

**TRUSTEES' MEETING**

**PASS ORDINANCE PROHIBITING INTERMENT OF BODIES IN GLENDALE.**

The regular meeting of the Board of Trustees of the City of Glendale was held in the City hall, Thursday evening, April 26, 1917. Present: J. S. Thompson, president of the board, and Trustees Chas. Grist, R. M. Jackson, F. L. Muhleman, G. B. Woodberry. Also present: J. C. Sherer, city clerk; T. W. Watson, city manager; W. E. Evans, city attorney; H. B. Lynch, manager public service department; Edw. M. Lynch, city engineer; G. H. Herald, city marshal; A. H. Lankford, fire marshal.

The minutes of the regular meeting of May 24 were read, and on motion of Trustee Muhleman, a correction was made on page 647, substituting the word "present" for the word "original" in the report of the manager of the public service department. With this correction, the minutes were approved.

A communication was read from the County Council of Defense addressed to the Mayor, requesting that the same be given into the hands of an authorized municipal committee or official in charge of the promotion of production and conservation of foods; further expressing the desire of the Council to receive a report of progress, showing what had been done along this line up to date. In connection with this communication, the manager of the Public Service department offered his services in the matter, and on motion, it was referred to him for action.

The chairman of the board reported having received a telegram from John Miller from San Francisco, who had been appointed as organizer of the Red Cross, appealing to the municipality for active assistance in behalf of this organization. He reported having attended a meeting in Los Angeles of a committee referred to in the telegram. At this point, Mr. Frederick Baker informally addressed the board, commending it for its good work, and stating that contrary to general custom he did not come before the board for the purpose of asking for any favors or calling attention to any of the city's needs, but merely as an onlooker and a citizen interested in the actions of the city's representatives.

The City Manager reported that the work of breaking up the old sidewalk in front of the fire house and of reconstructing the same had been completed. On motion, the action of the manager was commended and the necessary amount required to cover the expense, ordered to be taken from the reserve fund.

The manager called the attention of the board to the provisions of Ordinance No. 21, which requires that property owners not only keep their premises in a sanitary condition, but keep parkways clear of weeds and rubbish, stating that the work of the street department is very much increased by reason of the carelessness of property owners in this respect. He read a letter which he had prepared to be sent to property owners, calling their attention to the requirements of this ordinance. The letter read by the City Manager was informally approved.

On motion of Trustee Muhleman it was ordered that the time of holding the weekly band concerts be changed from Thursday to Saturday night, and that the change be made in the contract to that effect; the chairman of the board being authorized to sign the same.

The report of the City Recorder for the month of May was presented and ordered to be filed.

On motion, Resolution No. 948, "A Resolution of the Board of Trustees of the City of Glendale vacating and setting aside resolution of Intention No. 947," was taken up for reading. Upon motion of Trustee Muhleman, the same upon being read, was adopted.

On motion of Trustee Jackson, it was ordered that the hearing of protests against the improvement of Grand View avenue be set for 7:30 p. m., June 18, next.

On motion, Resolution of Intention No. 949, "A Resolution of the Board of Trustees of the City of Glendale declaring its intention to improve a portion of Grand View avenue in said city," was taken up for reading. Upon motion of Trustee Woodberry, the same upon being read, was adopted.

On motion, it was ordered that Ordinance No. 311, "An Ordinance of the City of Glendale, prohibiting interment or burial of dead bodies of human beings in the City of Glendale," be taken up for third and final reading, and upon being read was on motion of Trustee Jackson, adopted.

**RARE CURIOS**

**INTERESTING COLLECTION OF ARTICLES, ANCIENT AND MODERN, AT C. OF C.**

Every one of the seven costly and beautiful cases in the Glendale Chamber of Commerce contains interesting things well worth looking at. Some are from Glendale, but others are from the uttermost ends of the earth. Beginning at the left, as you enter, the first case is filled with things loaned by Mrs. E. C. Frank, of 578 Eagle Rock road. On the wall above it is a valuable picture painted by Mr. Frank, one of the charter members of the Glendale Chamber of Commerce. Mr. Frank was a noted collector, and his old home is full of rare and beautiful things, in which his widow, son and daughter take well merited pride. Mr. Frank's paintings have an individuality recognized by the best artists everywhere, as he had a worldwide reputation.

Case No. 2 is filled with the art work of Mrs. Behne Richardson, sister of Mrs. E. F. Gansert, whose husband is owner of the building in which the Glendale Chamber of Commerce is located. Mrs. Richardson's studio is a very noted place.

Cases 3 and 4 have a motley collection not often met with, being a few of the large number of valuable things assembled in the home of Mr. R. D. Goss, 708 West Fifth street, Glendale. Mr. Goss is perhaps the greatest individual collector in this region of Southern California. For the Glendale Chamber of Commerce he selected things which he thought would best please the visitors here.

He also loaned five smaller cases of his own, all filled with what is worth while.

Case 5 has among other things two canes, which have come down in the Post family to the present local representatives, Mrs. M. C. Hieronymus and Mrs. L. Alice Moore, sister-in-law and wife of Mr. F. O. Moore, owner of the People's store, 1008 West Broadway, Glendale.

One cane was made from the wood of the Flagship Lawrence on which Commodore Perry won the great Lake Erie battle, September 10, 1813, "Perry's Victory."

The other cane is from wood in the T. P. and W. R. R. wreck at Chatsworth, Ill., August 10, 1887, in which 81 were killed and 372 wounded. They also have interesting coins and paper money.

In that case are very old brass candlesticks, owned by the grandfather of Mrs. Mary A. DeMuth, herself a very old lady. She does not know how long they have been in the family.

