To: Dr. Manitoff

From: Dr. H. Terada,
Chief of Medical Section, Tokyo-to

Subject: Year End Free Medical Treatment for 1949

1. Object

This special treatment, as in other years, aims at providing free medical care to the increased number of less fortunate people such as the repatriates, war-sufferers as well as general public pinched under the present severe social circumstances. Though many are benefited under the expanded application of Social Insurance System and Livelihood Protection Law, still it is presumed that some considerable number of people finding it too expensive to secure medical care; besides, there may be some who are unwilling to receive medical treatment through troublesome formalities for such social protection, when their conditions require immediate medical attention. In this cold season, towards the end of the year, it is sincerely hoped that this special occasion will be found by each of these persons as a good chance for medical examination, emergency treatment and health consultation.

2. Period: From 19th (Mon.) to 25th (Sun.) Dec. 1949

3. Office hours: Generally from 10:00 a.m. to 3:00 p.m.
(To be changed according to the condition of the district)

4. Number of medical teams: Some 95 teams (665 teams in total)

5. Places: Municipal hospitals, clinics and medical facilities of social work organizations are to be used. To districts where there are no such institutions travelling medical teams will be dispatched.
Names of the institutions are shown on the attached sheets.

6. Expenses: To be defrayed by the organizations and institutions joined in this service. Free treatments in this special service are limited to consultation, emergency treatment (including medication) and health guidance.

7. Publicity of the treatment: Each institution engaging in this service will use signs clearly indicating necessary items.
