BULB LIST

S. S. SKIDELSKY & CO.

37-39 West 28th Street, N. Y.

Telephones: BOgardus 4-6976 — 6977

NEW ENGLAND OFFICE:—37 Pearl St., Melrose, Mass.

Telephone: Melrose 2105-R

Below are a few letters from customers which show that our merchandise and service has warranted their confidence and good-will.

August 16, 1937

For twenty-three years you have had a standing order for our supply of Lily Bulbs. We have had excellent results all these years, and have no desire to change, so duplicate the order as usual.

Let me say, that last Easter a great many Lilies ran tall and had to be staked, while ours were short and required no staking at all, quite a saving in labor and much easier to handle and sell.

SINCLAIR FLORIST,
Holyoke, Mass.

July 17, 1937

Many florists comment on the consistently good quality of our Lilies. Wish to say that no matter how good a grower you are, you cannot get good flowers unless the bulbs are right in the first place. Have had these bulbs from you for a long time and can say you have to go some to beat these flowers.

L. W. ACHESON,
Pittsfield, Mass.

April 8, 1937

We wish to duplicate our order for *Lilium Giganteum* for Easter flowering 1938. It is pleasing to us to inform you that the quality was exceptionally good this year, and the count on the 8/9 bulbs averaged better than five, which was extraordinary as the count in this section, according to reports, ran low.

NIELSEN BROS.,
Lynn, Mass.

March 31, 1937

The Daffs came fine and we were greatly pleased.

ROSEMONT GREENHOUSES,
Haverhill, Mass.

OUR TERMS

All bills are subject to 2 per cent discount within ten days from invoice date. Sixty days net. Sight draft, plus interest, thereafter.

Shipments are forwarded by best carrier, in our judgment at time of delivery, unless otherwise specified by customer.

First-class stock is carefully packed when shipment is made, and we hold good order receipt from the transportation company. Our responsibility ceases thereafter. If the stock reaches you in bad condition, notify agent and bring claim against the delivery company for damage caused by their negligence, as no allowance for this cause can or will be made by us.

We endeavor to send out only the best quality of **Bulbs, Plants, Seeds and Cuttings**, but under no circumstances do we guarantee results of crops. If goods are not acceptable under these conditions, they must be returned to us at once.

Bulbs, whether shipped on arrival or placed in cold storage for later delivery, may be examined at time of arrival if desired, but no claims will be entertained at a later date.

As to all items other than **Bulbs**, claims must be made within five days after receipt or they cannot be recognized.
