Halifax Provisional Garrison—Estimate largely in Excess of Actual Expenditure.

AUDIT OFFICE, OTTAWA, April 11, 1903.

SIR,—In your Statement No. 10, 18th March ulto., of deposits to credit of Receiver General, I observe two receipts from Lt.-Col. G. R. White, in the Bank of Montreal, Halifax, on the 18th February, 1903, amounting to \$35,765.26, entered as refunds of the Halifax Provisional Regiment.

I find that these cheques were issued on the 19th and 22nd September, 1902, for \$14,000 and \$25,000 respectively, and that the amount recently deposited by Lt.-Col. White remained after closing up the September accounts of the regiment. I understand the regiment was disbanded at the end of September.

Be good enough to inform me why a sum, apparently so much larger than seemed necessary, was advanced to Lt.-Col. White, and why the unused portion of it was not promptly refunded as soon as the regiment was disbanded.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

 AUDIT OFFICE, OTTAWA, May 1, 1903.

SIR,—Referring to my letter of the 11th ultimo, relative to Lt.-Col. White's balance, closing the Halifax Provisional Garrison account, I notice on his last statement that there were outstanding of his cheques \$1,940.62,—that is, these cheques had not then been presented to the bank for payment.

Please let me know what evidence the department has that none of these cheques are still outstanding.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

L. J. McDOUGALL, A.G.

 AUDIT OFFICE, OTTAWA, May 2, 1903.

SIR,—I have not received a reply to my letter of 11th April ulto., regarding the refund made by Lt.-Col. G. R. White on February 18, 1903, of the sum of \$35,765.26.

I shall be obliged if you will let me have an answer at your convenience.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

 DEPT. OF MILITIA AND DEFENCE, OTTAWA, May 4, 1903.

SIR,—I am in receipt of yours of 2nd inst., respecting a refund of \$35,765.26, made by Lt.-Col. G. R. White, who commanded the 3rd R.C.R., and in reply I have the honour to state that Lt.-Col. White has been asked to explain why his estimate

SESSIONAL PAPER No. 1

of pay in September last was so much in excess of the amount required, and also why he retained the unexpended balance so long after the regiment was disbanded. A reply has been received from him, but as it was not considered satisfactory he has been asked for further explanations.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *Col., D. M. of M. & D.*

DEPT. OF MILITIA AND DEFENCE, OTTAWA, May 20, 1903.

SIR,—In reply to yours of the 11th inst., respecting advances to the Officer Commanding 3rd R.C.R., Halifax, for pay of troops on the disbandment of that battalion, I have the honour to state that from the explanations received from that officer, it would appear that the excessive amount asked for by him was due to gross bungling on his part in making up the estimate of pay.

Respecting the delay in refunding the unexpected balance: he submitted his statement of account early in November, which had to be returned to him for amendment and explanations two or three times. There was a great deal of correspondence in connection with certain items charged by him, and, as his paymaster was living then in Ontario while he was at Fredericton, considerable time elapsed before a final adjustment was made and the account closed.

Respecting the other point raised by you in your letter of May 1, viz., the balance still at his credit in the bank. A certificate from the Bank of Montreal received during the correspondence referred to above, showed only six cheques outstanding December 31, amounting to \$168.62. Three of these have since been presented, leaving three still outstanding, which have been refunded to the credit of the Receiver General, particulars of which will be sent you later.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *Col., D. M. of M. & D.*

AUDIT OFFICE, OTTAWA, October 23, 1903.

SIR,—Referring to expenditure on account of Halifax Provisional Garrison, 1902-03, Lt.-Col. G. R. White's account, current, September and October statement, I notice this charge:—

Lt.-Col. G. R. White—loss in payments. \$11.10

This does not appear to be a proper charge against the department. Please let me have your reasons for passing the payment.

In the same statement vouchers for these payments are still outstanding:—

Lt.-Col. MacDougall—mess light allowance. \$11.40

Capt. Conger—hospital stoppages and damages C.M.R. 35.73

Please forward these as soon as possible.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

Annual Drill Expenditure.

AUDIT OFFICE, OTTAWA, September 30, 1903.

SIR,—Referring to your expenditure on account of 'Annual Drill, &c.,' for the fiscal year 1902-03, let me call your attention to the following:—

Brigade camp at Niagara-on-the-Lake, June, 1903. 34th Regiment, No. 6 Co.—2nd Lieutenant A. Coekburn was paid as lieutenant, overpayment, \$3.60.

34th Regiment, No. 7 Co.—R. A. Sinclair and J. A. Anderson were paid as 2nd lieutenants. Their names are not on the official Militia List to July 1st, 1903.

35th Regiment, No. 1 Co.—2nd Lieutenant Shrigley was paid as lieutenant, overpayment, \$3.60.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, October 12, 1903.

SIR,—In reply to yours of the 30th ult., respecting certain payments at Niagara camp, I have the honour to explain that Lt. A. Coekburn, No. 6 Co., 34th Regt., was appointed lieutenant in October, 1901. The Militia List showing him as 2nd lieutenant is wrong, and will be corrected.

Lts. R. A. Sinclair and J. A. Anderson, No. 7 Co., 34th Regt., were appointed as such by G.O. 125 of this year.

2nd Lt. Srigley's promotion will appear in the next *Gazette*.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *Col., D. M. of M. & D.*

AUDIT OFFICE, OTTAWA, October 9, 1903.

SIR,—Referring to your expenditure on account of 'Annual Drill, &c.,' for 1902-03, payment by cheque No. 3,159 to Lt.-Col. R. L. Maltby, 12th Field Battery, con-

tains an item of \$10.30 for baggage transport allowance. It would appear that this had been previously paid by cheque No. 426. Please adjust overpayment.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, October 13, 1903.

