NARBERTH, PA., THURSDAY, JANUARY 25, 1917

PRICE TWO CENTS

A COMING FEATURE OF INTEREST TO NARBERTH FOLK

There is no element which will enter into our future success more vitally, have greater influence and bearing on our national prosperity than perfect, judicious, and CONTINUED EDUCATION.

We must continually educate ourselves. Any NARBERTH man, or woman, from 18 to 80 years of age, can and ought to do this, not necessarily taking a college course, but keeping up with the times, and taking advantage of the intellectual "plums" that are offered from time to time.

And an exceptionally delicious "PLUM" is offered every native of Narberth and vicinity.

It will be given for the benefit of America's Greatest Institution—The School—The NARBERTH HIGH SCHOOL, in particular.

It is the duty of each and every intelligent person of Narberth to patronize any act, entertainment or affair which will further the cause of our School.

The Alumni Association of the Narberth High offers you an opportunity to assist in the advance of the Alumni work, and in the furthering of the interests of the School. Our Association is in embryo shape; we need encouragement, and we want your assistance.

The Executive Committee of the Alumni Association has planned a course of four lectures, the first one to be given FEBRUARY 16, subject, "BOY SCOUTS," delivered by Mr. Lewis Buddy, Field Commissioner of Boy Scouts of America.

Second Lecture, MARCH 9.—"TRIUMPHANT LIVING," by Hon. Levin Irving Handy.

Third Lecture, APRIL 6.—"THE NATURE, AND WORTH OF WIT AND HUMOR," by Dr. Francis Harvey Green, of West Chester.

Fourth Lecture, lecture by Dr. Charles T. McFarlane, of Columbia University.

ONLY ONE DOLLAR FOR THE WHOLE FOUR LECTURES!

If you intend giving a friend a gift of any kind, why not make it a ticket to this remarkable course of lectures?

Send your joy, especially to the first lecture on "BOY SCOUTS," February 16. This talk will inspire him and give him new ambition.

This is something "worth while." Come and enjoy it with us. MEMBERS OF NARBERTH HIGH SCHOOL ALUMNI ASS'N.

ONE HUNDRED DOLLARS FOR THE Y. M. C. A.

The Woman's Auxiliary of the Narberth Young Men's Christian Association, a company of our home town women interested in the welfare of the Y. M. C. A., and organized January 4, 1917, for the purpose of assisting the said association financially, and doing all in its power to help the directors and managers to make 1917 the happiest and most prosperous year in its history, have undertaken the work necessary to meet the requirements stipulated by the "To-day's Magazine Aid Department" in offering a prize of one hundred dollars. The Canton Magazine Company, publishers of "To-day's," have offered a prize of one hundred dollars for two hundred and fifty subscriptions to be received by them between January 15 and March 31, 1917. To-day's Magazine is issued monthly at the price of fifty cents per annum, and in its present form is a most attractive monthly periodical, but as the publishers have purchased the "Housewife," and, beginning with the February issue, will combine the two magazines, it is needless to say that those investing fifty cents, will be amply repaid for such expenditure, as they will not only receive twelve issues of "To-day's Housewife," but will also be contributing forty cents to the Narberth Y. M. C. A.

The forty members of the auxiliary are most interested in this enterprise and as they canvass the town for subscriptions, we earnestly solicit your support.

We have investigated a number of references, and have been convinced by several personal friends of our auxiliary members, who have received prizes for similar campaigns, that the offer is entirely reliable.

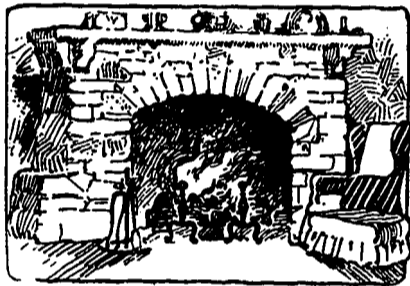

At this writing (Monday evening) we have seventy-five subscriptions and hope to receive the balance long before the time limit, March 31. Will you help us?

