officers.

3. In the case of drafts, detachments or recruits proceeding to join Corps by water, or of Invalids, Supernumeraries, or time-expired men returning to Fort William, Boat Allowance in addition to Tentage, will be granted, on the representation of the Commander in Chief, to the following proportion of Officers.

To any Detachment under 30 men, one Subaltern. If above 30 and under 60 men, two Subalterns; and so on in the same proportion; with the addition of one Captain for every Detachment, consisting of not less than three or more than five such Subaltern's parties, Two Captains for Six and not more than eight such parties, and so on, also with the further addition of one Field Officer for every Detachment, consisting of not less than three Captain's parties as above detailed.

4. The names of all Officers appointed to do duty with Detachments as Extra Officers with Regiments, or Companies of Regiments proceeding by water, are to be specified in General Orders or Division, or Station Orders, (as the case may be) for the convenience of more readily auditing their Bills.

5. The Governor General in Council extends the indulgence of Boat Allowance to all Captains, Assistant Surgeons, and Subaltern Officers, on their arrival for the first time in Bengal, and being ordered to join a Regiment; the same indulgence is extended to Gentlemen appointed in India to Commissions in His Majesty's Army or in the Local Corps; to Ordnance and Warrant Officers, and generally to persons newly appointed and, for the first time, proceeding to join their Corps or Station; but Officers and other profiting by this indulgence, are to cease drawing their Tentage from the day of their being ordered to embark and join until the expiration of the person for which they received Boat Allowances.

6. His Excellency the Commander in Chief, will be pleased, in all possible cases, to employ individuals of this last description on duty with Detachments, where Extra Officers drawing both Boat and Tent Allowances, shall be required, under the provisions of the 2d and 3d Clause of the order. This provision will reduce as much as possible the charge which must be incurred by the indulgence now granted to all young Officers on their first arrival.

7. One Medical Officer will always be permitted to proceed on duty with every Detachment of Europeans, and such Officer will be permitted to draw Boat Allowance in addition to Tentage.

8. Whenever the Commander in Chief, may be of opinion that the presence of a person conversant in the Languages is essentially necessary with a European Detachment, and that none of the Officers attached to it, or proceeding to join Corps on Boat Allowance under the 5th Clause of this Order, are competent to the duty in question, His Excellency will be pleased to recommend any Officer qualified to officiate in the capacity of a Linguist, such Officer will be permitted to draw Boat Allowance in addition to Tentage.

9. In all other cases, except those above specified, Officers drawing Tentage are invariably to proceed at their own expence on any duty on which they may be sent unless ordered specially by water in charge of Troops, Stores, or Treasure, by the

Commander in Chief, with the sanction of Government previously obtained. When any particular occasion appears to His Excellency to call for special indulgence, such case is to be referred for the decision of the Governor General in Council in the first instance agreeably to the practice in regard to all matters creative of expense, unless when the Commander in Chief may be in the Field, or when a pressing emergency shall appear to a General or other Officer in Command to be such as shall justify him in ordering Boat Allowance on his own responsibility. In such cases, the General or other Order shall be considered by Paymasters as a sufficient warrant for immediate Payment of a Boat Allowance Bill, and the necessary sanction to the Audit Department for adjusting the same, will be issued by Government on the representation of His Excellency the Commander in Chief.

10. The regulations now laid down, are not to be considered as affecting in any way Half pay or cashiered Officers, whose cases are provided for by General Orders of 16th December 1816.

G. G. O. 27th MARCH 1819.—With reference to General Orders of the 19th of September last defining the Situations in which Officers would be permitted to draw Boat Allowance, the Most Noble the Governor General in Council is pleased to publish the following additional Rules

That Officers drawing Boat Allowance with the Corps, to which he had been provided that prior to his being finally posted, he shall not have been in the receipt of Full Regiment Allowances, for the Term of 8 Months.

It is to be clearly understood, however, that Officers drawing Boat Allowance under this Regulation, shall forfeit their Claim to tentage during the period for which Boat Allowance may be drawn.

