### TITLE 32A—NATIONAL DEFENSE, APPENDIX

#### Chapter III—Office of Price Stabilization, Economic Stabilization Agency

[General Ceiling Price Regulation, Amdt. 7 to Supplementary Regulation 63, Area Milk Price Regulation 5]

GCPR, SR 63—AREA MILK PRICE  
ADJUSTMENTS

AMPR 5—CHICAGO MILK MARKETING AREA,  
STATE OF ILLINOIS

PERMANENT INCREASE IN CEILING PRICES OF  
FLUID MILK PRODUCTS

Pursuant to the Defense Production Act of 1950, as amended, Executive Order

10161, and Economic Stabilization Agency General Order No. 2, and Delegation of Authority No. 41, this Amendment to Area Milk Price Regulation 5, pursuant to Supplementary Regulation 63 to the General Ceiling Price Regulation is hereby issued.

STATEMENT OF CONSIDERATIONS

The Office of Price Stabilization has just completed an extensive review of milk costs and prices in the Chicago area. This review was undertaken to determine whether or not the 1/2 cent per sales point increase in the ceiling price of milk in Chicago granted by Amendment 5 to Area Milk Price Regulation 5 was warranted. A careful analysis of these recently obtained data leaves no doubt that this increase was justified under the O. P. S. Industry Earnings Standard. Accordingly, this amendment makes this increase permanent.

In the judgment of the Director, the provisions of this amendment to Area Milk Price Regulation No. 5 in Region VII are generally fair and equitable and are necessary to effectuate the purpose of Title IV of the Defense Production Act of 1950, as amended by the Defense Production Act amendments of 1951 and 1952.

The Director gave due consideration to the national effort to achieve the maximum production in furtherance of the objectives of the Defense Production Act of 1950, as amended; to prices prevailing during the period from May 24, 1950, to June 24, 1950, inclusive; and to all relevant factors of general applicability. In the formulation of this amendment, the Director has consulted industry representatives, including trade association representatives, to the fullest extent practicable and has given due consideration to their recommendations.

AMENDATORY PROVISIONS

Area Milk Price Regulation 5, issued under Supplementary Regulation 63 to the General Ceiling Price Regulations, is amended in the following respect:

1. Section 4 is amended to read as follows:

SEC. 4. *Ceiling prices for milk for fluid consumption*—(a) *Your ceiling prices.* Your ceiling prices for any milk product for fluid consumption shall be your ceiling price determined under the provisions of the General Ceiling Price Regulation and in effect on November 15, 1951, plus (except for sales to vendors) one cent per sales point. Your ceiling price for any milk product for fluid consumption sold to vendors shall be your ceiling price determined under the provisions of the General Ceiling Price Regulation and in effect November 15, 1951, plus one-quarter cent per sales point.

(b) *Sales points.* Each of the following categories shall be considered one sales point for the specified container size. To determine the sales point value for a container of another size in any category, divide the contents of that container size by the contents of container size in the same category specified in this section:

(1) One quart of fluid milk products, such as regular milk, homogenized milk,

vitamin D milk, special buttermilk, chocolate whole milk, and fluid milk or drinks specially treated or flavored with a butterfat content between 3 1/2 and 6 percent.

(2) One-half gallon of fluid milk products such as skim milk with a butterfat content of less than 3 1/2 percent.

(3) One-third of a quart of concentrated whole milk and allied products having a butterfat content of 10 percent or more.

(4) One pint of cream products having a butterfat content between 10 percent and 15 percent.

(5) One-half pint of cream products having a butterfat content of more than 15 percent.

(6) Sixteen ounces of cottage cheese products.

(7) Sixteen ounces or one pint of specialty products such as yogurt.

(Sec. 704, 64 Stat. 816, as amended; 50 U. S. C. App. Sup. 2154)

*Effective date.* This amendment 7 to Area Milk Price Regulation 5, pursuant to Supplementary Regulation 63 to the General Ceiling Price Regulation shall become effective December 15, 1952.

B. EMMET HARTNETT,  
Regional Director.

## PROPOSED RULE MAKING

### DEPARTMENT OF THE TREASURY

#### Bureau of Internal Revenue

#### [ 26 CFR Part 40 ]

#### EXCESS PROFITS TAXES; TAXABLE YEARS ENDING AFTER JUNE 30, 1950

#### EXCLUSION OF CERTAIN INCOME DERIVED FROM FOREIGN SOURCES

Notice is hereby given, pursuant to the Administrative Procedure Act, approved June 11, 1946, that the regulations set forth in tentative form below are proposed to be prescribed by the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury. Prior to the final adoption of such regulations, consideration will be given to any data, views, or arguments pertaining thereto which are submitted in writing in duplicate to the Commissioner of Internal Revenue, Washington 25, D. C., within the period of 30 days from the date of publication of this notice in the FEDERAL REGISTER. The proposed regulations are to be issued under the authority contained in sections 62 and 3791 of the Internal Revenue Code (53 Stat. 32, 467; 26 U. S. C. 62, 3791).