The regular monthly meeting of the auxiliary will be held in the Y. M. C. A. Building on Thursday, February 1, at 2.30 promptly. A full attendance of all members is desired.

The officers of the auxiliary so far appointed are: President, Mrs. David D. Stickney; vice-president, Mrs. Charles E. Kreamer; secretary, Mrs. Alexander Chambley; treasurer, Mrs. Samuel B. Dickey; membership manager, Mrs. Romaine C. Hoffman.

C., was announced a week ago, was the guest of honor at a farewell party which was given by Miss Vera Bernice Chesley, of 5859 Willows avenue. The guests included the members of the Bachelor Maids' Club, of which both hostess and guest of honor are members, and from which organization Miss Wentz is the first to resign.

The annual meeting of the Narberth Y. M. C. A. occurred January 15, Mr. H. S. Hopper in chair. The annual reports were received and plans suggested for the work of 1917. The following directors were elected for three years: A. J. Loos, C. E. Downes, G. M. Henry, C. H. McCarter, T. H. Coggeshall, Daniel Leitch and T. Noel Butler. For unexpired term of two years, W. T. Bailey, Thos. C. Trotter, Jr., acting secretary.

The Narberth Methodist Church Choir were entertained at the home of Mr. Irvin Ward last Wednesday evening. The guests were entertained by appropriate and amusing games, and the choir rendered some splendid vocal numbers. This choir has grown considerably since its organization both in members and training and is doing splendid work at "The Little Church on the Hill." These social evenings will probably be monthly affairs.

All Saints' Church, Wynnewood, hopes to be able to commence building the proposed parish house early in the spring. The Rev. Andrew S. Burke, rector, has been quite ill with an attack of grip. The services for the past two Sundays have been in charge of the Rev. Gibson Bell. The rector has so far recovered as to expect to resume his duties on Sunday next, January 28. There is a possibility of the need of a good soprano singer in the paid quartet choir. This would be an excellent opportunity for a young lady with a good voice who desires to be with a capable organist and where she would be appreciated. Communications addressed to All Saints' Church, Box 92, Wynnewood, Pa., will receive attention.

The Depfer Evangelistic Campaign Began Sunday Night

the services being held in the Arcade Building. On Monday evening the reception to the Depfer party was held at the Y. M. C. A., and on Tuesday evening services were held in the Presbyterian Church. Last evening the Tabernacle was opened, and services held therein.

"All Signs Point to the Tabernacle"

The Kappa Sigma Phi Sorority gave a luncheon at the Arcadia last Saturday, followed by a theatre party at the Adelphi, in honor of Mrs. C. G. Adams, of Boston, and Miss Nellie Jones, of Erie, who are honorary members of this club and are visiting their friends in Narberth for a few weeks. The engaged members were surprised every ten minutes at the luncheon by receiving telegrams supposedly from their fiancés accompanied by small characteristic gifts. Miss Wentz received the piece of music entitled, "I Love You, California," as she will probably make that her home after her marriage and the song was played by the orchestra upon request. White ivory picture frames engraved with the Greek letters of the Sorority in black were the souvenirs at each plate. Several affairs have been planned in honor of these two visiting members of the Kappa Sigma Phi.

Fletcher W. Stites spoke at the Republican Club in Lansdowne, Pa., last Monday evening. Of his visit, the Delaware County Times, under date of January 19, says: "The keynote of Mr. Stites' talk reduced to one word was 'fairness,' and he in beautiful language and in a practical manner called to mind events in history running back for ages, in fact to the oldest records of mankind, revealing striking instances of this underlying trait in human affairs, but never has its full force and the realization of its importance in the affairs of men been so pronounced as it is at the present time. The spirit of co-operation and the demand for a square deal is everywhere. Mr. Stites recited Robert Browning's 'The Pied Piper of Hamelin,' and closed with, 'If We Promised Them Aught Let us Keep Our Promise.' We venture Mr. Stites will again be invited to speak to the club."