Mrs. C. E. Rodgers, 129 E. Fifth street, Glendale, loaned two silver buckles, made from silver, belonging to Queen Mary Stuart of Scotland.

Also, there is a copy of a New York Herald, telling of Lincoln's assassination the night before, and a copy of the last paper printed of wall paper, in Vicksburgh, Miss., just before its surrender to General U. S. Grant.

In case 6 are some extraordinary potatoes grown in Glendale, and some "Serpent Radishes," grown by a Glendale boy, William Jones, age 14, at 1543 W. Seventh, and by him named.

In the last case is a collection of old things from Old Kentucky, loaned by Mrs. Lucy Durham, 1679 W. Seventh street, Glendale. They must be seen to be appreciated. Among them are two pieces of wood over 20,000 years old. "How so?" Ask the scientists who took them from the great asphalt beds at Brea, in this county. Glendale is bound to be ahead, even in collecting ancient curios. Come and see these wonderful collections. A free show, well worth your time and trouble.

WALT LENOIR CHURCH, Secretary and General Manager, Glendale Chamber of Commerce.

**HARRIS-BENTZ.**

Thursday afternoon, at 5 o'clock, at the home of Mrs. H. D. Lockwood, a sister of the bride, Emma L. Bentz of Chicago, was married to Mr. William T. Harris of Los Angeles. The ceremony was performed by Rev. E. H. Willisford of the Congregational church. A wedding dinner was served by Mrs. Lockwood.

**ELKS' NEW HOME.**

Glendale Lodge No. 1289, B. P. O. E., will break ground for their club house, Colorado street and Brand boulevard, Monday, June 4, at 7 p. m. Appropriate ceremonies will mark the removal of the first shovelful of earth for this beautiful new building.

**REVENUE BILL BEFORE COMMITTEE**

**WAR MEASURE AS IT NOW STANDS WOULD RAISE MILLIONS BY TAX ON NECESSARIES**

(Special Service to Glendale Evening News)  
WASHINGTON, June 1.—Carrying a tax levy of \$1,500,000,000 the war revenue bill is undergoing the final touch in the Senate Finance committee to-day. A fight over some of the provisions of the bill looms in the Senate. The bill increases the burden of the poor and shows great solicitude for the rich. Millions are to be raised in stamp, excise and consumers' taxes on the necessities of life, such as sugar, coffee, tea, etc. The incomes of the rich are scarcely affected. No increase of inheritance taxes is planned.

**NEW YORK PREPARED FOR RIOTS**

**ARMY OF POLICE AND SECRET SERVICE MEN GREET FIRST GREAT PACIFIST MASS MEETING**

(Special Service to Glendale Evening News)  
NEW YORK, June 1.—New York is preparing to deal harshly with any anti-conscription riots. An army of 400 police, 200 secret service men, armored cars, riot guns and searchlights greeted the first great pacifist mass meeting. Seven distributors of anti-draft literature were arrested. The big peace parade was closely watched.

**RUSSIAN WORKERS STRIKE**

**DEMAND FOR SIX-HOUR DAY LIKELY TO PARALYZE MANY LARGE MUNITIONS FACTORIES**

(Special Service to Glendale Evening News)  
PETROGRAD, June 1.—A demand for a six-hour day appears likely to paralyze 120 of Russia's largest industries, mostly munitions plants. The workmen are determined to strike or to carry out the regulations under which they were employed. These regulations are very complex and this means that very little work will be required. Some are reported to be out on strike already.

**EXPLOSION IN CLEVELAND**

**THIRTEEN ARE INJURED WHEN TWO DWELLINGS ARE WRECKED IN MYSTERIOUS MANNER**

(Special Service to Glendale Evening News)  
CLEVELAND, Ohio, June 1.—Enemy plotting is supposed to have caused an explosion here this morning when thirteen were injured and hundreds of lives were imperilled. Two houses were wrecked and windows were shattered for blocks by the force of the explosion. Dynamite was used. Persons on the second floors of the dwellings destroyed were thrown to the basement when the shock occurred. Policemen and firemen dug them out and rushed them to hospitals. Government officials are investigating.

**AUSTRIA LOSES 300,000 MEN**

**ITALIAN ARMY CONTINUES TO INFLICT FRIGHTFUL LOSSES AS AUSTRIAN LINE IS DRIVEN BACK**

(Special Service to Glendale Evening News)  
ROME, June 1.—Italy's great offensive has cost Austria 300,000 men, killed, wounded and missing. Italy continues to inflict frightful losses in repelling counter attacks. The Austrians in Bohemia are depressed at their losses and riots protesting at conditions are reported.

**AMERICAN VESSELS SUNK**

**BRITISH ADMIRALTY ANNOUNCES DROWNING OF MATE OF STEAMER, DIRIGO, SUNK BY SUBMARINE**

(Special Service to Glendale Evening News)  
LONDON, June 1.—One American was drowned when the American bark, Dirigo, was sunk by a German submarine. The vessel was fired upon without warning and the ship ransacked and bombed. John Ray, mate of the vessel, was the man who lost his life. The admiralty also announces the sinking of the American vessels Frances M. and Barbara on May 18 and 24, respectively.

**MAY SHIPPING LOSSES DECREASE**

(Special Service to Glendale Evening News)  
LONDON, June 1.—May shipping losses have been the lightest of any month during the submarine war. This was due to the fact that British and American patrols destroyed more U-boats than in any month before. The Germans are meeting this loss by the construction of more submarines. England has a reserve supply of cereals to last twelve weeks. If at any time she falls below seven weeks' supply a food famine will result.

**BRITISH RAID GERMAN BASES**

(Special Service to Glendale Evening News)  
LONDON, June 1.—British aircraft raided Ostend, Zeebrugge, and Bruges to-day. Bombs were dropped with good results. The raiders returned to Dunkirk immediately.