CONDUCT OF OFFICERS ON BOARD SHIP.

It having come to the knowledge of the Court of Directors that the good order and wholesome practices, formerly observed in the Company's Ships, have been laid aside, and late hours and the consequent mischiefs introduced, by which the Ship has been endangered, and the decorum and propriety, which should be maintained destroyed, they have thought proper to frame the following Regulations on these points, to which the readiest acquiescence is expected, and any person offending against them, will incur the Court's high displeasure, viz

Resolved—Therefore that in order to prevent any accident from the fire and lights being kept up beyond those hours usually observed in all properly disciplined Ships, it is strictly enjoined, that no fire be kept up beyond eight at night, unless for the use of the sick, and then only in a Stove, and that candles be extinguished by nine between decks, and ten, at latest, in the Cabins, and that the utmost precautions be observed to prevent their being visible to any Vessel, passing in the night

That the hour for dinner be not later than two o'Clock, and when the Commander of the Ship retires from Table, either after dinner or supper, the Passengers and Officers of the Ship retire also

That the Captain be strictly enjoined to pay due attention to the comfortable, accommodation and liberal treatment of his Passengers, at the same time setting them an example of sobriety and decorum as he values the pleasure of the Court

That any excess or disorderly behaviour below, being equally repugnant to the good order and discipline of the Ship, will on representation, be noticed by the Court of Directors, and not fail to incur their displeasure

That any improper conduct of the Officers of the Ship, towards the Passengers or each other, shall be quickly made known to the Commander, who shall weigh the circumstances with impartiality, and if conciliation be ineffectual, decide according to the best of his Judgment, and every person concerned, be expected quietly to conform thereto, but should any one think himself aggrieved hereby, he may appeal to the Governor and Council of the first settlement the Ship arrives at, or if homeward bound to the Court of Directors

The diversity of characters and dispositions which must meet on Ship board makes some restraint upon all necessary, and any one offending against good manners or known usages and customs, will on representation to the Court, be severely noticed.

REGULATIONS.

For the Guidance of Commanders and others, belonging to Ships and Vessels resorting to the Port of

CALCUTTA.

1st. Commanders of Ships or Vessels coming up to Calcutta, are to hoist a Blue Peter at the Main Top Gallant Mast head on arriving abreast of Kidderpore, and to keep the same flying until the Harbour Master's Assistants shall have taken charge from the Pilot.

2d. On the arrival of any Ship or Vessel off Calcutta or Kidderpore, (if the Vessel is to remain there) an Officer from the Harbour Master's Department will be sent on board, to moor her in a proper birth and as near in a line as possible, leaving a sufficient space for Ships to pass up and down the Channel next to the outer Buoys of the Moorings --- As the Harbour Master is held responsible for the movements of all Ships and Vessels to and from the Stream, requiring his assistance, the Officers of his Department are not to be interfered with in the execution of such important duty. After a Ship or Vessel is moored in a clear and safe birth in the Stream, she is not to be shifted, unless for the purpose of hauling into Dock or to the Hon'ble Company's Moorings, and except in cases of emergency.

3d. All applications to take in or cast off from the Moorings, or for other assistance from the Harbour Master's Department, are to be made in writing to the Master Attendant, who will direct the Harbour Master accordingly. Applications will be complied with according to priority of date.

4th. On Ships or Vessels arriving off Calcutta, they are to have their Jib and Driver Booms rigged in, as soon as practicable and remain so till the Pilot takes charge.

5th. Ships and Vessels laying in the Stream, or at the Hon'ble Company's Moorings, shall have at least one Anchor at the Bow, with a Cable bent, and ranged, ready for letting go at all times.

6th. No Ship nor Vessel shall make any Hawser or Rope fast to any of the Hon'ble Company's Mooring Buoys, except for the purpose of warping into a birth, under the direction of the Harbour Master or his Assistant.

7th. Serious accidents having taken place in transporting Vessels, from the circumstance of one Ship letting go another's warp, while in the act of moving, Commanding Officers are to permit warps to be made fast, and to keep them so until requested to let them go --- All Vessels in the Port of Calcutta are enjoined to assist each other, while in the act of warping.

