TERMS OF SALE

Prices in this catalogue are in anticipation of a normal crop and therefore subject to market fluctuations. After bulbs are harvested and during the selling and shipping season, we regularly mail our monthly stock lists with current prices. At such prices, orders are accepted subject to stock being unsold upon receipt of order.

All goods are sold f. o. b. Mt. Clemens, Mich., and travel at purchaser's risk, unless otherwise agreed. Cases and packing will be charged for at cost price.

Accounts are due 30 days after date of invoice; two per cent discount is allowed for payment within 10 days after date of invoice and three per cent is allowed for cash with order.

If at the time of shipment of any order or part thereof, purchaser has failed to settle his old accounts, or if we have reason to believe that his credit standing has suffered lately, we reserve the right to cancel all arrangements for transactions not yet executed.

We give no warranty, expressed or implied, and will not be in any way responsible for the results of planting or forcing of any bulbs, roots or plants we send out; we guarantee all varieties to be true to the name and description.

Complaints and claims about quality cannot be entertained unless made within two days upon receipt of the goods.

All agreements, different from the above terms, have to be in writing; no verbal agreements will be considered.

By placing orders, buyer is considered to agree with these terms.

HINTS FOR FORCING GLADIOLI

Buy large bulbs, 1½ inch up, and order early. Of most varieties, young, high crowned bulbs give the best results; they must have been dug early and stored away for about 3½ months in a well ventilated warehouse at the right temperature. Plant about the middle of January and put the bulbs 5—6 inches apart. Do not water them too much, just keep them moist; you can give them plenty of water when the buds are out. Temperature between 48 and 52, a little warmer when they are ready to bloom. The more light and sunshine, the better; if they are shaded too much, many will come blind.

LIST OF STANDARD VARIETIES

Prices are quoted per 1000. 100 of a variety will be sold at the 1000 rate. Add 10% to all orders for less. Special prices on large quantities.