SESSIONAL PAPER No. 1

Loss of Discount through Delay in Paying Water Rates Accounts.

AUDIT OFFICE, OTTAWA, June 10, 1903.

SIR,—Let me call your attention to payments by cheques Nos. 7,585, Feb. 12, 1903, for \$456.84, 7,791, Feb. 20, for \$102.96, and 8,152, Mch. 3, for \$7.50, to the Toronto Waterworks for water for Stanley Barracks and Armouries at Toronto, for the period from Sept. 30 to Dec. 31, 1902.

The first payment of \$456.84 represents the amount due if advantage had been taken of the discount allowed for payment before January 31, 1903. The account, however, was not paid by your department until February 12, and this advantage lost. The subsequent payments of Feb. 20 and March 3, amounting to \$110.46, represent the loss to the department.

The original account was in the Adjutant General's office on January 15, 1903. Please explain who or what is the cause of the loss involved.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, June 11, 1903.

SIR,—With reference to your letter of the 10th inst., calling attention to payments by this department on account of water rates for Stanley Barracks and the Armouries, at Toronto, for the quarter ending 31st December last, I have the honour to inform you that the accounts referred to were first received at headquarters on the 14th of January. They were considered excessive, and a report from the District Officer Commanding was called for. Owing to pressure of work, and the absence of the officer in the department who usually checks accounts of this kind, there was, unfortunately, delay, and the discount period had expired before the accounts were ready for payment. The delay is regretted, and steps have been taken to prevent a recurrence of it.

The payment on the 3rd March of \$7.50 was the regular charge for meters, and to the extent of this amount there was no loss to the department.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, September 30, 1903.

SIR,—Cheque No. 8,362 of March 13, 1903, for \$55.56, was issued to pay the water rates on militia property at Windsor, Ont., for the six months from July 1 to December 31, 1902. The account states that a 10 per cent discount is allowed if payment is made by October 20, 1902. Please explain why payment was delayed, and the amount of the discount lost to the department.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, October 28, 1903.

SIR,—Let me call your attention to my letter of September 30, relative to delay in paying water rates account, and the consequent loss to the department, and to remind you that I have not been furnished with the explanation asked for.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, October 29, 1903.

SIR,—In reply to your letters of the 28th instant, and 30th September, relative to delay in paying water rates at Windsor, Ont., for the six months ending 31st December, 1902, I have the honour to inform you that the demand for these rates was dated October, 1902, but it was not received in the department until February, 1903.

In view of this, the District Officer Commanding at London has been requested to explain the cause of the delay, and when his report is received, I shall again communicate with you. I am to-day calling attention to the delay in furnishing the report.

I am, sir, your obedient servant,

The Auditor General.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, November 4, 1903.

SIR,—With reference to your letters relative to the delay in paying water rates at Windsor, Ont., for the six months ending December 31, 1902, I have the honour to enclose, herewith, a copy of a letter from the Officer Commanding the 21st Regiment, explaining the cause of the delay.

I am taking steps to recover from the water commissioners a rebate of \$5.56, in accordance with the suggestion at the end of Colonel Bartlet's letter.

I am, sir, your obedient servant,

HEADQUARTERS, 21ST REGIMENT, ESSEX FUSILIERS,

WINDSOR, October 26, 1903.

From O.C. 21st Regiment Essex Fusiliers, to D.O.C., M.D. No. 1, London Ont. *Water Rates.*

SIR,—In reply to yours of the 22nd inst., regarding the above matter, I beg to say that the difficulty arose over the fact that the Public Works Department forwarded to the water office here a cheque for \$50, which should have gone to Windsor, Nova Scotia. A considerable correspondence took place regarding the matter, which the department must have, and it was finally arranged that the cheque which had been received should be credited on the water rates for the post office here, and that the Militia Department would pay the water rates on the armouries. This was not arranged until February of this year. The account may have been dated in October, 1902, but it was not handed to me nor forwarded until February, 1903. I think now if an application were made to the water commissioners the rebate of \$5.56 might be allowed, but of this I am not sure.

I am, sir, your obedient servant,

N. A. BARTLET, *Lt.-Col., Comdg. 21st Regt. Essex Fusiliers.*

Prices of Coal, London, September and October, 1902.

AUDIT OFFICE, OTTAWA, July 20, 1903.

SIR,—Referring to your expenditure on account of 'Provisions and Supplies,' let me call your attention to the accounts of the People's Coal Co., London, for coal

supplied No. 1 Regimental Depot during the months of September and October, 1902. These accounts were paid by cheques Nos. 3,405 and 4,640.

Stove and nut coal are charged at \$7, \$8, \$9 and \$15 in these accounts. The prices are certified to by Major Young that they are according to contract.

Please explain diversity of prices. Are not these supplies delivered under contracts made the first of the fiscal year? Please send me a copy of the contract, if there is any, in the case referred to.

I am, sir, your obedient servant,

DEPT. OF MILITIA AND DEFENCE, OTTAWA, July 24, 1903.

SIR,—With reference to your letter of the 21st instant, calling attention to the accounts of the People's Coal Co. of London, for coal supply to No. 1 Regimental Depot during the months of September and October, 1902, I have the honour to inform you that on account of the coal strike most of our contractors for coal found it impossible to fulfil their contracts. The department, under the circumstances, had to purchase at the market price, which varied considerably throughout the season. It was also necessary to use different kinds of coal.

Claims for Improvements to Military Buildings not Allowable where Authority has not Previously been Obtained.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, October 20, 1903.

