## HIGH SCHOOL P. T. A. HEARS TALK ON CIVIC MATTERS

P. E. Fares, Sewer Plant and  
Publicity for City Topics  
of W. H. Reeves' Talk

Vital civic matters and also a way to promote the city of Glendale were discussed at the meeting of the High School Parent-Teacher association, which was held yesterday afternoon in the cafeteria of the high school.

City Manager W. H. Reeves spoke on "The Pacific Electric Rates," "Establishing a Sewage Disposal Plant" and the idea of making Glendale the musical center of the west, in this way putting this city on the map as no other city in the west has been.

In the absence of the president, Mrs. E. B. Wyman, who is just recovering from a slight attack of influenza, the meeting was in charge of the vice-president, Miss Maude Soper, who, after the reading of the minutes by the secretary, Miss Eva Daniels, introduced Mr. Reeves.

Mr. Reeves explained very plainly how, in his opinion, the matter of the high street car fares would seriously injure the growth of Glendale if not remedied.

"A low transportation rate is the logical way to build up a city, and if there was not a low rate to Glendale the people will go elsewhere," said Mr. Reeves.

He also told of what little success he had met in conferring with the railroad commission. He told of the city council hiring a traffic expert to make investigation of the situation and of the report made by the expert favoring the establishment of a municipal bus line.

He also stated that this question would probably be put up before the people as a bond issue.

**Urges Support Be Given**  
The purpose of the council is to relieve the situation which is strangling the growth of the city, he stated, and asked the support of the people of Glendale in any action taken in the matter by the council.

Mr. Reeves told how, in his opinion, the sewer situation is also hampering the growth of the city in more ways than one. He told how Los Angeles has annexed all the territory west of Glendale to the river and practically on all sides of the city.

"This makes it necessary, with the establishment of a sewerage system, to have the disposal plant in the city limits," said Mr. Reeves. "The logical location would be where the gravity will take care of the flow without

## Beautifying Verdugo Wash Is Discussed By County Forester

Stuart J. Flintham, county forester, was in conference this morning with James M. Rhoades, secretary of the Chamber of Commerce, relative to the beautification of Verdugo wash.

The plan of Peter L. Ferry to boulevard that eyecore of the city was discussed, Mr. Flintham learning for the first time of a contemplated plan of nine-foot parkways along 15-foot roadways on each side of a 40-foot concrete channel.

This would permit the growth of two rows of trees which would have to be irrigated, according to the forester. He also advocated the adoption of an ordinance by this city controlling brush fires within the city.

"Many acres of land within the corporate limits lie in the Verdugo foothills," he said, "and this constitutes a menace to county territory. By having an ordinance similar to that passed by the board of supervisors it would be necessary for people clearing land to first get a permit and do the work under supervision."

Mr. Flintham called attention to the fire break now being constructed along the ridge of the Verdugo hills between Roscoe and Tunjunga.

## Miss Grace Goudie, Bride-Elect, Is Guest

Mrs. Frank A. Budway and Mrs. George E. Whittemore of Eagle Rock were hostesses yesterday afternoon at a miscellaneous surprise shower given in honor of Miss Grace Goudie of 324 West Elm avenue, whose marriage to Frank E. Budway is to take place in the near future.

The house was artistically decorated in ferns and almond blossoms. A huge pink crepe umbrella suspended from the ceiling contained the gifts which were showered on the honoree. The making of clothespin brides afforded much amusement to the guests, the prize for the most unique costume was awarded to Miss Goudie, and consisted of a cut glass vase.

After the beautiful and useful gifts, which were presented to the bride-to-be, were inspected, delicious refreshments were served by the hostess. Miss Goudie has been a resident of Glendale for ten years and Mr. Budway, who moved from this city two years ago, also resided here for many years. They both attended grammar school in this city and are graduates of Glendale Union high school. They have a wide circle of friends in this vicinity and their coming marriage is of interest to many.

## Jingles Buy Shingles For Home New and Clean Where Reed Hits Bingles For Evening Herald Green

Does it pay to conduct a column on a metropolitan newspaper? "I'll Say So," echoes Reed Heuts of the Los Angeles Evening Herald staff, as he settles down in the rocking chair at his home here, 456 West. Hollywood street, and considers the plans B. W. Sherwood, designer and builder, has prepared for him.

The new place will be an unusual six-room Spanish bungalow on the southeast corner of Loraine and Campbell street. It will have a patio, everything just as Mr. and Mrs. Heuts desire.

And the cost—about \$4500. Another jingle or two will settle that.

## PROPOSES TO RAISE LIGHTWEIGHT TEAM REQUIREMENTS OF REALTY BOARD CASABA BATTLE

Organization Adopts Rule to  
Increase Standard for  
Applicants; New Plans

The Glendale Realty Board held a business meeting last night in the auditorium of the Citizens' building and a number of matters of interest to the real estate profession were discussed.

A resolution was introduced that it be "the sense of the meeting that the Glendale Realty Board not recognize any applications for membership from any person not actively engaged in the real estate business in an established place of business outside of a residence." Motion was made for its adoption by Charles B. Guthrie and passed unanimously.

"The purpose of this is to raise the standard of members in the Glendale Realty Board," declared E. P. Hayward. "We are trying to get the very best of the board and we don't want people in it that we consider merely temporary real estate operators without any substantial backing and who are not located in an office and equipped to handle the business properly."

**Letters Are Offered**  
The Glendale Chamber of Commerce now receives an average of about thirty letters a day from families who are considering coming to Glendale from all parts of the United States. At a recent meeting Secretary James M. Rhoades offered to divide these names among the realtors who are members of the Chamber of Commerce and suggested that the realty board take steps to divide a certain number of these among its membership.

Charles B. Guthrie reported last night that he had made a sale from one of the names given him by the Chamber of Commerce, already. This stimulated the keen interest of the other members of the board immediately.

