"High Flight"

Oh, I have slipped the surly bonds
of Earth
And danced the skies on laughter-
silver wings;
Sunward I've climbed, and joined
the tumbling mirth
Of sun-split clouds--and done a
hundred things
You have not dreamed of--
wheeled and soared and swung
High in the sunlit silence, hov'ring
there,
I've chased the shouting wind
along, and flung
My eager craft through footless
hells of air.

Up, up the long, delicious, burn-
ing blue
I've topped the wind-swept heights
with easy grace
Where never lark, or even eagle
flew--
And, while with silent lifting
mind I've trod
The high unrespassed sanctity of
space,
Put out my hand and touched the
face of God.

COMMANDING

COLONEL HERBERT M. NEWSTROM

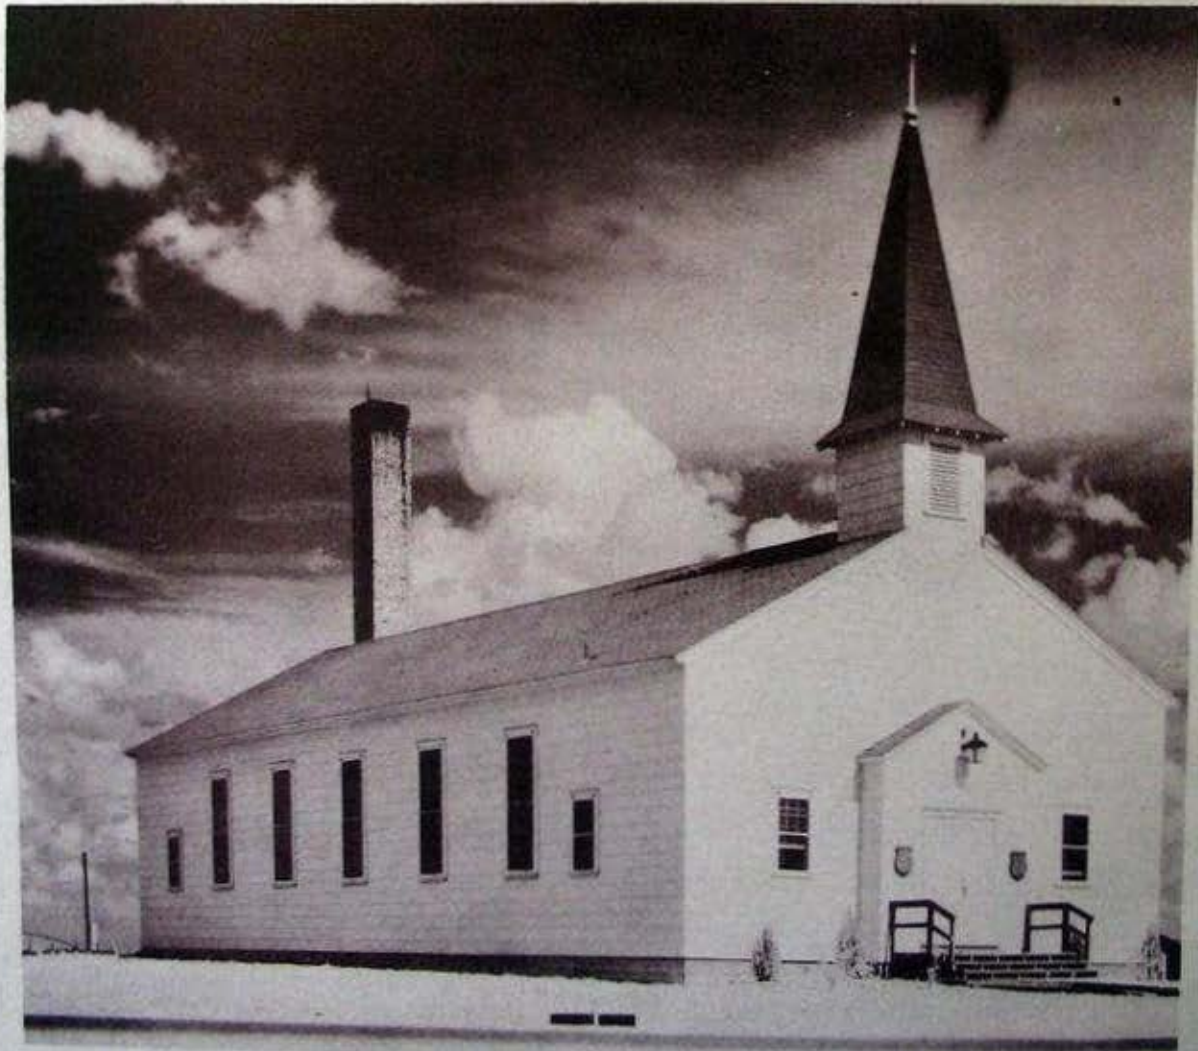

Former cadets and officers of Majors Field attest to the benefits derived from serving under Colonel Herbert M. Newstrom, our Commanding Officer. A familiar figure on the flight line and the P. T. field Colonel Newstrom is admired by all. His tours of duty with the Army Air Forces have carried him to many places, and his high ideals have been taken to the four corners of the globe by men whom he formerly commanded. As well as being an excellent pilot Colonel Newstrom portrays the ideal commanding officer. We of the Cadet Detachment, are thankful for his guidance during our stay at Majors Basic Flying School.

CHAPEL

DEDICATION

MAJOR DANIEL J. SILVA

Major D. J. Silva who has taken over as the new Commandant of Cadets has accomplished things that before would have been impossible. Former Director of Physical Training all members of Class 44-F have come to know him quite well, and regard him as the type of officer with whom it is a pleasure to "Play Ball." In our appreciation for all he has done and is still doing for the cadets of Majors Field we want to dedicate the "Baseleg" of Class 44-F to him. Known to all as a square shooter and willing to give a cadet an even break we feel this is but a small token of our class to bestow upon him.

LT. JACK McGRIFF
Executive Officer

Not only does Lt. Jack McGriff pay the cadets on Payday, but he also performs many other duties as Executive Officer of this Detachment. Strenuous as his job may be to onlookers, he always has time to help a bewildered cadet find the root of his trouble. Despite his crowded daily schedule Lt. McGriff has taken time to again act as class book advisor, and has contributed a great deal to its successful completion.

LT. DONALD PAUL
Supply Officer

Under an array of overcoats, flying clothing, etc., comes to our sight the figure of Lt. Paul, our ever ready and willing supply officer. Lt. Paul has fulfilled requests ranging from dog tag chains to a pair of shoes size fourteen. Double "E." Class 44-F wishes to commend Lt. Paul for his sincere efforts in furnishing our each and every need during our stay at Majors Field.