**SIXTIETH BIRTHDAY**

**MRS. KEIM LOVINGLY REMEMBERED BY FORMER SUNDAY SCHOOL PUPILS.**

Mrs. P. B. Keim of 1442 W. Second street, Glendale, was highly honored Saturday afternoon of last week by a surprise given her by her daughter, Mrs. Sarah Thomas, who invited in 15 former members of Mrs. Keim's Sunday school class in Los Angeles. The occasion was in honor of Mrs. Keim's sixtieth birthday, which occurred on the thirty-first of this month. The rooms were decorated in pink and green. Refreshments were served, a large birthday cake with 60 lighted candles being a feature of the birthday feast. Mrs. Keim received many remembrances from her guests. Six years ago this estimable lady was a resident of Los Angeles and taught a class of 33 young ladies in the Hamilton M. E. Sunday school. It was indeed very encouraging to this lady to know that after a lapse of six years 15 of the 33 so willingly responded to the invitation, to assist in celebrating her birthday. Mrs. Keim was born in the state of Oregon but came to California when a very small child, so she has spent nearly all of her lifetime in this state.

On one of the cards attached to a gift were the following words: "May the sweet perfume of these flowers remain in memory after they are gone, even as the fragrance of your life and teachings have stayed with us through the years and helped us to higher living."

**Tropico City No. 4**  
Polling Place: 130 N. Glendale Ave.

Registrars: D. J. Hibben, 123 E. Laurel St., J. J. Burke, 220 Blanch Ave., S. E. Brown, 301 Blanch Ave.

**ELECTION OF OFFICERS.**

Next Thursday, June 7, will be held the annual election of officers of the Glendale Garden Society. The meeting, which will be as usual at 8 o'clock, in the library of the Third Street school, will partake of a business character only. The succeeding meeting, June 21, will close the regular meetings for the season. A reception will be held that night and a brilliant program is being arranged. All members are urged to be present next Thursday, June 7, to assist in the nomination of officers.

**NEXT VEGETABLE MARKET.**

Next Wednesday the pupils of the Third Street school will hold a vegetable market on the school grounds. This will be the sixth juvenile vegetable market held under the auspices of the Glendale Garden Society. On the occasion of each market a prize of \$2 is awarded by the Garden Society vegetable market committee, of which Mrs. G. W. Henderson is chairman, for the best display of vegetables.

**ART AND TRAVEL SECTION.**

The members of the art and travel section of the Tuesday Afternoon Club, spent a most profitable visit in Milan, Verona and Padua Monday afternoon at the home of the curator, Mrs. Charles Turck.

Mrs. H. Braun gave an excellent description of Verona, a city of about 75,000 inhabitants, famous for being the place named in two of Shakespeare's plays, "Romeo and Juliet," and "Two Gentlemen of Verona."

Mrs. Charles Turck then told of the many interesting sights to be seen in Milan and Padua (Padova), which is associated with the life of Antonius, and where the bones of the well-known saint lies in the Church Del Santo. St. Antonio is the patron saint of the city.

Refreshments were served. In two weeks the section will visit the lakes of Italy.

**WEATHER FORECAST**—Fair to-night and Saturday. Foggy along the coast. Westerly winds.

**AT THE HIGH SCHOOL**

**MANY ROOTERS WILL ACCOMPANY FRANK BALTHIS TO S. PASADENA TONIGHT.**

Today all attention at school is being turned toward the Southern California Interscholastic Oratorical contest, which is to take place tonight at South Pasadena High school. The winner of the event will become the champion of all the Southland, and all the school is confident that our representative, Frank Balthis, will at least do himself justice. Having already won two contests on the subject, "Woodrow Wilson, the Man of the Hour," Frank will be sufficiently familiar with his speech to insure a fine delivery. Also, he has been going over it two or three times a day, and if he doesn't come out the winner it will be no fault of his, but of the lack of enough rooters. However, quite a large crowd is planning on going over to South Pasadena to cheer young Balthis on to victory. The first speech will begin at 8 o'clock.

Much praise has been bestowed upon Roscoe Puffer, our youngest member of the tennis team during the last few days as a result of his excellent showing made in the annual handicap tournament of the Los Angeles Tennis Club, held at the Y. M. C. A. courts Memorial Day. Puffer performed like a veteran, winning three matches and losing none. He first defeated E. W. Bennick, the Southern California High school star, by the score of 6-2, 4-6, 9-7. As Busch was last year's varsity tennis captain, it is needless to imply that Puffer was "going a million" Wednesday. He will compete in the finals tomorrow.

Numerous politicians, campaign workers, candidates, etc., have been extremely busy during the last few days in a last effort to elect their favorite student body officers for next year. The Rostrum Debating Society is backing Harland Durand for president, while a Glendale contingent, not wishing to have another invader as their executive officer, are putting everything in them to elect Walter Beach to the high position. For the past three years every president of the student body has been a resident of one of the surrounding towns, and it is very necessary that this condition should be remedied.

**MEN'S CLASS MEETING.**

The Men's Bible class of the First Christian Church met in their regular business and social session Monday evening at the home of H. A. Stephenson, president of the class. There were 27 present. Discussion of the merging of the class into a brotherhood to include all the men of the church and class to be affiliated with the Federated Brotherhood of the city, occupied a good part of the time. Dr. Vernon Cowser, pastor of the Baptist church, was a welcome guest of the class. At the close of the business session appetizing refreshments were served by Mrs. Stephenson, her daughter Eula, and Mrs. C. E. Hutton. The fine fellowship and willingness to work for the building up of the kingdom are marked features of this class of loyal men.

