

N Report 25

NX-25 90.17-2810

Yomiuri A/F

Yomiuri A/F was privately owned, and used only twice during the war as an emergency landing field.

Before the war it was used for private flying and by a university glider club.

Buildings on the field included 1 hangar, 2 shops, and 1 control tower.

The runway was ^{concrete &} bitumen surfaced.
