

Dear Friends,

Maria W. & Mary S. Chapman.

Permit

me to introduce to your notice my friend Eliza ^{W.} Southwick, of Leicester & an Abolitionist. Her object in going to Boston at this time is to attend the "Fair". She would like to make herself useful there, if her services are required; in which case she will stay through the week. We have put in her charge an offering to the Fair, which seems like a small one indeed after reading in the last Liberator of the variously beautiful & expensive articles, from so many different parts of the world, with which you are favored for the occasion -

May your success in all your undertakings in this good cause, is the prayer of your friend

L. H. Earle -