**GREAT GARDEN FETE.**

Tuesday, June 5, will be an important day for the people of Casa Verdugo and North Glendale, as on that date, at 8 o'clock in the evening, at LaRamada, under the auspices of the Ladies' Auxiliary of the Home Guards of Casa Verdugo, will be celebrated a great garden fete, at which there will be barefoot dancing on the lawn and other dances. A very interesting program has been prepared; ice cream will be served. Admission, including refreshments and entertainment, 15 cents. Everybody invited.

**POLLING PLACE CHANGED.**

Polling place in Glendale Precinct No. 7 is changed to 318 Brand boulevard, where the last several elections have been held, and will not be at 222 Orange street, as announced in the Evening News of Thursday, May 31. The change is made for the reason that all the voters are familiar with the old location, and is considered easy to find.

## NEW THOUGHT.

"St. Paul's Thorn in the Flesh." In other words why are we sick? Some people believe sickness is God's will for them. They pray to be healed but get no better, then feel it must be God's will and proceed to bear it patiently. Yet those same people have been known to spend hundreds of dollars to get rid of what God has sent.

"In God is no darkness, He is too pure to behold iniquity. Ask and ye shall receive. The effectual fervent prayer of a righteous man availeth much." Do you believe these and

similar passages? If you go about fearful and anxious, worried and doubting, you cannot believe that God is good and powerful. You are believing that the devil is more powerful. Is it not so? Be honest with yourself. "Know thyself" is a wise Hindoo proverb.

"Whatever a man soweth that shall he also reap," applies to the physical as well as the spiritual life. Now St. Paul was no saint in his youth, he went about casting all Christians into prison—anything but Christlike. He no doubt was far from perfect after his conversion, and he reaped that which he sowed.

Ignorance of the law does not excuse you nor keep you from suffering.

Sometimes deeply seated in the subconscious mind are these errors, these tendencies or predispositions to physical weakness. Then again sickness is often due to something wrong in the character which a careful analysis will disclose, not a morbid introspection but a thoughtful investigation. To be well, there must be harmony mentally, physically and spiritually.

Yet, after all, physical healing is not the most important. It seems rather selfish to come into New Thought for what you can get out of it in the way of physical healing. The understanding of the spiritual law is the important thing. Some people are moved about like a pawn on a chess board by the master hand of fate. They have no ideal—they know not where they are going. How can you hitch your wagon to a star without a star?

This truth that we have enables us to help people to find their way. Truth is omnipotent. We stand still and see the glory of God. Difficulties melt away. We do not trouble about the past. We know positively the future is alright if we know the truth. Don't sit down hopelessly under your thorn, but let it be a pinprick to wake you up.

Dr. Riley will begin a splendid course of lectures on "The Seven Great Religions of the World," showing where they all agree, that truth like a golden thread runs through them all. He will begin with the Chinese religion, bringing with him a Chinese bible. Dr. Riley has devoted years to the study of this comparative study of religions and is now compiling a volume showing the similarities in each.

The secret of a doctor's success lies in knowing how long he can keep a wealthy patient alive without disgusting him with the mode of treatment.

A regular woman is always glad when her husband has a holiday, so that he can put in about 18 hours doing odd jobs at home.

Never fool with a fool; he may fool you.

Baby cuts his teeth before he is on speaking terms with them.

A Brooklyn paper says office boys are becoming as scarce as eggs. With this difference, however, we presume, that the boys they do get are too fresh.

## RESOLUTION OF INTENTION NO. 949

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DECLARING ITS INTENTION TO IMPROVE A PORTION OF GRAND VIEW AVENUE IN SAID CITY.

The Board of Trustees of the City of Glendale do resolve as follows: SECTION 1. That the public interest and convenience require and it is the intention of the Board of Trustees of the City of Glendale, State of California, to order the following improvement to be made in said city, to wit:

First: That all of the roadway of Grand View Avenue lying between the Northwesterly and Southeasterly boundary lines of the City of Glendale be graded and paved to the official line and grade with a hydraulic cement concrete base five inches in thickness and oil and screening wearing surface one half inch in thickness in accordance with Map Number 248, Profile Number 702 and in further accordance with Specifications Number 24 for the paving with concrete base and asphaltic oil and screening wearing surface of streets and avenues, etc., in the City of Glendale.

Second: That a cement curb of the class designated as Class "B" curb in the hereinafter referred to specifications be constructed along both lines of that portion of the roadway of Grand View Avenue included between the Northwesterly and Southeasterly boundary lines of the City of Glendale. Said curb to be constructed in accordance with Map Number 248, Profile Number 702 and in further accordance with Specifications Number 12 for the construction of cement curbs in the City of Glendale.

SECTION 2. All maps and profiles referred to in this Resolution are on file in the office of the City Engineer of said City. All Specifications referred to in this Resolution are on file in the office of the City Clerk of said City. Said maps, profiles and specifications are hereby referred to for a more particular description of said work and made a part hereof.

SECTION 3. Notice is hereby given that on Monday, the 18th day of June, 1917, at the hour of 7:30 o'clock p. m. in the Council Chamber of the Board of Trustees of said City of Glendale, any and all persons having any objection to the proposed work or improvement may appear before said Board of Trustees and show cause why said proposed improvement shall not be carried out in accordance with this resolution.

SECTION 4. The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of twenty-five dollars (\$25.00) or over for the cost of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year after their date until the whole is paid; and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven (7) per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California designated as the "Improvement Act of 1911" approved April 7, 1911, and the amendments thereto.

SECTION 5. The Glendale Evening News, a daily newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution of Intention, and notice of the passage thereof, shall be published in the manner and by the persons required by law.

