SWORN DEPOSITION
Deponent TAKEMI, Taro

Deponent, DR. TAKEMI, Taro, having been first duly sworn on oath, as on attached sheet and in accordance with the procedure followed in my country, I hereby depose as follows:

1. I am a duly registered physician, entitled to practice as such in Japan, with an office at 303 Bible Building, Ginza, Tokyo.

2. I have been attending MAKINO, Nobuaki, for some time past as his physician. At the present time, and for about the past two months, he is and has been suffering from asthemia of the heart, irregular pulse, fall of blood pressure and edema on the legs. He is losing blood from an ulcer on his right leg and it is difficult for him to walk and stand. He is 86 years of age. At the present time he resides at Tanakamura, Katsuka Gun, Chiba Prefecture, and it is my opinion that it would be dangerous to his health to have him come to Tokyo to testify at the trial.

Certified at Tokyo this 7th day of October, 1947.

Deponent: /S/ TAKEMI, Taro (Seal)

I hereby certify that the above signature and seal were affixed hereto in the presence of the witness.

At the same place, on the same date.

Witness: /S/ KIDO, Takahiko (Seal)

O A T H

In accordance with my conscience I swear to tell the whole truth withholding nothing and adding nothing.

SWORN DEPOSITION

Deponent: MAEDA Masazane

Having first duly sworn an oath as on attached sheet and in accordance with the procedure followed in my country, I hereby depose as follows:

In the early part of November, 1941, I was a Major General and attached to the headquarters of the Taiwan Army.

At that time I was ordered to make preparations for a Philippines campaign to provide against the emergency of a possible failure of the Japanese-American negotiations. On November 10th or thereabouts, although the exact date is beyond my memory, I came up to Tokyo for making some arrangements with the Imperial General Headquarters. While I was staying in Tokyo, I visited MUTO, Chief of the Military Affairs Bureau, at his office.

In the interview MUTO explained to me seriously that the Japanese-American negotiations were in progress and all military preparations for a campaign would be stopped at once by order of the Imperial General Headquarters in case the negotiations were brought to a successful conclusion. With that in mind, special care should be taken lest even a trifling fault should be committed.

To his explanation, I replied that my attention had often been called to that matter by the Imperial General Headquarters, and that although the troops on the front were high-spirited, I would make my best efforts to follow his advice.