SIR,—I have the honour to enclose herewith, details of an account amounting to \$30.30, for small repairs made by Sergt.-Major J. O'Hagan, A.M.S., to his quarters, covering a period of some five years.

This claim is considered reasonable, and I am prepared to recommend payment, but owing to the time that has elapsed since part of it was incurred, I would like to be assured that you will have no objection to passing the payment on account of part of this work having been performed so long ago.

Kindly let me know at your convenience, returning enclosures.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, October 23, 1903.

SIR,—Let me acknowledge the receipt of your letter of the 20th inst., with enclosures relative to an application for repayment of \$30.30 to Sergt.-Major J. O'Hagan, A.M.S., Kingston, of an outlay by him for repairs to his quarters, covering a period of some years back.

It would appear to me that orders should always be given, and should have been given in this case, authorizing the repairs, by the department, before the work was performed. Are there no regulations on this subject in your department? If there are, perhaps you would cause a copy of them to be sent to me.

I am, sir, your obedient servant.

The Deputy Minister of Militia and Defence.

DEPT. OF MILITIA AND DEFENCE, October 26, 1903.

SIR,—With reference to your letter of the 23rd instant, requesting copies of the Regulations relative to work being performed without authority, I have the honour to quote para. 489, page 161, of the Regulations, 1898:—‘Officers in employment on the staff of the militia will bear in mind that no expenditure for any service will be sanctioned, unless authority for the same has been previously obtained.’

I am, sir, your obedient servant,

AUDIT OFFICE, OTTAWA, October 28, 1903.

SIR,—Let me acknowledge the receipt of your further letter of the 26th instant, relative to Sergt.-Major O'Hagan's claim for a refund of an outlay by him for repairs to his quarters.

In reply, I have to say that in view of the regulation quoted in your letter that officers in employment on the staff of the militia will bear in mind that *no expenditure* for any service will be sanctioned unless authority for the same has been *previously* obtained,' and on general principles to the same effect I cannot recommend that the account in question be paid.

The maintenance and care of the military buildings are under the direct supervision of an organized branch of your department, and, in my opinion, it would be unwise to recognize any expenditure for which proper authority has not been obtained.

The papers are returned herewith, as requested in your letter of the 20th instant.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

Re Travelling Expenses of Major-General.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, June 8, 1903.

SIR,—I have the honour to submit to you a claim for travelling expenses from Major-General the Earl of Dundonald, for an opinion as to whether the charges for sleeping car accommodation for himself and one staff officer, Ottawa to Toronto and return, amounting to \$16, are admissible, in view of the fact that the berth rate is only \$2 each way.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *D. M. of M. & D.*

AUDIT OFFICE, OTTAWA, June 13, 1903.

SIR,—Let me acknowledge the receipt of your letter of the 8th inst., relative to the sleeping car charges in Major-General Dundonald's travelling expenses statements. In reply, I have to say that I am not clear as to whether the Major-General is an officer in the sense used in paragraph 394 of the Regulations and Orders, and therefore entitled to be reimbursed, only to the extent allowed by the paragraph. If this paragraph is intended to apply to the Major-General, there can be no question

SESSIONAL PAPER No. 1

that he can be reimbursed for a single berth only, as the Regulations are of the same effect as a Statute.

If, however, this paragraph does not apply to the Major-General, and the money was actually disbursed by him, as it appears from his certificate that it was, then your department, who are nearer the circumstances than this office, and in a better position to judge, must determine whether the expenses in question are not inconsistent with the position and duties of the Major-General.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

Assessments Paid City of Quebec on Government Property.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, September 29, 1903.

SIR,—With reference to memo. dated 21st instant, relating to an account for assessment charged by the city of Quebec, I beg to state, for your information, that since 1890 taxes have been levied by the city for similar purposes, payment of which was at first refused. In September, 1890, the city entered proceedings in court in connection therewith. The action was resisted by the Department of Justice. Judgment was rendered in Superior Court (April 11, 1892) in favour of the city, and subsequently confirmed in appeal.

This department was advised thereof by the Department of Justice in their letter of January 16, 1893, from which I quote the following extract:—

‘City of Quebec vs. Duchesnay (now Pelletier).
 “ Prevoist (Now Gaudet).
 “ Taschcreau
 “ Forrest (now Boulanger).
 “ Dixon (now Davis).

‘SIR,—Referring to the proceedings that were taken to test the right of the city of Quebec to levy taxes upon the above officers of your department in respect of the private quarters occupied by them on the military property at Quebec, I have the honour to inform you that the action taken by the Crown has failed, both in the court of first instance, and also on appeal to the Court of Queen’s Bench.’

‘Your obedient servant,

(Sgd.) ROBERT SEDGEWICK, D.M.J.’

‘Deputy Minister of Militia and Defence.’

Since that date taxes have been levied and paid accordingly.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, October 2, 1903.

SIR,—Referring to your letter of the 29th ulto., with enclosure, relative to an assessment account of the city of Quebec, please let me know why the taxes referred to are not paid by those who occupy what appears to be private quarters on military property.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, October 12, 1903.

SIR,—With reference to your letter of the 2nd inst., and with further reference to that of the 21st September, relative to an account for assessment charged by the city of Quebec on the premises occupied by the District Officer Commanding at Quebec, I have the honour to state that the district officers commanding are entitled to free quarters, or to an allowance of \$500 in lieu. The District Officer Commanding at Quebec occupies government quarters, and it was considered only fair that the department should pay the taxes on such quarters.

I am, sir, your obedient servant,

Officers Retiring Before Pension is Due are not Entitled to Refund of Contributions to Militia Pension Fund.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, May 14, 1903.

