BOOKS OF GENERAL REFERENCE.

1. Bibliographical.
2. Dramatic History and Criticism.
3. History of the English Theatre.
4. Stage Polemics.

NOTE. The English drama as here handled comprises only what may be termed secular drama. The bibliography of the old religious drama of England, exclusive of Moralities, is thoroughly treated by Prof. Francis H. Stoddard in his *References for Students of Miracle Plays and Mysteries*, Library Bulletin, No. 8, University of California. (See also my *English Religious Drama, Appendix*, Macmillan).

It is hoped that the work under the first two divisions is tolerably complete. The rest is necessarily done on the selective principle. Where, under the third division, a book is noted by author and title only,—as is the case with books several times cited—full data may be found in the fourth division, where the book occurs under its appropriate heading. Authorities on the general subject, as Ward and Collier, are not ordinarily given in individual cases, and, except for special reason, the obvious works of reference, as the Dictionary of National Biography and the Encyclopædia Britannica, are taken for granted.

COLLECTIONS OF OLD PLAYS.

NOTE.—Compilations of "Beauties of the Stage," and the like, are not included here, nor the later collections of acting plays. Of these the most voluminous is Lacy's Acting Edition, continued by French. A partial list of the plays so issued, mostly modern, may be found in the card catalogue of the Boston Athenaeum Library. Other collections not indexed here, because not accessible to the compilers, are

- Collection of New Plays. London, 1774.
- Cawthorn's Minor British Theatre. London, 1807.
- Galt's New British Theatre. 4 vols. 1814—'15.
- Sinnett's Family Drama. Hamburg, 1834.
