### CITY INTELLIGENCE.

**The Bureau of Education.**—Bills Emerson and others have introduced a bill for the purpose of creating a bureau of education for the State. The bill is now in the hands of the committee on education. It is believed that the bill will be reported favorably.

**Public School Question.**—The State Superintendent of Education, Mr. C. C. DeLoach, has issued a circular to the several school directors in the State, asking them to report on the condition of the public schools in their respective districts. The circular is as follows: "The State Superintendent of Education has the honor to acknowledge the receipt of your report on the condition of the public schools in your district for the year ending on the 31st of December last. The report is very interesting and shows a general improvement in the condition of the schools. It is believed that the public schools in the State are now in a better condition than they were some years ago. It is hoped that the same improvement will continue in the future. The State Superintendent of Education has the honor to be, Sir, your obedient servant, C. C. DeLoach, State Superintendent of Education."

**La. Marcelline Newspaper Condemned and Seized.**—The Marcelline newspaper, published at Marcelline, La., has been condemned and seized by the authorities. The paper is charged with publishing articles which are considered to be defamatory and libelous. The paper is now in the hands of the authorities, and its publication is prohibited.
