LIQUOR DEALERS ASK FOR FUNDS TO AID CANDIDATE COX AS A PRONOUNCED "WET"

(Verbatim copy of letter presented to Senatorial Investigating Committee, at Chicago, by Chairman Will H. Hays of Republican National Committee.)

Office of the President
649 Broad Street, Newark, N. J.

July 22, 1920.

Cabain Bros.,
Dear Sir and Brother:

The organized liquor trade of New Jersey has set out to do its part toward the election of James M. Cox as the next President of the United States and it becomes my duty to call upon you to help. More than that we are going to fight as we never fought before to keep the hirelings of the Anti-Saloon League out of office; to elect Congressmen in the twelve Congressional districts of the State who will vote to amend the Volstead Act so as to permit the sale of light wine and beer; to elect Assemblymen and State Senators who will keep New Jersey from ratifying the Eighteenth Amendment and prevent the passage of any law concurring in the Volstead Act in its present form.

The nomination of Governor Cox of Ohio for the presidency by the Democrats is a big victory for our interests and it can be attributed to a great degree to the activity of our trade organizations here in New Jersey and throughout the nation. Governor Cox is a pronounced "wet" and he can be relied upon to approve an amendment to the Volstead Act as suggested above. It is now up to our trade organizations to stand unitedly behind the ticket of Cox and Roosevelt and roll up such a majority as will show convincingly that the public well is in our favor. Are you going to help? Of course you are.

This is going to be the greatest political fight in the history of the United States. Your liberty and mine has been taken from us. Our business has been unjustly confiscated. The rights of the people have been seized and they are lined up with us in the mighty struggle that is soon to be decided by the battle of the ballot.

The recent decision of the United States Supreme Court has thrown the question of Prohibition squarely into politics. It is the vital issue in the Campaign that is now under way. The prohibitionists tried to keep the question out of the campaign. They feared the vote of an outraged and indignant public. It is up to us—members of the organized liquor trade—to force the fight. That is just what we are doing.

We have issued the challenge. The Anti-Saloon League is forced to fight. It has made an appeal for a \$30,000 fund to elect dry Congressmen who will uphold the Volstead Act and dry candidates to the State Senate and Assembly to force ratification of the Eighteenth Amendment on New Jersey. There is no question about the Anti-Saloon League's ability to raise the amount asked. How much can we raise?

We must have money at once to carry on the work that we have planned. Do not think for a moment that there is plenty of time to give between now and election. The fall will be too late. Money must be had immediately if we are to maintain our headquarters and continue the propaganda that is necessary in the drive to win public opinion. This is the second appeal that I have sent you. The first you evidently overlooked. I would not bother you now if it were not for the fact that your own interests hang in the balance just as much as mine. Let me beg of you to remain loyal to the cause to the finish. Make this your last contribution if you will but give—give something.

Your record on the roster of your local associations and also on that of the State League showed that you have been loyal and regular in the past. Do keep that record unsullied to the very end. I have always had your co-operation in the past please let me have it now for the Federation is to put up a bigger fight than it ever made before.

So that we may know at once just what our resources are, may we not ask you to promptly return the inclosed card filled out with your remittance.

Jump in and help us fight. Give as much as you can afford. This is not merely a battle to save your business but one to preserve something more sacred namely, your personal liberty.

Yours fraternally,
Geo. T. Conall
PRESIDENT.

The Evening News says that while the price offered has not been disclosed it is understood to be \$3,750,000.

CAMPBELL CHURCH WELCOMES NEW PASTOR

One of the pleasant social events of the month was the reception tendered Rev. Frank Farr and family last Friday evening at the Methodist church. The parlors were well filled with members of the church and friends from the Congregational church.

After a social hour during which guests had the pleasure of becoming acquainted with the family, Mrs. Cramer presided over an interesting program. Messrs. Verleger and Cramer sang two delightful duets, "Lab-board Watch" and "I Know a Bank." Miss Bernice Baugh cleverly interpreted one of Jas. W. Foley's poems, "Domestic Trouble." Rev. J. J. Pardee welcomed the new pastor and family on behalf of the church. In a few earnest words he showed the opportunity awaiting them and that they would really take up no one's work as the church had been without a minister for some months. The people were greeting them with open hearts not tinged with a sense of loss as is sometimes the case.