8th. Vessels Docking or undocking, are to have their Lower Yards down, and Top masts struck.

The Harbour Master's Assistant, in hauling Ships or Vessels into Dock is to take care that the Waist Anchors are got up out of the Chains, and to see that no projections whatever, beyond the Ships' sides (which can be removed,) be suffered to remain; also to shut in all the Ports and Scuttles.

9th. All Ships or Vessels moored in the Stream are to keep a clear Hawse and attend to the Helm, to prevent accidents occurring, Ships frequently having so many turns in their cables, that they cannot veer away, and consequently are liable to go a drift, during strong tides, or blowing weather.

10th. Commanding Officers of Vessels are strictly prohibited from boiling Pitch, Dammer, or Roan on board, to prevent accidents by fire. They are also prohibited from throwing over board Ballast, broken Bottles, or Rubbish of any kind.

11th. Commanding Officers of Ships or Vessels laying under fairs, or at any of the Hon'ble Company's Moorings, are to slack down their Cables, to enable Vessels to pass over them, when required by the Officers of the Harbour Master's Department to do so.

12th. Ships or Vessels meeting with any accident, or causing damage to others while in Charge of an Officer under the Authority of the Master Attendant, have no claim on Government for such damage; but the parties concerned, are to represent the case to the Master Attendant, who will take such cognizance of the same as the merits of the case may appear to require.

13th. In order to avoid misconception as to the responsibility of Government for the safety of Ships and Vessels making use of the Hon'ble Company's Chain Moorings, the Governor General in Council has been pleased to direct, that it be explicitly notified to the Public, that Government does not guarantee the safety of any Ship or Vessel, which may use those Moorings.

N B — By broken pilotage is meant the proportion of full pilotage between the different stages, or places of anchorage. All ships, the property of Europeans as well Asiatic as European, are subject to a further charge termed 'Lead Money' it being indispensably necessary, that the Pilot should have with him a leadsman in whom he can confide, when in charge of other than British ships:— whenever a Leadsman is employed, the charge is 25 Rupees.

No Vessel shall be allowed to proceed to Sea until a Certificate is produced to the Master Attendant's Office from the Marine Paymaster that all the Port charges against the Vessel have been adjusted.

A consideration for detention, at the rate of two rupees per diem from British and foreign vessels, are charged by persons in the pilot service, who may be kept on board of ships at anchor by desire of the commander or owner.

CLAIMS FOR PILOTAGE DEPOSITS.

Individuals having Claims on the Marine Department for the Balance of Deposits made at any time under the Rules of the Port for the Outward Pilotage of Vessels, are hereby requested to send them into the Office, where they will be examined, and the payment of the Amount, if found correct, will be authorized.

The following is the Form in which these Demands are to be set forth.

MARINE BOARD; }
the 12th of Feb. 1822. }

H. SARGENT, *Secretary.*

MARINE BOARD, 1ST JANUARY 1827.

Notice is hereby given, that with a view to the speediest possible adjustment of the Deposit Pilotage, the Master Attendant has been instructed, to require all Pilots in charge outward bound Vessels, to forward, previously to the Vessel quitting the River, Certificates in Duplicate, countersigned by the Commander, of the draft of water at which the Ship will leave Saugor, which can at all times be ascertained with sufficient accuracy for the required purpose. One of these Certificates will be annexed to the adjustment Pilotage Bill, and if transmitted regularly as directed, will enable Agents and others to obtain the adjustment without delay.—Ship Owners are therefore requested to direct the Commanders of Ships, which fill up at Kedgeeree or Saugor, to expedite the transmission of the Certificates in question, immediately after all cargo, &c. is on board or in Ships which sail direct out, as they pass Kedgeeree. The Certificate of the Pilot having conducted the Ship or Vessel, in safety to Sea, may be still delivered as usual.

