( " Allah ordered women to wear Hijab and not wear any clothes that describe or reveal any part of their bodies " ) ( 60 of prophet Mohammed sayings )

**\_\_ About the author :** Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called ( الكامل في السنن ) . It contains ( 60,000 ) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , ( 150 ) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number ( 24 ) , in the author's series books in arabic .

( الكامل في أحاديث أمر النبي بالخمارة والغلالة والذيل )

**\_ Notes by the translator :**

**\_ About this form :** Imam ... tell in his book ... about ( Name ) . This ( name ) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

**\_ When it's mentioned that** Imam ... tell in his book ... about comapnion ( Name ) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

**\_ In some sayings you** will find ( as the previous one ) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say ( as the previous one ) .

**\_\_ Saying's number may be** slightly different between the different editions of the books .

## The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand ( 60,000 ) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

In Islam , it's a must on free women to cover all their bodies except face and hands . Also it's a must to wear wide baggy clothes that not describing any aprt of their bodies . In this book , I collect all prophet Mohammed sayings about this rule .

\_ Note : some said that a few Islamic Imams allowed women to wear clothes that describe parts of their bodies . This is an absolute lie . All comapnions and Imams order women to wear baggy clothes that not describe any part of their bodies .

But , there are a few Imam talked about , if women already wear baggy clothes and walk on street , then a strong wind came and moved their clothes to the degree of describing parts of their bodies .

They say that Allah will not punish her on that because she did not intentionally do it . But no one of them said that it's allowed for women to intentionally reveal or describe any part of their bodies .

-----

**\_\_ That made some people talk about this rule :**

\_\_ Some said that Hijab and the orderes to women to cover their bodies started after thirteen ( 13 ) years of Islam . And this means that muslim women did not wear Hijab for 13 whole years . Is that mean that they were available things for men to look at them ?

And is this mean that companions were looking at women whenever they wand because women did not wear the usual Hijab ?

If you say no and say that companions were not looking to all women whenever they want , people will tell you so what is the difference after Hijab . You can not look at women regardless they are wearing Hijab or not .

\_\_ Some people talked about that Hijab is a must only the free muslim women and it is not on the slaved muslim women . And in Islam , the slaved muslim woman is allowed to uncover or show her body except the area between her navel and knee .

So , they asked what is the difference between bodies of free and salved women ? Or this mean that it's very ok to look at slaved women bodies whenever you want juat because they are slaves ?

\_\_\_ There might be more research in this matter to find the best possible solution , but the book is only for collection sayings of prophet Mohammed about this matter .