Bryn Mawr was selected as the place to hold next year's meeting, at which time Narberth expects to make a bid to bring Uncle Sam's Main Line force to "The All Year 'Round Home-town'" in 1919.

IS THE CUB'S NAME BILL?

To the Editor of Our Town: Why does the "Cub" always write of Bill Cummer, Bill Claghorn, Bill Cohic and Bill Henderson? Maybe the high cost of living has brought his own bills to mind, or perhaps he is sore because his own name is Bill. Is that true?

"Anxious."

COMMUNITY CLUB POSTPONES LECTURE BY IMOGEN OAKLEY

As announced in a previous issue of Our Town, Mrs. Imogen B. Oakley was to lecture before the Community Club on Friday evening, January 26. In view of the fact that this might possibly interfere with the attendance at the revival services, the lecture has been postponed until Monday evening, February 19.

Tickets for single lectures may be purchased at the door of the Community room in the Y. M. C. A.

To the Editor of Our Town:

With your permission I would like to announce to the residents of Narberth that it has been decided in Council to have a census taken in our borough. This will be done by our courteous officer Mr. D. J. Hill, who will begin work in a few days. He will also make inspection of cellars and premises and see that all houses are properly numbered. Asking the co-operation of all citizens of Our Year Round Home Town, I am

Wm. D. Smedley,
 Chairman of Police Committee.

There is a limited number of tickets for the lecture course to be given by the Narberth High School Alumni Association, therefore adopt the "Safety First" motto and procure your tickets early. The Alumni Association is endeavoring to accomplish results in using "system" and consequently has divided Narberth into streets in charge of different members of the alumni. Therefore each resident of Narberth should be visited and given an opportunity to purchase a course ticket for the mere sum of one dollar, which is exceptionally reasonable, and which is the result of a "pull" enabling the alumni to procure these well known lecturers at such a nominal figure. If, accidentally, you should not be visited by a member of the association, kindly apply to persons enumerated below: Chestnut avenue, Miss Madeline McCoy; Conway avenue, Miss Corrie Yowell and Eva Jenkins; Dudley avenue, Misses Corrie Yowell and Eva Jenkins; Elm Terrace, Mr. Roy Griffith; Elmwood avenue, Miss Silvia Cummer; Essex avenue, Miss Ruth Prescott; Forest avenue, Miss Marguerite Mueller; Grayling avenue, Miss Marguerite Mueller; Hampton avenue, Mrs. Harry Seasholtz; Haverford avenue, Miss Maude Wipf; Iona avenue, Miss Maude Wipf; Maple avenue, Miss Silvia Cummer; Merion avenue, Mr. Franklin Foster; Montgomery avenue, Miss Augusta Witherow; Narberth avenue, east side, Miss Marjorie Jefferies; Narberth avenue, west side, Miss Lillian Compton; Narberth avenue, south of railroad, Mr. Charles McCarter; Price avenue, Miss Ruth Prescott; Rockland avenue, Miss Augusta Witherow; Sabine avenue, Mr. Roy Griffith; Wayne avenue, Miss Ruth Prescott; Windsor avenue, Miss Corrie Yowell and Eva Jenkins; Woodbine avenue, Mrs. Harry Seasholtz; Wynnewood avenue, Miss Mary McCarter.

CUB SAYS "BOOST THE EVANGELIST"

To the Editor of Our Town:

Not so many moons ago there was a certain prosperous milk dealer down along the P. B. & W. who was losing his trade, his health and the respect of his large family solely because his appetite for booze was constantly growing and demanding its usual sure enough fatal toll. This man was fairly dragged by some friends to hear Billy Sunday's booze sermon. He went the second time of his own volition. Well, to cut the agony short, Mr. Milkman cut the booze, and his family, his health and his business were the gainers—to put it mildly.