SECTION 6. The Superintendent of Streets of said City of Glendale is hereby directed to immediately post notices of the passage of this resolution in the manner and in the form required by law along the line of said contemplated work or improvement and in front of all property to be assessed.

SECTION 7. The City Clerk of said City of Glendale is hereby directed to cause this resolution of intention to be published by two insertions in the manner required by law, in said newspaper.

Adopted and approved this 31st day of May, 1917.

J. S. THOMPSON, President of the Board of Trustees of the City of Glendale.

ATTEST: J. C. SHERER, City Clerk of the City of Glendale. STATE OF CALIFORNIA, ) COUNTY OF LOS ANGELES, ) CITY OF GLENDALE, )

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing resolution was duly adopted by the Board of Trustees of the City of Glendale, State of California, and signed by the President of said Board at a regular meeting thereof, held on the 31st day of May, 1917, and that the same was passed by the following vote, to wit: Ayes: Grist, Jackson, Muhleman, Thompson, Woodberry. Noes: None. Absent: None.

J. C. SHERER, City Clerk of the City of Glendale. 235t2

## JOYOUS MARY PICKFORD.

Whosoever Mary laughs, whosoever she smiles; Almost everybody does—just as she beguiles. Why do little children love our Mary Pickford so? Because she loved the children first—and loves them now, you know.

So everywhere that Mary's face appears upon the screen, There groups of loving children always surely will be seen. With grown-up people 'tis the same; they love to see her, too. Then, listen people—old and young—I'll tell you what let's do:

Why not all of us—everybody—just go this evening to see Little Mary Pickford, at Jensen University (Glendale Palace Grand Theater), which will be crowded like it was this afternoon, to see our own Little Mary Pickford show how perfectly poor a very rich little girl may be—if she happens to have some bad luck; and—but you will have to see the play yourself to get the good of it.

Note—It is the Tuesday Afternoon Club's Red Cross benefit. GLENDALE RED CROSS PUBL. CITY COMMITTEE.

Mr. Robert Bell of 1514 Vine street, continues to be very low. His daughter is assisting Mrs. Bell in caring for him.

M. J. Hershberg of Los Angeles, is in Glendale today visiting in the David Carney home at 416 South Louise. Mr. Hershberg is Mrs. Carney's brother.

Miss Sarah Pollard, 413 Brand boulevard, has been appointed deputy registrar and will register any men who are sick or who are going away before registration day.

Mr. and Mrs. E. R. Farris and two daughters, of Los Angeles, spent Memorial Day with Mr. and Mrs. G. C. Hastings of 209 North Maryland avenue, Glendale.

The next regular meeting of the local W. C. T. U. will take place two weeks from today, Friday, June 15, at the home of Mrs. J. N. McGillis, 205 Lomita avenue. All members of the union are cordially invited to be present at that date.

Last Friday, Mr. and Mrs. J. C. Dennerlin of 1304 Central avenue, entertained at an informal dinner party Mrs. Ida Mansfield Wilson of Los Angeles, Mr. Edward S. Jerome of Cincinnati, O., and Mrs. J. J. Freeman of Glendale.

The many friends of Attorney P. S. McNutt, who has been confined to his home for the past eight months by illness, will be glad to know he is again at his work in new and enlarged offices at 512-15 San Fernando building, Los Angeles.

Mrs. A. L. Weaver of 235 S. Kenwood street, Glendale, is enjoying a visit from her sister, Miss Leta E. Adams of Syracuse, N. Y. Miss Adams arrived Wednesday and will remain a month in Southern California, but since her visit is a combined business and pleasure trip her time with her sister is very limited.

The last meeting of the club year of the Shakespeare section of the Tuesday Afternoon Club will be at the home of the curator, 1325 N. Central avenue, on Monday afternoon next, June 4, from 3 until 6. A garden party or high tea, such as Shakespeare's mother used to have, is in store.

The informal dancing party, which was scheduled to take place last evening at the home of John Sharpe, 111 North Central avenue, has been postponed until Thursday of next week. John says that such action has been taken for the reason that this week has been too crowded with activities of the younger social set.

Joe Fishel and Owen Showalter, both of Orange Grove avenue, spent Memorial Day at the beach, where they enjoyed fishing all day. They fished from the wharves of both Santa Monica and Port Los Angeles, each one getting their share of the denizens of the deep.

Dr. Ralph Ward Lusby, osteopath, physician and surgeon, announces the opening of offices at 323 S. Brand boulevard, Glendale, Cal. Dr. Lusby is well connected in Glendale. His father, Charles D. Lusby, is cashier of the Glendale Savings bank, and his brother, Charles R. Lusby, a dentist of this city.

E. L. Weaver, 219 N. Central avenue, who has been a traveling salesman for Joannes Bros., dealers in coffees and spices, for several years, was recently promoted to sales manager. Another big wholesale coffee and spice concern, Newmark Bros., has a Glendale man, E. U. Emery, for sales manager. Glendale can supply all the big Los Angeles wholesale houses with sales managers if needed.

Mr. and Mrs. T. H. Nichols and son, Theodore, of Seattle, who have been visiting Mrs. Emma Nichols of 217 Lomita avenue, for the past two weeks, left Monday for San Diego, where they will spend several weeks with Mrs. R. J. Potter, who is Mr. Nichol's sister. The family intends to come back to Glendale within the next month and make their permanent home here. Mrs. Emma Nichols is Mr. T. H. Nichols' aunt.

The Rev. H. McCall Goodwin went to Azusa to attend the wedding ceremony of his nephew, Mr. H. B. Tucker, who was married to Miss Olive Gretta, daughter of Mr. and Mrs. Frank Lincoln Dingman, at the Methodist church, Azusa, May 29, at 8 p. m. Mr. Tucker is piano salesman for the Wiley B. Allen Company, Los Angeles, and they will make their home in Upland, Cal.