SIR,—Attached is a copy of an application for a refund of \$40.05 to Sgt.-Maj. Page, who has contributed that amount to the Militia Pension Fund, and who is now retiring from the Permanent Force after 14 years' service.

I attached a statement of deposit receipts taken out by Sgt.-Maj. Page, amounting to \$40.05, which have been remitted to the Receiver General, and I have the honour to request that a Receiver General's cheque for this amount may issue in favour of this officer.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, May 20, 1903.

SIR,—Let me acknowledge the receipt of your letter of the 14th inst., and accompanying papers, applying for a refund of \$40.05, the amount of Sergeant-Major Page's contribution to the Militia Pension Fund.

You state in your letter that Sergeant-Major Page is now retiring from the permanent force after 14 years' service. Col. Aylmer, in his recommendation that this refund be made, states that Sergeant-Major Page voluntarily retired prior to becoming entitled to a pension, and it would appear that he is not really a member of the permanent force at all. At what date did he retire, and why does he ask for a gratuity on leaving the service, as he states in his application?

Please explain also why his name was included among those to whom the Pension Act applies, and the necessary deductions made from his pay.

The papers sent with your letter are returned herewith, that they may be certified as true copies of the original papers, which is always necessary in this and similar cases.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, *A.G.*

DEPT. OF MILITIA AND DEFENCE, OTTAWA, May 22, 1903.

SIR,—I acknowledge receipt of yours of the 20th inst., respecting Sgt.-Maj. Page's application for a refund of his contributions to the Militia Pension Fund.

SESSIONAL PAPER No. 1

I thought my letter of the 14th, together with the correspondence attached to it, was sufficiently clear, and I am at a loss to understand why there should be any confusion. Let me make the matter clearer if possible.

Sgt.-Maj. Page enlisted in the permanent force December 7, 1888. He retired voluntarily March 31, 1903, after 14 years 115 days' service. As he retired voluntarily, he was not entitled to a pension, as he had not put in the number of years' service required by para. 3 of the Pension Act.

You ask why his name was included among those to whom the Pension Act applies, &c. The answer is that he was a member of the permanent force, and as a Sgt.-Major and Warrant Officer his pay was subject to the 5 per cent deduction required by para. 5 of the Act.

As to why he asks for a gratuity, I am unable to explain, unless he was under the impression that by asking he might possibly be granted something in view of his fourteen years' service. I enclose the original correspondence, which please be good enough to return.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *Col., D. M. of M. & D.*

AUDIT OFFICE, OTTAWA, May 26, 1903.

SIR,—Let me acknowledge the receipt of your letter of the 22nd instant, in further reference to your application for a Receiver General's cheque for \$40.05, the amount contributed by Sergeant-Major Page to the Militia Pension Fund, he being voluntarily retired on March 31, 1903, from the permanent force.

In reply, I have to state that the Militia Pension Act makes no provision for the repayment of the deductions from the pay of any officer who voluntarily retires from the service, or for any other payment of the nature of a gratuity.

I return herewith the original papers as requested.

I have successfully resisted such applications for persons who occupied similar positions with reference to the Superannuation Fund.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

Militia in Aid of Civil Power at Montreal—Expenditure to be Refunded to Government.

AUDIT OFFICE, OTTAWA, October 21, 1903.

SIR,—Please let me know whether the amount of the payments through Col. W. D. Gordon, of \$18,850.42 to the militia of Montreal, for services rendered in aid of the civil power at that place from April 28 to May 11, 1903, has been returned to the government.

The vouchers in connection with this expenditure have not yet reached this office. Please expedite their return.

I am, sir, your obedient servant,

DEPT. OF MILITIA AND DEFENCE, OTTAWA, October 24, 1903.

SIR,—With reference to your letter of the 21st instant, I have the honour to inform you that the District Officer Commanding, Montreal, has retained the vouchers connected with the payments by this department in aid of civil power at the time of the Longshoremen strike, in order to take the necessary action to recover the amount of the payments from the municipality.

I am asking for a report as to when they will be available for transmission to you.

I am, sir, your obedient servant,

DEPT. OF MILITIA AND DEFENCE, OTTAWA, November 24, 1903.

SIR,—With further reference to your letter of October 21, respecting payments in aid of civil power in Montreal, in April last, I have the honour to inform you that the District Officer Commanding, Montreal, reports that the original pay-lists are in file as records of the court, and that pending their being available for transmission to you he could, if necessary, forward receipts of the commanding officers for the amounts received by them and the cancelled cheques, or a statutory declaration from each commanding officer that the amount charged was received by him and paid to the unit under his command.

Will you kindly inform me, if these documents are furnished by the District Officer Commanding, if it will suffice for your present requirements.

I am, sir, your obedient servant,

The Auditor General.

L. F. PINAULT, *Colonel, D. M. of M. & D.*

AUDIT OFFICE, OTTAWA, November 26, 1903.

SIR,—Let me acknowledge the receipt of your letter of the 24th inst., relative to the expenditure in aid of civil power in Montreal.

The receipts of the commanding officers, the cancelled cheques and statutory declarations might, in the meantime, be forwarded to this office, as suggested in your letter.

Please let me know in what stage the action to recover the amount due now is. The services were rendered by the militia in April and May last. The cheque for \$18,850.42, to Col. W. D. Gordon, was issued on June 17, 1903.

Section 34, subsection 6 (last paragraph) of the Militia Act states that the officer commanding shall at once, in his own name, proceed against the municipality for the recovery of such pay allowances and cost of transport advanced in the first instance out of the Consolidated Revenue Fund, and shall, on receipt thereof, pay over the amount to the Receiver General.