Regardless of what you or I may think of Billy Sunday, we will certainly be fair enough to give him credit for a mighty good job in this instance. There are many good marks of this kind to Sunday's credit, as you know.

Now don't be afraid I'm going to spring a sermon on you—not me. What I want to do is to put in a good word for the evangelist who is now in Narberth for a three weeks' session. Irrespective of your views on religious subjects generally, or as skeptical as you may be on the subject of evangelists, you know that this man's mission may, and probably will, be of benefit to some of his hearers, and that being so, I think that the very least every person can do is to lend his or her moral support. Come in; don't knock. Go hear him—he won't bite—or stay away if you chose, but if there is any chance of his giving some unfortunate a lift, let's applaud and boost. You and I can name somebody that might be benefited. Now don't get personal!

INSIDIOUS, PERNICIOUS AND POWERFUL

and it stalks its hideous way here, there and everywhere! Let's all agree to give no quarter to the unspeakable germ—let's all agree to lambaste it at each possible opportunity! Every time the kitchen is scrubbed, make sure a spoonful or two of a reliable disinfectant is used in the wash-water. The sinks, toilets, garbage cans and drains should all receive their daily dose—and a weekly spray of the cellar—a five-minute operation—would most certainly be conducive to that ideal sanitary condition which it behooves us all to help accomplish. Better come in and talk over the best-known and most effective methods—the foe is too malignant to have your efforts spent in vain. A quarter or a half-dollar will accomplish a great deal—will pay the way for a long period of proper sanitation—a stiff contest against the intruder—whilst the refreshing air of wholesomeness coincident with hygienic household methods will repay a thousand-fold the slight disbursement, for in this respect the results are at once visible—apparent—discernible. Howard is ready to serve you.

The Brightest Spot in Narberth

A drug store in the most modern sense of the term

Speaking of evangelists, do you know who is the greatest in this country? Henry Ford, of course. He has shaken more hearts and souls than any other living man.

You are not allowed to enter the Y. M. C. A. Building unless you remove your hat. Why not go a step further and adopt the Japanese method of removing your shoes, too?

Ed. Seaver, formerly of this here place, now living in the city of churches and cemeteries, has just returned from a transcontinental tour. Says Narberth is the best town in America. He reads "Our Town" regularly, also the "War Cry."

Accompanying him on the trip was a newly arrived Englishman, who was bound for San Francisco, but who had no idea of the vastness of the U. S. A. One day the Englishman saw a city in the distance and immediately began preparations for leaving the train. Ed. asked him what he was doing. "Isn't this San Francisco," replied the Britisher. "No," says Ed, "this is Buffalo," and so it went all across the continent every time a big city was cited. Finally the train reached its destination and Ed. told his companion that he could now pack his things and prepare to get off. "Say," said the Britisher, "how did you Americans find this big country?" "Columbus discovered it," says pretty Ed. "My word!" was the reply, "how could he have missed it?"

Ed. Muschamp says: "The hand that rocks the cradle ain't allowed t' put its X on the ballot, but the fool that rocks the boat never misses an election."

We hear that a member of the Council was hit in the eye with a piece of Irish bull pine. He could have avoided this by using the new fire escapes. His views on the relative merits of different kinds of lumber have changed.

Edgar Taylor's voice is improving. His solo at the Presbyterian Church

last Friday evening was worth the price of admission.

Some good husbands in this town, judging from the number who stayed at home and minded the babies while their wives were at Friday night's dance.

Since Horace Hillegas put on that 5.40, he's looking for new worlds to conquer. Why not a station at your back fence and a siding into your yard, Horace?

"Cub."

Mr. Edward L. Pedrick's Bible class of young women gave him a surprise party on Thursday evening at his home, 111 Grayling avenue.

BOY SCOUT NEWS

Troop One

The last meeting of Troop One, Narberth Boy Scouts, was held in the community room of the Y. M. C. A. on Friday, January 19, 1917, at 7.45 P. M.