Immediately following the closing of the present high school term, Mr. and Mrs. O. S. Palmer and daughter Ruth, of 116 W. Colorado boulevard, are planning on leaving on an extended automobile trip through several of the eastern states. Their first stop will be at St. Louis, which is the Palmer's old home. They will then travel as far as the eastern coast, and are planning to return sometime next fall.

Quite a delegation of high school pupils and others will go to South Pasadena this evening to attend the Southern California oratorical contest, when our representative, Frank Balthis, will uphold Glendale's honor. Mr. Balthis will speak on "Woodrow Wilson, the Man of the Hour," the oration with which he won the \$20 prize in the interclass contest and the gold medal in the Interurban League.

Several of the Glendale young men who are enrolled in the Twenty-first Company of the Coast Artillery have received promotions during the past week as a reward for their diligent application while drilling. Alfred Knight has been promoted from corporal to sergeant, Milton Newton from corporal to sergeant, Louis Lewis from first-class private to sergeant, George Grist from captain's orderly (bugler) to corporal, Clarence Edwards from first-class private to corporal, Harry Chandler from first-class private to corporal, and Jesse Flower from first-class private to corporal.

**PASTOR DANIELS ADDRESSES CAMP-MEETING**

FRESNO, May 30.—Twice in jeopardy on the high seas, bound from Sydney, Australia, to Ceylon, and again in recent weeks while crossing the Pacific from Shanghai to the United States, Pastor Arthur C. Daniels, president of the General or World Conference of the Seventh-day Adventists, narrated his experiences to a large audience at the Adventist camp-ground at Recreation Park yesterday afternoon. The German warship Emden was the source of danger in one of these experiences, just before she was sunk by the British warship, Sydney.

Mr. Daniels mentioned these incidents to show the satisfaction there is in the assurance of Divine protection, even in the midst of war dangers. He pointed to the striking prediction of Christ in Matthew 24:7 that one of the signs of the end of the age would be that "nation shall rise against nation, and kingdom against kingdom; there shall be famines and pestilences, and earthquakes in divers places." Another sign, given in the fourteenth verse of the same chapter, is that the "gospel of the kingdom shall be preached in all the world for a witness unto all nations, and then shall the end come."

Seventh-day Adventists do not believe that the earth itself will be obliterated, said the speaker, but they do believe in the end of the terrible strife, misery, sorrow and sin, and that from this earth will be reformed a new earth in which peace and contentment will be universal. Mr. Daniels said that, resting his confidence in Bible predictions he has been preaching for 38 years that such war conditions as are seen in the world to-day would come. Simultaneously with this awful war, he pointed out, the gospel is being preached with greater energy and over a wider territory than ever before. Forty-five million dollars are spent annually in mission operations in the Orient, he said, and 160,000 ministers, Bible workers and native evangelists are employed there.

"While we were on our way from Sydney to Ceylon, we faced a great danger in the German warship, Emden," he continued, "which was in our path, and knew that we were scheduled to call at Cocos Islands,

and the day we were due. She had already sunk 26 ships, some of them warships, and others, merchant vessels. She was at the Cocos Islands, with her guns ready either to sink us, or to put the passengers on the island and take our stores.

"The day before we were due the Emden's captain sent 50 men ashore with crowbars and sledges to destroy the wireless plant, but the operator noticed this move, and sent out a hurry call for help. Our vessel did not respond to this call. Instead she steered 30 miles out of her course away from the islands. But a British warship did answer the call, and in 30 minutes after she reached the islands the Emden was a wreck upon the reef.

"Some of the passengers on our ship were in such terror they could not sleep, and reached Ceylon half prostrated. But Mrs. Daniels and I knew what it was to be in the hands of the Almighty. We knew what it was to face danger calmly without fear.

"Before the gangway was pulled up we learned that something was wrong. We were ordered into the dining saloon, and all our papers and magazines were confiscated. Later they were thrown overboard at sea. We knew it was to prevent the enemy from obtaining any information of value. Then word came that no lights were to be allowed. I asked an officer if it was not dangerous to plow through the sea at 15 miles an hour in dense darkness, with neither moon nor stars, not knowing at what moment we might plunge into another vessel. 'Yes,' he said, 'it is dangerous, but this is one of the vicissitudes of war.'

"We then went to our cabins, and kneeling before the Most High, told Him we were not on a pleasure trip, nor were we there by our own choice, but that we were on His mission to proclaim His message, and that if our work was not done, that He would place His angel in charge of this ship and keep us. When we had finished praying we felt as safe as anyone could feel. We went on with our writing, day after day, and got into Ceylon without anxiety.

"When we reached Honolulu on our recent trip, we were notified that submarines were operating in the Pacific. But we knew that if our work was not yet done, there were not submarines enough in the Pacific to sink the ship. That is the hope this people must have to-day.

"We have come to the time to which Seventh-day Adventists have pointed for the last 70 years. Go back to our books and papers and magazines published a half century ago, and you will see the clear warnings then given. People called us

#### PROPHETIC CONFERENCE.

The following are a few notes on the address of Rev. Campbell Coyle, pastor of Highland Park Presbyterian church, delivered at the Bible conference in Glendale, Sunday, at 2:30 p. m., May 27, before a large audience:

Vast audiences distinguished the conference throughout, but Rev. Dr. Coyle, at 2:30 o'clock, and Rev. Dr. F. W. Farr, at 4 p. m., faced the largest audience during the entire conference. All denominations, both from Glendale and surrounding towns were represented, much to the gratification of those having the conference in charge, for all of which we thank God and take heart.