It was unanimously voted that the Glendale Realty Board, as a body, should take out a membership in the Chamber of Commerce.

An active real estate board of any importance should have a strong interest in civic welfare, according to the consensus of the meeting. A. M. Yale, who was elected vice president of the board, was named chairman of a permanent committee to keep in touch with civic developments affecting the real estate profession.

Midgets Beat South Pasadena  
Squad by 14 to 8 Score;  
Paperweights Winner

Glendale high school's chances for a championship lightweight basketball season were markedly increased yesterday when Coach Hayward's Midgets walloped the South Pasadena 130 pounders to the tune of 14 to 8. The game, which was a scheduled Central league fracas, was staged at South Pasadena before an enthusiastic crowd of rooters.

Due to the playing on an outdoor court, which was made slippery with a thin coat of gravel, the contest was relatively slow and scoring was far less frequent than it would have been in a gymnasium. The Glendale casaba tossers, however, managed to obtain a better focus on the hoops toward the end of the last period, their shooting ability far outclassing that of their Tiger foe.

**Butts Proves Star**  
Horatio Butts, Hayward's stocky little forward, was the outstanding star of the afternoon's program, his performance being head and shoulders above that of any player on the court. His ability to dribble and score baskets when surrounded by three or four opponents was exhibited on several occasions and he was easily the most feared man on the Black and Red lineup. He was responsible for 10 of his team's 14 points.

Co-carrying with Butts was Pete Fruhling, Glendale's newest all-round athlete. Fruhling plays the same brand of game at guard on a basketball team as he does at short-stop on the baseball nine, his strong asset being his consistency day in and day out. And yesterday was no exception, his efforts under the South Pasadena goal resulting in the preventing of numerous Black and Orange baskets.

**Demonstrate Superiority**  
The first half of the game, which was an exhibition of much action and few results, was particularly devoid of scoring by either side, the timer's whistle blowing with the score standing 6 to 4 in favor of Glendale. However, the locals soon became "acclimated" to the strange game, and early in the last half demonstrating their superiority over their rivals. Had the contest been staged in the local gymnasium the total number of points made by Hayward's team would have been

## Today's World News In Brief (By International News Service to Glendale Evening News)

THOUSANDS STRIVING TO CLEAR NEW YORK OF SNOW

NEW YORK, Feb. 16.—Yesterday's record snowstorm slackened to flurries during the night and today had ceased entirely, being replaced by brisk cold weather. Sixteen thousand unemployed found jobs at \$5 a day struggling to clear the sidewalks and crossings. Great motor plows were used in the streets. New Yorkers, clad in overshoes and goloshes, skidded over slippery pavements to their work.

U. S. TROOPS ARE IN READINESS FOR DUTY ON BORDER

WASHINGTON, Feb. 16.—United States troops are being held in readiness at El Paso and other points along the Mexican border for instant duty in event of disturbances requiring military action, it was announced at the war department today. Orders to this effect have been issued by Major General Hines, the corps area commander, with headquarters at Fort Sam Houston. It was said that there had been no concentration of troops but that officers along the Rio Grande have increased their vigilance due to recent trouble along the border.

MANY MEN LOCKED OUT BY DENMARK'S INDUSTRIES

WASHINGTON, Feb. 16.—A lockout affecting approximately 125,000 men in the leading industries throughout Denmark has just been declared by employers, according to advices received today by the state department from Marion Letcher, American consul at Copenhagen. The chief industries affected are the boot, shoe and building trades. The government had proposed government arbitration of differences between employes and employers, but this was rejected by the men and thereupon the employers declared the lockout.

BRITISH TROOPS ARRIVE IN BELFAST TO AID OTHERS

BELFAST, Feb. 16.—British troop reinforcements arrived here today to strengthen the garrison and to assist in the preservation of order in Belfast and throughout Ulster province. They consisted of a battalion from the Warwickshire infantry regiment. Shooting was renewed this morning. Workmen were attacked on their way to places of employment. A priest—the Rev. Father McGrath—a woman, a policeman and a civilian pedestrian were wounded by a bomb explosion in Earl street. A police sergeant, who was accidentally wounded while examining a machine gun in the police barracks, died of his wounds.

MELLON DENIES INELIGIBILITY TO BE U. S. TREASURER

WASHINGTON, Feb. 16.—Andrew D. Mellon denied today that he was ineligible to serve as secretary of the treasury. While declining to issue a formal reply to charges of Senator Watson, democrat, of Georgia, who declared in the senate that Mellon was serving illegally because of his vast business and financial interests, the secretary of the treasury said that he was not "disturbed" by these statements, because he had retired as president and director of all banks in which he was interested before becoming a member of the cabinet. Mellon explained that his financial connections were now those of a stockholder and said that before he accepted the portfolio as secretary of the treasury he had consulted with the late Senator Knox of Pennsylvania and had been assured that he would be eligible if he retired from active control of the companies in which he had large interests.

ALLEGED SPY ROOM FEATURED IN OBENCHAIN TRIAL

LOS ANGELES, Feb. 16.—Aiming smashing blows at the defense, the district attorney sought today to clinch its claim that beautiful Mrs. Madalynne Obenchain conspired with Arthur C. Burch to slay J. Belton Kennedy, her sweetheart, and that she plotted with Burch in a hotel room within 100 feet of their victim, as they watched him. In support of this contention, the state called as its first witness today Thomas M. Haley, proprietor of the Hotel Russell, who was interrupted late yesterday when the defense sought vainly to prevent this testimony going before the jury. Haley told of the renting of a room to Burch, who was particular to get a front one from which Kennedy's office across the street was clearly visible, and of alleged "death trusts" held in the room by Mrs. Obenchain and Burch. Deputy District Attorney Asa Keyes announced that his plans to have the regular session of court today held at the Beverly Glen club had been changed and that the trip would not be taken until next week. He stated it was possible that after several minor witnesses had been examined today the jury would be taken to the Hotel Russell, where Haley would be recalled as a witness to explain statements he made in regard to Burch's action in the hotel room prior to the day of the murder.

