ORDER REOPENING PROCEEDING AND MODIFYING FINDINGS AS TO THE FACTS AND CONCLUSION AND ORDER TO CEASE AND DESIST

This matter coming on to be heard upon the petition of respondent Pillsbury Flour Mills Co., praying the Commission to reopen this proceeding and to modify its findings as to the facts and conclusion, and order to cease and desist,¹ both being dated April 27, 1939; and it appearing to the Commission that each of the respondents named in the caption hereof, except respondents Washburn-Crosby Company, Inc., and Red Star Milling Company, against whom the complaint herein has been dismissed heretofore, have filed with the Commission a waiver of notice of a hearing on said petition of said respondent Pillsbury Flour Mills Company, said waivers consenting that the Commission may consider and act upon the said petition and determine the matters and things contained therein without any intervening procedure, such as the filing of answers, petitions in intervention or briefs, and a formal hearing and argument on said petition having been likewise waived; and said petition being now properly before the Commission for determination, and the Commission having duly considered the same and the record herein, and being now fully advised in the premises;

It is ordered, That this proceeding be, and the same hereby is, reopened for the purpose of the entry of this order and that the Findings as to the Facts and Conclusions and the Order to Cease and Desist heretofore entered herein be modified and amended as hereafter set forth.

It is ordered, That Paragraph Four of the Findings as to the Facts and Conclusion, made by the Commission herein and dated April 27, 1939, be and the same

¹ 4 F.R. 1948 DI.

hereby is modified and amended to read as follows:

"PAR. 4. Respondents Washburn-Crosby Company, Inc., and Red Star Milling Company, were legally dissolved June 1, 1937, prior to the issuance and service of the complaint herein. Respondent Pillsbury Flour Mills Company is a Delaware corporation with its general office located in Minneapolis, Minnesota. Respondent Kansas Milling Company is a corporation with its principal office and place of business located in the City of Wichita, State of Kansas.

"Respondents Pillsbury Flour Mills Company, Consolidated Flour Mills Company, and Kansas Milling Company are engaged in the milling and sale of flour. Prior to about May 1, 1937, which was prior to the issuance and service of the complaint herein, they formerly paid brokerage fees of ten cents per barrel to respondent Quality Bakers of America, Inc., the usual and customary brokerage fees paid by them to brokers being fifteen cents per barrel, but on or about said date said respondents ceased making such brokerage payments to respondent Quality Bakers of America, Inc., and have not resumed this practice."

It is further ordered, That the following paragraph be inserted as an additional and last paragraph of the Conclusion, being a part of the Findings as to the Facts and Conclusion of the Commission, dated April 27, 1939, to wit:

"The respondents Washburn-Crosby Company, Inc., and Red Star Milling Company were legally dissolved prior to the issuance and service of the complaint herein, and these companies are no longer corporate entities authorized to engage in business. The respondents Pillsbury Flour Mills Company, Consolidated Flour Mills Company, and Kansas Milling Company ceased paying brokerage fees to Quality Bakers of America, Inc., prior to the issuance and service of the complaint herein, have not resumed making such payments, and the Commission has no reason to apprehend that these respondents or any of them contemplate resuming or that they will resume the practice of paying such brokerage fees so discontinued prior to the issuance and service of said complaint."

It is further ordered, That the Order to Cease and Desist entered herein on April 27, 1939, be modified and amended by striking from said order the paragraph reading as follows:

"*It is further ordered*, That respondents Pillsbury Flour Mills Company, Consolidated Flour Mills Co., and Kansas Milling Company and their officers, representatives, agents and employees, in connection with the sale of the commodities in interstate commerce to the stockholders of Quality Bakers of Amer-

ica, Inc., do forthwith cease and desist from paying or granting, directly or indirectly, to said Quality Bakers of America, Inc., or to any such stockholder anything of value as a commission, brokerage or other compensation, or any allowance or discount in lieu thereof;"

"*It is further ordered*, That the complaint herein, be, and the same hereby is, dismissed as to the respondents Pillsbury Flour Mills Company, Consolidated Flour Mills Company, and Kansas Milling Company, for the reason that prior to the issuance and service of the complaint herein, these respondents ceased paying brokerage fees to respondent Quality Bakers of America, Inc., and the Commission has no reason to apprehend that said respondents or any of them contemplate resuming or will resume the practice of paying such brokerage fees to said respondent."

The Commission finds that:

It is necessary, desirable, and in the public interest that the Commission enter upon a hearing concerning the lawfulness of the proposed increased rates or charges and that said proposed increased rates or charges be suspended pending such hearing and the decision thereon, but not for a longer period than five months beyond November 21, 1939;

Nos. 9, 10, and 11, as modified by Supplements Nos. 1, 2, and 7 thereto, shall remain and continue in full force and effect;

(D) This order does not suspend or otherwise affect the rates and charges to be collected and received for natural gas sold to the Mississippi River Fuel Corporation for resale for ultimate industrial consumption only;

(E) At such hearing, the burden of proof to show that the proposed increased rates and charges are just and reasonable shall be upon the United Gas Pipe Line Company.

The Corporation proposes further that, upon the declaration and payment of the full amount of these dividends in arrears, the Corporation shall be permitted, without further authority from the Commission, to declare and pay the regular dividends on the \$3.00 Cumulative Preference Stock out of income accruing after payment of the dividends in arrears, upon condition that, the excess of such income above the amounts required to pay the regular dividends on the Preference Stock shall be credited to the Capital Surplus Account until the full amount of the dividend charged thereto shall be restored to that account; and no dividends shall be declared or paid on the Common Stock of the Corporation until such amount shall have been restored to the Capital Surplus Account.

The Corporation also requests that it be given such other and further relief as in the premises may be just and proper.
