Dear Col. Oliver:

Confirming our telephone conversation of this morning, I would like to state that this office has a position open for Clerk-Typist at a CAF-3 rating.

Several months ago I received a Form 57 in duplicate from Miss Yoshiko Fukuda, now employed in your organization. One of the Form 57s was sent to RMG in Okinawa for their consideration, and the other was kept in our files. We understand from Eighth Army Civilian Personnel Section that they have been confirmed by radio from Rycom that a Clerk-Typist position has been established and requested that Miss Fukuda be recruited to fill that position.

We are very sorry that Rycom did not contact this office first so that we could get your reactions and advice on her possible release. If and when Miss Fukuda can be released from your office we would be pleased to have GHQ, Civilian Personnel Section, process her for a position with the Ryukyu Trade Group.

We thank you for your great kindness to Mr. Mikuriya and to this office in permitting us to recruit him for duty as a Materials Inspector.

Kindest personal regards.

Very truly yours,

G. RICHARD CLANCY
Chief, Ryukyus Trade Group

SUBJECT: Salaries for Foreign National Employees

TO : See Distribution

1. This headquarters has been advised by GHQ, Far East Command, that any substantial increase in the rates of pay for foreign nationals will not be considered at this time.

2. The chief reasons given for this decision by higher headquarters are as follows:

a. A special study of some 250 industrial concerns was made by experts, to develop a comparative scale of work performed in Japanese plants and in occupation units. GHQ FEC states the final wage schedules drawn up were equal to, if not higher than the highest "real wages" paid by private industries in Japan.

b. An extra 2,000 yen was added to the wage scale to permit realistic deduction for subsistence when furnished. It is estimated the value of subsistence is equivalent to 5,000 yen per month.

c. Foreign nationals are accorded favorable hours of work, leave privileges, and transportation, which provides an additional inducement for employment with military government.

d. The cost of living index has advanced only 5% between November 1948 and February 1949. The yen salaries paid to foreign nationals, together with other incentives provided, result in a real-wage that compares very favorable with "going wages" elsewhere.

3. It is desired that further requests for reconsideration of foreign national wage scales submitted by Military Government regions and teams be accompanied by full supporting data and recommendations that take cognizance of the objections listed above.

1. Returned as per telephone conversation with Lt. Knirsch and Captain Johnson.

2. Basic communication requests hiring of Miss Oishi as a Clerk-Typist under the position description of a qualified Clerk-Typist. Basic communication then states that Miss Oishi is being given "on-the-job" training as a Clerk-Typist. Military Government, Eighth Army, knows that Miss Oishi cannot type, and it would be very difficult to explain the signed position description which describes Miss Oishi's duties as Clerk-Typist.

3. The provisions of hiring personnel as established by the Civilian Personnel Section, Hqs Eighth Army are on a trained basis of qualified personnel, and not training. There are no provisions in civilian personnel regulations made for "on-the-job" training possible at the expense of the U. S. Government.

4. If subject individual can qualify for any other position permissable under current regulations as set forth by Eighth Army as pertains to Foreign National personnel, request may then be resubmitted.

5. Your headquarters was verbally directed on two occasions that in compliance with instructions received from Eighth Army, Mil Govt Sect, Civilian Personnel Sect, only a letter requesting Miss Oichi's "Intra-Agency Transfer" to Fukuoka Mil Govt Team, and WD Form 74, "Position Description", need be forwarded. Under no circumstances are WD AGO Form 72's to be submitted on any action involving Foreign Nationals. These forms will be prepared at Eighth Army Mil Govt Section. It is also noted that the attached Position Description has not been signed by Miss Oichi's immediate supervisor.