SECRET INQUIRY INTO TAYLOR MURDER CONTINUED

LOS ANGELES, Feb. 16.—Probable questioning of Mabel Normand. Investigation of an unverified report that a threatening letter was found among the effects of William D. Taylor. Intensive search for several thousand dollars' worth of oil stock and a considerable amount of cash belonging to the Taylor estate still missing. Continuation of a secret quiz of a dozen film personages in the hope that the information secured from all may shed light on the murder. These were the chief activities under way today as officialdom entered its third week of endeavor to pierce the black curtain of mystery surrounding the slaying of the famous film director. Questioning of Miss Normand was to be deferred until she has recovered from her illness, which is causing her friends much concern. She is to be questioned this time by representatives of the sheriff's office who desire to clear up a number of points raised through the re-enactment by William Davis, Miss Normand's chauffeur of his recollection of events the night of February 1, when the film star visited the Taylor home a few minutes before his death. According to deputy sheriffs, Davis placed the time of the departure of the Normand car after Taylor had escorted Miss Normand to the curb at 7:40 o'clock. This was the first time this had been brought out. The sheriff's deputies are practically going over the ground

## FORM ORGANIZATION ON IMPROVEMENTS FOR WOODLANDS

Hold Large Meeting, Select  
Officers and Committees  
to Further District

With a view of taking action to obtain needed improvements, a rousing meeting of 100 property owners and residents of the Verdugo Woodlands, met last Saturday night at the R. D. Estes store in Canada boulevard. It is stated that many residents could not be notified in time to attend.

G. D. Mason of El Rito avenue called the meeting to order and John L. Bolen, Canada boulevard and Wabasso Way, was elected permanent chairman and Mrs. J. R. Butler, 1631 Del Valle avenue, was named secretary and treasurer of the new organization.

Following organization, talks were made by several citizens as to the needs of the residents of the "Woodlands," stating reasons why they insist on certain improvement being made. Among the speakers were H. B. Woodill, E. C. Boynton, Mrs. J. R. Butler, George A. Cleveland, Jr., C. E. Denny, R. D. Estes, Mrs. Alfred G. Potts and S. W. Stern.

**Gas Most Urgent Need**

It was pointed out that the most urgent need is gas—that service not having been extended to that portion of Glendale. Other subjects discussed included street lighting, street work and taxation. Much valuable information was proffered by those present and it appeared from data available that the "Woodlands" district has been third in the amount of taxes paid, but no one could recall where any part of the money had been expended for improvements in the vicinity of the property owners present.

It also appeared that a bond issue was voted some time in 1920 in the sum of \$250,000, of which the sum of \$75,000 was to be spent in the "Woodlands" and the people of the district voted on the issue with that distinct representation and understanding, yet it was stated that not one penny of this money has been used, to date, to better the conditions there.

As a result, the consensus of opinion at the meeting favored looking into the matter to see if there was not a way to acquire some of the benefits that the large amount of tax money paid by them, and the proceeds of

## Glendale's Petition for Bus Franchise Before Commission

Another step may be taken today towards the establishment of a municipal bus line.

The Public Utilities Commission of Los Angeles this morning was scheduled to review Glendale's petition for a franchise to traverse certain streets of Los Angeles.

To be present at the hearing a number of city officials made the trip to Los Angeles. Among them were Mayor Spencer Robinson, City Manager W. H. Reeves, C. D. Gulick, traffic expert, and members of the city council.

Mr. Gulick asserted before departure this morning that the pamphlet recently issued by the Pacific Electric defending its recent increase was "a fine argument in favor of a bus line."

"There is an old saying," remarked Mr. Gulick, "that, if you give a calf rope enough it will hang itself."

In the application a bus line terminal in Los Angeles was asked at Olive street between Eighth and Ninth as the proposed location. Action on the application was expected late today.

Glendale proposes to inaugurate a 15-cent one-way and 25-cent round-trip fare, it is stated in the application.

Twelve two-ton trucks, equipped to accommodate 29 passengers, would be used with five-minute schedules during the peak hours and 12-minute service throughout the day.

Seven busses would be held in reserve for peak hour traffic.

Average speed will be fifteen miles per hour. Maximum speed twenty-five miles per hour. Time on route, thirty-five minutes. No local Los Angeles traffic will be handled.

The delegation from Glendale was informed that the engineering department of the commission was favorably inclined towards the bus line and would interpose no obstruction. They were told that the commission saw no reason whatever why it should discriminate against a municipal bus line. They were assured that traffic objections might be overcome.

## Glendale Avenue Club to Meet Friday Night

Resolutions are to be drafted and ratified Friday night by the Glendale Avenue Improvement association in session at the council chambers in the city hall with a view of getting the Salt Lake railroad line off of that boulevard, it is stated by Attorney Harry C. Levey, chairman of the organization, who has called a meeting for 7:45 o'clock. Every resident on Glendale avenue and vicinity is expected to attend and discuss the civic questions concerned.

 covered in the police investigation with a view to determining whether any important points were overlooked and to question witnesses in the light of information from other sources now on hand. Officials working on the case were inclined to place little credence in the report that a threatening missive had been found. District Attorney Woolwine said he had seen no such document. According to this story, the letter was written by a man who had been stigmatized shortly after the world war as a "slacker" by Taylor. Smarting under this, the man was said to have sworn to "get even" with the film director.

**COMMENT THAT'S ALL**

**New Transportation Era Succeed Without "a Show" Lineberger Does Duty Benefits for Posterity**  
 By Gil A. Cowan

AN automobile traveling over the rails of the Santa Fe between Los Angeles and Phoenix yesterday broke the records of the fastest limited railroad train. That is but one part of a great big idea which has been brought home to Glendale in the last few days. Is not the day of the steam engine, the unwieldy passenger coaches, coming quickly to an end?

