

Dear friend: can you not  
now so far rewrite the preface  
as to introduce verbatim the  
address to L. Philippe? A new  
proof will then be sent me  
which I will correct without  
troubling you.

I cannot make out your  
handwriting in proper names.  
Can you not let me have  
them <sup>in</sup> printed?

Yrs faithfully

Ellis Gray Loring