By Order of the Marine Board,

J. TROTTER, *Secretary.*

FORT WILLIAM, THE 7TH OF FEBRUARY, 1827.

Notice is hereby given, that—whereas in several late instances the Marine Board have been unable to recover just claims for sundry Port Charges, incurred after Ships have left Calcutta, such as for detention of Row Boats, and additional Pilotage Charges, arising from the original draft of Water given being considerable under the actual—it has been deemed expedient that the Commanders of all Vessels, from and after the 20th instant, shall, previously to their being provided with a Pilot, furnish the Master Attendant with a Guarantee of some respectable House, for the payment of all such Charges. Copies of the form of application for a Pilot, and of the Guarantee will be furnished at the Bankshall.

By Order of the Marine Board,

J. TROTTER, *Secretary.*

1.—Parties, having any Claims on the Marine Department, are requested, on and after the 1st Proximo, to forward the same, for Examination and Registry, direct to the Marine Board, whence, if found correct, they will be transmitted without loss of time, to the Marine Pay Master, passed for Payment.

2.—To prevent, as much as possible, the Multiplication of unnecessary Correspondence, it is requested that Bills may be in general transmitted under a blank Cover, superscribed with reference to the Contents of the former; and that on the Face of the Bill itself, a reference may be made to the authority on which the Claim is preferred, and the Vouchers, if any, annexed to the Bill. In cases where the Claim has arisen out of Correspondence with the Board, a reference, by Number and Date, to the Board's Letter, sanctioning the charge will be sufficient.

3.—Of course when a Bill is presented on account of transactions which have not been previously before the Board, it will still be necessary to accompany the Bill with Vouchers, and an explanatory Letter.

4.—Any Bill, which may be found inadmissible, or to require correction, or further Voucher, will be returned to the Party as early as possible,

and should it not be so returned within the week, the Drawer will know that it has been passed to the Marine Pay Master, and may accordingly apply for the Payment.

By Order of the Marine Board,

J. TROTTER, *Secretary.*

MARINE COURTS OF INQUIRY.

Notice is hereby given, for the information of the Mercantile Community and others concerned, that under the Sanction of Government the following amended Rules for the appointment and guidance of Marine Committees of Inquiry, intended to investigate and report upon Complaints officially preferred to the Marine Board, by or thro' the Master Attendant, against any member or Members of the Pilot Service, have been adopted and will be in force from the present date, viz.

1st The Master Attendant or his Deputy shall ordinarily officiate as President of all such Committees.

2d. When the Master Attendant or his Deputy cannot preside with propriety, as in cases where either is Complainant, the Marine Pay-Master shall be nominated President, and, if he should be unable to attend, the Commander of any of the Hon'ble Company's Chartered Ships or Cruisers, or if no such Officer should be in Calcutta and able to officiate, some other eligible individual, by profession a Mariner, shall be selected by the Marine Board to preside.

3d. A Commander of some one of the Honorable Company's Chartered Ships shall be always appointed to sit as a Member of the Court, whenever such nomination can be made.

4th. In making arrangements for the formation of every Committee of Inquiry, Five Commanders in the Country Service, or as many as can be called upon if the number of such Commander in Calcutta shall be less than five, shall be apprized of the intentions of the Marine Board to appoint the Committee, and it shall be optional for the whole of those so apprized or any number of them best able to attend, to sit as Members of the said Committee of Inquiry.

5th. If no Commander in the Country Service shall, after being so apprized, think proper to attend, it shall be nevertheless competent for the remaining Members present to conduct the investigation and to report upon the subject of Complaint, as directed.

6th. Two Branch Pilots shall be nominated to sit as Members of every Committee of Inquiry.

7th. When any opinion, given on professional points, is only that of a Majority of the Committee, the Dissident Member or Members shall be entitled to record in the proceedings of the Committee his or their dissent respectively, with the reasons which have induced him or them to dissent from the Majority, for the information of the Marine Board.

8th. The Judge Advocate shall be instructed in every case to take down Minutes of the proceedings and to conduct the Inquiry with the powers usually exercised by Judge Advocates in Naval and Military Courts of Inquiry.