Mr. H. C. Gara, Scout councilman, then showed us a sample of the posters advertising the Depfer Evangelistic Campaign and asked for twelve volunteers to distribute these posters.

The Scouts now have a bank account in the Merion Title and Trust Company, which was started with Mr. Riley's liberal donation.

Kangaroo Patrol

At the Kangaroo's last meeting all members of the patrol were present and it was decided to hold meetings only once in two weeks.

Seal Patrol

At the last Seal meeting only one-third of the total number of members were present.

The members were Baird Caldwell and William Stanley. Stanley could not well help being present as the meeting was at his house.

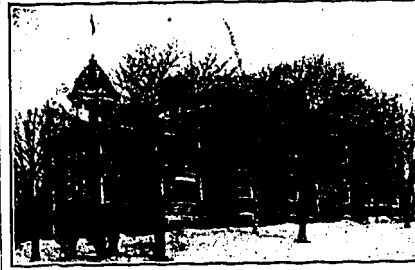

Flying Eagle Patrol

Last week's meeting of this patrol was not held.

We are glad to see that Beatty is again attending Scout meetings. He gave us a fine talk on the qualities and requirements of an associate Scout.

SCHOOL NOTES

School motto: Without halting, without rest; Lifting better up to best. —Emerson.

Note!

A pupil who ever says to his parents "I have no lessons to study; I can do them all in school," is speaking an untruth.

Parents will be supplied with home study programs if desired. Some people evidently have gotten busy lately. The basement begins to look like itself.

The new heating and ventilating system is delighting the pupils and teachers.

President McCarter accompanied by Principal Melchior and Misses Turner, Twining, Fryer, Larzalere and Snyder, attended the sessions of the Montgomery County High School Teachers' Association last Saturday.

They report a profitable meeting. Lively discussions followed the announcement of the following topics.

Round Table Conference

- 1. Ways and means of securing parent co-operation and support in High School work.
2. How shall we organize our History Courses in the High School?
3. What are the best methods of developing the vocabulary of High School students?
4. Why does contemporary literature not have a place in our High School courses?
5. Better things in High School English.
6. What are you doing to direct your pupils in their High School courses?
7. Effective methods in first year Latin.
8. Advantages and disadvantages of the junior High School.
9. Supervised study in the High School.
10. Industrial courses in the High School.

P. S. Subjects suggested at the meeting will also be discussed, if desired. The afternoon session was as follows:

Discussion of High School topics. Address, Dr. N. W. Cameron, Principal Normal Training School, Baltimore, Md.

We have been enjoying the readings by pupils during the opening exercises; also the manner in which the seniors conducted the programs.

Senior Notes

Have you noticed the triumphant smile on Miss Snyder's face lately? Well, she is certainly wearing one and all because the Juniors had a perfect spelling lesson the other day.

Thanks to those who brought candy and those who bought it; the Seniors' candy sale was a great success. The net proceeds were \$8. However, the demand exceeded the supply to such an extent that this class is planning another candy sale for Friday, Jan-

ARTURO PAPALARDO

Pupils taught from the beginning to the final preparation for the concert or operatic stage.

Mr. Papalardo numbers among his pupils: Lucrezia Bori, Metropolitan Opera Co. Paula Witkowska, Boston Opera Co. Ethel Parks, Metropolitan Opera Co. Stella Mette, Chicago Opera Co.

Papalardo's European and American successes as conductor of about forty-two operas and as a teacher of the above mentioned pupils affirm his thorough training and high musician-ship.