[SEAL] JUSTIN F. WINKLE,  
*Acting Commissioner  
of Internal Revenue.*

Regulations 130 (26 CFR Part 40) are amended as follows:

PARAGRAPH 1. Section 40.433 (a)-2 is hereby amended by striking out all of paragraph (m) and substituting in lieu thereof the following:

(m) (1) Under section 433 (a) (1) (M) there shall be excluded income derived from sources within any foreign country to the extent that such income—

(i) But for monetary, exchange, or other restrictions imposed by such foreign country; or

(ii) But for the taxpayer's election to defer the reporting of such income under a method of accounting, approved by the Commissioner, applicable to income which could not be readily converted into United States dollars or into other money or property readily convertible into United States dollars;

would have been includible in the gross income of the taxpayer for any taxable

year which preceded its first taxable year ended after June 30, 1950. If such income is includible in the gross income of the taxpayer for a taxable year succeeding the first taxable year ended after June 30, 1950, and, but for such restrictions or such election, would have been includible in the gross income of the taxpayer for its first taxable year ended after June 30, 1950, and if such first taxable year began prior to July 1, 1950, such income shall be excluded in an amount which is the same proportion of such income as the number of days prior to July 1, 1950, in such first taxable year is of the total number of days in such first taxable year. Deductions properly chargeable and allocable to the income excluded under section 433 (a) (1) (M) shall not be allowed.

(2) For the purpose of this paragraph:

(i) The term "blocked foreign income" means income derived from sources within any foreign country during any taxable year which would, but for the restrictions or the election described in subparagraph (1) of this paragraph, have been includible in the gross income of the taxpayer for such taxable year.

(ii) The term "unblocked foreign income" means income which was "blocked foreign income" during the taxable year in which it was derived from sources within any foreign country, but which becomes includible in the gross income of the taxpayer for any subsequent taxable year, whether as a result of the removal of such restrictions, or of such income becoming readily convertible into United States dollars or into other money or property readily convertible into United States dollars, or for other reasons.

(3) In cases where unblocked foreign income cannot be specifically identified as the blocked foreign income or portion thereof of a particular taxable year, the determination whether unblocked foreign income from sources within any foreign country has become includible in the gross income of the taxpayer for a taxable year ending after June 30, 1950, and the determination of the taxable year in which any such unblocked foreign income would have been includible but for the restrictions or the election, shall be made in accordance with the following rules:

(i) The aggregate amount includible in gross income for the taxable year in respect of income derived from sources within such foreign country shall first be deemed attributable to the income derived from sources within such foreign country during such taxable year. To the extent that such unblocked foreign income is attributable to income so derived during the taxable year, such unblocked foreign income shall not be excluded under section 433 (a) (1) (M).

(ii) The amount of such unblocked foreign income in excess of the portion thereof attributable to income derived from sources within such foreign country during such taxable year under the rule stated in subdivision (i) of this subparagraph shall be deemed to be attributable to the earliest blocked foreign income derived from sources within such foreign country, which blocked foreign income has not been previously deemed unblocked in a prior taxable year. Such excess shall be excluded under section 433 (a) (1) (M) only to the extent of the aggregate of the blocked foreign income derived from sources within such foreign country in all taxable years beginning prior to July 1, 1950, but such aggregate shall be reduced by the proportion of the blocked foreign income derived from sources within such foreign country during the taxpayer's first taxable year ending after June 30, 1950, if such taxable year began prior to July 1, 1950, as the number of days after June 30, 1950, in such first taxable year is of the total number of days in such first taxable year.

In determining whether unblocked foreign income which becomes includible in the gross income of the taxpayer for a taxable year ending after June 30, 1950, can be specifically identified as attributable to the blocked foreign income or portion thereof derived from sources within such foreign country in a particular taxable year, effect shall be given to the previous application of the rules in subdivisions (i) and (ii) of this subparagraph to unblocked foreign income derived from sources within such foreign country which became includible in gross income of the taxpayer for a prior taxable year ending after June 30, 1950. Other persons claiming credit for service of veterans must furnish like proof in support of their claims. Persons asserting preference rights, through settlement or otherwise, and those having equitable claims, shall accompany their applications by duly corroborated statements in support

thereof, setting forth in detail all facts relevant to their claims.

## SECURITIES AND EXCHANGE COMMISSION

[File No. 54-205, 59-95]

NORTH AMERICAN CO. ET AL.

SUPPLEMENTAL ORDER RELEASING JURISDICTION WITH RESPECT TO CONSUMMATION OF PLAN

DECEMBER 10, 1952.