In this branch of his duty the commanding officer is made by Parliament directly responsible for the duty, and therefore for the performance of it without unreasonable delay. So far as I am now able to see what my own duty is, neglect on the part of the officer would make it incumbent on me not to pass the pay of the officer while he neglects to perform that part of his duty.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. L. McDOUGALL, *A.G.*—
AUDIT OFFICE, OTTAWA, October 26, 1903.

SIR,—I have to remind you that the pay-lists and accounts asked for in my letter of the 5th instant have not yet been furnished this office. I expect to send the Militia and Defence part of the report of this office for 1902-03 to the printer at the end of this week, which of course I cannot do without obtaining that for which I am now asking. I shall therefore look forward to receiving it as soon as this reaches your department. Perhaps you will be good enough to telephone me should there be any delay.

NOTE.—The amounts opposite the City Post Offices in the foregoing statements, represent commission paid on Postal Note business. The salaries, allowances, &c., are charged to the appropriations.

Re Post Cards redeemed.

AUDIT OFFICE, OTTAWA, March 13, 1903.

SIR,—Among the damaged stamps and post cards destroyed on the 11th were 16,384 1c. post cards, bearing a printed communication of the T. Eaton Company, Ltd., Toronto, which had been returned by the Postmaster at Ottawa, and for which stamps were issued.

In April, 1901, I called your attention to a similar transaction with the same company. In reply you stated that the cards had been purchased by the company, that the communication printed thereon proved unsuitable or incomplete, that an application had been made to the Department for an exchange of these cards for clean ones, and in view of the exceptional nature of the circumstances the request was granted, the Postmaster at Ottawa being instructed to exchange the cards less the cost of manufacture.

In view of this second exchange granted to the same firm, I have to inquire if this privilege is general and if notice of the same has been made public?

I assume that the cost of manufacture has been deducted in the present case as in the former one. What disposition is made of the amount deducted?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

Re Casual Revenue.

POST OFFICE DEPARTMENT, OTTAWA, April 21, 1903.

SIR,—With reference to the Statement of Casual Revenue of this Department which accompanied my letter of the 17th inst., I inclose herewith certificates from the Superintendents of the Savings Bank and Postage Stamp Branches in reference to the items of \$25—received for new pass books supplied to Savings Bank depositors—and \$1.50—collected for cost of manufacture of Post Cards exchanged at the Ottawa Post Office.

The vouchers for the items \$51.64—sale of condemned Mail Bags to E. B. Eddy, Co.—and \$7.11—sale of tops of condemned Mail Bags to T. Lawson—have been lost in this office and therefore cannot be supplied.

I am, sir, your obedient servant,

The Auditor General.

W. J. GLOVER, *Act'g. Accountant.*

AUDIT OFFICE, OTTAWA, April 22, 1903.

SIR,—The statement of Casual Revenue for the December quarter, recently received from your Department has the following entries for which no vouchers are furnished :—

Sale of condemned mail bags to E. B. Eddy Co.....	\$51 64
“ tops “ “ T. Lawson.....	7 11

The acting Accountant states that these vouchers have been lost in his office and therefore cannot be supplied.

If the original vouchers are lost, duplicates should be obtained as no doubt they are obtainable.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

Re Surplus cash reported by Postmasters.

AUDIT OFFICE, OTTAWA, September 9, 1903.

SIR,—The surplus cash reported by Postmasters during the year ended June 30, 1902, was \$432.44.

The following are some of the amounts reported :—

Melita, Man.....	\$84 40
Amherstburg, Ont.....	63 26
Little Metis, Que.....	20 00

and nine offices about \$10 each.

I have to ask for further information.

Were these surpluses discovered by the Inspectors?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPARTMENT, OTTAWA, September 17, 1903.

SIR,—I am in receipt of your letter of the 9th inst., concerning the surplus cash reported by Postmasters during the year ended 30th June, 1902.

In reply I beg to say that the amounts mentioned were found over by the Postmasters in the official cash, when closing their returns to this Department, and were duly charged in the relative Cash Accounts.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

AUDIT OFFICE, OTTAWA, September 21, 1903.

SIR,—I am in receipt of your letter of the 17th instant, in which you state that the surplus cash is cash found over by Postmasters in the official cash, &c.

As one of these items was \$84.40, a second \$63.26, a third \$20, and nine others of \$10, the fact of such large surpluses seems to call for fuller information than you have given. What explanation, if any, did the Postmaster offer of these surpluses? Is the reporting of these amounts the voluntary action of the Postmaster? Did the Inspector make any inquiry into any of these large surpluses?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

Re Letters not answered.

AUDIT OFFICE, OTTAWA, November 5, 1903.

SIR,—I do not seem to have received any reply to the following letters:—

Re Post Cards redeemed, dated March 13, 1903.

Re Sale of Mail bags, &c. " April 22, 1903.

Re Surplus cash " Sept. 21, 1903.

These letters will be published and I shall be glad to publish your replies thereto, if received in time.

I am, sir, your obedient servant,

The Deputy Postmaster General.

Decrease of 'Profits on Stationery' as compared with Year 1901-02.

AUDIT OFFICE, OTTAWA, October 7, 1903.

SIR,—In adjusting the Stationery Office Stock Account for the fiscal year 1902-3, I find that the profits due to issuing stationery at more than cost, amounted to \$417.40. The profits for the fiscal year 1901-02 were \$4,195.16. I would like an explanation of the profits for the fiscal year 1902-03 being less than one-tenth of the profits for the year immediately preceding.

I am, sir your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, October 8, 1903.