Y. M. C. A. NOTES
Boys' Department
 The boys are all together now, as is manifested by their amalgamating together into clubs and their increased spirit on the floor of the gymnasium. The Conway Boys' Club held a special meeting on Friday night last and have changed their name to Montgomery Boys' Club, with colors red and blue.
 This particular club is composed of clean-cut fellows ranging from twelve to sixteen and is progressing very rapidly and deserves the full support of the community.
 There has also been another club started which has called itself the Grammar School Boys' Club, and whose members range from eight to fourteen and are composed mostly of boys in the sixth grade at school. They have started off with a membership of about fourteen with basket ball as their aim.
 It is the hope of the association to form an interboro league and furnish enough basket ball games among all classes of boys and young men to appease the hunger of the basket ball goers here in town, so when the boys tell you that there is a game scheduled, come on along and root for the side you choose and help the boys along. They now have the proper spirit behind them and are waiting for the community to back them up.
 The boys' game room has been presented with three new Cue Roque cues and the boys are now trying to work the tips off of them, as everybody who is a member of the room is on the job to get into the clean sport.
Senior Department
 It has been somewhat of a difficult matter to get the older boys interested in the physical department, but they are gradually turning out one by one on Wednesday nights until within the course of the next few weeks we hope to see them all up on the gym floor getting into the much-needed exercises.
 There has sprung up, much to the surprise of all concerned, a new basket ball club, whose members hold a special meeting on Monday night to formulate their future plans.
 The boys range in ages and heights to those of our first team and all of them "look good."

A MEETING OF THE STOCKHOLDERS OF THE Narberth Building & Loan Association
 to nominate Officers and Directors to serve for the ensuing year, will occur
Thursday, February 1st, 1917, at Elm Hall
 The election will take place at the Annual Meeting in March
THOS. C. TROTTER, Jr., Secretary

Special Notice
 In order to make some extensive changes and additions to the gymnasium in the way of new apparatus, etc., there will be twelve boys sent out to make a house to house canvass for the required money.
 We need a spring board, horizontal ladder, jumping standards and a steel cabinet to hold the dumb bells, Indian clubs and wands. The latter will do away with all obstructions for the benefit of the basket ballers and users.
 The above items will cost approximately the best part of \$200 and the necessity of them cannot be overlooked at the present time, due to the increasing membership and the particular interest which is being shown especially in the gym.
 Won't you, therefore, be kind enough to contribute something, no matter how small for the upbuilding of the gymnasium and the community?
 These improvements will eventually bring about greater approximations which will and can be enjoyed by everybody that resides in our town.
 A word to the wise is sufficient.

Basket Ball
 We were to play the West Branch Y. M. C. A. senior team Saturday night, but they did not show up.
 By the way, if you will remember, once before we had a scheduled game with the same people and they done the same trick. Both Mr. Rose, athletic manager, and Mr. Schaeffer kept the West Branch phone red hot trying to get a definite yes or no as to whether the team was on their way and each time they expected them at any minute we could expect them at any minute. After considerable "watchful waiting" and especially after the hands on the clock showed 8.45 P. M., we came to the conclusion that the team was going elsewhere and not coming to Narberth, so we split the Narberth Athletic Club with the senior team and played the Autocar team with the following results: Score 48 to 19.

Narberth.....	Autocar.....
Mac.....	forward.....E. Davis
Bolman.....	forward.....H. Smedley
Brennal.....	center.....Kirk
Nicolson.....	guard.....Wallace
Brasse.....	guard.....Levinisky

Field goals, Narberth—E. Davis, 7; H. Smedley, 4; Kirk, 8; Wallace, 2 and Levinisky, 3. Autocar—Mac, 2; Bolman, 2; Brennal, 1 and Brasse, 1. Foul goals, Narberth—Smedley, none out of 5, and Levinisky, none out of 1. Autocar—Brasse, 7 out of 9. Referee—L. Davis, of Narberth.
 The West Branch basket ball management is far beyond our understanding and there must be something very radically misplaced when their team does not show up for the second time, and we have come to the ultimate conclusion that their team will never have the third time to turn us down

as far as basket ball is concerned, for we will not go so far as to give them even the slightest chance.
 The Anthwyn Boys' Club defeated the Conway Boys' Club on Thursday night by a score of 32 to 16, but the Conway's clean playing is a feature not to be overlooked.
 Just a word to our "regulars:" There are star attractions in basket ball offered to our town folks up until the end of the season, so that there will be no cause for "stay-ins" on Saturday nights.

