The Fischer Nurseries

Easton, Penna.

Aquilegia

(Colorado Columbine)

The Columbines remain in bloom for a long season. Vigorous and long lived. They are much used in any hardy border or rockery. Will thrive in full sunlight or semi-shade. This variety is blue and pink. 6 plants for \$1.10.

Pyrethrum

(Persian Daisy)

The mixed and choice varieties and colors range from white to deep red. This variety is perfectly hardy and absolutely invaluable for cut flowers through May and June. 6 plants for \$1.10.

Delphinium

(Perennial Larkspur)

BELLADONNA. Light turquoise blue.
BELLAMOSA. A dark blue type of the Belladonna. Very decorative, and last for years.
6 plants for \$1.10.

Hardy Carnations.

Phlox

Large-flowering Perennial Phlox. Diversified and brilliant colors, profuse and continuous bloom. Place Hardy Phlox in the front rank of desirable flowering plants. Perfectly hardy; once planted they improve and multiply in vigor and beauty each successive year. 6 plants for \$1.10.

Shasta Daisy

One of Luther Burbank's finest additions to the flower kingdom. Large, pure white flowers which appear in early Summer, are excellent for cutting. 2 to 2½ feet. Flowers measure 4 inches in diameter. 6 plants for \$1.10.

Gaillardia

(Perennial Gaillardia) This fine perennial, when once established in your garden, will last for years. It is a very popular cutting flower, is dark red with brown centers ringed with orange, crimson and red. It blossoms from June to November and grows 2 feet tall. 6 plants for \$1.10.

American Beauty Asters

Similar in type of flower and growth to the Late Branching Aster; plants grow about 2 to 3 feet high. Commences to bloom in August, continuing until frost; the flowers are produced on long, heavy stems, and are large and double. White, Rose, Lavender, Purple and Shell-pink, Blood-red, Silvery, Florists' Selected Beauties. 40 plants (transplanted) \$1.10

Novelty Snapdragons

A new group of Antirrhinums with extra large flowers on strong stems. Salmon, Yellow, White, Crimson, Rose-pink, Red, Variegated, Dark Pink and other beautiful colors. 40 plants (transplanted) \$1.10

Hollyhocks

This is one of the most popular hardy plants in cultivation; gives an effect to a garden that no other plant does. It is, without exception, the best plant for grouping among shrubbery or furnishing a background for other plants in a border. Chater's Double, Crimson, Yellow, Salmon, White, Rose, Maroon, Newport Pink and Mixed. Very hardy and extra fine. 6 plants for \$1.00.

Oriental Poppy

Scarlet, Orange, and Pink. Flowers measure 8 inches in diameter. Last forever. One of the most striking and showy of all hardy garden plants. The tall stems, three feet in height, bear great flowers of brilliant scarlet and pink, six or eight inches across. The plants thrive well either in the full sun or in partial shade and bloom April to June. Perfectly hardy and easily grown. Nothing can equal these Poppies during their period of flowering for a gorgeous display of a rich, brilliant coloring. 6 plants for \$1.10.

California Privet

Very fast growing hedge plant. 8 to 12 inches high. 6 plants for \$1.10.

Althea

(Rose of Sharon)

Double Purple, Double Blue, Double Red, Double Flesh, Double White, Double Pink. 3 plants for \$1.10.

Scotch Pine

One of the hardiest of the Pines; of dense growth and bluish green foliage. Splendid for mass planting. 6 to 8 inches high. 6 trees for \$1.10.

Sweet William.

Butterfly Bush

(Summer Lilac)

A pretty shrub of spreading habit, growing 4½ to 6 feet high and flowering freely the first season. The long, tapering flower spikes, often 12 to 15 inches long, are covered densely with lilac-like, violet-mauve colored blooms from June till frost. Delightfully fragrant. During the Summer months this plant is a mecca for butterflies, and for this reason it is named the "Butterfly Bush." 3 plants for \$1.10.

Hardy Carnations

These Grenadine Carnations belong to the eldest and solidest early blooming varieties of the numerous kinds of Carnations. They are known as thankful flowers, fit for groups and beddings by their compact and symmetrical growth; of highest effect in the season's producing flowers by flowers. Hardy Grenadine Carnations produce 80 per cent of the finest, fragrant, double flowers. 6 plants for \$1.10.

Sweet William

Just Sweet William—and what more need be said, unless that these are our own selection for you, highly recommended for their hardiness. A very popular hardy perennial for beds or borders. 6 plants for \$1.10.

Colorado Blue Spruce

Rich, light bluish green foliage; perfectly hardy and one of the most beautiful native evergreens, its unusual color affording a striking contrast to the dark green Spruces. 2-year Baby Trees, 6 to 8 inches high, 1 for \$1.10.

Oriental Poppies.

Double Hollyhocks.

Butterfly Bush.

The Fischer Nurseries :: Easton, Penna.