As a successor for these there will be low, light, underslung cars traveling at a greater speed with smaller cost of operation. It is probable that such machines will be electrically driven, but incorporating all of the good features of an automobile. For years no one thought that the sound from a phonograph could be turned under the mechanism, but it has been done and everybody connected with that industry looks foolish when you ask why didn't they do it from the first.

Likewise, the electric cars have been made larger and larger until they are anything but pleasant for a motorist or pedestrian to think about as the great trains swing around the street corners. Some day there will be a neat looking car produced that will not be like the "dinky" one-man convulsions now in use on some of the city and suburban lines. If you do not believe this, look at the typewriter industry.

The Blickensderfer showed that a light machine could be made; the Remington and Corona companies now produce a satisfactory model that equals the heavier models. And that isn't all, either. In the automobile industry the fire cars took a tractor engine to pull them up hill. Now they will go up in "high."

Watch for the new types of street cars, motor busses and transportation equipment generally.

More than 100 motor parties are coming to southern California daily, it is reported. This, in spite of the snow and rain and dull business in the east. It looks as though Glendale—in spite of Roger Babson reports and Dun and Bradstreet reviews—will not see any so-called "hard times." To be perfectly frank with Messrs. Babson, Dun, et al., "they ain't here."

No sirree! Glendale is going ahead so fast that while heart trouble may be apparent in the growing youth, it is a dead sure cinch it will never starve to death. Business failure in Glendale is unwarranted by good judgment and strict attention. Many things succeed here that wouldn't have a "ghost of a show" elsewhere.

With the early reduction of rail fares for summer travel westward, there is every reason to believe that the summer's sunshine will bring a greater harvest of dollars than ever before. Congressman Walter F. Lineberger, representing this district, has arrived in Washington after a two months' visit in Europe, where he studied economic and political conditions. There is a real service performed by the former soldier, and now civil servant of the United States. Although elected late in the day, the Glendale friends of this man feel sure he is more than making good.

Another organization—the Verdugo Woodlands Improvement association—has opened a campaign which should result in civic betterment. With one of the most beautiful spots in the world to work upon, their efforts will stand out in years to come as that of pioneers. The larger the plan, the greater benefits for posterity.

The Great Sunken lake in the Cascade mountains is the most deeply sunken lake in the world. It is 2000 feet down to the surface of the water, but the depth of the water is unknown.

**Lawrences and Wests Hold Lead on Alleys**

The Lawrences and the Wests continue to set the pace in Class B of the Elks' scratch bowling league, following each team's clean cut victory over their opponents in the third round of play, which took place last night at the club alleys. The Lawrences, playing with two men and with a minimum score of 135 allowed for the third player, outplayed the Wests, who also competed with a "dummy" in their lineup, in three straight contests.

The Wests, who have not lost a match to date, bowled over the faltering Bullards in easy fashion, taking each of the trio of games by a comfortable margin.

The Vogels, who were previously lodged in last place with but one win in six games, suddenly came to life and defeated the Salmacias by taking two out of three from the "Music Grinders." As a result three teams are now tied for the cellar championship, the Bullards, Salmacias and Vogels having a percentage of 33.3.

Last night's play was particularly devoid of spectacular scores, as has been exhibited in previous matches, the bowlers apparently having "come down to earth." During the first two weeks of the league season a number of the bowlers ran up scores far above those made by Class A entrants and it was then predicted that they would soon get back "to form." The team scores last night were on at least 100 less than those made on the opening night of the league.

So close are the two leading squads in their ability that their total number of pins for the three games last night were practically identical, the Lawrences coming out with a lead of but one pin. Their mark of 1299 was made against the Wests total of 1298. Following them were the Vogels with 1245, the Salmacias with 1242, Wattles, 1216, and the Bullards, 1176.

The individual high honors for the evening's program go to "San Fernando" Rose, who surprised himself by scoring 197 in his game. High men on the other five teams were as follows: Wests, Penock, 164; Bullards, 166; Lawrences, Lawrence, 177; Wattles, Wattles, 161; Salmacias, Salmacia, 168.

The present standings of the teams are as follows:

Team	Won.	Lost.	Pct.
Lawrences	7	2	.777
Wests	7	2	.777
Wattles	4	5	.444
Salmacias	3	6	.333
Vogels	3	6	.333
Bullards	3	6	.333

**DAVID H. KITTLE**  
(Contributed)  
Like a tender plant in a flower garden is placed with its associates to add fragrance and beauty, in its prime little David H. was born Jan. 25, 1922 to the home of Valmont and Dorothy Kittle. He died February 11, 1922.

With great joy was the little flower-bud welcomed and tenderly cared for. Perfect in form and beautiful to look upon, the fond hopes of the parents rightly rested upon him. For the brief space of seventeen days little David was the center of thought and affection, when the grim hand of death laid its grip upon him and he closed his eyes in sleep. He sleeps—peacefully sleeps the long sleep of death until the resurrection. In that glad day Angel hands will carry him forth and restore him to his parents, if they remain faithful to God. As a united family they will enter the land where the inhabitants shall not say "I am sick" and where death and sorrow shall be unknown. Blessed harbor of uninterrupted rest and happiness.

The home of Brother and Sister Kittle is draped in sorrow, their hearts are heavy and lonely, but they sorrow not as those who have no hope for they confidently believe in the assurance of the resurrection and that through the grace of our Lord Jesus and a consecrated life they shall again have the joy of little David with them.

Services were held from the Jewel City undertaking parlors, conducted by Pastors J. W. Christian and E. L. Neff. Interment in the Grand View cemetery.