SCHOOL NOTES
 (Continued from Third Page)
 of the Seniors. The Freshmen have not been able to play since then for the game has not been paid for yet. For more particulars ask Freshmen Dickie and Cooke.
 Suggestions for a Senior yell: Seventeen once, seventeen twice, Oh, my goodness sakes alive. Margaret Eyre, Editor. Leslie Smith, Associate Editor.

Junior Notes
 The Junior Class was largely represented at the basket ball game at Lansdowne. Although Narberth lost, the game was a victory in sportsmanship.
 'Ere long the Lansdowne girls will come to Narberth and then we will show them how we can play and what school spirit is.
 Every member of the Junior Class made a perfect lesson in spelling this week.
More History Teaching Essential
 History Teacher: "What war was going on in America at the time of the French Revolution?"
 Pupil: "Why—er the French-Indian War wasn't it?"
 Teacher: "No! No! The year when they signed the Declaration of Independence."
 Pupil: "Oh, yes! The Civil War."
Sophomore Notes
 Algebra Student: "Miss Sailor, the book says 'pi square,' but I always thought that pies were round."
 The class is very much pleased over the appearance of the new class rings. All have not been received, but those who have not their rings, anticipate their coming with the greatest pleasure.
 The sophomores will soon have a new class song. It is being written by one of the class.
 Seen on a Junior English paper: "Jane Addams had a physical handicraft."
 Upon investigating it was found that the pupil meant "handicap."

Freshmen Notes.
 The Seniors and Freshmen have arranged a basket ball game which is to be played Wednesday afternoon at 3.30. Everybody out and watch us trim those hefty Seniors.
 The school had the privilege of hearing the Freshmen boys sing a selection from Homer Von Stitzberg. We

have been receiving many letters of congratulation and many ask us why we didn't charge admission.
 Freshmen motto: "Who took that apple?" For particulars ask Ed. Jones.
Sixth Grade
 The sixth grade boys are getting up a basket ball team. We hope we soon will have a good team.
 Those who have not missed a word in spelling the last month are the following: Sophie Arrow, Ruth Smith, Mabel Kirkpatrick, Wayne Bond.
Seventh Grade Entertains Junior Literary Society
 Although some of us at first felt uneasy as to the success of the program this time, as all productions were given by our youngest members, we soon realized that with the manifested enthusiasm and interest the entire affair was going to be a huge success. New numbers were given, jokes were well told, and the recitation by Dorothy Chalfont was much appreciated. Especially popular was the concluding song given by four of the seventh grade boys, Robert Lacey, Louis Richlin, Warren Speakman and Donald Faile.
 The English classes in the Junior department are doing a new type of English work, which aims at a more practical English course than the older type. Oral English is strongly emphasized. Indeed half of the recitations are more or less conducted by pupils under strict supervision.

NEW STATION FOR MERION
Another Post Office Will Be Built, As Result of Efforts of Civic Association.
 A new railroad station and post office will soon be erected in Merion, on the Main Line. The station will be built on the south side of the tracks, and the post office on the north side, close to the site of the present station.
 The station and post office will be built on the same lines, of brick and plaster, with timbered finish. The architecture will be different from the general design of the stations along the suburban lines of the P. R. R.
 The improvements were obtained through the persistent agitation of the Merion Civic Association.
 An appropriation of \$177,000 for the station was made at a meeting of the directors of the P. R. R. last Wednesday. Plans for the erection of the new post office have been ready for some time, and the Civic Association has been assured by the Treasury Department at Washington that work will be started at once.
 The regular monthly meeting of the Women's Auxiliary of the Narberth Y. M. C. A. will be held in the Y. M. C. A. Building, on Thursday, February 1, at 2.30 promptly, when we hope to have every member present.

 The above is a new department, and in order that it shall be the greatest use to the community the list should contain the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen.
 As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