STRAITS OF SINGAPORE.

FORT WILLIAM, DECEMBER 27, 1822.

The Most Noble the Governor General in Council is pleased to direct, that the following Copy of a Notification received from the Government of Prince of Wales Island, be published for general information.

PUBLIC NOTIFICATION.

The Honorable the Governor in Council is pleased to direct, that the following instructions for passing through the North East Entrance into the Straits of Singapore, from the Straits of Dryon, by a Route newly discovered by the Commander and Officers of the Honorable Company's Cruizer Prince of Wales, called "Phillip's Channel" be published for general information.

Directions for passing through the North East Entrance into the straits of Singapore (from the straits of Dryon,) or Phillip's Channel.

After clearing "the Middleburgh Shoal," either to the Eastward, or Westward a direct course may be steered for Cap Island, which lays near a Bluff Head Land on the Eastern shore. This Island bears, North East by North from the centre of the Middleburgh, Shoal and North North East $\frac{1}{2}$ East from the centre of Red Island; on the bearing there is an extensive Reef of Rocks, distant one mile to the North West of the Twins, with a working wind and standing to the Northward, a Vessel ought not to approach too near it: this Shoal of Coral Rocks, is dry at low water, spring tides; when on it, the North passage Island bore South, Sabon Hill West, the Island of Red Island, South and by West, the soundings are from ten to seventeen fathoms round it, set up too. After leaving Red Island, Pulo Duncan is the first Island that will be distinguished from the groupe of Islands forming the Eastern shore. Pulo Duncan are two low woody Islands bearing North East $\frac{1}{2}$ North distant eight miles from Red Island; in passing it to the Westward, it ought not to be approached nearer than one mile, as there are some Rocky Reefs, which surround it; from hence Cap Island will be seen, and bears North distant four miles and a half from Pulo Duncan, the soundings are from twelve to seventeen fathoms. Cap Island or Rock so named from its appearance, is a Rock of perpendicular sides, flat at the top, and about forty feet in height and surrounded by a Reef of Rocks projecting out about three hundred yards, the soundings near it are from ten to fourteen fathoms, decreasing as you near the Island between it and the "Bluff Head Land," is a Reef of Rocks on which account it would not be advisable to go to the Eastward of Cap Island.

When abreast of Cap Island, Long and Round Island, and the Rabbit and Coney may be distinctly seen, a direct course may be steered to pass in Mid channel, between Round Island and Eastern Shore, which is three and a half miles across, the soundings are from seventeen to twenty-two fathoms. Long and Round Islands ought not to be approached nearer than three quarters of a mile, as there are Rocky Reefs round them. In working and standing to the Westward of the South end of Round Island go no further to the Westward, than to bring the North to the West end of Long Island, or with the centre of the Rabbit, as there are four Rocky Reefs to the South West of Red Island; when on the South East end of the Southern Reef in a boat, Red Island was in one, with the Rabbit, the centre of Round Island East $\frac{1}{2}$ South, the Soundings are irregular near these Shoals and Long and Round Islands.

After passing Long and Round Islands, Singapore can be distinctly seen and a course ought to be steered for St. John's to clear the Buffalo Rock and a patch of dry Rocks to the South West of the Buffalo.

AMHERST HARBOUR.

The following Remarks by Captain Studdart, Commander of His Majesty's Ship Champion, on the approach from Sea to the New Town of AMHERST, at the entrance of Martaban River, are published for General Information.

☞ When Soundings are given, they are to be understood as having been taken at Low Water Spring Tides.

"Steering for AMHERST, with a leading wind, bring Cape Champion, (a small Island assuming the appearance of a Cape, when well in with

Zeabo,) to bear S. E. $\frac{1}{2}$ S. and Zeabo; (a small well wooded island, about one mile S. b. W. $\frac{1}{2}$ W. from the Pagoda,) E. b. S.—Pagoda E. N. E. and East end of Beboo Island, N. $\frac{1}{2}$ E. when Ships without a Pilot, or unacquainted with the place, may Anchor in $6\frac{1}{2}$ fathoms, soft bottom, being in the fair way for Brisbane Passage, and as the pass is narrow, not exceeding twenty-five fathoms from rock to rock, with shallow knowls on either side, it would be advisable, previous to its being buoyed, to sound through into the harbour. But should circumstances prevent that precaution, the following hinted remarks might conduct a ship through.”

