

Spett: Wikimania Esino Lario

Dott.ssa Iolanda Pensa

Object: Support to Wikimania Esino Lario

With this letter my company confirms its support to Wikimania Esino Lario.

We will provide for the event in-kind technical support with communication materials for a correspondent value of 3'000-5'000 euro.

Our company is specialized in the production of printed and visual communication materials and we agreed with Iolanda Pensa that the company will be included among the supporters of Wikimania Esino Lario in its communication.

We appreciate the challenge of Wikimania Esino Lario and we like with our support to associate our brand to visionary challenges, which are the basis of entrepreneurship.