Rev. H. L. Preston, as spokesman for the sister church and the community, spoke in humorous vein of his and Brother Farr's sojourn in the San Joaquin, likening it to the idea of Purgatory from which one escapes after expiating his sins. He had come from that to "Paradise," which is not heaven, however, and needs plenty of work done in it. Dr. Bonner of the College of the Pacific, who so satisfactorily filled the pulpit of the church thru the summer, spoke from an outsider's viewpoint, and promised the new shepherd of the flock a "worth while" pastorate with a splendid flock, who not only needed his guidance but were ready and able to help in every line of work.

Rev. F. C. Farr on behalf of himself and family responded to these various greetings and expressed their satisfaction of being here as this was the choice he had made. As to his stay, he said, that he had come to educate his children at the College of the Pacific, and his little girl was three years old.

He and his family appreciated the open hearted welcome which the people of the church had accorded them and were already feeling that they were at home.

The ladies then served coffee, chocolate and cakes and everybody enjoyed a real good get-together time.

The Congregational church goes enjoyed another of their delightful fellowship suppers last evening at the church parlors. The rooms had been prettily decorated with dahlias and chrysanthemums. A short informal program followed the supper. Miss Marion Duncan and H. C. Smith sang a duet and Dr. W. I. Merrill two solos. After a humorous reading by Mrs. H. C. Smith, Rev. Preston made a few remarks on the enjoyable occasion.

JURY ENDORSES SYER

San Jose, Cal., Oct. 5, 1920. To the Voters of Santa Clara County:

On the second of next month, with all our other duties, we must elect officers to fill the vacancies that occur in our Superior court. Our choice is now narrowed down to two of the three men nominated at the primaries.

It is not necessary to say anything regarding the importance of this office or the impress it makes on our community life.

Speaking of the candidates, I might say that I have known all three of them for about the same length of time—something over twenty-five years. I have no hesitancy in saying that they are all good citizens and honorable gentlemen. But as voters must choose between them, and there are many things that must be considered. Personally, I think Mr. Robert R. Syer should be one of those elected. He is a man of the requisite ability as a lawyer, and has the poise and independence of mind and the temperament, that are indispensable qualities in a just judge. What is very important he is in the prime of life and retains that youthfulness of spirit, which, coupled with his learning in the law, will enable him to keep abreast of his cases and to do his full share of the work.

We owe a duty not only to our county, but to our state and nation as well, to seek out and elevate to such offices those who are most capable and worthy.

The natural reticence of such men should not be allowed to deprive the county of their much-needed services. We should be

exactng in a matter of this importance. Above all things, we should not be satisfied with mediocrity. And we should regard the actual works and the attainments of those who aspire to this position more than their mere words. It may be putting the standard high to say that unless a man is big enough for the highest courts in the land, he is not big enough for the Superior bench of this county. Why should this not be the test? It must be remembered that the highest courts, state and federal, are recruiting from just such courts as ours, and this county must not be found wanting in this. At least the qualities that make for efficiency in the appellate and supreme courts ought to be insisted upon as qualifications for the superior courts.

That there is a disposition in our times to forget this fact, is evident, since it is no secret that the superior courts, especially in the larger counties, or cities and counties, have far less ability than they had in former years.

I hope Santa Clara County will not get so big that it cannot study the qualifications of its own prospective officers. If we stop to consider, I think we will elect Mr. Syer one of our superior judges for the coming six years. Let us be sure of him at least.

Yours for a good judiciary,
JOHN G. JURY.

Excelo Cake Mixture

Excelo Cake Mixture isn't wholly new to the consuming trade, but not every one knows how good it is.

Here is what "Excelo" says of itself: "Anyone becomes an expert cake baker when Excelo is used. If you make a cake as good as Excelo by the old method, it will cost you twice as much money and require five times as much work."

Allowing for a little exaggeration in the foregoing statement, we think that Excelo is a bit cheaper than you could mix the same ingredients in your own kitchen. So far as the labor is concerned, the convenience of having the rightly proportioned ingredients come ready-mixed to your hand, is self evident.

A one-pound package of Excelo Cake Mixture will make a good sized cake. The price, Vanilla flavor, is 35c. Spiced Devil's Food is 40c.

Many of those who have tried Excelo recommend it with decided enthusiasm.

WOMAN'S CLUB

The Country Woman's Club met Monday afternoon and enjoyed a busy and profitable meeting. Action was taken in regard to the County Alliance and County Federation of Clubs, both of which are at present in existence.

Many expressions of sympathy and appreciation for Miss Mary Lewis, one of the club's older and most faithful workers, were voiced and earnest wishes for her restoration to her accustomed duties in our village. Few people have filled as many places in our community as Miss Lewis.