“Bring the centre of Zeabo E. S. E. about three Cables distant, and Cape Champion shut in by West point of Zeabo, then steer N. N. E. paying close attention to the Soundings, the depths varying in the Channel from three to nine fathoms, and in some places (by yawing a Cable's length on either side) from five feet to six fathoms, more particularly when Cape Champion opens about a sail's breadth to the Eastward of Zeabo.—The Beacon (to be) on the Western extremity of the rocks forming the East side of the pass, will lead to near its centre, when borrowing a little to the Eastward of Mid Channel, run through in six and eight fathoms general Soundings, steering for the first reach in the neighbourhood of Martaban River, N. N. E. $\frac{1}{2}$ E. When to the Northward of the Reef, the water may be shoaled to four fathoms, then steer to the Eastward for the Southern point of the entrance to the Kalyeen River, or for a Conical Mount, showing a little to the Southward of the entrance, being one of the long range of the Yea Mountains, seen in the interior, and anchor in from two and a half to three and a half soft bottom, at any convenient distant from shore—Larger vessels, when in four fathoms, to haul in for the anchorage, should steer for a large well wooded hill on the Northern end of the Waagrew, or Campbell Range, and anchor in from three to five fathoms soft bottom. I would recommend mooring up and down the Tide, and during the S. W. Monsoon, the best hower to tise Eastward. To run out through Brisbane Passage, steer towards (what I imagine to be a shoal, with a passage round it) through Middle ground, guided in the approach by the soundings, until the pass is opened, and when Zeabo shews to the Westward of the Pagoda, with five and six fathoms *halftide*, it indicates the fair way, when Cape Champion and Pagoda are in one, haul up a little more for the pass and when open then borrow (as on entering) a little to the Eastward of Mid Channel, and run through S. S. W. $\frac{1}{2}$ W. When a Cable and a half to the Southward, keep a point to the Westward until Cape Champion opens West of Zeabo, from whence I had regular soundings, with muddy bottom.”

“There is another Channel running close along the N. E. side of the reef with deep water, but running so near the rocks at the S. W. end of the Middle ground shoal, that I would not recommend its being used, except from necessity.”

NOTE. “This harbour possesses, among other advantages, that of filling nearly two hours before the waters cease to flow in the River, and continues, with little variation, in depth, until the Ebb becomes general, offering the facility of a lake during that interval, to communicate with the Shipping, &c. &c.”

“A like advantage is enjoyed by L'Hävre de Grace, arising from similar natural causes, being situated near the Mouth of the Seine, its Area is filled at nearly flood from the British Channel, and remains stationary nearly three hours. The Seine, and its tributary interior branches, receiving their quota in the interim, the returning Ebb is guided by the Sands at the Mouth of the River, rushes towards the harbour, where there not how

ing any backwater, confines what is already in, until a fall at some feet has taken place in the offing, proving a circumstance of peculiar importance to so confined a port as L'Hävre, and which may tend materially to the future benefit of the place now in question."

"The Velocity of the Flood Tide, at its utmost rate, is of no moment, the Ebb returning with about double the force, in consequence of the Water from the Kalyen River being directed through the harbour after first quarter flood by the Diana Shoal. The extreme fitness of the harbour for Docks, (there being a rise and fall of nineteen feet,) although Undertakings to be reserved for other periods, should not be overlooked in the present view of its Qualities."

J. TROTTER, *Secretary.*

A Survey having been made of the James and Mary Shoal, by Captain Ross the Marine Surveyor General, and that Officer having reported in a very satisfactory manner as to its not being of that dangerous character which has been long imagined, and the Master Attendant having reported his opinion, that Vessels may be with perfect safety Piloted up and down the River at a greater draft of Water, than is now authorized; Notice is hereby given, that from and after the Date of this Notification, Pilots have under the Sanction of Government, been instructed to Pilot Ships at the following Drafts of Water.