SIR,—Referring to your letter of October 7, I beg to say that in my opinion it was inadvisable that the profits should amount to any such sum as \$4,195. Therefore the percentage added was reduced. The real object to be obtained is to bring the two sides of the accounts as near as possible to balance each other. That, together with an increase of about \$500 in salaries chargeable against profits, accounts for the difference.

I am, sir your obedient servant,

The Auditor General.

S. E. DAWSON, K.P. & C.S.

Stationery Office Stock : Inquiry as to Deterioration.

AUDIT OFFICE, OTTAWA, October 6, 1903.

SIR,—I have checked your stationery stock list for the fiscal year 1902-03 and find that it shows supplies on hand on June 30, 1903, valued at \$75,534.77. The articles included in that list are, I understand, priced at the original cost or at a trifle above the original stock, some of these articles, however, have no doubt been on hand for some time and have deteriorated in value. I would like a list showing what supplies, for this or any other reason, may be considered unsaleable and should be treated as dead stock.

I am, sir your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, October 7, 1903

SIR,—Replying to your letter dated the 6th instant, I beg to say that I know of nothing which has deteriorated in value since it has been in stock here. It never has been the custom of the department to buy anything in a speculative way, and all purchases are made with reference either to requisitions received or to regular demands. There are two items which may possibly fall under the head of dead stock. One is a lot of copying paper, bought for copying books for a certain department, which was thrown on our hands by a sudden change of system; and the other is a lot of lumber leads bought before the Bureau was established and taken over from the former Stationery Department. These leads are certainly dead stock so far as the Bureau is concerned. I would remark that staple stationery stock does not go

SESSIONAL PAPER No. 1

out of fashion and, with the exception of a few articles, such as typewriter ribbons, does not deteriorate when kept in a proper warehouse; and, if purchases are made on principles which have been in use in the Bureau for a number of years, I do not see why there should be any deterioration or loss by bad stock worth speaking about. The case of the yellow paper is an unusual one for we have been carrying a regular stock for years so as to have no delay in prompt supply of books always wanted in a hurry. So far as the government is concerned it makes no matter, but it was an injustice to the Bureau.

I am, sir your obedient servant,

The Auditor General.

Differences between Stationery Stock, as called for by Stock Ledger and as found by Actual Count.

AUDIT OFFICE, OTTAWA, October 6, 1903.

SIR,—I have your statement of stock on hand in the stationery office on June 30, 1903, which was arrived at by actual count of the supplies on hand and which was tested by officers from this office. I would like a statement showing in detail the differences, if any, that were found between the stock as it appeared from actual count and the quantities called for by your stock ledgers after they were closed for the fiscal year 1902-03.

I am, sir your obedient servant,

The King's Printer.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, October 13, 1903.

SIR,—Replying to your letter of October 6 asking me for a statement of discrepancies between the stock on hand as actually counted and the quantities called for by the stock ledger, I beg now to inclose the statement. As you will see there are on hand goods over what are called for by the stock ledger to the amount of. \$670 23

From which must be deducted the amount of shortage amounting
to. 626 46

Leaving an amount to the credit of the department of. \$ 43 77

Wages Cheque signed in Blank.

AUDIT OFFICE, OTTAWA, March 11, 1903.

SIR,—Wages cheque No. 10,857, sent as a cancelled cheque with the cheques paid by the Bank of Montreal in January, was signed by Mr. McMahan and countersigned by Mr. Barrette, although the amount was not entered in the cheque, either in words or in figures. I should like to know the circumstances under which this cheque was

signed in blank, and also whether it is the custom to sign or countersign these wages cheques before the date, name and amount are filled in. In this connection I would ask your attention to the regulations with regard to Letter-of-Credit cheques passed by the Governor-in-Council on June 27, 1888. The third of these regulations orders that no cheques be signed in blank, either in the inside or outside service. Kindly see that the regulation is strictly observed in future.

I am, sir, your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPARTMENT, OTTAWA, March 13, 1903.

SIR,—I have received your letter of the 11th instant informing me that, among the spoiled and erroneous unissued cheques sent you from here to keep the sequence of numbers continuous, one was sent you with the signature, name and date, but without the amount. The custom has been to prepare the wages list with the names a day in advance. The cheques are then filled in with the names and dates and one signature is added. By that time the attendance is known up to the fixed date and the amounts are filled in on the list and, by another clerk afterwards, on the cheques. The last signature is then added. The whole are subsequently finally checked before issue. It was on the final examination this cheque was noticed. In the haste of getting out five hundred cheques the last signature has been inadvertently added. The absence of the amount was not observed. I think it will be better in future to take more time. The cheques are gone over four times and the work is onerous and tedious, so that I have given instructions to take another day and not attempt to abridge the time by performing any of the processes concurrently.

I am, sir, your obedient servant,

The Auditor General.

SIR,—I am in receipt of your letter of the 13th instant in reply to mine of the 11th, with regard to the signing of cheques in blank. In reply I beg to say that the explanation given by you is quite satisfactory.

All Books should be Purchased through the King's Printer.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, March 20, 1903.

SIR,—Referring to your letter of October 23, 1902, as printed in your last report at T-85, I inclose you an account sent here to be paid from the Department of Trade and Commerce. This illustrates the subject then discussed. The books in question were ordered by that department and delivered there. The transaction was complete before the stationery office heard of it, and the evidence is on the papers inclosed. These books would have been bought by the Stationery Department at ten per cent discount in New York and would have been imported free of duty and charged at \$71. They

SESSIONAL PAPER No. 1

have been supplied by Morang at \$78. Apparently the government loses \$7 ; but, per contra, Morang had to pay 10 per cent duty on his import cost, so whatever that came to the government has it. The requisition is so drawn that correspondence is sure to arise from your office, and we may as well have it now as six months hence, when the circumstances are forgotten. What, in view of the correspondence referred to, is to be done with this bill ?