**MRS. ALICE BEGUE**  
Mrs. Alice Begue, wife of John Begue, died at 8:15 last night, Wednesday, February 15, 1922, at her home in La Crescenta. Funeral services will be held at 2 o'clock Friday under the direction of Pulliam & Kiefer at the Little Church of the Flowers, Forest Lawn cemetery.  
Mrs. Begue was born in France 59 years ago. When a young woman, she came to California and had resided here ever since. For the past eleven and a half years she had been a resident of La Crescenta.

**Shrine Club Dance Big Social Success**

The formal valentine dance given in the Chamber of Commerce Auditorium by the Shrine club of Glendale for its members and their ladies, and which was attended by about sixty couples, proved to be a very brilliant social event with the true Shrine spirit of good fellowship prevailing. In the absence of the president, C. E. Neale, Julius Krauz, who is vice-president, officiated.

During the evening favors of Valentine Shrine fezzes were given the ladies. Diversions from the regular dances by way of several Paul Jones numbers created a great deal of jollity and did much in getting the Shriners and their friends better acquainted.

The entertainment committee which had charge of this social event included Robert R. McKenzie, chairman, W. S. Rattray, Ed. Waxman and H. C. Vandewater. Music for dancing was furnished by a six-piece orchestra. Another Shrine party is planned for March 15, at which the committee hopes to surpass last night's good time, if possible. This organization has been organized a little over two months and has already given several social events, banquets, etc., and has taken a most enthusiastic interest in Shrine activities.

**Register New Address! Plea From Postoffice**

Local postal authorities request that merchants, as well as residents, register new addresses or any change, at the postoffice in order that the carriers may be notified. Much mail is now being detained due to the negligence of those who fail to make their whereabouts known. For instance, a real estate firm moved but one door away, but their sign has not been painted on the windows as yet. The room they left is vacant for the time being and the postoffice was puzzled until a little detective work was done and the firm found well hidden in the rear of two other stores.

**PAYERS BOOST OWN TAX**

MORGANTOWN, W. Va.—The first man visited in Morgantown by the assessor, when he started out to revalue all the property in the city last week, voluntarily jumped his valuation from \$19,000 to \$47,000, or a boost of nearly 150 per cent. The next man increased his valuation from \$47,000 to \$98,000. Estimates of increase on all city and county valuation place it not less than 100 per cent above former assessments.

**AMERICAN ACE IN LEGION**

The Glendale Realty Board announces application for membership from F. B. Newport, 115 W. Broadway and O. J. DeMarrs of the Hart Realty Co., 113 E. Broadway.—Advertisement.

**Mystery Woman in Taylor Death Probe**

By ELLIS H. MARTIN  
International News Service Staff Correspondent

LOS ANGELES, Feb. 16.—While detectives searched the files of telegraph companies for messages received or sent by William Desmond Taylor, slain film director, during the weeks preceding his death in hopes of finding a clue to his murderer and motive behind the mystery, the investigators checked the story of a Ventura garage man who told of a beautiful young woman, wrapped in an evening cloak and bareheaded, who drove through Ventura at a dizzy rate of speed at 3 o'clock, the morning after William Desmond Taylor was murdered. The garage man said he supplied her machine with gasoline and oil. "She was in evening dress and wore a cloak," the man said. "I saw her machine before she reached my garage and she was driving at a terrific speed. As she stopped I noticed that her face was drawn and pale and that her hair had been blown down by the force of the wind as she drove."

"Give me all the gasoline and oil my car will take," she said. While I was filling the tank I noticed she bit at her white gloves with her teeth and showed other signs of restlessness and anxiousness to be on her way. She paid me with a bill and drove off without waiting to receive her change."

The man furnished the license number of the car as he remembered it and described the machine and the woman in close detail. Officers were detailed at once to look for the car.

session and to keep the board posted in order that its members might act intelligently.

**Discuss Ordinances**  
In discussing this matter, the recently enacted zoning ordinance and the ordinance requiring residences in certain districts to be placed twenty-five feet from the sidewalk were mentioned.

Owing to the importance of the multiple listing system and the insistence of other matters, it was decided to devote the next business meeting of the board entirely to a discussion of this subject. This meeting will be held the evening of March 1.

The appointment of a committee to devise ways and means of entertaining realtors passing through Glendale on their way to or from the national convention of realtors at San Francisco, May 31 to June 3, was recommended. It was stated that many realty boards are making elaborate plans to entertain as their guests visiting realtors. Announcement of the members of this committee are expected in a day or two from C. D. Thom, president of the Glendale Realty Board.

**Apply For Membership**  
A report was adopted by the board last night recommending the adherence to the schedule of rates set by the Los Angeles Realty Board with one or two slight changes. The board's share of commissions derived from exchanges was reduced from five to two and one-half per cent. The report was submitted by H. L. Miller.

Several new applications for membership were reported by Secretary E. P. Hayward including Ed D. P. Hennes, 719 South Brand boulevard; James W. Pearson, 108 North Brand boulevard; F. P. Newport company, 115 West Broadway; O. J. DeMarrs, 113 East Broadway. Mention was made of the fact that half a dozen other realtors are on the verge of submitting applications.

Among those present were the following: W. A. Horn, 221 North Louise street; A. M. Yale and H. C. Yale of the Yale Brothers Realty company, 249 North Brand boulevard; H. C. Seaman, Jr., and G. S. Hancock of Seaman & Hancock, 406 South Brand boulevard; W. P. MacMullen of the Edwards & Wilsey company, 215 North Brand boulevard; H. M. Miller, 14 East Broadway; Charles B. Guthrie, 103-A South Brand boulevard; Roy D. King, 106 East California avenue; H. L. Miller, 109 South Brand boulevard; C. F. Kroehle, 205 East Broadway; Mrs. Mabel L. Tigt, 629 East Broadway; C. D. Thom of the Glendale Realty company, 131 South Brand boulevard; O. J. DeMarrs of the Hart Realty company, 113 East Broadway; A. L. Baird of the Roy L. Kent company, 137 South Brand boulevard; W. W. Plum, 229 North Brand boulevard; and E. W. Hayward of Hayward & McCartney, 142 South Brand boulevard.

the extra expense of pumping. This place would naturally seem to be along the Verdugo Wash and as cheap land as could be obtained for such a purpose.

