OPIATA BALSAMICA,

DEL DR. GUERRERO. HIS OPIATA, a recent discovery, is a certain saft and convenent remedy for that species of disease

auch a manner as to render it "tasteloss," by being wrapped up in a wafer prepared for that purpose, a sufficient number of which will be delivered with the medicine. But the greatest advantage which it possesses, is, that it invariably produces a radical cure of the disease in a few days, without affecting the most delicate constitution, owing to its containing the slightest particle of mercury is its composition.

Before the Agent would offer it to the public in this country, he has had its efficacy tested by several of the most respectable physicians in the city of New York Their success has fully justified the declaration, that it is the best medicine they ever used, and they have in consequence, generously consented to be referred to as to the truth of this statement.

GRATUITOUS VACCINATION. THE public is horeby informed that indigent person may be gratuitously vaccinated every Friday from 1 to 3 P M, in the house of Mr. Nicolas Girod, opposit

Hewich's Exchange.
It has been further received at the last meeting of the Medical Society that persons in easy circumstances who wish to avail themselves of this opportunity may be vaccinated by paying the sum of \$5, one half of which will be invested in the funds of the orphans and the other half will be applied to the foundation of a Medical Library. The Secretary of the Society,

may 25 VEGETABLE COMPOUND OIL VEGETABLE COMPONENT OF ILL.

OR dying and converting Red and Grey Hart to a black or dark brown, and also for pre erving, nourishing, and promoting its growth, without any inconvenience whatever. The propriator of this inestimable preparation, its well a ware that the foundation of all the nontriums, which have here tefore been made use of for the purpose of converting red or grey har to a black or dark brown, is the nitrate of river or other morral substances, which, it is admitted, will color the hair, but at the same time will denden and destrey it; so tha

n the end the cure is worse than the disease.

The ingredients of which this Vegetable Compound Oil is The ingredients of which this Vegetable Compound Oil is composed, are such an will be found to nourish and promote the growth of hair, and that more so than any other article known, which is sold for that purpose, (notwithstanding the wonderful things they are said to perform.) It will also sofe and give it a beautiful glossy appearance; and shoe, at the same time, will color and convert it to a beautiful black or lark brown, according to its nature and primary color. The dyo itself being purely vegatable, and combined with other ingredients, becomes nourishing, andening, and greatly promutes the growth of hair, and is recommended as the best valuable premaration, for the nurrous, of any that has ever

mutes the growth of hair, and is recommended as the best valuable preparation, for this purpose, of any that has ever been offered to the public.

The Vegetable Compound Oil acts upon the hair in a slow and prog essive manner, and if applied according to the directions, and regularly continued, it will keep the air a good color, will feed and nourish it, and greatly promote its growth and wrently the hair is a heart of the component to according And surely the hair is a beautiful ornament to any person but particularly the femile, and therefore its beauty ought the cultivated and prese ved.

About three bottles of this oil will be sufficient for one per

son for a year; and persons getting into years, the beauty of whose hair is on the decline, will find this compound oil o great henofit in preserving it.

Finally, this Vegetable Compound Oil, with these direct Finally, the Vegetable Compound Oil, win these directions observed and these cautions complied with, will berform all that is said of it, and this the proprietor knows not by supposition or theory only, but by actual experience.