I am, sir your obedient servant,

The Auditor General.

S. E. DAWSON, *K.P. & C.S.*

AUDIT OFFICE, OTTAWA, April 3, 1903.

SIR,—I am in receipt of your letter of the 20th ultimo, inclosing an account sent you for payment by the Department of Trade and Commerce. From the account it appears that that department ordered direct from Geo. N. Morang & Co., of Toronto, 13 vols. of Appleton's Annual, at a cost of \$78, and have sent the account to you for payment, the books having been delivered direct to the Department of Trade and Commerce. You already know the view I take in cases of this nature, viz.: that such purchases are distinctly illegal, under section 3 of the Act respecting the Department of Public Printing and Stationery as amended by 51 Vict., chap. 51, which enacts that all such supplies shall be purchased and distributed through your department, and I believe that you agree with me in this interpretation of the law. The point as to whether the customs duties paid on the books by the Morang firm would make up either in whole or in part the amount lost by not purchasing through your department, may be left out of the question, as to my mind the only point at issue is the legality of the transaction. There seems to be nothing except to let Morang & Co. sell to you and you sell to the Department of Trade and Commerce.

I am, sir your obedient servant,

The King's Printer.

Cases in which Cash Discount was not obtained : Fuller Description Required in Account.

AUDIT OFFICE, OTTAWA, April 22, 1903.

SIR,—Your Letter-of-Credit cheque No. 28,028, issued in January last, is for a payment of \$254.90 to the Dreyfus Importing Co., of Montreal, for leather purchased for the bindery, as per invoice dated November 20, 1902. All the accounts paid to the Dreyfus Importing Co., with the exception of this one, have been subject to a cash discount of 4 per cent. I have accordingly to ask why this account was not paid in time to obtain the advantage of the cash discount which would have amounted to \$10.20.

I am, sir your obedient servant,

The King's Printer.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 22, 1903.

SIR,—In examining the accounts for purchases through your advance account from the firm of John M. Garland, Son & Co. during the current fiscal year, I find

considerable variation in the prices charged for cotton, etc. The dates of the invoices and the prices charged per yard are as follows:—

Grey cotton ; July 19, 4 cents ; July 22, 4½ cents ; October 27, 8 cents ; November 19, 4½ cents ; November 28, 5½ cents.

Plain bleached sheeting, 2 yards wide, : October, 27, 19½ cents ; November 28, 21 cents.

Pillow cotton : July 22, 12½ cents ; August 5, 11½ cents ; August 5, 12 cents ; October 27, 10½ cents ; November 4, 12½ cents.

I do not suppose that any variations in the cotton market would account for all these variations in price, but am inclined to the view that these variations arise, to a certain extent at least, from differences in the quality or in the width of the goods. No description, however, is given of the goods beyond the mere names, except in the case of the two last purchases of pillow cotton, which is stated to be 46 inches in width. I should like to obtain an explanation of the differences in price, and would ask that in future a full description of the goods purchased be given in every case.

I am, sir, your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, April 22, 1903.

SIR,—Your Letter-of-Credit cheque No. 28,029, issued on January 16 last in favour of the J. W. O'Bannon Company for the sum of \$168.60 is in payment of the full amount of the account rendered by that company for book-cloth supplied as per invoice dated December 10, 1902. The terms of this purchase appear to have been three per cent off if paid within 30 days. I have to ask why the account was not paid within the 30 days limit so that the discount, amounting to \$5.05, might have been obtained.

I am, sir, your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, April 29, 1903.

SIR,—I have received letters of inquiry which the press of other matters has prevented me from replying to until now :

1. You ask why a cash discount was not taken off a bill from the Dreyfus Company of November 20 as from all of their other accounts. The answer is that the conditions are different. This purchase was a competitive tender against several other firms, and not an ordinary purchase at current rates. No cash discount was due. The price was for cash.

2. You ask the cause of difference in prices paid for cotton to J. M. Garland & Co. The answer is that no two purchases are alike. The cotton used is chiefly for map mounting, and the breadth and quality must vary according to the maps to be done. Maps are of all sizes, and cotton for a small map must be thinner than for a large map. The quality also varies indefinitely, so that purchases are made separately as each occasion demands. They are made from a wholesale house of high standing and the cotton is selected by a man who understands such goods. You ask, further, why more details are not given on the invoices. I reply that I have looked at invoices now passing through and I find that they are the same invoices that are used in business and contain all the information that is given to merchants who understand such goods.

3. You ask why an invoice from O'Bannon was not paid within thirty days, so as

SESSIONAL PAPER No. 1

to secure the 3 per cent cash discount. The answer is that the goods came in by freight and were not opened and examined in time to secure the cash discount.

The Auditor General

Account for Lithographing disputed by Geological Survey.

AUDIT OFFICE, OTTAWA, March 19, 1903.

SIR,—On examining your statement of accounts unpaid on February 28 last, I find that the Geological Survey Department appears as being indebted to you to the amount of \$521.75 for books, forms, &c., furnished in October last. A reference to the accounts of the Geological Survey show that the printing account for October, which amounted to \$3,570.98, reached that department about the middle of November, but no payment was made until December 26, when a payment of \$3,049.23 was made on this account, being \$521.75 less than the amount of the account as rendered. I have to ask what explanation, if any, was made by the Acting Director of the Geological Survey for not settling this account in full, although later accounts have been paid without any reduction.