In the matter of the North American Company, Union Electric Company of Missouri, File No. 54-205; and the North American Company, respondent; File No. 59-95.

The Commission having issued its findings and opinion and order on October 31, 1952, approving a Plan for the liquidation and dissolution of the North American Company ("North American"), pursuant to section 11 (e) of the act; said Plan having been joined in to the extent necessary for its consummation by Union Electric Company of Missouri ("Union"); an application having been filed by the Commission with the United States District Court for the District of New Jersey for the entry of an order approving said Plan and ordering it enforced; North American having represented to the Commission that upon the entry of such an order North American will declare said Plan to be effective as of approximately January 20, 1953;

It appearing that in connection with and as a part of the final liquidation and dissolution of North American, as required by the Plan, North American and Union have proposed that the presently outstanding 11,450,000 shares of no par value common stock of Union be reclassified into 10,300,000 shares of no par value common stock, that North American surrender certificates representing 11,450,000 shares of no par value common stock of Union and receive in exchange therefor 10,300,000 shares of no par value common stock of Union, that North American surrender for conversion 796,791 shares of no par value common stock of Union and receive 796,791 shares of \$10 par value common stock of Union as part of the securities required for distribution, on or about January 20, 1953, to the common stockholders of North American;

North American having requested the Commission to issue an appropriate order, with respect to said transactions, under Supplement R of Chapter 1 and

section 1808 (f) of Chapter 11 of the Internal Revenue Code, as amended;

The Commission in said order of October 31, 1952, having reserved jurisdiction, inter alia, with respect to (i) the amount of cash to be paid by North American to its stockholders in lieu of fractional shares of such Union common stock which would otherwise be distributed to such stockholders; and (ii) the terms and provisions of the assistance to be provided by North American to its stockholders receiving four shares or less of such Union common stock, in interim distributions as proposed in said Plan, to enable such stockholders to dispose of such shares without brokerage charges or commissions;

North American, subsequent to the issuance of said order of October 31, 1952, having advised the Commission that the amount of cash to be paid in lieu of fractional shares of such Union common stock is to be determined by the closing sale price or closing bid price on December 31, 1952, whichever is higher, for such Union common stock as traded or quoted on a "when distributed" basis on the New York Stock Exchange; and North American having further advised the Commission that arrangements have been made with the firm of Merrill Lynch, Pierce, Fenner and Beane which will ensure to stockholders receiving four shares or less of such Union common stock, as proposed in the Plan, who desire to sell the same, a price approximating the closing sale price, but not less than the closing bid price, of such Union common stock as traded or quoted on a "when distributed" basis on the New York Stock Exchange on the day preceding the day on which such Union common stock is to be distributed;

The Commission deeming it appropriate and in the public interest to grant North American's request for an order pursuant to Supplement R and section 1808 (f) of the Internal Revenue Code, as amended; and

The Commission having considered the entire record and finding that the proposals respecting the cash to be paid in lieu of fractional shares of such Union common stock and the assistance to be rendered those stockholders of North American receiving four shares or less of such Union common stock who desire to sell the same, are fair and equitable and meet the other applicable standards of the act, and that the juris-

diction heretofore reserved with respect to such matters should be released to the extent indicated below:

*It is hereby ordered and recited and the Commission Finds, That:*

(a) The proposed surrender by North American to Union of 11,450,000 shares of no par value common stock of Union and the receipt by North American of 10,300,000 shares of no par value common stock of Union, pursuant to the reclassification of no par value common stock of Union; and

(b) The proposed surrender by North American to Union of 796,791 shares of no par value common stock of Union and the proposed issuance by Union and the receipt by North American in exchange therefor of 796,791 shares of \$10 par value Union common stock, represented by certificates numbered TNB1, TNB2 and TNB3;

All in connection with and as a part of the final liquidation and dissolution of North American and all as authorized permitted by the order of this Commission of October 31, 1952, and in obedience thereto are necessary or appropriate to effectuate the provisions of section 11 (b) of the Public Utility Holding Company Act of 1935.

*It is further ordered, That in connection with the first distribution of such Union common stock, as proposed in the Plan, jurisdiction be, and the same hereby, is released with respect to (a) the amount of cash to be paid to the North American stockholders in lieu of fractional shares of such Union common stock and (b) the assistance to be rendered those North American stockholders receiving four shares or less of such Union common stock who desire to sell the same.*

*It is further ordered, That jurisdiction be, and hereby is, reserved to enter such other or further orders conforming to the requirements of Supplement R of Chapter 1 and section 1808 (f) of Chapter 11 of the Internal Revenue Code, as amended, and with respect to all other matters as to which jurisdiction has heretofore been reserved and not herewith specifically released.*

By the Commission,

[SEAL]

ORVAL L. DuBois,  
Secretary.