NOTIFICATION.

The following particulars, relative to the Extremities of the Eastern Sea Reef and Saugor Sand, and to the Positions of the Lower Floating Light Buoy, of the Floating Light Vessel, &c. are published for general Information.

The Master of the Floating Light Vessel has been directed, on no account, to quit the Position herein described, unless driven from his Moorings, or when obliged to come to Town to re-fit; on which occasions a Pilot Vessel will be directed to take up the Position, until the return of the Light Vessel:

Extract from Report of Marine Surveyor General.

"It has been said that the Extremities of the Sands, at the Entrance of this River, have a tendency to increase to the Southward. By the direction of the Marine Board, I examined the Eastern Reef and Saugor Sand, and found the end of the former in $20^{\circ} 59' 36''$ North Latitude, and in $88^{\circ} 12' 8''$ East Longitude; the end of the latter is in $21^{\circ} 2' 9''$ North, and $88^{\circ} 20' 57''$ East, being on the Meridian of Fort William Flagstaff. The Lower Floating Light Buoy is in $21^{\circ} 7' 00''$ North Latitude, and $88^{\circ} 12' 40''$ East Longitude. From it the South end of the Reef bears S. $\frac{1}{2}$ W. distant $7\frac{1}{2}$ miles, and the end of Saugor Sand E. S. E. $\frac{1}{4}$ S. $9\frac{1}{2}$ miles.

"By referring to Captain Maxfield's Chart of the Sand Heads, it will be seen that my observations place the end of the Reef $1' 26''$, and the end of Saugor Sand $2' 9''$ more Northerly than is marked thereon. The Floating Light Station, I also make 4 Miles to the Northward of the situation assigned it on the Chart. In regard to the Longitude, I differ considerably from the Chart.

"My observations place the end of the Eastern Reef $9' 22''$, and the end of Saugor Sand $15' 30''$ more Westerly; which difference partly arises from the Meridian of Fort William being erroneously said to be $88^{\circ} 28'$ East of Greenwich; whereas, observations taken at the Observatory, and many Lunars reduced to the Flagstaff, give it $88^{\circ} 20' 57''$ East.

"The small difference in our Latitude is not likely to produce much inconvenience to Navigation; but the great difference in the Longitude may perplex the Navigation considerably; for if by departing from Madras, or any other well-determined Meridian, with good Chronometers, he is in possession of the correct Longitude, and shapes his course for the Floating Light, according to the Chart in $88^{\circ} 25'$ East he will assuredly find himself $12\frac{1}{2}$ Miles to the Eastward of its true position, and be steering to Lacam's Channel.

"The present position of the Floating Light is well chosen, as she serves both to mark the Eastern Channel, and also for deep Ships to cross over the Eastern Reef by her bearings. I beg leave to suggest that she should not be removed, or suffered to quit her station and Cruize about, being (in her proper station) a well-determined object by which the Navigator may examine his Chronometers after a long passage down the River, as well as to depart from.

"The Reef Buoy at present bears about N. W. b. W. $\frac{1}{2}$ W. from the Floating Light, distant about 5 Miles, one Buoy being distinctly visible from the other.

"The Spit Buoy is in $21^{\circ} 18' 00''$ North, and Longitude $88^{\circ} 00' 27''$ East; it bears from the Floating Light N. 46° W. distant $15\frac{1}{2}$ Miles."

"The following Observations were made by myself while down the river."

Diamond Harbour Flagstaff, Latitude $22^{\circ} 11' 14''$ North, and $9' 52'$ West of Fort William Flagstaff.

Rangafulla Obelisk, $22^{\circ} 1' 10''$ N. $8' 10''$ W. of Ft. Wm. F. S.
Kedgerie Post Office, $21^{\circ} 52' 34''$ N. $22' 06''$ W. of do.
Kedgerie Light House, $21^{\circ} 50' 18''$ N. $23' 58''$ W. do.