Dr. Coyle took his text from Luke 21:24, "and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled."

The "times of the Gentiles" began in 606 B. C., when Nebuchadnezzar took Johoiakim away into captivity, since when no scion of David has sat upon a throne in Jerusalem. Ever since the captivity Palestine has been "trodden down of the Gentiles."

In Daniel 2:31-45 is given Nebuchadnezzar's dream and Daniel's interpretation of it. The Great Image and its component parts, and the significance of each. The dream is a series of world empires, each succeeding another and envisioned from "Man's point of view."

In Daniel 7:1-7, a series of four world-kings showing the attractive and prosperous side as seen in a series of precious metals, but showing the bestial side of unregenerate humanity, "God's Point of View."

Head of Gold, Lion, with eagle's wings, Babylonian Empire, breast and arms of silver, the bear, Medo-Persian empire.

Belly and thighs of brass, leopard with four wings. Greece. Legs of iron, toes of clay, beast terrible. Roman empire.

In Hosea 13:1-8: God gives a picture of how these four beasts persecute and devour His people of Israel.

1. In picture of the Great Image a series of pictures, showing intrinsic decline and deterioration of unregenerate human nature, growing harder and less valuable in each succession. Gold, silver, brass, iron.

2. Governmental deterioration. Babylon an absolute monarchy, Medo-Persia, a limited, dual monarchy. Greece, divided into four parts at the death of Alexander, a government of aristocracy. Rome, divided finally into 10 kingdoms, a rule of democracy, the lowest form of government, in which the people themselves become responsible for the moral conditions that may exist.

The Kingdom of the Falling Stone will break into pieces all the other kingdoms and become an absolute monarchy once more on the earth.

It will be altogether a divine kingdom in the earth but not of the earth, wholly divine.

By the laws of analogy a real kingdom down here on the earth. An earthly kingdom only in the sense of being on the earth.

Seven objections to the teaching of the Lord's return considered and answered by Rev. F. W. Farr, Sabbath afternoon, 4 p. m.:

1. That those who believe in it make it altogether too prominent; it should be relegated to its proper place in the compendium of truth, which is secondary and incidental.

Answer: If given its proportionate place in teaching and preaching which it holds in the Word of God, it would be presented and emphasized oftener than any other doctrine. It is mentioned 1527 times in the O. T. and 318 times in the N. T., or about 1840 to 45 times in both, or one in every 17 verses of Holy Writ mentions it or refers to it.

2. Even if true, it is too abstruse, too profound for the average believer to apprehend, therefore better be left alone.

Answer: On the contrary it is one of the simple things of Christian faith and teaching. It is alphabetic, elementary and fundamental. The primer is the first book given to a child to study. The primer of the New Testament is the first letter to the Thessalonians, the first book to be written, and in Paul devotes nearly the whole of his thought and teaching to this doctrine. It was written in 52 A. D. Paul refers in his letter to these believers to what he had taught them of the fundamentals of faith when he was with them. Acts 17:1-3. He was with them three Sabbath days, and the intervening week days, yet his teaching was of the resurrection and the Return of the Lord. Paul thought it elementary and fundamental.

3. That it is a reflection on the character of God to give believers a false hope that He knew would not be realized for 2,000 years and more.

Answer: God gives it as a promise only, without reference to any time period whatsoever. God is not responsible that believers should fix a date and be disappointed that He does not make His plans fit in with human schemes. He gave it as a promise and a hope and a stimulus, not as a speculation.

4. That it reflects upon the power of the Gospel, as though it were in-

adequate for human needs, as though the Holy Spirit were going bankrupt and was calling upon Jesus to soon return to fill out what was lacking in the Spirit's operations in this age.

Answer: This objection comes from a misconception of the purposes and scope of this age. The Gospel in this age is not intended to convert the world, but only to evangelize it, and call out the body of Christ, which is His church, and when this is accomplished He will come and establish His millennial reign age when the nations shall be turned to Him, as is impossible in the present age.

5. That the coming of Christ implies the end of the world, as by some great catastrophe, therefore unscientific.

Answer: This idea springs from a misconception of the sequence of events in God's plan. Jesus' coming is not coincidental with the end of the world, but only the close of this dispensation. The end of the world does not come until after the Millennium reign and the final doom of Satan and his hosts in the world, and the purging of this world by fire just before the appearing of a new heaven and a new earth. The coming of Jesus for His saints and the final destruction of this present material world are events separated by at least 1,000 years.

6. That it always leads to fanaticism and freakishness and the wildest sort of recklessness.

Answer: There have been numbers who have been swept off their feet by an extreme view and have become rampant and delirious on this doctrine, but that is an extreme to be avoided. There is nothing that Satan so hates as the coming of the Lord, and when he cannot combat it by putting Christians into a state of apathy and indifference about it, as he has in a majority of cases, he pushes them over a precipice into the opposite extreme of fanaticism, and so brings it into disrepute. The safest way is the middle way, avoiding all extremes and studying the Word prayerfully and asking for light from day to day, and praying against these spiritual assaults and attempts of the devil.

7. The evolutionist says that it does not harmonize with the method of God in nature which is according to a fixed law of recurrence and unity. That it forms a break in the general line of the whole truth, which is not God's regular plan of unfolding and development.

Answer: The same argument against the second coming applies with equal force to His first coming. If He does not come again He never came at all, for His first coming was a most decided breaking of all natural law, for he was born of a virgin and by the power of the Holy Spirit. If there was such a laying aside of all natural law in His first coming why should there be any objection to the same operation of God in respect to His coming again? The two comings stand or fall together. His virgin birth proves his divinity. If divine He has power to supercede or lay aside the laws of the nature which he Himself created. He that made the laws can control the same.