He told of the system recommended by the state board of health as being "perfectly sanitary and having no odors and that is the one proposed to be installed in Glendale provided the council is allowed to take this action."

Mr. Reeves said that this will be largely up to the voters of the city as there would probably be a bond issue, and urged that thought be given this matter and support given to the council in its conclusions.

**Publicity Via Music**  
Mr. Reeves commented on the great publicity which has been obtained by the city of Pasadena on account of the Tournament of Roses parade and suggested that Glendale devise some way of putting itself on the map.

He stated that Harry Girard had conceived the idea of making Glendale the music center of the west, such as Boston has become in the east. Mr. Girard's suggestion, he stated, included that of having a musical carnival, with bands, orchestras, choral societies and all the schools taking part.

In concluding his remarks, Mr. Reeves stated that the city government needs the help of everyone and also needs constructive criticism, and that much can be done by working on constructive lines.

Preceding the business meeting of the organization, refreshments of tea and wafers were served by Mrs. E. B. Moore and Mrs. W. W. Stoitt.

**Suggestions on Bus Line Are Submitted by G. W. Henderson**

Editor The Evening News—I have just read in today's News the tentative fares for the new bus line, suggested by Mr. C. D. Gulick, consulting traffic expert. I note that he suggests a sixty-two ride book at \$5.80, good for ninety days, from Broadway and Brand to the Los Angeles terminal.

This book should be good from Arden avenue and Brand, the Glendale city limits, as all Pacific Electric railroad books sold at Glendale rate are good to that point. Moreover, the bus line, if it is to serve the whole city of Glendale, should start from Arden avenue, otherwise a very large proportion of the people of Glendale who go back and forth between Glendale and Los Angeles daily, will be obliged to find some other means of transportation.

I understand the busses it is proposed to use on this line will seat twenty-nine persons. A bus of that size, started from Arden and Brand any time between seven o'clock and seven forty-five a. m. would be filled by the time it reached Lexington drive, so you can readily see how many people would be left out if the bus is started from Brand and Broadway.

If we are going to put on a bus line, let's put on one that will cover the whole city and not a portion.

**Rev. Soper Celebrates His 77th Birthday**

Rev. Julius Soper of 1305 North Maryland avenue observed his seventy-seventh birthday yesterday. The day was spent very quietly with his family, owing to his recent illness, but many friends called to congratulate him, or sent him little remembrances. Rev. Soper was born in Maryland, February 15, 1845, and spent his youth in that section of the east. He had completed his college education before he made the decision to spend his life in the ministry. At the age of 28 he went to Japan, where he spent approximately thirty-eight years, engaged in work among the Japanese under the direction of the Foreign Missionary Board of the Methodist church. He returned to America eleven years ago, and shortly afterward located in Glendale, where he served as pastor of the Casa Verdugo Methodist church, until his retirement two years ago.

**C. E. Gathering Held at N. H. Stanley Home**

Members of the Senior B Christian Endeavor society of the First Presbyterian church, were very happily entertained Tuesday night, at the home of Mr. and Mrs. N. H. Stanley, 738 South Maryland avenue. Approximately thirty-five members were present. The rooms were attractively decorated with hearts. After the short business meeting with the president, Sabin Buck, as chairman, the evening was spent with various games, with favors of valentines very generously distributed. Refreshments were cookies and sandwiches, all cut in heart shapes.

**UNIQUE SOCIAL PLANNED**

A very unique social is being planned for tonight at the Methodist church by the first section of the Ladies Aid, with Mrs. Charles Starke in charge. It is to be called the "Sixteen Social," beginning at six minutes to 8 o'clock, and admission sixteen cents with every sixteenth person admitted free. The musical program will include sixteen numbers and there will be sixteen kinds of good things to eat.

**IRELAND WHEN THE VOTE IS TAKEN AT THE END OF THIS WEEK**

The future of the Lloyd George ministry hangs upon the fate of this measure. If commons votes down the bill, the premier will resign at once. If the bill is passed by only a small majority, it is expected that the premier will call a general election.

**New Realty Firm Has Opened Office in City**

Charles H. Hoge, for years engaged in the real estate business in this state; G. H. Hoffman, who also has had a wide experience in California properties, and G. W. Nickolaus, a recent arrival from Kansas City, Mo., have opened realty offices at 215 1/2 South Brand boulevard.

Mr. Nickolaus is an engine manufacturer, but sees great opportunity here for expansion and development and hopes to aid Messrs. Hoge and Hoffman in making a greater Glendale.

"I like Kansas City," said Mr. Nickolaus, "except for its climate—and you surely have that in Glendale," as he sat with his office door wide open yesterday afternoon.

Certainly it is fine "selling weather" for the real estate dealers, but many people are too busy enjoying themselves to get real interested in the offerings today.

Better look over the classified columns! Also the display advertisements, relative to real estate.

**ORDERS CASE DISMISSED**

The case against Leroy Armstrong of Pasadena, who was charged with threatening to assault J. J. Fitzgerald of Glendale, was dismissed yesterday in court by Judge F. H. Lowe for "lack of evidence." The case is a development of Mr. Fitzgerald's opposition to a marriage between Mr. Armstrong and his daughter, Miss Muriel Fitzgerald.