Large Tree on Middleton Point, (which stands where the intended Light House on Saugor is placed on Maxfield's Chart,) $21^{\circ} 37' 54''$ N. $18' 47''$ W. of Ft. Wm. F. S.

Tripod on Edmondstone's Island, $21^{\circ} 30' 46''$ N. $10' 46''$ W. of do.
Tripod at new Anchorage, $21^{\circ} 43' 48''$ N. $17' 57''$ W. of do.
Silver Tree Obelisk, $20^{\circ} 57' 52''$ N. $12' 15''$ W. of do.

"The differences of Longitude were measured by four excellent Chronometers, under favorable circumstances, three times between Fort William Flagstaff and Kedgeree Post Office, and five times between the latter and the Floating Light Buoy. The Latitudes are the result of several observations, taken at a short distance on each side of Noon, and reduced thereto, by Doctor Young's method—I, therefore, hope, that the positions, which I have given to the different points, will be found correct, as every care was observed to obtain the same."

Marine Surveyor General.

CHAS. B. GREENLAW,
Secretary.

NOTIFICATION.

Notice is hereby given, that two Buoys have lately been laid down at the Entrance of Chittagong River, the particulars whereof, as reported by Mr. Branch Pilot Sinclair, are published for general information; viz. "One off Patanga Point, and the other on the Western extreme of the Flat running off Noman's or Norman's Point; the Northern Buoy is a Skeleton Buoy painted red, and an excellent mark to keep Vessels from running on Shore on the Reef off Patanga Point, either in working down or coming in. This Buoy ought not to be brought to the Eastward of N. by E.; it lays in two fathoms, low Water Spring Tides, and very steep, particularly to the N. W. I myself after laying the Buoy, shoated from two fathoms into 4 feet at one cast. The South Buoy is a 3d Class Buoy, (Spire) painted black No. 15. This Buoy is an excellent leading Buoy into the River, and equally as good a mark for going out in the South West Monsoon, on a Flood Tide, running up Vessels may keep in close to Noman's Point from 4 to 3 fathoms; and by so doing run up in a line to the Buoy, without having less Water until you come close to the Buoy; on coming up close to the Buoy, I would advise the Officer in Charge to steer direct for the Northern Buoy until rather more than half-way between them, and then haul up N. E. for the Flag Staff. In crossing the Bar the best Water over is with the Black or Southern Buoy bearing N. E. to N. E. by N., carrying two fathoms low water. These Buoys I call the Northern and Southern Buoys, being marks for the entrance of Chittagong River. In the dry season, I have no doubt of the Sands shifting, and of their becoming more extensive, so that it will most probably require sailing directions for the N. E. Monsoon, as well for the S. W. I am in great hopes that the Buoys will ride well in the situation they are now placed, the Northern one being entirely within the Current of the River, and the Southern one in the weakest part of the Strong Current running outside, being placed as far in the Entrance of the River as could be prudently done."

BENGAL DIRECTORY.

Part VIII.

A

L I S T

OF THE

BRITISH & FOREIGN

Inhabitants of Calcutta

AND THE

UPPER PROVINCES.

OF

BENGAL AND ITS DEPENDANCIES,

(NOT INCLUDED IN OTHER LISTS OF THIS WORK.)

WITH THEIR RESIDENCE, OCCUPATION, &c. AS FAR AS ASCERTAINABLE.

The generally acknowledged want of a full and correct List of British Inhabitants has been so much felt and so often complained of that the Compilers of this Work have taken very considerable pains to make the List now offered to the Public as complete as circumstances will permit. They are fully sensible, however, that some errors may still exist and they therefore solicit all who feel an interest in its accuracy, and who may be able to give any additions or corrections, to favor the Publishers with communications on the subject.

As the whole List is kept standing in Type and is published twice a Year, they hope, in time, if the assistance they solicit be accorded, to make it as perfect as such a List can be expected to be.