#### W. R. C. CONVENTION REPORT

The following report of the 33rd annual convention of the Department of California and Nevada, Woman's Relief Corps was given by Mrs. Winona Crawford, first delegate from N. P. Banks Corps at the recent meeting of the Corps.

To the officers and members of N. P. Banks Woman's Relief Corps, No. 67, Department of California and Nevada:

The 33rd annual convention of the Woman's Relief Corps, Department of California and Nevada convened in open session, Tuesday, May 15, 1917, at 10 o'clock a. m. and was called to order by Ella Carlin, Department president, in the First Congregational church of Long Beach, Cal. Delegates from N. P. Banks Corps present at different times were: Mesdames Hayes, Atkinson, Burlingham, Spafford, Iman, Imler, Sanford, Haggood, Peck, Sterling, Gulvin, Watson, Houdyshele and Crawford.

The first item of business was the voting of a telegram of sympathy to Mrs. Jarvis, a much loved past department president who was lying in a Pasadena hospital, having undergone a serious operation. Department officers were then escorted to the platform, introduced and recognized by the convention, after which Department Chaplain Mary E. Bull led in the Lord's prayer. Two verses of America were sung and the flag salute was given by the convention.

Past department presidents, treasurers, secretaries, convention color bearers, conductor and her assistants were introduced as were also members of Long Beach post who at this time arrived in convention hall.

The delegation then listened to a splendid report and resume of the year's work, delivered by Department President Ella Carlin in which was given an appropriate tribute to the department's beloved dead and to Memorial Day. With great interest the convention listened to a suggestion which at this time seems almost imperative—that is that Corps presidents appoint committees to confer with Red Cross Societies. Much good could certainly be accomplished through the combined efforts of these organizations.

Next in order came the Memorial services in honor of 168 members of the department deceased during the year. The services were in charge of Department Chaplain Mary E. Bull and were most impressive. After Rev. H. K. Booth, pastor of the church in which the convention assembled had been presented, business was suspended to be resumed at 2 o'clock.

At 1 o'clock in one of the most beautiful services ever taking place in Southern California a handsome flag was presented by the department to the Long Beach Polytechnic high school. The program was in charge of Department Patriotic Instructor Katherine Francisco and both her presentation and address and the response by a senior student of the school was most excellent. The flag was raised to the top of Gen. Fremont's historic old flag pole by four high school boys while "The Star Spangled Banner" was sung by the immense audience of enthusiastic patriots.

Returning to convention hall the president again called the assembly to order.

Department aides, army nurses and past national presidents, Elizabeth D. A. Kinne and Geraldine Frisbie were presented, after which the doors were closed to all non members of the organization. The greetings committee from the convention of Ladies of the G. A. R. were admitted and enthusiastically received. A motion carried to have the report of the president of W. R. C. home at Evergreen read in full to the convention. A message of sympathy was sent to Senior Aide Ella Nelk, who was absent owing to the death of her only daughter.

Wednesday was taken up with the annual flag line and parade in the morning, and exemplification of ritualistic work by department officers in the municipal auditorium in the afternoon.

Thursday morning delegates and officers assembled at 9:30 with expectation of election of department officers for the coming year, but owing to arrival of greetings committees from affiliated organizations in convention assembled in the city, introduction of past department officers, army nurses, reading of reports, etc., election was deferred until afternoon session.

Carrie L. Hoyt, Lookout Mountain No. 35, was nominated for department president and unanimously elected. Veda Hull Knowles, Stockton and Mamie Whitmore, Long Beach, were nominated for senior vice president, Veda Hull Knowles being elected. Mamie Whitmore was unanimously elected junior vice president; Clara B. Lawhead of Whittier, chaplain, and Frances Francis of San Francisco, treasurer. To the executive board were elected: Jeannette Dyke, chairman; Alferetta Hall, second member; L. May Eley, third member; Margaret Jenkins, fourth member; Katherine Francisco, fifth member.

Friday morning election of delegates to the national convention was first in order after rollcall. Discussion arose over the motion to eliminate all unnecessary conversation and speeches from the journal of proceedings. Motion carried. Reading of the report in full of president of W. R. C. Home, Geraldine E. Frisbie, consumed a great part of the morn-

## THERE'S A REASON

Why you should not pay one dollar a pound for a poor substitute for coffee. It tells you on the can it contains different parts of wheat and a small portion of molasses. These cost 5 to 10 cents a pound, and you go as cheerfully as a lamb to the slaughter and pay at the rate of \$1.00 and over a pound for this powsey wousey stuff. If you want to get a cheap substitute for coffee these hard times (unless you are a millionaire) Booth will sell you one pound of roasted rye for 10c ground, and you will have some sweet molasses at home you can mix in with it to take the nasty taste away.

But you take the advice of Booth and buy some of his Better Blend Coffee at 20c, 25c, 30c, 35c, 40c and 45c lb. and live happier, longer, and healthier ever after, for the glory of the morning meal is Booth's Better Blend Coffee. No chicory—just coffee.

provement from the stroke of paralysis from which he has been suffering.

School closes for the summer vacation Friday. The teachers and pupils are both glad for the rest. It is reported that our principal, Miss Rowena Green, will teach a select school next year of one pupil. Miss Green has done fine work in our schools and it is regretted very much that she will not return another year.

Mr. Bates, our new ranger, is surely a worker. In the few days he has been here he has the lot at the ranger station all cultivated and in garden.

The friends of Rev. Alfred Adams, Sr., will be pleased to hear of his improvement from the stroke of paralysis from which he has been suffering.

Mr. and Mrs. I. Miller have moved to Raisin City.