I am, sir your obedient servant,

The King's Printer.

J. L. McDOUGALL, *A.G.*

PUBLIC PRINTING AND STATIONERY DEPARTMENT, OTTAWA, April 2, 1903.

SIR,—I delayed replying to your letter of March 19, hoping to be able to report the balance due by the Geological Survey as having been paid. It has not, however, been paid and I have heard no more about the matter. I now beg to enclose you a copy of a letter I wrote Dr Bell upon the subject, and to say that I can do no more about it. If there be any virtue in your office to compel payment of a fair and just account I would be glad to invoke it. The lithographers have only to take suit and summon the officers of this department as witnesses to win their ease with costs.

I am, sir, your obedient servant,

The Auditor General.

S. E. DAWSON, *K.P. & C.S.*

PUBLIC PRINTING AND STATIONERY DEPARTMENT, March 25, 1903.

SIR,—I have delayed answering your letter of December 26 until I was able to make the fullest inquiry into the subject of it and to ascertain if, by any chance, there might happen to have been an error in the audit. The result has confirmed its accuracy and equity. The whole matter is in a nutshell. The western sheet of that Dominion map, which has been so many years in hand, had been finished. The transfer of the black stone had been completed and the colour stones had been made to fit it, for over twelve months previous to December, 1901. The colour stones being made and proved, everything was then ready, so far as the lithographer was concerned, to print the map off.

The work was stopped by the Survey, and revised copy was sent in on December 5, 1901. After those new alterations had been made another new stone had to be pre-

pared for the black and a new transfer made. The areas of the colours had been changed and the fine area lines were, of course, altered. Of necessity, therefore, new colour stones had to be made to fit the new black stone; for no accurate register could otherwise be had. I stated the case too mildly; it was not so much that it was cheaper, but it was imperative. Any attempt to patch up the colour stones would have been lost time for which the government would have had to pay, and, eventually, new stones would have to be made. This came out so plainly that it would be decided in ten minutes by any judge in a court of law by a simple production of the proofs and the evidence of any engraver of maps. I am not going to discuss the question of the ink or to consider seriously such statements as those you have accepted from your subordinate. The ink for the fading colours was imported for the whole edition in calculated proportion and lay unopened for years. When everything was ready the ink was opened, but another years' delay was interposed by the Survey and the ink was rendered useless. It is nothing to this department whether the Survey maps fade or not. The whole expense and trouble was incurred by me at the request of the late director. The money has been paid out and by every rule of equity and courtesy should be repaid. While writing I beg to add that the Auditor General has just applied to me concerning the balance overdue and I would ask for a cheque to cover it. I am holding back my reply until I can hear from you.

I am, sir, your obedient servant,

The Acting Director, Geological Survey.

S. E. DAWSON, *K.P. & C.S.*

AUDIT OFFICE, OTTAWA, April, 6, 1903.

SIR,—I learn from the King's Printer that there is an amount of \$521.75 claimed by him as due by your department in connection with the preparation of the western sheet of the Dominion map, which amount you have declined to pay, or at least have not paid up to the present time, although it has been charged against you for some months. In this connection I would draw your attention to section 3 of the Act respecting the Department of Public Printing and Stationery, which enacts that 'all printing, stereotyping or electrotyping, lithographing or binding, &c., shall be procured subject to the superintendence and audit of the proper officers of the department' (*i.e.*, of the Department of Public Printing and Stationery). Under this section you will see that after you have ordered the work through the King's Printer, the whole superintendence of the work is in his hands, as is also the auditing of the accounts rendered for such work.

I am, sir your obedient servant,

The Acting Director, Geological Survey.

J. L. McDOUGALL, *A.G.*

GEOLOGICAL SURVEY, OTTAWA, April 24, 1903.

SIR,—Pressure of work in connection with our summary report and sending out the field parties, has prevented me replying sooner to your letter of the 6th inst. In regard to the delay in paying the item of \$521.75 claimed as due by the King's Printer, you would best understand the reason of this delay if you would have the kindness to look

at the correspondence in connection with it, and if you would see fit to do so, I should be glad if you would ask the King's Printer to allow you to do this.

I am, sir your obedient servant,

The Auditor General.

Date of sending out Accounts for Printing, Stationery, &c.

AUDIT OFFICE, OTTAWA, September 8, 1902.

SIR,—I am in receipt of a statement from your accountant showing that on August 31 last accounts amounting in all to \$27,252.36 for printing and stationery supplied during the month of July had not been paid on that date, in contravention of the Order in Council of November 8, 1890. I am anxious to ascertain the reason of the delay in settling these accounts, as the departments cannot, at this time of the year, have the excuse of not having sufficient funds to meet these accounts. I have, accordingly, to ask you to inform me of the dates on which the accounts for the month of July were submitted to the various departments.

I am, sir your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, September 9, 1902.

SIR,—Replying to your letter of September 8, I beg to inform you that the printing accounts for July were all sent out about August 12. The stationery accounts were out on August 14 excepting a few which were held waiting until the requisition forms were returned; all of them were out on the 20th. As you are aware many of the civil service officers were at that time absent on their holidays and any delay in settlement or in return of requisitions may, perhaps, be accounted for in that way.

I am, sir your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, March 9, 1903.

I have to ask what steps you have taken to collect these charges, and what reasons have been given by the Board of Examiners for the delay in settlement.

I am, sir your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, March 23, 1903.

SIR,—Answering your inquiry as to certain amounts due from the Board of Civil Service Examiners, aggregating \$219.11, I beg to say that the secretary affirms that the appropriation is exhausted and the amount must stand over for the new vote.