The program was on the late William Dean Howells and was most ably presented by Mrs. Leigh Saunders and Mrs. E. R. Kennedy, who took Mrs. John Blaine's place.

Mrs. Saunders read a very bright paper on the life and character of the author and his style of writing and Mrs. Kennedy read from one of the earlier and one of the last essays of Howells. Both were full of the humor and psychology of life and were greatly enjoyed.

Plans for the entertainment of the County Alliance in November are being held somewhat in abeyance until a report is received regarding its continuance.

The members of the club were invited to participate with the Orchard City Grange in a meeting Tuesday evening, Oct. 26th, when Hon. Herbert C. Jones will be present and discuss the various amendments to be on the November ballot.

Prof. Ackehurst, late violinist of the Metropolitan Opera of N. Y., will give a violin concert in connection with the regular performance at the Orchard City theatre, Saturday, Oct. 16.

Stanton Miller of Evansville, Wisconsin, was the weekend guest of his uncle, J. M. Butts. He has gone south where he will spend the winter. Mr. Butts expects to go there for part of the winter with him.

J. F. Young and Miss Young who have been in Campbell for the past ten months, living with Mrs. E. S. Brown, left Wednesday for their home at Bremen, Ind. Mr. Young is very much pleased with California and will doubtless return later to remain.

She has made many friends in both business and church circles, who unite in wishing her a full measure of happiness and success in her new life.

HEAR JONES

Hon Herbert Jones will speak in Campbell, Tuesday evening, October 26, on the subject of the twenty measures on the election ballot. Mr. Jones has made a conscientious study of these measures and will present some very able arguments for and against them. FAMILY REUNION

Dr. and Mrs. C. N. Cooper were pleasantly surprised over the weekend by an unplanned family re-union. Mrs. Will Cooper and daughter of Oakland had spent the week here and Mr. Cooper came down Saturday to take them back Monday.

Saturday evening Dr. Cooper and wife arrived from Hanford and remained until Monday also, and Sunday afternoon Chas. Cooper and wife drove down from Oakland for a few hours, and as Miss Katherine was home from Berkeley for the weekend, the circle was complete but for the absence of one grandchild.

Miss Ruth Lloyd will teach piano, violin and theory at Professor Halamicek's studio Saturday mornings. Hours may be arranged by calling S. J. 949.

TAXES-1920

Office of the Tax Collector, County of Santa Clara, State of California, San Jose, California, October 1st, 1920.

Notice is hereby given that the Taxes for year 1920 will become due and payable: First Installment—The tax on all personal property, a lien on or secured by land, and one-half of the tax on all real property will be due and payable Monday, October 18, 1920, and delinquent December 6, 1920, at 5 o'clock p. m., when 15 per cent will be added to all of said first installment remaining unpaid. Second Installment—The remaining one-half of the tax on all real property will be due and payable January 15, 1921, and delinquent April 25, 1921, at 5 o'clock p. m., when 5 per cent will be added to all taxes remaining unpaid.

Taxpayers may, if they desire to do so, pay the whole tax at one payment.

For the purpose of receiving taxes I will be at the Garden City Bank, in the Town of Campbell on Wednesday, Oct. 27, 1920, during banking hours, and at my office in the Hall of Justice Building, cor. St. James and Market Streets, San Jose, California, daily, Sundays and Legal Holidays excepted, from 9 o'clock a. m. to 5 o'clock p. m., to and including Monday, December 6, 1920, and Monday, April 25, 1921, at five o'clock p. m.

The Second Installment is payable at my office in the Hall of Justice Building, San Jose.

THOMAS BODLEY,
Tax Collector of Santa Clara County.

THREE CANDIDATES FOR SUPERIOR JUDGE

The overwhelming plurality accorded Judge Gosbey and myself at the recent primaries has created the popular impression that the contest for Superior Superior Judges ended with that election. This is not literally true. Under the primary law a third candidate, though polling only 5073 votes as against 11,682 for Judge Gosbey and 8,449 for myself, is entitled to have his name appear on the ballot.

I wish to again express my gratitude for the fine endorsement given my candidacy by the voters of Campbell and vicinity. At the primary election, Campbell precincts cast 207 votes for me as against 84 for the third candidate referred to. Knowing the independent and informed character of the voters of this community I have no fear that the vindictive policy maintained toward me by a San Jose personal organ of publicity will prevent my primary lead of nearly 3500 votes from being proportionately increased in November.

Respectfully,
F. B. BROWN,
Adv.
