(" Women must stay at home , they must not go out of homes unless it's necessary . If she does , it's a sin ")
(80 of prophet Mohammed sayings)

__ About the author : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , (150) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (37) , in the author's series books in arabic .

(الكامل في أحاديث نهى النبي النساء عن الخروج لغير ضرورة وقال ارجعن مأزورات غير مأجورات)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

_ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

In this book , I collect all prophet Mohammed sayings that women must stay at homes . And his sayings that women must not go out of houses unless it's necessary . And his sayings that when women go out of their home , it's a sin and the Devil uses them . And many other sayings . The book contains (80) sayings .

__ That what made some people talk about this rule :

__ Some said what is the big reason that makes it a must on women not to go out of homes and describing her by Satan's tool if she goes out of home .

__ Some muslims said that women must not go out of houses because the men will look at them and this is not allowed in Islam . But others answered on this and said that women also can look at men , so why also the men are not allowed to go out !

__ Some asked about the reason about describing women in some prophet Mohammed sayings as Devil's image when they go out of their homes . They said why only women become devil's tools if they go out of their homes .

__ So , there might be more research to find the ways that bring peace upon all people . And the book is only for collecting prophet Mohammed sayings about this rule .

1_ Imam Ibn Hibban tell in his book Al-Sahih (12 / 412) about Ibn Mas'oud that prophet Mohammed said , Women must be hidden at homes . When women go out of their houses , the Devil uses them as his tool . The best for women is to stay at their homes .

_ Note : The exact arabic word in this saying is (عورة) , but I did not find an exact english word for it . This arabic word has two meanings . First one , it means that something must be hidden . The second , it means that something has many defects .

So , the right meaning for this situation is the first one . Also this is confirmed by the rest of the sayings , like (when they go out of homes , Devil uses them) and (The best to stay at home) . So , this confirms that this word means (to be hidden) .

2_ Imam Al-Baihaqi tell in his book Sho'ab Al-liman (7818) about Abd-Allah Ibn Mas'oud that prophet Mohammed said , Women must be stay hidden at homes . The best Salat for women is at home .

_ Note : Going out in funerals is a very good thing to do in Islam , And men are ordered to go out for funerals . So , when women are prohibited to go out in funerals , it means that the best for them is not to go out at all , according to Islamic rules .