**Jack Gardner Is Ill; Cannot Appear Friday**

Owing to the illness of Jack Gardner, the popular super-vaudeville headliner, Louise Dresser and Jack Gardner, billed to appear at the evening performances at the Glendale Theatre Friday, will be unable to keep their engagement, but will appear a little later prior to leaving to fill their engagement on Broadway, New York. It is quite likely that Miss Dresser will appear, however, and announce from the stage to their many friends who may not be advised of this change of arrangement, the regret they feel at this disappointment. Manager Howe has secured for Friday night in their stead the Yorktown Four, a quartet of vocalists who have made many friends over both the Orpheum and Pantages circuits through their presentation of popular vocal numbers.

E. convention which will be held at Hollywood, March 17, 18, 19, and for which the slogan being used is "Bring Your Heart to Hollywood."

The society gives a banquet annually, at this season, but this promises to be an exceptionally interesting affair. The program will be in charge of a group of the county officers, under the leadership of Glenn Moore, and the opening number will consist of yells contributed by the various societies of the district.

Committee in charge of decorations and arrangements are Mrs. C. C. Stoler, Miss Margaret Smith, Miss Nancy St. Clair. All arrangements have been directed by Miss Carol Duncan, president of Glendale district, C. E. union.

I. GROSSMAN

Boasting of the most complete small stock of home furnishings in Glendale, the Grossman-Miller Furniture Company at California street and Brand boulevard holds the unique position of being a successful new firm in an old established location.

Two months ago I. Grossman and Harry H. Miller arrived in Glendale from Whiting and East Chicago, Ill., where they had been associated with the Selter Furniture stores for nine years. With this experience giving them a good knowledge of the furniture game, they selected the location in the heart of a rapidly developing shopping district.

Immediately the stock in the store was trebled and a great increase in business is more than pleasing to Mr. Miller who states that it is the policy of the firm to deal in high grade furniture at reasonable prices.

"It is the policy of our store to personally meet the needs of the customer, for I find that Glendale people like to deal directly with the principals in a business," Mr. Miller added.

"Everything is marked in plain figures so that it is a real pleasure for people to stop here and price our line of goods without being under obligations to purchase anything. That is a service home-makers appreciate, for they like to find out how much it will cost to furnish their house."

"The policy of the open door and personal service in selling must be appreciated in view of our rapidly increasing business among new friends—although I believe almost everybody has come here from Indiana, Illinois, Pennsylvania or elsewhere," he concluded.

**FORM ORGANIZATION ON IMPROVEMENTS FOR WOODLANDS**

Hold Large Meeting, Select Officers and Committees to Further District

(Continued from Page 1)  
bond sales should have assured them, according to Chairman Bolen.

Not in Spirit of Anger  
These matters, he states, were not discussed in a spirit of anger, but more upon the Rip Van Winkle theory of having been sleeping on their rights and that the people of his district now intend to assert themselves.

After the discussion the chairman announced he would appoint committees to solve the various problems and that further meetings at which all residents of the Verdugo Woodlands district would be invited to attend, would be held. The following committees were named by Mr. Bolen:

Gas—George A. Cleveland, Jr., chairman; H. B. Woodill, G. D. Mason, S. L. Roland and Colonel Bush. Street lighting—E. C. Boynton, chairman; Joseph Kirby, H. A. Graves, W. A. Hall and Walter Jones. Street improvements—Dr. J. J. Otey, chairman; G. H. Brackett, C. J. Weed, A. E. Bates and L. C. Miles. Taxation—S. L. Roland, chairman; C. H. Allison, H. B. Woodill, C. E. Denny and C. J. Wood.

The committee on gas already has held meetings and has been in conferences with officials so that this part of the program is in full swing, according to the chairman. Other committees also have promised early action.

To Meet Saturday Night  
An adjourned meeting will be held Saturday night, February 18, at 7:30 o'clock, at Mr. Estes store at which time the populace of the foothills are expected to be out in force and James M. Rhoades, secretary of the Glendale Chamber of Commerce, will be invited to speak.

Mr. Bolen states it is to the interest of every resident and property owner to earnestly support the movement now "for the improvements we seek will bring a great building boom to this beautiful canyon country and make the spot not only doubly livable, but the home of 10,000 to 12,000 people in a very short time. Remember the meeting and remind your neighbors to attend."

**First Grand Opera Ever Filmed Shown on Glendale Screen**

"Rigoletto," said to be the first grand opera ever filmed, is the masterful picture production which completes its run at the Glendale theatre today. It is the work of La Scala (Milan) grand opera stars, and in every sense of the word lives up to the stage presentation without the score. However, this is admirably supplied by Paul Carson at the Glendale's organ, who provides a musical setting worthy of the utmost praise.

Verdi's opera always has been a favorite with the American public and in its screen presentation there is a clarity of action impressed on one's mind, unspooled by the high notes of the song birds.

As one patron aptly said last night, "I like the muffler on my opera. The work of Liana Haid is wonderful while the other roles are in equally capable hands."

You will be pleased at the opportunity of seeing this high class entertainment. Paths News, Aesop's fables, and a Sunshine comedy whet the appetite for the super production.

**Babe Ruth to Close His Vaudeville Engagement**

By SID MERCER  
Copyright, 1922, International News Service.  
NEW YORK, Feb. 16.—Though he has not signed for 1922, Babe Ruth apparently has a fairly accurate idea of where he stands with the Yankee club. Other wise he would hardly abandon his vaudeville tour at this time with approximately three months intervening before he can appear in a championship game.

Ruth's decision to close his vaudeville tour Saturday night in Milwaukee is not surprising because he will need to get to work right away if he is to be featured in the first exhibition game which is scheduled for March 12 at New Orleans. Up to a week or two ago Babe contemplated extending his tour and deferring training operations until April. Something has happened to make him available for the March exhibition in the south.

Bambino announced his plans in a letter received at the Yankee offices yesterday. He closes his act at the end of this week and leaves for Hot Springs Monday.

**Gets Letter Sent to Home of 21 Years Ago**

Twenty-one years ago A. T. Cowan, publisher of The Glendale Evening News, resided in Milledgeville, Ill., where he owned and edited a newspaper.

A letter addressed to that place a few days ago was forwarded here by the postoffice department with a very few days' delay. Imagine, if you can, an organization keeping track of a person for almost a generation.

Postmasters have come and gone—Joe Lawton, the postmaster of that day, has long been dead. Sam Kaisinger who succeeded him has retired as have several others. But the history of the people of that little Illinois town continues and, likely as not, the clerk who wrote Glendale, Calif., on the envelope, said to himself:

"Some day I'll be out there away from the snow and thunderstorms, out where the sun rises over snow-capped peaks and sets behind the Pacific's waves."

Oh, yes. That letter was looking for a live insurance agent!

Wheelwright, 16 North Columbus avenue; G. R. Truman, 356 West Park avenue; Fred Carson, 404 West Dryden street; J. F. Geiler, 1232 East California avenue; Dr. Steelman, 321 West Milford street.

**George M. Lindsey Co. Secures New Location**

**LIGHTWEIGHT TEAM WINS VICTORY IN CASABA BATTLE**

Midgets Beat South Pasadena Squad by 14 to 8 Score; Paperweights Winner

(Continued from Page 1)  
hurst's quintet would probably have been doubled.

For South Pasadena "Mike" Kelly, the spindle built center, attracted most of the individual praise. He was particularly good at tossing baskets and his ability to elude his guards. Following is the lineup:  
Glendale—Butts and Roach, forwards; Aageson, center; Bryant and Fruhling, guards. Substitutions—Haig for Bryant, Lovell for Aageson. South Pasadena—Taylor and Ritchie, forwards; Kelly, center; King and Groenewegen, guards.

**Another Local Victory**

A preliminary game was staged between the 110 pound quintets of the two schools prior to the main event, with the Glendale "Paperweights" hanging up a 16 to 2 triumph over the Tiger saplings. The contest was considerably faster than the 130 pound affair, although the teams were not so evenly matched. It was Glendale's game all the way through, the Tiger five being practically helpless from start to finish. Neel and Muff, playing center and guard respectively, were the bright lights in the Glendale lineup, while Mack, playing forward for the losers, was the only real player on the squad.

The lineup:  
Glendale—Swaney and Madesco, forwards; Neel, center; McAllister and Muff, guards. Substitutions—Lane for Neel, Osborn for Madesco. McGillis for McAllister, Wernette for Swaney. Award for Osborn, Heideman for Muff.  
South Pasadena—Sprirling and Mack, forwards; Young, center; De Sage and Corderey, guards.

**Early Model 'Talking Machine' on Display**

The Kenny Music Shop at 203 North Brand boulevard is showing one of the first models of the Columbia graphophones ever made. Even then the popular machine was a model of mechanical perfection—what there was of it, and someone here in Glendale is loaning it for a window display. It played cylindrical records which have since become antiquated.

"I wish I had a dollar for every one of the machines of that type I sold in the good old days at Kansas City. How well I remember selling one of the first hornless phonographs to Ferdinand Heim at Kansas City for \$200. That was considered a great sale in those days."

In the latitude of New Haven, Conn., the days of December 18 to 24, inclusive, each of nine hours and ten minutes' duration, are the shortest days of the year in the United States.

**AN OLD RECIPE TO DARKEN HAIR**

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked, or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Advertisement.

**Mrs. E. Williams Is Committee Chairman**

Owing to the fact that the report of the rest room committee of the Business and Professional Women's club at the meeting of that organization Tuesday night was made by Mrs. E. P. Beck, she wishes to correct the impression that she was chairman of that committee. In the absence of the chairman, Mrs. E. Williams, the report of the committee was made by Mrs. Beck, who is secretary-treasurer. Mrs. Williams was reported chairman following the resignation of Mrs. F. B. Walton.

**S. Berman, Displaying Seasonable Woolens**

New spring and summer woolens are now on display at the S. Berman tailoring establishment, 410 South Brand boulevard. Next week will find the windows redecorated with the very latest imported and domestic woolen goods, according to Mr. Berman. Business has trebled since he has occupied quarters in his own new building, he says, which is indicative of the prosperity to be found in Glendale now.

**Notable Productions Coming to T. D. & L.**

The next few weeks will see some of the greatest film attractions produced at the T. D. & L. theatre, says Manager Allan. Among these truly wonderful pictures are Cecil B. DeMille's most recent and considered his finest production, "Saturday Night," "The Law and the Woman" another Paramount picture featuring Betty Compson, "Hail the Woman," Thos. H. Ince's super photodrama, Rudolph Valentino in "Moran of the Lady Letty" from the famous novel by Frank Norris of the same title, "Peacock Alley" the rage of the present day and "The Silent Call," H. O. Davis' master production of the snow country.

These attractions, all to be shown in the near future at the T. D. & L. theatre, promise everything to be desired for those seeking entertainment during the next few weeks.

**Special Excursion on Steamers Harvard, Yale**

The Los Angeles Steamship company announces special excursion trips for the steamship Yale over Washington's birthday. A reduced round trip fare of \$25 including berth and meals goes into effect for the two sailings of the Yale for San Francisco on Monday, February 20, and Wednesday, February 22, with return limit up to Saturday, February 25.

**'Molly-O' Last Times at T. D. & L. Today**

"Molly-O," the famous and great picture with Mabel Normand as the shining light of its beautiful story, will be shown at the T. D. & L. theatre for the last times today. It is not necessary to again recall all the wonderful things said of "Molly-O." "Everyone knows or has heard of it—but as a warning to those who have not as yet seen it—let this announcement act as a final notice—"Molly-O" will not be shown in Glendale again—so plan to see it today—your last chance," says Manager Allan.

Tomorrow the T. D. & L. theatre will have their regular week-end vaudeville road show with the feature film "Habit," a First National attraction as the offering.
